TWENTY-NINTH YEAR.

CARLSBAD, NEW MEXICO, FRIDAY, MARCH 25, 1921.

NUMBER 18.

ALL COTTON SEED IN VALLEY BEING FUMIGATED.

Fumigation of cotton seed to be used for planting purposes is now being done in Carlshad, Otis, Loving and Malaga. The old ice house is being used for this purpose at Carlshad, while one of the buildings of the Otis gin has been found satisfactory for fumigation. The adjoining room to the First National Bank of Loving has been generously offered for the use of the cotton growers in that vicinity. At Malaga, the old hardware building.

W. H. McCormick, who is stopping at the Crawford Hotel, in Carlshad, is in charge of all the fumigation work. All cotton growers are urged to make immediate arrangements to have their cotton seed fumigated before planting. If Mr. McCormick cannot be found, satisfactory arrangements may be made through the following men:

H. F. Christian, Carlshad; A. E. Moberly, Otis; C. P. Pardue, Loving and J. L. Williams, Malaga.

Daily fumigations are in progress at Carlshad, while the following days have been designated for this work at the other towns:

Loving, March 26th.

Malaga, March 29th.

Otis, March 30th.

These dates may be changed, depending upon circumstances. Unless the fumigating room is filled with seed it will prove too expensive to treat a small quantity of seed. To facilitate handling of seed and to keep each separate lot together, it is advisable that the seed be sacked and the sacks so marked that each planter can readily identify his seed.

An appropriation has been made by the state of New Mexico to assist the farmers in fumigation of all cotton seed to be used for planting purposes in this valley. The state senate has also passed a law that all cotton seed which may contain injurious pests, be so fumigated. The pink boll worm of cotton has been found in certain sections of this valley. This pest is one of the most injurious insects which attacks cotton. It is the desire of the U. S. government, the State of New Mexico and the desire of all cotton growers, who wish to insure the success of their cotton crops for the ensuing years, to stamp out this menace to cotton culture before it gains a firm foothold in this valley. Therefore, it is asked and urged that all cotton growers cooperate with the Fumigation Agent in every way possible, and that each grower inform his neighbor of this fact. It is also requested that each cotton grower make it his business to see that the neighboring farms are planted with nothing but fumigated seed, thereby guarding his crop against the spread of the pink boll worm of cotton.

Robert C. Hitchcock, of Jacksonville, Florida, died there Wednesday according to a telegram received by his brother, Archie, who resides a short distance below town. His death was not unexpected as he had been ailing for about a year, and along in the early part of the winter underwent a serious operation, from which, however, the expected help was not realized. His brother Archie, was with him about six weeks at that time. The deceased was a man of about sixty-seven years of age and had a family. The relatives here whose hearts always sympathize with those in trouble or bereavement, are receiving the sympathy of many friends now that sorrow and death has come to them. The remains of their brother were presumably laid to rest at Jacksonville, no word to the contrary having been received here.

Roy Shafer went up to Roswell the first of the week to transact business in that city for a few days.

EDDY COUNTY'S REPRESENTATIVE IN LEGISLATURE MAKES A GOOD RECORD.

F. G. Hartell, of Artesia, who was a representative in the recent legislature from this county, was in Carlshad Wednesday attending to business and was in the current office to see that his paper continues to go to his address.

Mr. Hartell enjoys the distinction of being the most prominent representative in the legislature from this section of the state. He jumped right into the work from the start although it was his first experience in a legislature. He introduced bills, helped block objectionable measures and looked after the interests of the democratic party so zealously that the republican leaders soon recognized in him a force to be reckoned with, although the democrats were hopelessly in the minority.

The natural abilities and leadership displayed by Mr. Hartell will command further recognition from his party in the future and Eddy county is proud of his record.

Mr. Hartell was appointed by the speaker of the house as one of a committee to draft a resolution of commendation to Gov. McChesney and of congratulations to Senator Bursum for his appointment to the office of United States Senator at the hands of the governor. Desiring not to act on the committee, Mr. Hartell immediately arose and asked to be excused on account of the fact that if the primary law passed he would be a candidate for that office which would make it embarrassing to him after having congratulated Bursum, so he was excused.

Mr. Hartell will leave soon for Washington to make a personal plea before the Interstate Commerce Commission for lowering the freight rates from the Pecos Valley on hay and other produce. These rates in other states are as low as seven and eight dollars while New Mexico farmers are required to pay thirteen. The freight rates in this valley should be lowered to correspond to other states or the rates in other states raised to coincide with the ones in effect in New Mexico. Mr. Hartell is being sent by the hay association of the valley who are trying to raise enough money to pay his expenses, but if that cannot be done he will pay his own way. He expects to go to Santa Fe first, then from there to St. Louis where he and his wife will separate, she going to Kentucky for a visit with her relatives while he continues on to Washington. The entire valley will be materially benefited if the freight rate can be lowered and there is every reason to believe it will be after it is presented to the commission by Mr. Hartell in person.

BAPTIST CHURCH.

Next Sunday will be a great day with us. We are to have with us, Dr. S. S. Russell, our S. S. and B. Y. P. U. Secretary; also Miss May, our W. M. U. secretary, both of Albuquerque. They will take over the morning hour entirely, giving such program as may appeal to them; and presenting several diplomas and seals to the various classes who have completed their course. There will be three sets of diplomas and a goodly number of seals. Perhaps no church in New Mexico has had so many at any one time. At three p. m. there will be an interesting program—Rev. J. E. Nicholson will speak 30 minutes on "Why Should New Mexico Baptists Meet Their Pledges Promptly?" After this address, Miss May will bring us a message concerning our Woman's Work. We want you to hear both of them. At 7:30 p. m. Rev. S. M. Edwards will speak 30 minutes upon "The New Mexico Program: Its Appeal and Outlook," after which Dr. Russell will bring us a message upon a subject of his own choosing.

If you ought to be in our Sunday School, Sunbeams, or either B. Y. P. U., we expect you to be there next Sunday—GET UP and come on!

The general public is cordially invited—come, worship with us. T. C. Mahan, Pastor.

NEGRO PREACHING AT METHODIST CHURCH.

The Methodist church was filled to overflowing last Monday night to hear the Negro preacher, Bishop Phillips, of Nashville, Tennessee, who preached at that time. Although the hour announced was 7:30, long before that time the edifice was crowded and extra seats were provided, but many persons unable to obtain a seat, went away. The chairs on the platform were reserved for the colored people and nearly every one of that race was present who lived in or near Carlshad.

