TWENTY-NINTH YEAR.

CARLSBAD, NEW MEXICO, FRIDAY DEC. 2, 1921.

NUMBER 52.

MANY IMPORTANT SUBJECTS DISCUSSED BY CHAMBER OF COMMERCE MEMBERS.

Fifty-four members of the Chamber of Commerce sat down to the splendid chicken dinner prepared by Mrs. Chaytor at the Palace Hotel last Saturday, that being the regular semi-monthly feed of that body. After the toothsome dinner had been eaten, President Hubert spoke in reference to the meeting of the State Chamber of Commerce which is to convene in Las Cruces December 3rd, and urged a full attendance of the members of the local body. At that meeting some very important business is to be discussed which will be of interest to this part of the state and a big asset to Carlsbad. That is the location of the proposed National Park. The northern part of the state wants the location of the park but it will be a big asset to Carlsbad.

W. F. McIlvain stated that the proposed location of the park is not satisfactory to this part of the state and that their idea is that they should take in the Elephant Butte dam, the Indian Reservation and the Forest Reserve, which would make it a distance of only 25 miles from Carlsbad. Mr. McIlvain said all National Parks are now in the north; this would be an all the year round attraction. Messrs. Tracy and McIlvain have had the matter under consideration for some time. We now have a highway to the plains and in a short time we will have an outlet to El Paso. Three-sevenths of the good roads money may now be spent on inter-county roads, which is something we have never been able to do before. That will put us in a position for a highway into the National Park. The county commissioners at a recent meeting hired an engineer to lay out a "ridge" road from here to Queen and we can take care of tourists. It is very important that we send a good delegation to the meeting at Las Cruces. There is a good road from Las Cruces to Roswell and there will be from 500 to 800 delegates present.

Postmaster John W. Wells spoke on the necessity of all realizing the immediate benefits to be derived from the ridge route to Queen as proposed. No engineer would recommend a road through either of the canyons. Mr. Platt is under contract to make this trip from Carlsbad to El Paso Gap in eleven hours, but the conditions are such that it is impossible for him to do so. His contract expires in June and we must have the road in order and we must have the road in order to keep the Star route. The loss of the route would be a calamity to the merchants and every one else. Speaking further, Mr. Wells gave some figures that helped those present to realize the hardships of the postoffice force during the holidays and asked the cooperation of all in assisting them to get out the mail. In the first place, he said, mail early. In ordinary times, about 3,000 pieces of mail are sent daily which is a good deal for a city the size of Carlsbad; but during the holidays 15,000 or 20,000 pieces of mail must be handled each day. Formerly the postoffice department was not so accommodating, but it is better at this time. Postmaster General Hays has recently issued an order requiring all postmasters to give any information in their power to inquirers. He closed by urging all business men to mail their letters as early as possible and promising if they would do so that every piece of mail would leave the office the same day it was mailed.

Mr. Hemenway suggested that all who would agree to cooperate with the postmaster, rise to their feet and the action was unanimous. Mr. Minter said that they were looking for a geologist here in the near future who would take up the Fort Sumner project and also the feasibility of the Red Bluff reservoir. See and report on whether it will hold water, etc.

Mr. Long, of the income tax department, being present, was asked to speak and said that he had been here about a month, had had a pleasant time and been treated most kindly and courteously by our people although his work was not what one would call popular. W. A. Craig said it was very gratifying to read the letter of commendation of Troop B from Adjutant General Brown, and that the Chamber of Commerce must assist in every way possible the men of the Troop. Captain West has inaugurated a series of turkey shoots, which are held at the close of the regular drills each Wednesday night. The men are divided into squads of perhaps ten men, and shoot for a turkey, the one making the best score getting the bird. Adjutant General Brown will be here soon and the Chamber of Commerce will be notified in time of his coming to make what preparations they wish to receive him.

Hon. R. C. Dow spoke of the time he won seven turkeys by shooting for them. He confirmed the statements made about the importance of the meeting at Las Cruces, and then spoke of the fact that if we are going to put on the big celebration the Fourth of July as planned, committees should be appointed to get to work. He said that by

that time we will have paved streets and an outlet to El Paso and we should not go into the celebration in a half hearted manner.

President Hubert said that the reason that it had not been attended to before this, is because that the first of the year new officers will be elected and it was thought better to defer the appointment of committees until that time.

Mr. Rawlins was the next speaker, and as usual, spoke of the subject so dear to his heart, the Boy Scouts and their encampment, which he said had by no means been given up. A Scout executive has promised to be here before long and then the matter will be taken up. Mr. Rawlins also spoke of the desirability and almost necessity of having a Y. M. C. A. in Carlsbad.

Will Purdy, who has just returned from a trip to El Paso, gave it as his opinion that Carlsbad was about the best little city to his knowledge anywhere, but that it certainly needed cleaning up. That it was time for it, and that to leave our splendid stores and beautiful trees in a very short walk see the accumulation of unsightly things, would show to any one that what we want is not so much a bigger Carlsbad, but a better Carlsbad. The streets and stores and homes of the city are of the best, but she has no church building to compare with those of other towns of equal size.

Reverend Lowry asked of the fate of our trees, in consideration of paving. Mr. Thorne, one of the city aldermen, replied that not one tree will be sacrificed that can be helped. That in order to ever install a system of ornamental lights, the trees in the business section would have to go. That will include the trees on Canyon street from the First National Bank to the Ohnenu Shops.

Another very interesting speaker was Professor Donley, who had been attending the State Teachers Association. At the meeting there were about 1,300 teachers from different parts of New Mexico, a smaller attendance than in other years. Teachers are trying to devise some means whereby they can provide a full time secretary. The teachers of the state are not appealing for a raise in their salaries, but realize that a lowering of pay would be hard at this time. The conditions in the rural schools, especially, are far from satisfactory. A number of prominent men, educators and others were present at the association, and much was accomplished for the good of the schools, which are the most vital thing in our country at this time.

MAN LIVING NEAR CLOVIS KILLS HIS BROTHER-IN-LAW.

Had Quarreled Recently Over Estate; Slayer Surrenders.

Clovis, N. M., Nov. 25.—Jim Roy was killed Tuesday in front of Hubert & Schoolings' garage at St. Vrain, New Mexico, about ten miles west of Clovis by Jim Todd, husband of Roy's sister. Jim Roy, who drove a school truck, had just driven up in front of the garage when Todd approached. A short conversation followed, Todd being heard to say: "It isn't so much the children, it's you." He then pulled out his gun and shot Roy. The bullet entered just above the hip and went through the stomach. He died five minutes later.

The two men had quarreled over the settlement of the Roy estate and Roy, either from fear or spite, did not pick up Todd's children in the school truck. Todd came to Clovis after the murder and gave himself up to officers. He is in the county jail awaiting trial. Roy is survived by a wife and two children. Todd has a wife and four children.

GOV. COX'S HOME GOES DEMOCRATIC, TOO.

Dayton, Ohio, the home of ex-Governor Cox, also played an important part in the Democratic landslide of November 8, electing the first Democratic mayor since 1912. Under the Dayton charter, the candidate for commissioner receiving the highest vote becomes mayor. Frank Hale, straight Democrat, and the only candidate nominated as such, led his nearest competitor by 5,000 votes. Thus the homes of the two presidential candidates in the last election, Dayton and Marion, are now under Democratic local government.

