THIRTIETH YEAR

THE CARLSBAD CURRENT, FRIDAY, APRIL 21, 1922.

NUMBER 19.

## WALLER NOMINATED FOR SHERIFF

Much interest was manifested in the Democratic primary election held last Saturday to nominate the various county officers to serve for two years beginning January 1, 1923.

County Treasurer Aud E. Lusk again led the ticket, having received 2440 votes, Geo. W. O'Bannon being second with 2431 votes, Hollis G. Watson, our present county commissioner getting third place and James M. Dillard coming fourth. All the above candidates had no opponent.

There seemed to be more interest in the sheriff's race than that of any other one candidate. The official returns show that Roy S. Waller was over Geo. W. Batton by only five votes and the election of Waller is now being contested by Sheriff Batton. The Democratic Central Committee of Eddy county met yesterday afternoon to officially canvass the vote and declare the candidates receiving the highest votes nominated for the respective offices on the democratic ticket which they found to be as follows:

**FOR COUNTY CLERK—**  
G. W. SHEPHERD.  
**FOR SHERIFF—**  
ROY S. WALLER.  
**FOR COUNTY TREASURER—**  
AUD E. LUSK.  
**FOR COUNTY ASSESSOR—**  
JOE JOHNS.  
**FOR COUNTY SUPERINTENDENT OF SCHOOLS—**  
MRS. A. A. KAISER.  
**FOR PROBATE JUDGE—**  
J. M. DILLARD.  
**FOR COUNTY COMMISSIONER—**  
HOLLIS G. WATSON.

District No. 2.  
G. R. HOWARD  
District No. 3.  
C. D. RICKMAN.  
District No. 1.  
**FOR REPRESENTATIVE TO THE STATE LEGISLATURE**  
District Number Nineteen.  
Counties of Eddy and La.  
GEORGE W. O'BANNON.

The committee met with a large number present in the Court room and the contest instituted by Sheriff Batton was heard. Attorneys for both sides were heard as well as many witnesses. After which the committee went into executive session with all excluded except the editor of the Current, and the merits of the case was discussed from every angle, it being finally decided that Mr. Waller would be declared

nominated without recounting the ballots.

Some ballots were found by the election judges with the pledge marked out, the greatest number being at Artesia. All such ballots were not counted.

In the contest Sheriff Batton charged fraud and corrupt practice. He charged that Mexicans were voted who were not citizens of the United States, and other Mexicans were voted without being asked who they wanted to vote for, their ballots being marked by the election judges for Waller for sheriff, and he presented several affidavits from Mexicans to that effect. He also contended that two judges in Carlsbad were prejudiced and unfair in their acts by reason of the fact that they expected to be deputy sheriffs under Waller in case he was elected and one of the judges in question had a bet placed on the election of Waller and collected that bet. The two judges named by Sheriff Batton were C. N. Jones and Tom Woods. They tried to show by affidavits that C. N. Jones voted Grandma Campbell's ticket for Waller for sheriff and Joe Johns for Assessor when she wished to vote for Batton for sheriff and Babe Campbell for Assessor. This charge Mr. Jones flatly and emphatically denied. Sheriff Batton also charged that election ballots which had squares and a cross placed after his name were thrown out and not counted and asked the committee to recount the ballots and declare the result, contending that according to rule No. 13 as printed and distributed by the committee they are duty bound to count the ballots. Rule 13 reads as follows: "Within five days after the holding of the election the executive committee, a quorum of which shall be six members, shall meet in the town of Carlsbad with the chairman of the Democratic executive committee at a day and hour named by the chairman, and they shall count all of the votes cast at the different voting places in the county and declare the person receiving the highest number of votes for the different offices to be the nominee of the party for that office."

In case any candidate shall contest the election, he shall give notice of such contest to all other candidates for that office, before the day for counting the ballots as above authorized to meet, count, canvass and declare the nominee shall pass on the contest and declare the nominee.

It seemed to be impossible to make a recount because some boxes were missing so the committee decided to declare Mr. Waller nominated. Sheriff Batton then gave notice that he would appeal his contest to the state central committee for final decision.

The vote cast for each candidate as certified to by the committee was as follows:

## EASTER CANTATA

A record congregation rewarded the services of the singers at the Methodist church last Sunday night on the occasion of the Easter cantata. Every seat in the house was taken, chairs were brought in from other sources and the large audience listened with increasing satisfaction, from the first number thru the last of the very pretentious performance, with Mrs. W. C. Bates at the piano and Mrs. J. W. Armstrong as choir leader. Perhaps the favorite number were those given by the male quartette, "Your Lord Shall Rise," the duet for two sopranos, (Miss Bates and Mrs. Armstrong) and the beautiful duet sung by Mrs. Poter and Judge Armstrong. Miss Hatfield, who has been singing for Carlsbad people, especially church people, since a very small girl, very

feels to sing the beautiful solo, "Alas, and Did My Saviour Bleed," and all the choruses, of which there was a number, gave evidence of careful practice and an interpretation of the music that is not always found in a church choir. The church was nicely decorated in cut flowers and greenery of various kinds, which added to the artistic features of the meeting. A collection was taken to defray the expense of the choir, and other expenses, incident to the occasion and many who were present expressed their appreciation of the lovely service at its close to those who took part. Must we wait until next Easter to have such a song treat?

Mrs. Lyle Henderson who has been so very ill, is improving at this time.

## MALAGA NEWS ITEMS.

The house on the Gerlach place, occupied by E. M. Black, was discovered on fire near noon on Wednesday. Mrs. Black had put their babies aged seventeen months and six weeks, to sleep in the bed room and had started a fire in the kitchen stove and gone out to feed some little chickens. When she returned to the house in a very few minutes time, she discovered that the house was on fire. She screamed fire and Mr. Black came running and tried to enter the house but the flames drove him back. He broke in a window in the bed room and Mrs. Black rushed by him and jumped into the room and got the oldest child, but the flames were so fierce that they couldn't get the little baby. Mrs. W. F. Gerlach called the town by telephone, and in a very few minutes lots of people were there, but were not able to get the child. An old house in the same yard was in danger, also J. H. Welch's house just across the street, but there was plenty of water in the ditch and both of these buildings were saved.

