CHAMBER OF COMMERCE DINNER AT ARMORY WELL ATTENDED

The chicken pie dinner given to the Chamber of Commerce at the Armory last Saturday was well patronized by members of that organization and townspeople who enjoyed the excellent dinner, and were enthusiastic in its praise.

Members of the Chamber of Commerce were seated at three long tables and other patrons at smaller ones and there was an entire absence of the confusion that usually attends such affairs.

At the close of the meal President Hubert spoke briefly of his appreciation of the dinner, and stated that he had no set program, but as it was a Methodist dinner, he would call upon the new Methodist preacher, Rev. A. C. Douglas for a talk.

Mr. Douglas stated that it was hardly fair to call on a Methodist preacher to state what he thought of the dinner as his own people had prepared it. He said further that he being a newcomer, did not know to what extent advertising of our splendid climate was carried on; that one thing Carlsbad possesses is her incomparable fine climate and that that should be stressed. "I do not know how you stand on inviting tuberculars to this community, but I will say that nowhere have I found such an ideal climate for the treatment of such sufferers as in Carlsbad. The business men of Albuquerque, have declared in favor of the tubercular as an asset to the town, and I do not believe the climate in and around that city is as favorable for lung sufferers as is the climate of this city. How would it do when you have stationary printed to have a catch line advertising the climate." Reverend Douglas says he is in for something that will make the town progress.

President Hubert said that he had been receiving letters from El Paso containing catch lines such as Mr. Douglas recommended and would agree with him that it is a good way to advertise the town.

W. A. Craig, upon being called upon stated that he wanted especially to compliment the City Council on the stand taken in regard to paving; that he had just returned from a trip east, and noticed that many smaller towns than ours had entered a paving campaign in order to increase their population, and that it is a good move. As chairman of military affairs of the Chamber of Commerce, he expected that body to cooperate with the men of Troop B in the activities of that body, and those which are to be assumed later.

President Hubert sanctioned the remarks of Mr. Craig and assured him that the Chamber of Commerce had the welfare of the troop at heart and would do all it could for their assistance. He also spoke of the fact that Carlsbad is isolated, and should not only look after the paving, but should not let the good roads movement slip. He had only recently returned from El Paso, and found that Roswell has a good road to the Pass City, and that all tourists are being routed that way: first by Alamo, then the Indian reservation and so on to Roswell. What we need to do and must do is to keep working for an outlet from Roswell to Carlsbad and on to El Paso.

Mr. McIlvaine was called on and spoke of the pleasure he had in taking dinner with the Methodist ladies and said that Carlsbad should have a Woman's Auxiliary to the Chamber of Commerce, and that the first of the year would be the time to organize such a body as they are needed in the civic life of the city; the Chamber of Commerce has had a very successful year but the work is only started. The Cavalry troop is getting ready for competition with other troops from different parts of the state, the swimming lake east of the river is one of the best assets the town has, and the Water Carnival, if pulled off as proposed, will be the biggest thing that this city has ever undertaken. The women are needed in all these things, and the Chamber of Commerce must have an auxiliary in order to make these things the success they are hoping for.

Mayor Hudgins was the next speaker and said that the city would have another mayor before the Fourth of July, but that the present mayor would always be interested in the city and would do all he could to advance her interests.

Major Bujac, being called upon, said that Mr. McIlvaine's remarks called to mind those made by Mrs. Bell on Armistice Day, that men everywhere had been in the habit of saying, "Let the women do the work." He said further that the Chamber of Commerce should cooperate with the women in work they undertake and should cooperate with Troop B in making it the crack troop in the southwest. He said that it is our duty to demonstrate our love and devotion to the flag and called attention to the deplorable fact that only two men saluted the colors when they were carried by on Armistice Day. He said that it was not a hard matter to stand at attention when the colors were ten spaces away, and until after they had passed the same distance. It is our flag and it is our duty to show it proper respect not only in memory of those

GOVERNOR COMMUTES SENTENCE OF MURRAH.

Word was received this week that Governor Mechem had commuted the sentence of Will Murrah from hanging to life imprisonment. Murrah was recently convicted in the district court of Eddy county of the crime of poisoning and killing his brother. The jury recommended clemency and the action of the governor was not unexpected. The papers in the case will arrive in a few days, according to a telegram received this morning by Sheriff Batton from the governor.

