NUMBER 14.

## SPECIAL FOURTH OF JULY COMMITTEE MEETING

Judging from the enthusiastic reports of the special Fourth of July committee of the Chamber of Commerce given at the meeting in the club rooms last night the celebration is going beyond the fondest hopes and promises to set a high record in the history of Fourth of July entertainments. Each committee has prepared an outline of their particular activities and set a close estimate on the amount of money that the finance committee must supply for each event and entertainment. Amounts that are needed at once and special funds that will be used later have been separately listed and submitted to the committee. At present these figures are not available for publication and have only been prepared by the committees for the finance committee in order that they will have an approximate sum to fix a budget when they make the drive for these special funds. When a complete list is compiled and all finances for the celebration assured a complete list will be published for the information of the public and the donors and to show for what purpose each dollar has been used. The plans submitted are a credit to the committees and clearly demonstrate that every member is pushing this movement to the limit of his ability and with such spirit the celebration must certainly "go over the top."

James A. Campbell, representing the military affairs committee made the first report. He stated that certain additional repairs must be made on the new Polo field and gave an estimate on expenses necessary to take care of three visiting teams and horses.

Baseball was represented by J. S. Oliver, the manager for this year. Two pitchers will be hired later in the season but at present the club will need money for baseballs, gloves, and other equipment. He suggested a new system for this season and was approved in that the players will receive a per centage of the gate returns on each game before the Fourth of July but donate these games to the Chamber of Commerce to reimburse them for the initial expenses. This plan will be an incentive for the men to come out for practice knowing there is a financial gain if they make the team. The local firemen's order are entitled to twenty per cent of the gate receipts but to decrease the expenses the Chamber of Commerce will ask that this fee be removed for the celebration. The money received by the firemen is only used for the upkeep of the park and this will be given by the Chamber of Commerce. Several permanent improvements will be made. The grand stand will be repaired and enlarged to twice its present size. An opening will be made at each end and the center.

Mr. Linn, chairman of the Advertising Committee, presented a display of posters, billboard advertisements, hand bills and automobile windshield stamps. These displays will be bought in five-hundred lots. The campaign will open with a drive for the sale of the seals that are to

be posted on letters. Slides will show in the theatres through the country and when the list of prizes and attractions are prepared newspaper ads will begin. Mr. Linn gave a surprisingly low estimate for the campaign and further stated no cash would be needed for another month. The posters feature the Water Sports.

In the absence of Rom Holt, W. F. McIlvain gave an estimate on the barbecue. Mr. Holt states that the beavers will be furnished with the only expense being the cooking and serving.

The fish fry is being arranged by C. C. Sikes. Mr. Sikes is securing a special permit from the state game warden in order that the fish may be seized. A live-box will be built near the dam in order that they may be kept fresh. Nothing will be used but catfish; many entertainments of this sort are rather careless, with carp and gaffs included in the menu. The only expense required for this feature will be the nets, live-box and labor.

The Water Sports committee have some excellent plans. Mr. Davis, as its representative, asked for funds to build a steel diving tower near the center of the lake and running a safety rope from this tower to the shore. Mr. McIlvain offered the suggestion for a life-guard for discussion. This is an important matter and should be arranged. An accident is sure to come some time and a life guard would lessen the chances of any loss of life. R. M. Thorne, chairman of the improvements committee stated that the tower came under their supervision as it would be a permanent improvement and would be handled by this committee.

Mr. Thorne read the report of Scoutmaster Rawlins on the Boy Scout camp. The camp will be situated on the aviation field north of the Kerr residence. The lighting and drinking water must be furnished by the Chamber of Commerce. The water will either be piped from the main leading to Hagerman Heights or hauled from a nearby well. The lights will come from the PowerPlant just below the camp. A fee will be charged each Scout attending the camp and this fund will provide for other expenses. Mr. McKim, in charge of concessions, stated that no gambling concessions would be booked. Only rides and clean attractions are to be considered. The only expense for this committee will be advertising.

Mr. Dow, on Cowboy sport, and the Rodeo, requested that the field near the river be improved and complete corrals and shutles built. A thorny hedge near one side should also be removed and a race track constructed on this site.

The Tennis Tournament will be arranged by J. B. Morris. A cup and two rackets will be awarded as prizes.

Mr. Wertheim closed the meeting with an appeal for finances. A conservative estimate was made by all committees and small additional expenses will later be added. The final sum, however, will not be greater than the people can afford for a celebration of this kind. The committee will soon be out after the

funds and mean to get the quota. They will expect the usual hard-luck stories, but why not file your stock speeches till after the Glorious Fourth. The BUDGET WILL BE RAISED and you will only speed the time and help the committee by coming across early in the game. No, of course you will not make much on this celebration, but your town is going to make a great deal more than a few stray dollars that will be brought in. It is going to have a record breaking celebration bringing hundreds of tourists to the "wonder lake" and SOME OF THEM ARE COMING BACK. Think it over, and if you think it hard when you have to hand out your donation remember that a great many of your fellow business men will be working day and night on this event and in addition will also hand out their "bit."

## APRIL 5TH THE DATE

The word has been received from Mrs. Mildred Edwards, who is to direct the play, "The Passing Show," of 22, "that she will not be here until the 26th. Rehearsals will start the 27th and the play will be put on the 5th of April. This promises to be one of the greatest entertainments ever staged in Carlsbad.

Chief of Police Carl Gordon, of Roswell, is in town this week, attending court and incidentally greeting many old friends in Carlsbad.

Mr. and Mrs. Pritchard, the lady a sister of George Beckett, are in the city, guests of the Beckett family, from their home at Little Rock, Arkansas.

Harry, the baby son of Mr. and Mrs. Harry McKim, was quite ill the first of the week, but is better at this time.

Mrs. T. E. Rodgers is assisting in Joyce-Fruit Dry Goods store this week, the two saleswomen Meadames Sibly Butler and Ben Stinson, being kept at home by the illness of their husbands.

Walter Hamrick and wife expect to leave for Kansas City, Missouri, the last of this week or the first of next, after spending a couple of months in this city. They will go overland making the trip in their own car.

Mrs. S. L. Perry and daughters, Doris and Lois, arrived yesterday from San Antonio, where they have been since the first of February, trying the effects of a lower altitude for the health of the youngest child. Mr. Perry met them at Pecos on their return and accompanied them to their home in this city.

## NOTICE

It is being reported that restrictions on the movement of Cottonseed within Eddy County have been removed. This is not true. The same regulations apply now as during the past season. Enforcement of the local rules within the State and county depend entirely upon the support of the community for their success. Parties who disregard same are working against the measures designed to control the Pink boll-worm.

J. S. BROCK, Inspector.

## CAVALRY AND SPORTING NEWS

Drill attendance was more than doubled this week. Major Bujac and Capt. West assisted Captain Miller and gave short talks at the close of the exercises. The program drill nomenclature of the rifle and aiming exercises. Work on the rifle range will soon begin and this season promises to see more men qualifying for expert. Hush Hall, a member of last year's team that went to Camp Perry gave an interesting talk on the care of the rifle and the importance of systematic cleaning. Capt. West read the order accepting his resignation and the appointment of Will R. Miller as Captain, taking effect on March 9, 1922. Capt. West will continue to assist in the work on the range. Mounted drill is announced for Sunday morning at 9:30. This is great riding weather, troopers, and the day is yours after drill. Better postpone your Sunday morning beauty nap.

Lt. Campbell made a neat little polo talk at the Chamber of Commerce meeting Tuesday night and the prospects are exceeding bright for some real interest this summer. Our comrade, Bryan Runyan, has been playing on the star University of Oklahoma team this winter and will be qualified to teach us some new tricks. Rowell has the jump on us for stick work and there is only one way to remedy this fault and that is by constant practice.

