## SCHOOL OF AMERICANISM

We have our schools for the education of the young, and our trade and other institutions for the advancement of adults.

Every conceivable need in this respect seems to have been provided for—except one.

We need schools of Americanism—institutions where the immigrant may be taught in his own language the value and duties of American citizenship before he is turned loose to roam the country at will.

If institutions of this kind could be established in our poorest cities and every immigrant be required to take a prescribed course we believe much of the unrest of this country would be eliminated in future generations. At any rate it is worth a trial.

The News believes there should be a reduction in freight rates before there is a further reduction in the wages of railway employees. The railroads have enjoyed the benefits of high freight rates for the past several months and a general reduction in freight rates at this time would have the effect of stimulating busi-

ness and of lowering the cost of living. The added business should reimburse the roads for the rate reduction. There must be a sweeping reduction in freight rates before the country can get back to normal.

Curry County needs more dairy cows, more hogs and more hens. A short wheat crop may not come next year but it will come some year and when it does Curry County will not suffer materially if the lack of revenue from the grain is supplemented by the three revenue-bringers mentioned above. Dairy products, poultry and eggs and hogs are about the only products that the farmer has to sell now that the price bottom has not fallen out of.

President Harding has issued a proclamation calling on the people of America to utter a silent two-minute prayer at noon on Armistice day, Nov. 11, when the body of an unknown American soldier will be laid to rest in Arlington National cemetery. For two minutes, beginning at noon, the people are asked to utter a silent prayer to the giver of all good for the valuable and glorious lives and for His divine mercy and blessings upon our beloved country.

## IS ABSENCE SWEET?

Comment is making on the theory of sandy English physicians that couples who have been married a certain number of years should take their vacations separate and apart. Lots of them do, but it is not advertised as a scientific creed.

The big idea is that the brain and body are apt to be nettled by an altered environment. Even couples that are passionately devoted to one another find refreshment in separation. One psychologist asserts that if the average husband and wife were parted for a month each year they would not be half as many divorcees. When the wife has to sit opposite the same man at the breakfast table for a hundred years or so her mind gets to running in a narrow groove and finally disappears altogether. Can you blame it?

The doctor's prescription is that once every year the husband and wife should travel—in opposite directions. There should not only be a change of companionship but of scene. Then the old home and the life that binds will be appreciated at their full.

There may be something in this. Mental stagnation and rust come through continued association with the same person and scenes. A temporary variation in companionship and a fresh viewpoint will accomplish much in blowing the cobwebs away. That's what the doctor says. The woman who is parted for a time from her husband and family returns to them refreshed and strengthened. She is also more capable and willing for service in their behalf.

Of course, if she has taken advantage of her vacation to run off with a handsomer man all bets are off.—Los Angeles Times.

## A COMPLETE HISTORY OF THIS COMMUNITY

Of course, the whole family eagerly reads the "Home Town Paper." This whole family wants to know the happenings of the community; wants to read the news about what the people they know for miles around are doing.

The "Home Town Paper" is a complete history every year of you and your neighbors. It tells of the comings and goings, the births, the mar-

riages, the joys and the sorrows—all the events that go to make up community life.

History? Why, the average "Home Town Paper" contains at least TEN THOUSAND NAMES in the fifty-two weeks of any year! Just reflect a bit and realize what that means. If you sat down and read a voluminous history of the whole world from the birth of creation, you would not find that many names in it. And yet the "Home Town Paper" makes a regular yearly custom of printing ten thousand names and sometimes twice that number.

The "Home Town Paper" is a sedative, a tonic to the nerves, a relief after hard work with hands or brains, and entertainment to you, your wife, your son, your daughter.—Hereford Brand.

## TEXICO NEWS BRIEFS

The concluding hours of this week brought evidences of Autumn. A very unwelcome sand storm, followed by a cold norther which made us hunt our old work-out duds. To see the farmer bustling about from early dawn till the gloom of dusk is sufficient evidence that "winter is coming."

The duck season is open now and none doubt it when you can hear the crack of guns early and late. Mr. Duck is getting pretty shy.

Mr. S. C. Hunter returned from Decatur, Ill., last Tuesday morning. He was at the bedside of his aged mother till her sainted spirit ascended to the great beyond. After funeral services and domestic matters were attended to he returned to his old nest.

The Pentecostal meeting which has been in session for some time at the old Rock church, and conducted by Rev. Freeman and daughter of Portales, has attracted much attention and several members have been enlisted.

Texico's new meat market, which is conducted by Crane brothers, is doing a good business. They are selling meats much cheaper than former prices. We welcome anything that helps to put conditions on the normal list.

District Court has been in session at Farwell for some time, but closed last Monday night. A heavy docket was cleared up at this date.

A very delightful surprise was the occasion at the Methodist parsonage this week. A good old time pounding party was given our new pastor and family. My, my, but the preacher won't have any grocery bills for a long time. Lots of cats were presented.

C. W. Hill & Son's new building is being constructed as rapidly as possible. Mr. Avery moved his stock to the Quick Service Garage where he has more room and is putting in a larger stock of accessories and auto supplies.

We are glad to report that Mrs. Anderson is still improving and expects to be home again soon. She underwent an operation at Clovis some time ago.

Like a thief that cometh in the night so we come to tell you all about things that are happening and will happen some time. Better sleep with an eye open lest we come at an hour when ye think not.

## BLACKTOWER BULLETIN

We are having some windy days this week.

The party given by Mr. Thornberry Friday was enjoyed by all who were present.

Bro. Hatfield preached a fine sermon Sunday morning and also Sunday evening.

Several from this place attended church at Ranchvale Sunday evening.

Several from Clovis attended the party at Mr. Thornberry's Friday night.

Two girls from Forest, N. M., are attending school at this place.

Mrs. Lee Bradshaw of Hill-McDaniel visited in the Chandler home last Wednesday.

Mr. Baker will preach to us next Sunday morning at eleven o'clock. Everybody come. Also remember Sunday school every Sunday at 10 a. m. Shorty.

## Singing Convention Notes

Clovis singing class met last Sunday at 2 p. m. in the Episcopal church. Several visitors from Texico and surrounding communities were present. Very fine singing. Matter of organization discussed by several leaders. Rector Brander made an interesting talk on organization of a class and invited the singers to his church any time for which we are very thankful. Class will meet in the Presbyterian church at 11 a. m. sharp, on next Sunday. A cordial invitation is extended to all lovers of vocal music to be there and take part. Come, we will look for you.

## NOTICE OF SUIT

State of New Mexico to J. A. Traft and all unknown claimants, defendants:

You are hereby notified that J. V. Rice has begun a suit against you in the District Court of Curry County, New Mexico, in case No. 1886, and that the general objects are to cancel a mortgage given by A. L. Awalt and wife to J. A. Traft for \$1200.00 dated January 18, 1918, and to remove the cloud and clear plaintiff's title to lot 9 in Block 39 of the Original Town of Clovis, New Mexico, and that unless you plead in said cause on or before the 9th day of December, 1921, said mortgage will be cancelled and judgment by default will be taken against you; that the attorney for the plaintiff is A. W. Hockenhull of Clovis, New Mexico.