WOMAN KILLS POLE CAT WITH HANDS.

We have often heard and seen the wrath of a woman turned on a mere man with quite disastrous results (to the man) but the other day was the first time we ever heard of the wrath of a woman venting its spleen on a real, healthy, live pole cat. J. F. Hart, pumper for the Santa Fe railroad, told us the story this morning and says he will vouch for its truthfulness. One day this week a pole cat got mixed up with a bunch of chickens belonging to a well known raiser of fancy Rhode Island Red fowls living west of Carlsbad, and the result was about twenty fine chickens killed. This was just cause to stir the wrath of almost any one, so the lady set out to find Mr. Pole Cat and give him his just deserts. She found him alright but he made his get-away and ran under the house with the lady in full pursuit. Instead of her stopping when she came to the house as the pole cat probably thought she would do, she went down on her hands and knees and crawling a short distance, caught the pole cat by the tail and pulled him out, then beat him into unconsciousness upon the ground with the aid of no weapon, holding him by the tail while she pounded him on the ground. Mr. Pole Cat fought back the only way in his power, but the only damage he did was to cause the lady to have a sore eye. It is useless to say that pole cats had better let this lady's chickens alone if they do not want to meet with like results.

who sleep in Flanders Fields, but to those whose bodies are being returned to the homeland for the last rest, and to those who survive. The major thinks that it will always be necessary to have an army and navy and disagrees with those who believe that all money is wasted that is used for building warships, etc. He says that the building of such vessels gives employment to many men and that it is necessary that our nation have support, that in the World War untrained recruits were put in the front ranks many times and were unable thru their lack of training to handle the field artillery and were wiped out. These conditions must not be repeated, and in order that they may not occur again, we must have universal training.

The major paid his respects to the pioneers who had planned our city, and those who had put in the sewer system, sidewalks, and planted the trees which we all love and enjoy. He is for Carlsbad, first, last and all the time and for everything that goes to make her better. Dr. Lowry asked if he might speak and said he wanted to see his boys and his money put to better use than building war vessels. Many speakers gave their views as to the assets of the town and had not mentioned the church. He asked how many men would be willing to live in Carlsbad if there were no churches. He had recently looked over the telephone list and found there sixty-five men who took no interest in the church of God. He finishes his seven year residence in Carlsbad that day and realized that the business men of the city do not come up to the help of the Lord against the mighty.

Major Bujac replied to Dr. Lowry in a one minute talk and said that the church must be militant before it can be triumphant. That the nation that prepared herself for the war is the nation that prospers. That he was in Japan in 1900 and saw the Japanese children imbued with the military spirit, saw them marching, clean, and the people prosperous, and Japan has always been in favor of war. He was in China at the time of the Boxer rebellion and saw a great difference in the people. The Chinese have always been lovers of peace and have been going backward. Have built a wall around their country and are not making their mark among the nations of the earth.

Miss Effie Vera Hart has been appointed a delegate to the meeting of the Western States Reclamation Association, which convenes at Salt Lake City, November 29th and 30th. Mr. Tracy will attend and S. I. Roberts has been recommended by the Chamber of Commerce and will probably attend also.

WHAT WOULD THE DAY BE WITHOUT A BIRD LIKE THIS TO GRACE THE BOARD?

MARRIED. Livingston-Ryan.

The marriage of J. N. Livingston and Miss Dorothy Ryan, which occurred last Saturday night, was in the nature of a surprise to their many friends in Carlsbad, although it was known that the couple were engaged. Without saying anything to anybody they left the bride's home at seven o'clock in the evening and after securing the license, were accompanied to the Presbyterian Manse by County Clerk Jackson, where the solemn words were spoken which united them for life. Dr. Lowry pronouncing the ceremony, the only witnesses being Mrs. Lowry and Mr. Jackson.

Both are members of old and highly respected families and have lived nearly all their lives among us, the dainty bride being a graduate of Carlsbad High school, and since her graduation being an assistant in the National Bank of Carlsbad. A girl noted for her beauty and charm, she also possesses many of the attributes of a successful wife and home maker and the many friends she has made during her girlhood will unite in best wishes to her for her happiness.

Mr. Livingston is also well known in banking and business circles, being largely interested in the National Bank of Carlsbad, and also a stockman of prominence. He is a son of the late Morgan Livingston, and has ever shown an interest in the welfare of Carlsbad.