The child that they rescued was badly burned about the head and face and the mother was burned on the face. Dr. Culpepper was called and dressed the burns and the child is resting easy today. The remains of the burned baby were interred at Lookout cemetery in the afternoon at 4 o'clock.

A purse of seventy-five dollars has been raised by the people of Malaga and vicinity besides lots of bedding and wearing apparel. The citizens of Loving sent a truck load of bedding and supplies.

The people of Malaga and vicinity sympathize with Mr. and Mrs. Black in their sad bereavement. The house was a complete loss to Mr. Ben Gerlach, as it wasn't insured.

W. H. Woodley is at the Sisters' sanitarium this week taking treatment.

Quite a few farmers have planted cotton, but the weather is most too cool for it to come up.

J. W. Hobbs and wife of Artesia came in response to a telephone call and are at the Black home, Mrs. Hobbs being a sister of Mr. Black.

Otto Reid had the misfortune to lose one of his horses which he purchased of C. S. Burch.

J. C. Queen and wife were Carlsbad visitors Wednesday.

Mr. and Mrs. E. M. Black and family wish to thank the people of Malaga and vicinity for their sympathy in their sad bereavement; and also for the donation of money and many useful articles.

Miss Roberta Henderson, who has been nursing at Eddy County Hospital, returned home yesterday.

## ROSWELL-CARLSBAD DEBATES.

On Friday, April 28, at 7:45 P. M., the second of the Carlsbad-Roswell debates will be held in the high school auditorium. The Carlsbad team, composed of Virgil McCollum and Glenwood Jackson, brought home the honors from Roswell, when on February 17, they met and defeated that high school debating team on the question of the Income Tax. This was the Carlsbad team's initial appearance in the debating field and for that reason their victory was the more noteworthy.

The proposition to be debated here on April 28 is: Resolved, that the 3 per cent law restricting immigration should be maintained as the future policy of the United States. The Carlsbad boys will defend the negative.

It is hoped that not only the members of the High School, but also the people of the community will support the team by their presence on this occasion. Such contests are as thoroughly worth while as any of an athletic nature and should be promoted and supported enthusiastically.

A nominal admission charge of twenty-five cents will be made, to meet the current expenses of the debate. After the judges have rendered their decision, the members of the Honor Club will entertain the Roswell guests in the Domestic Science rooms.

## UNION GOSPEL SERVICES.

The meetings under the auspices of the various churches of Carlsbad, under the leadership of Rev. J. W. Lockhart, of Des Moines, Iowa, will commence Sunday morning at the Armory, at 11 o'clock and continue for the three weeks. Meetings have been conducted each night since Tuesday at the Presbyterian church, and an especial meeting for the purpose of organizing the choir is to be held tonight at 7:30 at the same church.

Christian people of Carlsbad are anxiously looking forward to the meetings, hoping that the same results that have been attained under the preaching of the evangelist in other places may be realized here. Evangelist Lockhart has only recently concluded a meeting at Artesia which resulted in over 400 conversions to the churches of that place, and it was the great success in Artesia that called attention to him and caused our ministers to secure his services for this time.

Especially interesting attaches to the meeting for tonight and a full attendance of old and young is requested.

## LAKEWOOD LOCALS

The Primary election passed off quietly here; to be sure, there was enthusiastic rivalry among the friends of the different candidates, but it was carried on in friendly spirit and good humor, and everybody enjoyed the days work.

Oliver Brazel and family have moved to Post, Texas. Mr. Brazel has been employed at the Globe plaster mills for a long time, and his move was made necessary by Mrs. Brazel's health, she being afflicted with eczema and the grip dust from the mills aggravated her trouble.

There is a brand new baby boy at the home of Mr. and Mrs. Lewis Rowland, who arrived on Wednesday, April 12. All concerned are getting along well—Lewis himself showing signs of improvement.

P. E. Jones arrived here one day this week from St. Louis, Missouri. He is seeking a place to rest and recuperate, and intends to remain for an indefinite duration of time.

There was a dance given at the home of Mr. and Mrs. D. E. Webb last Saturday night—an old fashioned dance with old fashioned music furnished by H. D. Stedman and W. E. Nelson, and everybody who attended had a good time.

Mr. and Mrs. John Angel and children, who now live at Vaughn, New Mexico, are visiting with relatives and old friends here. They will remain a week or longer.

Mrs. M. C. Lee and her daughter, Miss Bernice, were visitors to Carlsbad Saturday, going down on the afternoon train.

Agent McCormick and wife are now riding around in a new car of the Ford persuasion.

Fifteen cars of cattle were shipped from the pens here Thursday of this week. The cattle were sold by Willard Bates to E. W. Grogan. Four cars went to Beaumont, Kansas; six cars to Ashtola, Texas, and five cars to Bovina, Texas.

Miss Mildred Adams, who has taught two terms of school at Greenville, New Mexico, is expected home, the latter part of this week, as her school term of eight months will close Friday.

Mrs. Eva Overholt and babe, of New York, were visiting with relatives and friends here during the past week. Mrs. Overholt who was formerly Miss Eva Fanning, was reared here and has many friends who are glad to meet her again.

Mrs. Belle DeAutremont visited friends at Artesia Saturday night and Sunday.

Mrs. J. T. Truitt, her two daughters, Misses Sallie and Carrie, and Alex. McGonagill attended religious services at Artesia Wednesday night.

The Bridge Club will give an entertainment at the school Auditorium Saturday night to help pay for repairs and decorations for the Auditorium stage. The play entitled "Not a Man in the House," will be the feature of the evening, which will be augmented by music, songs, readings, etc. It is a good program, and everybody should attend.

Tom Runyan, of Carlsbad, was visiting with friends here Thursday. Mr. Runyan formerly lived here, and is always welcome to his Lakewood friends.

