HELD ON RAPE CHARGE

Claude Lasiter, who has been working in the Hinman barber shop in Estancia several weeks, was arrested on the train from Santa Fe Sunday night by Sheriff Block and Constable Brittain. He is accused of rape upon the person of Miss Miller, daughter of C. C. Miller, who lives southwest of Willard near the mesa.

He was taken before Justice Garcia at Willard Monday, where he waived preliminary and was held to the grand jury under bond of \$2,500. He furnished bond with his father and grandfather as sureties.

The alleged crime was committed on Saturday night at Willard.

The girl's story is in substance that she had been keeping company with the accused man's brother, that her family objected and forbade keeping company with him. That at a dance at Willard Saturday night he enticed her to go with him by saying that he had a message from his brother for her. She got in a car with him and he took her to the ball park, where he criminally assaulted her, choking and maltreating her and tearing her clothes to tatters in the act. He then forced her to get in the car with him to return. On the way they met her brothers, who had missed her from the dance hall and were searching for her. Lasiter stopped the car and started to back the car, when she jumped out. In backing he ran into a fence and left the car, escaping in the darkness.

The girl's body is said to show a number of bruises and injuries.

Lasiter is a married man and has a family at or near Mountainair.

DEATH OF D. C. KINSELL

D. C. Kinsell, president of the Farmers State Bank of Moriarty, died at his home in Moriarty last Friday after an illness of about ten days.

Short funeral services were held at Moriarty Saturday afternoon, and on Sunday the body was taken to Santa Fe, where a funeral service and burial took place.

Deceased leaves a wife and five children—four daughters and a baby boy—his mother and one brother.

He was about thirty-three years of age.

Mr. Kinsell was a fine man in every way, and a public spirited citizen whom the community can ill afford to lose.

The father, Harry Kinsell, who died a few years ago, was an old settler of New Mexico. At the time of the birth of D. C., the family lived at Cerrillos; later at Santa Fe, then at Stanley and Moriarty. At the two latter places the father and two sons, R. C. and D. C., engaged in the mercantile and live stock business. The business was always a family affair, and after the death of the father the mother was associated with her sons in the business.

A very large circle of friends in Santa Fe and Torrance counties join with the bereaved relatives in sincere sorrow for the untimely death of a good man.

The Belen Cut-off of the Santa Fe was a very busy line for several days the past week. Due to washouts north and south many trains from lines in Colorado and as far south as El Paso were detoured over this line. These trains were from a number of different lines besides the Santa Fe.

THE AVENT HABEAS CORPUS HEARING

The case of Howard Avent came up in district court last Friday on a writ of habeas corpus and application for bail.

As stated in last week's paper Mrs. Lackland and the Firemen's Brotherhood, or members of that order, had employed Attorney H. B. Hamilton to contest the granting of bail.

Eight witnesses were examined—Avent, Mr. and Mrs. Smith, Miss Clark, Constable Johnson, McClain and Ramsdale, and Mrs. Avent.

Avent testified in substance that a few days previously at Carrizozo Lackland had threatened him with a dirk knife, but he had managed to get away from him, and that meeting him a number of times afterward Lackland had assailed him with abusive language and vile names, and had threatened that he would do him up, or something to that effect. Also as to Lackland's visit to his house a short time previous to the killing and to his threat at that time to Avent's wife that he would kill Avent on sight. That he considered it best to leave town in order to avoid a meeting with Lackland and went to the depot for that purpose, but there met Lackland, who threw his hand to his rear pocket as if to draw a gun; that as Lackland's hand lifted his coat he saw the butt of a revolver; that considering what he saw and the fact of the previous threats, he believed his life to be in danger and fired in self defense.

Mrs. Avent testified that when the train pulled in she was watching for her husband and saw him standing in the door of the express car and beckoned to him to come (the house being in plain sight of the depot.) He got out and went through the depot, as he explained to see whether there was any telegrams or orders for him and finding none passed out at the opposite end of the building. Mrs. Avent saw him and beckoned to him again to come to the house. He went to the house and she told him that a few hours previously Lackland came to the gate and called. She went to the door and he asked where Avent was. She made no reply but turned to re-enter the house and picked up her little child who was in a swing on the porch, and as she did this Lackland called out, "I will kill the red-headed s-b on sight."

