TWENTY-NINTH YEAR.

CARLSBAD, NEW MEXICO, FRIDAY, JULY 1, 1921.

NUMBER 31.

CARLSBAD 9, ARTESIA 0.

The Carlsbad baseball team has showed marked improvement under the management of Howard Moore although practically the same players were in uniform in the game Sunday between the locals and Artesia at Fireman's Park which resulted in a victory of 9 to 0 in favor of the home team, the game being played before a medium sized crowd. This remarkable result was made possible by the wonderful pitching of Morris, who struck out fifteen Artesia batters and allowed only one clean hit. He received good support from all the players who seemed to have taken on lots of pep since their last appearance here. Two games will be played here next Sunday and Monday, when the Roswell W. O. W. team will again try to win from Carlsbad. Both games will no doubt prove exciting and fast as the Roswell team will play to wipe out the defeat they received at Artesia last week.

Pecos is coming here next for a series of games and Carlsbad fans should give every support possible to the ball club which promises to furnish high class baseball the rest of the season and Manager Moore is entitled to succeed for he is putting forth great efforts to make a success of the club.

The following is the game as each play was made:

First Inning—Artesia at bat and Pitcher Morris fanned the first three men to face him. Fessler first up for Carlsbad fanned also. Manager Moore was hit and took first and stole second. Patton fled out to center. Moore went to third on passed ball while Farrell was batting. Farrell hit fly over short stop scoring Moore then he stole second where he died after Stewart sent a fly to second base for the third out. Carlsbad, one score.

Second Inning—Artesia's third baseman grounded to Patton who threw him out at first. Next man fanned. Bigler grounded to first for third out. Thomas at bat for Carlsbad sent fast grounder through the short stop. Reeves hit a pop up and was safe at first. Thomas going to second. Monty grounded to short. Thomas going to third then Morris bunted, scoring Thomas. Fessler sacrificed, scoring Reeves. Monty going to third and being put out at the home plate while Moore was safe on first and played between there and second long enough for Morris to score, then was put out. Three scores for Carlsbad.

Third Inning: First two men fanned. Pitcher Martin sent a hot line drive over second which Fessler caught for the third out. Patton first up for locals, was hit and took second on passed ball and third on sacrifice by Farrell. Stewart out on pop-up and Thomas made third out when he bunted and was thrown out. No scores this inning.

Fourth Inning: First batter up for Artesia fanned. Next grounded to second for out. First Baseman Martin safe on first after grounder to pitcher then stole second and went to third after Thomas missed ball thrown by Morris to catch runner. Artesia's third baseman then struck out. Morris pulling himself out of a tight place. Reeves, for the locals, out on grounder to first and Monty also out on grounder to second. Morris third out by fanning. No scores.

Fifth Inning: Artesia at bat and first man struck out, the next out on a grounder to second base and the third chopped the air for an out. Fessler safe on grounder to third coupled with a wide throw to first. Moore sacrificed Fessler to second and Patton fled to center, the fielder dropping the ball and Fessler going to third. Farrell then sent a line drive to center, scoring both Fessler and Patton. Farrell taking second on throw to plate. Stewart out on a grounder to short stop. Farrell going to third and scoring on passed ball. Thomas safe on line drive to center and taking third on Reeves' sacrifice fly to right field. Monty out on

CARLSBAD MAN HONORED.

W. S. Moore and C. O. Swickard, returned Saturday evening from Albuquerque, where they had been to attend a gathering of the Title Men of New Mexico. They report a good trip and an enjoyable time, with plenty of rain, mud, bad roads and other things that go to make up a cross country trip.

Among other things they report the organization of the NEW MEXICO TITLE MENS ASSOCIATION, starting off with sixteen charter members, and from the enthusiasm manifested at their first meeting, we predict a great future and many good things to come of this organization in the way of needed legislation and improvements in the Title Business along lines planned by this Association.

The meeting was called by Mr. Daugherty, Secretary of the National Association of Title Men, and after an instructive talk and the explanation of the workings of the Association, the new organization was formed. C. O. Swickard, being elected President, Edward Gessert of Roswell Vice Pres. Ira N. Sprecher, Secretary-Treasurer, the executive committee is composed of the President, A. D. Ogles, and W. C. Owsitke of Albuquerque.

The public as a rule do not appreciate the importance of the TITLE MAN to the community; what would your property be worth if you were unable to procure an Abstract from some reliable Title Man?

Rev. J. A. Phillips, who has charge of the Mexican work in this conference of the Methodist church, south, came down from his home at Roswell yesterday and spent the night here continuing on to Alpine and other points south, this morning.

ground ball to pitcher retiring side. Three scores.

Sixth Inning: First batter for visitors laid ball down in front of plate and Morris and Stewart both tried to field it, allowing runner safe on first and he promptly stole second. Martin then sent fly to short for out. Next batter out, grounder to second, runner going to third. With man on third and two out Morris tightened up and again pulled himself out of a bad hole. Morris up for Carlsbad made out on pop-up to second, then Fessler got first on four balls and stole second. Moore fanned and Fessler went to third. Patton made third out, grounder to first. No scores.

Seventh Inning: The first three batters for Artesia were out on pop-up in front of plate, a fly to right and a grounder to Third Baseman Patton. Farrell sent an easy one to the pitcher for out. Stewart fanned and Wynn made third out by foul ball which catcher caught. No scores.

Eighth Inning: Bigler, for Artesia made first out on grounder to first and the next two batters fanned. Reeves was hit and took first. Stole second and went to third on grounder to short by Monty. Morris then sent one to third who threw Reeves out at home. Monty and Morris taking third and second on the play. Fessler scored both runners by Texas leaguer to center then stole second. Moore lined ball to third for out. Patton hit pop-up to second; safe when ball was dropped. Farrell out high fly to center, retiring the side. Two scores.

Ninth Inning: Martin got first clean hit of game between short and third, stole second and took third on throw which went past second base. Morris showed that he was still strong when he fanned the next two batters with a runner on third and the best the next one could do was to send a pop-up fly to second base for the third out, ending the game without Artesia getting a score. Final score, 9 to 0 in favor of Carlsbad.

John Prickett will take the place of Miss Catherine Chilcoat in the local postoffice during that young lady's absence at the home of relatives in Missouri, where she will remain for three months.

ALL HAIL THE DAY

(Rev. George H. Givan)
All Hail the Day! the Glorious Day
On which our Nation had its Birth;
All Hail the Day! Triumphant Day,
As Freedom's Torch lit up the Earth.

All Hail the Day when our Forebears
Declared our Country must be Free;
All Hail the Day when Tongue and Pen
Proclaimed aloud "Sweet Liberty."

All Hail the Day when first we broke
The cruel chains our people bound;
All Hail the Day when first we sang
The note of joy in Freedom found.

All Hail the Day of Peace and Song,
The Holy Day of prayer and praise;
All hail the day when all mankind
May thanks to their Creator raise.