La. Reynolds of the Elzy-Second Field Artillery team at Fort Bliss was the man who won the championship for his team on the border this year. He was only an average rider but he had practiced goal shooting strokes until he was able to place the ball between posts at any angle. This was our weak point last season. We had no trouble in obtaining possession of the ball but could never place a goal unless it were directly in front of the posts and on a straight angle.

The chances for the Cavalry corner on the baseball activities this season are of the best. The material is there and there can be no reason for not having the winning team of the valley.

The non-com schools are proving to be a real success. The troop posts who have heretofore hogged on the time by starting foolish arguments or asking still more foolish questions have quieted down somewhat and decided that after all there is something that perhaps they can learn and we reverently offer thanks that such expressions as "Now in the infancy we do this" "At Fort Bliss they form a troop this way" "No, that can't be right" "I have submitted and the instructor is allowed to do the explaining."

A St. Patrick's Day dance is booked for tonight. The committee has been hard at work and the disciples of the terpsichorean art are assured of a large evening.

Albuquerque and Las Cruces were awarded places in the finals in the state basketball tourney held in the Duke City last week.

The sporting writers in the northern end of the state all favor Albuquerque and fans everywhere are watching with great interest. The Cruces team was rather a dark horse of the tourney, having come in on the home stretch, and won the honors hands down. Alamogordo, Clovis, Las Vegas and Harwood made good showings. Fort Sumner was substituted for Roswell and was near the finals when defeated by Clovis.

Coach Rawlins announces two excellent matches for Saturday night. The CHS boys will meet the Artesia High School and there will be a match between the grammar school and the seventh and eighth grades.

James D. Greer, of Nacogdoches, Texas, is in the city this week and will engage in a business that will be of great benefit to the farmers of the valley, as well as to cotton raisers.

He plans to experiment on different varieties of corn, cotton, melons, etc., on land near Carlsbad, to find out by actual test, which of many varieties will be the best for this part of the country. The work is about the same as that which is done at an experiment station, and the main object is to improve the native varieties of the commodities mentioned above, especially the cotton. Mr. Greer says the climate here is much better than that of Arizona, and not being so hot here, it is a much pleasanter place to live, and also more money per acre will be realized here than from the long staple raised in that state. He thinks that on the whole, the people here do not realize what an asset cotton is to the country. He has secured land on one of F. G. Tracy's tracts, for his first experiment, and will also get land in other parts of the valley. The experiments will be watched with much interest by everyone.

## STOP THAT ITCHING

Use the reliable Blue Star Remedy for all skin diseases such as Itch, Eczema, Ringworms, Tetter, Cracked hands, Old Sores or Sores on Children. Sold on a guarantee

Miss Vera Nornhauser, of Carlsbad was a visitor in Artesia on last Saturday.

## LOVING NEWS ITEMS.

(Received too late for publication last week.)

Mrs. Edwin Reason has been unable to attend to her school work for several days on account of a severe attack of indigestion. Mrs. Walter Smith has been substituting for her.

There seems to be quite a number of cases of influenza in Loving, including Mary Sue Wyman, the J. A. Stuart family, Audrey Stone, Jed Howard, Mrs. Lyons, Tommy Ball and Mr. and Mrs. Stone.

Brother Dorsey Leeborn held Spanish services at the M. E. church Tuesday evening.

Tom Pope is repairing the government ditch south of Mack Reason's place.

Mrs. Mary Carlyle accompanied by her son, Joe, boarded the south-bound train Tuesday morning for Clarkson, Tennessee. Mrs. Carlyle found the altitude much too high here and during the past month has been suffering from hemorrhages. We are sorry to lose such a lovely lady from our vicinity, but we trust that the change may prove a benefit to her. Joe will return within a short time.

E. J. Ledbetter has been considering a sale of his barber business at Loving. If the sale materialized he will return to his old home in Texas. Mrs. Ledbetter is a sister of the Mesdames Gene and Arthur Donaldson.

A number of people who have been here during the construction of the oil mill, have left our city this week including Contractor Johnson and Mr. Loyd and son, Billy.

A very unfortunate occurrence took place in our village last Tuesday during the noon hour when little Philip Luna playfully grabbed a whistle from the hand of Cauley, the nine year old son of Mrs. Ada Narramore. Cauley immediately resented the act and at the instigation of several men bystanders he struck the Mexican boy in the face and cursed him. Philip in turn resented the act as well as the blasphemy and hurled a stone at Cauley striking him on the head and inflicting a very serious wound.

A short time had elapsed when he fell the victim of a spasm. Dr. Pate was consulted and relatives were advised to take the boy to Carlsbad, where he underwent an operation. It was claimed that the operation was necessary in order to prevent the spasms from recurring. The boy is recovering nicely and will be home within a few days.

Children have been urged to fight by adults on the streets of Loving for some time past. It happened in some cases that even money was put up for the entertainment. Each little brawl became more vicious than the last until results border on death.

It is needless to say what the common opinion is concerning men who would have nothing more to do than to sponsor conflicts of this kind. It is also unnecessary to say that the average boy will fight quick enough of his own accord where principle is involved.

But what can our schools, our churches or any other form of moral or mental training accomplish in the face of such conditions? What Loving needs is a peace officer who can be on the job at all times. The children will get along very well if the grown folks will be shown their places. Fortunately this little circumstance did not take place on the school grounds; though it is decreed that the teacher has the responsibility of her pupils during school hours or from nine until four o'clock. However no town expects its teachers to take the place of police officials. Even so, has a teacher the right to punish an innocent child for the offensive misdeeds of adults?

The grammar grades basket ball boys defeated the Carlsbad Boy Scout team last Saturday with a score of 20 to 5. Second victory! Ahem!

Messrs. Frank Reed and Will Craft are employed in painting the new Scarborough residence north of town.

From the deaths occurring in our vicinity from the effects of liquor, it might be well for our county officer to investigate matters to some extent.

Floyd Ledbetter has been confined to his bed on account of illness.

A barn belonging to Mr. Rich at Carlsbad burned to the ground early Thursday morning, destroying a considerable amount of hay besides the building. Elmer Yarbrough has the place rented on which the building stood.

Mr. and Mrs. Frank Nymeyer were in from the ranch this week.

J. A. Stuart is entertaining his brother and sister and his brother's wife from Texas this week.

A. F. Owens and family are moving to Carlsbad we are sorry to report. Mr. Owens has been working as carpenter at the oil mill.

The grammar school at Loving is contemplating the possibility of staging an athletic field meet, barbecue and rodeo to be held at Loving during the early part of May. The contests will be open to all schools in the valley and will include various kinds of races, balancing, jumping, vaulting, wrestling, games, (such as baseball, basketball and captain ball) and the usual rodeo program which will include

## REPORT OF GRAND JURY

To the Honorable Charles R. Brice Judge of the Fifth Judicial District Court of the State of New Mexico, sitting within and for the County of Eddy:

We, the Grand Jury within and for said County of Eddy, at the regular March, 1922, Term thereof, beg leave to submit the following report:

We have inquired into all violations of law that were brought to our attention, or which came within our knowledge, and return herewith 8 True Bills and 0 No Bills. We have investigated other matters, and in the course of our investigations have examined 28 witnesses.

Acting through our committee, we have examined the various County offices, the court house building and the jail. We find the jail in a sanitary condition, and the prisoners confined therein reported to us that they were treated courteously and were receiving plenty of good, wholesome food.

We find all of the various offices in the county in good condition, and desire to refer especially to the County Clerk's office, the treasurer's and the assessor's offices, finding the books and records in all of these offices neatly kept and in excellent condition.

We find that the treasurer's office and the assessor's office are badly in need of additional room to take care of their records. This room can be provided by utilizing the space between these two offices, where we recommend that a storage vault be constructed. This additional room can be constructed with small expense, and the need for it seems to be urgent.

We have observed the improvements that have recently been made in the District Court room, and desire to commend the County Commissioners for having made this improvement. The improvements add much to the sanitary condition and appearance of the District Court room, and should be appreciated by all of our citizens.

