Online Access to USP-NF Now Available

by Karen McElfresh on February 5th, 2019 | [0 Comments](#)

TMHSLIC recently gained access to the electronic version of the United States Pharmacopeia and National Formulary (USP-NF). You can access the resource from the [HSLIC database page](#), or by clicking on the link below. Please note that you must make an account using your @salud.unm.edu email address. If you have questions about this resource, please contact [Karen McElfresh](#), Resource Management Librarian.

New

Online database containing the compendia the United States Pharmacopeia (USP) and the National Formulary (NF). The USP contains monographs for drug substances, dosage forms, compounded preparations dietary supplements, and ingredients. The NF contains excipient monographs. **Note: to access this resource, you must make an account with your @salud.unm.edu email address.** [Please see this page for instructions.](#)