All Hail the Day of Jubilee,
And kept as such test we forget;
All Hail the Day as still we pray:
"Lord God of Hosts be with us yet."

HONORS PAID DEAD SOLDIERS.

Word was received here last night that the bodies of two war heroes would be on the train from the south, enroute to their friends, one at Artesia, and the other at Hagerman. The Artesia corpse was that of Clarence Kepple, a member of Co. A, 356th Infantry, and the other that of Aecus Lang, of Hagerman, of 340th Field Artillery. The bodies were conveyed by Sergeant McGee, Troop B, 7th Cavalry, and Sergeant John H. St. Clair, both of Ft. Bliss.

A guard of honor from Bryan Mudgett Post of the American Legion, met the bodies at the train and decorated the caskets with beautiful flowers and wreaths. Several ladies of the city procured the flowers while others were making the wreaths; both caskets were covered by the American flag. In the guard of honor were Jim Farrell, Charles Raley, Edward Purdy, Ed. Wright, Kenneth Jones, Lowell Warren, Paul Mahan. These comrades transferred the bodies from one train to another and guarded the caskets until the departure of the northbound train. A firing squad left in two cars for Artesia this morning where the interment of Clarence Kepple will occur today.

Ed Wright, Charles Raley, Don Donald, Lowell Warren, Clyde Duncan, Edward Purdy, Sam Batton, Kenneth Jones, Otto Matheson, Lee Bloxom, Paul Collier, Bill Howeth, compose the squad.

The members of Bryan Mudgett Post were quick to show their sympathy and respect for the dead comrades and but for the lateness of the hour would have made more elaborate preparations for their reception and care. But the kindness of the members of the Post to the people of Carlsbad. The old poem is especially appropriate at this time.

"Soldier, sleep, thy warfare o'er.
Dream of battle fields no more;
Days of danger, nights of waking,
Sleep the sleep that knows no waking."

DEATH OF JASPER T. MOSES.

A telegram has been received announcing the death of Jasper T. Moses, which occurred at Mexico City, on the 5th of June. The death was caused by a complication arising from an operation for appendicitis. Our missionary down there, D. P. Cornelius, had charge of the funeral arrangements. It was not thought wise to bring the body home in view of complications involved. Mr. Moses was in charge of news and editorial work for Federated Council of Churches. His wife and five children were preparing to go to him. Particulars and a tribute will appear in a subsequent issue of the Christian Evangelist—Christian Evangelist, of St. Louis.

Rev. Moses, the subject of the above notice, will be remembered by many of our people, he being stationed here as minister of the Christian church and living here with his family for about a year and a half, leaving in the year 1912 for Colorado. He had only been in Mexico City a few months, and his family were in the east preparing to go to him when the message of his death was received. He retained his membership in the W. O. W. lodge of Carlsbad, and a short time ago in sending in his dues wrote a humorous letter to the clerk of that order in Carlsbad suggesting that his dues be lightened as he was so perfectly healthy and the climate was so delightful that he expected to live a long time. But in a few short weeks the summons came to him. How true that in the midst of life we are in death.

W. C. Hamilton came in from Sipe Springs, Texas, arriving Tuesday night. He expects to remain here for a week or so transacting business of various kinds. He has been running a garage at Sipe Springs, an oil town, of Texas, but on his return will engage in the same business in Brownwood, his brother, Elmer, taking charge of the business at the Springs.

A baby boy was born Monday night to Mr. and Mrs. Clyde Horlan. The family has only been here about two months and are living in a small house north of the Frank Jones residence. Best wishes to all concerned.

INSPIRING ADDRESSES AND MUSIC AT SALVATION ARMY MEETING.

Of magnificent range and power, the splendid voice of Baron Auriemma, noted war worker and famous operatic singer, delighted the audience at the Salvation Army meeting at the Aromy Monday night. Auriemma is truly a great singer. He became well known for his work with relief organizations in France and his singing made many a wounded soldier forget his troubles. His selections were applauded to the echo.

The singer delighted a bunch of 25 Albuquerque business men at a dinner they gave him some time ago and one of the guests humorously asked if Auriemma could cook spaghetti as well as he could sing. He determined to "show them" and gave a spaghetti dinner to the crowd which he cooked himself and which made a big hit. One of the most versatile of men, he has given his services to the Salvation Army during this drive and is proving a big attraction everywhere. He sang at the picture show Friday and Saturday nights and at the Methodist church Sunday morning and the Baptist church the same night. His selections were delightful at each service.

Miss Linn played the Baron's accompaniments and Miss Marie Purdy sang with him in duets, the following being the complete program: Vocal Solo—"Aida," by Verdi, Baron James V. Auriemma. Vocal Solo—"The Star" by Rogers, Baron James V. Auriemma. Address—Major Etienne De P. Bujac.

Vocal Solo—"Hearts Delight" by Gilchrist, Miss Marie Purdy. Vocal Solo—"Arioso" from Paganini, Baron James V. Auriemma. Vocal Solo—"The Rosary," Baron James V. Auriemma.

Vocal Solo—Selected, Miss Wardle Leek.

Duet—"Sierra Sue" by Carrie, Baron James V. Auriemma and Miss Marie Purdy.

Piano Solo, "Spanish Caprice," Miss Mary I. Johnston.

Address—Baron James V. Auriemma.

Song by Audience—"Let the Rest of the World Go By."

REBEKAHS ELECT OFFICERS.

At the regular meeting of Carlsbad Rebekah Lodge No. 13, held last Monday night, the following were elected as officers for the ensuing term and will be installed in their respective offices at the regular meeting in July, at which time the appointive officers will also be named and installed:

Noble Grand—Miss Inez Jones.

Vice-Grand—Mrs. Hattie Mercer.

Secretary—Mrs. Maggie Kirkpatrick.

Treasurer—Mrs. Barnes.

Delegate to Assembly—Mrs. Belle McCord.

Mrs. Ed. L. Nowels, a daughter of Judge and Mrs. Buile of this city who had been visiting parents and sisters for some weeks, left Thursday night for Two Buttes, Colorado, where her husband has purchased a newspaper, and where they expect to make their home. Mrs. Nowels is also a newspaper woman and familiar with the routine of a printing office and manifests the enthusiasm which spells success in that work and which we wish may be hers in the highest degree.

Messrs. Paul and Fernand Ramuz are in the city coming Wednesday from Thrift, Texas, summoned here by the death of their mother. Philip Ramuz, of Dayton, and Mr. and Mrs. Paul DeWitz of Loving, were also here for the same purpose. None of the relatives from California were present.

Mrs. D. F. Sellards who has been confined to her home for some time suffering from an injured foot, is gradually improving and hopes are entertained that she will be able to attend church services Sunday morning.

A boy baby was born to Mr. and Mrs. Frank Gentry at their home in La Huerta, Sunday night. This is the first child in the family and the young parents are receiving the congratulations and best wishes of many friends for his health and happiness.