The County Superintendent of Schools appeared before us and stated that there were no violations of the school laws that would warrant action by the Grand Jury.

We desire to thank the various officials, the court, the district attorneys, the sheriff and his assistants, and the Grand Jury stenographer, for their very kind and courteous treatment.

Having completed our duties, we respectfully ask to be discharged.

Dated this 14th day of March, 1922.

O. C. SIKES, Foreman.

CHAS. ROGERS, Clerk.

## DISTRICT CONFERENCE.

The District Conference of the Methodist congregation belongs, was in session here this week beginning Wednesday night and closing this afternoon. Rev. Richards, of Portales, preached the opening sermon, a masterly presentation of the world's need of Christ, taking for his text, "Waiting for Jesus." The speaker applied the text to the industrial world as well as to other vital issues. After the sermon, Dr. Lyon, of Abilene, exhibited a number of slides, with the assistance of a cinematograph, showing the various fields of work in foreign lands which the Methodist church, South, are interested—the schools, orphanages and other buildings, showing where the missionary money is being spent. During the evening an illustrated song was given, Miss Wardle Bates taking the solo and in her very unaffected manner, rendering the old, familiar "Holy City," to the great pleasure of the audience.

Bishop DuBose, in charge of the work in this part of the field, came in Thursday morning and presided over the sessions of the conference. After the noon adjournment, lunch was eaten at the Crawford, and partaken of by forty-four persons.

The afternoon was devoted mainly to the work of the Sunday school and its various branches. Bishop DuBose preached to a fine audience last night. His subject being "Ye Must Be Born Again," and his sermon characteristic of the great man and close student he is.

The regular business was taken up again this morning and the Bishop will preach again this evening. A memorial service for Rev. Geo. H. Hyman, who served the church as pastor here for four years, was held this morning from 11 until 12 o'clock, which was very tender and touching.

The conference will adjourn tonight.

T. J. Cooper spent a part of the week in the northern part of the valley looking after his chances for the nomination of sheriff.

Anyone wishing to enter. The prizes offered will be a temptation to all.

Mrs. W. H. Harroun entertained Miss Harriet Rose, Zack Rose, and Jed Howard at dinner in honor of her son, Daniel, last Friday night.

Mrs. Stevens entertained a number of guests at dinner Wednesday evening in honor of Mr. Stevens' birthday.

Miss Anna Mae Donaldson was unable to attend school Thursday on account of the storm.

ADDRESS REGISTRAR, UNIVERSITY OF NEW MEXICO, Albuquerque, N. M.

## ALL ROADS SHOULD LEAD TO PECOS IS WILLIAMS' IDEA

J. W. B. Williams, candidate for commissioner of precinct No. 4, was in Pecos Tuesday from a trip to Amarillo where he visited with his daughter for a few days, having gone that far with a shipment of fat lambs which he had consigned to Kansas City.

On his return home through the Pecos Valley, Mr. Williams stopped off at Carlsbad, where he was honored guest at one of the semi-monthly midday luncheons held by the town builders of the City Beautiful. While attending this meeting, Mr. Williams became interested in the good roads plans of the Carlsbad boosters, one of which is a proposal to continue the Ozark Trails highway from that city to Sierra Blanca and thence to El Paso, the gateway. There are features of this route which make it impracticable for winter travel, chief of which is that it would traverse mountain ranges which are clogged with snow and ice during the greater part of the cold season.

Mr. Williams suggested to the Carlsbad town builders that they concentrate their plans to make an approved highway from that city south, following the outline of the Pecos river to the State line, with the expectation of getting the co-operation of the town of Pecos and all this section in completing the highway from that point to this city where it would connect with the Hankhead Highway, and make an all southern route to El Paso over which there would be no closed seasons.

Mr. Williams pointed out that the increased distance of this proposed route would be negligible to motorists, if a standard highway were furnished, and the objectionable features were eliminated. Developing the idea to an issue, Mr. Williams suggested that he would endeavor to get the Pecos Chamber of Commerce to embrace the project and the Carlsbad boosters came back at him with an invitation to his home boosters for a visit to that body at some early future date, when the interests of the two towns in this particular phase of development will be discussed, along with other plans of mutual interest.

Mr. Williams states that the projection of the Ozark Trails road from Carlsbad to this point would open up the Pecos Valley from the northern to the southern extremity of its development, opening an avenue at Pecos for the flood of tourists who come in from the northern routes to Roswell, who are diverted from that point in its westward trend by the lack of a standard highway south from that point of this city.

That Carlsbad is hopeful of the ultimate success of the proposed Red Bluff irrigation project, is a conclusion reached by Mr. Williams in mingling with the City Beautiful builders, who assure him that its installation would in no wise detract from the water supply of their project, but rather its culmination would be a source of vast benefit to the Valley at large.

By way of emphasis to Mr. Williams' suggestion, The Enterprise would suggest that Pecos business men send a delegation at an early date to Carlsbad to discuss with the business men of that city the phases of development in which the two cities are mutually interested, one of which certainly seems apparent in the projection of the highway from that point to a connection hers with the Hankhead Highway.—Pecos Enterprise.

Judge D. G. Grantham arrived Saturday from El Paso where he has opened a law office and engaged in the practice of law. Judge Grantham will be in Carlsbad during this term of District Court, having several cases on the docket to attend to. At the close of session in the spring the family may decide to move to the Pass City.

BORN—To Mr. and Mrs. Bill Ohnemus, a son, Wednesday March 8th. The baby, the first son born to these young people, has been named Roman, honoring his illustrious grandfather, who is feeling pretty big over the name.

## OFFICIAL CALL FOR THE REGULAR BIENNIAL CITY ELECTION IN AND FOR THE CITY OF CARLSBAD, NEW MEXICO, AND NOTICE OF THE APPOINTMENT OF BOARDS OF REGISTRATION, JUDGES AND CLERKS.

Notice is hereby given that the regular biennial election for the purpose of electing a Mayor, at large, of the City of Carlsbad, New Mexico, a City Clerk and a City Treasurer, each to serve for a term of two years, and for the further purpose of electing one Alderman from each of the four wards, being wards Nos. one, two, three and four, respectively, in the City of Carlsbad, New Mexico, to serve for a term of four years, is hereby called and will be held on the first Tuesday in April, being the fourth day of April, A. D. 1922, as required by law.

Notice is hereby given that the following persons have been appointed by the City Council of the City of Carlsbad, New Mexico, to act as Boards of Registration, and hereinafter named places be and are hereby designated as the places of registration in the respective wards:

**FIRST WARD.**  
Board of Registration.  
M. A. Ohnemus, E. L. Tinnen, C. H. Dishman.

**Place of Registration.**  
Fire Hall.

**SECOND WARD.**  
Board of Registration.

J. F. Flowers, R. J. Toffelmire, W. E. Smith.

**Place of Registration.**  
Grammar School Building.

**THIRD WARD.**  
Board of Registration.

J. E. Lavery, Julian Smith, J. H. Baker.

**Place of Registration.**  
Court House.

**FOURTH WARD.**  
Board of Registration.

R. N. Hamblen, C. D. Rickman, E. H. Hemmaway.

**Place of Registration.**  
High School Building.

The Registration books shall be opened for registration of voters, beginning at nine (9) o'clock, A. M., on the 14th day of March, A. D. 1922, at the places hereinbefore designated, and will be closed at six (6) o'clock P. M. on the 24th day of March, A. D. 1922, but a certified list of the registered voters will be posted for a period of six days thereafter, outside the door of the places of registration hereinbefore designated and in the Post Office of the City of Carlsbad, New Mexico, during which time any person noticing that his or her name is not registered, may apply to have the same added thereto and placed upon said books within six days after the posting of said registration list, or the name of any person who within said six days may be discovered not to be a legal voter may be stricken from the list by any member of the Board of Registration.