Mr. and Mrs. Livingston have taken rooms at the Crawford hotel, where they are receiving the congratulations and best wishes of their many friends, but will go to house-keeping as soon as a suitable residence can be secured. The current joins with hearty felicitations to this popular couple, wishing them all the happiness worthy young folk are entitled to.

Professor W. G. Donley left last night to be in attendance at the meeting of the State Educational Association, which convenes tomorrow in Albuquerque, prior to the meeting of the State Teachers' Association, which will open on Monday of next week. Professor Donley will read a paper before the City Superintendents section of the meeting and will also lead in the discussion of some important papers to be given before the association. The plan has been adopted of having sectional morning meetings, which will be addressed by persons prominent in the work of the various sections such as English, music, art and science, etc., and in the afternoon and evenings meetings will be held for the entire body to be addressed by various persons prominent in educational work from different states. Besides Mr. Donley, going from here, will be Mrs. J. M. Dillard, who will represent the Grammar school; Mrs. F. G. Snow, representing the Board of Education of Carlsbad; and Miss Rebecca Graham, who will represent the High School. Miss Graham will appear before the English section of the association in an address on "The Chief Difficulties in Composition." The ladies will leave tomorrow night and will remain thru the three days of the meeting, it convening Monday morning and adjourning Wednesday evening. According to the press of Albuquerque a large number of teachers will be present, more than for some years, and the program, while lengthy, promises to be very interesting and helpful.

Eddy Lodge No. 21, A. F. & A. M., will hold a special communication Friday afternoon, November 19, 1921, at four o'clock for the purpose of conferring the Master Mason degree upon three candidates. Lunch will be served at six o'clock and degree work continued thereafter.

Johnson Graham, of Lovington, came in from there the middle of the week and spent a couple of days in town on business. Mr. Graham says that the closing of the bank at Lovington has worked a decided hardship on the small depositors of that institution. Many men of small means had all their savings in the bank and are consequently hard pressed for funds.

FORGER CAUGHT.

A slick individual giving various names, operated rather extensively in Carlsbad the first of the week, victimizing many of our prominent business men by passing forged checks. He gave his name as S. J. Macky, but also went under the names of Bell, Dyer, Jones and others, none of which is thought to be his right name. His method of procedure in most cases was to buy some articles from the various stores and give a check in payment therefor, for more than the amount and this way the Corner Drug Store, Joyce-Fruit Co., The Sweet Shop, J. F. Flowers, and others were victimized. It is also said that he ate three breakfasts on Monday morning, paying for each with a bogus check and receiving the change. A check purported to be given by the Otis Gin & Warehouse Co. and signed by W. A. Moore, passed the State National Bank, the teller, W. A. Craig, having no doubt of the signature. When he found he was discovered, he started afoot and was well on the way to Loving when overtaken by the officers.

The man is of rather prepossessing appearance and says he is nineteen years old, but looks like about a man of twenty-five or thereabouts. He was well dressed and from appearances is suffering from tuberculosis. About \$150 was in his possession when he was searched and part of the goods. The examining trial has been set for the 21st.

ARMISTICE DAY IN CARLSBAD

Armistice Day was celebrated in Carlsbad by all the business houses closing their doors and a large attendance of citizens gathering at the Armory where the exercises were held. The parade was inspiring and was headed by two scouts bearing large flags, who were followed by the recently organized band, which followed by the men of troop B, U. S. Cavalry; in turn, following these were the members of the Bryan Mudgett Post, of the American Legion, led by Major Bujac, most of the men being in uniform. A troop of boy scouts, Spanish-Americans, with their scoutmaster, John Wells, attracted a great deal of attention. These boys, true to the scout ideals, were gentlemanly in their deportment and well behaved. The Campfire Girls, in a beautifully decorated car, led the long parade of decorated vehicles, at least fifty in number, which parked near the Armory at the conclusion of the parade.

One pleasing feature of the day was the children of the Grammar grades, under the leadership of their principal, Mrs. Kaiser, who were gathered in a prominent place along the line of march and as the parade passed, waved their flags and sang with lusty young voices, "America." The stage at the Armory, where the exercises were held was a mass of greenery, and flags tastefully disposed which added to the attractiveness of the scene.

An orchestra of nine members gave a melody of patriotic airs, and Rev. Douglas offered an eloquent prayer.