Many smaller towns in various sections, heretofore Republican, went Democratic at the late election, the returns from which were not published in the metropolitan press.

GRISSETT - BONIFACE WEDDING.

A most attractive military wedding took place at the Presbyterian church on Thursday at high noon when Miss Marjorie Grissett was married to Colonel J. J. Boniface of Santa Fe.

During the ceremony Mrs. Harry Bowman sang "At Dawning" by Cadman. Mrs. Kohn played the Mendelssohn wedding march.

The bride was attended by Miss Bessie J. Fitcher, Attorney General H. Bowman of Santa Fe was best man.

The bride wore a very handsome brown tulle gown with shoes, stockings and hat to match. She carried a shower bouquet of pink roses and lilies of the valley. All the men in the wedding party, including Rev. Jackson, were attired in regulation uniform. Mrs. Boniface is the daughter of Mrs. F. E. Grissett of Brewton, Alabama. She has been with the United States Veterans bureau for the past year in Las Vegas and has been a teacher and advisor to the ex-service men. Colonel Boniface is a regular army officer detailed as instructor to the New Mexico National guard unit with headquarters at Santa Fe. — Las Cruces Optic.

DAUGHTERS OF THE KING ORGANIZED.

An organization was effected under the rules governing the body of that name at the home of Mrs. E. P. Bujac, in La Huerta, last Saturday night. The young people of the Episcopal church were invited to a supper at beautiful "Armadine" and after a pleasant afternoon an organization was effected by the election of the following officers:

President, Mrs. Harry McKim, Vice President, Miss Jewel. Secretary Treasurer, Miss Vera Marjorie Noronhauser.

The object of the organization is to assist the pastor in every way possible; in charitable, social and Guild work; to visit the sick, meet new-comers and in every possible way supplement and aid the work of the minister and labor for the advancement of church affairs in the community. The membership is confined to communicants in the Episcopal church and sixteen are eligible for membership. After getting started they plan to do much social work, giving suppers, parties and other entertainments to which they will invite their friends. A junior organization will also be effected later on.

The work is under National supervision and requires a charter as is the case with other similar organizations. They are put on probation for one month and if everything is found satisfactory at the end of that time, a charter will be forwarded from headquarters in New York. The members are all quite enthusiastic over the work and with no doubt, with the officers elected, prove successful in their aims.

Twenty-one were present at the home of Mrs. Bujac and after a delicious supper, were taken in a "Line Party" to the Crawford to witness the fine play, "The Inside of the Cup," a fitting finale to the work of the afternoon.

TIME MADE BY RODEO ROPERS.

One of the most successful Rodeo contests ever pulled off in Eddy county came to a close last Friday afternoon when cowboys of this section completed their three day's roping contests for nearly \$1,500 in prizes. Bob Crosby proved the most consistent roper and took first money in calves and second in breakaway, thereby making the highest average for all three events and getting the chaps given by the Roberts-Dearborne Hardware Co., and the saddle which was bought by the contestants each paying \$5.00 apiece as well as \$150.00 for first in calves and a like amount in breakaway, he being second.

Lee Robertson won first prize in the Breakaway and Allen Holder in the goat roping contest.

The time made by each roper for the three days is as follows:

MEXICAN SHOT AT BAILE.

Jesus Leon, a Mexican, was shot by another Mexican, and later died, while they were attending a Baile at Malaga last Saturday night. The Mexican who was shot was standing talking to two other Mexicans when the fourth approached and opened fire, the shot going through the intestines, puncturing them in seven places. One of the three Mexicans grabbed the gun and took it away from the murderer, one shot being fired in the scuffle which did no damage. Leon was brought to the hospital where an operation was performed to remove the bullet, but he was unable to withstand both shocks and died early Monday morning. The Mexican who did the shooting is now in jail and his preliminary trial is set for tomorrow.

The Stewardship Team of the Christian church, consisting of Dr. Drummond, Mrs. Terry King and C. H. Dean, the first named being a missionary in India for twenty-four years, home now on furlough, expecting to return to his work in that country next fall, spoke to a fair sized congregation in this city. He will leave three of his children in this country to finish their education, and take his wife and one child with him. He told many interesting stories of life in that country, where he had ministered alike to the souls and bodies of that people, he being a medical missionary. His talk was very interesting and also the talks given by the other members of the team. At the conclusion of the talks, C. H. Dean explained the object of the work of the team, and was assisted by a number of stereopticon views, all of which were extremely interesting to the congregation giving the closest attention until a late hour.

The oil mill at Loving is getting on rapidly, the roof being put on this week. It will not be long until the entire building will be finished and the machinery which is on hand will be placed.

TOYAH BELL IS INCREASING AS WORK GOES ON.

The Toyah - Bell, the discovery hole in the Pecos field, shows an increase in its production every day. Its actual capacity now is twice what it was a few days ago.

The increase in the oil flow that is coming from the well by heads and water that have retarded the flow are removed. The sand bridges the hole every time when a good flow heads over the top. It then has to be bailed out and it is stated by B. Ramsey, manager of the company, that as soon as this sand is under control the oil will flow continuously. It is already, however, a good paying well.

Great crowds go to the site of the well every day and hundreds have witnessed the oil flowing, during the past few days. Prominent officials of the Santa Fe Railroad Company, who visited the well this week, started on their return trip home and after reaching the Arno station, several miles from the well, could witness the oil going over the derrick from there.

Business men and other oil men of the Pecos field have utmost confidence in the ability and integrity of Mr. Ramsey, who is managing the drilling of the Toyah Bell and are of the opinion that he is working cautiously and carefully and that the time being spent in making the well flow continuously is necessary because of the sand that has continued to bridge over, but which is gradually decreasing in its menace to the oil's effort to reach the top. He is a man of conservative manners. He doesn't talk for publication except in answer to direct questions, so he is regarded by those who know him, as a matter-of-fact man, one of the calibre and appearance who make the impression of a real hard working mining engineer. He leaves the impression that he is after the money that the actual production of oil in paying quantities from his well will provide.

Furthermore, Mr. Ramsey declared, when questioned Friday morning just before this paper goes to press, that he plans to drill other wells on their holdings in the vicinity of the Toyah Bell. He said work on new locations will begin as soon as the Toyah Bell is put in good shape and the oil is entering the market.—Pecos Enterprise.

BIRTHDAY SURPRISE ON WILMER WHITE

A very successfully planned and carried out surprise party, marked the twenty-second birthday anniversary of Wilmer White, last Monday. Mr. White is one of our most popular young men, and enjoys the friendship of a wide circle of friends here, especially among the young folk of the Baptist Church, where he is ever ready and willing to do anything in his power to advance the cause of the young people's organization; hence the surprise.

