TWENTY-NINTH YEAR.

CARLSBAD, NEW MEXICO, FRIDAY, OCTOBER 7, 1921.

NUMBER 44.

REPORT OF GRAND JURY.

EDDY COUNTY, NEW MEXICO, OCTOBER 1921 TERM.

To the Honorable Charles R. Brice, Judge of the District Court within and for the Fifth Judicial District of the State of New Mexico:

We, the Grand Jury, within and for said county of Eddy, at the October 1921 term of said court, reporting here with, beg leave to submit the following:

In our investigations we have examined 47 witnesses; we have returned 10 true bills and have returned 9 no bills.

Acting through and by our committee, we have examined the various county offices and the condition thereof. Further, we have examined the various county offices relative to the needs and conduct of their respective offices, and we report as follows:

We found all the county offices being conducted in a neat, orderly and efficient manner.

We recommend that the walls of the cells in the jail be painted. We find that the county treasurer's office and the office of the county assessor could be conducted more efficiently with additional convenient storage space. We further recommend that the space between the two offices not at present used, be put in shape for a storage room for the benefit of the joint offices of county treasurer and county assessor.

The County Superintendent of Schools appeared before us and stated that there were no violations of the school laws that would warrant action by the Grand Jury.

We wish to thank the various county officers, the court, the District Attorney and his efficient assistant, the Sheriff's office and our bailiffs for their courteous treatment during our work. Thus finishing our labors, we respectfully ask to be discharged.

Dated this October 5th, 1921.

(Signed) A. G. SHELLEY, Foreman.

OCTOBER TERM OF DISTRICT COURT.

The October term of District court for the Fifth Judicial District was convened Monday, with Judge C. K. Brice presiding. Dillard Wyatt, prosecuting attorney; Fred E. Wilson, assistant prosecuting attorney; D. Jackson, clerk; Miss Marie Baldy, stenographer for the grand jury; R. B. Armstrong and Tom Wood, bailiffs for the grand jury; Dave Calderon, court interpreter. A number of civil cases have been disposed of during the week.

Ten true bills were brought in by the grand jury Wednesday and Thursday evening all the papers had been served and each person indicted either in jail or out on bond. Some quick work on the part of Sheriff Batton.

Monday morning the selection of a jury for the criminal cases will begin.

The following true bills have been returned:

State vs. William A. Murrah, murder.

State vs. Benancio Munoz, attempted arson.

State vs. Jose Ramirez, assault with intent to murder and assault with deadly weapon.

State vs. Henry Hamilton, assault with deadly weapon.

State vs. Santiago Munoz, Benancio Munoz, and Audon Romero, assault with deadly weapon and assault with intent to murder.

State vs. Oliver L. Rosson, forgery and uttering forged instrument. Two indictments.

THE TONGUE.

It is the tongue that causes the evils that exist in the world; it is the tongue that sets nations at war; it is the tongue that causes broils in the domestic circle; it is the tongue that causes the fire of animosity and ill-will to burn in our minds. If we can succeed in governing the tongue according to the mind and will of God, we have got peace in our families, peace in our neighborhoods, peace in our community, and what is more than all, we have peace with our God.—Orson Hyde.

INTERVIEW WITH MAJOR BUJAC

Major E. P. Bujac was consulted as to the personal results to be expected from the visit of the so-called "Clean-Up Squad", composed of Dr. L. B. Cohenour and Messrs. Edward McLean, G. L. Haverson, and Lena Burr, who were accompanied by Mrs. Smith as interpreter, who is a native of the Philippine Islands. Everybody knows the Major is always ardent for the interest of the ex-service men and especially the disabled veterans. Everybody knows he gives unstintingly of his time notwithstanding he himself is sick, but his office is always open to render any assistance that can be accorded one of the Nation's heroes.

The Major said that he believed in giving everybody the benefit of the doubt, but the "Clean-Up Squad" examined 48 men as to their claims, and their rights to a claim against the Government at all, so far as the same was attributed to the service primarily, or aggravated by the service; and, he asserts, it is out of the question absolutely to think that such infirmities as are now being suffered by Johnny Boeglin, Juan Minjares, Henry C. Haines, Carlo Marani, and a great many others could have been gone into in the few hours the said "Clean-Up Squad" was here. Their examinations and inquiries were extremely superficial, and no doubt many a deserving boy will be denied his rights and refused his claim because the "Clean-Up Squad" was in such a rush and yet attempted to finally pass upon the claims of these soldiers, who have as their watch-word "For God and Country".

The Major said it was pathetic and lamentable that a "Clean-Up Squad" should have to be sent into a community to pass upon the justice of a claim, when there are competent and capable men and women in every community that can investigate and pass upon these matters and give the same all the time and consideration necessary. He does not believe any relief will be obtained and believes much harm and injustice will result from the recent casual and incomplete investigations. Men were invited to present their claims and in many instances they were turned away with a WAIVE OF THE HAND after they came. It was mighty different in 1917 and 1918 when the star shells were bursting in "No Man's Land", and the foundation of earth trembled at the rattle and roar of the cannons of the Central Empires. So let us we forget, now is the time to show our love of country by doing justice to these disabled veterans and heroes, and it is the Major's opinion that before relief can be had for several of our injured local men the matter will have to be taken up with Senator Bursum and Senator Jones. Senator Bursum is a member of the Senate Military committee, and both senators are friends of the ex-service men to the last ditch, and then some, and men that all ex-service men and women love and can be relied upon to stand firmly by these men so justly entitled to consideration and relief. They are not paupers and they do not want a handout. But they are entitled to our love and a part of all we have. Had it not been for them we would not even have a flag, much less possessions for the same to fly over. So let us stand with them "for God and Country", and a square deal for all the deserving disabled.

MARRIED.

Montgomery—McGaughey.

Word received from Charles Montgomery, manager of the Joyce-Fruit store at Carlsbad, announces his marriage Wednesday of this week to Miss Hettie McGaughey, of Hot Springs, Arkansas, and his return to this city tomorrow or Sunday afternoon. No particulars are available at this time, but nevertheless, the many friends of "Monty" will extend a cordial welcome to himself and bride.

The Baptist ladies announce their annual bazaar to be held December 3rd. Watch for further announcement.

HAY TRADE CONDITIONS OF THE WEEK.

Receipts of hay at most terminals are very small and many markets are reporting a very much stronger tone, with the tendency toward higher values. Country loadings have fallen off considerably in the past week and stocks on hand have become almost exhausted. This has resulted in a very firm situation and the average of values in both Eastern and Western markets has shown a sharp advance over last week's quotations.—Hay Trade Journal.

FREE FLOWER AND VEGETABLE SEEDS.

United States Senate, Sept. 30, '21. My Dear Mr. Editor:—The Department of Agriculture has allotted to me for distribution in New Mexico early next spring a generous supply of vegetable and flower seeds, and I will be glad to honor all requests so far as my quota will permit. If you will kindly give this publicity the courtesy will be appreciated. Yours very truly, ANDRIEUS A. JONES, U. S. S.

Today they sell education, farms and trips to Japan by mail.

"CLEANUP SQUAD"

The clean-up squad sent out by the government to dispose of all cases of men having claims against the government, opened its session Monday for the men of Eddy and Lea counties. Dr. L. B. Cohenour, Mr. Haverson, a vocational training man, Mr. McLean, a Red Cross representative, Lynn Burr, of the Bureau of War Risk Insurance and Mrs. Smith, a Philippine, who acted as interpreter, was the personnel of the examining board. Forty-eight men appeared before the squad for the purpose of having their claims of various kinds adjusted, some of them coming for a distance of fifty or sixty miles for that purpose, while some of them were from the northern part of the county and others from Carlsbad.

The Red Cross organization served coffee and sandwiches to the men during the afternoon at the Armory where the examination was conducted. Following is a list of the men presenting claims of various kinds before the Clean-up Squad:

James A. Fredrick.
Joseph Birrell.
John William Vandagriff.
Charles Erven Hepler.
John F. Boeglin.
Juan Minjares.
William L. Roberts.

DR. BOATMAN APPOINTED ASSISTANT COLLABORATING EPIDEMIOLOGIST.

Dr. R. J. Boatman has received a letter from Rupert Blue, Surgeon General, at Washington, D. C., stating that he had been appointed Assistant Collaborating Epidemiologist of the United States Public Health Service. The doctor's duty will be to assist the State Collaborating Epidemiologist to collect morbidity reports from physicians and other persons of the State and to make other scientific research of contagious and epidemic disease. The doctor took the oath of office as required by law last Saturday, D. Jackson, county clerk, officiating.

SCOUT NEWS.

Troop 1 had a great time Tuesday night. After the regular business session Vance Tebbetts was given the oath and tests necessary to make him a Scout. He is a first class lad and will make a good Scout.

Martin Hubbard, Willis Moore and Jim Pool received their full initiation into the "secrets" of Scout Troop 1, Tuesday night. All went through without serious accident and fully demonstrated their bravery.

Carl Wester will hereafter be one of the assistant scout masters of Troop 1. He is a splendid young man, has been a Scout all his life, holding membership in Texas, and is now continuing in the great work.

A musical entertainment is on foot for the near future. It will be something special as most of Carlsbad's leading musicians will take part.

Scouts of Carlsbad are looking forward to a visit from Scout Executive J. P. Fitch, of Dallas, Texas, Saturday of this week.

Do not forget that Scouts are but boys and sometimes get off on the wrong trail but they are always ready to make amends and do their best to always do the right thing.

Those having books out from the Library return them promptly. About thirty books are missing.

Several tennis games are on foot for the near future. It is intended that a regular tournament will be held on Thanksgiving in one of the neighboring towns.

Chas. Joyce, on his return from a summer spent in California, stopped at the home of his nephew, J. P. Joyce, of this city, Wednesday, leaving for his home at Roswell last night.

FOUR AMENDMENTS CARRY; SEVEN LOST.

Santa Fe, N. M., Oct. 6.—Four of the eleven amendments submitted to the voters at the recent special election carried, according to unofficial figures. The amendments which carried are numbers 1, 2, 4 and 11. The figures are based upon returns received from all but fourteen precincts. The vote follows:

Amendment No. 1. Giving women the right to hold office. For 26,771; against, 19,175.

Amendment No. 2. Prohibiting aliens ineligible to citizenship from holding title to land in New Mexico. For 25,825; against 18,110.

Amendment No. 3. Abolishing limitation upon election of superintendents of public instruction. For 16,485; against 24,755.

Amendment No. 4. Providing for exemption from taxation to amount of \$2,000 every honorably discharged soldier. For 23,958; against 22,887.

Amendment No. 5. Enlarging powers of State Corporation Commission. For 23,953; against 22,887.

Amendment No. 6. Budget amendment. For 18,676; against 21,279.

Amendment No. 7. Providing for permanent commission of three to manage the land office. For 14,644; against 26,145.

Amendment No. 8. Limiting maximum rate of taxation. For 12,558; against 36,441.

Amendment No. 9. Permitting cities to hold bond elections at special elections. For 16,393; against 22,425.

Amendment No. 10. Removing limitation for re-election of county school superintendents. For 17,699; against 22,279.