Witness my hand and seal of said Court at Clovis, New Mexico, this 26th day of October, 1921.

 "Maybe I am," replied the patient citizen. "I live in a town where they have grade crossings."

**Information.**  
 Autolist—Where do these two roads lead to?  
 Farmer—Well, you see, this here road leads to my house, and the other goes straight ahead!

## Answer These Important Questions

Have you ever had a cause to doubt that you enjoy perfect vision? Do your eyes feel sore after a spell of close work—aching, smarting or feeling as if sand or grit was lodged behind the lids? Do you ever, while reading, find that the print suddenly "Goes Misty" and confused? Do you find that reading or sewing for an extra hour or two causes headache?  
 If you have noticed any of these peculiarities with your eyes you should have them carefully examined at once.

**UNION BIBLE STUDY FOR CLOVIS**

On November 7th there will come to us Mrs. Gladys Swartzbaugh whom all Clovisites will recall as the gifted pianist and women's worker with the Honeywell evangelistic campaign of last June.

This lady at that time gave four Bible study lessons which were highly appreciated by those who were fortunate enough to hear them and will this time give a two week's course of intensive Bible study, using black-

board and charts.  
Mrs. Swartzbaugh is especially well prepared for this work, having studied three years in Moody Bible Institute under some of America's most notable and spiritual instructors. As for her own personality nothing need be said for to know her is to love her. She will be warmly welcomed in Clovis. The meetings will be held in the evenings in the Presbyterian church and everyone is cordially invited to come with Bible, pencil and pad prepared to make the most of the opportunity to study under this most gifted and entirely consecrated teacher.

## Successful Week of Farm Meetings

Farm Bureau News

During the past week Mr. C. A. McNabb, State Marketing Specialist, has been working with the county agent in a series of meetings to give instructions along lines of production in relation to marketing. The meetings have mostly been well attended and great interest has been shown. Mr. McNabb presented his address at the meetings addressed by John Fields at Grady and Bellview, October 12th.

The past week meetings have been held at Claul, Fairfield, Ranchvale, Pleasant Hill, and McRosa. Good entertainment was given. Moving pictures were shown by the county agent and songs and other entertainment was furnished by the schools.

Mr. McNabb's addresses emphasized the importance of introducing sweet clover on Curry County to provide pasture for hogs and other live stock. His lectures were illustrated by lantern slides showing growth and utilization of sweet clover. The following is a brief review of some of the points in the message brought to the farmer by Mr. McNabb:

### Production and Marketing

As State Specialist in Marketing, Mr. McNabb has been called upon repeatedly and continually to supply information on marketing our grain crop, especially maize and kafir. Once we depended almost entirely on the cotton growing sections of Texas and Oklahoma for market for our grain sorghums. The large list of inquiries gotten out by the county agent to sections of Texas and Oklahoma in search of market for grain sorghums show that they are producing a surplus. After the low price of cotton and the disaster caused by the boll weevil, the cotton farmer is growing his own feed. Growing of feed has increased in all parts of New Mexico. We must look to Arizona, California and other western states and the market for grain to these places may be limited and the prices low and freight rates extremely high.

In view of these facts it is high

time that we plan our farm operations in order to meet the demands of the markets, instead of producing for market large quantities of crops which are not in great demand. These conditions prompted the county agent and Mr. McNabb to put on this campaign.

It was pointed out by Mr. McNabb that market must be furnished for much of our grain crop at home. It was shown also that it will bring greater results for our crops by feeding them to live stock, especially hogs, than we could hope to secure by selling our grain on the market. There is a great demand for hogs weighing from 75 to 150 pounds for feeding purposes and for serum factories. Mr. McNabb told of the numerous inquiries he is constantly receiving for this class of live stock and stated that in his opinion, it was impossible to over-produce in this class of live stock in New Mexico for the next ten years. He showed that New Mexico has been steadily buying packing house meats which are sold at high prices, after all the expense of production, packing, transportation and commissions are paid. "Every pound of meat products that is used in New Mexico," says Mr. McNabb, "should be grown on farms of New Mexico, and in addition to supplying our State with meat hogs there is market for thousands of car loads of feeder and serum hogs.

Pasturing is the most economic method of supplying the larger portion of feed for hogs and Mr. McNabb set forth the very practical idea for growing pasture for hogs on every farm in Curry County. We have overlooked the one very important plant which is grown universally throughout the world and which is adapted to the climatic conditions in eastern New Mexico. This plant is biennial white blossom sweet clover. The first sweet clover was introduced into New Mexico only a few years ago and now thousands of acres are being

grown by farmers of Union, Quay and Torrance Counties and a few have had remarkable success with try out patches in Curry County. Sweet clover furnishes the earliest green feed for use in the spring and continues growth until late in the fall. It will withstand great drought. It has a feed value equal to alfalfa. Live stock may rapidly be taught to eat sweet clover if started on it early in the spring when it is tender and succulent.

Mr. McNabb recommends the establishment of a five acre pasture plot on every farm in Curry County—two and one-half acres to be devoted to sweet clover and two and one-half to sudan grass. Many farmers in Curry County have proved the wonderful value of sudan grass for pasture but it starts too late in the spring. Sweet clover will supply this deficiency. This pasture plot should be fenced with hog tight fence and should be located close to the barn and water supply. A hog tight fence should separate the sudan grass pasture from the sweet clover pasture.

As sweet clover is hard to get started, Mr. McNabb recommends that only about two and one-half acres be tried the first year. When farmers once learn to grow sweet clover, and about its wonderful feeding value, there will be no difficulty in increasing the acreage.

Sweet clover requires a very compact seed bed with only shallow surface mulch. Land should be well plowed but thoroughly compact before seeding. Sweet clover should be planted the latter part of February or the first of March. The one essential in getting a stand of sweet clover is in having a thoroughly compact seed bed with only a shallow surface mulch. When sweet clover is sown in the early spring on a good compact seed bed it should keep ahead of the weeds through the season. Two and one-half acres of sweet clover will furnish pasture for from fifty to seventy-five shoats. Sweet clover may also prove of value in furnishing feed for poultry and dairy stock.

Mr. McNabb is spending this week in Roosevelt county and will go from there to Quay county and other counties in the same kind of work.

### EXECUTIVE COM. MITTEE MEETING

The regular monthly executive committee meeting of the Curry County Farm Bureau will be held Saturday afternoon, October 29, at the court house at 1 p. m. Farm Bureau members are invited to come to this meeting and present any matters they may have for the good of the organization.

The Farm Bureau is solving many problems in our country—county, state and national. Let's make the most of it in Curry County.

### CLAND JONES MAKES SWEET POTATO RECORD

So far as has been reported to this office C. B. Jones leads on the record of sweet potato production.

He has harvested over 1300 off of four acres. This is a good yield and shows what is possible in the Portales Valley.—Portales Valley News.

### A MEMORY TESTER

For the benefit of the old-timers, the exalted ruler of the Sacramento lodge of Elks has prepared a—oh, read it yourself:

I REMEMBER—

When the family that had a bath tub was considered "stuck up."

When the bootjack was an indispensable household utensil.

