The Carlshad Current

THIRTIETH YEAR

THE CARLSBAD CURRENT, FRIDAY, APRIL 14, 1922

NUMBER 18.

LOVING NEWS ITEMS.

Mr. and Mrs. Frank Ross returned last Monday from a brief sojourn at Roswell.

Joe Carlyle returned from Clarksville, Tenn., last Saturday morning. He reports his mother has greatly improved and is able to be up and around once more.

E. J. Ledbetter sold his barber shop last Wednesday to a young man by the name of W. R. Garven from Dexter. Mr. and Mrs. Ledbetter and son, Floyd, will leave for Texas immediately.

A. W. Cauley sold his interest in the Sweet Shop to Buck McDermery and his father.

A. W. Cauley and family moved to Roswell last Tuesday.

Mrs. Chas. Tucker very unfortunately had her finger broken at the Malaga depot last week when the ticket window suddenly fell on her hand, while she was in the act of purchasing a ticket.

Narrowsmore — Donaldson.

The community was quite pleasantly surprised when the fact was made known here that Miss Anna Mae Donaldson and Mr. Bonnie Narrowsmore had been married in Carlshad last Saturday afternoon.

The bride was one of our most popular young ladies, and has been well and favorably known here since childhood. She is the daughter of Mr. and Mrs. Gene Donaldson, and for the past few years has been employed as a primary teacher in the local schools.

We know Bonnie is a "lucky man", but no more lucky than the bride, for Bonnie, as he is affectionately known by all, is indeed an estimable young man. He came to Loving a year or two ago at the expiration of his service in the army and since then has been associated off and on with the W. W. Snyder store.

The young couple have taken light housekeeping rooms at the Loving Hotel where they will be at home to their many friends, who all join in wishing them "bon voyage".

Another wedding of recent date which has aroused considerable interest on the part of old friends here, was that of Mr. Pardue Rosson and Miss Inogene McDougal which took place in Kansas City last week.

The bride is unknown here, being a resident of Kansas City, but we know she is a lovely girl because Pardue says so, and because all brides are lovely. Besides, her name suggests a "bonny Scotch Lass".

The groom is the eldest son of Mr. and Mrs. C. V. Rosson and needs no special eulogy since he has been known here for many years and all who know him agree as to his worthiness. We extend good wishes to them both.

W. W. Snyder made a business trip to Lakewood and Roswell last week.

Mr. Allinger, of the Loving Furniture Co., has installed a new soda fountain in his store and is now ready to care for all hungry, thirsty weary and overheated travelers who come his way.

Mrs. Geo. Fessler spent last week end visiting relatives at Otis.

C. V. Rosson moved his cattle recently to Dog Town, but is planning to move them again over to Joe Welch's place.

A band of sheep were brought in from El Paso Gap to the G. R. Howard place Wednesday.

The Epworth League will serve sandwiches, coffee, and cake and ice cream at Morrison and Pardue's store on Saturday, April 15th.

Kiddies all over the county are beginning to put on a smile that won't come off. May 12th, the last day of school, will soon be here and on that day the grammar grades of Loving will put on a fine program to which they cordially invite all other schools in the county to come.

The eighth grade commencement program will be held in the morning followed by the field day exercises, barbecue at noon, rodeo in the afternoon, and the Loving eighth grade play at night. Set up a howl to come, kiddies! This is to be your day—and a picnic you'll have, too. We don't only mean the little kiddies, but the big kids as well—the ones who can "ride 'em and rope

CARLSBAD IS CHAUTAUQUA'S OPENING TOWN.

Program to Begin on May 19th.

Carlshad has been selected as the opening town for the Redpath-Horner Chautauquas for the 1922 season. Mr. Horner and the complete personnel for the summer run, will arrive in Carlshad in special cars on May 17th. The talent will be assembled and completed and the final rehearsals made and after showing here, will go to the next town. There are about sixty-five people and they will be the guests of Carlshad for the week.

The opening day is to be "Farmers' Day". The chautauqua management will distribute free tickets among the valley farmers to attend the first performance as the guests of Carlshad. The stores will close and a regular picnic day will be handled by the Chamber of Commerce. Several local speakers will precede the Chautauqua program, the general idea of the day being to present the chautauqua as the peoples' entertainment.

Mr. Aydelotte, circuit manager of the chautauqua, met with the members of the last year's committees and assisted in organizing a permanent local chautauqua association. This association will take up the matter of the omission of the tax on the tickets. The government allows a permanent order of this class to apply for the removal of this tax and the decision rests with the district revenue officer. The following are the officers of the new organization: President, John W. Wells; vice president, E. A. Roberts; secretary, R. A. Toffelmire; treasurer, Frank Kindel. Board of directors: John Wells, Frank Kindel, E. A. Roberts, R. A. Toffelmire, Rev. Lowry, Chas. Montgomery.

Committees: Advertising—W. E. Smith (chairman); other members to be selected by the chairman. Reception—C. C. Sikes, chairman; Grounds—Captain Miller, chairman; E. P. Hujac, J. D. Rudgins.

