Treadmills offline during Remodel

by Laura Hall on July 26th, 2019 | [0 Comments](#)

We received numerous requests to relocate the treadmills during the 3rd floor remodel. We explored several options, unfortunately we will not be able to accommodate the request. The treadmills draw a high amount of electricity and require a dedicated circuit, which we do not have.

Hearing your request, we partnered with the HSC Wellness Program to have 2 *Rock the Bikes* available in the library. Although we know the bikes are not a substitute for the treadmills, providing other options will give variety and encourage much needed study breaks.

The treadmills are included in our 3rd floor remodel plans, and will be available when the floor reopens in October.

If you have other suggestions, please feel free to [contact](#) me.