Amendment No. 11. Road bond amendment. For 23,990; against 21,139.

THUMB CRUSHED IN COTTON GIN

Henry Dickson, while working at the Carlsbad cotton gin last Wednesday night, during the night run, had the misfortune to get his right hand in the machinery in such a way that the thumb on his right hand was simply crushed and the middle finger torn entirely off. The accident is very painful and will lay Mr. Dickson up for some weeks. He is thankful, however, that the entire hand was not lost.

IT WAS NOT RABIES.

The state health department, after examination of samples of the pup which recently bit the little daughter of Frank Moritz, reported yesterday that the animal was not infected with rabies. Which was good news to the anxious parents. The dog did not mind, being dead. Incidentally it was an illustration of the service and value of the health department.—Roswell News.

DEATH OF MRS. LINDSEY.

Mrs. Mary R. Lindsey died at North Little Rock, Arkansas, at five o'clock P. M., on September 15th, 1921.

The above announcement will be of interest to many people in Carlsbad where Mrs. Lindsey resided for about one year with her daughter, Miss Mary Bell, on account of the latter's health.

Mrs. Lindsey was fifty-eight years of age and a widow, her husband having preceded her to the great unknown several years ago. She was the mother of W. V. Lindsey, J. J. Lindsey, Charles Lindsey, and Miss Mary Bell Lindsey, all of Little Rock, Arkansas, and Mrs. H. B. Nixon, of Conway, Arkansas, and Mrs. R. C. Phelps of Okotoma, Arkansas. The son, W. V. Lindsey, lived at Carlsbad a short time after he returned from overseas service with the A. E. F., and during his absence his wife, Mrs. Rena Lindsey, was stenographer in the office of Major Bujac and also for a while deputy in the office of the County Clerk of Eddy county, where she was most proficient and during her residence here made many friends who extend her and her husband their heart felt sympathy in their bereavement.

The Mother Lindsey who passed away was of charming characteristics, gentle and loving, sympathetic and kind to all who came in her presence, and a pleasure to all who had the good fortune of knowing her.

The people of Carlsbad and the Current send to the family their tenderest sympathies.

MAN INJURED CUTTING CORN.

Gorge Spencer, teacher of the school at Eunice, came in Friday night with a young man by the name of Tom Long, who was taken to Eddy county hospital immediately on his arrival. The young man was seriously injured while cutting corn in the Eunice neighborhood, a knife he was using cutting off the muscle in his right leg. After treatment by a physician he was allowed to return to the Rector ranch where he had been working, but will be laid up for a month or more. Professor Spencer says that his school is doing fine and he has a good enrollment at this time which will be increased as the fall work on the ranches is finished.

GOING AFTER THE COYOTES.

COYOTE CONTROL ASSOCIATIONS CO-OPERATING WITH BIOLOGICAL SURVEY.

Coyote control as now operative over the state under the direction of Charles F. Bliss, Biological Assistant in charge, is meeting with the approval of stockmen in general.

Coyote Control Associations have been organized at Hope, Pinon, Weed, Mayhill, Cloudercroft, Glencoe, Carrizozo, Three Rivers, Tularosa, San Marcial and Hansenberg, New Mexico. The territory covered by these associations extends from the Pecos to the Rio Grande and from Glencoe, Carrizozo, Carthage north to Las Cruces to Alamogordo south. The stockmen from the Guadalupe mountains to the Rio Grande have expressed themselves as being desirous of organizing. Ranchmen of the Pecos valley from Lakewood to the Half Way House (50 miles north of Roswell) and extending from the river to the foothills co-operated with the Bureau last winter and spring. The territory from the Texas line north to Lakewood, lying between the Pecos and the Guadalupe has not been organized and over this territory coyote infestation is very heavy and is a source of reinfestation for the territories already worked.

According to report of manager, H. G. Watson, of the Hope Association, seventy-five per cent of coyote infestation has been reduced. This association estimates that the annual damage in this district by coyotes has been from \$20,000 to \$40,000. They spent about \$700 last winter for coyote control (note saving). T. F. Fleming, manager of the Pinon Association, reports that during August and September of this year their association with an expenditure of \$350.00 estimated a saving to livestock that compares favorably with that of Hope. J. E. Gregg, manager of the Mayhill association, estimates that at a cost of \$100 ninety coyotes were killed during August, but as there is a heavy undergrowth in this territory, only 30 carcasses were found.

The coyote situation is becoming an acute issue. Cattlemen who have contended that coyotes have done them no damage are realizing that many calves are being killed by these animals. The following are extracts from signed statements from several cattlemen:

Joe Lane of Cap Rock has lost seventy-five calves this year from coyotes; J. R. Gilliland, Three Rivers, has lost twenty calves out of 150 this year from coyotes. W. L. Rich of Tularosa reports that the coyotes are killing practically all of his calves as soon as they come. Cole Ristison, of Magdalena, states that he has lost forty-five calves from coyotes this year. Curt Hillard of Aragon estimates that he is losing seven per cent of his calves from coyotes, while S. R. Stiles of Dattel places his loss at eight per cent of his calf crop. The following letter is self-explanatory:

Three Rivers, N. M., Sept. 21, 1921. This is to Certify:

That we have been keeping fairly average check on calves killed by coyotes in our section of the country, and find that at least ten per cent of the calf crop for this year has been killed.

Some cowmen are under the impression that coyotes only kill the young calves and poor ones that are on cows too thin to guard them off. But to our knowledge we have seen them kill calves that are fat and five or six months old.

We feel that it is the duty of every one interested in the stock business to cooperate with the Department as well as each individual in the killing out of same.

HATCHER & EVERHART.

By J. T. JOHNSON, Manager.

Mr. Everhart has agreed to cooperate by furnishing a man with car for two months to cover his range with poison. Coyotes are not now killing calves in every district, but as the addresses of the stockmen referred to show, calf killing by coyotes is evidenced at various locations from Cap Rock to Aragon. From the writer's experience with coyotes this condition can only change for the worse owing to the versatile nature of the animal and to their increase in number. We must remember that only the adult coyotes are committing the damage at present, and along with these adults is running the 1921 pup crop that will be ready for business on their own account within a few months. The absence of trappers last season, owing to the low price of fur has caused an increase of from 25 to 40 per cent of coyotes, and the bounty system does not fulfill its intent.

The funds available for predatory animal control in this state are very inadequate and only one man has been engaged in coyote work since last May, and as an emergency measure the services of this one man have been devoted to organizing coyote control associations. This method, however, is not the most effective or efficient means of caring for the coyote situation, but until the stockmen over the state realize

BACKING UP THE NATIONAL GUARD.

State of New Mexico, Office of the Adjutant General, Santa Fe, October 5, 1921.
Captain Fred M. West, C. O. Troop "B", Carlsbad, New Mexico.

My Dear Captain:

At a Chamber of Commerce meeting not so very long ago, it was unanimously voted by them to back Troop "B", its men and officers. Was it a serious vote? Did the community mean it? I'll say they did and that they will be there with the goods in full strength and ten percent better. To do this little thing is not at all difficult. Just let the community get behind a physically possible thing and it is done. The spirit of Carlsbad is awake and by your strength at camp shall ye be judged. So lets go and maintain the pride and spirit of Carlsbad. It is a matter which concerns all of its citizens from the child in arms, thru life to the aged infirmity. Prepare and be prepared for any need or emergency, fire, flood, invasion or any other disaster which may perchance visit us as a City, State or Nation. Organization, preparedness is a trinity of strength, which is the best insurance against war and in favor of peace, so get together, boost, root and pull and send Troop "B" forth in a Carlsbad way. Get behind your unit and play the game of the New Mexico Plan.

We believe in the National Guard and in the plans of the War Department for the National Defense. In order to facilitate the enlistment of our employees in the local organizations of the National Guard we have subscribed to the following provisions:

1. National Guardsmen in our employ will be given fifteen days leave of absence in each year with pay for the purpose of attending camp; this leave not to effect in any way the regular vacation privileges.

2. When called into active service by the Governor of the State we will pay National Guardsmen in our employ the difference between their regular wages and what they receive in National Guard pay.

3. The fact that the man is a National Guardsman shall entitle him to preference—other things being equal—in securing employment or in case of reduction of forces in retaining employment.

Yours very truly,
HENRY ROLF BROWN,
Adjutant General.

MALAGA ITEMS.

Otto Reid, who is working at the Carlsbad gin, was at home Saturday night and spent Sunday afternoon with some of our young people.

Hiram Welch left school last Friday afternoon with a pain in his side. He was very sick Friday night, so his parents took him to Carlsbad Saturday morning. On account of a bad cold his operation was withheld until Wednesday morning. We hear he is doing as well as anyone could under the circumstances. His friends here miss him very much and already look for the time when he will be allowed to come home.

E. E. Shouse left Wednesday morning for unknown parts of Texas.

J. L. Williams spent the greater part of Wednesday in Carlsbad buying goods for his store. Business will be picking up around his place in a few days.

EPISCOPAL CHURCH.

Sunday, October 9th, 1921:
Holy Communion at 8 A. M.
Sunday school at 9:45 A. M.
Morning prayer and sermon at 11 A. M. Miss Corinne Higgins will sing at the 11 o'clock service.
A cordial invitation extended to all.
REV. A. T. ELLER, Rector.

the urgent need of legislative appropriations, with which to combat this menace; the writer can see no other alternative. The distribution of poison to individuals will be discontinued, except in cases where there is no contiguous infested territory or where such distribution will be resultant in general effectiveness. The plan is to entirely cover a large territory by contiguous associations. Thus, the reason for not dispensing poison to individuals is obvious.

Under the cooperative form of agreement the stockmen agree to pay for the services of a poisoner of their own selection, the Biological Survey furnishing poison and supervising the work in conjunction with the manager elected by the association. All furs taken by the employees of these associations are the property of such associations.

The Bureau is desirous of assisting the stockmen throughout the state in their predatory animal difficulties, and, if the stockmen will organize coyote control associations, a very great assistance can be rendered.

Mr. V. Van Gieson, with headquarters at Roswell, will have charge of those associations already organized in the southwestern part of the state and will assist in organizing other associations that may be desired by the stockmen in this territory.

O. L. COLEMAN,
Bureau Local District Leader,
Biological Survey.

LOCAL NEWS.

Mr. and Mrs. Tom Gray have returned from a visit to the home of Mr. Gray's sister at Marlin, Texas, and the first of the week returned to the ranch.

Judge C. R. Brice and his official family, consisting of the prosecuting attorney, Dillard Wyatt, and stenographer Henry Puckett, came down from Roswell Sunday and were here for the opening of court Monday morning.

Mr. Linn, manager of the Crawford Theatre, performed a gracious act toward the ex-service men of Eddy and Lea counties who were in town the first of the week, before the Clean-up-squad. All who so desired, were admitted to the picture show free as his guests. A fine picture, "The Passionate Pilgrim" was shown that night and a number of the men took advantage of Mr. Linn's kind offer.