There was nothing new in Miss Clark's testimony. As far as it went it corroborated the testimony of Mrs. Avent as to the visit of Lackland and others to Avent's house and the language there used by Lackland to Mrs. Avent, although she could not hear all that was said. Her home is near that of the Avents.

Mrs. Smith, keeper of a boarding house, testified that Lackland came in and ordered supper before the other men, and sat down to eat, but heard the train coming and left the table hurriedly before finishing and walked out. Three of his comrades came in and ordered supper and she was drawing coffee for them when shots were heard. They jumped up and one (McClain) exclaimed, "That's Charley (Lackland) now!" And they went out.

Mrs. Smith's husband testified that he helped undress the body of Lackland and found a pair of knucks in a pocket of the dead man's trousers; that one of Lack-

FREIGHT CAR ROBBED

Sheriff Block was called to Willard last Thursday by Bill Hibler who lives eight miles west of Willard south of the railroad-track, who stated that he had found some new shoes in an abandoned dugout on his place.

Mr. Block and Constable Brittain went down, and found in the dugout three cases of new shoes from which eight pairs had been taken, and two pairs of old shoes left.

The dugout is about three-fourths of a mile from the railroad track and about a mile from the house now occupied on the place. Attention was called to the dugout by the fact that boards which had been nailed across the window opening had been torn away, and this led to the discovery.

Messrs. Block and Brittain circled the neighborhood and found that two natives of old Mexico wearing new shoes had visited houses where they tried to sell jewelry, and a sheep camp on the north side of the track where they tried to sell new shoes. They also watched the dugout during Friday night and part of the next day in the hope that the men would return, but they did not show up.

The Santa Fe special officer of the district was then called, and an examination of the roadbed disclosed that five boxes had been thrown off. The other two boxes have not yet been located.

The cases found in the dugout were consigned to Emil Olcovich, 235 S. Blvd, HY, Los Angeles, California.

land's friends took them and put them in his own pocket.

Constable Johnson's testimony agreed substantially with that of Avent as to the motions made by Lackland before Avent fired, and he supposed Lackland was drawing a revolver. He testified that Lackland fell with his hand still in his pocket. Also that he examined the body after it had been removed to a rooming house by friends, at which time he found no gun on the body.

McClain testified that he stood in the door of Smith's boarding house and saw Lackland walk toward the depot with his right hand in his rear trousers pocket, but the coat hung over the hand so that he could not see whether Lackland had a revolver or not. Also that he saw the two men meet and saw the shots fired.

Ramsdale testified that he reached Lackland's side after a number of other persons were standing around him.

That he saw between the fingers of Lackland's left hand a cigarette, or portion of a cigarette. That he helped to carry him to the rooming house, and that he saw no revolver. Also that after they reached the boarding house with Lackland he removed from Lackland's right trousers pocket a pocket knife and some money. The Judge withheld his decision for a few days.

MARRIED

We have no official report but the rumor is persistent and circumstantial enough to make it seem probably true, that Miss Myrtle Chandler and Lloyd Miles were married in Albuquerque last Saturday.

They were accompanied, it is said, by the bride's sister and brother, Mrs. Ona Merrifield and Elmus Chandler.

The contracting parties are both fine young people and will have the cordial good wishes of every person in the valley for a happy and prosperous life.

OBITUARY

Brother T. F. Mullen was born, May 19, 1864, at Perry, Illinois, and came to Fredonia, Kansas, when quite young. There he grew to manhood and was married to Miss Sarah E. Kerley July 29, 1886. To this union were born two sons, George A. and Benjamin L. Mullen.

About eleven years ago the deceased and family came to Estancia where he lived till about six months ago. Brother Mullen was stricken with paralysis about two years ago from which he never recovered.

Brother and Sister Mullen went to one of their son's who lives at Cushing, Oklahoma, hoping that Brother Mullen would regain his health. But alas! to no avail. The end came June 1, 1921.

Brother Mullen joined the Baptist church at the age of 21 and lived a useful Christian life till the end. He was one of the deacons of the Baptist church at Estancia. The writer was his pastor for about seven years. He so often prayed for his pastor.

Brother Mullen is gone from us, but yet he lives in our memory. What has come to all of us. May we all accept the Christ as our personal Saviour.