The B. Y. P. U. met at the church in a body and proceeded to the home of the honoree, and spent the evening with games of various kinds, Rook, Bunco, and hunting the elusive peanut, occupying their attention to a late hour. Music, both vocal and instrumental helped to speed the time. Delicious refreshments of cake and cocoa, added to the pleasures of the evening and at a late hour the guests reluctantly departed for their various homes, leaving behind them a host of good wishes for this popular young man and good fellow. Those present were: Misses Cora and Margaret Gouwens, Mr. and Mrs. H. M. Chilcoat and four daughters, Albert Ramuz and wife, Rev. T. C. Mahan and Mrs. Mahan, Mr. and Mrs. Claude Nelson, Mrs. Nellie White, Madge Brown, Lucille Pond, Mildred Mahan, Mrs. W. M. Martin, Joseph Carlisle, Ralph Mahan, James D. Geer, Tillman Mahan, Vernon Martin, John Eaken, Alonzo Maddix, Francis Perry, Ned White and the guest of honor, Wilmer White.

GIVAN - SCHAFFER.

In a private letter to a friend here, Mrs. Geo. H. Givan tells of the marriage of their son, George, to Miss Schaffer, the event occurring at the parsonage in San Bernardino, California, the 15th of November, the father of the bridegroom, Rev. Geo. H. Givan, performing the ceremony at the parsonage home. The announcement comes as a surprise to the many friends of the young man in this city, but congratulations and best wishes for their future are many and genuine.

GLEE CLUB GIRLS GO ON HIKE.

The Glee Club Girls went on a hike to the flume last Saturday morning and cooked their breakfast there about eight o'clock. They report a very good meal. They sang songs, accompanied by the dripping water of the spring and had a jolly time. A number of pictures were taken which the girls are hoping will all prove to be good. The club was chartered by Miss Higgins, music teacher in the schools.

PAVING CITY STREETS STARTED YESTERDAY

The actual work has now begun on paving the streets of Carlsbad! The first dirt was shoveled yesterday morning on the street just west of the river bridge and alongside of the Peoples Mercantile warehouse, when excavation was commenced to place the curb and gutter.

This apparently insignificant event, which marks the most progressive constructive spirit any city can display, is destined to make Carlsbad the most beautiful and best little city to be found in New Mexico. The occasion was fittingly celebrated by the city officials and a few interested spectators who posed before the camera for a picture, which is planned to be used for advertising purposes. The mayor had a shovel and some of the aldermen picks but it did not take them long to discard their tools in favor of more steady workers.

The trees in the business section will be cut down and removed within a few days, so the contractor informs us. After expressing our regrets that these trees would have to be removed, the contractor said it was the only sensible thing to do. That it had been his observation and experience that when trees were left standing and concrete was placed close to them as it will be in the business section where the streets must be wide, that the trees soon died, and if they were watered so as to be kept alive the water would get under the concrete and cause it to crack and break the first time a heavy load was hauled over it. In the residence section where the paving will be narrower, it is a different proposition and the trees will not be molested.

It will probably be thirty days before concrete will begin to be laid in the middle of the street, as there is a lot of preliminary work to be done before actual paving can be commenced. The street running west from the river bridge will be paved first to the corner west of the J. B. Morris Lumber Company's yard, then the street leading to the depot will be paved next to the Armory, and after it the street south of the court house. The streets running north and south will probably be paved last, according to the information the contractor gives us.

The contract for hauling gravel has been let by the Lee Moor Construction company to Oscar Harbert of Roswell, who has made arrangements with Nelson and Montgomery to furnish teams for this hauling. The Lee Moor Construction Co. is now figuring with local contractors for putting in the curb and gutter and if a satisfactory figure is obtained this part of the job will be let to local men, otherwise that company will put in the curb and gutters.

SCOUT NEWS.

New members are being added to each troop. Scouts of Troop one extend thanks to Ray V. Davis for some splendid pictures given them. Ray was truly the boys' friend and we all regret to lose him.

The Scout executives of New Mexico held a session at Albuquerque last week and it is indeed unfortunate that Carlsbad could not be represented. Divisional Representative J. P. Fitch is expected in Carlsbad in the near future.

Be careful of your conduct, Scouts. People are watching your daily life and expecting big things of you. Live natural lives; be open and above board in your actions and watch each step.

The managers of the Rodeo, Messrs. Polk and Hopkins, have the thanks of the boys for their help last week.

Cold weather is driving the Scouts from outdoor life to the Scout rooms. Each evening finds a jolly group of lads, reading and playing and enjoying the comfort of the rooms.

Bert Rawlins, Scoutmaster of Troop 1, is confined to his room this week suffering from a heavy cold. His boys and all others, who know his interest in every thing that is for the welfare of the youth of the town, are anxious for his early recovery.

DIED.

November 5th, at the home of her parents, Mr. and Mrs. D. F. Johnston, of Lake Arthur, N. M., occurred the death of Thelma, their fourteen year old daughter, of cancer. Our people will remember the little girl who was an inmate of Eddy county hospital at different times for treatment. Her mother writes that in her last illness, she remembered "Aunt Sallie" and Dr. Pate, with loving messages.

Her sufferings were intense until death released her and she entered the life where pain and sickness are unknown.

WATER ENGINEER EMPLOYED WITH RED BLUFF PLAN.

Vernon L. Sullivan, irrigation engineer of El Paso, was engaged to act as consultant with the government engineers during the geological survey of the Red Bluff project at a meeting of the executive committee of the Pecos Valley Water Users' Association of Texas in the Chamber of Commerce rooms Saturday.

Mr. Sullivan will spend whatever time is necessary at the location while the survey is going on in order to give the benefit of his intimate knowledge of the reservoir site beyond Red Bluff. He was selected because of his long experience in this kind of work and also because of his acquaintance with the conditions of the Pecos Valley.

N. H. Darden, the government engineer, is expected to take up his work about December 1st.—Pecos Enterprise.

Miss Sue Hitchcock, who formerly lived with her brother south of town, but who has been in Chicago for about a year, was backed into on the streets of that city about a week ago and suffered several injuries, all painful. One or two ribs were broken and other injuries sustained. Her friends here are thankful that it was no worse. Miss Hitchcock expects to leave as soon as she is able for the home of a niece in Pittsburg, Pennsylvania, where she will spend the winter.

The choir of all the churches and all interested in music are requested to meet at the Methodist church Tuesday night, at 7:30 for a rehearsal of Christmas carols to be used in a Community program.

DIED FROM RATTLESNAKE BITE

John W. Terry died Friday night, November 11th, at Dickens, and was buried at that place Saturday afternoon. Rev Patterson of Spur, conducted the services at the residence.

On the 24th day of October, while looking after his cattle on his ranch about six miles east of Dickens, a large rattlesnake bit him. He was alone, so had to walk more than a mile before he could get any assistance. It seemed for a while he couldn't live, but he got better and was practically well, it was thought, when other complications set up which resulted in his death.—Spur Texas Spur.

NEXT MEETING OF EDUCATIONAL BODY AT ALBUQUERQUE

Albuquerque, N. M., Nov. 23.—Mrs. Josie Lockard of Raton, was elected president of the new Mexico Educational Association. It was announced this afternoon at the closing session of the convention. Adelino Sanchez of Valencia county was chosen vice president; G. B. Jones of Las Vegas, treasurer; E. C. Best of Santa Fe, railroad secretary, and Mrs. A. Otero-Warren of Santa Fe, a member of the executive committee.

Albuquerque won the convention for 1922 by nine votes over Santa Fe.