Reverend Givan made a short and pertinent talk, extending a welcome to the Bishop and his party and also to the others, telling in a few sentences how the Colored Methodist Church came into existence, and speaking a good word for Bishop Phillips, with whom he had a personal acquaintance. He also assured the Bishop and his party a respectful hearing, which was granted. The speaker delivered a sermon from the text so dear to all Christians, John 3:16 and was accorded the closest attention on the part of his white audience. He has a fine delivery, a good enunciation and delivered his sermon without any straining after effect, in a quiet manner, utterly at variance with many preconceived notions of Negro oratory, which is seldom done by negro preachers. Bishop Phillips is one of the now very few old time negroes who was born in slavery and who knows his place and loves members of the white race who are his friends and had not a word to say against the treatment he received at the hands of his Southern master. The Bishop and his party repaired to the church of their denomination at the close of the services, where the meeting continued and he left Tuesday morning for Tucson, Arizona, from where he will continue his journey to California, he having work among the Colored M. E. churches of that state.

At the close of the sermon a collection was taken for their work and \$17 was received. During the taking of the offering, the colored people present sang several Gospel and Jubilee songs, a number of fine voices being heard.

THE METHODIST CHURCH.

The Sunday School will render a beautiful program in keeping with the Easter occasion, beginning at nine-forty-five. Special music by the choir at both morning and evening worship. Miss Hatfield will sing at the morning hour, and Miss Purdy will sing in connection with the evening worship. A special feature of the morning worship will be a baptismal service for infants and reception for members into the Church. A most cordial invitation to all persons not worshipping at other churches.

George H. Givan, Pastor.

Mrs. W. E. Smith had an accident this morning which is quite painful and the results of which are unknown as yet. She struck her glasses on a chair as she was working about, crushed the lens and one of the particles cut the eye ball making a very painful hurt. Mr. and Mrs. Smith left since dinner for Roswell to consult an eye specialist there for treatment.

The Hardy and Lang families from the Otis section, and the Jackson family of this city spent Wednesday with friends in Artesia.

JUDGE SAM G. BRATTON FOR UNITED STATES SENATOR.

In September the People Will Have a Voice—Let Them Choose Well.

In September the people of New Mexico will have the opportunity of voting on a constitutional amendment and also in voting for a United States Senator to fill the place now occupied by Holm O. Bursum by appointment.

Will they submit to boss rule, or will they elect a man of the people whom they can depend on to represent the people?

At the present time there is not a man in New Mexico who is better qualified for this place than Judge Sam G. Bratton, who is now holding District Court in Portales. There is not a Democrat in the state who has a cleaner record and the confidence of both parties, than Judge Bratton.

Then why not the people of New Mexico call on the Judge and offer him the Senatorial toga?

In the olden days during a crisis the people chose the man. This was a wise rule. Today we need more of this choosing the man and the News believes that Judge Bratton is the right man for this place.—Portales News.

W. O. W. HEAD CAMP MEETING.

The delegates from Eddy Grove Camp, Woodmen of the World, who have been attending the bi-annual meeting of the Ari-Mex Jurisdiction to which this lodge belongs, and which convened at Mesa, Arizona, returned to their homes in this city, getting in Monday night. They report a splendid meeting and well attended and many things of interest discussed and attended to. They met a number of ex-Carlshadites who now reside in or near Mesa and report them as doing well. Among others, were Mr. and Mrs. A. Z. Smith, Fred Weaver and family and E. W. Waite. At the election of officers for the coming term, Carlshad was honored in the selection of J. B. Leck, who has the next to the highest office in the order. The full list of officers is as follows:

Head Consul, Hon. A. A. Betts, Chairman State Corporation Commission, Phoenix, Arizona; Head Adviser, J. B. Leck of Carlshad; N. M. Head Clerk, W. J. Collins, of Clifton, Arizona; Head Banker, James McFadden, of Douglas, Arizona; Head Escort, Dr. M. A. Grissom; Head Watchman, F. A. Teague, of Clovis, N. M.; Head Sentry, Manuel Delgado, of Santa Fe, N. M.; Head Managers, G. E. McDonald, of Roswell, Paul Bevelle of Mesa, Arizona, E. H. Apadoca, of Clifton, Arizona, S. D. Oliver, of Logan, N. M., and Bascom Howard of Portales, N. M. Sovereign Delegate, E. B. Swope, of Albuquerque, and Sovereign Alternates, J. H. Jackson of Artesia.

The meeting was attended by seventy-five delegates, of which fifty-nine were from New Mexico. The meetings were harmonious, nothing in the way of grievances being reported, and the actions of the Sovereign Camp in regard to the recent raising of rates being fully sustained and approved. The delegates left of a delightful reception by the good folk of Mesa, and speak with enthusiasm of the wonderful country where they raised vegetables and fruit the year round. Albuquerque was selected as the next meeting place.

There will be a "Medal Contest" given at the Methodist church, Saturday April 2nd, at 7:30 in the evening. Six contestants will compete and there will be no admission charged. These contests have been given with a great deal of interest shown in the past and the one under consideration promises to be one of the best. A full program and names of the contestants will be published in next week's Current.

WATER SUPPLY ADEQUATE FOR HI-LINE CANAL

(By Francis G. Tracy.)

The Pecos Water Users' Association has received notice that the compilation and analysis of the hydrographic data concerning the annual run-off of the Pecos river water shed for the past fifteen years are now completed.

An exhaustive report has been made and has been submitted to Director Davis of the Reclamation Service and if approved by him, copies will be furnished to the Association and the committees representing the Hi-Liners.

Less than \$500 has been used of the \$2,500 advanced in September and it is understood that the results of the water supply investigations are even more satisfactory than was anticipated.

A topographical survey of the so-called Alamogordo Reservoir fifteen miles north of Fort Sumner, has been ordered and if the capacity is satisfactory, further detailed examination will follow. This reservoir will be in addition to using Reservoir Number Three as originally planned.

It is understood that the Pecos Water Users' Association is in communication with the people of Fort Sumner with a view of a co-operative move for the development of the entire Pecos water shed in New Mexico.

Such a combination is believed to be practical, would be of great mutual benefit and would lead to early developments in Eastern New Mexico upon a permanent and substantial basis running into the millions of dollars and nearly doubling all the present agricultural area.

