Minutes of Meeting Board of Regents -
CALLED, July 14, 1919. Administration Bldg., Campus.

Present—President Jaffa, Messrs. Montoya, Sedillo, Sec-Treas., Reidy

Applicants for Presidency of University:

The Board having been convened for the specific purpose of consideration of the applicants for the Presidency, that subject was at once taken up. Claims of those desiring the position having been tabulated and thoroughly sifted, at request of the Board, there appeared personally before it, DAVID SPENCE HILL, of the Faculty of the University of Illinois, who while not an applicant seemed to possess the qualifications sought in one suited to such an office. There also appeared before the Board HOWARD M. COLVIN, an active candidate for the position.

No definite action was taken at the morning session on this matter.

Hygiene Bldg. Mr. Nestor Montoya, member of Board of Regents, and Dr. John Clark, member of Faculty of University, on behalf of the Rotary Club, presented a proposition to the Board of Regents to furnish a building for the Government School of Hygiene, at a cost of $10,000, and the following resolution was offered:

WHEREAS, the United States Government, through the Interdepartmental Social Hygiene Board, has paid into the Treasury of the University of New Mexico the sum of $6,600 and has agreed to furnish a similar amount annually, for the purpose of establishing a Government School of Hygiene, and WHEREAS, the sum of $2,200 has been appropriated by the Board of Regents, to be used annually for the same purpose, and WHEREAS, there is now no building on the Campus suitable for conducting this School,

IT IS the unanimous opinion of this Board of Regents that a Building, not to cost more than $10,000, shall be erected, to be used for the School of Hygiene.

And WHEREAS, the available funds of the University for the next two years have already been appropriated for specific purposes,

Now Therefore, it is unanimously agreed, by this Board of Regents that this proposition from the Rotary Club of Albuquerque, presented by its Committee, consisting of Mr. Montoya, Mr. Perry, Dr. Peters, Dr. Clark, and Mr. P. F. McCanna, to assist the Board of Regents in borrowing the sum of $10,000, for the purpose of erecting said building, until such a time as the Board may be able to liquidate such indebtedness, be ACCEPTED.

Adjournment taken to July 15/19