The Redpath-Horner is publishing a monthly paper dealing with news of general chautauqua interest. A mailing list will be prepared in each town and the paper sent free of charge.

The committee definitely decided to use the Armory again this year. The expense of renting lumber for the seats is no greater than the cost of the rent of the building and in case of rain or wind the Armory is better suited. The aisles will be covered to eliminate the sound of people coming in late. The top of the stage will be covered in order that the sound will be better projected over the audience.

The chautauqua program for this year promises to retain the former high standards of Premier circuit entertainments. Two excellent plays are booked, "Turn to the Right" and "Friendly Enemies" have both had long runs on Broadway and the cause of considerable favorable comment. Mrs. Ruth Bryan Owen, daughter of William Jennings Bryan, is the featured speaker.

MARRIED

Saturday evening at the Baptist Preacher's Home, the marriage of Bonnie L. Narrowsmore and Miss Annie Mae Donaldson was celebrated.

Both of the young folk are from Loving, and are well known in their community, as industrious young people, who deserve the best life has in store for those who are deserving. They will make their home at Loving, the bridegroom being engaged in the Mercantile business at that place, while the little bride is one of Eddy County's best school teachers. May all good be theirs in the journey of life, and may they reach a safe harbor at the close.

em," and the ones who can catch the greased pig. Watch for the program. Posters will soon be scattered far and wide.

Mrs. Morrison's mother, Mrs. Cord is visiting here from Odessa, Texas.

CAVALRY NOTES

Events moved fast in cavalry circles this week as rumors spread telling that Troop B was about to depart for the battle fields and assist in herding striking miners. Troopers were seen to strut with the bearing of heroes who had at last received their just dues. Uniforms appeared while a few brave cavalrymen disappeared. Even the horses seemed to notice the change and "Dunnie" momentarily forgot his patient training received from the hands of Machine-Gunner Collins. However the official order never came and at this writing the troop is back to normalcy but after all a small rumor can start some excellent thought. Perhaps now some of us can more clearly realize that a National Guard organization has a purpose and in an emergency could prove an important factor when lives and property of a community was threatened by a mob rule. The National Guard of today stands for the protection of the nation and under the new system is as well equipped and trained as regular army organizations. Before the war a unit consisted of an enlistment of a hand full of men, a few lockers and stray uniforms with guns that were never made to shoot. They drilled annually without an accurate drill rule and the entire order run by an officer who thought "Squads East" was a clause in an insurance policy. But the day of the "Home Guards" has passed. Today troops are built from men from all walks of life, instructed by officers of the World War and given the latest in complete equipment, with an ideal of service that is a benefit to their physical and mental beings.

The writer witnessed a Battery drill Monday night. They are certainly showing their attitude toward the new captains. All pettishness and distrust has fallen away under the new order of things and they are working like royal Trojans. They are all good fellows off the drill floor but they suffer when the time comes. Captain Ekinwith is just a young fellow, but he has the spirit and holds his men by good fellowship. His shining shoulders and fancy harness will not go to his head and he will succeed for the reason that he always shows to the men that their interest and work keeps his job and not his efforts making them. THEY PULL TOGETHER.

It has been definitely decided that the old Polo field is to be needed this season. This is certainly a wise move because of location and if the plans for flooding and rolling are effectively carried out it will be the best in the country. Fans will soon witness some fast practice games with Roswell in preparation for the big Fourth of July activities.

The riding class is "stepping out." About ten young ladies reported at the stables early Sunday morning and began the fundamentals of horsemanship. Judging from the interest this movement promises to be a great boost for the troop and surely an opportunity of a lifetime for those who desire to ride. And there is still some few openings for new members. A riding-habit and two dollars is the only entrance requirement.

The pay checks arrived Wednesday and materially assisted in a snappy drill on that evening. There were fifty-two checks ranging in amounts from fifty cents to fifty dollars and with a total of twelve hundred and fifty dollars to go into Carlshad circulation. It was voted by the troopers that all checks should be placed in the bank and as each check was drawn a small amount should be deducted to pay the debts of the Cavalry club. The club now owes for an Edison and printing bills. As soon as these bills are settled the maintenance of the rooms will be drawn from the troop fund.

FINAL LETTER OF APPRECIATION TO THE VOTERS OF EDDY COUNTY

TO THE CITIZENS OF EDDY COUNTY:

The primary election will be in full swing before this paper reaches many of you, but I desire to close my campaign for county clerk by extending my sincere thanks to my many loyal friends who have given me so much encouragement, and pledged me their support, to those of you who do have an opportunity to read this, and can possibly spare the time from your ranch or place of business; I again request you to go to the polls and vote.

Your support will be appreciated; and if elected you will always find me ready and willing to help you secure any information that may be available in the office of the County Clerk, and I know where to find it if it is there.

Thanking you for many past courtesies.

Sincerely yours,

E. M. KEARNEY,

Candidate for County Clerk of Eddy County.

LOWER JAW OF A HUGE ANIMAL IS DISCOVERED

Hot Springs, N. M., April 11.—While Mr. and Mrs. C. E. James of this place, with a party of a half dozen friends were looking for a satisfactory situation from which they could fish in the lake about eight miles above Elephant Butte dam last Thursday, they trampled on some queer looking stones from one of which there extended a corrugated projection which looked strangely like gigantic teeth. The resemblance was so strong that after the party had passed Mrs. James turned back for a closer inspection.