As soon as definite information is received, it will be made public.

The progress of the work from now on will be rapid and an assessment to raise the balance of the \$10,000 called for, will be made in the very near future.

MANY SOLOISTS TO APPEAR WITH LADIES COLUMBIA SYMPHONY ORCHESTRA.

When the Ladies' Columbia Symphony Orchestra appears in this city April 6th under local management of Crawford Theater they will present the most versatile program ever given in this community.

In addition to Miss Genevieve Gilbert, soprano and Miss Dorothy Volkey, famous classic dancer, there will be solos by Miss Bernice Mathison, violinist, Jane Little, harpist, Wayne Kimball, trombonist, also a very unique combination quartet of a trombone, French horn and two euphoniums. Another feature of the orchestra which is very attractive is the "Star Trio" of violin, cello and harp. This trio has been winning ovations at every appearance. Miss Bernice Mathison has a very winsome personality, while the members of the Star Trio Miss Agnes Zuck, violinist, Miss Jane Little, harpist and Miss Virginia Knight, cellist, are the prettiest trio one could find in a "blue moon." Coupled with engaging personalities they are gifted musicians most of these soloists on their own instruments and unquestionably this concert will be the greatest musical treat of the season.

TWO GET 99 YEARS IN PEN AT LUBBOCK TRIAL.

Lubbock, Mar. 6. Ed and Hult Connally, brothers, and Jessa Bond were found guilty here today of the murder of Edgar Craft, telegraph operator. The jury returned its verdict this morning after being out since 10 o'clock Saturday night. Ninety-nine years was the penalty given each of the two Connallys. Bond was given fifty years. Sentence will be pronounced when the court meets Monday morning at 9 o'clock.

The three were indicted on February 28 by a special grand jury after investigation of the attempted holdup of the Santa Fe ticket office on the night of February 25. Craft, the night telegraph operator, was killed by the holdup men. Trial of the case was begun Saturday morning and the case went to the jury Saturday night.

WILSON MEMORIAL.

A movement was launched in New York Tuesday to establish a perpetual memorial in honor of Woodrow Wilson. Five hundred men and women who were present at the meeting voted to appoint a committee to work out the details of the memorial, which will probably be a trust fund of \$500,000 from which a prize will be given each year to the person making the greatest contribution toward world peace.

A sunrise prayer meeting on the Mesa, east of the river, has been planned for Easter Sunday by the Christian Endeavor society of the Christian Church. Cars will be at the church at about six o'clock and all who wish to go will be taken out in automobiles.

LOCAL NEWS.

Mrs. E. P. Bajac returned Monday from a visit of several days with friends in Roswell.

J. G. Munson and family left Wednesday for their old home in Garnet, Kansas where Mr. Munson will take up his business again, still retaining an interest in the Hide and Fur Co. in Carlsbad of which he is a partner.

Omer Kersey, who has been living at Artesia, has moved his furniture to the Charley Merfield house in the north part of town and will come with his family in the near future to reside there. Mr. Kersey is interested in the oil prospects in and near Carlsbad.

Mrs. Albert Ares and son, Paul, came in from the mountains the first of the week and will spend some days here on a visit to her parents, Dr. and Mrs. A. A. Bearup. The Ares boys are busy tanking at their big ranch west of town and Mrs. Albert took advantage of their absence to make a visit here and let the boy become better acquainted with his grandparents.

The Eighth Grade held a class party at the home of one of their number, Irene Keigler, last Friday night. The entire membership of the class was on hand the teacher chaperoning. A new pump, Juanita Warner was present, who has only recently joined the class coming from Knowles. The young people had a pleasant evening with games of various kinds and were served light refreshments at the close of the evening.

Mrs. Carl Wilkinson mourns the loss of some of her choice geraniums which she had planted in the window boxes in front of the Victor Hotel, a few days ago. Some person with a taste for flowers and a stuffy conscience pulled the lovely blooming things up by the roots. Flowers mean so much in this part of the country that one regrets to have them stolen and Mrs. Wilkinson is justly indignant over her loss.

FWLER
REG. U. S. PAT. OFF.
CULTIVATOR

It Works Like a Hoe

The Fowler does as good work as you can do with a hoe. It cuts every weed, keeps the surface in perfect condition to absorb rain and produces a mulch, which prevents the escape of soil moisture. By removing the plow foot you can cultivate beside the row. The Fowler will also cultivate crops planted either above or below the level without destroying the sloping sides of the ridges. Only one trip to the row whether narrow or wide.

The Fowler is the greatest time and labor saver ever made for cultivating corn, tobacco, peanuts, cotton, beans, peas, beets and truck crops planted in rows. It is the progressive farmer's cultivator.

Covers 8 Acres a Day With One Horse

The Fowler does as much work with one horse as you can do with the usual 2 horse cultivator. It does better work because it cultivates shallow. The Fowler has no teeth to destroy the crop roots and therefore largely increases production. Write for Free Illustrated Booklet describing exclusive features of this wonderful cultivator.

The Fowler can also be used for harvesting beans and peas. The lower blades cut the vines loose from the soil, and the upper blades roll the vines into windrows, working two rows at one trip through the field. Many thousands of satisfied farmers are already using this remarkable tool. Write today for booklet.

The Fowler is carried in carload lots at leading distributing points between and including New York and San Francisco, Minneapolis and New Orleans.

NOTICE OF PENDENCY OF SUIT

The State of New Mexico to K. S. Lykins and Mollie Lykins.

You, K. S. Lykins and Mollie Lykins, are hereby notified that a suit has been commenced in the District Court of the Fifth Judicial District of the State of New Mexico within and for Eddy county, wherein J. R. Jameson is plaintiff and you are made defendants, said suit being numbered 3350 on the civil docket.