Brother Mullen leaves a wife, two sons and a host of loved ones and friends to mourn his loss, but our loss is his eternal gain.

"Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them."

"Precious promise God has given to the weary passerby. On the way from earth to Heaven I will guide thee with mine eye. When the shades of life are falling, and the hour has come to die, Hear the trusty Pilot calling, 'I will guide thee with mine eye.'"

So we say to the relatives and friends of dear Brother Mullen that he has gone to be with Jesus and loved ones gone on before. May we all accept Christ as our Saviour and meet this good man in heaven.—W. C. Grant.

FOOD SALE

The Ladies' Aid Society of the Methodist church will give one of their famous food sales at Estancia Valley Supply Co. store on Saturday, June 25th. Come buy your Sunday dinner from the ladies and avoid the heat of cooking. They will also serve iced tea, lemonade and cookies. Come, eat, drink and be merry and prepare for Sunday.

DEATH OF M. M. RHOADS

Brother Rhoads was born in 1853 in Chickasaw county, Mississippi.

He moved to Texas in 1875 and married Miss Bettie Haralson, daughter of Rev. D. J. Haralson. To this union was born nine children, six boys and three girls, all living except one boy.

Brother Rhoads leaves a wife, eight children, two brothers and two sisters to mourn his loss, but their loss is his eternal gain.

Brother Rhoads joined the Baptist church when a young man and became a deacon about twelve years ago. He lived a good Christian life all these years and went home to glory June 7, 1921.

May we all put our trust in Christ and be able to sing: "There's one who can comfort when all else fails, Jesus, blessed Jesus."

A Savior who saves though the foe assails, Jesus, blessed Jesus.

Once He traveled the way we go, Felt the pangs of deceit and woe;

Who more perfectly than can know, than Jesus blessed Jesus?

He heareth the cry of the soul distressed, He giveth the wounded, He giveth rest.

When from loved ones we're called to part, When the tears in our anguish start,

None can comfort the breaking heart, like Jesus, blessed Jesus."

May we say in the language of the Scripture: "Let not your heart be troubled: Ye believe in God, believe also in me."

Brother Rhoads stated when he was first taken sick that he would not get well.

May our hearts take courage and have great faith in God. 1 Thess. 4:13, "But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope."

May the blessings of our Heavenly Father be upon the friends and loved ones.

W. C. Grant, Pastor.

MUSICAL ENTERTAINMENT AND VICTROLA CONCERT

For the purpose of adding to their parsonage fund the Ladies' Aid Society of the Methodist church will give an entertainment of a novel nature at the Methodist church on Monday evening, June 27. A program of music, solos, readings and Victrola music will furnish an hour of pleasing entertainment. Best of all you will help build that parsonage which will be under construction before the summer is over. Let's all turn out and have a good time.

STEELE'S GARAGE

state's financial administration.

If the amendment is ratified the governor will have the power to collect information from state boards, departments, and institutions, hold hearings thereon and to arrange a budget for the guidance of the legislature. The executive will also submit a general appropriation bill with the budget, both to be presented not later than the twentieth day of the legislature. That body will thus be able to begin early consideration of the departmental and institutional requests. Through the governor all necessary data may be made available for the proper legislative committees. The items in the general appropriation bill as submitted by the governor may be revised downward by the legislature but no item can be increased. It should be kept in mind, however, that the governor may amend or supplement the budget and general appropriation bill, and after final action upon the general appropriation bill, special appropriation bills may be enacted. The proposed amendment would, therefore, permit the executive and the legislative branches of the government to co-operate in studying the needs of the state and in providing funds therefor. The ratification of the budget amendment will place New Mexico in line with other states where advances have been made in efficiency governmental administration. Our state will also be in line with the Federal Government if the present efforts in congress are successful as seems highly probable. In public affairs, as well as in private affairs, knowledge, foresight, and system should be applied. Hit and miss methods of handling public funds must be discarded. Upon the chief executive officer rests the responsibility of managing the public business, and upon his shoulders that responsibility is definitely placed by this amendment. With two months in which to study the needs of the state, and after due consideration after hearing those interested, the governor will be in position to present a well balanced appropriation measure based upon a budget prepared according to the relative merits of the various and several demands for revenue. Under present conditions lobbying methods may secure for some department or institution more than it deserves. The budget plan embodied in the proposed amendment will, it is believed, distribute public funds not only more economically, but also more fairly and justly.

total tax rate mounting to nearly five per cent in several municipalities.