When the old fashioned farmer came to town and blew out the gas.

When kerosene was bought at the corner grocery by the quart.

When bustles and tilters rounded out the feminine form divine.

When we used to write verses in in girls' autograph albums with purple ink.

When a haircut a la pompadour was the prevailing style.

When you could never tell whether or not the girl you took to a party had a mole on her shoulder or a skinny neck.

When the attractive view of a street car was hats and faces; not shoes and hose.

When a burlesque show with a ballet would play to standing room only.

When you helped the Band of Hope drive by buying a 25-cent ticket to a chicken dinner, and it was a real chicken dinner.

The old family photograph album and the family Bible which always had the place of honor on the "what-not" in the corner of the parlor.—

San Francisco Chronicle.

### POTATO WAREHOUSES FULL

The Portales Valley Sweet Potato warehouses are full and the crop half in is the report.

The storage company has leased three of the brick buildings in the Howard block back of Joyce-Fruit's and have fitted them up for the storage of sweet potatoes and are rapidly filling them. All other available buildings will have to be used to take

care of this crop, which brings to light the fact that a canning factory is badly needed to help care for them. Prospects are that next season there will be several thousand acres in potatoes, which would fill every business house in town and the jail besides. The sweet potato industry is a big thing and the entire citizenship of the valley should get behind it with every ounce of push at their command.—Portales Valley News.

## MEMORIAL PARADE LED BY MRS. OWEN

A parade was held last Thursday in honor of Clara Barton, founder of the Red Cross. The long line of decorated cars met at the High School Auditorium at 4 p. m.

The parade was headed by Mrs. Dixie Owen, President of the Clara Barton Memorial Association, and Mayor McClelland.

The Baptist Hospital represented the Red Cross nurse. The public school children of all ages were in the parade. The streets were lined with the people of Clovis.

Banners bearing the name of Clara Barton were on every car, one bearing the inscription, "In Memory of Clara Barton, Founder of the American Red Cross, the Greatest Mother the World Ever Knew."

In the evening at the high school auditorium a program under the direction of Mrs. Dixie Owen was held.

The audience, composed of the representative people of Clovis, filled every seat.

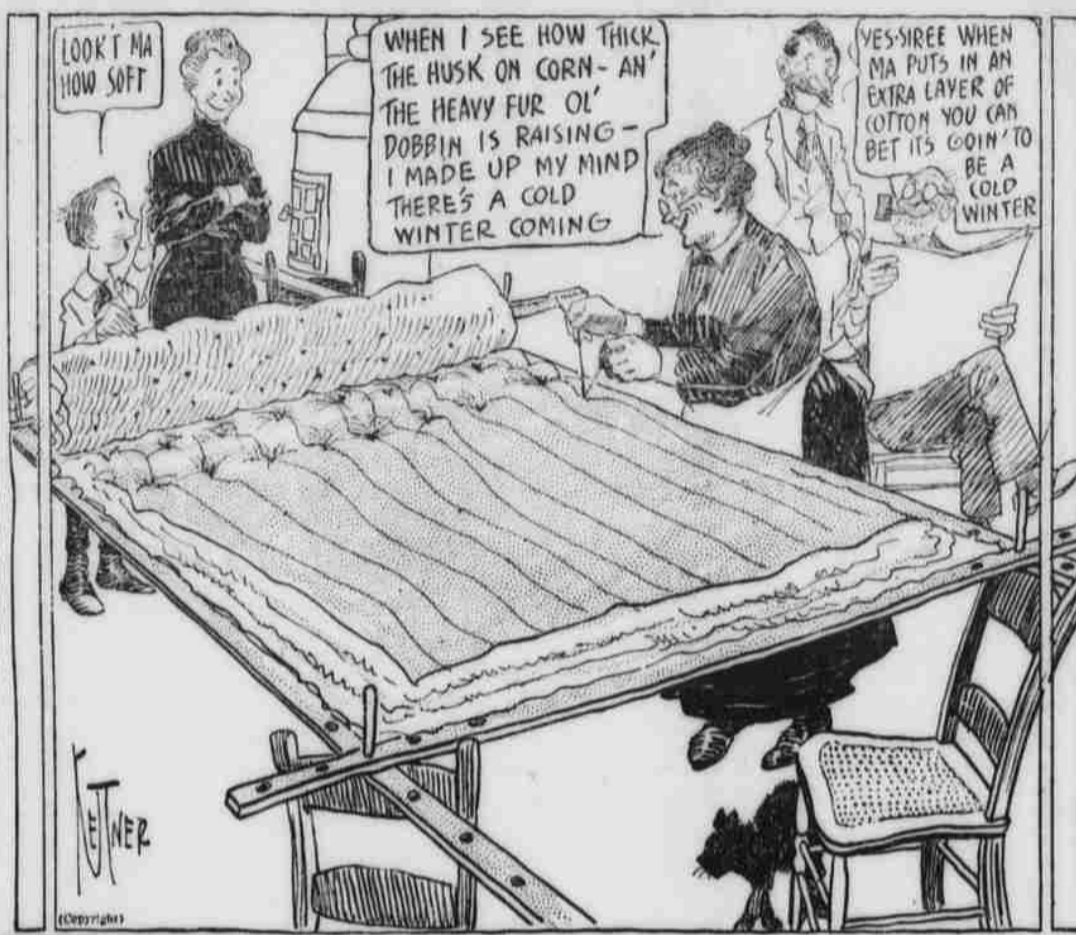

The band played on the public streets and in front of the auditorium. Mr. Forbes, by using his powerful voice, told the people to go to the auditorium after the band played, and they were there. Come again.

The ministers of each church was on the platform and took part in the program. Mrs. Owen was at her best and kept the audience wide awake. She told the people there was nothing worth a feather's weight unless there was a woman in it.

Miss Ethel Henderson, as soloist, added to the program by rendering some beautiful solos.

The Clara Barton Boosters, under the leadership of Mrs. Owen, will give

a minstrel at the high school auditorium for the benefit of the Clara Barton movement. The Lyceum has kindly offered us the use of their theatre for an evening's program for the same object.

**AMERICAN LEGION NOTES**  
 \*\*\*\*\*

There was a very enthusiastic meeting of the American Legion held Thursday evening at Legion headquarters.

The principal purpose of the meeting was to better organize to pay its respects to Ralph LaLonde, deceased, whose death came not unexpectedly, but as a result of a long illness.

Mr. LaLonde was a member of the American Legion and had served in the late war. There was a large crowd present and the Post Commander, D. K. Fitzhugh, tendered his resignation as Post Commander, making the statement that on account of his recent illness he could not give the proper time, and was not at that time physically able to fulfill this responsibility. His resignation was accepted and Senior Vice Post Commander Daniel Boone was unanimously elected to the office of Post Commander to serve the unexpired term.

Various other business was transacted after which Mr. C. L. Dawson, National Field Representative for the American Legion spoke very enthusiastically to the Post. His remarks were along the line of encouragement and urging the post to go forward with pep and renewed efforts to higher accomplishments. Also admonishing the Post to steer clear of politics and all questions that would involve questions affecting the constitution and by-laws of the organization.