Lee Standard, who is on a work train on the Santa Fe, was at home Saturday night and Sunday.

Masters Frank Runyan and Robert Wilcox, of Carlsbad, have been visiting and fishing here this week.

Judge Dauron and H. C. Holcomb spent election day in Carlsbad. Fishermen are many, but the fishes are small and few in a bill.

## BABY SHOW

The Baby Show held the boards at the Crawford Theatre Tuesday and Wednesday nights of this week. Babies of all kinds were in evidence on the screen. Each person was provided with a coupon and each baby with a number and the baby receiving the greatest number of votes, received the first prize. Seven prizes in all were awarded to the following babies. First prize, Nettie Belle Batton, a ten dollar savings account, from the National Bank of Carlsbad; second prize, Paul Eugene Ares, eight dollars in baby furnishings, from Joyce-Fruit Co.; third prize, to Virginia Donley, a "Flivver" by Roberts-Dearborne; fourth prize to Ella May Smith, a baby bonnet from the Little White Hat Shop; fifth prize, a chair from R. M. Thorne, to Oleta Wood; sixth prize, 2 pound box of candy, from the Cozy Corner confectionery; to Bobbie Lair; seventh prize, a baby hot water bottle, talcum powder, etc., from the Star Pharmacy, to Fred Wilson.

All the mothers seemed satisfied with the results of the show and a handsome set of babies was never got together, either on or off the screen. Mr. Hawkins, manager of the event, left for Artesia early yesterday morning, at which place he expects to put on a similar show.

Mrs. George Tracy, of Palm City, California, who came in last week for a visit with homefolks, is spending part of the time on the ranch of her father, J. W. Tulk, near Lovington. The Current is pleased to announce convalescence of Mr. Tulk from his recent severe illness, and prospects are favorable that he will soon be able to come to town.

## CAVALRY TO HAVE REGULAR INSTRUCTOR STATIONED HERE

Captain Miller received word this week that a regular army instructor had been assigned to Troop B and would probably arrive the latter part of the week. This instructor, Sgt. Claggett, of the Fourth Cavalry, has been assigned to Troop A in Albuquerque for some time and comes recommended as a very efficient man. The troop was promised an instructor some time ago but the organization of the National Guard Bureau even at the present time has not reached the degree of accuracy that mere orders can be executed on time. This is a fault to be laid to many and all. Equipment is short and requisitions are slow but it must be remembered that the work of the National Guard under the new system is tremendous.

But the arrival of an instructor will be a decided asset to the Troop. Heretofore many problems that had to be worked out with only the aid of an instruction book, that was originally printed in a puzzle contest, can be immediately solved by the sergeant who has seen the problems in action. He will be present at all drills and formations and with the present interest of the Troop in general a great amount of work will be accomplished.

Last Wednesday drill was one of the best in a great while. About forty men were out and every moment was full of interest. Some snappy physical drills on the Armory floor, followed by thirty minutes of platoon movements in the streets rounded out an evening of pleasure as well as instruction. At the present rate the new instructor is due to last on this trip. But his time will be fully occupied as he is being instructed by a few troopers. There are a few of them left who are so busy educating the "common herd" they do not realize that we are all in the same ship of ignorance, on this cavalry knowledge. But confidence is half the battle. Be sure you're right then go ahead. One wise trooper has confided some wise logic on how to be a popular cavalryman and "get along" in Troop B. He says, "laugh at every one's jokes, tell none of your own, believe all the war hero stories, be content with your ignorance and resist complete subjection in the presence of a non-com who keeps his stripes pressed." And after all there is little difference between a recruit and a corporal. The former wants to know it all and the latter thinks he knows it all.

The riding class presented an early turn out Sunday morning. The weather was perfect and most of the class continued through out the day. Captain Miller sees great promise in this class and can use a few more members.

Patsy Higgins rides a very excitable mount and is always cautious on the "main drag." Sunday he was approached by a car that threatened to park near the hoofs of "the corporal's steed." Pat immediately called a warning not to park near the horse, to which the careful driver made a reply: "Don't worry I know the traffic rules, 'Don't Park Near a Plug.'"

## "ALICE IN HUNGERLAND" COMING TO THE CRAWFORD THEATRE

The program at the Crawford Theatre will be augmented on Monday, April 24th, with the first showing in this city of "Alice in Hungerland," a three-reel travelogue feature in narrative form. The picture opens with Alice, a girl of seven, reading the book, "Alice in Wonderland" and pausing to question her mother about the chapter headed "A Pool of Tears." The allegorical picture is then drawn of a real pool of tears shed by the aching eyes of sorrowing little children in Western Asia. The audience is then carried from Constantinople to Bagdad, from Port Said to Baku, stopping at Alexandria, Erivan, Mt. Ararat and into Persia. Many of these scenes have never been shown on any American screen before and this picture is a highly instructive as well as an intensely interesting one. "Alice in Hungerland" affords the first true delineation of the unfortunate peoples whose misery is being ameliorated by the Near East Relief and the constructive work that is being accomplished by that splendid organization. How the thousands of homeless, friendless and hungry little waifs are being fed, clothed and taught how to care for themselves is an interesting demonstration of America's response to the crying need of the victims of a war torn land. This picture carries a vital message to every man, woman and child in America and everyone is urged to see it on Monday, April 24, at the Crawford Theatre.

Mrs. A. N. Stewart recently purchased the four lots owned by Wm. H. Mullane east of the Joyce-Fruit company's warehouse. The lots extend from the alley east to the corner and are among the most valuable lots in town, owing to their location on a paved street and their nearness to the business part of the city. The consideration of the sale is not made public.

## AN IMPORTANT MEETING

Wednesday afternoon at the Chamber of Commerce rooms a meeting was held under the auspices of the Civic Committee of Chamber of Commerce, with M. R. Smith, chairman of that committee, presiding. Representatives of the Woman's club, the W. C. T. U., County Health Board, and both newspapers were present.