The Current reporter is indebted to our little newsboy, and his father, Otis Alston, for a nice lot of red checked apples and lovely peaches which came from the orchards of Rocky Arroyo. The Current lady appreciated deeply the kindness shown her by her friends and she has no truer friends than the Alston family.

Mr. and Mrs. John Garrett came in from their ranch home at Lovington the latter part of last week and remained over Sunday with relatives. They left Tuesday accompanied by Mrs. Garrett's mother, Mrs. Robert Breeding and her sister, Miss Ida, who will spend a few days at the Garrett home.

Miss Jeannette Williamson, of Artesia, underwent a major operation at the Sisters Hospital from which she is getting on well at this time. Mrs. Fred Ares and Mrs. Lee Hanson had operations for the removal of bad tonsils the past week at Sisters Hospital.

ANTONIO LUCERO, FORMER NEW MEX. SECRETARY DEAD.

Santa Fe, N. M., June 27.—The state house will be closed and the flag half masted during the funeral of former Secretary of State Antonio Lucero, whose death occurred early this morning at his home in Las Vegas, according to an announcement by Mechem today. The death of the Democratic leader from acute intestinal indigestion probably was superinduced by his physical efforts in his campaign as Democratic congressional nominee last fall with R. H. Hanna, candidate for governor.

Mr. Lucero, who had only partially recovered from a serious intestinal operation delivered from three to five speeches a day all over the state in addition to acting as interpreter a large part of the time and had to spend several days in an Albuquerque hospital during the middle of the drive.

Born near Las Vegas in 1863, son of Pablo and Manuelita Salazar Lucero, Antonio Lucero was first a printer, then a dry goods clerk for four years, entered the newspaper business and was editor and publisher of "La Voz del Pueblo" at Las Vegas from 1903 to 1912. He was proficient in English and Spanish and was for years professor of Spanish in the East Las Vegas High school and normal university.

In public life he served first as court interpreter in the Fourth judicial district, 1888 to 1893, and 10 years later was elected to the house of representatives, the only Democrat elected in his county. In 1904 he was delegate to the national Democratic convention in St. Louis. He was elected secretary of state at the first state election in 1911. W. C. McDonald was elected governor and was re-elected in 1916. In 1918 he was appointed prohibition enforcement officer in New Mexico and resigned last week to resume the active editorial management of his paper, after nine year's absence from the office.

Mr. Lucero was a devout Roman Catholic, active member of the Knights of Columbus, the Spanish-American alliance and the Fraternal Union. Lucero's military experience was confined to serving from 1890 to 1893 as a lieutenant and captain in the Prince Rifles of the New Mexico militia.

Mr. Lucero was the father of seven children, all of whom survive him. They are Mrs. Aurora R. White, Antonio Jr., Della M., Julia, Edmundo M., Elmer and Arturo. Francisco Paul his wife was Miss Julianna Romero of Las Vegas, who he married April 8, 1893. She died in Santa Fe May 17, 1915.

MURDER IN DOG CANYON

W. R. Shattuck came in from Dog Canyon last night bringing with him Pascual Trizarray, a Spaniard, who is charged with the murder of Juan Arreguy a Frenchman, who was herding sheep on the ranch of Bautista Barberia, the well known sheepman.

The affair occurred Wednesday evening; the Mexican, who was camped near Barberia is said to have stuck his victim in the head with an ax and afterward went over to the ranch of Mr. Shattuck and gave himself up.

Sheriff Batton about midnight phoned to the sheriff of Otero County, that the crime had been committed in that county, about three miles from El Paso Gap, and that the body should be viewed before it was removed, and also that he had the murderer in jail in Carlsbad.

Yielding to the entreaties of the dead man's brothers, who had also come down from the Gap, Mr. Thorne sent a casket and box out to the scene, Fred West leaving about one o'clock this morning. It is problematical whether they can bring the body here for burial as is the desire of the brothers, owing to the condition of the roads in that section, and the length of time that has elapsed since the crime was committed.

Very little can be learned at this time about the motive for the deed but the Current will try to give the facts in the case next week.

THOUGHT GUN WASN'T LOADED, BUT IT WAS: BLUEWATER BOY DEAD.

Gallup, N. M., June 25.—Franklin Brady, 13-year-old son of Mr. and Mrs. C. H. Brady, who reside on a farm near Bluewater, N. M., was shot and almost instantly killed by the discharge of a 12-gauge shot gun in the hands of a smaller brother who thought it wasn't loaded. The Brady boys had been guarding their garden very closely against rodents. On Sunday the older brother discovered a prairie dog in the lettuce garden. He called to the younger brother to bring him the shot gun from the house, which the little fellow proceeded to do. As he came up to the older brother, and when he was only a few feet away from him he put the gun up to his shoulder and aimed at his brother, intending only to snap the hammer on the gun at him. There happened to be a loaded shell in the gun, however, which was discharged and the boy received the full charge directly in his face a part of which was torn away. Funeral services for the lad were held from the church at Bluewater on Wednesday afternoon.

HAY TRADE CONDITIONS OF THE WEEK

There is enough hay moving marketward to supply the daily requirements of the trade and as the demand continues small, the constant shading of prices is needed to stimulate buying. Dealers are taking only enough hay for immediate needs, and the tone of most markets is easy with values tending lower. Farmers are not moving much old hay, seeming to prefer to put the new hay on top of the old rather than take the prevailing prices. The dry weather has lowered the prospects of the new crop to a considerable extent.

Mrs. Bill Lusk and son, of Lovington, are spending the week in town with relatives and friends. The baby especially is enjoying himself with his mother's friends of her girlhood, when she was known and loved as sweet, winsome Minnie Jones.

LESSON FOR JULY 3

THE EARLY LIFE OF SAUL

LESSON TEXT—Acts 21:33; Deut. 6:4-9; cf. 11 Tim. 3:14, 15.
GOLDEN TEXT—Today if ye will hear his voice, harden not your hearts.—Heb. 3:7, 8.

REFERENCE MATERIAL—Deut. 6:8, 9; 10:1-5; Josh. 4:3-5.
PRIMARY TOPIC—When Saul Was a Boy.—Acts 22:3; Deut. 6:4-9.
JUNIOR TOPIC—When Timothy Was a Boy.—11 Tim. 3:14-15.
INTERMEDIATE AND SENIOR TOPIC—Jewish Boy Life.
YOUNG PEOPLE AND ADULT TOPIC—Saul's Early Training and Education.

We are now entering a six months' study of the life and teachings of one of the greatest men who ever lived.

1. Saul's Birth (Acts 21:39).

His parents belonged to the tribe of Benjamin and were "Hebrews of the Hebrews," that is, Jews who have not become contaminated in their ancestry through intermarriage with the Gentiles (Phil. 3:5).

1. Time of. It is impossible to determine the exact year of his birth, but the probability is that it was practically the same as that of Jesus. He was a "young man" when Stephen was stoned (Acts 7:58). "Young man" may mean any age from twenty to thirty. About 60 A. D. in the Roman prison he calls himself "Paul the aged" (Phil. 3:9). This distinction would hardly be appropriate for a man under sixty.

