What the Ford Ton Truck Will Do

The Ford One-Ton Truck offers an efficient, dependable delivery service at the lowest cost. Thousands of owners: wholesalers, retailers, farmers, transfer and baggage companies, ice and coal dealers, public service corporations - all have learned of the "delivery cost-cutting" Ford. It does easily the work of several horses at a very greatly reduced

upkeep and operating cost. The light but strong steel frame, the ever-reliable Ford motor, the powerful aluminum-bronze worm drive, demountable rims and pneumatic tires both front and rear, all combine to make the one-ton Ford the truck of flexibility, reliability and utmost service with lowest first and after costs. Our Ford service organization-right at your elbow, with complete stocks of genuine Ford parts, special equipment and Ford mechanics-insures full-time service from your Ford truck all the time.
