happening at your library

3rd Floor Remodel Open Forums

Thurs · June 27 · 2–3 pm

Fri · June 28 · 10–11 am

HSLIC 428

You've seen the signs. You've seen the print journals being moved. Want to see what's coming next to your library?

Starting in August, HSLIC's 3rd floor will see a major overhaul of function and feel. By removing the print journals we will be adding 4000 square feet of student study space. The study space will include more seating options and improvements in lighting, connectivity, and comfort.

If you are interested in learning more and giving your input, please attend one of HSLIC's Remodel Open Forums held next Thursday, June 27, 2:00-3:00 p.m. or Friday, June 28, 10:00-11:00 a.m. Both forums will be held in HSLIC 428.

The forums will be an opportunity for you to see what is being planned for this first remodel, our timeline, and to give us feedback for future improvements to the library.