2. Place of (v. 39). Tarsus, the capital of the Province of Cilicia. Representative business men came here from all parts of the world. It was a self-governing city which made citizenship therein honorable. Besides, it was one of the three great educational centers of the Roman empire. God's providence ordered that the apostle to the Gentiles should be born in a city where he would encounter men of every class and nation, making him broad in his sympathy and tolerant in his dealings with others.

11. Saul's Home Training (Deut. 6:4-9; cf. 11 Tim. 3:14, 15).

He was brought up in a pious home (Phil. 3:5). In the passages cited above is given the responsibility of a Jew in the training of his children.

1. Central truths to be taught (vv. 4, 5). (1) Unity of God. "The Lord our God is one Lord." This was a testimony against the polytheism existing among the Gentiles of that day. He is God alone, therefore to worship another is sin. The word translated "God" is plural in form, giving room for the doctrine of the Trinity—Father, Son and Holy Spirit. The great need of the world is a recognition of the fundamental doctrine of the unity and trinity of the Godhead. There can be no established order until God is given his rightful place; neither can there be any moral health. (2) Man's supreme obligation (v. 5). God should be loved with all the heart, soul and might, because He is God alone and supreme. This being the first and great commandment, we know what is man's supreme duty.

2. How these truths are to be kept alive (vv. 6-9). The place for God's Word is in the heart. In order that it may be in the heart (1) "teach it diligently to thy children" (v. 7). The most important part of a child's education is that given by parents in the Word of God. (2) Talk of them in the home (v. 7). How blessed is that home where God's Word is the topic of conversation. (3) Talk of them when retiring for the night (v. 7). The last thing upon which the mind should rest before going to sleep should be God and His truth. (5) Talk of them when rising in the morning (v. 7). How fitting that God should speak to us the first thing when we awake! (6) Bind them upon thine hand (v. 8). This was literally done by the Jews, even to the wearing of little boxes between their eyes. (7) Write them upon the posts of the houses and on the gates (v. 9).

Doubtless Timothy's home training was similar to Saul's (11 Tim. 3:14, 15). From a child Timothy was taught the Holy Scriptures (11 Tim. 1:5). This was done in the home by his mother.

111. Saul's Education (Acts 22:3).

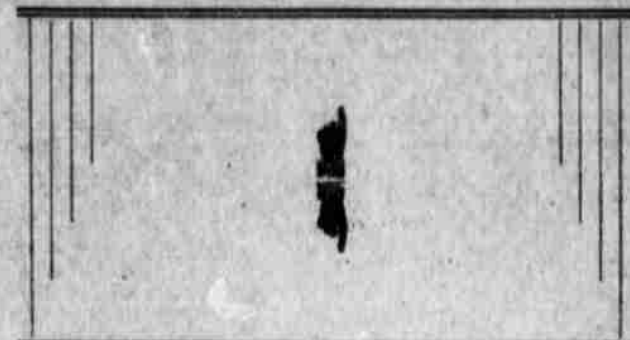

1. In college at Jerusalem. A Jewish child became a child of the law at the age of thirteen. Most likely at this age he went to Jerusalem to enter upon his course of study. Here he sat at the feet of Gamaliel, one of the most eminent teachers that ever blessed Israel. The course of study here was restricted to the Holy Scriptures.

2. A trade at Tarsus. Perhaps after finishing his college course at Jerusalem he returned to Tarsus and learned a trade. One rabbi said, "He that teacheth not his son a trade doeth the same as if he had taught him to steal." The trade he learned was tent making. This came in very good in his later life, enabling him to support himself while preaching the gospel.

A Handful With Quietness. Better is a handful with quietness, than both the hands full with travail and vexation of spirit.—Ecclesiastes 4:6.

Meet Each Other. Who can measure the difference between the great sun and that little blade of grass? Yet the grass has all the sun it can need or hold. In waiting on God His greatness and your littleness suit and meet each other most wonderfully.—Rev. Andrew Murray.

Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—

"A SLUMBER PARTY"

That is what they called it out a "slumberless party" would be the better name for the gathering at the Chris Walter home last Saturday night. The entertainment was planned for a few of the many friends of Miss Mildred Walter and was very successful from every standpoint, the neighbors enjoying the fun as much as the girls participating. The girls remained at the hospitable home until after breakfast Sunday morning when they left for the different Sunday schools, none the worse for their night of play. Those present were Misses Lucile Johnston, Vera Margery Nornhauser, Lily Mae Nelson, Laura Breeding, Durrant Grogan, Pauline Johnson, Vera Vest and Mildred and Alice Walter.

The body of Clarence Keppie, of Artesia, who died in the service overseas, was brought to that city yesterday and today will be laid to rest in beautiful Rose Lawn Cemetery. A firing squad from Bryan Mudgett Post of Carlsbad went up to Artesia today to attend the burial of this soldier known to many of us and whose name will never be forgotten in the history of those who made the supreme sacrifice in the World War.

Mr. and Mrs. Bill Lusk entertained twenty couples with a delightfully informal dance at their ranch home last Friday night. The heavy rain which came up at dusk, prevented many others from going. Those who did go report a most enjoyable time. Among the numbers of the evening was an old fashioned square dance. Mr. Nib Jones and Mrs. Lusk leading. Refreshments were served at midnight.—Lovington Leader.

Mrs. A. Moore reporter for the Carlsbad Current, was a pleasant visitor to the Enterprise office Saturday. She had been on a visit to friends in Dallas and was on her way home. Mrs. Moore is a very interesting lady and a splendid newspaper woman.—Pecos Enterprise.

Miss Ida Breeding has returned to her home in Carlsbad, N. M., after a few days visit with her sister, Mrs. W. W. Dean. Miss Breeding was enroute home from El Paso where she had been teaching the past year.—Pecos Enterprise.

Mrs. Addie Wilkinson has taken over the dining room at the Crawford Hotel assuming charge today. Mrs. Wilkinson is an experienced hotel woman and will keep the dining room up to its present high standard—its cuisine being regarded as one of the best in this section of the country.

MARRIED AT HOPE.

On June fifteenth, 1921 at four o'clock at the home of the bride's parents, Mr. and Mrs. C. W. Scott, of Hope, N. M., Miss Bess L. Scott and Will E. Scoggin were joined in marriage. Rev. W. C. Saggart, pastor of the first Baptist church officiating.

Promptly at four o'clock the bride and groom took their places under an arch of vines and flowers and Rev. Saggart said the simple words that made them man and wife.

The bride was dressed in white georgette, carrying white carnations, her only ornament being a string of pearls—a gift of the groom. The groom wore the conventional black. Only immediate members of the two families were present with the exception of Mrs. W. C. Saggart and Hanson Fite.

Following the ceremony a reception was given on Wednesday evening at home of the groom's parents, where some fifty young people of Hope met to congratulate the happy couple.