Then on Friday evening following at 8 o'clock, a mass meeting was held at the court house at which time a large crowd attended and the respective listeners enjoyed the enthusiastic speeches by the Hon. Lt. Governor Duckworth, District Judge Sam G. Branton and Hon. C. L. Dawson, National Field Representative of the American Legion. Post Commander Daniel Boone introduced the speakers of the evening.

The importance of the American Legion Posts of the country and their relations to the people and the relation of the people to such organizations were brought very forcibly to the minds of the audience. It was also shown just what the local organization had accomplished in the way of bringing money to Clovis through the United States Government to the disabled veterans and what might be accomplished in the future, also the question of hospitalization of the disabled veterans was discussed at length.

Lieutenant Governor Duckworth and District Judge Sam G. Branton expressed very emphatically their earnest desire that the people should be back of the American Post, back of the men who laid aside their work and all their home attachments and concerns to make the biggest sacrifice

that could be made to bear the cross of our country in the late World War, and they emphatically assured the Dean Lucas Post that the people were squarely back of it in all its undertakings.

Mr. Dawson, the principal speaker of the evening, directed most of his thought along the line of hospitalization and caring for the disabled veterans and discussion relating to the bigness of the American Legion. He also discussed to some extent the National Convention in Kansas City from October 31st to November 2nd, inclusive.

### RESEARCH CLUB

The members of the Research Club were delightfully entertained Monday afternoon, with Mrs. L. E. Canon as hostess. Club members responded to roll call with recipes. An interesting program was rendered on the geography of New Mexico. Surface and drainage was given by Mrs. Hunt; Natural Resources was given by Mrs. Hollinger, and while she illustrated, Mr. Hollinger delighted the club members with moving pictures on natural resources, also many interesting views of Santa Fe. An interesting paper was read by Mrs. Spade, with moving pictures also. Round Table, "The last time I visited school and what I saw." Poem, "New Mexico, the Sunshine State," was beautifully given by Albertina Harshaw. Club members present were: Mesdames Crouch, Spade, Boppemeyer, Sutter, Roach, Tucker, Murphy, Hollinger, Speight, McCarty, Graham, Durand, Hunt, Walker, Peters, Stuart, Taylor and Mrs. L. E. Canon, hostess.

### PAST MASTERS' NIGHT

The evening of November 1, 1921, at eight o'clock, Clovis Lodge, No. 49, will celebrate its annual Past Masters' night, together with the anniversary of the initiation of George Washington into the Masonic order. Come early and stay late. There will be both refreshments for the body as well as the mind. P. A. LaShier, Secretary

Capt. R. C. Reid of Roswell, state attorney for the Santa Fe, passed through Clovis Thursday morning enroute to Chicago on a business trip.

I treat all diseases and disorders of women—and attend confinement cases Dr. H. R. Gibson. 10-30-4c

The Ladies Aid of the Christian church will serve supper Halloween evening, October 31st in the front part of the Highway Garage. Will begin serving about 5:30.

## HUSTLERS CLASS PARTY.

Thursday evening, Oct. 20th, the Hustlers Class of the First Christian Church entertained the members of the class and a number of friends at the church with a most delightful Hallo-ween party. The entire church was typical of the Hallo-ween spirit, being profusely decorated in black and yellow, with all sorts of ghosts and weird things. The upstairs was beautifully decorated with numerous pillows, rugs and pot plants. A number of interesting games were arranged and Mrs. Joe Stallings was very popular as "The Fortune Teller" upstairs as was Mrs. E. R. Cassel as "The Gypsy Fortune Teller" downstairs. Mrs. Wallace Austin also had a booth and told fortunes. A class

prophecy was read by Mrs. Cassel and proved quite interesting.

Mrs. Ernest Baird and Miss Adrienne Stallings deserve much credit for the success of the party as they were the entertainment committee. At the close of the evening, good old home-made doughnuts, apple cider and big red apples were served.

The ladies of the Presbyterian church will serve lunch in the store just vacated by the Clovis Drug Store, on Friday, October 28th. There will be plenty for all and we will appreciate your patronage.

## The Brunswick

### Why the Brunswick Method of Reproduction Insures a Superior Phonograph

**Reason No. 1** The Brunswick Method of Reproduction includes the Ultona, a new conception in playing. The Ultona consists of an arrangement of the several necessary reproducing diaphragms upon one tone arm—an all-in-one arrangement, with no attachments—nothing to take off or put on.

At a turn of the hand, the Ultona presents to any type of record the proper diaphragm and needle, the exact weight. Thus the requirements of each type of record are met. The Ultona demands no sacrifice in tone, as attachments often do.

**Reason No. 2** Equal in importance to reproduction is tone amplification. The Brunswick Method of Reproduction also includes a new idea in acoustics—the Brunswick Amplifier.

Old-time ideas were at variance. Some makers still cling to metal construction. Others use a combination of wood and metal—a wooden horn and a metal casting as the "throat."

But the Brunswick Amplifier is oval in shape, and built entirely of wood, like a fine violin. It is molded of rare holly-wood. The sound waves receive uniform amplification to reach their fullness, hence The Brunswick tone is richer and more natural. Strident, metallic notes are absent.

### NOTICE OF SALE

Whereas, in Cause No. 1898, in the District Court of Curry County, New Mexico, in which Dem Rice is plaintiff, and J. C. Anderson, et al, were defendants, a decree of foreclosure was duly made by said Court on the 18th day of August, 1921, and the undersigned, Minor Anderson, was appointed by the Court as special master and was ordered to advertise and sell Lots Nos. 1 and 2 in Block No. 55 of the Original Town of Clovis, New Mexico, to satisfy said judgment of \$2,717.50, being judgment and interest to date of sale.

Now, Therefore, Notice is hereby given that the undersigned will offer for sale and sell the above described property to the highest bidder

for cash in hand at the front door of the Court House in Clovis, New Mexico, at the hour of 10 o'clock a. m. on the 18th day of November, 1921, and will apply the proceeds as decreed by the Court.

## Hooch Utensils Placed Under Ban

Washington, D. C.—The "perfect friendships" born of recipes for home brew are threatened on private hooch mills.

Malt, hops, stills, splits, caps, thermometers and all utensils, contrivances, machines, preparations, compounds, tablets, substances, formulae, directions or recipes, "advertised, designed or intended for use in the unlawful manufacture of intoxicating liquor," are declared unlawful and anyone having them in his possession is subject to prosecution under section 18 of the prohibition enforcement law.

Henceforth, Commissioner Haynes announced, the home brewer must stop making "hooch." Although homes will not be raided by the "flying squadrons," the new enforcement amounts to almost the same thing—a man can't make hooch if he can't get the stuff to make it.

State directors and prohibition agents throughout the country have been instructed by Commissioner Haynes to raid every place where beer utensils and malt and hops are sold.

### NOTICE OF PUBLICATION

In the District Court of Curry County, New Mexico.

The First National Bank of Clovis, New Mexico, Plaintiff, vs. J. E. Nelson and Laura Nelson, Defendants, No. 1878.