The object lay in the wet sand close to the water line at the foot of an abrupt bluff that had been caved off by the action of the water. A very little digging disclosed the object to be the entire lower jaw of a gigantic animal completely petrified.

An afternoon of hard work and unscientific excavation salvaged the petrification entire with a few minor mishaps and it is now at the James apartments where it is an object of curiosity to the whole town.

The length of the jaw is twenty-four inches, the greatest width from the crown of the teeth to the lower edge is eleven inches, the height of the teeth above the socket three inches, and the distance across the top of the teeth, which are all molars, is three and one-half inches. The teeth occupy the posterior portion of the jaws and appear to be joined in a solid formation; the distance between the posterior parts of the jaws is three or four inches, while the width of the anterior part

The driver of the car did not recognize Mr. Atwater or did not know of his being deaf, and ran onto him with the above result. The children of the Third and Fourth grades had a kite tournament last week. The kites were made during the Industrial Arts period, and the following children made the most artistic ones: Mrs. Mitchell's room, Virginia Yates; Miss Weatherly's room, Tillman Mahan, and in Miss Mudgett's room, Lynn Dillard. TWO INTERESTING LETTERS

A member of the freshman class of the Shelby High School, of Shelby, Ohio, wrote to the same class in our High School, requesting an answer and some details regarding the town and surrounding country. The letters are for the purpose of stimulating the study of English and we are pleased to print them. A number of letters were submitted to the English teacher who pronounced the one of Mildred Hutchinson, the best, and it was accordingly sent to the young Freshman at Shelby. This is the third time that Mildred has had the honor conferred on her, and for a thirteen year old girl, we admit that the honor was most worthily bestowed. From the information contained in the letter, we opine that the little girl may qualify as a successful real estate agent, when she gets a little older:-

To the Members of the Freshman Class,
Carlsbad High School,
Carlsbad, New Mexico.

Dear Friends:-

It is the desire of our class to write to other cities telling them of our school and town activities and inquiring into theirs.

There are 1076 pupils enrolled in the Shelby Schools, among these 320 are in High School; one third are Freshmen. As Freshmen we have the choice of four studies out of the following: English, Manual Training, Sewing, General Science, Latin, Commercial Arithmetic and Algebra. English and General Science are compulsory. In our English, for which I am writing this letter, we study classics, composition work and letter writing. We have read the following classics, "Silas Marner,"

"Vision of Sir Launfal," "Sketch Book" and "The Great Stone Face." What ones have you read?

The climate here is warm in the summer and not very cold in the winter. The average rainfall is about 37 inches and is just enough for the crops which we raise.

Shelby has about 6500 inhabitants and is situated on the old state road which runs from Cleveland to Columbus. Through the western part of the town runs the Big Four R. R. which is a branch of the New York Central Lines, one of the finest in the country, and in the eastern part of town is the Baltimore and Ohio R. R. making direct connections with Chicago and Wheeling West Virginia.

Our manufacturing concerns are very good. The Ohio Seamless Tube Co. is the second largest of its kind in the world and manufactures a type of round tubing which is entirely seamless. Some of the autos in which you ride probably contain some of these tubes. The Shelby Supply and Mfg. Co. makes small round balls which contain chewing gum, and which is the only factory of its kind in the world. We also have many other factories, but it would take too much time and space to describe all of them to you, but I will mention a few among them. The Spring Hinge Co., the

Why the \$10.90 USCO is better than just a \$10.00 tire

ON November 10, 1921, the 30 x 3 1/2 "Usco" was marked to sell for \$10.90.

This odd and closely figured price was the lowest quotation ever made on any tire of known standards.

A genuine pioneering step by the makers of U. S. Tires.

Now comes a lot of different \$10.90 tires being rushed into the market. "Special" tires. "New" treads.

Unfamiliar to look at—with perhaps an atmosphere of having been made to meet the price.

But the "Usco" still occupies a place by itself. A good old

Our country is very level with few hills and no large rivers. Our county seat, Mansfield, is a city of about thirty thousand and is growing rapidly. The Lincoln Highway runs directly through and through other parts of the county.

Ohio is noted for its famous men as well as natural resources. Our state has had more presidents than any other state in the Union, among them our President Harding. Thomas A. Edison, the inventor, and Eddie Rickenbacker, the great aviator, are also from Ohio. Our state had more soldiers for the World War than any other state according to its size and population.

Ohio uses its own natural oil and gas and has many large oil and gas wells. We have coal and iron ore mines, large fruit gardens and many other things. In fact, Ohio has in our own state all of the things which we use with the exception of tropical products. We raise corn, wheat, oats, buckwheat, and other grains. Our cattle and stock raising is also very extensive.

Hoping that you will find time to answer this letter, I am,
Yours sincerely,
MARY REINKEN.

Miss Mary Reinken,
Shelby High School,
Shelby, Ohio.

Dear Friend:

We received your letter and were glad to learn about your school and city.