After an enjoyable evening they were served with punch and angel food cake.

The young people are now at home to their friends a couple of miles south of Hope.

Miss Rule, one of the very successful teachers in Carlsbad Grammar school last year where she taught the sixth grade, will not teach the coming year, but will enter the Texas University at Austin, and continue her work begun in a State institution in Colorado, where she already had one year's instruction in journalism. Miss Rule has many of the qualifications and characteristics that make the successful newspaper woman and we are certain she will make a success in her chosen field of labor.

Grandma Green was taken to Eddy County Hospital Tuesday morning, she suffering from a return of her old ailment and her physician advising that she go where she can receive better care than is possible at her home.

WEEKLY REPORT ON CROP CONDITIONS IN NEW MEXICO

Santa Fe, June 25.—Crops, range and livestock are growing and improving rapidly as a result of the exceptionally favorable weather that is following the recent heavy rains. It is shown in the bulletin issued by the federal weather bureau for the week ending Tuesday. The report says:

"The week was mostly dry, moderate and highly favorable. Heavy downpours occurred at the close of the prior week in northwest counties and light showers at the close of this week in east and northeast counties. The range has responded wonderfully and is now good to excellent in north and northeast districts, rapidly becoming good in the southwest lowlands, where stock are still struggling. A little late planting of beans and fodder crops is still being done, but mostly cultivation is under way, with corn, cotton, beans and the sorghums making excellent growth. The harvest of winter wheat and oats is also under way in south and southeast districts, and rapidly nearing in northeast, with fair to good yields, wheat making a remarkable recovery. The second cutting of alfalfa continues in southern valleys and the first in north. Early summer apples are coming to market in southern valleys and late crop developing rapidly."

Colonel Boniface inspected the local troop of Cavalry last week and gave the troop some fine commendations. Their equipment and the personnel of the troop were said by the Colonel to be among the best in the state—indeed he made some comparisons which were quite flattering to the home men. He left for Roswell at the conclusion of his inspection, at which place he mustered in the recently organized battery, and afterward returned to his headquarters at Santa Fe.

Mrs. Mary Boatright and daughter, Willie, returned Saturday night from a visit to El Paso.

DR. ROBERTS TO LAUNCH EL PASO JUNIOR COLLEGE

Dr. Frank H. H. Roberts, for eleven years president of the New Mexico Normal University at El Paso was in Albuquerque last evening on his way home to El Paso, where he has been elected president of a new junior college to be affiliated with the state university of Texas though supported by the citizens of the El Paso High School.

Dr. Roberts was recently invited to El Paso by the board of education there. He was asked to present his views on a teachers college and outlined to the board members the opportunity for launching a junior college in connection with the school system, which would eventually become a teachers training college.

The former head of the normal university will have charge of the training school, the high school and the junior college. He was offered a contract for two years at an attractive salary. At noon yesterday he wired the El Paso authorities

that he would accept.

Dr. Roberts is going to El Paso at once in order that he may select his faculty. He will have about seventy-five teachers under his jurisdiction.

A professional change of extreme interest is found in the announcement of the formation of a partnership between Dr. T. J. Pearson and Dr. G. S. Westfall, dentists, and the opening of an auxiliary office by the firm at Carlsbad, of which Dr. Pearson will have charge for the present. Dr. Pearson and Dr. Westfall were warm friends in the army during the world war, and there was formed the plan for a future partnership. Dr. Westfall was dentist for the Tyrone Copper company, and the recent shutting down of that great plant made possible the arrangement that had been planned while in the service. The firm will retain the present offices in the First National Bank Building which are among the best equipped in the state.—Roswell News.

Mrs. E. Brown, a newspaper woman and a member of the Federation of Newspaper women of the United States, who has been in Carlsbad for a couple of weeks gathering data for a history of the county, left Tuesday morning for El Paso.

Miss Dorothy Swigart returned to her home in this city, from the east, Saturday night, taking her people by surprise, as they had not expected her until the middle of the week. Miss Dorothy visited at Akron, Ohio, Chicago and Kansas City, on her way home. She has been in attendance at college in Oberlin, Ohio, since last fall.

Mr. and Mrs. John Cantrell were in the first of the week from their ranch at McKittick, on one of their very infrequent trips to town. Mrs. Cantrell tells us that their parrot, "Jack" has reached the age of twenty-one years and is still hale and hearty.

Many private picnics have been planned for the Fourth of July, the different parties expecting to go mostly to Blue Springs ranch or down on the river where there is plenty of shade and planning to spend the glorious Fourth in approved picnic style.

P. Etcheverry, the mountain sheepman, was in town the first of the week coming from his ranch for a load of ranch supplies.

J. F. Allison, a former resident and business man of this city, but lately residing in Artesia, spent Sunday in Carlsbad.

Miss Vera Vest, who taught a very successful term of school at Queen last winter, left for Silver City, Tuesday of this week expecting to take work at the State Normal during the remainder of the summer.

Miss Ida Breeding, one of Carlsbad's most successful teachers came in from El Paso, where she taught in the public schools for some years, and will spend her vacation at the home of her parents and sisters in this city.

Reports from Blue Springs and from the Albert Johnson ranch, on Black river, tell of the destruction caused by the storm in that locality last Friday. Numbers of fine large trees were blown down and in some instances uprooted, the wind there being much stronger than in Carlsbad.

Judge S. I. Roberts left on a business trip to Clovis, Wednesday night.

William Leck and wife, and Henry Collins and wife, went out to the Barber place where the cattle were herded for the night, Monday. Leck Brothers bought 200 yearling heifers from George Williams which the men employed on the Leck ranch drove to the ranch on their return Wednesday.

Melvin Bearup and his neighbor, Jeff Banner, were in from their respective ranches in the Dog Canyon country, Tuesday. Bearup came in for a load of ranch supplies, and some dip for his flock. He manages to dip his goats twice a year and says that he is more than paid for his extra work by the health of his flock. He is planning all the time to improve his animals and now has a fine flock, of which he is justly proud.

What proved to be a false alarm of fire was turned in from North Halaguano street Monday morning. It seems that the Mexican woman who was washing for the family of F. E. Little, became alarmed at the antics of a coal oil stove and promptly informed a neighbor, Mrs. Minter, that the house was on fire. That lady immediately turned in an alarm and the fire company made a record run to the scene of the supposed conflagration, only to find that the fire had been extinguished by turning down the wick of the stove. However, it served the purpose of showing the residents of that neighborhood what might be expected in a "sure enough" fire. In an incredibly short time the fire ladders were on hand ready to do their work.

Messrs Walter Craft, Leon Mudgett, Roy Waller and Allen Stewart, who made a trip to the Texas oil fields last week, returned Friday morning. They report everything closing down in the oil region around Breckenridge, Mexico and other well known oil centers, owing to the low price of that commodity.