of said court, the general objects of which are to obtain judgment against you, and each of you as follows: for \$1100.00 on a certain promissory note dated June 26, 1917, and made, executed and delivered by Roy Carroll to Oklahoma Farm Mortgage Company, a corporation, or bearer at Oklahoma City, Oklahoma, together with interest thereon at the rate of ten per cent per annum from December 1, 1920, until paid;

for \$44.00 on a certain interest coupon note attached to said promissory note and dated June 26, 1917, and made, executed and delivered by Roy Carroll to Oklahoma Farm Mortgage Company, a corporation, or bearer at Oklahoma City, Oklahoma, together with interest thereon at the rate of ten per cent per annum from June 1, 1920, until paid;

for \$44.00 on a certain interest coupon note attached to said promissory note and dated June 26, 1917, and made, executed and delivered by Roy Carroll to Oklahoma Farm Mortgage Company, a corporation, or bearer at Oklahoma City, Oklahoma, together with interest thereon at the rate of ten per cent per annum from December 1, 1920, until paid;

for the sum of \$824.15, same being the total of taxes and assessments due, delinquent and unpaid, and which plaintiff herein paid on February 8, 1921, on the land and real estate covered by and described in the mortgage deed hereinafter set out;

for costs of this suit, for One Hundred Ten Dollars as attorney's fees provided for in and in case of the foreclosure of the mortgage deed hereinafter described and for all costs and expenses of sale and proceedings relative to the foreclosure of the mortgage deed hereinafter described;

for personal deficiency judgment for the amount of deficiency with interest thereon at the rate of ten per cent per annum in event the land and real estate covered by and described in the mortgage deed hereinafter described shall not sell for enough on the foreclosure sale hereinafter described to satisfy all of said sums herein set out for which plaintiff prays judgment;

for the foreclosure of a certain mortgage deed dated June 26, 1917, and made, executed and delivered by said Roy Carroll to said Oklahoma Farm Mortgage Company, a corporation, or bearer at Oklahoma City, Oklahoma, to secure the payment of the various sums of money and other items hereinabove set out upon the following described land and real estate situated in Eddy county, New Mexico, and described as follows: South Half of the Southwest Quarter of Section Twelve (12), Township Twenty-three (23) South, Range Twenty-seven (27) East of N. M. P. M., containing 80 acres, according to the Government Survey thereof, together with all water rights thereto attached, or in anywise appurtenant, and

all rights to stock in the Pecon Water Users' Association appurtenant to said land, which said mortgage deed was recorded in Book 18 at pages 192-193-194 of Records of Mortgages of Eddy county, New Mexico.

You are notified that plaintiff alleges in his complaint filed herein that on September 7, 1917, for a good and valuable consideration, said Oklahoma Farm Mortgage Company, a corporation, assigned and transferred to plaintiff herein all its right, title and interest in and to said land and real estate described in said mortgage deed and that the assignment and transfer of said mortgage to plaintiff herein was by written instrument duly acknowledged as required by law and is recorded in Book 18, page 300, of Mortgage Records of Eddy county, New Mexico, and that plaintiff herein is the owner and holder of said promissory note, said interest coupon notes and said mortgage deed.

You are further notified that plaintiff alleges in his complaint filed herein that after the said Roy Carroll made, executed and delivered the said promissory note, the said interest coupon notes and the said mortgage deed to the said Oklahoma Farm Mortgage Company, a corporation, and after the recording as aforesaid of said mortgage deed you purchased said land and real estate by warranty deed and assumed and agreed to pay said promissory note and said interest coupon notes and to comply with all terms, conditions, obligations and agreements contained in and as a part of said mortgage deed.

You are further notified that unless you enter your appearance in said cause on or before the 23rd day of April, 1921, judgment will be rendered against you by default.

You are further notified that H. W. Harris, whose post office is Oklahoma City, Oklahoma, and J. M. Dillard, whose post office address is Carlsbad, New Mexico, are attorneys for the plaintiff.

Homer King, who was one of the Woodmen delegates to the biennial meeting of the Ari-Mex jurisdiction of that body, which convened at Mesa, Arizona, last week, brought home a curiosity in the shape of a bunch of grape fruit which he cut from a tree in Mesa. There are eight fruits in the cluster, and it is as pretty a thing as one would wish to see. Homer speaks with great enthusiasm of that country and really, would make a good land agent for that part of Arizona.

Attorney J. B. McGhee spent the latter part of last week and the first of this in Roswell on legal business.

Mrs. Bearup and daughter, Miss Grace, and son, Cecil, returned from Roswell last Friday where they had spent several days visiting with friends.

Charles J. Butler, authorized representative of the Curtis Publishing Company, who has spent the past week in Carlsbad, left on a trip to Roswell Wednesday, expecting to return Saturday.

Rev. Phillips, of Roswell, preached two splendid sermons to good congregations at the Methodist church last Sunday, and also preached at the Mexican church in the afternoon.

M. G. Cox, an attorney from Cameron, Texas, a brother-in-law of J. F. Joyce was in town from Saturday until Monday night, a guest at the Joyce home, where he visited some years ago.

Marion Hilly of Monument, was in town last week taking treatment for a growth on his lip, which has been giving him much trouble, and which is said to be getting better under the care of a physician.

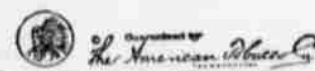

Mr. and Mrs. M. C. Stewart and son, Hugh, returned to their home in Carlsbad Sunday afternoon from Clovis, where they had been for ten days in attendance at the sick bed of their son-in-law, Ed Nye, who has been dangerously ill but who we are glad to state, is improving at this time. Mr. and Mrs. Nye expect to come to Carlsbad as soon as he gets a little stronger.

Easter in the City

I did not know by the reviving grass,
That the old miracle had come to pass;
Nor by the hawthorne trembling in the
wind,
Or the light laughter of the rain,
I, in the fevered city's thundering mart,
Heard not the sounds that quickened the
heart.
I hardly knew that Spring was on her
way,
So desolate and empty passed each day,
With never a trace of fragrant cherry-
bloom.
To haunt my spirit like an old perfume,
I did not hear the breathing of the
flowers.
Amid the tumult of the hurrying hours,
I did not see the ancient beauty come
Unhindered by life or bell or drum.

**Lilies,
Eggs, and
Bunnies**

An Easter egg by any other name would taste just as delicious, but the world over the people are creatures of habit, so at Easter and around Easter only we have the chocolate and jelly eggs.

The association of Easter and eggs goes back to heathen times, says one authority. "It seems as if the egg was thus decorated for an Easter trophy, after the days of mortification and abstinence were over and festivity had taken their place, and as an emblem of the resurrection of life, as certified to us by the resurrection from the regions of death and the grave. Not only do we find this record of the use of eggs among the practices of the Egyptians, the ancient Israelites and the early Christians, but De Gobelin informs us that the custom of using eggs at Easter may be traced up not only to the theology of the people of Egypt, but to the theology and philosophy of the Persians, the Gauls, the Greeks and the Romans, all of whom regarded the egg as an emblem of the universe and the work of the Supreme Divinity."