We are pleased to know you are interested in our schools as we are a considerable distance apart. Our little city of three thousand boasts of three schools, namely: High School, Grammar School and Spanish-American School. The High School has one hundred ninety-two students, the Grammar School, four hundred seventy-two, and the Spanish-American school one hundred fifty-seven, making a total of eight hundred and twenty-one. There are twenty-seven teachers, nine teaching in the High School, fifteen in the Grammar School, three in the Spanish-American School. Seventy-six are enrolled in the Freshman class. The boy's course of study is Mechanical Drawing, Science, English, Latin or Spanish, while that of the girls is Domestic Science, English, Science, and Latin or Spanish. We Domestic Science girls have organized an Ellen H. Richards

Club, and have accomplished a great deal. Ellen H. Richards was the founder of Home Economics. We have a business and social meeting together, once every month. The Freshman girls are the only ones allowed to join this club.

The High School has also another club called the "Honor Club." The ones eligible to join are those that make "ones" in three subjects, read two fiction books and two non-fiction books, and take part in certain activities of the school.

The classics we have read are: "Ivanhoe," "Longfellow's Narrative Poems," "The Merchant of Venice," and "The Lady of the Lake."

The Spanish-Americans are taught in English and are compelled to speak it altogether, and to sing all the national songs in English.

Now, perhaps you would like to learn something about Carlsbad. First, it is called the "City Beautiful" because of its many large trees and pretty lawns. It is situated on the Pecos River. As Carlsbad has been selected to have the annual encampment of the Boy Scouts for next summer, a great Fourth of July celebration is being planned, which will take the form of many typical western sports such as goat roping, bronco riding, and other features that go with such a program. Also there will be fancy high diving, swimming, races and so forth. The location for this event will be very near our bathing beach, which is the Pecos River. The river is rather wide at this point, or gate of our city. The beach is very popular, having as many as two hundred bathers at a time there, in the summer season.

Farming in the Pecos Valley is, of course, carried on by irrigation, supplied by the great project system of the government, one stationed at Avalon, which is about six miles from Carlsbad. The water supply is given by a lake bearing

this name. Another and larger one is at Lake McMillan, which is about eighteen miles from Carlsbad. The water is carried down through the valley in a canal and through a cement flume, which is built over the Pecos river on the outskirts of Carlsbad. The farms are then watered by the water running through deep ditches from the main canal.

Close to this flume is a spring valued for its minerals and is highly recommended for those suffering from stomach trouble and other complaints. It is walled up sixteen feet square with the water about the same depth, and barrels of water flow from it and empty into the river all the time. These springs are like the Springs of Carlsbad, Austria, and that is where our city gets its name.

New Mexico is known as the "Sunshine State," two hundred fifty

days out of the year being clear. Many tubercular people come to Carlsbad and are cured. A large number of tourists come here every year for the benefit of the mild winters.

As cotton is one of our chief industries we have four cotton gins and a cotton seed mill to take care of it and prepare it for shipping. The cotton seed mill makes cake that is fed to cattle. Cotton seed oil is also made.

As a representative of our class, I will say that we hope to hear from you or some member of your class in the future. Wishing you much success in your work for the remainder of this year, I am

SUPT. DONLEY AND THE BOARD
OF EDUCATION RECOMMEND
OUR CANDIDATE FOR
COUNTY SUPT.

This is to certify that Mrs. A. A. Kaiser has taught in the Carlsbad School for four years and for the past two years has been supervising principal of the ten room Central Building.

Her experience in rural, graded, and City schools has covered a period of nineteen years and has made her unusually well qualified for a supervisory position. She has had much recent training in the famous Kansas State Normal School and is thoroughly familiar with the school organization and educational and mental tests. Her services here have been entirely satisfactory and she will leave our schools with our sincerest approval of her excellent

services. Our only regret is that we are not able to retain her in our school system. We recommend her to those desiring the services of a supervisor of superior ability.

Supt. of Schools, Carlsbad, N. M.
Board of Education.

To answer a question asked by many citizens of the county who have not had the opportunity of meeting some of our candidates and becoming acquainted with their work the teachers of the Carlsbad schools address the following:

While our school has been growing under Mrs. Kaiser's excellent leadership and supervision it has reached a standard which compares favorably with that of the best schools in our country. She has proven to be a competent adviser, a successful executive, and a thorough organizer of the schools under her charges. She takes care to see to the development of every phase of the child's nature, physical, mental and moral, which is most necessary to the training of our future citizens.

She is a lady of culture and refinement, is thoroughly capable, efficient, keeps abreast of the times in methods and schools work. Her recent training has enabled her to acquaint herself with the latest methods of teaching and of every phase of school work.

While we greatly regret to lose Mrs. Kaiser from our teaching force we are glad that the schools of the county have an opportunity to obtain a superintendent of Mrs. Kaiser's ability.

LOCAL NEWS.

Carlsbad schools will close this year the 29th day of May.

Miss Mary I Johnston is building a nice sleeping porch on the rear of her studio home north of the Grammar school.

The Silas Hogue house in Lakewood was brought to this city and sold to Rodriguez, who will have it made over and put in good shape for a dwelling house. The building had to be cut in two for moving.