A number of young society people chaperoned by Mrs. Coley Jones, enjoyed themselves Sunday afternoon with a swimming party at the dam east of the river. A picnic supper was also a pleasant event of the afternoon.

The children attending the Mexican Mission will be given a treat tomorrow by their teachers, Mesdames Hemenway and Mercer and Miss Ida Hiseck. Ice cream has been provided in abundance for this purpose and other good things which will have a tendency to make the Fourth of July 1921 memorable in their lives, and make them better Americans.

Mrs. Thayer, Collin Gerrella, wife and baby came in from the Thayer ranch Sunday evening. They remained in town until Tuesday when they returned, accompanied by Mrs. Ralph Thayer and children, who have been in town for the past fortnight.

Walter Glover, wife and daughter, left for their home southwest of town some sixty miles Tuesday. We are glad to state that under the very efficient treatment received while in town, Mr. Glover had almost entirely recovered at the time they left.

Mr. and Mrs. John Snow are rejoicing over the coming of their first born, a son, at their home in Denver, the happy event occurring the 20th instant. Mrs. Snow will be better remembered here as Miss Helen Wallace, youngest daughter of Mr. and Mrs. J. E. Wallace, of this city.

Judge D. G. Grantham was able to be down town Saturday for the first time since his recent sudden illness. Hopes are entertained that he will soon recover his wonted health.

THE METHODIST CHURCH.

Sunday School opens at nine forty-five. Sacrament of the Lord's Supper will be administered in connection with the morning worship. On account of the Community Patriotic Meeting at the Aldome there will be no evening service. A general invitation to all persons not worshipping at other churches and to strangers and visitors in Carlsbad.

GEORGE H. GIVAN,
Pastor.

Old Folks Day was briefly observed at the close of the Sunday School at the Methodist church Sunday morning. The elderly members of the school were seated in a body in seats reserved for them and talks were made by a number of them, relative to the benefits received from their attendance at Sunday School. Old hymns were sung and a beautiful solo by Miss Mildred Walter, which was most appropriate to the occasion—"Abide With Me." Miss Alice Walter accompanied her sister on the piano.

Mrs. John Zimmerman was severely scalded Monday morning when she in some manner dropped a kettle of boiling water, which she was carrying. The scald was from her knee to the end of her toes and a physician had to be called to dress the injury and give other relief.

Junius Tulk came in from the ranch east of Roswell the first of the week and spent a couple of days on business in this city.

Mr. and Mrs. Claude Farris and Mr. and Mrs. Archie Nelson returned Sunday from their vacation trip to El Paso. They went through the Indian reservation and visited various points of interest such as the Elephant Butte dam. Returning they visited Alamogordo and found the roads everywhere in good condition. In fact one of the party told us that the streets of Carlsbad were about the roughest they had encountered.

Leslie Ward, among those who have made application for admittance to the Citizens Training Camp to be held in the Eighth Corps Area, has received notice that his application will be acted upon at once.

Mrs. Martha Ward-Livingston is spending a part of the heated term in Mineral Wells where she has made many friends on the occasion of former visits.

A letter from Mr. Andrix, the postoffice inspector, who has been at Carlsbad for the past few days on matters pertaining to the Frank Laney case, states that Laney did not find the letters that he had on him when arrested a few days ago, as he said he did but had taken them from the lock box of Mr. Jones at Carlsbad after having broken the glass in the front of the box. Laney will be held here until Andrix returns next Thursday to file a complaint with the United States Commissioner. —Roswell News.

The body of Abner Kuykendall, whose parents were among the old-time settlers of Rocky Arroyo, and who resided there until the war when he enlisted and was sent overseas, was among many others that were returned for burial recently. The interment took place at Skull Valley, Arizona, where the family resides since leaving this county. A memorial tree in the City Cemetery of Carlsbad bears his name.

Postoffice Inspector J. C. Andrix picked up a man in Roswell Friday of last week with his pockets full of letters taken from the unlocked boxes of the Carlsbad postoffice. This should be a lesson to owners of boxes to keep them locked.

Miss Catherine Chilcoat left Wednesday night on a trip to Kansas City, Missouri.

MARRIED.

George M. Pendleton, for many years a resident of this county and a well known cattleman in the old days, surprised his friends here by his marriage on Monday night, in the office of the clerk of the court, of Eddy County.

The bride is from Hito, Texas, near where she has a farm and other property, and was a Mrs. M. K. Pendleton, widow of a cousin of Mr. Pendleton. They had been school mates together many years ago but had not met for forty years until the last month. The lady came in on the evening train Monday night, from her Texas home and Judge Richards united them in the bonds of matrimony, the only witnesses, being the two daughters of Mr. Pendleton, Mesdames Less Bates and Ben J. Williams.

The newly weds will reside on the Colonel Williams ranch near Artesia for which place they left later in the week.

The bridegroom has a host of friends here where he has lived so long and all will join the Current in wishing for Mr. and Mrs. George Pendleton a happy married life together.

Mr. and Mrs. Ernest Scoggin of Hope are in the city, Mrs. Scoggin being a granddaughter of the late Mrs. Barbara Ramuz and coming to be in attendance at the funeral.

SCOUT NEWS.

An effort is being made to build a permanent Scout home. Troop 1 is taking advantage of every opportunity to make money and get the matter started. Can they succeed in their efforts? The answer is "Yes" with forty-seven hustling scouts, anything can be accomplished. All scouts are requested to be in attendance at the patriotic meetings Sunday.

The troop was well represented at the Chamber of Commerce luncheon given last week and the scouts are being greatly benefited by these meetings, getting a full insight into the business life of the community and developing into thorough business men.

Some boys, not scouts, threw cushions at the Airdome one night this week and struck a lady and gentleman. Now if some fond parents do not want their lovely son made an example of, it is time they were doing some home training. Several scouts and men have been put on guard at the Airdome and if this happens again something else is surely going to happen. Mr. Linn has granted the scouts the privilege of selling cushions there and Mr. Linn's business is surely going to be protected.

Scout supper scheduled for July 4th will be given opposite the Armory on account of the central location.

was a Vestryman of the Episcopal Church. He was a "twiceer" that is he attended services twice on Sunday.

How about it men? The Rev. F. A. Thorold Eller hopes that all the men of Grace Church and any others who are interested will be present at a special Patriotic Service to be held on Sunday July 3rd at 11 a. m., when we shall be thinking of the "Father of his Country." There will be special music by the Grace Church Choir.

The Orchestra of the Woodmen of the World will render selections during the service.

Sermon topic "Some Good Things the War brought About."

Members of Troop B, New Mexico Cavalry will attend.

Jesse Lockhart, of this city, who filed application for attendance at the Citizens' Military Training Camp to be held in the Eighth Corps Area this summer, has been notified by the Commanding General at Fort Sam Houston that his application has been received and will be given due consideration. He states that he will know by about July 1st whether or not he has been accepted for the Government's one month's free outdoor vacation.