The chairman stated the object of the meeting to be the beginning of a systematic effort to rid the city of flies, and talks along that line were made by different ones present and a Clean-Up Day was appointed at which time the alleys, backyards and vacant lots will be visited and reports made on their sanitary condition. As will be remembered, last year a campaign was inaugurated, later in the season than this, however, and a decided decrease in the number of house flies was noticeable. Mr. Smith measured out seventy-nine gallons of house flies purchased from different boys, and paid for by the Chamber of Commerce at the rate of ten cents a quart. It is thought that by beginning earlier this year, and with the assistance and advice of our health officer and county health nurse, the first crop may be entirely eliminated, and in that case, there will not be much of a second crop. The breeding places of the house fly destroyed, the pest will not flourish, and very little can be accomplished until this is done. But with every organization in the city united and working toward that end, much can be accomplished.

Later it is thought it may be necessary to offer a reward for flies caught and delivered, but for the present that will not be done. Mr. Smith and Dr. Ennis, are working on the proposition of a clean-up day for the city which will be tomorrow, and urge all citizens to cooperate with them so that Carlsbad may deserve her name of The Beautiful.

Dr. Ennis has taken the matter up with twelve State Boards of Health, but so far has not received a reply from any source, except the International Harvester Co. and United States Public Health service, which will send a film which is to be exhibited soon, at the Crawford.

The Civic Committee and the others in charge, ask the hearty cooperation of all in this laudable effort. SWAT THE FLY.

## SCOUT NEWS.

Twenty Scouts will attend the track meet at Roswell Saturday under the care of Assistant Scoutmaster Ray Davis and Scoutmaster John Wells. Messrs. Hubert and S. L. Perry will also be in charge of cars. The big Boy Scout band from El Paso will visit Carlsbad this summer. A photograph of this splendid organization was received by Scoutmaster Rawlins and will be on display in the Peoples' Mercantile windows this week.

Day Davis will be assistant scoutmaster of Troop No. 1 from now on. He is falling into line and will render efficient aid.

If you can't help in Scout work, don't be a knocker. Do you know that men of Carlsbad are taking their time and energy to keep these organizations going and receiving no pay? And it is certainly unkind in you to criticize when you would not devote one hour to the work or aid in any way those engaged. How many times have you been to a meeting of any of the Carlsbad troops to see what was going on? Come clean with your boys and your scout leaders. If things are not run to suit you, go to your scoutmaster and talk things over with them.

Troop One has lost five members of the Old Guard this year, but gained many new ones. Some of the lads have grown old, three of them joined the army and others have moved away. The troop still has forty husky members.

Troop 1 will have charge of the Chautauque concessions again this year but will not sell on Sunday. At their meeting Tuesday night it was decided not to run open shop on Sunday.

Several of Troop 2 will aid in the track meet at Roswell Saturday. James Wallace, Cotton Eaker, and Kenneth Davis are doing splendid work.

The following list of Scouts have registered with Troop 1 for 1922: Stuart Armstrong, John Armstrong, Luther and Fancher Bell Jim Beals, Walter Beach, John Baird, Ben Barnett, Ernest Barron, Russell Crawford, Gerald Carder, John O. Eaken, Elmer Forehand, Ray Frye, Martin and Delbert Hubbard, Bart Hinson, Pat Higgins, Harold Kersay, F. E. Little, Billie Merchant, Willis Moore, Preston Oliver, Buster Polk, Joe Poole, Elliott Reed, Alfred Pierce, Frank Smith, David Sellards, John R. Joyce, C. Taylor, Emmett and Vance Tebbetts, George Thomas, Harold Toffelmire, Dudley Ussery, Wallace Vest, Wallace Thorne, and Jesse Lockhart.

The Christian church building was put in shape for the Easter service by being painted on the outside and kalsomined on the interior. These good people have been working industriously to that end and will take great pleasure in their little house of worship when the repairs and alterations are completed.

Mr. and Mrs. H. E. James left overland last week, for Long Beach, California where they expect to make their home. Good wishes to the end that they may be happy and prosperous there being extended by a host of friends in this place where they have lived so long.

A consignment of day old baby chicks, was a Parcel Post shipment to Mrs. Poteet of this city, from San Angelo, Texas, last week. The little fellows, with one exception, were as chipper as you please the exception seeming to be a little tired and no wonder.

Mr. and Mrs. R. F. Madera and little Mildred, came in from their ranch seventy-five miles southwest, of town and spent a couple of days here. They have had very little rain on the ranch although good rains fell on near-by ranches.

### MRS. HARRY McKIM ENTERTAINS

At the Eddy Club House, Monday, occurred one of the largest and most elaborately appointed bridge parties of the season given by Mrs. Harry McKim, who proved a most gracious and graceful hostess to the fifty-six ladies who shared her hospitality at that time.

The rooms at the Club House were tastefully decorated with cut flowers, and ferns, and the ladies in their spring dresses and hats made a charming picture.

The tally cards featured the Easter season, and the favors consisted of a miniature Hat Boxes, each containing a dainty hand made Easter hat, no two alike, and all made by the skillful fingers of Meadamen McKim and Dusen. A chicken surmounting each box, still further emphasized the season.

A two course menu of unusual daintiness was served at the close of the games, at which Mrs. Dean Smith made high score and received a suitable prize and Mrs. Paul Mahan was consoled by the gift of a lovely fern. A delightful afternoon was spent and Mrs. McKim has taken her place as a most charming hostess.

Caesar Grandi, one of the most prosperous stockmen and farmers of the lower valley, returned from a business mission to Missouri, where he purchased a fine Jack, and had the animal shipped to this place by express. The blue ribbon was still on the Jack's ear when he arrived at his destination. The animal was crated and shipped by express, the weight being about 1100 pounds, and the express amounting to a little above \$95.

### CHILD'S BODY FOUND: IS A MYSTERY

The unidentified body of a child was found near French last Sunday. A portion of the body was missing. It was badly decomposed and mutilated.