On the stage were seated the ministers of the city, the speaker of the day, Judge J. T. McClure, of Roswell, a double quartet of singers, Paul Mahan, representing the American Legion, Mrs. Clarence Bell, who represented the Carlsbad Women's Club, and F. E. Hubert, president of Carlsbad Chamber of Commerce, who introduced the speaker.

Previous to Judge McClure's address, Mrs. Bell gave an earnest talk on the disarmament question and what it was hoped women might do by their influence and ballots. Mrs. Harry McKim sang "Star Spangled Banner" as a solo, the audience standing, and Kipling's beautiful Recessional, "Let Us Forget" was rendered by the singers.

In his address, Judge McClure stated that he was radical in the matter of disarmament, and gave some excellent illustrations proving to the satisfaction of his hearers how unnecessary building of expensive battle ships is and giving his views as to what measures might be taken in a general disarmament program. At the close of his address, a resolution was introduced, calling on Secretary of State Hughes to use all of his endeavors to promote disarmament at the conference, which convened last Saturday. Major Bujac, at the request of the men of the American Legion, seconded the resolution, in a few ringing words, deploring the fact that in our city, men fall in respect to the flag, as was evidenced in the parade of the morning. He spoke of the necessity of the young folk being taught to uncover, when the flag with all it represents is passing by. The resolution called for a rising vote and was carried unanimously.

At the close of the exercises, the bugle call was the signal for the people to assemble in front of the Armory, where for two minutes silent prayer was offered with bowed heads for the success of the disarmament conference, and that peace and good will may prevail among the nations of the earth, after which, "Taps" were sounded by Bugler Matheson, and the crowd dispersed.

A. J. Crawford returned the latter part of last week from a trip to the northern part of the valley where he went to purchase some lambs to put on feed at his place south of town. He, however, failed to secure the animals he wanted.

Dr. Westfall, of the firm of Pearson and Westfall, of Roswell, will be located permanently in Carlsbad after December 1. The many friends of the firm in this city will be glad to learn that they will locate here. Their offices are in the James building.

Mrs. Frank Joyce returned Saturday from a week's visit to friends at Roswell.

The families of Sam and M. L. Davis and Oscar Mercer who live west of town have long been noted for their hospitality, and this has been extended in many ways, and at various times, until very few in our little city, but has shared on some occasion, the hospitality of these good people. As Ray Davis and family left for El Paso the middle of the week to take up their residence, a family gathering, increased by a number of friends so closely connected as to seem like relatives, were bidden to the pretty home of Sam Davis last Sunday for a Sunday dinner. No one was asked to miss church, but after church cars were in waiting to take the guests to their destination where everything was in readiness and a very excellent feast was spread. Those partaking of the dinner were Ray Davis, Mrs. Davis and three sons; Oscar Mercer and family; Lillburn Vaughn and family; M. L. Davis and wife; H. E. Fisher, wife and son; Grandma Mercer; Mrs. A. Moore; Misses Laura Reno and Alta Angel, and the clever host and hostess, Mr. and Mrs. Sam Davis, and son Frank.

Frank and Art Morris, of Roswell, were down from there Sunday a short time to accompany Mrs. and Miss Morris to their home after a short visit to relatives.

A bazaar has been planned by the Sisters of St. Francis Hospital to be given the 9th and 10th of December, which promises to be very successful from several points of view. The fancy work will mostly be the work of the sisters themselves and everyone knows their abilities in that line. Several of our people have seen work done by them and all unite in accord-ing it the highest praise. The proceeds from the sale of the work will be applied to the new building now in process of erection. The place for holding the bazaar will be in the hospital and a cordial invitation is extended to all to assist by their presence and patronage. Light refreshments will be served during the time the bazaar is held. The hours will be from 9 A. M. and 9 P. M.

J. W. Thurman, one of our old and highly esteemed subscribers, was in town the first of the week from Black river where he and his wife are living on their place. Mr. Thurman is in his eightieth year and he and his good wife have been married about fifty-eight years. They are both in very poor health at this time and Mr. Thurman came to town to consult a doctor for himself. They are of our very best people and the Current wishes them renewed health and strength for many years to come.

Mrs. W. E. Smith returned the last of the week from Roswell where she had been to consult the oculist for expert treatment for her eye which was injured last spring.

J. Floyd Hart returned Saturday night from Willard, New Mexico, where he is employed by the Santa Fe, and made a visit with his family at Dark Canyon Wells.