L. N. Hoag, of Malaga, was in town for a short time Monday.

Mr. and Mrs. Charles Del Curto and baby son arrived in Carlsbad the latter part of last week and afterward Mr. Del Curto and his brother-in-law, Leon Mudgett, went on to Albuquerque where they expect to go into business and later send for their families making that city their home.

J. L. Wood was in town the first of the week from his home at Ocho, New Mexico, some fifty miles from the county seat. With him came his brother in law, Frank Berry, an ex-service man, who came on business before the "clean-up" squad that was in session here on Monday. Mr. Wood will be remembered as the man who lost a son by drowning near Red Bluff, a little over two years ago. The body was not recovered for thirty-two days. He speaks in the highest terms of our citizens, who could not have been kinder, he says. The brother-in-law, Mr. Berry, was gassed and suffers from gunshot wounds received in the service.

Peter Moody, an old-time cattle buyer, is in town from Kansas City this week.

HOME-LIGHTS.

Annie Laurie Buie.

No lights can burn so steadily,
Can throw their beams so far,
As those dear lights that haunt us
Still
No matter where we are.

When coming home at night we see
The lights of home so near,
A picture fraught with love unfolds
And fills our hearts with cheer.

Though we may dwell in foreign
lands
No gaily lighted dome
Can ever bring back the thrill and
warmth,
That shines from lights at home.

In memory we still can see
When falls the shades of night
That symbol pure of love and cheer
The home-lights burning bright.

MARRIED.

Pearse—Bagley.

Owen N. Pearse, of Pomona, California, and Miss Veva Bagley, of Woodburn, Oregon, were married at the home of the bride September 27. The marriage is of interest to Carlsbad people from the fact that the bridegroom is the son of W. H. Pearse, formerly of this city and was himself a resident of Carlsbad for many years, in fact, until the beginning of the war, when he enlisted in the U. S. Navy and was employed as a radio operator. He is now in the employ of the Edison Electric Hotpoint Company, at Pomona, California, where they will make their home. Mr. Pearse is the only brother of Mrs. Claude Nelson, of this city.

Every one here has a good word for Owen Pearse, and good wishes are his in abundance from old friends for a happy and prosperous voyage down the stream of life. May the success that rightfully belongs to cultured, refined and industrious young people be theirs in full measure.

REV. PRATT COMING.

Ben Ames, Warden of St. Andrews Mission has received word that Rev. F. W. Pratt, formerly of Carlsbad, has so far recovered from his recent illness that he will be along in a few days to take up his work as rector of the local church. Mr. Pratt was to have been here a month ago, but was detained in California by illness.—Roswell News.

Rev. W. L. Ricks, who represents the Board of Missions of this conference, arrived in the city Monday from his headquarters at Nashville, Tennessee. He is an old friend of Rev. Geo. H. Givan, although they have not met before in seventeen years. Mr. Ricks is an enthusiastic hunter and in a communication to Reverend Givan asked him to select some sportsman to go a-hunting with him on his arrival in this city. The choice fell on Judge J. W. Armstrong and the two gentlemen, dressed in their "regimentals" enjoyed a day in the open Tuesday. Mr. Hicks went out in the evening to Artesia where he met with the conference the day following.

RED CROSS GIVES ANNUAL BUDGET

\$19,361,657 Allotted for Current Program of Relief and Service.

MILLIONS FOR VETERAN AID

Medical Aid for European Children Will Cost \$6,000,000 This Year.

Washington.—Expenditures totalling \$19,361,657 for carrying through its program of relief and services in the United States and overseas are outlined in the budget of the American Red Cross for the current fiscal year. This total is more than \$5,000,000 lower than the expenditure during the last fiscal year, when the disbursements reached \$24,492,741, it is announced at National Headquarters in a statement calling attention to the necessity of continued support of the organization by response to the Annual Roll Call, November 11 to 24, if the vital work of the society is to be effectively carried on.

Outstanding among the items of the domestic budget is the appropriation of \$3,000,256 for work in behalf of the disabled ex-service man and his family. This appropriation represents the amount allotted to this work from National Headquarters only and does not take into consideration the millions being spent in chapters for relief of the World War veterans. It is in the chapter that the greater amount is spent in meeting this obligation of the Red Cross, the announcement continues, as manifested by figures of the fiscal year 1920-1921 when the total was approximately \$9,000,000, of which \$2,002,094 represented the disbursement of National Headquarters while the remainder was the chapters' contribution to this field of Red Cross service.

Vast Work for Disabled
Chief among the sub-divisions of the appropriation for work with veterans is that which concerns itself with assistance to disabled men and women in government hospitals. This item of \$1,700,000, an increase of more than \$500,000 over the appropriation for the same work in last year's budget, will provide those personal services for the disabled and their families which are indispensable to supplement those provided by the government. The director of the Veterans' Bureau has recently expressed his desire that the Red Cross should continue and extend these "humanizing services." Other items of the appropriation for veterans' relief are proportionately increased. An additional appropriation of \$400,000 has been made for Red Cross work in connection with regular Army and Navy hospitals and with the regular Army and Navy.

For disaster relief, the Red Cross has set aside for the current twelve months an appropriation of \$543,976, virtually doubling the appropriation for the same purpose for the fiscal year 1920-1921.

More than \$2,000,000 is provided for service and assistance to the 3,000 Red Cross chapters by the national organization.

Helping Destitute Children
Other items of the domestic budget include \$408,546 for miscellaneous activities, including contributions restricted for special purposes and \$768,000 for management. Each of these items represents large reductions over similar appropriations of the previous year.

From a fund of \$10,000,000, \$5,000,000 of which was contributed through the European Relief Council campaign and \$5,000,000 allotted by the Red Cross for child welfare work in Europe, there remains \$8,765,108 still available, of which it is estimated that \$6,000,000 will be required for this work during the current year. For Red Cross participation in the joint effort to relieve famine conditions in Russia, for final work in the China famine, for Junior Red Cross and other overseas activities including the closing of the old general relief program in Europe \$4,978,000 is made available.

In announcing the national budget, the Red Cross makes it clear that the figures do not include chapter expenditures or place any cash estimate on the invaluable service of volunteers in chapters.

THE "TARANTULA" IS OUT AT LAST.

The "Tarantula" the, high school annual, is off the press and has this week been distributed to those who ordered copies. The type was set in Carlsbad for this edition by the Current and Moran and Hubbs did the printing which is a very creditable job in matter of arrangement and press work. The pictures are clear and they are numerous. This is the first to be gotten out by the Pecos high school and the work is well done and shows that the boys and girls who are responsible for this effort were on to their job and fully capable of the work entrusted to them.

The Enterprise acknowledges receipt of a copy from Moran and Hubbs, the printers, for which it tenders to them its thanks.—Pecos Enterprise.

THANK YOU.

The reporter for the Current is indebted to Mrs. Lassiter for some of the nicest apples we have seen this year and which were grown on the Blue Springs ranch. The specimens were large, of a fine color and excellent flavor and were greatly appreciated by the lady to whom they were given.

H. Tullius, the passenger brakeman on the north line of the Santa Fe, came in the last of last week and has resumed his run. Mr. Tullius had been to California to accompany his wife from there to the Mayo brothers' hospital at Rochester, Minnesota, where she went for treatment and an operation should it be thought advisable. This was not thought necessary at this time however, and Mrs. Tullius and daughter are with friends in Kansas, where they expect to remain until the cool weather begins there when they will probably return to this city.

J. J. S. Smith, wife and niece, Miss Lucille Jackson, arrived in the city Sunday night from Edith, Texas, at which place they are now living and will remain here for some days on business. They are among the old timers of Eddy county and among our subscribers who have taken the Current for many years.

Little Guy Martin, who has been suffering from an attack of typhoid fever for some weeks, is improving every day, and barring complications, will soon be about again.

HOME AND SCHOOL ASSOCIATION

The meeting of the Home and School Association held Friday afternoon of last week was one of the most interesting and helpful meetings of the entire year. The program was not as long as some, owing to the fact that election of officers and a reception to the new teachers had been planned, said election resulting as follows:

President, Mrs. J. W. Armstrong.
First Vice President, Mrs. J. P. Flowers.
Second Vice President, Miss Shepherd.
Secretary, Mrs. Horace Hutchison.
Assistant Secretary, Mrs. Smith.
Treasurer, Mrs. R. M. Thorne.

The program for the afternoon was interesting although short, as stated, consisting of an address by Rev. Geo. H. Givan, to which Miss Shepherd responded for the High School teachers and Mrs. Smith for the Grade teachers. Miss Higgins, supervisor of music in the schools, rendered a beautiful solo and Miss Dorothy Swiggart gave Van Dyke's "The Mansions" in an exquisite manner which the presiding officer stated was one of the best sermons he had ever heard. She responded to an enthusiastic encore by giving a humorous selection.

At the close of the exercises dainty refreshments were served under the direction of the Domestic Science teacher, Miss Shepherd. Those were served in two courses, from a flower decked table, half the girls of the

Domestic Science class acting as waitresses, the other half assisting in preparing the food. There were tuna sandwiches, Waldorf salad, olives, iced tea, macaroons and brick ice cream.

A social hour followed, when every one was urged to meet every one else and especially try to make each new teacher feel at home.

INSTITUTE SUCCESSFUL.

The first institute of the W. C. T. U. organizations of Artesia and Carlsbad which was held last week, Friday, in the Baptist church of this city, was a decided success in point of interest manifested and also in point of attendance. Eighteen ladies were present from the Union at Artesia, and gave some splendid papers upon various topics of interest to the unions and to the people at large.

At the noon hour a chicken dinner was served to about fifty white ribbons in the dining room of the Baptist church, which had been beautifully decorated in green and white, a huge white bow suspended from the center of the room calling attention to the badge of the order. The tables were centered with beautiful bouquets of dahlias and spread with snowy linen; a menu of fried chicken, candied sweet potatoes, creamed potatoes, pickles and olives, salads, topped off with cake and delicious ice cream and coffee was served. A number of after dinner speeches were delivered by the visitors and others, the teachers of the schools who were present voicing their appreciation of the work of the union, and others who were called on by the president, Mrs. Little, making short talks.

The set program is as follows:
Program.
The Institute opened by singing "Onward, Christian Soldiers." Mrs. McCollum at the piano. Prayer by Mrs. Lowry.
Welcoming address, Mrs. Will Purdy. Response by Mrs. Stacy, of Artesia. Artesia gave the National Welcome Salute.
Scripture reading by Reverend Sellars.
Mrs. Allinger, of Loving, gave an excellent talk on "Organization" in which she stressed the desirability of more W. C. T. U. organizations and said that no work could be successful unless properly organized and carried out in an orderly manner, as order is the first law of nature and is seen in all the works of God.
Mrs. V. O. McCollum gave an ex-

ODD FELLOWS LEAVE FOR CONVENTION.

J. F. Flowers, J. B. Leek, and V. L. Minter left via automobile Sunday morning for Tucumcari, where the annual meeting of the Odd Fellows of the state is holding this week. The first named is a past state officer and Messrs. Flowers and Leek are the delegates from the local lodge. Mrs. Belle McCord was also of the party, going to represent the Carlsbad Lodge of Rebekahs. They expect to return today.