Any person who at the date of this election, would be a qualified elector under the laws of this state, for County Officers, and shall have actually resided in the ward, in which he offers to vote, for thirty days last preceding the election shall be deemed a qualified voter.

Notice is further given that the following persons have been appointed by the City Council of the City of Carlsbad, New Mexico, as judges and clerks to hold and to conduct the regular biennial election and the hereinafter named places be and are hereby designated as the voting places where said election shall be held, as required by law.

**FIRST WARD.**  
Voting place, City Hall.

Judges: G. V. Price, N. T. Daugherty, R. Ohnemus.

Clerks: Ray V. Davis, and Ray Soladay.

**SECOND WARD.**  
Voting Place: Grammar School Building.

Judges: J. F. Flowers, A. J. Crawford, Bert Rawlins.

Clerks: H. F. Christian, D. F. Sellards.

**THIRD WARD.**  
Voting Place: Court House.

Judges: J. R. Linn, H. H. Dille, J. H. James.

Clerks: T. E. Rodgers, F. A. Kindel.

**FOURTH WARD.**  
Voting Place: High School Building.

Judges: L. A. Swigart, Horace Hutchinson, W. F. McIlvain.

Clerks: C. D. Rickman, C. C. Sikes.

I, J. D. Hudgins, Mayor of the City of Carlsbad, New Mexico, under and by virtue of the power invested in me, do hereby issue the following official call for the regular biennial City Election.

J. D. HUDGINS,  
Mayor of the City of Carlsbad, New Mexico.

(SEAL)  
ATTEST:  
R. A. TOFFELMIRE,  
City Clerk.

Seats on Sale at Star Pharmacy

## FARM WAGES

Farm wage rates in the United States dropped approximately 37 per cent during the calendar year 1921, reaching an average of \$43.32 per month without board and \$30.14 per month with board, according to data recently compiled by the U. S. Department of Agriculture.

Farmers who were employers did not profit by this drop in farm wage rates, as the prices of the things

they produced and sold likewise declined in about the same proportion as wage rates. The average value of crops is estimated to have dropped about 37 per cent in 1921 and live stock prices were also much lower.

FOR SALE—One Truck body (new) with top, curtains, windshield seat and cushions. Complete. R. NICK & GRUBAUGH.

USE NYAL SARSAPILLA COMPOUND

Don't go around looking blue and making your friends and family unhappy, when by taking a few doses of our spring tonic you will have pep and snap again. We recommend it to you.

### LOCAL NEWS.

Fred Hedlund, who is connected with the Forest Service work in Arizona, came in last week for a visit with friends.

Mr. and Mrs. M. Lewis of the PK ranch were in town the first of the week to attend the funeral of their neighbor, A. J. Rader, who was buried Tuesday afternoon.

M. Wilhoit, and B. H. Turner, of Knowles, New Mexico, are a couple of citizens of that community who were in town the first of the week.

Mrs. J. Floyd Hart came down from Willard, New Mexico, about a week ago and is out at Dark Canon Wells, recovering from an attack of flu, which she contracted soon after her arrival. Little Geraldine, the granddaughter, is also convalescing from the same disease.

Ray V. Davis is having a hard time at his house, with the usual disease, which so many are having at this time. In the first place, Mrs. Davis was taken sick about a week ago, and has been confined to her bed since. Saturday the baby, Dwayne, came down with pneumonia and Tuesday, Herschel, the second son, became quite ill. All are getting along as well as can be expected, but it does seem as though some people have more sickness than others.

The family of Jim Mullane, well known to Carlsbad folk, who now live in El Paso, have been having a lot of sickness lately. In the first place Jim himself has been almost bedfast for a long time with rheumatism, and lately the children have been having scarlet fever, and the two little girls are only now convalescing from that dread disease. The two younger children have not yet come down with it, but as they have been exposed, the prospect seems rather discouraging. Mrs. Mullane's father, who makes his home with them has also been sick which adds to the responsibilities.

Si Williams, wife and little daughter left last week for the home of Mr. Williams father, who resides in Hereford, Texas, and where they will make a visit. They will be greatly missed in Carlsbad, Mr. Williams among the business of the town, and Mrs. Williams and her beautiful little daughter, being favorites among all who knew them. They will leave after a visit at Hereford, for Los Angeles, where they expect to reside permanently.

Lieut. Clay Beckett of the regular army came in from Columbus, New Mexico, Saturday, called here by news of his father's condition, who continues critically ill in Eddy County Hospital.

C. H. Dismann, the well known carpenter and contractor, left last week for Los Angeles, on a business trip, expecting to remain for some time.

**Genuine Value**

TODAY, more than ever before, it is to the buyer's interest to determine what is BEHIND his car as well as what is IN it.

In the SPECIAL-SIX, Studebaker offers a car, the enormous sales of which are the best proof of its value.

The SPECIAL-SIX has established itself in the minds of thousands of owners as an unusually capable, powerful, roomy and beautiful car. Its tremendous popularity contributed largely to the attainment of Studebaker's position as the largest builder of six-cylinder cars in the world.

But in addition to the value that is IN the SPECIAL-SIX, there stands behind it, an organization whose resources and permanence are assurances of continued service to the car owner and of protection to him not only today and tomorrow but in the years to come.

For 70 years, Studebaker has been building high quality vehicles and selling them at fair prices.

There are many reasons in addition to the unquestioned intrinsic value of the SPECIAL-SIX why it should be your motor car choice. You are urged to inspect this car NOW.

#### SOUR STOMACH INDIGESTION

**Theford's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver.**

East Nashville, Tenn.—The efficiency of Theford's Black-Draught, the genuine, herb, liver medicine, is vouched for by Mr. W. N. Parsons, a grocer of this city. "It is without doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver, indigestion, and all other troubles that are the result of a torpid liver.

"I have known and used it for years, and can and do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."

Many other men and women throughout the country have found Black-Draught just as Mr. Parsons describes—valuable in regulating the liver to its normal functions, and in cleansing the bowels of impurities.

Theford's Black-Draught liver medicine is the original and only genuine. Accept no imitations or substitutes. Always ask for Theford's. **E. M.**

of Sec. 2455, R. S., pursuant to the application of Cesarine A. Kerr of Carlsbad, New Mexico, Serial No. 048758, we will offer at public sale, to the highest bidder, but at not less than \$1.25 per acre, at 10 o'clock A. M. on the 12 day of April 1922 next at this office, the following tract of land: NW 1/4 SE 1/4, SW 1/4 NE 1/4, NW 1/4 NE 1/4, SE 1/4 NE 1/4, Sec. 5, T. 22 S., R. 27 E., N. M. P. M., containing 160.21 acres. "This tract is ordered into the market as a showing that the greater part thereof is mountainous or too rough for cultivation."

The sale will not be kept open, but will be declared closed when those present at the hour named have ceased bidding. The person making the highest bid will be required to immediately pay to the Receiver the amount thereof.

Any persons claiming adversely the above-described land are advised to file their claims, or objections, on or before the time designated for sale.

Carlsbad

Chas. Shepherd, C. C. Cagle and  
Robert Kellahin, three business men  
of Roswell, came down from  
there Wednesday, making the trip  
by automobile.  
Mrs. Mildred Edwards, who was  
expected here to put on the play for  
the Boy Scouts, is ill at Raton, and  
will be unable to come down this  
week. However, she expects to ar-  
rive here the 27th and the play will  
be put on the 5th of April.

Miss Helen Wright is among the  
other sick in the city this week.

Mrs. George Roberts and young  
son, after a visit with relatives here  
left last night for their home at  
Clovis.

Mrs. Laura Beers, a beloved  
former resident, now living in To-  
peka, Kansas, arrived in the city  
last week and is being entertained  
at the homes of different friends,  
in and near Carlsbad. She is the  
same kindly woman she always was  
and Carlsbad ladies delight to do  
her honor.