It must be kept in mind that physical property bears practically the whole burden of taxation in New Mexico. When this class of property pays the high rates, at present prevailing, it is hardly to be expected that money will be attracted for investment in real estate, buildings, machinery, merchandise, livestock, etc. Any thinking citizen of the state will appreciate the fact that a payment of three or four per cent of the capital invested will naturally drive wealth not so easily reached by the tax collector. If, therefore, we want to encourage development of our resources, let us limit the tax rate that may be imposed on homes, farms, ranches, livestock and commercial and industrial establishments.

A maximum limit on tax rates is desirable because its effect is to bring about a full and equitable assessment. With no limit, there is no incentive to careful and accurate valuation of property. Nor is there as great a necessity for the full collection of taxes imposed. The result of laxness in the assessment and collection of taxes is unfairness and dissatisfaction as to valuations and extravagance in public expenditures.

The limits proposed in the amendment are liberal and allow for all reasonable expansion of governmental activities. They are as high as activities at present prevailing except in a very few cases. It is difficult to see, therefore, why the amendment should be opposed in any quarter. Within the limits set, ample funds are possible not only to provide for natural expansion, but to meet any emergency. This, it is believed, can be fully demonstrated. But while the limits are liberal, the taxpayer owning tangible property will know what those limits are and that they will not change every two years, if fixed by a provision in the constitution.

These two proposed amendments providing for an adequate budget and for a tax limitation are, we hold, broadly constructive and their ratification by the people absolutely necessary for an efficient businesslike administration of public affairs.

From the Record.

John Power of Lucy has charge of the section crew during Mr. Anderson's illness.

H. W. Flora has come to Willard to spend the summer. He has been sick for some time and is taking treatment under care of Dr. Ottosen.

The home of Mr. and Mrs. Leo P. Padilla was brightened last Thursday by the arrival of a fine baby girl via stork express.

Lolita Chavez came home Monday from Santa Fe, where she and her brother Jess have been attending college during the term just closed.

Mrs. J. M. Pickel left last night for Glazier, Texas, where she will visit a brother for a few days, thence on to Hutchinson, Kansas, for a visit with a sister. On her return trip she will also visit her parents and other relatives at Olme, Oklahoma. She will be absent about four weeks.

C. E. Nicholson, who left Willard last summer, came in the first of the week from Farmington, where he is now

located. He bought a farm there and is leader of the town band, which was just recently organized under his direction.

Mrs. R. L. Hitt and twin sons, Frank and Henry, are at home after an absence of several months in Albuquerque. Their stay here will be brief, as they will start next Sunday on a trip through Arizona and California for a vacation of several weeks.

Mr. and Mrs. Kirkpatrick and Mr. Keen and daughter Miss Fay, were in Willard a short time yesterday on their way from Cedarvale to Estancia.

Mrs. Stevens returned Tuesday from a very pleasant trip at Hot Springs, N. M. Her brother and family who accompanied her and Mr. Lobb on the trip, will remain several days to try the Hot Springs water for Mrs. Russell's rheumatism. Mr. and Mrs. Russell will go from Hot Springs to El Paso for a visit to their sons during the summer.

Last week Howard Payne purchased 500 head of cattle from Socorro county growers. He will drive them through Socorro to his place southeast of Willard in the next few weeks.

Felipe Carabajal had a tussle with his truck car the other day in which he got the worst of the deal. The engine went dead on him and he got down to coax it to go. When he cranked it the car came alive as suddenly as it had died only a few minutes before and started, running over Mr. Carabajal and bruising him considerably. He was confined to the house a few days but is now out again much better.

What Henry Ford Says About Machine Power Farming

"In the tractor the farmer now has a machine in which is harnessed one of the most adaptable, efficient, economical sources of power in the world—the internal combustion engine.

"The tractor will multiply the productive capacity of each individual farm worker from three to four times over.

"It will put the farmer on a par with the city manufacturer. It will put his produce-producing factory—for that is what a farm is—on to an efficient production basis.