Reverend Mahan was in Carlsbad over Sunday returning from Albuquerque, where he attended the meeting of the Baptist State Convention last week. Reverend Mahan recently resigned his pastorate of the First Baptist Church in this city, and will probably leave soon for a new field of labor. Our people, without regard to church affiliations, regret his departure from among us.

Reverend Nicholson of Loving and Meadams Mahan and White of this city, returned Monday night from Albuquerque, where they had been attending the Baptist State Convention, going and returning via automobile, making the trip from Vaughn thru to Carlsbad from 10 o'clock in the morning until 11 o'clock that night.

Mr. and Mrs. Sam Batton and baby daughter, Nettie Belle, spent three days at Hope attending the Rodeo given there last week. They report a splendid time with fine trick riding, there being riders there from Colorado, Wyoming and other western states, not to mention our own. They returned home Sunday afternoon.

Mrs. Henry Loving and little Ruth have returned to Carlsbad and anticipate making this city their home in the future, the health of Mrs. Loving requiring a high altitude. Little Ruth has already entered school and is much at home with her playmates of other years. They have been living at Big Springs, Texas, since leaving here.

Mr. and Mrs. J. N. Livingston are expecting to leave the last of this week for Kansas City, for a short stay.

LESSON FOR NOVEMBER 20

PAUL BEFORE THE KING.

LESSON TEXT—Acts 25:1-24.
GOLDEN TEXT—Now is Christ risen from the dead, and become the first fruits of them that sleep.—1 Cor. 15:20.
REFERENCE MATERIAL—1 Cor. 15.
PRIMARY TOPIC—Paul Tells How He Came to Obedy Jesus.
JUNIOR TOPIC—Paul Before King Agrippa.
INTERMEDIATE AND SENIOR TOPIC—An Appeal to Caesar.
YOUNG PEOPLE AND ADULT TOPIC—Paul's Courageous Testimony Before a King.

I. Paul Before Festus (25:1-12).

As soon as Festus, the new governor, goes to Jerusalem, he is besieged with accusations against Paul, and they desire that he be brought to Jerusalem for trial, intending to lie in wait and kill him on the way. Festus refused their request, but agreed to give them an opportunity to accuse Paul if they would go down to Caesarea. They go, but are unable to prove anything against him. Festus, willing to please the Jews, proposes to send him to Jerusalem for trial. For this Paul issues a rebuke to Festus by asserting that he very well knew that he was innocent. Seeing that it was impossible to get justice before Festus, Paul makes use of his right as a Roman citizen, and appeals to Caesar. Paul well knew that to go to Jerusalem meant death, and since Festus was too much of a time-server to release him, when he knew that he was innocent, he makes use of the radical step of appealing to Rome as the last resort. Festus seems to have been taken by surprise. His failure to release an innocent man had placed him in an awkward position, for he could give no explanation as to why an innocent man should go to Rome for trial. For a man to appear before Caesar would cast reflection upon Festus. He now consulted his council as to what to do, but since the Roman law gave every man the right of appeal to the emperor, there was nothing left for him to do but to grant his request.

II. Paul Before Agrippa (25:13-26:27).

1. The occasion (25:13-27). This was the visit of Agrippa and Bernice to Festus. Upon their arrival they expressed a desire to hear Paul, whereupon Festus told them of his perplexity; so it was arranged that Paul be brought before them for examination.

2. The defense (25:1-27). (1) The introduction (vv. 1-3). In this he expressed his delight that he now could speak and tell his case to one who was able to follow his line of argument, for Agrippa was an expert in questions concerning the Jews; but most of all he was now happy in that he could witness to him of the Savior and perhaps lead him into the light of God. (2) In his manner of life (vv. 4-12). This he showed had been in strictest accord with the most rigid sect of the Jews. He possessed the same hope—that of a coming Deliverer—and reminded them of the fact that formerly he was most bitterly opposed to Christ, as his zeal would prove. These facts make the change from a persecutor to an ardent advocate all the more remarkable. (3) His supernatural conversion (vv. 13-15). Jesus Christ appeared to him on the way to Damascus and revealed himself to him. (4) Jesus Christ commissioned him for his work (vv. 16-18). He was sent unto the Gentiles (a) to open their eyes, so awfully blinded; (b) to perform the blessed work of turning them from darkness to light; (c) to turn them from the power of Satan unto God; (d) that they might receive forgiveness of sins; (e) and that they might obtain an inheritance among the saints. (5) His consecration (vv. 19-23). As soon as he received his commission he obeyed. The very vigorous prosecution of his work brought him into conflict with the Jews, for which they sought to kill him. (6) The interruption by Festus (v. 24). Seeing how thoroughly in earnest Paul was, he attempted to account for it by calling him a crank, attributing it to the ravings of an unbalanced mind. (7) Paul's appeal to Agrippa (vv. 25-27). Still maintaining his courtesy, he appealed to his knowledge of the work of Jesus and of the prophets, for they have an intimate connection. (8) Agrippa Almost Persuaded (26:28-32). Whether this answer is a contemptuous sneer or not, it is evident that his soul was unwilling to yield. Paul took Agrippa seriously. Paul's heart longed that Agrippa and all concerned would accept Christ and be saved.