Excellent paper on the "Purpose and Scope of the W. C. T. U." which contained many splendid facts, and was very favorably commented upon.

Song, "Loyalty to Christ," by the Congregation.

Delegates from Artesia then gave the following report showing that their Union was a live one and the Carlsbad Union, which has heretofore been the Banner Union of the state, will have to be on its guard or the sister Union will outstrip it. The Artesia Union now has a membership of 74, a gain of 49 during the year, have 10 honorary members. They have had one visit from a National worker, Mrs. Frances Wheeler. Have pledged \$496.00 for the school at Belen, also sent four quilts and a Christmas box to the same school and gave \$25.00 to the state work. The Union puts three bouquets a week in the bank at their home city and receives \$1.00 for each bouquet. Their Flower Mission gave 148 bouquets during the year and made 125 visits. They have beautified the City Park in their home and expect to build a swimming pool in the park which will cost in the neighborhood of \$2,400, and they expect to make enough out of the pool to keep the park up. They have served meals to the Chamber of Commerce receiving for that \$62.00; have had five social meetings, and altogether had a splendid report.

At the close a piano duet by Mr. and Mrs. Ray Soladay was given which was simply fine. Mrs. C. H. Dishman, who had spent the summer in California, gave a talk on her trip; a leaflet on noon tide prayer was read by Mrs. Grantham and an adjournment was taken for dinner.

Institute opened at 1:30. Song by congregation, "The Fight is On". Mrs. Prickett pianist.
Devotions led by Mrs. Stacy, president of Artesia Union. Prayer by Mrs. Davis, of Artesia.
Instrumental solo, by Annie Prickett.

Mrs. Stacey gave a most inspiring talk on "What the W. C. T. U. Stands for", which was followed by a short talk by Reverend Jivan, along the same line.
"Law Enforcement," by Mrs. Hatfield, of Carlsbad.
Reading, Madam Stockwell, "The Mother at the Door."
Talk by Mrs. Benson, of Artesia, on "Law Enforcement and Its Key-note."
Instrumental Solo, Miss Mollie Filson.
Report of Carlsbad Union: several superintendents giving accounts of their work which was encouraging, but which was recently printed in these columns. Miss Higgins, supervisor of music in Carlsbad schools, gave a beautiful solo and the institute closed by singing "Bless Be the Tie that Binds". Mrs. Grantham dismissing with an earnest prayer.

RED CROSS WORKING FOR HEALTHIER U. S.

Thousands Aided by Instruction in Care of the Sick, Food Selection and First Aid.

How the American Red Cross guides thousands of persons to health is shown in a summary of the society's activities in the health field based upon the annual report for the last fiscal year. Through its Nursing Service, its Home Hygiene and Care of the Sick courses, nutrition classes, First Aid classes, Life-Saving classes and Health Centers and in numerous other ways designed to acquaint masses of citizens with proper methods of living, the Red Cross carried its message of health into all parts of the country.

The work of the Red Cross during the year in its traditional field of nursing, furnishing the military and naval establishments of the nation with 19,877 nurses, is well known. And there are today 37,787 nurses registered with the American Red Cross and subject to call in emergency. During the fiscal year, 1,551 Red Cross nurses were accepted for assignment to Government service, 288 by the Army and Navy and 1,163 by the United States Public Health Service.

In addition to the nurses enrolled by the Red Cross for Government service, the Red Cross itself employed a total of 1,348 public health nurses in the United States and Europe. By far the greatest number was employed in the United States, 1,257, while 81 were in foreign service.

Home Hygiene and Care of the Sick classes, giving thorough instruction in the proper care of the sick in instances where the illness is not so serious as to require professional nursing care, during the fiscal year numbered 5,179. A statistical picture of the Red Cross operations in this field follows:

New classes formed during year..... 5,179
Classes completed during year..... 6,290
New students enrolled..... 101,958
Students completing course..... 78,432

What the Red Cross accomplished in giving proper instruction through its Nutrition Service is indicated by the following table:

New classes formed during year..... 142
Classes completed during year..... 186
New students enrolled..... 2,341
Students completing course..... 2,013

In addition to the above, a total of 22,000 children were given instruction in the proper selection and preparation of foods.

Through its 290 Health Centers, the Red Cross reached 90,252 persons. In these Health Centers, 4,015 health lectures were given and 780 health exhibits held.

In the United States last year, 75,432 persons were killed and 3,590,000 injured in industrial accidents. To prevent this enormous waste the Red Cross held 5,100 first aid classes with a total of 104,000 students enrolled.

RED CROSS RESCUED 600,000 FROM DEATH

Spent \$1,200,000 for Relief of Famine Sufferers in China Last Year.

To help overcome conditions of acute distress in five famine stricken provinces of Northern China, where millions of persons were affected by an unprecedented shortage of food, the American Red Cross during the last fiscal year spent more than \$1,200,000, \$1,000,000 of which was contributed directly by National Headquarters and the remainder by various groups interested in the welfare of China.

Through the wide relief operations thus made possible it is estimated that more than 600,000 famine sufferers were saved from starvation.

To the end that similar prompt relief measures by the organization may always be possible the Red Cross is asking continued support by the American people by universal renewal of membership at the Annual Red Cross Roll Call, November 11 to 24.

The method of relief employed by the American Red Cross in its operations in China was particularly effective, for in addition to saving hundreds of thousands of lives it provided China with more than 900 miles of permanent roads that are sorely needed to prevent a recurrence of famine. At one time the Red Cross employed 74,000 Chinese workmen, paying them in food for themselves and dependents, this food being brought in from Manchuria and elsewhere.

ONE DOLLAR ANNUAL DUES IN THE AMERICAN RED CROSS MAKES YOU A PARTICIPANT IN RELIEF WORK FOR THE HELPLESS THAT GIRDLES THE GLOBE. ANSWER THE ANNUAL RED CROSS ROLL CALL NOVEMBER 11-24, 1921.

THE NAME DAVIS ON YOUR PHOTOGRAPH MEANS AS MUCH AS STERLING ON YOUR SILVER

KODAK FINISHING AND FILMS

Dear Friends:

It is none too early to begin thinking of PHOTOGRAPH for Christmas Gifts. Already people are making inquiries and I prophecy this Christmas more people will send Photographs than ever before—for this reason—they are the most appreciated Gift, grow more valuable instead of less, and are the next best thing to a visit.

PHOTOGRAPHS are like Life Insurance in that when you don't need them, is when you should have them made. You are always changing and it is mighty nice to keep a record of the change, and then—if something happens, what a valuable record that will be.

I always make several negatives, giving you a choice, and even then if you are not pleased, I will make more without extra charge.

I have a nice selection of hand carved frames which will add distinction to the PHOTOGRAPH.

Yours for Better Photographs.

Ray V. Davis.

DIED.

Mrs. Annie S. Nicholson died at Sisters' Hospital last Friday morning and was laid to rest in City cemetery Saturday morning. The funeral services were in charge of Rev. H. W. Lowry, pastor of the Presbyterian church and were held at the undertaking parlors.

Mrs. Nicholson had lived here for about five months coming from San Angelo, Texas, and the five months were filled with pain and suffering, she being a victim of the Great White Plague, and sinking steadily from the time of her coming until death relieved her. About three weeks ago she was taken to Sisters' Hospital where every attention was paid her and where her last days were made comfortable.

She leaves a husband and one daughter by a former marriage and to the little girl, just at the age when she most needs a mother's care, all hearts are especially tender. She has found a home in the family, and a place in the love and protection of Mr. and Mrs. Rush Platt, who will tenderly care for her.

Mrs. Nicholson was 31 years of age. A large number of sympathizing friends followed the body to the grave and the flowers were numerous and beautiful.

CARD OF THANKS.

I wish to thank every one who was kind to my mother, Mrs. Nicholson, during her sickness and who after her death took care of her body and laid her away so beautifully. I wish also to thank them for their kindness to me and assure them that I will ever hold them in loving memory.

RUBY HORTON

SUNDAY SCHOOL CLASS ENJOYS PICNIC.

The children of Mrs. Henry Smith's Sunday school class, being the primary grade in the Methodist school, have been clamoring for a picnic for some time after the manner of small ones, and on Monday morning their wishes were gratified. At that time a sure enough picnic was given at Library Park, which was largely attended and greatly enjoyed. Most of the children had forgotten to speak of the matter to their parents, and much telephoning on the part of the teacher was necessary, but they had a fine play and picnic dinner and everything passed off beautifully and the little folks are satisfied that they have had their party.

Persistency inspires more confidence.

Where Our Automobiles Stop Regularly

Perhaps you've noticed the difference in your neighborhood. A few years ago laundry wagons stopped regularly only at those homes where the man of the family was known as a "good dresser".

But today its different—you'll find our automobiles stopping at almost every home in the block.

That's because the modern housewife has learned to appropriate modern laundry service and is giving every member of her family the benefit of it.

Instead of simply shirts and collars, we now call for the whole family bundle, wash and iron everything, and deliver it ready to use or wear.

Ask us about our finished family service—have us call for your bundle this week. We're sure one trial will convince you that this is a better wash way.

Business Men of Carlsbad

The electric motors in your factories, the lights in your shops, offices and homes—all of the multitude of comforts, conveniences and necessities which electricity gives to mankind are made possible by the work of your fellow citizens who are the heart and soul of the public utility corporations.

¶ The men who make up the organization you know as your electric light and power company are rendering a service of first importance to this community.

¶ Through their loyal efforts and through the efforts of the engineers who have planned it and the stockholders who have lent their money to build it, an organization has been created for YOUR service.

¶ We need your good will and you need ours, so let us pull together for the good of all, remembering that the prosperity of Carlsbad depends on the healthy development of our industries and utilities.

PUBLIC UTILITIES COMPANY

THE HOMELIKE CHURCH.

Services Sunday, Oct. 9th, at the Christian church:
Bible school at 10 A. M.
Communion and preaching service at 10 A. M.
Junior C. E. at 7 P. M.
Preaching service at 7:30 P. M.
Let us make it another great Bible school service.
It is our desire to make all these services as helpful as possible.
A cordial welcome awaits you.
D. F. SELLARDS, Pastor.

CARD OF THANKS.

We desire to publicly thank those who so kindly assisted us during the illness and death of our beloved mother. Words are inadequate to express our deep appreciation and your kind acts will long be cherished in our memories.

E. D. WESTAFER,
ROY I. WESTAFER,
FRANK WESTAFER,
MARJORIE WESTAFER,
MRS. C. L. GRANT.

Mrs. F. W. Ross, Mrs. Nellie White and Wilmer White spent the day Wednesday in Roswell.

Henry Muldrow was a business visitor to Roswell the fore part of the week.

Mrs. Patton, who has been visiting her mother, Mrs. Hart, at the Dark Canyon Wells, left for her home in Kansas City, Missouri, last night.

YOEMEN INSTALL OFFICERS.