To the above named defendants: You, and each of you, are hereby notified that a suit entitled and numbered as above is pending against you in said court, the objects and general nature of which is to foreclose a certain mortgage deed made by you to the plaintiff on January 2, 1921 of record in book 22, page 75 of the mortgage records of said Curry County, conveying lots 7, 8, and 9 in block 2, in the Liebelt Addition to Clovis, county and state aforesaid, and to foreclose a pledgee's lien on the following personal property and securities which were pledged by you as collateral security for the debt secured on herein, and to have the above real and personal property sold to pay a certain note for \$2000.00, dated January 2, 1921, executed by defendant J. E. Nelson to plaintiff, due in three months, and for interest, attorney's fees and costs, said personal property and securities being described as follows: a note for \$2000.00 dated June 1, 1920, due April 1, 1921, signed by Mrs. R. A. Nelson to Walter Nelson and payable to J. E. Nelson a note for \$2000.00, dated February 18, 1921, due October 1, 1921, signed by L. Looney and payable to J. E. Nelson; certificates numbers 29 and 34 for 27 and 3 shares respectively, of the capital stock of the Western Elevator Company issued to J. E. Nelson; and that unless you enter an answer to be entered your appearance in said suit on or before the 1st day of December, 1921, judgment will be rendered against you by default as prayed in the bill of complaint.

That Walter W. Mayes, whose residence and business address is Clovis, New Mexico, is attorney for the plaintiff.

Witness my hand as clerk and the seal of said court at Clovis, in said county and state, this 18th day of October, 1921.

## No More Fence Fixing

Farm owners can now save all money and time spent in replacing fence posts and fixing fencing due to posts that rot, split and peel. Long-Bell Creosoted Yellow Pine Posts will last you a lifetime. They are selected from slow growth trees, straight and sound. Air dried and yard seasoned. U. S. Government tests prove that Creosoted Yellow Pine will last 40 years or more.

### CREOSOTED POSTS Yellow Pine

Solve all fence problems because they are decay-proof and triple the life of your fencing. Staples driven into these posts are there to stay. Don't use ordinary posts—you lose one out of eight each year. See us about Long-Bell Creosoted Yellow Pine Posts. Cost practically the same as ordinary posts. Borne on the L.B. Trade-Mark—branded on the end of each post. It's your assurance of permanent post satisfaction and treatment with clarified creosote.

Send at once for Free Circular on Posts and various facts pertaining to creosote. It shows you how to save \$50 in money besides lots of time and labor yearly.

## Fence Posts That Resist Decay

Good fence posts are far cheaper in the long run. Long-Bell Creosoted Yellow Pine Fence Posts are decay proof. They save you expense, for replacement and repairs are seldom necessary.

They are straight, strong and smooth.

They make strong fences—durable fences and neat fences. We stock them in full round, sawed halves and sawed quarters. We consider them the best post obtainable and recommend them to everyone building fences.

### APPEAL FOR THE SERVICE MAN

The American Legion in an address to the public, asks that service men be given preference in selecting employees. The legion says that 600,000 service men are idle, many of them walking the streets wondering where their next meal is to come from. In some states relief laws are operating to furnish these men with the bare necessities of life, but many states have enacted no such laws. The national congress has delayed action on disability and compensation bills until they will be too late to prevent suffering, even though they should be speedily enacted when it reconvenes.

This is a subject that should be very near to every American heart.

The Birth of a Race

Friday night, October 28th, in the High School Auditorium, the American Legion will present for the approval of their many friends and neighbors in this vicinity, the greatest of all spectacular photoplays, "The Birth of a Race." In contracting for the privilege of showing this picture in Clovis, the Legion had in mind that they must secure it at a price within the reach of all. This they did, and the admission price to the High School Auditorium Friday night, will be the lowest for which this great picture has ever been shown.

"The Birth of a Race" had its initial showing in the Blackstone Theatre, Chicago, at the regular theatre scale of prices. The Legion made arrangement with the management of the production only after going carefully into the matter and they feel sure that in offering "The Birth of a Race" to their many well wishers that they are giving them something out of the ordinary in the way of photoplay production.

"VAMPS" WHO MADE HISTORY

By JAMES C. YOUNG.

THE "TRUE" LOVE OF LOUIS XIV.

WHEN rumor linked the name of Louis XIV with Henrietta, the newly wedded wife of his brother, the king cast about for a means of continuing his attentions to her which would at the same time silence the voice of criticism. Historians of his day assert that he and his sister-in-law decided Louis should form an affection for her maid of honor, which would enable him often to be near the real object of his regard.

This maid of honor was a slender girl of sweet face and fine blood. Contrary to the usual conception of the vampire, she was a blond, with milk-white skin, and almost childish ways. But the heart of Louise de la Valliere was that of a woman, and the king soon found that the tender things he whispered in her ear came from his own heart. He turned from Henrietta, whom he had loved for the moment, to a burning passion for Louise. This was said to have been the only genuine love of "La Grande Monarque."

Marie Theresa, royal daughter of Spain and the Queen of Louis, was infuriated at Louise. But the plans of the queen and other enemies of the king's favorite did not prevail. Instead the king's passion grew deeper. When Fouquet, his great minister, joined the enemies of the girl, Louis brought about his downfall and thrust him into prison. That was an object lesson which needed no second teaching. Louise was the real power behind the throne.

Louis seems to have been devoted to La Valliere for a long while. She became the mother of four children by him, one of whom was recognized as his own daughter and made the Duchess of Blois. After the death of Anne of Austria, mother of Louis, he became holder and forced his queen to attend church beside Louise. Such conspicuous attentions were not the choice of Louise, according to all observers. She was content to rule in a different way, quietly, without show. But even a king's love is not a thing to last forever, and Louis began to tire of La Valliere. He was just coming under the influence of Madame de Montespan, his second mistress, and Louise attempted to leave court. She was compelled to return and for a while to share the same apartment with her rival. She secretly left court a second time and again was brought back, but Louis no doubt became thoroughly tired of her whims and may have accepted with some relief her plea to enter a convent. This she did in 1674, after 15 eventful years as the king's mistress. There she lived until 1710, engaged in pious works and memories of her former almost regal station.

KU KLUX KLAN SAID TO BE SOLICITING AMONG MASONS

Las Cruces, N. M.—Claiming that definite evidence has come to his attention of solicitation among Masons and officers of Masonic lodges for membership in the Ku Klux Klan, Frances E. Lester of this city, grand master of Masons in New Mexico, has issued a warning letter to subordinate lodges in this state.

"It is not material to his discussion whether or not the Ku Klux Klan is responsible for all these occurrences charged it," the letter says. "The practices of the organization are generally known and understood and it must be apparent to any man who thoughtfully considers the relationship that should exist between our citizenship and our government that those practices are contrary to the true principles of Masonry and good government."

Declaring that "our government is a democracy that governs through the law," and that "it guarantees to every citizen charged with an offense a fair hearing before punishment is inflicted," the letter continues. "Judged by our recognized standards of good government, masked violence, mob rule, the setting up of any secret self-governing authority of law, or the substitution of the reign of the tar bucket for the reign of the law of the land, are absolutely un-Masonic and un-American."