Mrs. A. A. Kaiser and Miss Corlaine Higgins spent the week-end in Artesia visiting with friends.

Sheriff Batton and party returned Saturday from their hunt which was successful, several of the party securing their quota of deer.

Mr. and Mrs. Joe Patterson, of Carlsbad, N. M., were week-end guests last week of Mr. and Mrs. S. C. Vaughn.—Pecos Times.

Mrs. W. W. Simpson returned Saturday from a visit to her mother, who is quite aged and resides in Amarillo, Texas. Mrs. Simpson says that the weather in Amarillo is but very little, if any, colder than here.

Misses Wardle and Tura Bates spent the most of last week in Roswell going up Tuesday night and remaining until Friday. While there Miss Wardle attended the Institute Ball.

Mr. and Mrs. Rodden and two children came in last Thursday from their home in El Paso and will be residents of our city in the future. Mr. Rodden has opened his studio here and the children entered school Monday morning. The family are at present occupying the house left vacant by the removal of the Ray Davis family to El Paso.

Mr. and Mrs. Victor Unruh announce the birth of a daughter, the 22nd of November, at the home of her maternal grandparents, Mr. and Mrs. Julian Smith in Carlsbad. Best wishes are being showered on the little girl and her parents, they being among our most popular young people and the baby being their first born.

The Yarmouth, Kans., Light says that most any man can be an editor. All the editor has to do is sit at a desk six days a week, four weeks in a month and twenty-four months in a year and edit such stuff as this: Mrs. Jones of Cactus Creek let a can opener slip last week and cut herself in the pantry. John Doe climbed on the roof of his house last week looking for a leak and fell, landing on his back porch. While Harold Green was escorting Miss Violet Wise from the church social last Saturday night, a savage dog attacked them and bit Mr. Green on the public square. Mr. Frank, while harnessing a broncho last Saturday was kicked just south of his corn crib."

LESSON FOR DECEMBER 4

PAUL IN MELITA AND ROME.

LESSON TEXT—Acts 28:1-10.
GOLDEN TEXT—I am ready to preach the gospel to you that are at Rome also. For I am not ashamed of the gospel of Christ; for it is the power of God unto salvation to everyone that believeth.—Rom. 1:16, 18.
REFERENCE MATERIAL—Mark 16:8; Rom. 15:14.
PRIMARY TOPIC—The End of Paul's Journey.
JUNIOR TOPIC—The End of a Long Journey.
INTERMEDIATE AND SENIOR TOPIC—Paul Living in Rome.
YOUNG PEOPLE AND ADULT TOPIC—Paul's Ministry in Rome.

1. The Shipwrecked Crew on Melita (vv. 1-10).
Through the storm they lost their bearings, and when they were safe on land they learned that the island was called Melita.

1. The hospitable reception of the natives (v. 2). They built a fire and made them as comfortable as possible from the cold and the rain.

2. Paul gathering sticks for a fire (v. 3). This is a fine picture of the world's greatest preacher and missionary not above picking up sticks for a fire. The ability and disposition to serve naturally in whatever way is the evidence of capacity for great commissions.

3. Paul bitten by a venomous serpent (v. 3). With the sticks that Paul gathered there was a serpent. Perhaps it had already curled itself up for its winter sleep, but when the warmth of the fire aroused it it darted at Paul and fixed its fangs upon his hand. The natives expected to see him fall down dead, yet he shook it off, nothing harmed. At first the natives concluded that he was an escaped murderer and that this was retributive justice being meted out to him. When they saw that he was unharmed they concluded that he was a god.

4. Paul heals Publius' father (vv. 7-10). These people are now getting some return for their kindness. When this man of note was healed others came also and were healed. To this they responded in appreciation by loading them down with necessary supplies.

11. Paul Arrives at Rome (vv. 11-16).
When Paul landed at Rome Christ's charge to the disciples was fulfilled. After three months' stay at Melita, Paul departs for Rome in the ship Alexandria, whose sign was Castor and Pollux. At Syracuse they were delayed three days, perhaps for favorable winds. At Puteoli he found brethren, at whose request he tarried seven days. At Appollonia and at the Three Taverns brethren from Rome met him. From Puteoli the news went before Paul's coming, and so interested were the brethren that they came more than forty miles to meet him. This greatly encouraged him, for which he gave God thanks. No one, perhaps, ever enjoyed more close fellowship with God, and yet no man ever enjoyed more and derived more benefit from human fellowship than he. His readiness to preach the gospel at Rome, which he had expressed in the Epistle to the Romans, written from Corinth about three years before, was now realized. He was treated with great leniency at Rome, for he was allowed to hire a house there and live alone except that the soldier that remained his guard was constantly with him. Being chained to a soldier was rather irksome, but yet it gave him a chance to preach to the soldiers which he could not have had any other way. He rejoiced in whatever circumstances, just so the gospel was preached.

11. Paul's Ministry in Rome (vv. 17-31).

1. His conference with the leading Jews (vv. 17-22). He did not, as usual, wait for the Sabbath day to speak to the Jews. He only allowed one day for rest. His object was to have a fair understanding with them. When they came he endeavored to conciliate them. He told them that, though he came as a prisoner, he was not a criminal. Though his own countrymen had sought his life, he did not come with an accusation against them. The result of this interview was that the Jews cautiously took neutral ground, but expressed a desire to hear what Paul could say in defense of a sect which was everywhere spoken against. The fact that this sect was spoken against is no evidence that it was wrong. Many times a thing may be wrong in men's minds, because their judgments are biased. If a thing is right in the sight of God it matters not what men think about it.

2. Paul expounding the kingdom of God and persuading concerning Jesus (vv. 23-31). He pointed out a real kingdom—the Messianic Kingdom with Jesus as the King.

Consecration.

If you want to live in this world, doing the duty of life, knowing the blessings of it, doing your work heartily, and yet not absorbed by it, remember that the one power whereby you can so act is, that all shall be consecrated to Christ.—Alexander MacLaren.

Supplication of Solomon.

Now, my God, let I beseech thee, thine eyes be open, and let thine ears be attentive unto the prayer that is made in this place.—1 Kings 8:30.

Farm Talk No. 20

Three Classes of Farmers

There are two equally undesirable methods for the farmer to follow. One is to do certain things simply because grandfather or father or neighbor has done them always.

Another is to follow a set formula developed by theorists and supposed to fit all conditions. Either method is likely to result in failure. The successful farmer as a rule is the one who studies his own soil, climatic conditions and markets; who secures and weighs the opinions and advice of others and then draws his own conclusions; who invents ways of meeting changing conditions; who lays his plans ahead and follows them. In short, who thinks for himself.

Big Meeting of Masons From Artesia, Hope and Lake Arthur to be Held in Carlsbad Friday Evening, Dec. 9th.

Members of the Masonic fraternity from Artesia, Carlsbad, Hope and Lake Arthur are expected to turn out en masse on Friday evening, December 9, 1921, in Carlsbad, at 7:30 o'clock, to welcome Francis E. Lester, Most Worshipful Grand Master of the Grand Lodge of Masons of New Mexico, who will visit the brethren officially and at the same time hold a district meeting for the purpose of delivering the first lecture of the Masonic Service Association, upon the subject: "The Brotherhood of Man." The lecture is illustrated by two moving picture reels of films entitled: "A Citizen and His Country," and has been delivered before district meetings held in the larger cities of New Mexico, with standing room at a premium.