Under the instruction of Miss Naomi Matney the local lodge of American Yoemen installed their officers for the coming year last Wednesday night. The list of officers is as follows:

Foreman, William Howeth.
Master of Ceremonies, Mrs. Vera Carder.
Correspondent, Mrs. Carder.
Master of Accounts, Homer King.
Chaplain, Mrs. Ada Ewers.
Overseer, Alfred Howeth.
Watchman, Kenneth Jones.
Sentinel, Elmo Warren.
Guard, Clifford Ewers.
Lady Rowena, Opal Matney.
Lady Rebecca, Ina Warren.

At the close of the installation ceremonies pie and coffee were served and a social hour was spent. The lodge has taken on a new lease of life and with the newly elected officers, will once more become a leader in the rank of fraternal organizations in Carlsbad.

Mr. and Mrs. Corbin, after a visit of ten days at the home of their daughter, Mrs. J. S. Oliver, left for their home at Waxahachie, Texas, yesterday.

M. N. Cunningham, the Bee man, expects to leave the last of the week or Monday with a load of the "Sweets of Nature", which he will dispose of in various parts of Texas, making a trip as he did last year. Their honey is of fine flavor and will no doubt meet with a ready sale.

Charles Montgomery, manager of Joyce-Fruit grocery, is expected in tomorrow accompanied by his bride, the marrying Wednesday at Little Rock, Arkansas. The Current awaits particulars.

ROAD DRAINING AND GRADING

Highways Out of Commission but Few Days in Year When Cared for by Good Patrolman.

The first step in road improvement is to grade and drain the dirt roads thoroughly. It is surprising, after driving over some of our neglected earth roads, to see what a splendid road can be made by draining and grading alone, and how few days during the year it is out of commission when cared for by a good patrolman.

All Demand Better Roads.
The business man, the farmer, the truck driver, the pleasure seeker, are all asking and demanding better

Stories of Great Scouts

By Elmo Scott Watson

THE IRON NERVE OF SAM HOUSTON, THE VIRGINIAN

Courage and daring were qualities characteristic of all the scouts who won their right to fame in frontier history, but for iron nerve and pure grit Sam Houston was the peer of them all. Perhaps he inherited his fortitude from his father, who was a soldier in the Revolution; perhaps during his long stay among the Cherokee Indians he learned that a warrior bears pain without flinching.

Houston was a Virginian who had entered the army and risen to the rank of ensign at the outbreak of the Creek war in 1813. Gen. Andrew Jackson, "Old Hickory," had taken the field against the Creeks and, after a series of battles in which the Indians were defeated, they made a last stand at their fortified encampment, Tohopeka, in the Great Horseshoe bend of the Tallapoosa river, Ala.

During the assault on this fort, a barbed arrow struck Houston in the thigh. He tried to pull it out, but failed. The agony was frightful. Calling to a soldier, Houston commanded him to extract the shaft. Twice the man tried and failed, then begged to be relieved of the task when he saw the unspeakable torture he was causing.

"Try again," commanded Houston. "And if you fail, I'll run you through with my sword!"

The third attempt was successful, and as the barbed shaft was torn from the flesh, it was followed by a gush of blood. General Jackson, seeing Houston's wound, ordered him to the rear. The young ensign waited until Jackson had passed on, had a surgeon bind up the wound, and in a few minutes he was back in the thick of the fighting.

The high peak in Houston's adventurous life came in 1836 when, at the head of a little army of 800 Texans, with the battle cry of "Remember the Alamo!" on their lips, he defeated the hordes of Santa Anna, the Mexican dictator, at San Jacinto, and won freedom for Texas. He was elected first president of the Lone Star republic.

At the outbreak of the Civil war, Houston, who was governor of Texas, was bitterly opposed to the secession of that state from the Union. The Confederates forced him to resign. They required all men over sixteen to register and to carry a pass while traveling. Houston refused to do either. Once they stopped him and demanded his pass, "San Jacinto is my pass through Texas!" thundered the brave old man as he rode on.

Houston died at his home in Huntsville July 26, 1863, with the name of Texas on his lips.

OTIS NEWS.

Mr. and Mrs. R. B. Slesse made a business trip to Roswell on business this week, going Thursday and returning today.

Mrs. Elmer Hamilton and children are visiting her parents, Mr. and Mrs. T. Calvani, from the Hamilton ranch in the mountains.

Carl Smith and wife are absent on a business trip, going Tuesday morning and expecting to return tomorrow.

Misses Emily and Vera Calvani entertained their friends at a dance Wednesday night. All report a fine time.

The Coterie Club, of Otis, held their regular meeting yesterday at which all the members of the club were present with two exceptions, Mesdames Allen Tipton and Carl Smith. Mrs. Raymond Potet was the clever hostess of the happy affair and served delicate refreshments. The ladies each placed a friendship block of a quilt and presented them to their hostess, who will set them together and have a quilt the work of her friends' nimble fingers.

COAL SHORT AND HIGHER

Coal prices increase a little every month.

Up in the cold Northwest where coal is almost a matter of life or death, the price has about reached the point where homes of small means must do without.

In the Middle and Southwest, where in the winter there frequently are the greatest ranges of temperature, the situation is scarcely more favorable.

In most coal fields the price of soft coal at the mine in July of this year was cheaper than last year, but due to high rates and other expensive handling, the price of this coal, delivered, exceeds what the good-livers of Western states formerly paid in mid-winter for hard coal shipped clear from Pennsylvania.

In the Northwest, it costs a great deal more to bring coal from the mine to St. Paul than it does to dig that coal, pay all expenses of digging it, and subtract a fair profit, says the St. Paul Press. In several states rail rates have doubled the price of soft coal to the consumer.

If the people freeze this winter, high carrying charges of the railroads will be directly responsible for it, as they are largely responsible for the enormous spread between the prices of coal at the mine and the price the consumer is compelled to pay or do without. Expensive freight rates have had a greater effect on the price than any profiteering which may rightly be charged to combinations among the big coal companies.

Last year at this time 354,496,000 tons of soft coal had been mined. For the 8 months up to September 3 of this year, only 264,647,000 tons have been dug—the country therefore is \$9,849,000 tons short of "poor man's coal." He waited all spring and summer hoping that freight rates, or coal prices would come down. They didn't. They advanced steadily. He didn't or couldn't buy. Accordingly the mines and railroads have lost 50 million tons of business, for that coal shortage will never be made up.

Corn, an indispensable food product, will be burned for fuel this winter in every agricultural state because it is cheaper to burn corn than buy coal, altho in Russia and Armenia, thousands and millions must die meanwhile for lack of food.

It doesn't seem right and it isn't.

PROGRAM, OCTOBER 1.

To be given by Miss Johnston's music pupils:

The Turkey March, Filice Sellmeyer.

Happy Go Lucky March, William Purdy.

Volunteers March, Virginia West.

Old Black Joe, Francis Tracy.

The Hunt, Margaret and Agnes Rohmer.

May Day Waltz, Alice Carter.

Dixie, Mary Mullane.

Turkish March, Virginia Yates.

Teddy and the Moon, Gertrude Bell.

Down on the Farm, Mae Wright Dixon.

Morning Prayer, Helen Benson.

The Dragonflies, Marjorie Snow.

The Shepherd Boy, Lucile Myers.

Catch Me, Mildred Hutchison.

Hungarian Dance, Aurelia Sellards.

Love Song (Nevin) Mary Nette Reed.

Spring Song (Grieg) Elizabeth Purdy.

Dr. and Mrs. T. G. Veal, of Dallas, Texas, were in town this week, guests of the Crawford while here. The Veals were former residents of Roswell and enjoy a wide acquaintance among the people of the entire valley.

The next Chamber of Commerce luncheon will occur Saturday, Oct. 8th, 1921, at the Crawford Cafe.

LOCAL NEWS.

H. B. McAllister, business man of Santa Fe, is in town this morning.

W. T. Carruth, a cotton buyer from Pecos, is in the city.

Dr. M. B. Culpepper has returned from a business visit of some days duration in El Paso, and is busy with his practice once more.

Ed Lamb and wife of Artesia, are spending the week in Carlsbad coming down from their home Sunday.

M. Lewis, of the 9K ranch was in town yesterday, coming to meet C. Campbell, and son, lessens of the ranch, who come from Chickasha, Oklahoma, and accompanied Mr. Lewis to the ranch this morning.

W. B. Webster, representing the Cattle Loan Company, of Albuquerque, was in town this week looking after business for his company.

L. H. Daniel, who is with the Texas Oil Company, came in from El Paso, last night and is a guest at the Crawford hotel.

R. L. Slaton, of Coleman, Texas, joined the other cotton buyers in Carlsbad last night.

Mr. and Mrs. Paul Ares are expected to arrive in town from their home in the mountains today about noon and will remain here for several days.

Ed Burleson, Henry Hamilton and T. J. Pickens were among others in from Last Chance the first of the week.

Miss Annie Laurie Buie, who has been spending some time in Carlsbad with her sister, Miss Helen, who is a teacher in the public schools, left Wednesday for Hereford, Texas, where her parents reside. Miss Buie is a writer of some note and the Current has the pleasure of printing a poem from her hand in this issue of the paper.

Don't let the cost of an Abstract keep you from selling or getting a loan. See E. M. KEARNEY at the Court House.

L. C. Rice and E. T. Chase, prominent insurance men from Albuquerque, came in Wednesday and are still in town looking after business.

Marcus Snider and Frank Miller, cattle buyers from Colorado, Texas, were in town a part of the week.

J. D. Walker, for years a county official of Eddy county, being collector and treasurer in the old Territorial days, but now living on a ranch near Encinosa, this state, was in town a couple of days this week from his home.

Mrs. Jim Simpson, from Chalk Bluff ranch east of Artesia, spent part of the week in Carlsbad, coming down for medical attention, she having been indisposed for some time past.

Complaints are being heard on all sides about the young boys who are riding the vehicle known as "skate-mobile". While no desire is felt to limit the children in their sports, they on their part must give the sidewalk to ladies and children who are passing. Several children have recently narrowly escaped injuries and it is feared the matter will have to be taken before the city council.

R. F. Madera was in the first of the week from his ranch southwest of town in Culberson county, Texas. Mr. Madera says that everything is getting pretty dry in his part of the country but cattle are looking fine and the folks are in good health. He left on the return trip Thursday accompanied by J. H. Zimmerman, who will teach the school at the Madera ranch.

The Methodist ladies realized \$44.00 at their lunch sale on the courthouse lawn Tuesday. This amount will be applied to paying off the indebtedness incurred by repairing the church.

A merry bunch of little people gathered at the S. I. Roberts home in north Carlsbad. The occasion was designed to honor the fourth birthday anniversary of Eugene Roberts, the little son of Mr. and Mrs. E. A. Roberts. The children had a fine time and enjoyed themselves as only little folks can with games, stories and refreshments.

FOR RENT—A furnished house of five rooms in west Carlsbad, will be rented cheap to reliable party. Inquire of W. F. McILVAIN, office.

FOR SALE.

4 mares, broke to work, age 7 yrs. 1 mare, over 10 yrs old.

2 fillies, 15 mos. old, high grade stock.

1 heifer, 3 years old, half Jersey, be fresh this fall.

100 lbs. Sweet Clover.

30Sep4Novp FRANK WESLEY, Loving, N. M.