Farm Talk No. 17

The MILKING SHORTHORN

Of interest to all dairymen, and encouraging to milking shorthorn breeders, is the fact that the "best cow of any breed or cross," at the 1920 London Dairy Show was a milking shorthorn, with a record of 9,000 pounds. Interest in this breed not only in California, but all over America, is increasing. Certain advocates of the beef type maintain that no animal can reach its highest development when bred for a dual purpose. Many dairy breeders, also, see no justification for combining beef with milk production. But these arguments are answered by the dual purpose boosters with the assertion that the ideal general purpose farm cow is the one that makes both meat and milk. For, they point out, the steers can be raised and fed with profit, while as much milk can be secured as from average cows of dairy breeds, not to mention the possibilities of attractive profits from breeding stock. The milking shorthorn breeders have many strong points in their favor, and are making the most of them.

As the young lady was standing by the table, another member of the table, in the Chemistry class, another member of the class stepped between her and the table and Miss Smith stepping back saw that she was going to step on another young lady's foot and in order to avoid doing so she threw herself forward, and put all her weight on one limb. RED CROSS ROLL CALL TO BEGIN ARMISTICE DAY

The Red Cross annual roll call began Nov. 11 and will end Nov. 24. Call the roll! Let the army of the disabled, the veterans of the great war, respond from the government hospitals as to their numbers. In 1919, there were but 3,500. In 1920, there were more than five times as many, 17,500.

In 1921, this number had grown to 26,300.

In 1922, what will it be? It is well known that the sick and disabled of the great war number many more thousands than those the government hospitals.

To Spend 10 Million

The Red Cross is spending \$10,000,000 a year to help the disabled ex-service man and his family.

The need of a Roll Call, was therefore, never greater; the feelings of a grateful nation undoubtedly will show a generous response.

America's Obligation

One of the principal parts of the service to be given to America this next year is the discharge of the nation's obligation to the men who gave so much. The Red Cross asks that this thought be brought home to each community through the use of posters showing the growing army of the disabled, and thru the press.

Good streets are all right, but they are nevertheless poor educational institutions for the youths of the city.

The fall is hardest for those who have climbed highest.

Reports to the Bureau of Markets and Crop Estimates indicate that the quality of the 1921 alfalfa seed crop is in general superior to that of last year, chiefly because it contains less brown seed. Early frosts caused some damage to seed in western South Dakota and southern Idaho due to early frosts, but for the most part even in these sections most of the seed was mature and escaped serious injury. The weather at harvesting and threshing was generally very good.

SCOUT NEWS

Don't forget to give thanks Thursday for the good things you have received the past year.

Scouts will have charge of the concessions at the Rodeo next week. Lend them a helping hand.

Carlsbad Scouts are taking an active part in all good work of the city. They are constantly helping the needy and aiding all societies and organizations and taking an active part in all public works. Are you, as citizens, giving them any encouragement or support further than to call upon them when you want something done for Charity's sake? How many of Carlsbad's organized societies have ever helped them in retaining their club rooms or any work they undertake? The Scouts are but boys, they are willing workers, but there is a part that other people should play in this work of helping others.

On account of numerous other attractions, the Scouts have postponed their musical entertainment until a later date.

BAZAAR.

Remember the bazaar that is to be given by the Catholic ladies December 9th and 10th from 9 o'clock in the morning to 9 at night.