The finding of the body has given the sheriff's office a mystery which is yet unsolved. Some boys hunting three miles from French stumbled across the body. The case bears the marks of a brutal murder.

Identification seems to be impossible. There has been no report of a missing child in this county. The body is that of a child between five and seven years of age. The sheriff's office is busy in an endeavor to solve the deep mystery.—Springer Stockman.

Mrs. R. J. Stockwell entertained the women of her Sunday School class at the Mission recently. Ten women and three children were present and enjoyed the hours from three until five. First, they studied their Sunday School lesson, and afterward were served a three-course dinner. The class enjoyed everything from chicken patties to ice cream and expressed their thanks at the close for their pleasant entertainment. The class is very much interested in learning American ways of doing things, and Mrs. Stockwell is doing a great work by her lessons.

 Writes John Simpkins farmer of Annandale, N. J.: "Rats were costing me hundreds yearly, tried dogs, ferrets, poison could not get rid of them. Bought \$1.60 pkgs. of RAT-SNAP (5 cakes). ### LESSON FOR APRIL 23.

**UZZIAH'S PRIDE AND PUNISHMENT.**

**LESSON TEXT.**—II Chron. 26:1-21.  
**GOLDEN TEXT.**—Pride goeth before destruction and an haughty spirit before a fall.—Prov. 16:18.

**REFERENCE MATERIAL.**—Num. 12:1-15; Deut. 32:1-4; II Kings 19:27; Dan. 4:35-37.

**PRIMARY TOPIC.**—The Story of a Proud King.  
**JUNIOR TOPIC.**—A Man Who Forgot God.

**INTERMEDIATE AND SENIOR TOPIC.**—"Friede Gough Before Destruction."

**YOUNG PEOPLE AND ADULT TOPIC.**—The Perils of Prosperity.

1. Uzziah Made King (vv. 1-5).  
 1. His Age (v. 1). He became king at the age of sixteen.

2. Length of His Reign (v. 3). He reigned fifty-two years. His mother's name was Jeroliah, which means "Jehovah is able," or "Made strong of Jehovah."

3. His Character (v. 4). He did that which was right in the sight of the Lord.

4. His Prosperity (v. 5). He definitely sought God while Zechariah lived, and because he sought him God made him to prosper as long as he continued to seek him. He, like Josiah before him, turned aside when the influence of the man of God was removed.

II. Uzziah's Achievement (vv. 6-15).  
 1. He Built Elath (v. 2). This was a port on the Red sea which had been lost to Judah. No doubt it was the aim of the father to get possession of this port, so the son makes its restoration his first duty. It was an important trading point and the commercial interests of the nation would be greatly increased by its possession.

2. He Had Military Success (vv. 6-8). (1) He conquered the Philistines (v. 6). After subduing them he dismantled their fortified cities and built new cities in their stead. (2) He defeated the Arabians (v. 7). (3) He made the Ammonites across the Jordan pay tribute (v. 8).

3. He Fortified Jerusalem (vv. 9-15). He took advantage of the peace which was now enjoyed because of the subjugation of his enemies to fortify Jerusalem. He placed in the towers great engines of war for hurling stones.

4. His Civic Improvements (v. 10). In the regions south and west of Jerusalem he built towers which served a threefold purpose, namely: observation, defense and shelter for his cattle. This enabled him to carry on his stock-raising enterprises.

5. His Army (vv. 11-15). It numbered 807,500. It was thoroughly equipped and drilled. God was with him, and his fame spread far and wide. The source of his strength was God.

III. Uzziah's Transgression (vv. 16-18).  
 The prosperity bestowed upon him by the Lord was too much for him—his heart was lifted up with pride. This is always so unless counteracted by divine grace. In his pride he presumptuously intruded into the priest's office. This act was not because of forgetfulness, but of deliberate purpose. Azariah and eighty other priests remonstrated with him, but this only made him angry. This act was a trespass against God.

IV. Uzziah's Punishment (vv. 19-21).  
 While raging in his wrath and about to burn incense he was smitten with leprosy, a dreadful, incurable and unclean disease. This judgment came upon him as a consequence of his overweening pride and vanity. He was thrust out of the sanctuary—excluded from God's house. Indeed, his own conscience smote him, and he hurriedly went out because he knew that the Lord had smitten him. He not only was excluded from the place of worship, but was dethroned. His son Jotham was made regent. His judgment was:

1. Sudden. The Lord smote him while attired as priest, with censer in hand. Frequently God's judgments are speedy. 2. Severe. The leprosy broke forth upon his forehead. The same judgment befell Miriam for speaking against Moses (Num. 12:10), and Gehazi for lying to Elisha (II Kings 5:27). Great sins demand severe punishment. 3. Conspicuous. Azariah and all the priests looked up and beheld the leprosy (v. 20). The spot on Uzziah's forehead proclaimed him as the object of God's wrath. How many today are bearing about the marks of sin—God's judgment! 4. Humiliating. He was henceforth unclean—cut off from the congregation. This is what sin always does. 5. Fatal. It ended in death. "The wages of sin is death" (Rom. 6:23).

**Cause and Upholder.**  
 God alone . . . is in Himself, and is the Cause and Upholder of everything to which He has given being.—Pusey.

**Praise the Lord.**  
 Oh, that men would praise the Lord for His goodness and for His wonderful works to the children of men!—Bible.

**The Blockhead.**  
 A blockhead cannot come in nor go away, nor sit, nor rise, nor stand, like a man of sense.—Bryant.

From State Central Committee, Las Vegas, April 15.—Democrat pre-convention state headquarters were established here today. State Chairman George H. Hunter installed the office staff in the Peoples Bank Building and the wheels of the organization were started. In a statement, Chairman Hunter declared the initial work will center around the awakening of the state Democrats to the necessity of piling into the coming campaign with the view of "putting a business administration into Santa Fe next fall."