Mr. and Mrs. Earl Matheson and  
a young lady friend, Miss Irby,  
came down from Roswell, Saturday  
and visited at the home of Will  
Matheson until Sunday evening be-  
fore returning to their home.

Homer Ward, who says his resi-  
dence is Strychline, was in from  
there, (wherever that may be) the  
first of the week.

#### LOCAL NEWS.

Lee Hanson was a business visitor to Roswell going up Tuesday and returning yesterday.

Rev. F. A. Thorold Eller, rector of Grace Church, this city, conducted services at Pecos yesterday.

Ed Burleson and daughter were in this week from their ranch west of town attending court.

J. G. Ussery, and son, Huling, Tom Gray and Arthur Mays, were in the city this week from their respective ranches on Black River southwest of town.

Walter Glover was in town a few hours Tuesday on a business trip from his ranch.

The ladies of the Methodist Missionary Society announce a bazaar on the last Saturday before Easter. Place to be announced latter.

Miss Jennie Linn, Mrs. E. A. Roberts and Mrs. George Roberts spent the day with Mrs. C. C. Lewis at her home in the Otis community, Tuesday.

After this week the band concerts will be held on Friday nights instead of Sunday afternoon. This was deemed best by those having the matter in charge and will be adhered to during the summer months. Professor Trowbridge tells us of a new departure in the line of music, new that is, for this city and that is: Mrs. Anderson, who is now pianist for the Carlsbad Orchestra and a trained singer, will give vocal numbers with band accompaniment at the concerts. This will doubtless prove a drawing card to the weekly concerts and prove very enjoyable to all who are fond of good music.

**SCOUT NEWS**  
Artesia boys are anxious to organize a scout troop. Get busy, neighbors, and we will lend our aid. They are only waiting to find a scoutmaster. Surely some of our neighbors will answer the call of the boys in this great work. What will be wrong with having our own Scouts in camp this summer? Mr. Linn of the local theatre, will be sure to help in this matter.

Watch the troops grow now that summer is coming. Let's get everything in readiness.

Troop No. 1 turned two of its members over to the United States Army Service last week. Dutch Weldon and Leslie Ward. They will be stationed at Fort Bliss and have entered the Medical Corps. We all wish our old comrades success in the new venture and Uncle Sam will find them good, true soldiers.

Troop No. 2 had a special outdoor program Tuesday night. A great time was had by all.

Pete Reed and Willis Moore have been among the flu victims for the past week. Both are on full feed again.

Scouts of New Mexico and West Texas will have splendid chance to get acquainted in the big summer camp.

Every boy who is a true scout will do all in his power for scouting and not let little things keep him from scout meetings and not hold a grudge at any one. Remember your oath, "A scout is Loyal." You took that oath with good faith, stay by it.

Lovers of basket ball will have the privilege of witnessing some good games at the Armory Saturday night. Carlsbad and Artesia schools are scheduled for two games, and picked teams from our Grammar school and the Seventh and eighth grades will battle for supremacy.

Rev. A. C. Douglas, pastor of the Methodist church of this city, was down with the flu the first of the week. This was a very inopportune time for him to have the disease, as the District Conference is now in session, and his absence is regrettable.

"WHERE THINGS ARE NEW"

## Styles for the younger shoppers

### About Several of the New Wooltex Models.

You'll find variety at every turn. There are belted coats for example, some with the belts in front only, long unbelted box coats, semi-fitting flare coats. Mostly they button up the front with a snug-fitting collar. Many have fur in the collar and pockets, others are embroidered or trimmed with silk stitching.

## Right now interest centers in Wooltex Tailor-made suits

And for several very good reasons. Our display is an unusually complete one, so many attractive styles, new fabrics, new colors. Then, of course, it's always a great satisfaction to discover the WOOLTEX signature in the suits and dresses you are looking at. It gives you such a comforting assurance of expert tailoring, of choice, of long service, of styles that will endure.

WE HAVE JUST RECEIVED AN ASSORTMENT OF NEW SPORT DRESSES AND SPORT COATS.

**Joyce-Pruit Co.**  
THE STORE THAT SELLS WOOLTEX

The Debating Team of Carlsbad High School has challenged the team of Roswell High to a debate on April 25th to be given in this city. Roswell accepted and will send her team and a goodly delegation of interested persons, to hear the debate. The subject assigned has to do with emigration, but the exact form in which the question will be put has not been decided upon.

The High School has recently had a contest to decide on the most beautiful and the most popular girl. The decision was announced Wednesday, Miss Dorothy Batton receiving the greatest number of votes in the popularity contest, and Miss Novella Dawson being pronounced the most beautiful girl by the votes of her schoolmates. Miss Batton is a senior and Miss Dawson a junior in the High School.

Dr. L. F. Dieffendorf is enjoying a visit from his nephew, Charles Dieffendorf, of Ottumwa, Missouri. The nephew comes looking for a location and may decide to locate permanently in the Pecos Valley. Dr. Dieffendorf expects to leave in a few days for the home of his daughter, Mrs. Rock, where Mrs. Dieffendorf is at this time, her health not permitting her to live in this attitude.

## She'll Like This Shirt Of Course

Whether the wife helps you pick it out or not, she'll certainly like the shirt you choose from our stock of

### Beau Brummels

A REAL COMBINATION OF  
STYLE AND COMFORT

She'll like its style, its crisp, fine fabrics, its attractive coloring. And besides—

She will notice fine details of workmanship, the finish at cuffs and buttonholes, the perfection of making, the careful fit which assures you absolute comfort.

And because she will find in Beau Brummel shirts materials of real quality and durability as well as good looks, she'll give them her unqualified approval.

## THE BOSTON STORE

### A FREAK OF THE WEATHER

A peculiar freak of the weather Thursday caused many to comment on it. When early in the morning what seemed to be the beginning of a blinding snow storm for the whole day with a strong wind accompanying it terminated in what would be called in the summer time a summer shower. The sun came out with a brightness that surprised every one. However, the surprise was not over, for this series of snow showers with now and then a burst of sunshine was kept up throughout the day as though the clouds were barely skimming the earth, the strong gale keeping up as well. However, it is lively this morning and the moisture is needed for the grass.—Lovington Leader.

Mrs. Mabel E. Polk, a former beloved primary teacher in the schools of Carlsbad, but now holding a similar position in Lovington schools, was in town a few hours the latter part of the week. Mrs. Pope is always welcomed heartily by old friends when she comes to town, which is not half as often as her friends wish. Accompanying her were two young lady friends, teachers in Lovington schools, Miss Cowan and Miss Edwards, and Mr. Pendleton, also a teacher. The party left shortly after noon on Sunday, returning to their work in the Plains City.

Mr. and Mrs. C. C. Tebbetts announce the birth of a son, Saturday March 11th, at their home in this city. We have not learned the name of the boy, but extend best wishes for his success in life.

Mr. and Mrs. Richard Lewis, the gentleman being a nephew of Will Fenton, arrived in the city Thursday night of last week from spending their honeymoon in different part of Texas.

### "BABE" CAMPBELL FOR ASSESSOR

J. A. (Babe) Campbell is a candidate for the office of County Assessor of this County, subject to the will of the voters at the next ensuing Democratic Primary. His formal announcement appears elsewhere in this issue of the Current.

"To see that all taxable property with Eddy County appears on the tax roll and that valuation and assessments are equitably made" are features of his platform. And to know "Babe" Campbell is to know that the tax-paying public will have courteous and obliging treatment at the hands of the Assessor's office in event of his election. Mr. Campbell is a tax-payer himself and some of his numerous kinsmen are among the oldest and heaviest taxpayers in this County. It is not surprising to know that his kinsmen, in this County, constitute a multitude when the fact is made known that his relatives constitute practically all of the Joneses and Smiths, Bill Jones of Rocky Arroya being his uncle, and Julian Smith of Carlsbad being his father-in-law.