A great variety of fancy work, most of it the work of the Sisters, will be on sale, and this will be a fine chance to get your Christmas presents. Refreshments will be served during the days and the ladies wish for a liberal patronage. Remember the place, The Sisters' Hospital.

At the Kindel home west of town Mrs. T. J. Kindel gave a dinner Tuesday complimentary to Mr. and Mrs. Crawford who were in town en route to California. Covers were laid for Mr. and Mrs. Crawford, Mr. and Mrs. Frank Kindel, and Mr. and Mrs. Sam Batton and the dinner was all that could be desired.

The fruit, which is called an October peach is a fine freestone peach, of good eating qualities and coming so late in the season, will be valuable because of that fact. Mr. Renick picked most of the fruit this week leaving enough to see just how long they will hang on.

A. E. Roberts left yesterday morning for El Paso, where he will stay until Monday of next week on a business trip.

The male quartette who will give an entertainment at the Crawford Theatre next Wednesday night, is the first of a number of musical attractions to be put on this winter by Mr. Linn, manager of that playhouse.

From the press reports received in regard to this company, a fine evening's entertainment can be safely promised for next Wednesday night, and at the low prices made all may avail themselves of the opportunity to enjoy this company of artists.

THE PRICE OF THE
NEW LIGHT SIX

includes but one manufacturing profit on castings,
forgings, stampings, motor, axles, transmission, frame,
body, top, etc.

When you purchase a LIGHT SIX you receive the
benefit of the manufacturing savings made possible
because the complete car is manufactured in the new,
modern 20 million dollar plant at South Bend, Ind.

In every operation from the moment the raw ma-
terial is purchased until the car is completed, STUDE-
BAKER, because of its enormous production and its
standardized methods of manufacture, is able to make
important savings — these savings are reflected in the
price of the car to you.

The Light Six

is a 6 cylinder car with 112 inch wheel base, 40 horse
power. Very economical to operate. Neat in appear-
ance, sturdy and durable.

If you are in the market for a car, call and see the

Postmaster John Wells underwent an operation the first of the week for the removal of tonsils and adenoids, and is getting on nicely at the Sisters hospital where the operation was performed.

Mrs. J. S. Johnston left about a week ago for Big Spring, Texas, and will probably remain there for the rest of the winter, her daughter, Miss Pauline, having secured a position in that city.

The regular meeting of the Carlsbad Rebekah Lodge was held Monday night at the Odd Fellows Hall, with a good sized number present. At the close of the evening light refreshments were served and a social hour enjoyed.

Howard Galton, after spending much of the summer in Carlsbad at the home of his brother, Will Galton, in the Otis community, left last week for his home at Miami, Arizona. Mr. Galton is one of the old-timers in the valley, settling here at an early date, and still has land west of the canal.

Mr. and Mrs. Helmick expect to start on their annual wild goose hunt today, going up on the local to the hunting grounds in the northern part of the county. Mr. Helmick recently received his fine gun, which he had sent to England, where it was manufactured, for repairs. It had been gone about four months and had been reported lost and Mr. Helmick was rather anxious about it. He and his wife never fail to bag a number of geese when they start out. In fact, the friends of Uncle Sam say that when the geese hear they are on their way they surrender with good grace.

ROUGH RIDER HURT

Al Taylor, one of the wild west riders at the Hope Rodeo was severely injured Thursday when his horse went down. He was especially hurt about the head, and it may be some time before he comes out of the troubles.

R. A. Nicholson, the cotton buyer who has been stopping at the Crawford with his wife, left Friday on a business visit to his home at Ballinger, Texas, expecting to rejoin his wife in Carlsbad after a few days stay there.

CARDUI HELPED
REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried everything I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I am sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 85

Way back in the dark, dim, dreary ages,
When man knew nothing of pay-day or wages,
He used stony weapons and lived in rocky ledges
And when he wooed—he persuaded with stone sledges.

II.
He loved not for grace or for beauty rare,
He wooed alone for his own welfare,
For his mate had to work—and work darn hard,
For he had to rest—he sure was a card.

III.
But today we woo for beauty and graces,
We all want our wives to have smiling faces,
We let her buy powder, some rouge and pink paste,
But they don't solve the real problem in any case.

IV.
Don't let us copy the eave man so harsh,
Stop turning the basement into a marsh,
Send out that washing that's drudgery to your wife,
We will return it looking ever so nice.