The Christians have used eggs on Easter day as containing the elements of future life, symbolic of the resurrection. Painted or ornamented eggs have become in many lands an Easter institution.

As for the bunny, the chicken and the kowlee, they all play their part in modern Easter gifts. The bunny or hare owes its popularity to the belief of the German children that it is the hare who lays the eggs on Easter day.

Easter always brings a profusion of flowers, with the lily the most popular of all. "In the beauty of the lilies, Christ was born" has an additional meaning when one sees lilies on every side. The fact that a Philadelphian introduced the Bermuda lily to this country adds more interest to this ever-interesting subject. In 1880, so the story runs, a young man from the Bermudas was visiting in that city, and upon seeing a lily, exclaimed: "Oh, there is our lily." However, upon close examination he found that it was not a Bermuda lily. This incident led to a Philadelphia florist visiting Bermuda in 1881 and bringing the bulbs to this country. We all know its popularity. No wonder, for it is superior to both the Chinese and Egyptian (or calla); it is a surer bloomer and more profuse; it also has a greater fragrance.

Now the lily industry in the United States is thriving. Millions upon millions are grown from Florida to California. In these climes they are grown under glass, in fact a veritable lily king plants a half a million bulbs this way.

But in enthusiasm for the lily, the rhododendron, the azalea, the spirea, tulip, hyacinth, daffodil, narcissus, ferns and the many others must not be forgot nor their charms overlooked.

I knew by a rose at the end of the street,
And the glad martial moving of thousands
of feet,
That the mischievous old March, ancient
yet new,
Had come to the city, to me and to you,
And the seed of his sowing had awakened
again.
In the hearts and the souls of millions
of men:
I knew by the look in the eyes of the old,
That the grass of his growing had covered
the mold.
I knew by the wonder that came to the
town,
The stern, iron city with sorrow weighed
down,
That one had arisen who once had been
dead,
And the white Easter message again had
been said.
—Charles Hanson Towne in the Detroit
Free Press.

Easter Egg Hunts galore are being planned for Saturday among the children and young people of the city. Besides the one given for the children of the city by the Baptist Sunday School, at City Park, the four primary classes of the Christian Sunday School, taught by Mesdames Mercer, Henderson, Purdy and Mr. Snow, will have an egg hunt at the Snow place in the north part of town; the four primary classes of the Methodist Sunday School will have their hunt at the home of Mrs. L. E. Regnier.

THE STUDEBAKER LIGHT SIX SMASHES RECORDS

CARRYING U. S. MAIL, A STUDEBAKER LIGHT SIX has established four speed records between San Francisco and Los Angeles—traveling faster than any automobile or train ever made the trips before—and proving LIGHT SIX stamina. Here is what the LIGHT SIX did:

Made the round trip from Los Angeles 864.8 miles in 21 hours 23 minutes elapsed time—A NEW RECORD.

Beat "The Lark" fastest express train between San Francisco and Los Angeles by 3 hours 47 minutes, and 30 seconds — A NEW RECORD.

This car was duly deputized upon orders from Washington, to carry U. S. mail.

These remarkable records PROVE how the STUDEBAKER LIGHT SIX can make long continued runs without mechanical trouble—the car established its records on two trips and was ready to start on the second immediately after completing the first.

Hay Trade Conditions of the Week.

Trade is inactive and although the movement of hay to all markets is moderate, supplies are ample for requirements. In the East values are more firmly held than for some time past due to light arrivals but trading is no more than sufficient to sustain quotations. In the West the better feeling reported last week has barely been maintained.

PASTURES, RANGES AND STOCK.

The temperature and moisture conditions were favorable for the growth of grass on meadows and pastures in all central and southern states. The rainfall in Arizona improved the ranges and the water supply in the major grazing districts, but more moisture is needed for ranges in New Mexico and in parts of Colorado. Snow made the feeding of stock necessary in Montana and North Dakota, but ranges continue open on most winter feeding areas in the central Rocky Mountain states. Sheep shearing was started in southern Nevada. The conditions were unfavorable for lambing in Arizona; shed lambing was in progress in more northern districts.

The American Legion has not had the pleasure of giving any free baths in the fountain to I. W. W. propagandist for some time. The last one interviewed the big cat fish for trying to circulate a petition for the pardon of Eugene V. Debs. Previous to this the foreman at the Laura derrick asked the rig builder to raise the American flag on top of the finished structure and was met with refusal, accompanied by a choice vocabulary of damnable insinuations about the "disreputable rag" as he termed it. The foreman gave him what was coming to him, brought him to town, paid him off, made him kiss the flag he had disgraced, beat him up again and put him on the first train out of Pecos. The kissing took place at

the Fountain before a select audience of loyal Americans. These occurrences are recorded to warn the birds of that stamp, a few of whom are with us, that their propaganda had better be kept under their hats. —Pecos Times.

TAX DODGING MAY BECOME LOST ART, NEW MEXICO HOPE.

Santa Fe, N. M., March 25.—That an enormous amount of omitted property will be placed on the tax rolls under the tax legislation of the session just closed was declared today by chairman Joseph E. Saint, of the state tax commission, who believes the section requiring assessors to check up tax returns "on the ground" will make impossible pleas of ignorance by the assessors and enforce "actual value" returns.

"If the state tax commission finds a county has not been properly assessed, under the new law it can order a reassessment of all or part of the property," says Mr. Saint. Rupert F. Remember the Egg hunt at the Park tomorrow afternoon. Ten cents is all that is required.

Mr. and Mrs. Muri Nornhauser, and sister, Miss Vera Marjorie, left Wednesday for a few days stay in El Paso.

Mrs. Edwin Stephenson arrived from Arizona Wednesday night and will visit at the Soladay home for awhile. Mr. Stephenson accompanied her as far as Pecos, going from there to Big Springs, for a visit to his children, Mr. and Mrs. Dwight Stephenson, before coming here.

A baby daughter was born Monday night to Mr. and Mrs. Ray Soladay at the Frederick private hospital. The young lady weighs eight pounds and is a lovely addition to the little family and the current wishes that she may grow into as lovely a woman as her mother which is the best we can wish for her.

Easter will be observed with morning worship Sunday at the Presbyterian church. There will be special music, and the sermon will treat "The Victory of Life". There will be evening worship at seven-thirty, and the minister's talk, closing the series on the sayings of Christ on the cross, will bear upon "A Note of Triumph." Communion will be observed the first Sunday of April.