"It will enable each worker to earn so much more that he can be paid more and still leave a greater profit for the man who hires him. It will enable the farmer to work fewer hours in the day, giving him more time to enjoy life.

"I believe the tractor will make farming what it ought to be—the most pleasant, the most healthful, the most profitable business on earth."

AT JOHNSON'S
On Main Street

Las Vegas, June 10.—J. R. Clevenger, well-known engineer of this city, is being held under bond of \$1,500 on the charge of felony. He is alleged to have committed a statutory assault. Mrs. Madole, a neighbor is the complaining witness. The woman claims that the crime was committed on the first of June and that she went to Santa Fe at once to advise her husband, who returned to this city with her. Clevenger has a wife and several children.—New Mexican.

LOCAL ITEMS

A Jersey cow for sale.—Fred H. Ayers.

If you want your car painted see me.—S. N. Jensen.

See J. D. Welch for carpenter work and painting. Phone 68.

Two furnished rooms for rent. Two good milk cows for sale.—Fred L. Burruss.

Prairie hay for sale, at farm southwest of Estancia, also in Estancia.—E. H. Ayers.

Lost, a 15-jewel Swiss movement gold wrist watch Friday night, June 3rd, between Willard and Estancia. It is a relic. Will pay reward if returned to Mrs. Milton Berkshire at Valley Hotel, Estancia.

Wallace Transfer and storage at M. & M. Garage.

Some high grade Jersey cows for sale, all fresh.—Bowden Bros.

Carl Sherwood made a business trip to Vaughn the first of the week.

R. B. Cochran was a business visitor in Albuquerque the first of the week.

Work gloves for working men only 15c for plain wrist gloves and 35c for leather palm gauntlets.—A. T. Cochran.

Those corsets you have been waiting for are here—priced from \$1.75 to \$4.50—front and back lace, plain and fancy, pink and white.—E. V. S. Co.

Those who have not paid 1920 taxes should note that the first half was delinquent Feb. 1, and second half June 1. Under the new law delinquent personal property tax will be placed in the hands of the sheriff the same as an execution for collection. On August 1st a flat penalty of 5 per cent will be added to all unpaid taxes, and thereafter 1 per cent a month on amount of tax and penalty will be added.

Get the fly before he gets you. Cochran has a full line of fly swatters, fly paper and fly powder.

E. McGee has resigned as a member of the town board of Estancia and L. A. Rousseau elected by a majority vote of the other trustees to fill the vacancy. B. H. Calkins of Albuquerque was employed as engineer with instructions to prepare plans and specifications for bidders at once for water works and sewers. There was a tie vote on this proposition and the mayor cast the deciding vote in favor of acceptance. This action was taken at a meeting held yesterday morning.

An extraordinary good work shirt at 75c during our sale. Not the kind usually offered as a leader—made full, etc.—E. V. S. Co.

Only about fifty tickets were sold at this point for the Santa Fe excursion Sunday, and it is said only two were sold at Willard. In the ball game the Estancia players went all to pieces and didn't play ball at all. The score was 23 to 3 against them. But Santa Fe furnished entertainment of a sort, besides playing ball. One excursionist said he saw seven fights without moving out of his tracks, and bootleggers were so thick they had to wear badges to avoid trying to sell to each other. The fighting was a free show for the Estancia people, none of whom engaged in it. And of course they could take the booze or let it alone, as they pleased. Most of them—possibly all—let it alone.

Lester Abbott and another boy whose name cannot be learned at this time are in custody at Albuquerque on a charge of horse stealing, and Lester is also charged with having passed worthless checks drawn on the Estancia Savings Bank, said to aggregate about one hundred dollars. The circumstances as related by officers are that the two boys went to an Albuquerque livery barn on Sunday morning and hired two saddle horses, saying they were going out after some cattle, and paying the charge for the use of the horses, which were to be returned the same evening. They did not return and the owner of the livery barn becoming uneasy notified the sheriff's office in Albuquerque. Inquiry and pursuit were started and the boys were overhauled Tuesday evening at Cerrillos traveling north, and placed under arrest on the charges above mentioned.

Good used cars for sale or exchange.—M. & M. Garage.

You can get your Ford motor made new at Steele's Garage. None but genuine Ford parts used.

Will take eggs, poultry and beans in exchange for automobile repairs, parts and accessories, gasoline and oils.—M. & M. Garage.

