bill. The price as always is net to him.

We are selling recleaned split beans at \$1.00 per hundred. We suggest that you buy a sack or two and try them for hog or cow feed. Don't confuse these with the ordinary splits bought at other elevators, as they have been recleaned and are absolutely free from adobe.

When prices were on the climb a weak Insurance Company could make money or at least manage to keep above water.

Now that prices are declining only the strong Fire Insurance Companies are equal to the demand. The last few weeks saw a number of Mutual and poorly managed companies go under. You can not afford to risk any but the Best.

CARDUI HELPED REGAIN STRENGTH Alabama Lady Was Sick For Three

Years, Suffering Pain, Nervous and Depressed-Read Her **Own Story of Recovery.**

Paint Rock, Ala .-- Mrs. C. M. Stegall, of near here, recently related the foliowing interesting account of her resovery: "I was in a weakened conlition. I was sick three years in bed. suffering a great deal of pain, weak, nervous, depressed. I was so weak, couldn't walk across the floor; just I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of floctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I belleve if I hadn't heard of and taken Cardul I would have died. I hought six bottles, after a neighbor told me what it did for her.

"I began to est and sleep, began to gain my strength and am now well and strong. I haven't had any trou-ble since ... I sure can testify to the good that Cardul did me. I don't think there is a better tonic made and I believe it saved my life."