"Word has been received from Democrats all over the city indicating a keener interest in the coming campaign than any in the past," Chairman Hunter said. "This spirit is one of the most hopeful signs. Everywhere there is a feeling that if the Democrats put up a ticket composed of men who are capable of carrying out the chief issue of the day, the party will be accorded victory in November."

"The main issue before citizens of New Mexico today is the question of taxes. Some mighty sound policies must be developed to get the administration of the state on an economical basis. If a business concern was costing too much to operate, its directors would insist upon a policy of saving, or change officers."

"The directors of the state of New Mexico—its electorate—are confronted with that problem."

Mails between the United States and Canada are handled as freight.

Messrs. Tracy and Mellvain returned from their trip through the northern part of the state, where they spent ten days in the interest of Mr. Tracy's candidacy for United States senator.

#### A CARD

To my friends who so loyally supported me in my race for the nomination of County Commissioner of District No. 3, I wish to extend my thanks and grateful appreciation. I will endeavor to do my duty in the future as has always been my aim and desire.

Very truly,  
G. R. HOWARD.

A second primary would prevent such disputes as has arisen in this county over the nominee for sheriff. Only four votes separate the two candidates and the lower candidate is contesting the election and charging fraud. The American people believe in the rule of the majority of the voters and when there are several candidates for the same office the will of the majority cannot be determined except by having a second primary and letting the two highest candidates make another race. In the second primary there can be no doubt as to who the majority of the voters wish to be their officer. A large number of the counties of New Mexico held the second primary this year as well as in other states. A second primary was held in Lea county and they tell us it is the only way to determine with satisfaction to all who is the nominee. It is another mistake for the ballots in the primary election to be printed without a square opposite the name of the candidate in which to place a check mark or X to indicate which candidate it is desired to vote for. The tickets in the general election are printed that way and the voters are used to so voting, so why is there any good reason not to have the ticket in the primary election similar? One batch of tickets were printed this election with the squares opposite the name but were destroyed and others printed without squares. If having a second primary and squares on the ticket will prevent contests dissatisfaction and strife within the ranks of the Democratic party of Eddy county, we believe that is the proper thing to do. Peace and harmony should be kept at any cost as long as the will of the majority is permitted to rule. The democrats of this state have the best chance to win the election this fall they have had for years and it will be a disgrace and shame if they throw this opportunity away squabbling over who is to be nominated to some office. The best way to prevent disruption within our own ranks is to be fair and square to all and that seemed to be the wish of the majority of the members of the Democratic central committee at their recent meeting.

Rev. Dorsey Mewborn, pastor of the Mexican Methodist church, left Monday night for Kansas City, to be in attendance at the wedding of his sister, which occurred the night of the 20th. He expects to be away about ten days.

F. E. Hubert returned to the city last Friday evening after a ten days business visit to El Paso.

Miss Sadie Cheatem, Marian and Patty Witt, Lorene Powell and Rude Wilcox left last Saturday for the home of Mrs. Georgia Lusk, in Lovington. They found Mrs. Lusk had prepared for their coming by inviting a number of her friends to meet them and they had a fine time returning Sunday. They had fine success on the road their only trouble being a couple of punctures, the entire trip being very pleasant.

Mrs. Nellie White pleasantly entertained the teachers of the Grammar grades and a few other young ladies at dinner Monday night at her home. The guests were delighted at their reception and entertain very cordial feelings toward their kind hosts.

Mrs. Y. R. Allen left last week for a visit to the home of her sister, at Oswego, Kansas. Mrs. Allen is a sufferer from hay fever, and made the visit hoping for relief in a change of altitude.

Cecil Bearup, who has been at school in Kansas City, taking a course in mechanical dentistry, arrived in Carlsbad last week. Mrs. Bearup will come later, she being called to the home of her parents in Kansas, by the serious illness of her mother, and later after a visit here with relatives they will go farther west to locate.

Last Sunday a number of Carlsbad pleasure seekers motored to Black River quite early in the morning for an outing and a general good time. Those enjoying the occasion were Homer King and children, Mr. and Mrs. Clifford Ewers and daughter Elizabeth, Cordie and Joe Crowley, Laura Barnett, Gerald and Gladys Carder, R. O. Cox, Mrs. B. A. Carder, Mr. and Mrs. G. W. Nichols.

Among the other pleasures of the day was an Easter egg hunt, the entire crowd joining in the search, as a prize was to be given the one who found the most eggs. Laura Louise Barnett won the prize and was given a Chinese Good Luck ring. About five o'clock they returned to Homer King's ranch where they all enjoyed a fish fry, leaving at a late hour, all declaring that they had had a fine time regardless of the high wind.

Claude Hayes, Johnnie Roberts, Sam Campbell and George Hartley are this week gathering the Barber-Pen Ranch cattle on the Washington range.

Leland Price, son of Mr. and Mrs. George Price, was twelve years old last Wednesday and celebrated the day by a birthday party at his home on Fox street. Twenty boys and girls shared the pleasures of the afternoon with their friend, and at the close of the afternoon all present enjoyed the delicious refreshments served to them, Mrs. Scott Etter and Miss Frances assisting Mrs. Price in serving. A unique contest to decide which was the most popular little girl awarded the distinction to Nadine Hughes; the most popular boy was decided by vote and was found to be the young honoree, Leland Price. The children had a lovely time with games and music, and all wish Leland many pleasant returns of the day, in which they are joined by a host of grown folk who know and admire the laddie for his many admirable traits of character.

Dorothy Helen is the name given to the little daughter of Mr. and Mrs. Trav Humphreys, of Orange, who was born at the Dr. Munser home last Friday noon. All parties to the affair are getting on nicely.

## CARLSBAD BASEBALL SEASON OFFICIALLY OPENED SUNDAY

The Carlsbad Baseball Club lined  
up at the Fireman's Park Sunday  
afternoon and officially opened the  
season with an interesting one to  
one game with Loving. The high  
wind prevented many fans from at-  
tending but those who loyally braved  
the elements report a fast game  
and prospects for a fast club is more  
promising this season. J. S. Oliver  
is the manager of the club for the  
coming season and promises to have  
some of the best games ever witness-  
ed in the Pecos Valley lined up for  
the Fourth of July celebration. No  
men will be hired, however, until  
a later date or until other clubs are  
"given the once over" and the games  
for the Fourth are secured.