H. F. Christian is improving his property in the northwestern part of the city by having a substantial and commodious sleeping porch built on the rear.

A number of our young people have been arrested for speeding the last week, but in each case were dismissed with a reprimand. However, the next time they will pay a fine each. The officers are bound to stop the speeding before some one is injured or killed.

The Methodist ladies will give their bazaar tomorrow morning, opening at 10 o'clock. A number of useful and fancy articles will be offered for sale as well as cooked food, for your Sunday dinner, and candy for Easter. Sale will be held at Purdy's Furniture Store.

"Bill" Hudgins was taken to the Eddy County Hospital yesterday morning for treatment, he having become suddenly ill last Wednesday night.

The pretty little home of Fred and Mrs. Dearborne on Alameda street has taken on quite a festive air, having just come from the hands of the painter, and the light spring dress contrasting beautifully with the green, well kept lawn and carefully tended shrubbery, that makes this one of the most attractive homes in the city.

Jim Mullane arrived in the city Wednesday night and is stopping at the home of his father, W. H. Mullane, west of town. He is just recovering from a spell of pneumonia, and looks a little bit worse for the law, Mr. Wimberly, who has been very ill, some better when he left El Paso. Mr. Mullane is employed in the ad department of the El Paso Times.

Mrs. E. T. Carter left Saturday night for Webb City, Missouri, where she will make a three weeks visit with an uncle and aunt at that place.

J. B. Belcher, of Sea-Graves, Texas, came in Wednesday afternoon and remains in town on a business mission.

PRESBYTERIAN CHURCH
The Presbyterians will observe Easter especially, using the morning worship at eleven o'clock. The sermon will have for its subject "The Value of Christ's Resurrection." The Women's chorus in charge of Miss Linn will give "Alleluia" by Leighton, and "In the End of the Sabbath," by Coerne. The young people will meet at seven-thirty, and Church school at ten.

A meeting of special interest will be held tonight in the Presbyterian church at 7:30. Mrs. Majors, of El Paso, will speak in the interest of Sabbath school and young people's work. She has been attending the meeting of Presbytery in town, and she has been engaged to serve with her specialty the interest of our people generally. All are invited to be present, particularly Sabbath school workers and young people.

Col. A. J. Muzzy expects to leave for his home in the east next Sunday night, after a somewhat lengthy stay in Carlsbad.

John F. Bogelin spent part of the week in Roswell, a business visitor to that city.

BORN—A baby boy was born to Mr. and Mrs. Ray Soliday at the Frederick private hospital in west Carlsbad, yesterday morning. They now have two girls and two boys to bless their home. The Current joins other friends in best wishes to the baby and his parents.

NOTICE OF SALE UNDER WRIT OF EXECUTION
IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE STATE OF NEW MEXICO WITHIN AND FOR EDDY COUNTY. Lederle Antitoxin Laboratories of New York City, plaintiff, vs. R. E. Dick, defendant.

NO. 2308
THE STATE OF NEW MEXICO TO ALL PERSONS WHOM THIS NOTICE MAY CONCERN

Notice is hereby given that in the above styled, numbered and entitled cause a judgment was rendered on March 13, 1922, in favor of the plaintiff, Lederle Antitoxin Laboratories of New York City, and against the defendant R. E. Dick, for the sum of Four Hundred Seventy-Four and Eighty-three Hundredths (\$474.83) Dollars on an account for goods, wares and merchandise sold and delivered to said defendant by said plaintiff at the special instance and request of said defendant and which said sum of money said defendant promised and agreed to pay said plaintiff. That the amount that will be due on said judgment at the date of sale, to-wit: on the 13th day of May, 1922, will be Four Hundred Seventy-seven and Twenty Hundredths (\$477.20) Dollars plus the costs of this suit and costs of sale. That the undersigned sheriff of Eddy county, State of New Mexico, pursuant to a writ of execution directed to him under date of April 11, 1922, out of the above named court, did seize and levy upon property of the defendant, R. E. Dick, as follows, to-wit: the NE 1/4 of Section 32, Township 22 South, Range 27 East, N. M. P. M., in Eddy county, State of New Mexico.

Notice is further hereby given that on May 13, 1922, at ten o'clock, A. M., at the South front door of the county Court House (old building) in Carlsbad, Eddy County, New Mexico, I will offer for sale and sell at public auction said property or so much thereof as may be necessary to satisfy said judgment and the costs of suit connected therewith.

The terms of said sale are to be cash to the highest bidder, subject to appraisement.

Said sale will be made subject to the lien of a certain mortgage deed made, executed and delivered by Robert E. Dick, the defendant herein, and his wife, Mary L. Dick, on January 11, 1921, to Howard C. Kerr on said land, real estate and premises to secure the payment of the principal sum of \$300.00 evidenced by one promissory note of even date with said mortgage deed. Said mortgage deed was filed for record on January 11, 1921, and recorded in Book 20 of Mortgage Records of Eddy county, State of New Mexico, in the office of County Clerk and Ex-officio Recorder of Eddy county, State of New Mexico, on page 260.