The tentative program for the evening of December 9, follows:

Introductory Talk on the Masonic Service Association, Francis E. Lester, Grand Master.

Selection of Patriotic Music, Eddy Lodge Quartet.

Address: "The Brotherhood of Man," illustrated by two reels of films, by a member.

Music, vocal or instrumental.

Address: "Masonry and Its Work" by the Grand Master.

General discussion by the members.

Social hour.

Refreshments.

Grand Master Lester attended the annual meeting of the Masonic Service Association held in Chicago early in November and will bring a message concerning the educational campaign now being conducted throughout the United States under the auspices of that Association.

CHILD BITTEN BY CAT.

David, the little son of Mrs. Emeline Berry, was badly bitten by a cat with which he was playing at the home on Halagueno street Wednesday afternoon. The cat was a large black, stray animal that had been hanging around the premises for some time and in his play the little boy may have hurt it in some way, as it suddenly turned on him and fastened its teeth in the tender flesh of the right hand with such force that a piece of the flesh was torn out. While awaiting the arrival of a physician, first aid was administered and later the doctor cauterized the wound and it is to be hoped the worst is over.

The sermon with morning worship Sunday at the Presbyterian church will have for its subject: "The force of Current Sentiment." With church school at ten o'clock and young people's meeting at seven the order for the day will be complete. Wednesday evening at seven thirty the special interest will be fourth chapter of Revelation.

Our Family Wash

IT'S EASIER NOW

I.
Way back in the dark, dim, dreary ages,
When man knew nothing of pay-day or wages,
He used stony weapons and lived in rocky ledges
And when he wooed—he persuaded with stone sledges.

II.
He loved not for grace or for beauty rare,
He wooed alone for his own welfare,
For his mate had to work—and work darn hard,
For he had to rest—he sure was a card.

III.
But today we woo for beauty and graces,
We all want our wives to have smiling faces,
We let her buy powder, some rouge and pink paste,
But they don't solve the real problem in any case.

IV.
Don't let us copy the cave man so harsh,
Stop turning the basement into a marsh,
Send out that washing that's drudgery to your wife,
We will return it looking ever so nice.

V.
Ten pounds all cleaned for a dollar,
From mother's silk waist to daddy's soft collar.
So give us a call and we'll do the rest,
When your clothes come back home you'll find our way is best.

Mr. and Mrs. Richard Smith are happy over their girl baby which arrived last night and is their first daughter. Good luck to her.

Mrs. Marvin Livingston and baby arrived in Carlsbad last night from a summer stay in California.

Mr. and Mrs. J. W. McDaniel and Mr. and Mrs. Joe Klingermith, from Oklahoma City, who had been on a hunt here for ten days past, left for their homes yesterday, going overland.

J. M. Prim, from President Harding's home town, Marion, Ohio, is a visitor in the city, stopping at the Crawford hotel.

J. E. Stevens and wife were in from their ranch on the Plains this week, looking after a sheep herder. Lamar Cobb, of El Paso, was a business visitor to the Beautiful, spending the day here yesterday.

New Furniture, Rugs and Smoker Stands are arriving for Christmas at PURDY'S FURNITURE STORE.

A hunting party that left about a week ago for the mountains, returned to their homes yesterday. In the crowd were Claude Ferris, Mr. and Mrs. Chris Walter, Mrs. Stone and son, Tom, who left here. Arriving at the hunting grounds they found a number of cars there before them and all had a pleasant time together. Homer Grace had the luck to get a four point buck as did Claude Ferris while Chris Walter got a ten point buck, and others of the party had similar good fortune.

FIRE SATURDAY.

An alarm of fire last Saturday morning called the department and many citizens to the Telephone building on Fox street, where it was found that a pile of telephone poles in the yard in the rear of the office were on fire. They had been burning grass and the poles caught from that. Fortunately, they had been treated, and were not appreciably damaged by the fire, it only burning the tar on the outside of the poles. For a time it looked as though we might have a big fire, and but for the timely arrival of the Fire Ladders such might have been the case, as it is only a very slight damage, if any, resulted. Mr. Roberts, manager of the Public Utilities company, has asked the Current to express the thanks of the company to the firemen for their prompt response to the call and their hard work in subduing the flames.

On Monday evening next, December 5th, the Oddfellows of Carlsbad and Lovington will be hosts to the members of Alfalfa Encampment No. 11 of Artesia who will visit Carlsbad for the purpose of instituting a Subordinate Encampment of the Independent Order of Oddfellows. After the new lodge has been instituted, there will follow the election of officers, and the conferring of the degrees upon several candidates. A number of candidates already have petitioned for membership in the Encampment Branch, and the beautiful lessons of this degree of Oddfellowship will doubtless create renewed interest in the subordinate

lodge membership Refreshments will be served at the close of the degree work.

A birthday dinner for Mrs. J. K. McCaw was a feature of the day Thursday. The hospitable Arkansaw people who live below town a few miles, celebrated the occasion with a feast of good things and remembered the Current reporter as well.

Bentura Delasorda, a Mexican, was arrested Thursday morning by Sheriff Batton charged with stealing a

coat and pair of pants at the Boston Store. The trousers were recovered, he having them in his possession, but the coat has not yet been found. When the theft was found out, Dolores, who works in the store, started after the thief, who, when he saw he was discovered, started running but was soon overtaken and arrested. When he was searched by the sheriff a six-shooter was found on his person. He was confined in the county jail and will have his preliminary in the course of a day or two.

LOCAL NEWS.

Dr. L. H. Pate returned to his home in Carlsbad the latter part of last week from a visit to the wonderful hospital of Mayo Brothers at Rochester, Minnesota.

Sergt. "Bill" Campbell is confined to his bed this week suffering from a very severe attack of rheumatism and is a pretty sick man.

Miss Scott, of Lakewood, was brought from there to the Eddy county hospital Saturday and on Sunday an operation was performed for appendicitis which was successful and the lady is rapidly convalescing.

Haywood Turlington expects to leave the first of next week for Tucson, Arizona, where he will take charge of the Texas Oil Company branch business, with which company he has been connected in this city for a long time.

MARRIED.

Patchin — Fuller.

Harry Patchin and Miss Miriam E. Fuller were married in El Paso the 15th of November, and the word reached Carlsbad last week. Both parties were formerly residents here. Mrs. Patchin being one of the twin daughters of Mr. and Mrs. R. D. Fuller, and Mr. Patchin a mail clerk on the Santa Fe. Both had been gone some years from among us, but many friends are here who will extend best wishes for a happy married life.

SHINERS BALL.

Carlsbad society folk are looking forward to the coming Shriners ball as one of the main events of the season. The ball is to be given on the night of the 16th of December and the various committees are already at work to make the affair a success. R. L. Halley, J. S. Oliver and W. G. McAdoo are in charge of arrangements and their success along similar lines at other times is indication of what will be done.

NEGRO MUSICIANS ROBBED OF THEIR MONEY.