For first class battery and electric work, call at THE OHNEMUS SHOPS—"Can Fix It". Been here always and are here to stay.

Henry Muldrow left this morning for his ranch about 70 miles west of town.

Don't forget the Egg hunt for the children at the City Park at 3:30 tomorrow afternoon. Baptist ladies in charge.

A son of William Balz, the barber, and himself a barber by trade, has spent the week here, coming from California. He left Wednesday for Dallas, expecting to purchase a shop there and make that city his home.

Fred Rohmer has erected a little house north of his father's residence and he and his wife have gone to housekeeping. The house is small but comfortable and large enough for two people and Mr. Rohmer expects to add to it later, having built it with that end in view.

All members of Boy Scout Troop, No. 1 are requested to meet Friday night at 8:45 at which time Senator Grantham will speak to them on the new laws of our state. An invitation is extended to anyone desiring to hear the matter discussed. Meeting will be held in the Scout rooms in Reclamation building.

The "Sunbeam Band" of the Christian church, some fifteen little girls, were given Shasta daisy roots, from their friend, N. T. Daugherty, this week, that they might have flower gardens to furnish flowers for the sick, that being a part of their work. Mr. Daugherty's daisies have been a source of pride and pleasure to him and his liberality to his neighbors and others is worthy of note.

"Where Things are New"

THE RAILROAD SITUATION

The effect of the high freight rates upon general business is well illustrated by the Mechanics & Metals National Bank of New York. The bank in its monthly report says:

Nothing could illustrate more strikingly the change that has come over business in the last year than the figures of idle cars. These amounted on February 8 to 357,273, the largest total in years. It compares with an actual shortage of approximately 150,000 a year ago. At that time, and many times during the war, the inadequacy of railroad equipment almost strangled production; it held back finished goods from their markets, and prevented factories or raw materials. The present surplus is not the result of an increased number of cars. It is simply due to the falling off in railroad traffic. This falling off is owing partly to the voluntary holding back of goods from market. But it may be asked whether it is not also partly the effect of freight rates that, under the changed conditions, may be too high, or more than the traffic can bear. Many railroad men themselves are now of this opinion. In order that rates may be lowered, and the railroads survive, expenses must be lowered. The greatest of these is wages.

Mrs. Linn Mudgett and children are here from Seagraves, Texas, coming last Sunday for a visit with homefolks and friends in Carlsbad.

J. E. Morton and wife, of Golden City, Missouri, are visiting their daughter, Mrs. J. W. Armstrong, at the Armstrong home in La Huerta.

Dr. Joseph W. Lackey left last Monday morning for his home in Fort Worth, Texas. The doctor was a busy man while he was here, arriving Thursday night and performing three operations on Saturday. The case against Dr. Lackey, carried over from the last term of court, was on motion argued by his lawyer, and friend, Major E. P. Bujac, thrown out of court.

LOCAL NEWS.

Walter Moss is spending the week in Roswell, and will probably go from there to Wichita, Kansas, where he rather plans to locate. Robert Gorley has taken the place left vacant by Mr. Moss, for a few days.

Mrs. Frank Kindel returned last week from El Paso in company with her mother Mrs. White, who has been ill in a hospital in the Pass City, for some time.

At the Oscar Mercer home west of the city Sunday, there gathered a crowd of young folk, friends of William Mercer, the only son of the family, who were treated to a five course dinner, with ice cream and cake as a finishing touch. After dinner the young folk loaded into cars and went Kodaking, returning in time to attend Christian Endeavor meeting at the church. In the party were Misses Pearl, Dorothy and Grace Forchard, Reta Reed, Eva Thomas, Katherine Simmons, Grace Brown, Alta Angel, Carl and Henry Brown, Albert Fisher, Frank Davis and the host of the happy gathering, William Mercer.

SUNDAY SCHOOL LESSON

(By REV. F. B. FITZWATER, D. D.,
Teacher of English Bible in the Moody
Bible Institute of Chicago.)
(© 1921, Western Newspaper Union.)

LESSON FOR MARCH 27

THE LIVING CHRIST.

LESSON TEXT—Matt. 28:1-20.
GOLDEN TEXT—I am with you always,
even unto the end of the world.—Matt.
28:20

REFERENCE MATERIAL—Matt. 27:
31-56; Mark 16:1-8; Luke 24:1-56; John
20:1-18; Phil. 3:10-11

PRIMARY TOPIC—The Easter Story.
JUNIOR TOPIC—Our Ever-Present
Friend.

INTERMEDIATE AND SENIOR TOPIC
—Christ Our Living Leader.
YOUNG PEOPLE AND ADULT TOPIC
—Christ in the Life of Today.

I. The Empty Sepulcher (vv. 1-7).
1. The earthquake (vv. 1-4). This occurred when the glorious angel descended from heaven to roll the stone away from the tomb. This work of the angel was not to allow Jesus to escape, but to show that the tomb was empty. Christ needed not even the help of a glorious angel, for He was raised up by His own power as the seal upon His atoning work on the cross. The open tomb and the angel sitting upon the stone with calm dignity is a picture of God's triumph over the devil and the terror of the keepers is a sample of what all of Christ's enemies shall one day experience when He comes in glory to reign as King.

2. The angel's message to the women (vv. 5-7). (1) "Fear not" (v. 5). While the enemies had occasion to fear, these women who loved the Lord received good news from the empty tomb. The Lord will not long leave those who follow Him in love in suspense and dread. The empty tomb puts an end to all doubts and fears. It is the evidence that the question of sin is dealt with, and that God is satisfied and eternal victory is secured. (2) "Come, see" (v. 6). The angel told the women that the Lord had risen and invited them to come and see the place where He lay. The reason He invites them to come in is that He desires them to make sure about the facts. The Lord made special effort to convince the disciples of the reality of His resurrection. He remained with them for 40 days, giving them many infallible proofs. (3) "Go quickly" (v. 7). Having seen for themselves, their responsibility was to go and tell the message. While it is important to be convinced of facts, one should not stay too long because there is work to do. Experience is necessary before testimony. They were to go quickly to the disciples with the message, assured that the Lord would go before and meet them.