Said sale will be made subject also to the lien of a certain warranty deed dated December 13, 1921, and filed for record on January 4, 1922, at 10 o'clock, A. M., and recorded in Book 49 of warranty deed records of Eddy county, State of New Mexico, in the office of County Clerk and Ex-officio Recorder of Eddy county, State of New Mexico, on page 321, said warranty deed having been made, executed and delivered by Robert E. Dick, the defendant herein, and Mary L. Dick, his wife, to Cesarine A. Kerr, purporting to grant, bargain, sell, remise, convey, release and confirm said land real estate and premises unto the said Cesarine A. Kerr but which was intended by the said Robert E. Dick, Mary L. Dick and Cesarine A. Kerr to operate as a mortgage to secure the payment of the sums of money due on and according to the terms of the hereinabove described promissory note to secure which the said mortgage deed was made executed and delivered to Howard C. Kerr the husband of the said Cesarine A. Kerr the grantee in said warranty deed.

Witness my hand and seal of office on this 11th day of April 1922.

LESSON FOR APRIL 16

EASTER LESSON

LESSON TEXT—John 20:19-31.
GOLDEN TEXT—The Lord is risen indeed.—Luke 24:6.

PRIMARY AND JUNIOR TOPIC—The First Easter.

INTERMEDIATE AND SENIOR TOPIC—Why We Observe Easter Day.

YOUNG PEOPLE AND ADULT TOPIC—The Effect of Sin in the Resurrection.

I. Jesus Manifests Himself to the Disciples, Thomas Being Absent (vv. 19-25).

As we appeared to several of His disciples at several different times during that day. This is the first appearance to the disciples as a body. The rumors of His several appearances on that day caused the disciples to assemble to talk over the matter. For fear of the Jews, they met in a private room and barred the door. While they were discussing the strange happenings of the day, the Lord mysteriously appeared before them with the greeting of good cheer, "Peace be unto you." He did not come with censure for their failure and desertion. At His birth the angels announced "Peace." Just before He took His departure, He said: "Peace I leave with you; my peace I give unto you" (John 14:27); "Let not your heart be troubled" (John 14:1); and now the first word after His resurrection is "Peace." Having calmed their fears, He gave them an unmistakable evidence of His resurrection. "And when He had so said, He showed unto them His hands and His side. Then were the disciples glad when they saw the Lord." Their doubts needed to be scattered, and His peace needed to be upon them. Consider:

1. The disciples' commission (v. 21). "As my Father hath sent Me, even so send I you." This commission was not simply to a class, as the eleven, but to all Christians. In Luke 24:33 we find that there were others there in that meeting besides the eleven when Jesus showed himself to them and commissioned them, showing that the commission is not confined to a class or order, but is wide as the Christian body itself. All Christians, therefore, are envoys and representatives of Christ. The exercise of this great function is not merely optional with the individual, but is obligatory upon him. The Lord placed it upon a plane with His own commission from the Father—"As my Father hath sent me, so send I you."

2. The disciples' equipment (v. 22). "He breathed on them, and said unto them, Receive ye the Holy Ghost." The mission of the disciple is a very great one, but every one who goes forth in its execution He clothes with the power of a new life by the bestowment of His spirit. No one who has this equipment shall ever fail. The Lord's representatives have His life in them. The barrenness of our efforts is due to our failure to take by faith our equipment.

3. The disciples' authority (v. 23). "Whosoever sins ye remit, they are remitted unto them; and whose sins ye retain, they are retained." This authority was not by virtue of office, but by virtue of having the Holy Ghost. This would give the spiritual discernment to know who had or who had not repented, and consequently, to pronounce pardon or not.

II. Jesus Manifests Himself to the Disciples, Thomas Being Present (vv. 26-29).

Thomas was absent at the first appearance of Jesus. His absence deprived him of a vision of the Lord. Absence from the assembly of believers always occasions loss. The other disciples go to Thomas at once with the glad news of the resurrection, but he will not believe. His stubborn disbelief is such that he doggedly declares that unless he sees the prints of the nails, etc., he will not believe. It is right to demand evidence, but to prescribe terms is rank unbelief. Note:

1. The Lord's kindness to those who have difficulties. Thomas deserved rebuke, but the Lord kindly supplied the evidence which he demanded.

2. The revelation of the Lord transforms a doubter into a possessor.

III. The Conclusion of the Gospel (vv. 30-31).

In these verses John's arguments are summarized, and an explanation is given as to why he wrote this Gospel. Many other things could have been written, but those that he wrote he judged adequate to prove his point: To prove that (1) Jesus of Nazareth was the expected Messiah; (2) that He was divine—the very Son of God; (3) that those who believe on Him as God's only Son—the Messiah—would receive eternal life. Eternal life is in Him and only as He is appropriated by faith can men be saved.

What Christ Saw in World.
Christ saw much in this world to weep over, and much to pray over; but He saw nothing in it to look upon with contempt.

Happiness in Our Heart.
The happiness that we vainly seek the world over is all the time within us, nestled close to our own hearts.—Bruce Calvert.

Our Comforts.
Most of our comforts grow up because of our crosses.—Young.