The quartette of colored musicians who have been in Carlsbad the past ten days met with hard luck according to their story while stopping at the Jim Randall home. According to the way they tell it, they had reached their stopping place last Friday night shortly before midnight and laid their money, the proceeds from various entertainments where they had furnished the music, on the bed preparatory to dividing the same. At that juncture two masked men entered the room without ceremony and held them up at the point of two wicked looking six shooters and took the money from where it was lying. As soon as the men had recovered from their fright they say they notified the officers, but no clue could be obtained to the robbers. They claim to have lost \$185.00.

Walter (Smoky) Beale and family, were in town the first of the week on one of their very infrequent business visits to the county seat. Mr. Beale says that they have no reason to complain, that while times have been pretty close and hard, they still have lots of good things to eat and to share with their friends who visit them.

Emil Riley returned this week from points in Oklahoma where he has been at work for six months past.

Dave McCollum was down from his ranch in the mountains west of town the first of the week on business.

E. A. Roberts, who attended the meeting of electrical workers in El Paso last week tells us he had the pleasure of seeing D. W. Morgan, formerly with the Public Utilities Company here but now living with his family at Las Cruces. He also saw Vernon L. Sullivan, well known property owner of this city, who now resides in El Paso and both gentlemen desired to be remembered to their friends here. He was also present at the installing of the new 7,500 kilowatt turbine, which was put in by the city and was started by the mayor with quite a little ceremony.

THE Peace Conference

Will accomplish much good whether an agreement for disarmament is reached or not.

It will get the nations together.... They will understand each other better.

That's the whole thing, anyhow — understanding.

The Public Utilities of the Rocky Mountain District want the people to understand them better — want the people to know all about their service, their methods, their business, just how they are related to the communities they serve.

Understanding means knowledge. Knowledge is exact — there is no guess-work about it. One can't go wrong on a subject when he has knowledge of the subject.

If there is anything about our business you do not understand — if you want knowledge of our business — why not ask us?

NOTICE OF FORECLOSURE.

In the District Court:
No. 3398:
Eddy County, New Mexico.
Blanche Watson, and John Sayles,
Plaintiffs.

vs.
Carl Smith, Erdene Smith and The
First National Bank of Carlsbad, a Corporation,
Defendants.

The foregoing is the style and title of a suit pending in said court, (a) to recover the amount, including 10 per cent thereon as attorney's fees, of the two first-named defendants' three promissory notes of \$2533.33 each, dated January 14, 1920, bearing interest from date at the rate of 8 per cent per annum, due one, two and three years after date, respectively, interest on latter two being payable annually. (b) to foreclose said first-named defendants' certain mortgage of May 11, 1920, securing said notes, on the NW 1/4 of Section 11, Township 23 South, Range 28 East, N. M. P. M., together with all water-rights appurtenant thereto, except the oil, gas and mineral rights and deposits in and upon 20 acres of said land off of the extreme eastern side thereof

with right of ingress and egress, for development thereof, and save and except all that portion of said NW 1/4 of Section 7, lying west of the Public Highway and west of the A. T. & S. F. Ry. right of way, the plaintiff, John Sayles, being the owner and holder of said notes and mortgage which was executed by said two first-named defendants and delivered originally to the other plaintiff, Blanche Watson. (c) to determine and foreclose the interests of all of the defendants. (d) and to recover all costs.

Notice is hereby given that on September 2, 1921, Judgment was rendered by said court in said cause for plaintiff, John Sayles, — (a) for the sum of \$13,218.17, eight per cent interest thereon and costs of suit, which, at date of sale will amount to \$13,520.72 plus costs, — (b) the foreclosure of said mortgage and interest of defendants, — (c) and for the sale of said property to satisfy said Judgment, costs and costs of sale.

Notice is further given that, pursuant to the provisions of said Judgment, as Special Master, I will sell aforesaid described property on December 15, 1921, at 10 o'clock, a. m., at vendue, to the highest bidder

for cash, at the south front door of the old courthouse building in Carlsbad, New Mexico, to satisfy said Judgment, interest and costs.

LOCAL NEWS.

County Superintendent Brinton and Mr. Smith and others who were out the first of the season after deer, returned home Monday afternoon. Mr. Brinton having killed one the second day they went out and the others in the party not getting any. They had to leave the car in the hills as they broke down and Mr. Brinton had to make an extra trip to the place for the car and also to bring home the venison.

Mr. and Mrs. Dalton Reed, of Roswell, are visiting in the lower valley guests at the home of A. L. Allinger and wife in Loving, the families being friends for several years.

Mrs. Henderson and daughter, Miss Roberta, came up from Malaga, and attended the "Christian Stewardship meeting" at the Christian church in this city last Tuesday night.

Mr. and Mrs. A. R. Barnes expect to leave tomorrow morning for Sherman, Texas, where they will make their future home. We are sorry to lose these good people from our midst, they having lived here for a number of years and a mutual attachment existing between them and our townspeople, but we wish them unbounded success among their relatives and old friends in their former home.

Mark Shafer, of the Victor Hotel, left Tuesday morning for Pecos on a business trip, expecting to be gone several days.

The hunting party composed of H. E. Fisher and son, Oscar Mercer and son, returned from their hunting trip to the mountains Monday without the customary deer although they saw a number but could not get near enough to shoot. They met with bad luck on the trip, and had to abandon the Mercer car about thirty-five miles out and all come home in the dependable Ford. Mr. Mercer went out Thursday with a team and pulled the car in.

Harry Skinner and his "bunch" of hunters returned the first of the week, bringing with them a deer a piece and reports of a fine time.

ORDINANCE NO. 145

AN ORDINANCE PROVIDING FOR OCCUPATION TAX LICENSES ON CERTAIN BUSINESSES AND OCCUPATIONS WITHIN THE CITY OF CARLSBAD.

Be it ordained by the City Council of the City of Carlsbad, New Mexico:

Sec. 1. It shall be unlawful for any person or persons, firms or corporations to be engaged in any of the callings, occupations, professions or vocations herein named, without first procuring a license therefor, as may be provided herein, or by other ordinances of the City and for which shall be paid a sum designated or that may be provided by ordinance.

Sec. 2. All licenses issued by the City of Carlsbad shall be signed by the Mayor, and attested by the City Clerk with the seal of the city.

Sec. 3. There shall be paid for each license granted or issued, the sum assessed by the ordinance for such license, which sum shall be paid to the city clerk by the applicant therefor, and no license shall be granted or issued until the amount required for such license shall have been paid to the City Clerk by the applicant.

Sec. 4. The license tax provided for in this ordinance shall be payable in advance. All licenses shall expire on the first day of January of each year, and no license shall be issued for a less period than six months, except to persons commencing business, in which case a license shall be issued on the first day of January, next ensuing, or as otherwise provided by ordinance.

Sec. 5. Every person or persons, firms or corporations desiring a license to carry on any trade, profession, business or avocation for which a license tax is hereby imposed, shall make application therefor to the City Clerk on the blank to be furnished by the city; each application shall state the trade, profession, business or occupation for which such license is desired, the name of the person, persons, firm or corporation interested in such business or occupation, and the place or house in which such business is to be carried on. Such application shall be made under oath, and shall contain a statement of the amount of gross sales during the past year. Should the business for which the license is applied be a new business, the statement shall be of the expected sales for the ensuing year, which application shall be approved by the City Clerk at and before issuing such license.