COTTON MARKET

(The following quotations on cotton are the latest received by Wertheim & Bynum, cotton buyers of this city, who get daily reports by wire.)

Price at Close of Market
Thursday, Oct. 6.
New York futures firm, December \$20.37.
New York January futures \$19.98.
New Orleans market very steady.
December futures, \$19.98.
January futures, \$19.75.
New Orleans spot cotton steady at \$19.50.
Houston spot cotton, \$21.00.
Galveston spot cotton, \$21.25.

ANNUAL CHARITY BALL.

The annual Elks Charity Ball, one of the big social events of the season, will be given at the Armory Friday, November 4th. Many Elks and their friends from every point in the valley have already expressed a desire to visit the Stray Elks of Carlsbad at this time and a big time is expected.

A party at the home of Mr. and Mrs. Richard Smith, Tuesday afternoon, delighted the children in the neighborhood and honored the fifth birthday anniversary of "William E." the young son of the family. The children played outdoor and indoor games and were delighted at the appearance of the big birthday cake with its five lighted candles and the lovely ice cream which was served so plentifully at the close of the play. The little boy received some nice presents from his friends and has the good wishes of all who know him for many pleasant returns of the day. The guests were Emily Geer Moore, Harriet West, Francis Riley, Zulene and Jane Polk, Ruby Francis and Gladys Fay Beach, Ursula, Nettie and Julia Clark, Tom Parker, Ju for Hopk ns, Howard and Delwin Smith, and his brothers, Sam B. and Richard, and cousin, James Smith.

George Dauron, a nephew of Judge Dauron, of Lakewood, left Tuesday night for Los Angeles, but announced his probable return in the not far distant future.

Miss Georgia Wallace has resigned her position with the First National Bank, to take effect upon the return of Mr. Bell, who is spending a month on the coast. Miss Wallace expects to accompany her sister, Mrs. Helen Wallace Snow, when she returns to her home in Denver, and will probably take a similar position in that city. Her successor has not yet been appointed.

The awning in front of the Mercantile dry goods company store is in the hands of the painters and will be decidedly improved when they finish their work.

FOR SALE.—I am offering for sale at a reasonable price, my home on Alameda street; house has four bedrooms, dining room, living room and kitchen and bath room. Has sleeping porch partly glassed in. A good piece of property in excellent repair. Call Mrs. Beals.

C. I. Cary and wife, of Plainview, Texas, were in town from that place yesterday enroute to El Paso, where they expect to locate. They had a large Ford truck to carry their household effects and they were making the trip in another car.

Rev. G. H. Givart left Thursday night for Artesia, in order to be present at the opening of conference. Mr. Givart has not missed a roll call for thirty two years.

S. C. Simpson was brought to Carlsbad from Menard county, Texas, last Saturday and taken to Sisters' hospital where he was operated on for the removal of a cancer from his face. He is the father of W. W. Simpson, and is quite old.

The ex-service men wish to extend their grateful thanks and appreciation to Mrs. Walter Craft and the other ladies of the Red Cross, who worked so faithfully during the visit of the "Clean-up Squad" and at all other times. The local organization of the Red Cross is always ready and anxious to do all they can for the ex-service men and their families.

Mrs. Will Ed Carter entertained the weekly session of the Bridge Club at her home last Wednesday afternoon. Eighteen ladies were present and the afternoon was pleasantly spent with dainty refreshments at the close of the games.

METHODIST BISHOP VISITS CITY.

Bishop Du Bose, Presiding Elder J. C. Jones, Rev. F. B. Faust, of Pecos, and Rev. J. C. Rice, of Odessa, Texas, came in Tuesday morning from Pecos, where the Bishop preached Monday night, and continued on their way to Artesia where they expected to arrive Tuesday in time for the midday meal. They traveled via automobile in much comfort, but were a little travel-stained when they reached here, and only remained long enough to wash up before starting on the last lap of their journey.

ETHEL.

(From Pecos Enterprise.)
School was done; and red shone the sun
On the Titian hair of our Littlest One.
As homeward her eager steps she turned,
To tell of lessons newly learned.
In her prattle gay, she paused to say:
"What is Heaven like?"—"Is it far away?"
Then wistful grew her face so fair,
And she said, "I think I'll like it there."

An angel ear, attuned to hear
Earth's sweetest sounds, drew very near.
Then, touched by the child's sweet winsome grace,
The angel kissed her upturned face.
September 14, 1921.

Wide with surprise, her wondering eyes
Caught a fleeting glimpse beyond the skies;
And, still from the vision all aglow,
She said, "I'll like it there, I know."

And then—ah then, she was kissed again,
And swiftly borne from mortal ken;
Leaving our world without a sun,
As we call in vain for our Littlest One.

But methinks, today could we pierce the gray,
We would brush the tearclouds from our eyes away;
For her same bright smile, so radiant, so rare,
Would tell us again that she likes it there.
K. M. B.

A wire received announces the arrival Saturday of A. J. Muzzy, who will come at that time for his annual visit to the city, looking over the property of the Public Utilities Co., of which he is president.

LOCAL NEWS

Reverend Terry, of Dayton, spent some days in the county seat the last of the week.

Mrs. J. Floyd Hart returned the first of the week from a visit to Mr. Hart at Willard, New Mexico, where he is in charge of a pumping station on the Santa Fe.

G. L. Montgomery and wife left Wednesday for Dallas, where they will attend the Texas State Fair and go from there to Kansas City for a visit with friends, remaining away altogether about a month.

Marvin Livingston returned Friday night from a visit to his baby now at the home of her grandparents, Mr. and Mrs. Tom Jones, during the absence of her mother who is spending the summer in California.

Mr. and Mrs. L. L. Cook, of the M. L. ranch were in town Saturday doing some shopping. We are pleased to know that Mrs. Cook's mother, who was so seriously ill a few months ago, has almost entirely recovered her wonted health.

J. H. Zimmerman returned the first of the week from an overland trip to Jai where he accompanied his brother, Fred, with a load of household goods.

OPEN EVERY DAY

A JUVENILE PARTY.

Twenty-six little girls enjoyed a party given at the home of Mrs. Belle McCord Saturday afternoon to observe the eighth birthday anniversary of the little Hazel Marie McCord, and had a delightful time playing games of different kinds. At the proper moment, a big birthday cake with its tiny green candles was produced and admired by the little ones, who afterward enjoyed it and the delicious homemade ice cream which accompanied it. Hazel received some nice presents, tokens of love from her playmates, and has the best wishes of all who know her for a happy and useful life, with many more birthdays as gay and carefree as the one just passed. Mesdames Hopkins, Ray Hewitt, King, A. Moore, and Miss Pauline Johnston were the grown-ups present.

Rev. and Mrs. J. S. Perry, son, Francis, and daughter, Miss Essie, arrived on the train from the south Friday night, coming from Big Springs, Texas, and will make this city their home, being parents, brother and sister, respectively, of the editor of the Current.

R. B. Knowles was down from Lakewood this week on a business visit.

Indigestion

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

**Thedford's
BLACK-DRAUGHT**

for indigestion and stomach trouble of any kind. I have never found anything that touches the spot, like Black-Draught. I take it in broken doses after meals. For a long time I tried pills, which gripped and didn't give the good results. Black-Draught liver medicine is easy to take, easy to keep, inexpensive."

Get a package from your druggist today—Ask for and insist upon Thedford's—the only genuine.

IMPROVED UNIFORM INTERNATIONAL Sunday School ' Lesson '

(By REV. P. B. FITZWATER, D. D.,
Teacher of English Bible in the Moody
Bible Institute of Chicago.)
(©, 1921, Western Newspaper Union.)

LESSON FOR OCTOBER 9

PAUL AT EPHESUS.

LESSON TEXT—Acts 19:1-4.
GOLDEN TEXT—Thou shalt worship the Lord thy God, and him only shalt thou serve.—Matt. 4:10.

REFERENCE MATERIAL—Rev. 2:1-7.
PRIMARY TOPIC—Paul a Loving Friend and Minister.

JUNIOR TOPIC—Paul and the Silver-smiths.

INTERMEDIATE AND SENIOR TOPIC—Experience in Ephesus.

YOUNG PEOPLE AND ADULT TOPIC—Planting the Gospel in a Center of Paganism.

I. John's Disciples Become Christians (vv. 1-7).

These twelve disciples had only been taught the baptism of repentance as a preparation for the kingdom of God. Paul taught them to believe in Christ, that is, to receive Him as the One who had on the cross provided redemption for them.

II. Paul Preaching in Ephesus (vv. 8-10).

1. In the Jewish synagogue (v. 8). His message is characterized by: (1) boldness. He realized that God had sent Him and that His authority was back of Him. (2) Reason. He reasoned with them. God's message is never sentimental nor arbitrary, but in accord with the highest reason. (3) Persuasion. It is not enough to come boldly with a reasonable message; it must be accompanied by persuasion. (4) Concerning the kingdom of God. He did not discourse on current events, literature, or philosophy, but upon the message of salvation through Christ.

2. In the schoolhouse of Tyrannus (vv. 9, 10). Paul's earnest preaching only hardened the Jews. When they came out and spoke openly against this way of salvation in Christ, Paul separated the disciples from them and retired to the schoolhouse of Tyrannus.

III. God Working Miracles by Paul (vv. 11-16).

So wonderfully did he manifest His power that handkerchiefs and aprons brought from Paul's body healed the sick and cast out evil spirits from those whose lives had been made wretched by them.

IV. A Glorious Awakening (vv. 17-41).

1. Fear fell upon all (v. 17). News of the casting out of these evil spirits created impressions—favorable to Christianity.

2. It brought to the front those who professed faith in Christ while not living right lives (v. 18). They believed, but had not broken from sin.

3. Gave up the practice of black arts (v. 19). This means forms of jugglery by use of charms and magical words. All such are in opposition to the will of God; therefore no one can have fellowship with God and practice them. They proved the genuineness of their actions by publicly burning their books. Though this was an expensive thing—valued at about \$12,500—they did not try to sell the books and get their money back. When you find you have been in a wrong business, make a clean sweep of things; burn up your books on Spiritualism, Christian Science, etc.; empty your whisky and beer into the sewer, and have a tobacco party similar to the Boston tea party.

4. Uproar of the Silver-smiths at Ephesus (vv. 23-41). (1) The occasion (vv. 23, 24). This was the power of the gospel in destroying the infamous business of Demetrius and his fellows. It was clear to them that idolatry was tottering before the power of the gospel. They were not interested particularly in the matter from a religious standpoint, but because it was undermining the principal business of the city. (2) The method (vv. 25-29). Demetrius, a leading business man, whose business was the stay of others of a similar nature, called a meeting and stated that much people had turned from idolatry and that the market for their wares was materially weakening. He appealed to his fellows (a) on the ground of business, saying "This, our craft, is in danger of being set at naught." (v. 27). (b) On the ground of religious prejudice. He said "The temple of the great goddess Diana should be despised" (v. 27). He became quite religious when he saw that his business was being interfered with. His speech gained him aid; the whole crowd was enraged and yelled in unison, "Great is Diana of the Ephesians." The mob was quieted by the tact and good judgment of the town clerk.