Gibbs Bros. have bought the Bigbee sawmill and can furnish all kinds of lumber at the right prices. Mill 30 miles west of Encino, 5 miles west of Ballard's deep well.

A full line of polishes and shoe brushes at Cochran's.

Ice delivered in any quantity. See Wallace or call phone 31.

Carl Sherwood made a business trip to Albuquerque last Friday.

For sale, two well bred Jersey bulls fifteen months old.—Pete Larson, Negra.

H. J. Fincke went to Santa Fe Sunday, to attend the funeral of D. C. Kinsell.

H. B. Calkins came in from Albuquerque Monday evening and is doing some surveying in the hills.

Do your washing right. Buy your wash tubs, wash boards, clothes line, and soaps at Cochran's.

Mr. and Mrs. Ewing and Frank Charles, Mrs. Eva Watson, Miss Gertrude Dodds and Fred Hail left last Friday morning on an outing trip to Jemez Springs, to be absent a week or two. They may return by way of the upper Pecos.

Another shipment of Lassie waists and the price is down 30c. These will sell at \$2.98.—E. V. S. Co.

The Rt. Rev. Frederick B. Howden, Episcopal bishop of New Mexico, accompanied by Rev. Walter S. Trowbridge, rector of the Church of the Holy Faith at Santa Fe, will hold services in the M. E. church, Estancia, tomorrow evening at 8:30.

A man traveling from Pittsburgh, Pennsylvania, to California died on a train between Lucy and Willard Sunday. He had suffered a stroke of paralysis some time since, and another caused his death. The body was taken off the train at Willard, embalmed and sent back to Pittsburgh.

Peaches 20c per lb., large cantaloupes 2 for 35c, watermelons, the long green kind, 7c per lb., coconuts, 13c per lb.—E. V. S. Co.

Mrs. Brecklein and Mrs. Seamans were down from Moriarty Monday to see Mrs. Fincke. At the bridge across the ditch south of the M. E. church they ran off the bridge and turned half over in the ditch. Neither one was hurt and nothing broken about the car—not even a cracked glass. The car was a new Ford sedan driven by Mrs. Brecklein.

We have just received a shipment of leather house slippers specially priced at \$2.35.—Cochran.

Estancia ladies know what Lerner means when it comes to exquisite waists, also that the small towns receive the new models as soon as the large cities. Half of our shipment of eighteen new models sold before this ad appears. New models received every month.—E. V. S. Co.

WOMAN'S CLUB

A very successful meeting of the Woman's Club was held at the club room on Friday, June 3, with Mrs. Parrett as hostess.

Committee reported curtains made for windows. Have had the inside all calcimined and oiled, and everything all cleaned up for the teachers reception on Wednesday evening.

We are now ready to replace our furniture and if anyone knows of the whereabouts of any of the club property we will deem it a favor if they will let us know.

After the business was concluded the hostess took the ladies to the drug store where delicious cake and cream were served.

The next meeting will be with Mrs. Rousseau.

DIED

Fairy N. Derusha, eldest daughter of Mr. and Mrs. Moses Derusha of West Riverside Avenue died very unexpectedly Thursday night at ten o'clock. She was taken ill with scarlet fever about nine weeks ago, which later developed into dropsy and she gradually declined. In an effort to regain her health she underwent a tonsil operation Thursday morning and apparently was doing fine until late Thursday evening when she suffered a hemorrhage and sank rapidly until death relieved her.

She was a bright and ambitious girl, a loyal and true friend, an obedient, helpful and affectionate daughter and sister. She enjoyed to the fullest extent the simple and wholesome pleasures that came to her. Fairy was a student in the high school. She was christened in the Catholic faith.

Fairy N. Derusha was born in Winfield, Kansas, June 20, 1906, and in a few more days would have attained her fifteenth birthday. She spent most of her life in Winfield with the exception of four years when the family lived on a homestead near Estancia, New Mexico, from 1910 to 1914. She is survived by her parents and sister Wava.

The funeral was held from the home Sunday afternoon at three o'clock.

Her untimely death is keenly felt by the family, her playmates and school friends. The house was filled with overflowing friends who gathered to pay tribute to respect to the memory of Fairy. The floral tributes were very numerous and beautiful.