Sec. 6. If any person, firm or corporation shall desire to carry on any trade, business, or occupation requiring licenses at different places in said city, a license shall be procured for each place where such business or occupation is carried on.

Sec. 7. All licenses shall be dated as to the date of application therefor, and may be revoked by the City Council if the person licensed shall have violated the conditions under which the license shall have been issued, or whenever in the opinion of the City Council it shall be expedient to revoke the same; and from and after such revocation such license shall be utterly void and of no effect, and the amount paid therefor by the applicant shall be forfeited to the city.

Sec. 8. The City Clerk shall keep a license register in which he shall enter every person licensed in alphabetical order, the date of license, the expiration of the same, the purpose for which issued, and the amount paid therefor.

Sec. 9. The City Clerk is hereby authorized to make a charge of \$1.00 for issuing each license, which sum upon collection, shall be, together with the amount collected for licenses under this and all other ordinances of the City, paid over by the City Clerk, to the City Treasurer as soon as received, and shall be distributed by the City Treasurer to the credit of the general fund of the City.

Sec. 10. All persons, firms, or corporations now engaged, or who may hereafter be engaged in any of the occupations, professions or businesses hereinafter in this section enumerated, shall be required to take out a license therefor, and pay on every such business or occupation, the annual license tax in the following amount: but such license may be applied for and taken out quarterly, semi-annually or annually.

Sec. 15. For each circus, or menagerie, the license fee shall be \$100.00 per day.

Sec. 16. For each dog or pony show, the license fee shall be \$10 per day.

Sec. 17. For each side show or other small show exhibiting in a separate tent, whether traveling with a larger show, circus or menagerie, or alone, license fee shall not be less than \$15.00 per day.

Sec. 18. For each street carnival and street fair, the license shall be \$100.00 per day.

Sec. 19. For theatrical exhibitions, traveling concerts, or operas, minstrel shows and performances and all other shows not already enumerated, the license fee shall be for the first performance or exhibition \$25.00, and for each additional performance or exhibition, \$15.00. Said license fee shall only be exacted when the show is in a licensed opera house, theatre or hall.

Sec. 20. For any exhibition, concert or other entertainment conducted wholly for charitable purposes or for public benefit, no license fee shall be charged.

Sec. 21. Any person or persons operating a merry-go-round shall pay a license fee therefor of \$25.00 per week.

Sec. 22. Any person or persons operating any skating rink shall pay a license fee therefor of \$25.00 per week.

Sec. 23. No person or persons shall conduct or operate any public dance hall without first procuring a license therefor from the City Clerk. This license shall be \$50.00 per year, provided that license for less than one year may be issued at a rate of \$10.00 per month.

Sec. 24. Itinerant agents or peddlers for the enlargement of pictures, or for the sale of books, maps, or other publications, except newspapers or magazines, by subscription or otherwise shall pay a license fee of \$10.00 per month payable in advance.

Sec. 25. Any person or persons engaged in the business of peddling beef shall first obtain a peddler's license, and shall pay therefor the sum of \$250.00 per annum.

Sec. 26. An annual license for theatres, opera houses and halls where traveling companies or troops perform, shall be, and hereby is, where such hall or building has a seating capacity of 300 persons, fixed at \$10.00 per annum, and any such hall or building, which has a seating capacity of more than 300 persons, shall be, and hereby is fixed at \$25.00 per annum, provided however, that this section will not apply to places where moving pictures are run, and vaudeville entertainments are given in connection therewith.

Sec. 27. Before any person, firm or corporation shall conduct any moving picture show within the city of Carlsbad, whether in halls, tents, or air domes, a license shall be procured therefor, for which the applicant shall pay a license tax as follows, to wit: for each such picture show where admission charged to adults does not exceed the price of 10 cents, exclusive of Federal tax, the sum of \$20.00 per annum; where the admission charged is more than ten cents, and does not exceed fifteen cents for adults, exclusive of Federal tax, the sum of \$35.00 per annum; where such admission is charged in excess of 15 cents for any performance, exclusive of Federal tax, the sum of \$50.00, which said license tax shall be paid semi-annually in advance.

Sec. 28. All clairvoyants, healers, fortune tellers, palmists, and others engaged in like occupation shall pay a license of \$25.00 per month in advance.

Sec. 29. Every person who shall engage in the profession of auctioneer or who shall sell or attempt to sell at public auction in the City of Carlsbad any goods, chattels, or property, shall pay an annual license of \$10.00, and no license shall be granted for a period of less than one year, provided that any traveling or itinerant auctioneer who shall desire a license for less than one year shall pay a license of \$1.00 per day, and no license shall be issued to such itinerant auctioneer for a period of less than ten days.

Sec. 30. That all transient merchants or itinerant vendors offering for sale any goods, wares or merchandise or bankrupt stock shall apply to the City Clerk for permission to engage in such business in the City of Carlsbad, and shall pay for such license the sum of \$50.00 per month, and no license shall be issued for a shorter period than one month.

Sec. 31. Any business or occupation for which a license is not herein otherwise provided for, shall pay a license not less than \$5.00 per year nor more than \$25.00 per day, said license to be fixed by the Mayor.

Sec. 32. Any person or persons violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction therefor, shall be fined not less than \$20.00 nor more than \$100.00 with costs of prosecution, and not to exceed sixty days in the city jail, or both fine and imprisonment in the discretion of the court trying same, and every day or part of day of the continued violation thereof, shall be deemed to be a separate offense.

Sec. 33. It shall be the duty of the City Marshal or any other member of the Police force of this city to see that all persons following any vocation or business, for which a license is required by this ordinance or any ordinance of the city, shall have such license as required, and should they find any person doing business without license, where a license is required of them, they shall notify the said person or persons of their liability without a license. Should the said person or persons neglect or refuse to take out a license as provided by ordinance then said officer shall arrest and take the party before the Police Judge, and file a complaint against them, in order that they may be dealt with according to the law. Any officer herein designated, who shall refuse or neglect to comply with this ordinance, shall be deemed guilty of a misdemeanor, and shall be fined in a sum not exceeding \$25.00 and costs of suit for each offense, and in default of payment of said fine and costs, shall be committed to the city jail, not exceeding ten days.

Sec. 34. Any person or persons violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction therefor, shall be fined not less than \$20.00 nor more than \$100.00 with costs of prosecution, and not to exceed sixty days in the city jail, or both fine and imprisonment in the discretion of the court trying same, and every day or part of day of the continued violation thereof, shall be deemed to be a separate offense.

Sec. 35. It shall be the duty of the City Marshal or any other member of the Police force of this city to see that all persons following any vocation or business, for which a license is required by this ordinance or any ordinance of the city, shall have such license as required, and should they find any person doing business without license, where a license is required of them, they shall notify the said person or persons of their liability without a license. Should the said person or persons neglect or refuse to take out a license as provided by ordinance then said officer shall arrest and take the party before the Police Judge, and file a complaint against them, in order that they may be dealt with according to the law. Any officer herein designated, who shall refuse or neglect to comply with this ordinance, shall be deemed guilty of a misdemeanor, and shall be fined in a sum not exceeding \$25.00 and costs of suit for each offense, and in default of payment of said fine and costs, shall be committed to the city jail, not exceeding ten days.