A most attractive program has been arranged by the Carlsbad Woman's club for the annual meeting of the Federation of Woman's clubs for this district, which will be held at Carlsbad April 24, and 25. Roswell club women who will appear on the program include Mrs. J. G. Osburn, chairman of the Arts department of the Roswell Club; Mrs. C. E. Mason, state chairman of Americanization, who will give some practical suggestions for Americanization in the Pecos Valley; Mrs. Tomlinson Fort, who will speak on Sanitation as a feature of Americanization, and Mrs. Roy Daniels, district chairman of music who will be in charge of vespers music. To close the session, an Art tea and exhibit of pictures at Eddy House in La Huerta will conclude the meeting.—Roswell News.

Milton Smith is having new shelving installed in the room occupied by the Carlsbad Bargain house, on Canyon street and when that is completed, will put up an awning in front of the store. William Leck and John Lowenbruck will also erect awnings, the absence of the trees making this almost a necessity.

Egg hunts are on for tomorrow at the Library Park and also at the Mercer home west of the city, the juveniles of the Methodist and Christian churches being the participants.

DEATH OF A BABE

Albert E. L. Hemphill, baby son and only child of Mr. and Mrs. Albert Hemphill, passed away at the family home in this city, Monday evening, at 6:30, after an illness of three weeks. The baby was born the 13th day of December, 1921, and for a time seemed to do well, but afterward faded like a little flower, until the end came which transplanted the frail blossom to the loving Father's home above, where there is no chilling frost, nor withering sun to blight the tender bud, but where

"They shall all bloom in fields of light, Transplanted by His care, And saints upon their bosoms white The sacred blossoms wear."

The funeral services were conducted Tuesday afternoon at the graveside, by Reverend Douglas, of the local Methodist church, assisted by Reverend Tenney, of Barstow, Texas, a visiting minister friend of Reverend Douglas.

"What a Friend We Have in Jesus," and "Safe in the Arms of Jesus," were sung and prayers offered, after which the little white casket, with its wealth of blossoms, was tenderly laid to rest, to await the resurrection. Deepest sympathy to the young parents in the loss of their only child, is felt and expressed by all who know them.

N. D. Hiler has sold his home on Alameda Street, to J. I. Penny, possession to be given at the close of school the latter part of May. Mrs. Hiler and the two little boys will leave Sunday night for Granbury, Texas, where they will remain the guest of relatives until such time as Mr. Hiler can close up his business and join them. The other three children will finish the term of school here. The change is made in the hope of benefitting the health of Mrs. Hiler, she being a sufferer from asthma, and advised by her physician to make the change. In their going the town will lose a good family who have lived here for several years and have made many friends.

Mrs. F. E. Little and Sonny went to Roswell Tuesday night, to make their periodical visit to a specialist, for the treatment of the son's eyes. Sonny returned on the train the following day but Mrs. Little remained to attend the Missionary Council, being held there this week, and which adjourns today, she being a delegate from the Missionary Society of the local Methodist church.

A deal was made the latter part of last week by which the city becomes owner of the lot on the corner of Fox and Canyon streets, in trade for the lot now occupied by the fire hall on Canyon street. Five hundred dollars additional is to be paid on the trade, to the owner of the lot, S. I. Roberts. The lot is 75 x 125 feet, and is considered the best and most available for the purpose of erecting a city hall, of any in town. There will be plenty of room in the lot for the building and also for grass and trees. The streets are paved on both sides of the lot, and altogether it is an ideal place for a city building. As soon as the necessary formalities are complied with, it is thought that the work of erecting the building will commence, the money being already available for the purpose. A modern hall will be erected and such a one as the citizens may have just reason to be proud of and which will increase the value of all surrounding property.

A good attendance marked the regular meeting of the Carlsbad Rebekah Lodge No. 13 last Tuesday night. The membership had been divided into two parts or rather divisions, and a contest was carried on. The winners were entertained by the losers Monday night. A program was given and refreshments were served. A number of the ladies are making preparations to go to Roswell to the annual meeting of Odd Fellows and Rebekahs to be held at Roswell the 26th of this month.

The present ruling family of Japan came to the throne in 660 B. C.

The regular monthly meeting of Carlsbad W. C. T. U. was held at the Presbyterian church last Wednesday afternoon. After the business session a delightful program was given by a number of the children, both boys and girls responding to the requests for recitations and musical numbers. In the absence of Mrs. Little, president of the union, Mrs. Prickett very efficiently presided. Matters of interest were discussed, and a committee was appointed to meet with the Chamber of Commerce as part of the Civic committee of that body. The personnel of the committee is as follows: Mesdames Dishman, A. Moore and Horace Hutchinson. An anti-fur campaign is to be put on at the very earliest moment. The county health officer will also cooperate in this work. At the close of the afternoon, refreshments of coffee and doughnuts were served to all thirtyone being in attendance.

Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—

CARDUI

The Woman's Tonic

... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you. At all druggists.

LIGHT-SIX

Five-passenger, 40-horsepower
112-inch wheelbase
Cord Tires Standard Equipment

THE Studebaker LIGHT-SIX will appeal to every buyer who wants a low-priced car that will be satisfactory in performance, appearance, comfort and endurance.