Mr. Campbell is a young man, twenty-five years of age, and while he is well known in portions of the County, it may not be amiss to mention a bit of his personal history for the benefit of those who haven't had the pleasure of meeting him. He came here about ten years ago from near Minco, Oklahoma, where he was born and raised on a farm. From the time of his coming to Carlsbad until June 17, 1917, he lived near Carlsbad on a ranch. At the latter date he enlisted in Company B at Carlsbad. August 1, 1918, he went overseas with Uncle Sam's Army, landing at New York on his return April 27, 1919. He was on police duty from Havre to Bar-le-Duc, just back of the Verdun front. At that time, as a member of the military police, he had charge of road patrols as well as being law and order man generally. Mr. Campbell made a fine soldier and is a prominent member of the American Legion, being a member of the Bryan Mudgett Post here at Carlsbad. He was honorably discharged from the army at Ft. Bliss, Texas, May 3, 1919.

On his return from the army, he bought the Henry Lamson ranch northwest of Carlsbad and engaged in the cattle business. Mr. Campbell was educated from the high schools of Oklahoma and the Agricultural and Mechanical College, a state institution located at Still Water, Oklahoma. June 1, 1921, he was married to Miss Nettie Smith, the popular young daughter of Julian Smith of Carlsbad. He numbers his friends by the extent of his acquaintance and claims that the various property interests of the County will get a square and impartial deal at the hands of his office in event of his election.

"Babe" Campbell, like many other boys who really and truly did their bit, wishes little mention made of his army service but his friends, nevertheless, are insistent that the voting public should be advised of his record.

If "Babe" Campbell shall be nominated and elected Assessor of Eddy County, in him the County will have a competent and worthy official and the fact of his election will be a recognition of a large voting element of this County who have heretofore never been recognized as a political preferment.

A pleasant picnic was indulged in by a few of Carlsbad's young people at the Avalon Dam, Sunday, in the crowd were Mrs. Mabel E. Polk, and two teacher friends of Lovington, and Mr. Pendleton, of the same place, Miss Inez Jones, Mrs. Joe Livingston, and Roy Caster. The Lovington people had never before seen the dam and the surroundings of Avalon appealed to their love of the beautiful and they were loud in their praises of the wonderful work.

### SUDDEN DEATH OF A. J. RADER

A. J. Rader, a ranchman, who lived on what is known as Castle ranch, in Culbertson county, Texas, and was well known to many Carlsbad people, expired suddenly at his home on the ranch, Monday morning. He was standing up drinking a cup of coffee, with his brother, Kaid, and J. G. Usery, who happened to be at the house, when he suddenly threw up his hands and fell over, expiring without a word or struggle.

The body was brought to town by his brother, and J. G. Usery, and after an examination by a physician, who pronounced the cause of death to be apoplexy, the body was prepared for burial, and laid to rest in the City Cemetery, Tuesday afternoon at one o'clock. Reverend Lowry officiating at the brief funeral services, from the undertaking parlors.

Mr. Rader and his brother, Kaid, came to this part of the country from Live Oak County, Texas, about twenty years ago. They have lived continuously on the ranch for some years. So far as known, the only other living relative they have is a brother, whose address is unknown at this time but who is thought to be somewhere in Arizona. He was about forty-eight years old, and unmarried. The surviving brother has the sympathy of many friends in his loneliness.

### WANTS TO DEDICATE INDIAN RESERVATION A NATIONAL PARK

Z. B. Moon, of Hope, N. M., was in Pecos Wednesday to secure the endorsement of the local Chamber of Commerce to a petition which is being circulated throughout the Southwest calling upon the National Government to create a national park in the Mesquero Indian Reservation, which is in the White Mountains west of Roswell.

This reservation embraces some of the most wonderful scenic panoramas in the United States, and it would better serve the country as a national playground than being the happy hunting ground of a rapidly diminishing band of Indians. For that matter, the creation of a national park in the Reservation should not in the least detract from the occupation of the Mesquero Indians, who spend most of their time riding about on their ponies, closely followed by the squaws, the papooses, many dogs, and a wagon containing the tepee outfit. Their presence would really serve as an exhibit of considerable interest to tourists, who desire to study the Red Man in his native lair.

It must have often occurred to the average white man that a paternal government was exceeding the speed limit in protection to its denizens, in furnishing these and other tribes of Indians with such forms of civilization, has bungalows, pianos and other expensive furnishings, only to have the child of nature stretch his tepee alongside the bungalow home and live in it in preference to the more modern structure, and see him store the piano in the dog shed or corral upon which to roost his chickens.

But still there are those who think of the white man robed the Indian of his birthright, in bringing to productivity a land which the Indian only used as so much space in the day's chase of wild game.—Pecos Enterprise.

Miss Jennie May Wheeler is spending the week at the Frank Morris home in Roswell, expecting to go from there to the Acroy ranch for a long visit.

An informal gathering at the home of John Wells, Saturday night was the occasion of much enjoyment to all present. An original playlet was given and music both vocal and instrumental enlivened the hours. Eskimo Pies were the refreshment and the guests were the following: Misses Shepherd, Hanson, Jewell, Gladys Brown, Mr. and Mrs. Bert Rawlins, Mr. and Mrs. J. S. Oliver, Messrs. Carl Livingston, Blythe McCollum, Fulton, Bill Hudgins, and Bob Monroe. It is hoped to organize a Dramatic Club in the near future, and for this purpose, the same bunch will meet at the Rawlins home tonight.

Dr. R. J. Boatman returned Saturday night from Woodward, Oklahoma, where he was called to the bedside of his only living uncle, Henry Boatman, a man eighty-four years of age, who is suffering from acute Bright's disease, and who was unconscious when the doctor arrived there and unconscious when he left. So far advanced is the disease that his death is expected at any hour. He visited here some years ago, remaining about six weeks and many of our people remember him.

## LESSON FOR MARCH 19

## THE DOWNFALL OF ISRAEL

LESSON TEXT—II Kings 17:1-18.  
GOLDEN TEXT—Righteousness exalteth a nation, but sin is a reproach to any people.—Prov. 14:34.  
REFERENCE MATERIAL—Hosea 7; Amos 2:6-16.  
PRIMARY TOPIC—What Came of Wrong Doing.  
JUNIOR TOPIC—Israel's Punishment for Disobedience.  
INTERMEDIATE AND SENIOR TOPIC—Results of Disobedience to God.  
YOUNG PEOPLE AND ADULT TOPIC—How National Sins Are Punished.  
1. Israel Taken into Captivity (vv. 1-6).

This was the fulfillment of that which Amos had predicted in the days of Jeroboam II, at a time when the nation was at the height of its prosperity. The northern kingdom was ruled by 19 kings, all of whom were wicked. Their wickedness was not because of lack of information or opportunity, but in spite of it. God promised the first king His blessing if he would be loyal to Him. Jeroboam departed from God and the apostasy thus began continued downward to the end. In the reign of Hoshea, the last king, the king of Assyria came and besieged Samaria and carried the children of Israel captive to Assyria, from which they never returned.

## II. The Sins Which Caused Their Doom (vv. 7-15).

1. Conformed to the ways of the heathen (vv. 7-9). God had commanded them not to follow in the ways of the heathen, but these Israelites, instead of maintaining lives of separation, secretly did that which was displeasing to God. Secret sins just as surely as open sins bring ruin, for all things are naked and open to Him with whom we have to do. One may maintain his reputation before men while practicing sins, but ruin will sooner or later overtake him. Even though God had cast out the heathen for practicing these sins, the Israelites followed in their ways. God demands separation (II Cor. 6:17).  
2. Served idols (vv. 10-12). They not only compromised by "walking in the statutes of the heathen," but worshiped their gods. It was not a long step from following in the statutes of the heathen to worshipping their gods. Before they worshiped idols they cast off the true God. Idolatry came in because the race did not wish to retain God in its affection (Rom. 1:21-23). People today are worshipping idols because they have first cast off the authority of the living God. Man is a worshipful being. When he ceases to worship the true God, he worships other gods. Neutral ground is impossible.