For an opening Sunday's game  
was a glorious success and the club  
did not fail to start with a high  
standard and evident interest. Far-  
rell pitched a great game for Carls-

bad and battled through several dan-  
gerous places. In the third inning  
Loving put three men on bases with  
no one out. However, this proved  
to be no "Crimp" for "Hart" Farrell  
as the next three men up went to  
the bench swinging at the air.

Another feature of the afternoon  
was Moore's catch of a line drive to  
center field and making a double  
play by relaying the ball to Fenwick,  
on second base.

Loving scored in the first inning  
when the high wind carried Wind-  
ham's peg past Montgomery and a  
dropped ball at the plate.

Carlsbad scored in the second  
when Fessler was hit in the ribs  
and scoring from second on a field-  
ers choice.

Following is the line-up for Carls-  
bad and scoring of both teams:  
Moore, center field; Patton, right  
field; Wynn, left field; Fessler,  
short stop; Windham, third base;  
Fenwick, second base; Montgomery,  
first base; Stewart, catcher, Farrell,  
pitcher.

	Runs	Hits	Errors
Carlsbad	1	0	1
Loving	1	1	0
Struck out by Farrell, 6.			
Struck out by Buck Montgomery, 4.			
Hit by pitched ball, Farrell 1.			
Montgomery 1.			
Double plays, Moore to Fenwick.			

The ladies who were in atten-  
dance at the meeting of the Woman's  
Council of the Methodist church,  
held three days of last week  
in Roswell, returned from there Fri-  
day. They report an interesting and  
profitable time, with a large num-  
ber of delegates in attendance from  
various parts of the state, sixty-  
eight delegates and visitors being  
present.

Going from Carlsbad were Mrs.  
A. C. Douglas, Mrs. P. E. Little,  
Mrs. L. E. Regnier, Mrs. Georgia  
Pond, Mrs. R. M. Patterson, Mr. and  
Mrs. Ellsworth, Miss Ethelyn El-  
sworth, Miss Gladys Regnier, and  
Miss Vera Thurman.

Mrs. Ethel Hunick, of the lower  
valley, was a business visitor to Ros-  
well the latter part of last week.

### Columbia Dry Batteries are universally used because—

They cost so little, are so easy to obtain, are so powerful, and last so long. That's why they are used everywhere for every battery need. It's why dealers all around you carry Columbias to meet your demands—electricians, hardware stores, general stores, auto supply shops, garages, implement dealers.

For doorbells, buzzers, heat regulators, alarms, etc.; for gas engine and tractor ignition; for quick starting ignition on non-self-starting Fords; for every purpose, always—insist upon Columbia.

#### LOCAL NEWS.

Dallas Jones and Mrs. Jones came in Friday from their ranch near Dayton, and are visiting at the home of C. N. Jones west of town.

Mr. and Mrs. Tom Middleton, of Queen, were in the county seat Tuesday and Wednesday of this week.

Madam Middleton and daughter, Miss Bessie, accompanied Tom Middleton and wife, to their home at Queen Tuesday morning and will make a visit with friends there.

Mrs. Sue Hicks and her brother, Sam Bittling, are expected to arrive in Carlsbad from Fort Worth for a visit with relatives and friends Friday.

Justia Webb, of the Jal country, was in town Saturday, coming and returning the same day. He came bringing the news of the illness of Mrs. Fred Zimmerman, who is teaching school at Jal and was quite sick when Mr. Webb left there. Fred Zimmerman accompanied him on the return trip.

Charles Diefendorf, nephew of Dr. L. F. Diefendorf, left Tuesday on the return to his home near Sedalia, Missouri. He will visit several places en route and does not expect to arrive at his home before the first of May.

Rev. F. W. Pratt, former rector of the local Episcopal church, was in town last week from Roswell, where he is now stationed. Needless to state, the reverend gentleman received a warm welcome from his many old friends in this city.

#### UNION GOSPEL CRUSADE

Last week in the Presbyterian church the ministers and officials of the Christian, Baptist, Methodist and Presbyterian churches met in joint meeting to discuss the matter of a union gospel crusade in Carlsbad, such as has been held in Roswell and Artesia. Rev. A. C. Douglas was elected Chairman of the Executive Committee meeting, and Dr. H. W. Lowry, Secretary. After discussion of the plan and need it was unanimously decided to enter such campaign beginning the morning of April 23rd. The Chairman and Secretary were instructed to wire an invitation to Rev. William J. Lockhart, of Des Moines, Iowa, to lead in the campaign. The following Tabernacle Committee was appointed: Messrs. R. M. Thorne, Will Purdy, T. C. Herne, Mr. Chilcoat, W. P. Mudgett.

The Chairman of the meeting has received a wire from Rev. W. J. Lockhart accepting the invitation and the Committee on Tabernacle have secured the Armory for the services there. This is no doubt one of the most important events in the religious movements of Carlsbad. It is evidence of the unity of purpose of the Protestant churches of the city and should mean a vast deal to the community. Rev. Lockhart was the leader in the campaign just closed in our neighbor city, Artesia. There were more than 400 conversions in that campaign and an increase in the attendance of the churches of the community from 400 present on Sunday to more than 1,000. Let us all hope and pray that such results will be attained in our city.

Mr. and Mrs. Ben Stetson left last week for their new home in Los Angeles where the Current joins all their other friends in hoping they may be happy and successful in the best sense of the word. The Current will follow them and keep them posted as to affairs in their old home. Their house has been rented to Coley Jones and wife and they have moved in and are feeling much at home in their new location.

Word comes from Ottumwa, Iowa, that our friend and fellow townsman, W. C. Seilers, is improving slowly at the home of his son in that place. Mrs. Seilers left last week for Ottumwa to spend a short time with her son and husband.