## Boys' and Girls' Club Corner

By Mrs. Edna Home Durand  
County Club Leader

The county demonstration contest held October 22nd was a revelation in the way of preparation. The local leaders have gained an insight into the work that showed to advantage in the demonstration this year. While there were not so many teams entered as had been prepared this was largely due to the postponed date. Melrose, Fairfield and Ranchvale competed while the county canning team gave a practice demonstration as they were not entered for state place.

The Melrose team—Virginia Downey, Madge Morris and Eulah Johnson—gave a splendid demonstration. The girls did their work well and showed careful preparation of subject matter.

The Fairfield team—Oeta Clark and Irene Engstrom—gave a very attractive "white and gold" demonstration. They prepared an invalid's tray in which their order scheme was carried out in both china and food. Even their aprons and caps suggested the colors and a spray of yellow chrysanthemums completed the demonstration in a most effective manner.

Ranchvale—Gladys Groves, Opal Tate, Bobs Brunk—won first place with a sewing demonstration. They cut and made a child's frock and explained a textile loom. The contest was very close and all three were good teams but now we are all strong for Ranchvale as she represents us in the State meet Friday.

Miss Sturdevant, assistant state club leader, will arrive in Clovis

Thursday morning to assist in preparation for visitors on the 28th.

Torrance County is sending a cooking team.

The canning team from Union County will be chaperoned by Mrs. Edith Hurley, county home demonstration agent.

Another echo from encampment—One of the Fairfield boys lost a gray blanket at the camp. As there is a gray blanket in the office, some one must have made a mistake in blankets. If you have the wrong one, please bring it in and get yours.

Miss Mildred Hagler, local leader at Locust Grove, has accepted a position at Hill's and is living in Texico at present.

Miss Boydston, Ranchvale, is planning on organizing a camp fire group that will work for honors during the winter. Part of the girls' honors will be so arranged as to count on their club work and thus lighten their summer's work.

Mrs. C. A. LeDuke, Longst Grove, has returned home after spending some weeks convalescing from an operation at the Baptist Hospital.

**CHAMBER OF COMMERCE**  
 \*\*\*\*\*  
 The Board of Directors of the Chamber of Commerce met in regular meeting Tuesday morning, October 25th, with the following officers and directors present: W. I. Luikart, President; Directors, Bert Carless, A. B. Austin, A. Mandell, E. L. Manson, J. E. Lindley, and W. B. Cramer. The minutes of the regular meeting held on Tuesday, October 18th were read and approved.  
**Mr. Weatherford Thanked**  
 Don Weatherford was invited before the Board and given an enthusiastic reception. At their request Mr. Weatherford gave the many details of the Curry and Roosevelt Counties' exhibit at the Dallas Fair. Mr. Weatherford stated that, in his opinion, it was one of the greatest things that had happened for Clovis and Curry County. He stated that the exhibit had an unquestionably fine location and was surrounded at all times by large crowds. He said that he believed that every state in the Union had seen the exhibit and were favorably impressed with it. It was the unanimous verdict that it was not excelled by any exhibits at the Fair, not even excepting Mexico and Canada, although these countries had a very much larger exhibit. It was moved by Director Cramer that a vote of thanks be extended to Mr. Weatherford for his great interest and untiring energy in making the

Curry County exhibit such a wonderful success. It was further moved by Director Carless that a copy of the resolutions be furnished Mr. Weatherford.  
**Armistice Day**  
 Daniel Boone, Commander, Ray Harrison, Adjutant and Jno. Luikart of the Dean Lucas Post of the American Legion appeared before the Board of Directors relative to the celebration on Armistice Day on November 11th. Commander Boone explained some of the plans in detail for the celebration and was followed by other speakers.  
 It was moved that a committee from the Chamber of Commerce be appointed to cooperate with the American Legion in the celebration of Armistice Day.  
**National Guards Unit.**  
 Ray Harrison, Chairman of the Military Affairs Committee, reported on the proposal of Adjutant-General Brown to organize one or more National Guard units in Clovis. Mr. Harrison stated that his committee recommended that either a truck unit or a construction unit should be organized. He stated that about \$80,000.00 a year would be spent on maintenance and upkeep. The secretary was instructed to invite Adjutant-General Brown to come to Clovis and explain the organization of National Guard units.  
**Stores Close Armistice Day.**  
 Mr. Austin stated that all stores in the Nation would be closed on Armistice Day and moved that the secretary see that notices be given to

the effect that all stores in Clovis would be closed on Armistice Day.  
 President Luikart announced the appointment of the following committee to work with the American Legion in celebrating Armistice Day: R. M. Bishop, W. H. Doughton and Slaughter Murray.  
**CURRY COUNTY SCHOOLS FURNISH FINE ENTERTAINMENT**  
 (By the County Agent)  
 Some very fine numbers were furnished by the different schools of Curry County in connection with the meetings with John Fields and C. A. McNabb in their respective districts.  
 At Gady Prof's, Fanning and Hobbs provided some excellent songs by the high school.  
 At Claud, Prof. and Mrs. Rose provided two songs by the school that were adaptable and full of pep.  
 Mrs. Groer, superintendent at Fairfield, provided some excellent musical numbers and a couple of recitations of great interest.  
 Miss Ernestine Moser, teacher of music and expression at Melrose, provided two excellent songs by the high school girls.  
 This entertainment provided by the schools of the different districts was greatly appreciated and helped in every case to enliven the program. The consolidated schools of Curry County are to be congratulated on the excellent entertainment that can be supplied with little forethought and preparation.

The following score card is one that has been used for many years for judging grain sorghums in Oklahoma. This score card is simple and practical and one that farmers can well afford to refer to in selecting grain sorghums for seed.

Black Hulled White Kafir Milo, Feterita

**Score Card**  
Head Sample

Uniformity—Heads should be uniform in shape, size and type. 5  
Length of Head—Standard kafir, 10-12 inches; dwarf kafir, 9-11 inches; milo 7 1/2 to 8 1/2 inches; feterita, 8-9 inches. 10

Circumference—Standard kafir, 7-8 inches; dwarf kafir, 6-7 inches, milo 8 1/2 to 9 1/2 inches; feterita 7-8 inches. 10

Structure of Head—Black hulled white kafir, the center stem should be at least three-fourths as long as the head. The internodes or seed stem should occur at regularly decreasing intervals and be not less than five in number—even distribution, uniformity in length and close setting of joints on seed stems being desirable. Milo and feterita center stem should be continuous. Spikelets or seed stems should occur regularly—even in distribution, uniformity in length and close setting of the seed stems being desirable. 15

Seed Stem Branches—Well proportioned to length and size of head, no open spaces, each place for a seed being filled. 10

Color—Kafir; white grain with pink speck on tip, enclosed in a black hull. Milo; varies with variety, milk white grain with black hull and reddish-like grain with brown hull. Feterita; chalk white grain enclosed in black hull. 5

Size and shape of kernel—Should conform to the standard of its kind. 10

Shattering—Kafir should not shatter easily; milo should not shatter; feterita will shatter some. 5

Extension—Head must be pushed clear out of foot. 5

Seed condition—Sound, pure and mature. 10

Rate—First seed stems not too long, thickly set and well filled close up to the main stem. An open base is undesirable. 10

Tip—Kafir; not too tapering. Tip seed stems should not be more than one-fourth as long as head. Milo; rounding. Feterita; slightly tapering. Each should be well filled with sound and uniform kernels. 5

The American Legion has made arrangements to present "The Birth of a Race," one of the biggest picture productions ever conceived, in the High School Auditorium, Friday night, October 28th.