These camps are for the purpose of partially training the young men of this country in military drill and outdoor life. All classes of young men will be mingled together in the camps which will bring about a closer social and national unity and promote the spirit of American citizenship. Attendance is purely voluntary and does not in any way obligate any one attending.

Mr. and Mrs. Al G. Rushing and little son, of Pearl, New Mexico, were business visitors to the city yesterday.

The Thayer interests have been busy for several days branding out their calves at the various ranches, and will finish at the Ralph Thayer place this week. Prospects for fruit, especially late apples, are good at the ranch and unless something unforeseen occurs a large crop is looked for. A destructive hailstorm a month ago damaged fruit somewhat and in the vicinity of Red Lake made things look something like winter. At the ranch house the hall was so heavy that Mrs. Thayer had to have the roof of her sleeping porch repaired.

Invitations are out for a party at the home of Mr. and Mrs. Sam Batton tonight. Twelve couples of young people are invited and are anticipating a fine time. The affair is given in honor of Miss Valentine, a relative who is visiting in Carlsbad.

Dave McCollum of the mountains west is in town this week on business.

Edwin Stephenson left Wednesday night for a summer visit to the home of a niece, whom he has never seen and who resides at Toronto, Canada. He is undecided as to the length of his stay but will return by early fall at the latest.

WEEKLY NEWS LETTER.

Washington, D. C., June 30.—The Dove of Peace with a broken wing is fluttering painfully between the republican senate and the republican house, both of which seem determined to display their surgical activities in a way to further mutilate the innocent victim.

As predicted in this correspondence the Knox Resolution repealing the declaration of war was killed in the house. A resolution by chairman Porter of the house committee on foreign affairs declaring the state of war with Germany at an end and claiming protection of our rights under the Versailles Treaty, was substituted under a special gag rule barring amendment.

The spirited fight made against the gag rule by Democratic members led by congressman Flood (Va.) Cochran, (N.Y.), and Linthicum (Md.), and democratic opposition to the resolution itself led by congressman Flood, Garret, (Tenn.), not only exposed the futility of this unconstitutional method of attempting to make peace and to enter into contractual relations by an act of Congress with another government, but also showed that it imperiled the property rights of this government growing out of the war and was a blow to American honor, prestige, and statesmanship, as Mr. Flood declared.

Congressman Flood declared that it was an invasion of the treaty-making power vested by the Constitution in the President by and with the advice of the Senate. This constitutional executive prerogative is one of which Mr. Harding is becoming more and more jealous.

Mr. Garret in a masterly speech declared: "The passage of this resolution throws away every moral and physical advantage which we now possess; it places us alone among nations with all our vital in-

terests exposed to the constant menace of a selfish and irritated world." Whether or not the Knox Resolution passed by the Senate and the Porter resolution passed by the house will result in a deadlock or whether the republicans will get together on an equally impotent resolution in an attempt to make good Mr. Harding's election promise for a declaration of peace remain to be seen.

In the meantime it has been made clear that neither the Knox nor Porter resolution will make peace which can only be done through a treaty negotiated by the Executive and ratified by the Senate.

Both the Knox and Porter resolutions are regarded merely as arrows shot into the air to divert the attention of the public from the fact that despite the passage of either or a substitute resolution, this country is exactly in the same position with respect to peace it was the day following the armistice.

In his speech opposing the Porter Peace Resolution Mr. Harkley (Dem. Ky.) after quoting President Harding, Secretaries Hughes and Hoover, Senator Lodge and ambassador Harvey and calling attention to the conflict of opinion among them won general applause when he said:

"Who speaks for this administration? Is it President Harding? Is it Hughes? Is it Hoover? Is it Lodge? Is it Knox? Is it Porter? Is it Harvey? The American people are disposed to be patient and long-suffering but they would like to hear some responsible voice on this great subject. It has been six months since the election and more than three since the 4th of March. If it is proposed to ratify the Versailles treaty why has it not been resubmitted to the senate? If it is proposed to negotiate a new and separate treaty with Germany, why has it not been

sent? The American people want peace. We all want friendly relations with Germany. But the American people want an honorable and upright peace, a peace which our fighting men won on land and sea, a peace that will restore our beloved nation to its proper place in the vanguard of nations, a peace which will leave no stain of cowardice or betrayal upon our fair escutcheon."

If the senate and house agree upon a declaration of a technical state of peace, the next step will be for President Harding to begin negotiations for a treaty of peace. The two methods by which he can do this are now being discussed here. He can through commissioners figuratively take his hat in his hand and say to Germany: "As a victorious nation in the late war I come to you, the vanquished nation, to sue for peace," but, according to senator Lodge, "no American President would do such a thing nor would any American wish him to." On January 24, 1899, when it looked as if the treaty of peace with Spain might be rejected by the senate on account of the acquisition of the Philippines, senator Lodge said:

"The President cannot be sent back across the Atlantic in the person of his commissioners, hat in hand, to say to Spain with bated breath, 'I am here in obedience to the mandate of a minority of one-third of the senate to tell you that we have been too victorious and that you have yielded us too much, and that I am very sorry that I took the Philippines from you.' I do not think any American President would do that or that any American would wish him to."

The other method of negotiating a peace treaty under discussion would be for the President to "engage under the existing treaty," as he himself expressed it, which is the treaty of Versailles, negotiated by President Wilson. By this method he would ignore Germany altogether and deal direct with the Allies. According to that well-informed correspondent, David Lawrence, this is the course likely to be followed.

Germany, of course, hopes for and expects a separate peace treaty, but Mr. Lawrence points out that "if America made a separate treaty and disassociated herself from the Allies, she would no longer have a valid claim to membership in the Supreme Council"—the superstate which now rules Europe and in which ambassador Harvey officially represents President Harding.

Mr. Lawrence adds: "The practical problem of making the Versailles treaty effective as between the United States and Germany is one on which Secretary Hughes has been working for some time."

Senator Pat Harrison, the dynamic and eloquent young orator and statesman from Mississippi, sees no justice in the recall of Admiral Sims for his alleged slander of a part of the American people unless Ambassador Harvey, whom he accuses of slandering all the people as well as the government, is also recalled. He has introduced a resolution requesting the President to report whether he (Mr. Harding) was consulted or knew of the speech before it was made; whether he or the Secretary of State have protested or reprimanded Harvey; whether there is much reason and justification for the reprimand or recall of the ambassador as there is for the Admiral; whether the order recalling Admiral Sims was issued at the direction or with the approval of the President and why a similar order was not issued against Ambassador Harvey; whether the President or Secretary Hughes has received any communication from the ambassador in reply to any protest, and, if so, to transmit the same to the senate. The resolution on objection from Senator Curtis (Kan.) the republican whip, went over under the rules.