Sec. 36. Any person or persons violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction therefor, shall be fined not less than \$20.00 nor more than \$100.00 with costs of prosecution, and not to exceed sixty days in the city jail, or both fine and imprisonment in the discretion of the court trying same, and every day or part of day of the continued violation thereof, shall be deemed to be a separate offense.

Sec. 37. This ordinance shall be in full force and effect from and after five days after its publication as required by law.

ORDINANCE NO. 150

An ordinance relating to the purchase of irrigation water and establishing rules and regulations for irrigating lots or parcels of land, and providing for a penalty for the violation thereof.

BE IT RESOLVED by the City Council of the City of Carlsbad, New Mexico that:

WHEREAS it is deemed advisable and to the best interests of the inhabitants of the City of Carlsbad that water for irrigation purposes be had and obtained for the purpose of watering and irrigating certain lots, tracts, or parcels of land situated and lying within the corporate limits of the said city.

AND WHEREAS, for the purpose of obtaining water for said purposes, it is deemed expedient and advisable for the City Council to enter into a contract for the purchase of a sufficient amount of water for said purpose, or so much thereof as is deemed advisable from the United States government Reclamation Service or thru the operation and maintenance of the city well and pumping plant.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Carlsbad that the following rules and regulations governing the irrigation of lots, tracts or parcels of land within the corporate limits of the City of Carlsbad be, and the same hereby are, declared to be effective from this date.

Sec. 1. The price per season for irrigation purposes for each lot or parcel of land shall be determined by resolution by the City Council each year before the irrigation season starts.

Sec. 2. All payments for water for irrigation purposes shall be payable annually in advance before any water is delivered.

Sec. 3. When water is furnished, and payment therefor is placed on an acre foot basis, payment shall be made immediately upon presentation of statement to the property owner by the City Clerk, and no further irrigation shall be allowed until all arrears have been paid.

Sec. 4. All application for water for irrigation purposes shall be made to the City Clerk, on a blank furnished by the city, accompanied by payment for the water desired except as herein otherwise stated.

Sec. 5. Before any water is delivered, property owners are required to install and maintain proper gates at all intake openings and to install and keep in repair and well cleaned, all ditches leading from the lateral street ditches to their property.

Sec. 6. When water is purchased by any property owner, he accepts it with the express understanding that it is to be delivered to him from the nearest lateral street ditch.

Sec. 7. The city ditchmen will care for all lateral street ditches. In all cases where the ditch leading from the lateral street ditch to the property is not in good repair and properly cleaned to carry the required amount of water, or where there is not proper headgate in good condition, the ditchman shall refuse to deliver water to the property owner until the ditch and headgate is in proper repair.

Sec. 8. Property owners whose duty is under these rules to care for ditches, shall be held strictly responsible for damages occasioned by water escaping into any street or alley, or allowing water on any other property other than that for which payment has been made.

Sec. 9. Where application and payment is made for either one or more designated lots, the designated property must be prepared and properly bordered so that water will not escape or run from said property to any other property.

Sec. 10. The city ditchman will be held personally responsible for the payment of fees for all lots watered in violation to the rules regarding payment to be paid in advance.

Sec. 11. The city clerk will furnish the ditchman with a list of all persons who have paid their irrigation fees, and any property watered in violation of these rules, will constitute a charge against the salary of the ditchman for the current month.

Sec. 12. The maximum time allowed for watering any one lot is one hour. At the expiration of this time, the ditchman shall close the intake gate.

Sec. 13. The ditchman or City Clerk will furnish each purchaser of water from the City of Carlsbad, with a copy of this ordinance, together with a copy of resolution designating rates for the current year, and it is understood that said rules constitute a contract between the City of Carlsbad and the water purchaser.

Sec. 14. Any person who shall violate any of the provisions of sections 8 and 9 as herein enumerated, or who shall fail to comply with the provisions thereof, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be fined in a sum not less than \$1.00 nor more than \$25.00, together with costs of prosecution.

Sec. 15. Any person who shall willfully divert from any ditch along the streets of said city, any water for the purpose of using it for irrigation, or any other purpose, unless with the approval and consent of the City Ditchman, and thru a permanent headgate, or who shall throw or deposit any trash or debris in any street ditch, on being found guilty shall be punished for each and every offense by a fine of not less than one dollar, nor more than ten dollars, or by imprisonment not more than ten days nor less than two days, in the discretion of the Court trying the case, also that it shall be the duty of the city ditchman to report all violations of this ordinance coming to his knowledge to the City Attorney to be prosecuted; and provided, also that the fact that water is found running onto any lot or lots within the city limits which has not been turned there by the said city ditchman, or by his direction, will be considered as a prima facie violation of this ordinance by the person occupying or using such lot.

Sec. 16. It shall be unlawful for any person having charge of or using any water for irrigation or any other purpose, whether obtained from the City of Carlsbad or thru contract with the United States Reclamation Service to, thru neglect, oversight, carelessness, or design allow said water to flow upon any street, alley or public highway within the corporate limits of the City of Carlsbad so as to hinder, delay or obstruct travel, or any person who shall thru neglect, oversight carelessness, or design shall allow said water to flow from any ditch or lateral upon any street, alley or public highway within the corporate limits of the City of Carlsbad, so as to hinder, delay or obstruct travel. Any person who shall violate the provisions of this section shall be deemed guilty of a misdemeanor and upon conviction shall be fined in a sum not less than five (\$5.00) dollars nor more than twenty-five (\$25.00) dollars, together with costs of prosecution.

Sec. 17. This ordinance shall be in full force and effect from and after five days after its publication as required by law.

Finally passed this 12th day of September, A. D. 1921.

J. D. HUDGINS, Mayor.

CORDIAL RECEPTION IN CALIFORNIA TO REV. AND MRS. GEORGE H. GIVAN.

From a clipping from a daily paper published in San Bernardino, California, we learn of the cordial reception given Reverend George H. Givan and wife by members of the St. Paul Methodist church, south.

The auditorium of the church was prodigal of beauty, decorated with French marigolds and potted spring-eril, radiating a California welcome to the new pastor and his wife. Speeches of welcome were made on behalf of the various departments of the church, and by a representative from the Ministerial Alliance, each breathing a hearty welcome to the stranger preacher and each

pledging its help in the work before him. A program of instrumental and vocal music and readings were given and an informal social hour followed with refreshments suitable to the occasion.

Special Sale on Kelly Springfield Tires at CARLSBAD AUTO CO.

The little village to the south of us, is fortunate as regards ministers. Reverend Mahan fills the Baptist pulpit the first and third Sundays of each month, while Reverend Barton, of the Methodist church, preaches on the second and fourth Sundays. Both are gifted and eloquent preachers and the people are to be congratulated. The ladies of the Methodist church of that place, have an all day sale and a chicken pie dinner tomorrow.

The Baptist Ladies Auxiliary of Loving, held a sale last Saturday at which they cleared about thirty dollars to be used in purchasing song books for their Sunday School and in other ways adding to the efficiency of the church.

C. V. Rosson recently purchased 100 head of cattle from W. C. Bates and has put them on pasture at his place near Loving.