The Legion members assure their many friends in Clovis and vicinity that in contracting with the management of the production to present it under their auspices and for their benefit, they did so only after carefully looking into the merits of the production, and that they feel sure in offering this entertainment for their approval and support they are giving them something well worth their while. The Legion has made their contract whereby it is possible to show you the production at prices within reach of all.

An elderly man was persuaded by one of his sons to go with him to a boxing exhibition.

The son paid for two \$2 seats. "Now, dad," said the son joyfully, "you'll see more excitement for your \$2 than you've ever seen in your life before."

The old man grunted. "I've got my doubts about that," he said gloomily. "Two dollars was all I paid for my marriage license." —London Weekly Telegraph.

But Miss Mabel Stark, who is coming to Clovis, Friday afternoon, October 28th, with Al. G. Barnes' big circus, has done more than this.

Not only has she achieved that which no other woman has ever done before her, but her feat has never been accomplished by man either. She has tamed the Bengal tiger, Monarch of the Jungles, which circus men have long declared to be untrainable.

Lions and leopards learned years ago to respond to the crack of the trainer's whip, but not so the Bengal tiger. Always he has defied his arch-enemy—man. And he has refused to contribute to the entertainment of circus goers except by appearing behind the bars of a great steel cage.

Then Miss Stark entered. First she took a single tiger and worked with him until he was willing to acknowledge her mastery. Then another and another until she now has a full twenty, all ready to do her bidding.

Not only does she put the tigers through their stunts at each performance of the Barnes Circus, but as a crowning feature she stages a wrestling contest with "Rajah" a 480 pound Bengal beauty. Sometimes Mabel wins, but generally the decision goes to "Rajah" and the act is one of the real thrills of the Barnes performance.

**RED CROSS GIVES ANNUAL BUDGET**

**\$19,361,657 Allotted for Current Program of Relief and Service.**

**MILLIONS FOR VETERAN AID**

**Medical Aid for European Children Will Cost \$6,000,000 This Year.**

Washington.—Expenditures totalling \$19,361,657 for carrying through its program of relief and services in the United States and overseas are outlined in the budget of the American Red Cross for the current fiscal year. This total is more than \$5,000,000 lower than the expenditure during the last fiscal year, when the disbursements reached \$24,362,741. It is announced at National Headquarters in a statement calling attention to the necessity of continued support of the organization by response to the Annual Roll Call, November 11 to 24, if the vital work of the society is to be effectively carried on.

Outstanding among the items of the domestic budget is the appropriation of \$3,000,250 for work in behalf of the disabled ex-service man and his family. This appropriation represents the amount allotted to this work from National Headquarters only and does not take into consideration the millions being spent in chapters for relief of the World War veteran. It is in the chapter that the greater amount is spent in meeting this obligation of the Red Cross, the announcement continues, as manifested by figures of the fiscal year 1920-1921 when the total was approximately \$9,000,000, of which \$2,000,000 represented the disbursement of National Headquarters while the remainder was the chapters' contribution to this field of Red Cross service.

**Vast Work for Disabled**  
Chief among the sub-divisions of the appropriation for work with veterans is that which concerns itself with assistance to disabled men and women in government hospitals. This item of \$1,700,000, an increase of more than \$300,000 over the appropriation for the same work in last year's budget, will provide those personal services for the disabled and their families which are indispensable to supplement those provided by the government. The director of the Veterans Bureau has recently expressed his desire that the Red Cross should continue and extend these "humanizing services." Other items of the appropriation for veterans' relief are proportionately increased. An additional appropriation of \$100,000 has been made for Red Cross work in connection with regular Army and Navy hospitals and with the regular Army and Navy.

For disaster relief, the Red Cross has set aside for the current twelve months an appropriation of \$24,570,000, virtually doubling the appropriation for the same purpose for the fiscal year 1920-1921.

More than \$2,000,000 is provided for service and assistance to the 3,000 Red Cross chapters by the national organization.

**Helping Destitute Children**  
Other items of the domestic budget include \$498,500 for miscellaneous activities, including contributions restricted for special purposes and \$703,000 for management. Each of these items represents large reductions over similar appropriations of the previous year.

From a fund of \$10,000,000, \$5,000,000 of which was contributed through the European Relief Council campaign and \$5,000,000 allotted by the Red Cross for child welfare work in Europe, there remains \$8,705,098 still available, of which it is estimated that \$3,000,000 will be required for this work during the current year. For Red Cross participation in the joint effort to relieve famine conditions in Europe, for dual work in the China, Japan, for Junior Red Cross and other overseas activities including the closing of the old general relief program in Europe \$4,978,600 is still available.

In announcing the national budget, the Red Cross makes it clear that the figures do not include chapter expenditures or place any cash estimate on the invaluable service of volunteers in chapters.

**CARRYING ON SERVICE FOR DISABLED VETERANS OF THE WORLD WAR THAT IS COSTING \$10,000,000 A YEAR, THE AMERICAN RED CROSS IS HELPING FULFILL THIS NATION'S OBLIGATION TO ITS DEFENDERS. HELP THE RED CROSS CONTINUE THIS WORK BY ANSWERING THE ANNUAL ROLL CALL NOVEMBER 11-24, 1921.**

"I gained 12 pounds, my wife gained 26 pounds and my daughter is gaining day by day taking Tanlac. It's the biggest surprise of our lives and all our friends and neighbors are talking about it. This medicine has made a wonderful change in every one of us. Before I got Tanlac, I could hardly drag one foot after the other. I had indigestion perfectly awful. In fact we were all regular dyspeptics. We all wear by Tanlac now at our house. It ought to be in every home. It's the world's greatest family medicine."

The above statement was made by George L. Tossy, a well-known and highly respected machinist, living at 33 Downing Street, Buffalo, N. Y. Tanlac is sold by leading druggists everywhere. (Adv.)

**DANGER**

Sandy and Donald were paying their first visit to the metropolis and found the ways of the big hotel and their ways. The morning found them prepared to fare forth but unable to locate the stairway. Sandy discovered the elevator shaft with the door open and very promptly tumbled to the bottom. Leaning over the opening, Donald called to his friend sprawled out below:

"Did ye get doon a' richt, Sandy?"  
"Aye, that I did," replied Sandy.  
"But, mon, be careful o' that first step—it's a brute."

**GETTING ACQUAINTED**

A new foreman took charge of the shop this particular morning, and many of the men had not as yet met him. About the middle of the forenoon he was making a tour of the buildings to familiarize himself with the layout, when on passing a small enclosure he saw two workmen inside who were sitting down smoking. Before he had the opportunity to speak one of the men said: "Hello, what are you doing, stranger?"

"I'm Dodgen, the new foreman," was the reply.  
"So are we, come in and have a smoke."