II. The Risen King Meets the Women (vv. 8-10).
The women quickly obeyed the command of the angel and were running to bring the disciples word. Jesus met them on the way. Those who have an experimental knowledge of Christ should go speedily to tell others of it. All who go quickly with His message, "the Lord will meet on the way. When they saw Jesus, that He was really the Lord, they worshipped Him. They knew that He was the Son of God, therefore entitled to be worshipped.

III. Paying Money to Circulate a Lie (vv. 11-15).
That Jesus arose from the dead could not even be denied by the Sadducees. They could see but one way out of the difficulty, that was to bribe the keepers to tell a lie. They had paid money for His betrayal; now they pay much more to circulate a lie about His resurrection. What a wonderful power money has over the lives and consciences of men! It will not only induce people to lie, but it even muzzles the mouths of preachers.

IV. The King's Great Commission (vv. 16-20).
By virtue of His royal authority He issued this great command to the disciples. In order to prepare them to receive this command, He declared unto them that all power in heaven and earth was given unto Him. This is most fundamental. Only as the disciples realize the Lord's power are they likely to go about with the message.

1. "Go, teach all nations." This is the first and primary business of the disciples. The risen and mighty Lord issues this command to all (v. 19).
2. Baptize them in the name of the Father God. Those who have become disciples of the Lord should receive that rite which signifies that relationship to Him (v. 19).
3. Teach them to observe all Christ's commandments (v. 20). Those who become Christ's disciples should be taught obedience to all His commands. All who thus obey Him shall enjoy His abiding presence. Christ's abiding presence guarantees the success of the enterprise.

Prayer.
In the morning, when you awake, accustom yourself to think first upon God or something in order to His service; and at night also, let Him close thine eyes.—Jeremy Taylor.

Unhesitating Advance Wins.
"It is not the spur at the start, but the continued unresisting, unhesitating advance that wins the day."

Owed All to Mother.
All that I am or hope to be, I owe to my angel mother.—Lincoln.

A spirited debate engaged the attention of members of the Epworth League and others at the Methodist Church Sunday night. The subject for debate was "Resolved—That city life is more conducive to a well rounded Christian development than country life," the participants being Stuart Armstrong and Alvetta Vaughn for the affirmative and Misses Mae Middleton and Mary Lee Pond for the negative. Both sides of the question were skillfully handled; the young folks brought out some new ideas that were well received and enjoyed by the older people present. The judges, N. D. Hiler and Mr. and Mrs. Mudgett, gave the decision to the negative side of the question. These debates beside being enjoyable, are of great benefit to the participants, in assisting them to think quickly and to formulate their thoughts into words. Those who took part in the discussion Sunday night plainly showed the result of the training they are receiving in the public schools; there was an absence of that hesitancy so often found in public speakers who have not had the advantage of such training. The minister, Reverend Givan, voiced the wishes of a large number in the congregation when he suggested that the debates be made a part of the regular programs of the League from time to time.

R. B. Knowles and wife spent Sunday in Carlsbad while en route to their home near Artesia. They are just returning from a two months visit to relatives in Scurry county and Edwards county, Texas, where they have had a delightful visit.

J. A. Joyce, father of our J. F. Joyce, came in from Cameron, Texas last Saturday and will make a lengthy visit at the home of his son and daughter-in-law in this city. Mr. Joyce has visited here frequently and has a number of friends among old residents who will be glad to renew their acquaintance with him.

There's Free Power in a Waterfall, But ==

Just as there is power stored up in coal, there is vast latent energy in a flowing stream, but it's expensive to get it out.

The problem for man to solve is one of harnessing that power, converting it into Electricity and making it continuously available for you to use.

It is a gigantic task. It requires the brain work of some and the manual work of many others.

Dams, forebays, pipes, power stations, turbines, generators and transmission lines are necessary and expensive. So, although the power in the waterfall may cost nothing, hydro-electric power, by the time it reaches your door, has cost fortunes.

We who are bringing this product of "white coal" to your store and shop and home hope to retain your good will by the excellence of the service we perform.

A NEIGHBORHOOD REUNION

The return of little Irma Linn Grantham from Santa Fe where she has been with her father and mother, Senator and Mrs. Grantham, was made the occasion for a pleasant picnic last Saturday at which all her little friends on the hill west of town participated. The girls carried baskets of good things to eat, which in many instances they prepared themselves, and dinner was spread on a grass plot near the Public Utilities standpipe and after eating, the girls settled down for an afternoon of play. Irma Linn entered school again at the earliest possible moment after her return, and the picnic Saturday made her realize how glad her school mates are to have her with them again. In the party were Irma Linn Grantham, Aileen Reed, Evelyn Kircher, Frances Joy Foster, Julia, Helen, Ursula and Nettie Clark and Nadine Hughes.

Theodor's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver.

East Nashville, Tenn.—The efficiency of Theodor's Black-Draught, the genuine, herb, liver medicine, is vouched for by Mr. W. N. Parsons, a grocer of this city. "It is without doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver, indigestion, and all other troubles that are the result of a torpid liver."

"I have known and used it for years, and can and do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."

Many other men and women throughout the country have found Black-Draught just as Mr. Parsons describes—valuable in regulating the liver to its normal functions, and in cleansing the bowels of impurities.

Theodor's Black-Draught liver medicine is the original and only genuine. Accept no imitations or substitutes. Always ask for Theodor's. E. S.

That Air of Distinction in Miss Manhattan Coats and Suits

You notice at once that they are different from the usual ready-mades. The materials are excellent and the tailoring is the really exclusive sort which you associate with garments made to order.

It is the style, however, which makes Miss Manhattan Suits and Coats so unusually satisfactory. They possess a youthful smartness, a refinement which marks them at once as real New York fashions.

Let us show you the latest arrivals.

"The Store of Quality"

J. G. Wade, proprietor of the Odark Trails Stage Line, between this city and Roswell, has extended his business so that he is now running two cars between Carlsbad and Roswell. One car leaves Roswell at 8 o'clock in the morning and one leaves Carlsbad the same hour every day and both cars lay over forty minutes in Arroyo. By so doing passengers may stay two hours in Roswell before starting on the return trip, thus giving them that much time to transact any business they may desire. The fare will be the same as railroad fare.

LAKEWOOD LOCALS.

The airplane was with us last week (and that's why we did not get our locals off) and some citizens took advantage of the occasion to get that thrilling experience which, we are told, comes to all upon their first flight into the air. Prof. Pulliam, Mrs. Pulliam, Misses Bernice Lee, Mable Kepple, Sallie Truitt, and A. C. Crozier and son Oliver, are those who enjoyed a flight, and they all say it was worth the money.

