Get Real: VR Lab Now Accepting Reservations

by Laura Hall on November 5th, 2018 | [o Comments](#)

The new frontier of immersive learning is now available for HSC students, faculty, and staff. HSLIC's new Virtual Reality Lab (VR Lab) can be [reserved online](#) from the convenience of your desktop, tablet or phone.

The new VR Lab is for HSC students and faculty to enhance coursework and learning, and is equipped with the latest Wireless HTC VIVE Pro. The VR Lab goes beyond the technology to deliver transformative learning experiences. By stepping into virtual reality, learners are given new opportunities to explore, make connections, and learn through doing.

What you need to know:

Make [reservations](#) with your HSC credentials at least 24 hours in advance

Available for 2 hour reservations, 8am—5pm, Mon—Fri

Minimum of 2 people and we recommend not exceeding 6

A brief training by HSLIC Staff is required the first time you reserve the room. Additional trainings can be requested as needed

Faculty who wish to use the lab for classroom purposes, contact us for the facilitation of small-group learning sessions

Featured Apps:

3D Organon VR Anatomy

Enlightened League of Bone Builders and the Osseous Enigma Content

Medicalholodeck: The Real Human Anatomy

Physiology of the Eye

The Body VR: Journey Inside a Cell

The King's Request: Physiology and Anatomy Revision