Mr. Beckwith, the gentleman who was brought to Eddy County Hospital some weeks ago for treatment, continues quite ill at the institution with very little hope of any favorable change in his condition.

The first Easter party among the juveniles, was the birthday party given to honor the fifth anniversary of Genevieve Gragg, the little daughter of Mr. and Mrs. Homer Gragg, at the family home in La Huerta last Saturday afternoon, from three until five o'clock.

The dining table was decorated artistically in the Easter colors of green and yellow, and was centered by the regulation Easter rabbit, who presided over the feast with dignity and in a manner very delightful to the little folk present. The birthday cake was also much admired, the children taking turns at blowing out the five lighted candles which surmounted it. An egg hunt delighted the little ones and each tried to see who could find the greatest number of eggs, the honor of doing so falling to Draper Brantley, of the boys, and Doris Perry of the girls. Each was given a suitable prize for their skill.

After the children had tired of play they were invited into the dining room where they found lovely place cards marking their places at the table and a great deal of pleasure was found in each child finding his or her place. Mrs. Elmore Jones and Miss Essie Jones assisted in serving the guests, who were June Carter, Kathryn Livingston, Margaret, Helen and Louise Minter, Harriet West, Doris and Lois Perry, Margaret and Julia Rodgers, Mary Craig, Ann and Marguerite Marquis, Jeannette Wertheim, William McLeathen, Philip Jackson, Eugene Roberts, Draper Brantley and Bobbie Marquis.

Jonathan Wagner, state superintendent of public school, and Dean Caroon, of the Las Vegas Normal school, were in town last week and addressed the pupils of the High School.

### "SLUMBER (?) PARTY"

A so-called Slumber Party at which the Misses Purdy were the charming hostesses, was held at their home on Alameda street last Friday night. The party was given in celebration of the birthdays of the "Purdy Girls," as they are frequently alluded to, by their friends, and was a very happy occasion. Mrs. Purdy served a delicious luncheon at six o'clock to the girls, and at about eight o'clock they were surprised by eight young men friends, calling in a body, and the young folk had a fine time in social conversation and with vocal and instrumental music. Mrs. Purdy served lunch to the crowd at midnight and shortly thereafter the young men left for their various homes, the girls remaining until noon the next day. Those present were Elizabeth Albritton, Henrietta Dilley, Marynet Reed, Frances Etter, Novella Dawson, Dorothy Batton and Elizabeth and Catherine Purdy; Herbert Hittson, Francis Perry, Carl Wester, Ned White, John L. Emerson, Glenwood Jackson, Bill Hardy, and John Owen Eaken.

### TERRIBLE ACCIDENT AT MALAGA

A sad accident occurred at the home of Albert Black, a young farmer living in the Gerlach house in Malaga, Wednesday at about noon, by which one baby six weeks old was burned to death and an eighteen months old baby narrowly escaped the flames, which consumed the house and all its contents. Mrs. Black left the house, a two-room frame, and went to the hen house which was a short distance away. She says she was not gone from the house over five minutes when she looked back and saw it on fire. The poor mother rushed back, broke in a window and pulled out her sixteen month-old baby, but failed to secure the other child, a six weeks old infant, until it was burned to death. The children were in beds on the opposite sides of the room and although she made heroic efforts, seconded by neighbors who had by that time arrived on the scene, she was unable to get to the baby. The mother was badly burned, as were those who tried to assist her and the house with all their goods was entirely destroyed. Sympathy, too deep to be expressed, is with the young parents. The husband and father is an ex-soldier, and served overseas.

What might have been a serious accident occurred Sunday morning about 10:30 o'clock, as the two little children of Jack Williams were going home on horseback from Sunday school. A car driven by two young boys ran into their ponies and frightened them so that they threw the children with rather serious results.

R. J. Toffelmire coming along carried the little ones to a physician who cared for them, and later took them to the home of their aunt, Mrs. George Bond, where they were taken care of until their parents could be brought in from the ranch. I was at first thought that the little boy was fatally injured, but later news is to the effect that he is getting along all right. The young boys who were driving the car admitted that it was all their fault, they running too close to the little ones and losing control of their car. The accident took place on the La Huerta bridge, and witnesses say that it was a great wonder that the children were not thrown over the side of the rail into the water.

Mrs. N. D. Hiler and two young sons left Tuesday morning for Granbury, Texas, where Mrs. Hiler has a brother whom she has not seen for twelve years, and where she will visit awhile in the hopes of regaining her health which has been much impaired the last year, she suffering greatly from asthma. They have sold their property here to J. L. Penny and will retain possession of the same until the close of school. At that time they will decide on a location. Mr. Hiler and the three older children will keep house until school closes.

G. W. Shepard, the recently elected county clerk, has rented the house vacated by G. L. McAdoo, owned by Mrs. Gilson, on Halague street, and will move his family from Artesia to this place, expecting to get moved by the first of the month.

### TO THE PEOPLE OF EDDY COUNTY:

I came out of the campaign a defeated candidate, but I feel that I am much richer in having become better acquainted with the people of the County. At all times and on all occasions I was accorded due consideration, was given a hearing, and received most hospitably. This made it so much easier for me.

To all of you, I extend my thanks. To those who voted for me and assisted me, I wish to assure you that it was duly appreciated.

INEZ E. JONES.

### A CARD OF THANKS.

Although I was defeated in the race for the nomination of county clerk, at the primaries last Saturday, yet I wish to express in this public manner my thanks to all who so loyally supported me and to those who did special work for me at the polls and elsewhere. Their friendship will not be forgotten.

Sincerely,

LELIAETTA C. HANSON.

### MAY TRADE CONDITIONS OF THE WEEK

Light receipts at most terminals this week have kept markets steady to firm. Values show a hardening in most markets and have advanced from \$1 to 2 on all desirable grades. In the East, markets are steady, though offerings are a little heavier at the close, but values are maintained by a steady to active demand.