Wednesday was Prof. Pulliam's birthday, and Mrs. Pulliam surprised him by inviting a few friends of the family to their home in the evening to celebrate the occasion. There were ten persons present on o'clock. A splendid supper, consisting of oyster soup, delicious cake and many other delicacies was served to which all present did ample justice, and all enjoyed themselves immensely.

S. H. Harrison, who has been sick so long, is now at the home of J. H. Baker in this city. Mrs. Baker being a sister. He is still quite sick, but is reported as resting well at this writing.

Mrs. B. L. McAttee and daughter, Miss Mabel Robinson, came up from near Loving Friday afternoon and visited with home folks and friends until Sunday afternoon.

Pay your poll tax before the close of the month, and thus help the public school in your district.

J. E. Wood, of Graham, Texas who is a cadet at the military institute at Roswell, recently spent two days visiting with his uncle, J. M. Wood and family here.

Mrs. M. C. Lee, who has been sick for sometime, we are glad to say is able to be up and around again.

County Superintendent Geo. M. Brinton, of Carlsbad, spent Wednesday of last week visiting the school here. He reports the school moving along splendidly.

Silas Hogg, who has been working near El Paso for sometime, came in one day last week for a visit with relatives and old friends.

Mrs. R. D. Pulliam, one of the efficient teachers in our school, was a visitor to Carlsbad Saturday.

Mrs. Joe Wood, who has been visiting with her mother, Grandma Fanning, has returned to her home at Hope.

Mrs. R. G. Adams and children and T. G. Low spent two days last week visiting with Mr. and Mrs. Jim Howell at their ranch 30 miles southwest of town.

J. J. Harrison, of Pyote, Texas, visited with his brother, S. H. Harrison, who is sick at the home of his sister, Mrs. J. H. Baker, last week.

J. L. Kinnebrew and G. E. Wedel, who have been visiting in Texas for the past six months, returned to their claim west of town this week.

Nick Weber spent a part of this week transacting business in Carlsbad.

The local baseball team have been having some rather interesting games in the past few weeks. They have played Loving two games, winning the first and losing the second. The tie will be played off at Loving Saturday. They will cross bats with the Hagerman team for a second game on the local diamond Sunday.

Miss Christine Kroeger is spending this week with Miss Mabel Robinson near Loving.

R. B. Knowles and wife, who have been selling horses at or near Georgetown, Texas, returned to their ranch west of town last Saturday.

Nick Weber, who has been visiting and looking after business here for several weeks, departed for his home in Nebraska Wednesday night.

It is reported that Illinois Producers No. 2, on Dayton hill, is broken down, and is now awaiting repairs.

Isabel Smith's Sixteenth birthday was celebrated at the family home Wednesday with only the immediate relatives present, but seventeen persons partook of the birthday dinner, a feature of which was a beautiful cake decorated in approved style. Isabel is a Carlsbad product, having lived all her sixteen years in our midst, and not only her relatives but all who know her join in good wishes for many more happy birthdays.

Sheriff George Batton returned Monday from a trip to Santa Fe, where he took Anastasio Salcedo to the State penitentiary, to begin a sentence of a year in that institution. Mr. Batton ran into a snow storm at Vaughn and Encino, where the snow was four inches deep.

There will be a program of songs and readings at the Methodist Sunday School Sunday morning. There being a number of the pupils sick the superintendent, J. H. Prickett, was unable to hand in the program in time for publication. A cordial invitation is extended to any who may like to be present.

Stockmen in town from their respective ranches this week were Tom Gray, from near the point of the mountains, Ed Burleson from McKittrick Draw, and Dolph Shattuck, from Queen.

Ural Boyd has been spending the week in El Paso, on a vacation visit.

Homer Graze is spending the day in Loving today making arrangements for his auction which begins tomorrow.

The little folks are looking forward to a fine time at the Egg hunt at City park tomorrow afternoon. Each child will receive two eggs to take home and a nicely decorated egg will be given to the one who finds the most.

MALAGA LOCALS.

The farmers are placing their cotton seed in the building and fixing it for the Government man to do the fumigating. Some of them talk of planting next week, if the weather continues as it has for the past two weeks.

James L. Finlay was called to Colorado Springs, Colo., to attend the funeral of his sister who passed away.

Mrs. L. B. James returned home from El Paso Tuesday evening. She reports the grand daughter and mother doing nicely.

By the way, L. B. is waging a war against the sparrows. He put out some poisoned maize and informs us the next morning the ground was covered with dead sparrows; says he counted a hundred or more under one tree. He used strychnine for his poison.

George Balts and his family and his brother-in-law Dick Knowles of Dallas, Texas are visiting the old homestead south of Malaga today.

We see the Governor has signed the appropriation for fifteen thousand dollars for stocking and establishing a fishery in the northern part of the state, to supply trout for the mountain streams. We also note this money was taken out of the gasoline tax which should have gone into the road funds. While while we do not want to criticize our state officials, it looks to us as though it is going to take a long time to raise \$15,000 worth of fish. We also wish that the Governor

had to cross the Delaware crossing at the state line or some other bad places on our roads and we believe he would be a little more conservative of our road funds.

C. W. Tucker and Johnnie Hewitt Jr. were business visitors at Malaga Monday.

T. W. Lane and wife returned home from Lane City, Texas, Saturday evening. They went out to the large ranch across the Pecos, known as the old Hagerman ranch. Mr. Lane says he will plant about a thousand acres in cotton this year. Somebody asked him if he wasn't afraid he would go broke. Mr. Lane says no man ever went broke raising cotton because he was broke before he started.

Judge Lamb was in Malaga Thursday on legal business.

Mrs. M. F. Chaytor has again taken over her dining room at the

Palace Hotel and is ready for the public and her friends, as formerly. The reputation of this hotel under Mrs. Chaytor's management, is already established and she proposes to sustain that reputation in the future; give her a trial which will convince. Her Sunday dinners especially have been noted among Carlsbad people and one trial will convince the most sceptical, as to their preparation and service.

The dance to be given April 1st, by the men of the Cavalry troop will be a uniform affair, all the members of the troop being in uniform. Splendid music is promised and all who dance will be furnished free refreshments. Any money realized over their expenses, will be used as a mess fund, to provide for them when they go to San Antonio in July. The boys hope for a liberal patronage April 1st, at the Armory.