Senator Harrison paid tribute to General Pershing, the men of the American army and navy, naming Sergeant Alvin York, Col. Whittlesey, and Quentin Roosevelt for their special acts of heroism, and said:

This statement of ambassador Harvey is an insult to every soldier and sailor and marine who helped to win this war. There is not a mother's son of them who was prompted by the thought that they were afraid not to fight when he went into this war and blazoned in letters of gold glory for the Stars and Stripes. There was not a mother in this land nor a woman who went across or stayed here and contributed her mite to win it and sustain the boys, who thought it was a war that was being fought because 'we were afraid not to fight.' There is not a man in this country, I do not care how poor and humble he may be, who bought a Liberty bond or did the minutest thing, to win the war, who believed that we were fighting simply because 'we were afraid not to fight.'

Senator Harrison expressed the opinion that Admiral Sims should be dismissed.

In advocating ambassador Harvey's recall Senator Harrison quoted from a speech made by Mr. Harvey in 1904, previously quoted in the house by representative Stevenson (Dem.) of South Carolina, in which Mr. Harvey with the alleged purpose of currying favor with his southern audience said that his two grandfa-

thers, his own father, and nine uncles all northern men, had refused to fight against the south; that eleven of them hired substitutes and one uncle went to jail rather than do that.

The republican ways and means committee is having serious trouble with its high tariff program and chairman Fordney was charged by a middle western group with proposing to build a non-sealable tariff wall around the United States. The entire Minnesota delegation solidly republican, has voted to oppose a tariff on lumber and claims to represent the entire middle west and the so-called agricultural block.

Five western legislatures, Minnesota, Michigan, Wisconsin, Kansas and Colorado, have all protested a tariff on lumber. The lumber interests in general are not demanding protection. The eastern manufacturers take the view that a high tariff cripples the buying power of foreign customers and it is understood that the large banking interests have no sympathy with the high protective policy on account of international trade conditions. The members of the committee refused to accept the wool schedule as written by a couple of woolen manufacturers and presented by chairman Fordney.

The tariff is the only definite poli-

cy the republican administration has advanced so far, but, as Mr. Harding remarks, "Government is a very simple thing after all."

It's peculiar how proud a man is of himself and how he pats himself on the back for having a little backbone after the fear that some of his

friends will jump all over him for daring to assert himself has proven groundless.

Folks who don't go to church because the pews are too narrow can't have their brains where they sit down, or they wouldn't be inconvenienced by narrow pews.

Mr. and Mrs. W. H. Lackey came up from their home at Carlsbad this morning to spend several days here visiting friends.—Friday Roswell Record.

DEATH OF AN AGED MOTHER AND OLD CITIZEN OF

At two o'clock Monday morning occurred the death of Mrs. Barbara Ramus, who has been a resident of Carlsbad continuously since 1892. The death occurred at the home of her son and his wife, Mr. and Mrs. Albert Ramus, where she made her home and was very unexpected. Mrs. Ramus had been a sufferer from asthma for many years but was in her usual health and was around the house as usual the day previous to her demise. Her son and daughter-in-law were awakened by her peculiar breathing and on entering her room found her seated on the bed gasping for breath, but fully conscious and able to talk, although in a few moments she expired before the physician who had been hastily summoned arrived.

Mrs. Barbara Ramus was born in Switzerland March 3, 1851. She came with her family to this country arriving November 10, 1892. She was the mother of ten children, eight of whom survive her. They are Albert, of this city; Philip of Dayton, New Mexico; Mrs. Paul DeWitt, of Loving; Paul and Fernand of Thrift, Texas; Mrs. Laura Sanders, Mrs. Marie Fleming, and Willie Ramus, who reside at Monrovia, California. Her husband also is living in California. Two sons, John and Sam, died in the same year, about thirteen years ago.

John died of typhoid fever and Sam was killed in a runaway.

The funeral was held on Thursday and was attended by many of the old timers whose ranks are, alas! becoming very thin as one by one we are falling away.

The funeral services were conducted by Reverend Mahan, of the Baptist church, most of her children belonging to that denomination. Her inability to readily understand English prevented Mrs. Ramus from attending public worship, as French was her native tongue and was always spoken in the family.

The remains were laid to rest in the City Cemetery, far from her childhood home but here where rests the bodies of her two sons and where her grave will be tenderly cared for, she rests safe and secure from life's woes, leaving the memory of a long and well spent life as a heritage to her children.

Mrs. Ramus is spoken of by those who knew her best as a devoted mother, energetic and unselfish, although of late years she had been unable to be about as formerly because of her age and infirmities pertaining thereto.

The pall bearers were: Messrs. Chitcoat, Arthur Forehand, Robt. Hamblen, Charles Raley, Archie Nelson and George Beckett.

CARD OF THANKS
The children and other relatives of the late Mrs. Barbara Ramus wish to thank their friends for the many acts of kindness extended to them at the death of their mother, man's best friend, and will hold themselves in readiness to repay the kind deeds in any way possible.

Wilson Jones returned from Roswell Tuesday night but will return to that city July 4th and take a position with an electrical company and will likely remain there permanently.

Mrs. Belle DeAutremont, of Lakewood, was a business visitor to the county seat this week Wednesday.

Messrs. L. G. and F. H. Ryan left Wednesday night for Albuquerque, on a business errand, expecting to be gone until the last of the week. They made the trip overland.

Mrs. Annie Moore and little daughter Louise, left this week for the ranch home of Mrs. Bill Lusk, where Mrs. Moore will spend her annual vacation.

Tom Gray came in Wednesday morning from his ranch southwest transacted business in the city and left the next day on the return trip.

Mrs. Gib Cowden came to the city Tuesday night from her home at Midland, Texas, and went on out to the home of her parents, Mr. and Mrs. Tom Gray, where she will spend some weeks. Her little son accompanied her.

Claude Sikes, the insurance man, left Tuesday night for Clovis and other points north, where he will spend a short time looking after business.

Mrs. Patton, daughter of Mrs. J. Floyd Hart, came in from Kansas City, Wednesday afternoon and will probably remain at Dark Canyon Wells until the first of September.

Bernie Wright is in Carlsbad this week from his home in the mountains west of town.

Allen Stewart was appointed by the mayor as city marshal to fill the unexpired term of Tom Wood, resigned. Stewart will begin his work today. The appointment gives general satisfaction and the appointee can be depended upon to look after the affairs of his office in a capable manner. He is accustomed to such work and may be depended on.

Visitors to the city from Hobbs this morning are Mrs. Will Dunham, Tom Dunham and wife, Ben Thorpe, and Miss Thorpe. They are relatives of V. Thorpe who has been so seriously ill at Eddy County hospital out who is better this morning.

The amount raised for the Salvation Army in the recent drive put on by Baron Auriemma was \$228.00. Carlsbad's quota was set at \$450.00, but for obvious reasons the full amount could not be raised.

Mr. and Mrs. Floyd Cauley came to town from the James ranch and are stopping with Mrs. Higgins. Mr. Cauley was quite seriously injured while breaking a horse and is under the care of a physician at this time.

Mr. and Mrs. Albert Ares and son, Paul, are in town this week coming from their home on the ranch in the mountains, Wednesday.