3. They were rebellious (vv. 13-15). God by His prophet had said unto them "Turn ye from your evil ways and keep my commandments," but they stubbornly refused His testimony, even rejected His statutes. God, in love, tried to save them. He sent some of the noblest and best prophets who ever spoke to man to persuade them to turn from their sins, such as Elijah and Elisha, but they hardened their hearts and plunged deeper into wickedness.

4. Caused their sons and daughters to pass through the fire (v. 17). This was the dreadful Moloch worship—the most cruel rite of heathen worship. It was done by kindling a fire in a hollow metal image until its arms were red hot and placing live children therein to be burned to death.

5. Resorted to magical practices (v. 17). When faith in the true God waned, men always turn to the magical arts. In this way they sold themselves to evil in the sight of the Lord to provoke Him to anger.

III. Judgment Falls (v. 18). At this stage of the drama the curtain falls. God could not be inactive longer.

1. God was very angry. God's anger is not raving fury, but the revulsion of His holy nature against sin. Sin cannot exist in His presence. His wrath must strike. Though He waits long, the debt must be paid and always with compound interest. There is only one way to escape God's wrath; that is, to turn from sin.  
2. Removed them out of His sight. The land of Palestine is regarded as the land of God's sight; that is, the place of His manifested presence. Their national identity was blotted out forever. These people are still scattered among the nations, and as a separate nation doubtless they will never return to their land. The judgment was severe, but not more so than the sins merited. God had waited long. The despising of His grace must eventually work ruin. What judgment must fall upon the people today who reject His grace and mercy!

Bound to Materialize. Every thought we think images itself in the mind and every image that is persistently held in mind is bound to materialize.—Jenn Porter Rudd.

Perfect Peace. Thou wilt keep him in perfect peace, whose mind is stayed on thee; because he trusteth in thee.—Isaiah 26:3.

He That Diggeth a Pit. He that diggeth a pit shall fall into it; and whose breaketh an hedge, a serpent shall bite him.—Proverbs 10:8.

## DID THE PREACHER SWEAR?

It Might Seem So When He Agreed With Nimrod.

Several business men were seated about the blazing fire at the club at East Liverpool, O. They were discussing the curious ways in which false reports often start. One merchant told of an experience during a hunting trip out West.

"My guide told me how he had escorted a famous clergyman on a hunt for wild game," said the merchant. "I understand he never was known to show a single weakness," I said. "That is not true, though," replied the guide. "I heard him swear."

"Is that so? Tell me about it," I said. "Well, sir, we were watching another fellow. Suddenly, the fellow pulled in an eight-pounder. Turning to the preacher, he said: 'That's a 4-4 fish.' The clergyman replied: 'Yes, it is.'"

## To Jail by Airplane.

Aerial policemen in San Francisco are thus far the first to make use of the airplane to conduct a prisoner to jail, via the automobile patrol.

The sky route offers the most direct passage between two places, and in this instance the prisoner was transferred from the Alameda county jail across the bay of San Francisco to the locality where an automobile patrol was waiting to continue the journey through the city. Where it is necessary to save time, the airplane can be of service, as in this case.

When the air becomes crowded with machines, the arrest of violators of the air-traffic laws will undoubtedly become common and aerial patrols will no longer excite comment.—Popular Science Monthly.

## NOTICE

We are prepared to do you satisfactory and reasonable work. All kinds of machine work, blacksmithing and wood work done by expert mechanics. At the OHNEMUS SHOPS. "Can Fix It."

Department of the Interior, United States Land Office, Roswell, N. M.

NOTICE is hereby given that on the 9th day of January, A. D. 1922, the Santa Fe Pacific Railroad Company, made application at the United States Land Office at Roswell, New Mexico, to select under the Act of April 28th, 1904, (33 Stat. 656) the following described land, to-wit:

The Northwest quarter of the Northeast quarter of section Seven (7), in township twenty-four (24) south, of range thirty-one (31) east of the New Mexico Meridian in the State of New Mexico containing forty (40) acres.

The purpose of this notice is to allow all persons claiming the land adversely or desiring to show it to be mineral in character, an opportunity to file objection to such location or selection with the local officers for the land district in which the land is situated, to-wit: at the land office aforesaid, and to establish their interest therein, and the mineral character thereof.

EMMETT PATTON, Register.

## STOCK FARMERS FIRST TO COME BACK

When the bottom began to drop out of everything 18 months ago it was the stock farmer who suffered first and suffered most. He lost heavily on the grain and hay that he raised as well as on the livestock that he produced or prepared for market.

It looked at that time as if the most logical and intelligent farmers, the men who were really farming and not simply mining the soil, were to suffer more than the rest in the general readjustment of prices on farms as well as on farm products.

Wise heads, however, made the prediction then that while stock farmers were hit first and hardest they would be the first to come back after matters had settled down somewhat. This prediction has come true and one has only to look around a bit for confirmation of the fact.

The grain farmer still has his grain on hand if he has not already sold it at prices far below the cost of production. The hay growers are in the same fix, while the live stock feeders have been able to realize pretty good prices for both their live stock and their farm products. Stock farmers are not only in better shape financially than they were at this time last year; their farms and ranches are also in better shape.

The fact must not be lost sight of, however, that the live stock farmer who was first to feel the blow when prices started going down has been the first to feel the effect of the inevitable rebound.—Omaha Journal-Stockman.

## Enlists at 53; Says He's 36.

American Magazine has an article about "Foghorn" Macdonald, who enlisted as a private in the Canadian forces at fifty-three and is now a major at fifty-seven. The author of the article says:

"By canoe for 31 days through the wilderness, by an old tub of a leaky steamboat, by whatever means of travel he could find, including his own feet, he made his way back to Winnipeg, only to find that the troops had left. All right! A machine gun company was being formed and he applied for that."

"The recruiting officer was a friend of his, had helped celebrate Foghorn's fifty-third birthday the previous January. But when in making out the papers he came to the question, 'How old are you?' and Foghorn whipped out: 'Thirty-nine!' he never batted an eyelash."

"Before his official cronies at Ottawa knew it, Macdonald was on his way to England—a private at fifty-three! Two years later, he was a major; the only man in the forces of the allies who has risen from the ranks to that grade in the present war."

## The Wrong Number.

Mrs. New Auto owner, all excited, called her husband over the telephone at his office, and announced: "The auto tags came by mail, but we will have to send them back. They sent the wrong number." Business of considerable questioning from the business office end of the telephone.

Then: "Well, they're not the same numbers we had last year, so I thought they had made a mistake."

Explanatory: The machine had come into possession of the family late in the year, a license number was obtained that had six figures and the husband got in early for a 1921 license hoping to obtain a smaller number and he got it.

Anyway, the wife had a good laugh at her own expense when the husband arrived home that evening. And she is learning something each day about autos.

## Determine Profits.

Farmers' profits are determined by the difference between production and transportation costs and the selling prices. Production must cease when the transportation costs wipe out the difference.

Other prices on SPRING SUITS range as low as \$25.00 and up to \$50.00.

Most of these Suits have extra pair of trousers. We cordially invite you to come and see these and other representative Spring Styles we are now showing from Hart Schaffner & Marx, and other nationally known clothiers.

Hard-to-fit men will find that we have anticipated their spring needs.

**SPRING FURNISHINGS AND FOOTWEAR  
FOR MEN ARE NOW DISPLAYED IN  
UNEQUALLED RANGE OF SELECTION.  
MAIL ORDERS FILLED.**

A beautiful window in the T. C. Horne Dry Goods store is the result of the artistic taste of Collins Gerrells, the window dresser. Green and white combined in a number of different fabrics and the shimmer of the Emerald Isle, in a prominent place, makes a window of beauty and one which is being much admired by all lovers of the beautiful.