From mother's silk waist to daddy's soft collar.
So give us a call and we'll do the rest,
When your clothes come back home you'll find our way is best.

Little Astor Alton has asked the Current to express his thanks to the people for their kindness to him while he was sick in the hospital. Upon being asked what special kindness had been shown him he said, "everybody was good to me, and brought me nice flowers and jelly and oranges and grape juice, and everything nice, and I want to thank them." Our people have a very warm feeling for the lively little fellow and are glad to know that he appreciated the kindness shown him during his illness, but still more glad that by the expert care of his physician and nurse he was spared, let us hope, to a useful life.

Mrs. Henry Dickson and two little girls returned Tuesday evening from a week's stay with relatives in El Paso.

TEA AT THE JOYCE HOME WEDNESDAY.

The affair of the season was the tea given at her home last Wednesday by Mrs. J. F. Joyce, to honor the two brides, Mrs. Charles Montgomery and Mrs. J. N. Livingston, and Miss Marguerite Roberts, who recently represented our state so capably as princesses in the Waco Cotton Palace celebration.

Mrs. Joyce met her guests at the door and Miss Roberts, standing first in the receiving line, introduced them to the others. Besides those mentioned, others complimented were Mrs. Parks, of Hot Springs, Arkansas, Mrs. Drake, a guest of Mrs. J. W. Lamb, also of Arkansas, Mrs. Monroe Christian, who has recently come to Carlsbad to live, Mrs. Andrews, of Silver City, Mrs. J. W. Lamb and Mrs. L. E. Ervin.

The pretty home never looked prettier, decorated as it was in autumn flowers and foliage, the table in the dining room being especially lovely with shaggy mums in yellow and wine color, and the drawing room and reception hall being similarly adorned.

Assisting Mrs. Joyce in entertaining her guests were Mesdames Sikos, Braden, John Merchant, Rickman, and others, and in the dining room Mrs. Moore, sister of Mrs. Joyce, was assisted in serving the dainty menu by Mesdames Brantley, Dilley, Flowers and a bevy of young girls. Misses Mary Frances and June Joyce, Elinor Flowers, Barber Nell Thomas, Eunice Herring, Ida Pearl Morris and Pearl Butcher. Mrs. S. I. Roberts presided at the coffee urn serving coffee and wafers and Mrs. L. G. Ryan served iced cider and sandwiches.

The guests were entertained by music, Miss Howell playing during the afternoon and afterwards Miss Lane also rendered delightful piano numbers. Later Miss Higgins sang two solos accompanying herself on the piano. The happy affair was devoid of the formality that some times mars an occasion of this kind and the one hundred and fifty ladies sharing Mrs. Joyce's hospitality are enthusiastic in their praise of the gracious hostess and the pleasant afternoon.

Efforts have been making for some time looking to the discharge of Everett Grantham from the United States Navy and this week an order was received from Washington, ordering his release. Everett is now on the battleship New Mexico in harbor at San Pedro, and may be expected to arrive in the state in a short time, although the exact date of his return home is not known now. He may be called at once to Tucuman where Judge Bratton is now holding court, he having given Everett a position as his stenographer. Everett writes that they have surely been making use of him lately, he having had to take testimony in thirty court martials recently.

The Sisters' Hospital is now under way, the excavation having been completed and work beginning on the foundation. The structure is very large, being over one hundred feet in length and of a corresponding width, and it is to be three stories and a basement in height. The congregation of St. Edwards church, which includes the Sisters, has been looking forward to a new hospital building with adequate facilities to care for their increasing business, and have labored earnestly and long for its construction, and it will be a great joy to them when it is completed, the present building will then be used for tubercular cases. The erection of a concrete building of this size will be a distinct asset to the entire country as well as to the town of Carlsbad.

The large flag on the stage at the Armistice celebration at the Armory was the one that covered the casket which held the remains of George Hemenway, when it was brot to this country from France for burial in historic Arlington, among America's illustrious dead. Previous to the interment, the flags were given to the parents of the soldiers and will no doubt be preserved as a priceless heirloom in many homes whose dear sons laid their lives on the altar of their country.

Major E. P. Brjac has had a house moved from Dayton to his lot south of the L. E. Ervin residence on Canyon street. The house will be repaired and put in excellent shape before the Major undertakes to rent it. We understand he has purchased another building at the same place and will have it moved down at once and put on the same lot.