Interment was made in St. Mary's cemetery. — Winfield Courier.

STOP THAT ACHE!

Don't worry and complain about a bad back. Get rid of that pain and lameness! Use Doan's Kidney Pills. Many grateful people have used them and know how effective they are. Ask your neighbor! Here's a convincing case:

Mrs. P. D. Evans, 516 E. Coal Ave., Albuquerque, N. Mex., gave the following account of her experience with Doan's Kidney Pills May 17, 1917: "A number of years ago I had an attack of kidney trouble. My back ached for days and when I stood over or straightened up quickly, I became dizzy for a few minutes. I was advised to try Doan's Kidney Pills and bought some. One small box cured me of the aching back and I never had those dizzy spells again. I have often endorsed Doan's Kidney Pills to others and I am glad to say a word in their praise at any time."

CONFIDENCE
On September 10, 1919, Mrs. Evans said: "My faith in Doan's Kidney Pills is as strong as ever. My kidneys haven't troubled me since Doan's cured me some time ago."

MOUNTAINAIR

From the Independent.

Flora Romero invited a number of her little friends to her home Monday evening to help her celebrate her ninth birthday. Games and refreshments made the afternoon pass hurriedly. She was the recipient of a number of gifts from her guests.

On last Thursday Mrs. Virgie Huff and Roy Roland were united in marriage, the Rev. G. A. Crowder officiating. Both are well known in Mountainair and vicinity, and will continue to make their home here.

O. L. Jackson is in receipt of a letter from the State Board of Education, under date of June 3, in which he says: "The State Board, in session yesterday and today, last night took up the question of accrediting all high schools in this state and give your Mountainair High School credit for 15 units of work done this year." This means that any students having taken work in the local high school the past year, and desiring to enter another school of similar or higher grade in the state, will receive credit for fifteen units of work done here.

Mr. Jackson is planning on going to California within a short time to take special work at Leland Stanford University during the summer. Miss Emma Brittain and Mrs. Middleton, will on the 13th of the month take up work at the University of California.

Miss Alice Hoyland, Mrs. H. Imboden and Miss Florence Carmony are at Las Vegas attending the summer normal, as are also Misses Mildred Shaffer, Susie Beding and Dora Humphreys. The McKinley sisters are at Silver City doing similar work.

The matter of weekly band concerts in the open air during the summer has been talked of but nothing definite has been done.

Me-o-my,
how you'll take to
a pipe—and P. A.!

Before you're a day older you want to let the idea slip under your hat that this is the open season to start something with a joy's jimmy pipe—and some Prince Albert!

Because, a pipe packed with Prince Albert satisfies a man as he was never satisfied before—and keeps him satisfied! And, you can prove it! Why—P. A.'s flavor and fragrance and coolness and its freedom from bite and parch (cut out by our exclusive patented process) are a revelation to the man who never could get acquainted with a pipel P. A. has made a pipe a thing of joy to four men where one was smoked before!

Ever roll up a cigarette with Prince Albert? Man, man—but you've got a party coming your way! Talk about a cigarette smoke; we tell you it's a peach!

To Bean Growers

Planting time will soon be here, so bring in your seed beans, any time, and have them cleaned. Remember we render this service

FREE

of charge to our patrons. Remember also, that when any of our customers decides to sell his beans he DOES NOT have to pay an enormous

Storage Insurance

bill. The price is always is net to him. We are selling re-cleaned split beans at \$1.00 per hundred. We suggest that you buy a sack or two and try them for hog or cow feed. Don't confuse these with the ordinary splits bought at other elevators, as they have been re-cleaned and are absolutely free from adobe.

IT PAYS TO INSURE IN A STRONG COMPANY

When prices were on the climb a weak insurance Company could make money or at least manage to keep above water.

Now that prices are declining only the strong Five Insurance Companies are equal to the demand. The last few weeks saw a number of Mutual and poorly managed companies go under. You can not afford to risk any but the Best.

Ludwick has five of America's Big Companies to protect you.

Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. D. V. Williams, wife of a well-known farmer on Route 6, in this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me. "I saw after taking some Cardui... that I was improving. The result was surprising. I felt like a different person."

"Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night, I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me... I was in good healthy condition. I cannot say too much for it."

"Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments. For sale everywhere.