**THAT BOY OF YOURS**

Don't blame that boy of yours in his play to such an extent that he can not enjoy his recreation for fear he will soil his clothes.

It is unnatural for a boy to think of, let alone respect, his clothing. Don't dress your boy so well that you feel you cannot afford to allow him to play real boy fashion because it destroys his clothes.

Dress him in strong, durable material made to stand the strain. Suppose he does look neglected from your standpoint on dress. He is bound to get dirty, bound to tear his trousers, if he is a real boy.

**GRADY SCHOOL NOTES**  
School opened as usual Monday morning but it was the beginning of a week of many events.  
Mr. W. H. Petty, a new member of the Baptist church, was baptized Monday morning. Some of the school girls were present on this occasion. After the baptizing Mr. Petty left

for Texas.  
Mrs. Williams, one of our teachers, happened to an accident last week. She got one of her ribs fractured. How this happened, one of the girls threw the basket ball to her and she did not know it was coming. It hit her and fractured one of her ribs.  
The societies had a call meeting last week. The purpose of these meetings was to elect the debaters for the joint meeting about Thanksgiving. Olga Carter and Fay Harrison were elected debaters for the Curry Society and Eda McCasland and Neel Alexander were elected as debaters for the Claxton Society.  
Rev. Garrett conducted the morning exercises Friday. He made a beneficial speech, which if every one will put into practice, this school and every school will be a success. We are glad at any time to have Rev. Garrett with us.  
Mrs. Seavey, a sister of Mrs. Thomas, was a visitor to our school last week. Mrs. Seavey and her husband have been traveling for his health. They have just come from

California here. We are glad at any time to have visitors and extend a cordial invitation to all.  
Grady basket ball teams left for Hollene Friday about 12:30. The girls were victorious, but the boys were defeated.  
There is to be a pie supper here Saturday night, October 29th, 1921. The purpose of this pie supper is to get money for athletics and to fix the music room so that it will be warm and comfortable. Everyone come and bring your friends and a pie. Coffee and cocoa are also going to be served. There is going to be an Egyptian fortune teller here and other things of interest. As are sure you will have a good time.

The KITCHEN CABINET

To know what you prefer, instead of humbly saying amen to what the world tells you you ought to prefer, is to have left your soul alive—K. L. Stevenson

SUMMER BREAKFASTS.

The warm weather breakfast will be lighter, of less food value, but sufficiently sustaining to keep machinery working.

Waffles.—Take one and one-quarter cupful of sifted flour, one half teaspoonful each of soda and salt, one cupful of thick sour milk, the yolks of two eggs and the whites beaten stiff.

Southern Eggs.—Butter small, cracked eggs and half fill with hot boiled rice. Slip a raw egg in each, season with salt and pepper, butter, grated cheese and a little chopped boiled ham.

Salmon Salad.—Take a can of salmon, add equal measures of chopped celery, a few olives finely minced, a sour pickle chopped, and one-half cupful of fresh grated coconut.

Madras Beef.—Slice two small onions, one apple and a stalk or two of celery very fine, cook in hot butter, sprinkle a tablespoonful of curry powder over the dish, add the juice of half a lemon and turn in a few slices of rare roast beef cut very thin with a couple of roast beef gravy.

Who was it that was out riding around Sunday that seemed so happy? Mrs. Copeland gave a singing Sunday night. The people of this part of the community went in a header barge on the roads were so rough and sandy.

Mr. and Mrs. Copeland spent Sunday at the Douglas home. Miss Alma Copeland spent Sunday with Macy T. Craig.

Rev. Tipton failed to fill his appointment Sunday and Rev. Sears of Clovis gave us a good talk on some of the points in the Sunday school lesson.

R. v. Sears, Mrs. Packnett and Miss Besaye Peterson were callers at the Hopper home Sunday.

Mrs. McCormick went to Portales Friday to visit her mother who has been ill for some time.

The header is now at Mr. Craig's. Miss Besaye Peterson is helping Mrs. Craig cook for the header heads.

Mrs. Hopper was calling on Mrs. Douglas Monday afternoon.

Most of the young folks are planning on celebrating Hallowe'en with a party and of course are planning on a good time.

Mrs. LaDuke, who has been in the hospital in Clovis for the past six or eight weeks, came home last week and seems to be getting along nicely.

Mrs. Bowman, who received injuries a few weeks ago when her car turned over with her, is getting along nicely.

Sam Randol and family visited at Bob Williams' Sunday.

Mr. and Mrs. Sam Randol and Mrs. T. J. Randol were visitors in Clovis Monday.

Two of the Texico teachers were visiting at Mr. Hagler's Sunday.

Mrs. Bart Osborne visited with Mrs. J. E. Randol Friday.

State of New Mexico to W. F. Edgar, W. Holland, E. E. Holland, S. H. Holland, and all unknown persons claiming title or interest adverse to plaintiff, Greeting:

You are notified that S. Grisamore has begun a suit against you in the District Court of Curry County, New Mexico, in Cause No. 1889, and that the general objects of said action are to establish a lost deed made by W. F. Edgar to M. J. Holland and Sadie F. Holland, and to cancel a mortgage made by M. J. Holland and Sadie F. Holland to W. Holland, E. E. Holland, and S. H. Holland on Lot 1, in Block 75, of the Original Townsite of Clovis, New Mexico, and to quiet plaintiff's title thereto and that unless you plead or appear in said cause on or before the 18th day of November, 1921, judgment by default will be rendered against you and the relief prayed for will be granted and that the attorney for the plaintiff is A. W. Hockenfull, of Clovis, New Mexico.

Witness my hand and seal of Court this 4th day of October, 1921.

(SEAL) DANIEL BOONE, County Clerk.

LAST WILL AND TESTAMENT OF WILLIAM B. CROW, DECEASED

To Whom it May Concern: Notice is hereby given that an instrument purporting to be the Last Will and Testament of William B. Crow, deceased, has been filed for probate in the Probate Court of Curry County, New Mexico, and that by order of said court the 7th day of November, 1921, at the hour of 10 o'clock a. m., at the Court Room of said Court in the City of Clovis, New Mexico, is the day, time and place set for hearing proof on said Last Will and Testament.

Therefore, any person or persons wishing to enter objections to the probating of said Last Will and Testament are hereby notified to file their objections in the office of the County Clerk of Curry County, New Mexico, on or before the time set for said hearing.

Dated at Clovis, New Mexico, this 2nd day of September, 1921.

(SEAL) DANIEL BOONE, County Clerk.

NOTICE OF APPOINTMENT OF ADMINISTRATOR

In the matter of the estate of Clarence Andrew Pylant, deceased. Notice is hereby given that heretofore on the 3rd day of October, A. D. 1921, the undersigned was duly appointed administrator of the estate of Andrew Clarence Pylant, deceased. All persons having claims against said estate are hereby notified to present said claims in the manner and form required by the statutes of the State of New Mexico. Notice is further given that all claims not presented within one year from the date of the appointment of this administrator will be forever barred.

Catarrahal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running nose or impaired hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube returned to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't over hungry. I knew, by this, I needed a tonic, and as there is none better than—"

CARDUI The Woman's Tonic

"... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you.

At all druggists.