There will be morning worship Sunday at the Presbyterian church, and the sermon will deal with "The Personal Posture." There will be church school in the morning and young people's meeting in the evening. Wednesday evenings the studies are continued in Revelation. Our usual candy special Saturday only. 30c per pound. SWEET SHOP.

True to their policy of being up with the times, the proprietors of the Sweet Shop have decorated their north window in an appropriate manner emphasizing St. Patrick's Day. The effect of the little ornamental candy boxes all in green and white, and candy in the same colors, is very pleasing. EGGS—15 from full blood Asiatic Large-Black Lashans, \$1.50 Phone 110 J. 703 Main St.

**MRS. J. S. PERRY.**  
The regular monthly communication of Eddy Lodge No. 21, A. F. & A. M., will be held Thursday evening, March 23, 1922. An interesting feature of the meeting will be the reports from the representatives to the recent session of the Grand Lodge held in Albuquerque February 20-22, 1922. All members are urged to be present to learn of the present activities of Masonry in New Mexico; and visitors will be fraternally welcomed.  
**WANTED.**—Girl for general housework. Inquire at **LITTLE WHITE HAT SHOP,** or Telephone 321.  
**FOR SALE.**—Juniper wood sawed into convenient stove lengths. 75 cents per hundred. Apply at **LESLIE'S WAGON YARD,** pd 30 da 3-17.

## STOP! LOOK! LISTEN

But if any provide not for his own house, he hath denied the faith, and is worse than an infidel.

The greatest sacrifice the universe could make was made for YOU. CHRIST, the Son of God gave His life for YOU. Do you, in any measure show your appreciation of the same?

**GO TO CHURCH NEXT SUNDAY!**

## The POPULAR Store Bargain Sale

IS NOW IN FULL SWING and the buying public has been surprised at the WONDERFUL BARGAINS being offered during this big Sale in Dry Goods, Shoes, etc.

## Popular Bargain Sale will end SATURDAY, March 25th

In placing our entire stock of staple and fancy Dry Goods on sale at material reductions during this Popular Bargain Sale, we do so with several objects in mind.

ONE: To reduce our stock to its lowest point to enable us to buy new goods for spring and summer.

TWO: To encourage buying, which will result in more business and employment for everyone.

THREE: To give our customers an opportunity to buy good staple merchandise, at prices nearest to what they cost us.

**SUPPLY YOUR NEEDS IN DRY GOODS  
NEXT WEEK BEFORE OUR  
SALE CLOSES.**

**The Popular Dry Goods Store**  
CHEMALI & JABOR, Props.  
Carlsbad ————— New Mexico.

### OTIS NEWS.

Mrs. Henry Hamilton and daughters came Saturday from their ranch in the mountains for a few day's visit with Mr. Hamilton's parents, Mr. and Mrs. T. Calvani and her sisters, Mesdames Martin and Bindel. Everything is dry at their ranch the same as every where else. The flu is getting very popular around Otis. Some are very ill, but hope all will recover satisfactorily.

Mr. Little has been fixing some bridges in this vicinity, which makes quite a valuable improvement.

Mr. and Mrs. Moberly returned from Illinois by the southern route last Friday night. They say things look fine to them at their home.

Mr. and Mrs. Alvin Masters, former residents of this county, and prominent in the life of the Otis community, announce the birth of their first child, a daughter, which occurred at the family home at Loveland, Colorado, last Monday. Mrs. Masters was until her marriage Miss Fern Post, who graduated from Carlsbad schools about eight years ago and afterward went with her parents to Colorado. Many friends among schoolmates and others, send hearty congratulations.

Mrs. Robert C. Dow returned Monday afternoon from her trip to Rochester, Minnesota, where she went with her baby daughter, in order to have the benefit of the Mayo Brothers in diagnosing the little one's ailments. The many friends of the family will be greatly grieved to learn that they could give the mother no encouragement as to the improvement of the baby, they giving it as their opinion that she would not live long. Mrs. Dow says she is very grateful for all the kindness and courtesy shown her, not only on the way there, but after her arrival. Every one was so kindly considerate, that the trip was robbed of much of its hardships and the sad news of the baby's hopelessness was softened somewhat by the Christian sympathy manifested on every hand. Truly "the touch of nature, that makes us all akin."

Mr. and Mrs. John Wells entertained Bishop DuBose at dinner last night. Besides the honor guest there were present, J. A. Andrix, postoffice inspector, Rev. J. C. Jones, presiding elder of the Roswell district, Miss Aline Shepherd.

Mrs. Keen Barr, and baby daughter, Grace Ellen, arrived in Carlsbad Tuesday afternoon and will remain here for some time dependent on the improvement of Mrs. Geer, the mother of Mrs. Barr, whose health, we are glad to know, is improving rapidly, and hopes are now entertained that she will soon be entirely well.

### SAFETY FIRST

Everybody, come and see the Junior play, "Safety First" at the Crawford Theatre, Thursday, March 23. The story centers around the difficulties of a young husband, Jack Montgomery, and his chum, Jerry Arnold, an unsuccessful fixer. See Jack's weeping wife and her sister Virginia! Why do they weep? See Mrs. Barrington Bridger, their fond mamma. See Mr. McNutt, the detective detective. What does he detect? See Elmer Flannel, a shrinking young man. Why does Elmer shrink? See Abon Ben Mocha, the terrible Turk of Turkey. See Zuleika, a tender Turkish maid. What happens to Zuleika? See Mary Ann O'Finerty, the official joy-killer. She brings a laugh with every line. There is a moral, but you must see that for yourselves. Young husbands especially invited.

The farm home of Mr. W. L. Nichols, located on the Upper Cottonwood was destroyed by fire last week. The home and the contents were consumed by the conflagration. Particulars are not known but it is known that the loss was partially covered by insurance.

The hay barn of Mr. J. N. Worley, south of Artesia in the Atoka Section was destroyed by flames a few days ago. Several carloads of hay were destroyed with the structure. The origin of the conflagration is not known. The loss was not covered by insurance thus being a great loss to the owner.

Over fifteen hundred head of prime lambs were shipped from Artesia on Saturday by J. T. Collins and Co. and W. S. French, well known stockmen near Hope. The animals were in excellent condition for the market. This is one of the many livestock shipments made from Artesia in the past few months.

John R. Means and son, Robert, were among others in town from the Hope country, having business before the court. They returned to their home where everything is reported as getting along all right, but needing rain, leaving here Tuesday afternoon.

G. F. Shepherd of Artesia, who has been spending several days among the voters in this part of the county, left yesterday for Artesia, his home.

### NOTICE

The undersigned owns five and 7-10 acres of water right that it desires to sell. Bids will be accepted up to ten o'clock A. M. on the 1st day of April, 1922. Please mail your bids to the undersigned on or before said date.

Otis Oil & Warehouse Company, Loving, New Mexico.

## ANNOUNCEMENTS

The following candidates are seeking nomination at the Democratic primaries to be held April 15, 1922:

**FOR COUNTY CLERK—**  
MISS INEZ E. JONES  
LELIAETTA C. HANSON.  
E. M. KEARNEY.  
G. W. SHEPHERD.

Sunday School at 9:45 A. M.  
B. Y. P. U. at 6:30 P. M.  
Preaching at 11 A. M. and 7:30 P. M.

A cordial invitation is extended to the general public.

T. C. MAHAN, Supply.

**W. C. T. U. MEDAL CONTEST.**  
There will be two contests the same evening, at the Mexican Mission, Saturday, March 18th, one in Spanish and one in English. All Spanish speaking people especially invited. The exercises will begin at 7:30.

The W. C. T. U. through its superintendent, Mrs. C. H. Dishman, wishes to announce a Medal Contest, for March 23rd, at the Methodist church, at 7:30. The contestants are Winifred Hubert, Virginia Thayer, Edna Hayes, Marian Wheeler, Willie Boatright, and Eunice Renier. Everybody invited.  
MRS. C. H. DISHMAN, Supt.