The Fall of Jerusalem.
And Nebuchadnezzar, king of Babylon, came against the city, and his servants did besiege it. And he carried away all Jerusalem, and all the princes, and all the mighty men of valor, even ten thousand captives.—II Kings, 24:11 and 14.

The Day of Reckoning.
And they consider not in their hearts that I remember all their wickedness; now their own doings have beset them about; they are before my face.—Hosea, 7:8.

L. A. Smith, of Mountain View, Missouri, a friend of Arthur Renick, came into Carlsbad the last of the week and remained here several days. Mr. Smith had recently traded property in Missouri for land in the northern part of this state and is now wishing he might make a deal so that he could locate in or near Carlsbad, for which place he has a sincere liking.

CAPPER GOES BACK WITH FACTS

After a busy week in the home state, Senator Capper has returned to Washington loaded with information that he believes will be useful to the Joint Congressional Agricultural Inquiry of which he is a member, and helpful in putting the farm program thru Congress. He will also lay a report before the President. The Kansas senator found at the Kansas Free Fair an ideal opportunity for meeting the home folks and men from all surrounding states. He came into close down to date touch with the general situation in the Southwest. "My visit home," he said just before leaving for Washington, "has only confirmed my views that the farmers need relief and the best attention of the government. I shall go back to Washington prepared to work harder than ever for a general reduction in rail rates, for a real farm credit system, for co-operative marketing legislation and the other measures we have been working on. As the Joint Commission of Inquiry will not come here, the Commission will depend to some extent on the observations I was able to make while in the west."

Oscar Mercer was summoned to appear at Santa Fe as a member of the Federal petit jury now in session, and left Saturday night.

LOCAL NEWS.

FOR RENT.—Two furnished
rooms for light housekeeping. In-
quire of Mrs. W. G. BROWN. tfo

Mrs. Stanford left Tuesday night
for Artesia to attend the Annual
Conference now in session there. She
will stop with her friend, Mrs. But-
lock.

W. T. Joyce, of Franklin, Ten-
nessee, is spending some days at the
home of his nephew, J. F. Joyce, in
Carlsbad. Mr. Joyce is the father
of Paul Joyce and has just returned
from visiting Mr. and Mrs. Paul
Joyce in Cleveland, Ohio, and left
them both well and happy.

Mrs. Simons, of Chicago, mother
of Mrs. Roy Waller, arrived in the
city this week for a visit at the Wal-
ter home, where she has frequently
visited in the last few years, making
many friends for herself among our
ladies who are always delighted to
welcome her on her visits.

Mrs. Martha Ward Livingston and
a number of close friends held a
picnic at the Cleveland home near
Malaga Monday. They had a fine
time and were joined by a number
of folks in that neighborhood who
have been friends for years and the
occasion was memorable because of
that fact.

Mrs. Add Owen and little son,
Addison, Jr., returned Tuesday from
Carlsbad, N. M., where they had been
the last few weeks with Mrs. Owen's
parents. They also visited at the
McCombs ranch in the Guadalupe
mountains.—Pecos Times.

The dance given by Carlsbad men
honoring the ex-service men who
were here on business before the
"Clean-up Squad" Monday night was
very pleasant and a most enjoyable
and entertaining the visitors and
townsmen as well.

Mr. and Mrs. Richard Westaway
were in town from their ranch in the
foot hills the first of the week.

Farmers west of town have been
threshing their alfalfa seed this week
and find it made a crop larger than
was anticipated, yielding on an aver-
age 300 pounds to the acre. As
the seed meets with a ready sale,
this crop will help out a lot.

Mr. and Mrs. W. W. Smith were
in from their ranch on Black river
Monday shopping.

EU PASO GAP ITEMS.

I take this method of letting the
readers of the Current know that El
Paso Gap is still on the map of New
Mexico, but it is awfully dry here
and extra hot weather. August and
September were the hottest and
driest months that we have had for
several years past. Crops are just
medium good and most all of the
feed crops have been cut. W. R.
Shattuck has cut about 75 tons of
feed stuff and he is still cutting. He
sure will make those poor cows smile
this winter. There is plenty of stock
water for the winter use.

This section of the country was
well represented in Carlsbad last
week. Those going down were
Messrs. W. R. Shattuck, Tom Middle-
ton, Collins Gerrell, Ralph Thayer,
Bautisto Barberia, J. C. Todd, Jim
Etcheverry and Martinez Arreguy
and they were all a jolly set of boys
to meet in the City Beautiful.

The Cox Brothers, Seibay, Nathan
and Zack, are shearing their goats.
The goats are in good shape for
shearing and will get a good crop
of mohair this fall.

Charlie Elliott and Alfred Daugh-
erty left the Gap yesterday for the
cotton fields some where in the val-
ley. They are going to try and pick
enough cotton to make the whiskers
for old Santa Claus this coming
Christmas.

J. R. Tidwell and Henry Thorp
left the Gap for the city on the Pecos
a few days ago. Henry went down
to prove up on his homestead.

B. B. Polk and two friends passed
through the Gap yesterday on their
way from El Paso, Texas to Carls-
bad. They delivered a bunch of
horses in El Paso for the Mexican
government.

Lee Magaby and wife returned to
their ranch from Carlsbad bringing
out a load of supplies for the ranch.
Elliott Daugherty has just finished
a new tank for C. E. Thomas on
his additional homestead. He also
has built two miles of four wire
fence, enclosing about 120 acres for
a weaning pasture.

Uncle Joe Plowman came over to
the Gap from his ranch last Satur-
day. Uncle Joe will start his slaugh-
tering house in the near future and
he certainly has some fine porkers
to slaughter this winter.

It is cloudy at this writing and
we do hope it will rain, for it is
very dry out here. A good rain
would start the grass again. We
have not had any frost here in the
valley yet and as it is dry, it may
be two or three weeks before we
have frost.

**\$10,000,000 AID
FOR VETERANS**

Red Cross Provides Friendly
Service of Many Kinds to
Army of Disabled.

BULK OF WORK BY CHAPTERS

2,397 of These Are Helping Ex-
Service Men Obtain Bene-
fits U. S. Provides.

One field of Red Cross service alone,
that of assisting disabled veterans of
the World War, entails expenditures
\$4,000,000 greater than the aggregate
receipts of the Annual Roll Call of
1920, the American Red Cross an-
nounces in a statement urging a wide
spread increase in membership at the
Annual Roll Call, November 11 to 24.
At the present time National Head-
quarters and the nation-wide chain of
Chapters of the Red Cross is spend-
ing approximately \$10,000,000 annu-
ally for the relief of disabled ex-service
men and their families, while the ag-
gregate receipts from last year's Roll
Call were approximately \$6,000,000.

It is in the 2,289 of the 3,000 Red
Cross Chapters which still are helping
solve the veteran's problem of adjust-
ing himself to a normal civilian status
that the greater part of the cost of this
service is borne. Of the total sum-
spent for veterans' relief last year,
National Headquarters expended a to-
tal of more than \$2,600,000, while the
remaining disbursement of approx-
imately \$7,000,000 represents the con-
tribution of Chapters in this country-
wide effort to assist the Government
in providing the aid sorely needed by
these men and their families.

An Ever Expanding Problem

That the problem of the disabled
service man is ever-expanding and
probably will not reach the peak be-
fore 1925, is the assertion of well-in-
formed Government officials and that
2,397 Red Cross Chapters regard it
as their most important work is evi-
dence that the expansion is in no wise
confined to a particular section but is,
on the contrary, nation-wide. At the
end of the fiscal year, June 30, 1921,
there were 26,300 disabled service men
in the 1,892 United States Public
Health Service, Contract and Govern-
ment Hospitals and Soldiers Homes,
and that number is increasing at a
rate of 1,000 a month.

Thousands of these men receiving
medical treatment, compensation and
vocational training from the Govern-
ment today, started their efforts to
obtain them through the Red Cross
Chapter. The Chapter, acting as the
disabled man's agent in claims against
the Government, informs the man as to
the procedure necessary to gain for
him that which is provided him by
Federal statute. His applications for
compensation, medical treatment and
training are properly filed with the aid
of the Red Cross Chapter.

Many Forms of Assistance

If there is delay before the man's
claim is acted upon, the Red Cross
Chapter lends the man money to meet
the imperative needs of himself and
his dependents.

Most vital to the man's gaining full
benefit from the Government's care is
keeping his mind free from worry about
his home. Keeping the veteran's fam-
ily from hardship of every kind and
informing him of its welfare is an
other province of the Chapter. Free
from fear on this score, the man's re-
covery and advancement usually is
rapid.

Every month during the last year,
the American Red Cross has given
service of one kind or another to an
average of 129,215 former service men
and their families. An indication of
the extent of the faith reposed in the
Red Cross Chapter is to be found in
the fact that there were 356,544 re-
quests for friendly aid in the solution
of personal problems.

448 Workers in Hospitals

While the man prior to entering
Government care deals largely with the
Chapter, afterward he comes into con-
tact with the service provided by Na-
tional Headquarters. There are 448
Red Cross workers in the United
States Public Health Service and con-
tract hospitals and other institutions
in which these men are being cared
for, whose duty is to provide for his
recreation, help him with his compen-
sation claims, keep him in touch with
his family; in short, meeting his every
need outside of that provided by the
Government. While these are a few
of the responsibilities of the National
Organization, they are by no means
all. Among other Red Cross accom-
plishments for the year are:

Handled 70,732 allotment and al-
lowance claims.

Delivered through its Chapter or-
ganization 63,655 allotment checks to
veterans who had moved from the ad-
dresses furnished to the Bureau of
War Risk Insurance.

Provided a special fund of \$10,000
for medical assistance to men under
vocational training.

Made 32,495 loans totaling \$450,000
to men taking vocational training, of
which 85 per cent has been repaid.

State National Bank of Carlsbad

Farm Talk No. 12

The following is a quotation from a letter we received
from a South Dakota farmer:

"It seems good to me that your bank is showing an
interest in the farmers as well as in the stock ranches.
The advice given out to the farmers by the Bank is, I
think, excellent, and will be followed by many of them,
to their own great benefit and the lasting benefit of that
gem of an irrigation project. It is high time for us
farmers to farm on earth instead of in the clouds.
'Getting rich quick' by wonderful schemes is much more
elusive than getting 'on easy street' by faithfully milk-
ing the cow, feeding the hogs, and raising the egg-
producers. The fundamental principles of '100 per
cent' farming in the Carlsbad Project are the same as
they are in New York, Illinois, or South Dakota. Farm-
ing from an automobile, like being elevated with 'old
crow' may make a man feel rich and pity the old fash-
ioned farmer, but that feeling is apt to be more or less
ephemeral."

**"AUNT SALLIE" SLAUGHTER'S
BIRTHDAY CELEBRATED.**

A merry crowd of old time friends
and neighbors met at the home of
Mrs. John Lucas, in North Carlsbad
Monday afternoon for a celebration
of the birthday of Mrs. Sallie Slaughter,
known and loved by all Carls-
bad where as "Aunt Sallie" she has
endeared herself to all with whom
she comes in contact, especially the
sick and distressed. The affair was
designed as a surprise but the sur-
prise part was accidentally given a-
way, however, the gathering of these
old friends was none the less en-
joyable on that account. "Aunt Sal-
lie" received some dainty gifts and
enjoyed the events of the afternoon
as much or more than any one else
present.