And in addition to its recognized superiority in these essentials, the LIGHT-SIX carries refinements found only on more expensive cars.

The LIGHT-SIX is equipped with cowl ventilator operated from the instrument board; cowl parking lights; inside and outside door handles and large rectangular plate-glass window in rear curtain. A thief-proof transmission lock, which reduces the rate of insurance to LIGHT-SIX owners 15 to 20 per cent, and cord tires are also standard equipment.

Long, semi-elliptic springs (50-inch in rear; 36-inch in front) and soft, genuine leather upholstered cushions, nine inches deep, provide unusual comfort.

Its 40-horsepower motor delivers ample power for the hard pull. And vibration is practically eliminated by Studebaker's method of machining the crankshaft and connecting rods.

The intrinsic value of the LIGHT-SIX is unmatched at anywhere near the price because Studebaker does not skimp on materials or workmanship but uses the best. It is built complete in the most modern and complete automobile plant in the world, making possible its low price of \$1045, f. o. b. factory.

Studebaker has been building quality vehicles and selling them at fair prices for nearly three-quarters of a century and is the largest builder of six-cylinder cars in the world.

Touring, \$1045; 3-Passenger Roadster, \$1045; Coupe-Roadster, \$1375; Sedan, \$1750. All prices f. o. b. factory.

MALAGA NEWS

Everybody is busy planting cotton this week, but guess they will be on hand at the primary the 15th. The Otis Gin & Warehouse Co. finished hauling the cotton seed from the Malaga Gin last week.

Arley Moritsky and wife and G. O. Cleveland are Carlsbad visitors today.

Mrs. Earl Kendall of Malaga was operated on at the Eddy County Hospital yesterday morning and is resting as well as could be expected.

J. H. Welch moved to the ranch last Saturday.

Prof. Pulliam's horse got out of the lot Tuesday morning and stray-

ed away, and as yet has not been found, so Prof. goes fishing afoot.

Mr. and Mrs. R. D. Bruce had a house warming last Friday evening. Dancing was indulged in, light refreshments were served, and everybody had an enjoyable evening.

If you want to know how the school election went, ask the school board, and we believe if it wasn't for their wives, Tom and John would forget the day of the week.

Malaga Sunday School will give an Easter program immediately after Sunday School, and an egg hunt for the children in the afternoon, at Harry Walker's residence.

Leslie Goff says it is sure a long

ways from here to Hope.

There are just five more weeks of school and everybody will be ready for vacation time.

The Presbytery of El Paso adjourned Thursday evening. Sessions throughout were attended with eager interest. The devotional meetings in the evening were particularly popular, and the sermons were excellent. Action was taken at the close, expressing appreciation of hospitality at the hands of Carlsbad people, and it was worded as follows: "The Presbytery of El Paso desires hereby to express its heart-felt appreciation for the delightful manner in which it has been received by the city. Every moment of our stay has been marked by evidences of public and private cordiality. We will make special mention of the kindness shown us by Dr. and Mrs. Lowry, and their most hospitable congregation in opening to us their church and their hearts; also of the hardware men of the city for their entertainment at the Chamber of Commerce luncheon Thursday. May the richest blessing of our common Father abide upon the good people of Carlsbad." The following delegates were present: Rev. J. M. Lewis, Lubbock, Texas; Rev. W. M. Fairley, El Paso, Texas; Rev. J. F. Lloyd, Balmorhea, Texas; Rev. J. W. Harrison, Big Springs, Texas; Rev. L. O. Cunningham, Lovington, N. M.; Rev. E. T. Thompson, El Paso, Texas; B. K. Tenney, Barstow, Texas; Rev. A. Fernandez, El Paso, Texas; Messrs. E. B. Daniel, Toyah, Texas; J. W. Shire, Coahoma, Texas; W. W. Doran, Lovington, N. M.; S. C. Dosa, Seminole, Texas; Mrs. Majors Sunday School Missionary of El Paso.

Music lovers will enjoy the feast prepared for them at the Crawford Theatre Thursday night, April 20, with the coming of the Fine Arts quartet, which will give one of their delightful performances at the Crawford Theatre on that date. The people and press are united in their praise of this company and the theatre should be crowded.

Miss Maude Roark bought a small frame building in Lakewood and has had it erected on the lot near her father's home in the northern part of the town, and will have it put in shape for a tenant house.

The Fine Arts Quartet

**CRAWFORD THEATRE, THURSDAY
APRIL 20th**

A musical comedy sketch dealing with the life
and songs of old Ireland is one of the pleasing
features of the program of The Fine Arts Quar-
tet. The sketch is replete with Irish wit and
pathos and is given in Irish costumes.

GOOD MUSIC ABOUNDS!

A Special Arrangement of the best in Spanish Music is given in
appropriate costumes and, in addition, varied solos, duets, trios,
quartets and readings are rendered with artistry and verve. Every
member of the company is a soloist and the program becomes a
recital of individual artists and a novelty program combined.

Seats may be had in advance at The Star Phar-
macy. Prices: 50c. and 75c.
