"Sub-Section (B). All moneys received on account of the state from any source whatsoever, shall be paid into the treasury thereof.

"Sub-Section (C). The legislature shall not appropriate any money out of the treasury except in accordance with the provisions of this section.

"Sub-Section (D). On or before the 15th day of January in each year next preceding the regular biennial session of the legislature, every department, institution and agency of the State except the legislative department, shall submit to the governor of the state a detailed statement showing actual revenues and expenditures for the two fiscal years intervening since the last regular session of the legislature, together with estimates of appropriations required to meet the financial needs of such department, institution or agency, itemized as the governor may require."