Ice cream and two kinds of cake
were the refreshments served and
the following ladies were the
guests: Mesdames Hannah, George
and John Lucas, Thorne, Stewart,
Leck, Kindel, Dick Hays, Daugherty,
George Williams and A. Moore; Mrs.
Gladys Eakin and the honor guest.

"Aunt Sallie" Slaughter. During the
afternoon Mesdames Moore and
Thorne entertained the company
with a number of readings.

Mr. and Mrs. R. D. Fuller, of
El Paso, announce the marriage of
their daughter, Florence Evelyn, to
Mr. William Bryan Love, at El
Paso, Texas, on Monday, September
12th. The newly married pair will
be at home to friends after Sep-
tember 25th, at 1015 Munday St.,
El Paso. The bride and her par-
ents are well remembered in Lov-
ington. Mr. Fuller at one time being
book-keeper in the First Territorial
Bank and later was Secretary-Treas-
urer of the Llano Loan Co.—Lov-
ington Leader.

A. J. Foster and sons, J. N. and
Lloyd, of Lakewood, were down from
there Monday and Tuesday of this
week attending to various business
matters.

GATES TIRES

Made in the West by American Workmen

NOBODY QUESTIONS THIS—

Every experienced motorist knows
that it's the tread of his Tire that
tells the story.

When the rubber tread wears out
there is not more than a few hun-
dred miles left in the Tire.

Perfectly obvious, isn't it, that a
wider and thicker rubber tread will
wear longer?

That's why the Gates Super-Tread
Tire is making friends so fast — it
has a lot more miles in it.

TWO KINDS OF STORES

Which is yours?

One kind of store is concerned with pleasing you with prices; quality is sacrificed to make the prices more alluring.

The other kind of store is concerned with pleasing you with fine quality. It sells good clothes for as little as possible but it never lowers its quality standards. It knows that good merchandise properly priced is always economy.

This is our kind of a store;

WHICH IS YOURS?

WESTAFER.

After a very brief illness, Mrs. E. D. Westafer passed away early Wednesday morning at the Sister's Hospital, her death being caused by a complication of diseases.

She arrived here about two weeks ago from Great Bend, Kansas, to spend the winter with her daughter, Mrs. C. L. Grant. She was taken sick on the train enroute from Clovis, and as soon as she arrived here was taken at once to the hospital where all was done for her that human hands could do but she was unable to rally enough that an operation might be performed and passed away peacefully to her last rest, a sad termination to what would have been a happy visit with her daughter and family here.

She leaves to mourn her loss, her husband, two sons, Frank, of Great Bend, Kans., Roy, of Los Angeles and two daughters, Mrs. James Guy, of Wilkinsburg, Penn., and Mrs. C.

L. Grant, of this city, also four grandchildren. Mrs. Westafer was born March 9th, 1860. Of a cheerful, sunny disposition, even up to the very moment of her death, the passing of this beautiful character marks the closing chapter of a life well spent in administering to the needs of her children and friends.

Mother—thou art not dead—nor yet sleeping.

But have gone on, a little way ahead

To prepare the way for the feet of those

Whom you have left to mourn.

Thou shalt yet guard our way

As in days when we know not

The dangers that lay before us

And we will still follow the path

That leads to our Mother.

The body, accompanied by her husband and three of her children and their families, left Wednesday night for Newton, Kansas, where interment will be made.

—CONTRIBUTED.

PRODUCING THE FINISHED PRODUCT.

The producing and shipping of feedstuffs in the rough has never been exceptionally profitable, due to the bulk of the product. Today, with high freight rates, growers of alfalfa and other feedstuffs find themselves confronted by an almost insurmountable barrier. Yet there is a way over. It is a shorter way than the old road which leads to distant points with both feedstuffs and beef cattle.

More beef cattle originate in Texas than in any other state in the Union. Other Southwestern states also are heavy producers of livestock, and like Texas, ship calves and steers to distant parts to be finished for the market, also shipping much feedstuffs. The way over is to establish feeding stations in districts where there is a heavy production of feedstuffs, and for each farmer to become interested in finishing a few head for the market. Southwestern cattle can be finished for the market, so our feed experts say, much cheaper at home than they can in Kansas, Illinois, or Iowa. Then why ship them hundreds of miles to be returned to us in form of expensive beefsteaks? Why ship both animals and much feedstuffs to be consumed by them and then pay the freight for the return of the finished product?

Another advantage of feeding at home will be found in the opportunity of building up the soil. When we ship cattle and feedstuffs we are also shipping fertility. We are robbing ourselves by paying double freight and robbing the soil by removing its food elements.

A livestock farmer—the man who grows his own feed and keeps enough animals to consume it—is generally the most prosperous man in his community, no matter what the market is. He has a better farm than his neighbors and more home comforts. A community of livestock farmers is generally a prosperous community. This being true would it not be in line of progress to add livestock to our scheme of diversification on more farms in the Southwest?—Farm & Ranch.

NOTICE:

Owing to unavoidable circumstances the week-end encampment which was to be held tomorrow and Sunday by Troop B, is postponed to a later date, after the return of the men from their encampment at Ft. Bliss.

Madam Thorne is caring for the three young children of Mr. and Mrs. Harry Thorne while their parents have taken the youngest child of the family to a specialist in the east for treatment for some obscure stomach trouble.

COMMUNICATED.

Facts concerning the death and burial of Ben Gaither: Ben Gaither, son of Mr. and Mrs. John Gaither, ranch near Lovington, N. M., born January 6th, 1897, and died at 5:30 P. M., September 23, 1921, being 24 years of age. He died within 20 miles of the place where he was born. He was attending to cattle belonging to J. H. Holt, which were on pasture at Rankin, Oklahoma. He became ill with appendicitis and was taken to Elk City, Oklahoma, where he was operated on and where he died. His mother and J. R. Holt went up in response to the message stating he was ill, but arrived after he had passed away. Ben was a New Mexico Military Institute student of the class of 1917. He served in the navy ten months during 1917 and 1918. All of his immediate relatives attended the funeral, among which were Mr. and Mrs. Cathert, sister and brother-in-law of Mrs. Gaither, from Jayton, Texas. W. B. Bingham, brother of Mrs. Gaither, from Aspermont, Texas. Mr. and Mrs. C. B. Jackson, daughter and son-in-law of Mr. and Mrs. Gaither, from Artesia. Mr. and Mrs. J. W. Wells, of Carlsbad, second cousin of the deceased. The pall bearers were either school chums or associates while in the navy. They were: George Graham, Spencer Graham, John Granger, Benson Merchant, Denver Thompson, Chas. Beals. The funeral was conducted by Mrs. Laura Kelly of Portland, Oregon. Mother requests that you publish the following extract from the funeral service:

"The sad, sudden announcement of the decease of Ben, touches the heart of everyone. You all knew him as a typical cowboy with a heart as big as the range he rode. He has now passed through the shadow of death into the great forever. His relatives and friends shed the 'unavailing tear'."

"He is the great loved and lost of all who knew him. It was a comfort to his father and mother to have those who attended him at the last, even though they were entire strangers, tell him how brave, happy and courageous he was. They expressed much love and praise for him, declaring he was one of the most cheerful and happy patients they had ever had. My soul reaches out to God for your support and consolation and victory—trust in Him whose love enfolds thee, thou wilt keep him in perfect peace, whose mind is stayed on thee because he trusteth thee."

"Divine love is never so near as when all earthly joys seem most afar. Our dear son, brother and friend has passed earth's shadows into life's substance through a momentary mist. He beheld the dawn, he awaits to welcome you where no arrow wounds the eagle's soaring—where no partings are for love—where the high and holy call you again to meet. 'I knew thou heardst me always', are the words of Him who subdued sorrow, and we rejoice in knowing that our dear God comforts such with the blessed assurance that life is not lost. It's influence remains in the minds of men and divine love holds its substance safe in the certainty of immortality—'In Him was life, and the life was the light of men.'"

Songs used at the church were: "Lead Kindly Light", and "By the Touch of His Hand on Mine." Short grave service, reading of the 91st Psalm, and the song: "When the Roll is Called up Yonder" was sung, which was a favorite of the deceased.

There will be morning worship at the Presbyterian church Sunday, and the sermon will have to do with "Portable Piety". Church school will be held at ten o'clock, and at seven the Endeavor Society will meet and besides having devotions will engage in Bible study. Prayer meeting will be conducted Wednesday evening at seven-thirty, and the course in study of The Revelation will be continued.

BISHOP DU BOSE VISITS CARLSBAD.

Carlsbad people in general and members of the Methodist Episcopal Church, South, in particular were favored by a visit and sermon from Bishop Du Bose, of the above named church, last Sunday. The Methodist people had arranged to entertain the distinguished divine on Monday, but word was received late Saturday that he would arrive here on the train from the north Sunday afternoon. Announcement to that effect was made by printed notices and announcements in the various churches and a large congregation gathered at the hour for evening service. The church auditorium, which had been recently repaired and put in order, was taxed to hold the people who were anxious to hear and see a man of such prominence in the religious world.

Special music was rendered by a large choir and Miss Higgins sang a beautiful solo with fine effect. The cut flowers which adorned the pulpit and the front of the room added to the attractiveness of the scene. Bishop DuBose preached a wonderful sermon on "The Joy of the Lord," and was greeted by an absolute silence during his remarks. A man of fine presence, with a good voice and splendid delivery, his sermon was what one would expect it to be from a man occupying the position he does. Besides, as Reverend Givan said in his introduction, we in this part of the country, seldom have an opportunity to hear a bishop.

A reception was given to Bishop DuBose at the Palace hotel at 5:30 which was attended by sixty-four persons. The dining room, always pretty and attractive, was more so at that time, the tables being centered with bright autumn flowers, plucked from Mrs. Chaytor's own garden for that purpose, and the menu was all that the most exacting could desire. Fried chicken, buttered peas, creamed potatoes, salads, olives and pickles and delicious ice cream, cake and coffee, or tea. The service was all that could be desired, and the food perfectly cooked as is everything served by Mrs. Chaytor, the proprietor of the Palace. She has been catering to the people of Carlsbad for several

years, but the dinner Sunday night surpassed even her former efforts. In the receiving line, were Bishop DuBose, Reverend and Mrs. Givan and Rev. J. C. Jones. Reverend Givan called on Judge J. W. Armstrong to speak a few words of welcome to the distinguished minister, who responded, telling some of his travels as well as the joys and trials of the life of a Bishop of the Methodist Episcopal Church, South.

At the close of the dinner, at the suggestion of Edwin Stephenson, two starwars of the good old Methodist hymn, "Blest be the Tie That Binds," were sung, and the company dispersed, most of them going to the church for the sermon which followed.

Don't forget the Chamber of Commerce luncheon on Saturday, October 8th, 1921, at the Crawford Cafe.
