118 CONVERTS IN BIG MEETINGS

GREAT CROWDS IN ATTENDANCE AND INTEREST INTENSE

The Lockhart-Brooks meeting in the big armory is sweeping toward the success that has attended them wherever they have gone. The crowds are getting larger at every service and the gallery of the big armory will soon be needed to accommodate the throngs that attend.

Last Sunday was a great day. There were forty-one converts during the day and thus far in past four days of invitation there have been one hundred eighteen. Evangelist Wm. J. Lockhart is growing in favor with all the people. To hear him is to want to hear him again and after two or three nights you become a regular attendant. Seldom does a town the size of the Pecos valley towns have an opportunity to secure the services of an evangelist of his type.

Mr. Brooks is a leader of such outstanding qualities that the music in the meetings are one of the most outstanding features of the campaign.

All the churches are cooperating with fine spirit of unity and those directing the campaign already feel that a great success has been scored but also express themselves that the real big things in the meeting have not yet been seen.

On Friday of this week the High School will attend in a body with their yells and their songs and will be given the right of way.

Next Sunday a big drive is being made to break last Sunday's big record in the Sunday schools. In the afternoon at three o'clock the Evangelists will direct a service for women and girls only. The subject will be, "Sweetheart, Wilt, Mother."

There being no Monday night service in the armory, the evangelists with a company of local workers will motor to Loving, our neighboring town to the south, next Monday night and put on a one night revival. Last Sunday the big outstanding service of the day was the men's meeting.

Evangelist Lockhart spoke on the subject of "The Call to the New Crusade." He said in part: "God said of old, 'If you will arm yourselves and go forth to the war, then afterward ye shall return and be guiltless before God, but if ye will not do so then ye have sinned against God and be sure your sins will find you out.' No truer statement was ever made. In that far off day men were called upon to take sides. Their refusal was sin. The men of this day are asked to align themselves on the right or the wrong side of the great issue that faces us in our modern life. Don't think young man you can sin and the biggest lie ever coined in Hell and made current among men is that a man can sin and make it pay. Sin never pays neither in this world nor the world to come. Ah, sir, you may say you do not believe the Bible, you may deny faith in God or reject the son of God but you can not deny the fact that your sins will find you out."

Every generation of American men have had their own peculiar problem to face. The first generation had to face the problems of the wilderness, the primeval forest and the North American Indian. The next generation had to decide the question as to whether the French or the English tongue should dominate this great western world. The third generation met the problem as to whether we should continue under the dominion of England or out here in this great free western world establish a new nation with new ideas and a new form of Government to preserve the rights and liberties of all the people, and so, the Revolutionary war came.

The next generation of Americans poured through the passes of the Appalachian mountains into the blue grass country of Kentucky and on out into the fertile plains of Ohio, Indiana, Illinois and the great middle west and laid the foundations for the richest and greatest empire the world has ever known. Then came the men of the sixties, my father and yours, who met the problem of whether we were to be divided as a nation or continue one and indivisible and so the Civil War came and that question was settled forever and this great outstanding free nation of the earth. The next generation turned to the great Northwest and opened up Washington, and Oregon, and California and the great west and Northwest and started the development of that section that is destined to rival even the Mississippi valley in wealth and resources.

Then came the boys of the world war and four million of them donned the uniform of this country and bravely met the issue of doing and caring and dying to carry our own ideals to the whole world.

Now we face a new day and a new problem. The big issue that is before America today is not the question of whether eventually we shall work out a new association of Nations or whether

or we shall go into the present League of Nations; not the question of economic adjustment or the right understanding between labor and capital, not the Soldier Bonus law though I am in favor of it and believe the way to raise the money is to float a new bond issue and let it be added to the legitimate world war debt. No the great big question that faces America today is none of these however vital these may be but the big issue is the old question of SIN and how we may get rid of it. America needs to be shot through and through with a great new spirit of morality and religion and called to the new crusade and awakened along plain fundamental lines of Honesty, Chastity and Sobriety.

When a man can deliberately buy his way into the United States Senate and "get by" with and be sustained by the Senate itself with a half-hearted apology for approving of him, no wonder such men as Senator Kenyon of Iowa, will gladly accept an appointment on the Federal Bench to get out of such surroundings. Yes we need a new spirit of Honesty to take possession of the Administration of our affairs from the Hall of Congress to the Justice of the peace of our townships, until men of good reputation and of honesty of purpose will not hesitate to accept a public office for fear the moment they take an official position their honesty will be called into question. We need a revival of down right honesty among our manufacturers that they will get back to the day of putting out articles of real merit instead of shoddy stuff that is put off as real, honesty among employers and honesty in labor.

We need to be called to the New Crusade of Clean chaste living and to the single standard of morality in our social life until we shall not be ashamed for the young manhood of American commonwealth to be given a medical examination. What disgraceful facts came out during the world war when men were examined and it was found that so-called we were degenerating to the point of threatening the health and perpetuity of the nation.

We need to be called to the New Crusade against anarchy and bolshevism, against that propaganda that is going on in this country to bring into reproach the Constitution of the United States. That person is an anarchist, an undesirable citizen who sells illicitly the poisonous liquor and helps to break down respect for law and the constitution. I tell you the fight against the liquor trust is not over yet, and the great issues that face America today are moral issues. And I have a rising spirit that leads me to believe that America shall meet the issue and somewhere God is raising up a leader that shall one of these days go marching into power at Washington not upon some trumped up issue for a temporary political fight but will be riding into power upon a great moral wave of indignation against sin and a great enthusiasm for clean living, Christian idealism.

The Mother's Day services, held last night were responsible for the largest attendance of the series, and to many persons, the most interesting. The auditorium had been tastefully decorated with cut flowers and the word "Mother" in large letters at the rear of the speaker's stand, stressed the subject. The minister's sermon along the line of a mother's influence, was listened to with rapt attention by the large audience, and at the close, when the invitation was given, thirty-two persons went forward to begin the bitter life, most of them of mature age. A vocal quartette consisting of Rev. Mahan, bass, A. S. McCord, tenor, Mrs. Will Purdy, alto and Mrs. Dell Lotest, soprano, sang a song that touched many hearts, breathing as it did the love and devotion of a mother, and the singer, Mr. Brooks, gave a beautiful rendering of the old number, "My Mother's Prayers Have Followed Me."

The service throughout was a most touching and tender one, and many will date their first start toward a better life to the Mother's service of May 4th in Carlsbad. The meetings will continue all next week with services tomorrow night at the armory and Monday at the armory, Sunday afternoon a Woman's Meeting at three o'clock at the armory. The other services of the day as usual.

Chautauque week this year is your opportunity to prove to out of town buyers that you are interested in them, as we will have as our guests hundreds of farmers and ranchers and their families, besides the entire talent of the Redpath Horner Chautauque, who will be with us one week from May 15th. It is up to us to show these people what we can do. Every person is urged to get behind this movement, get acquainted, and show our visitors that Carlsbad is indeed the City Beautiful, and interested in the welfare of all its patrons and visitors.

Mrs. Frances E. L. Bailey, special representative of the Volunteers of America, was in the city yesterday and left for El Paso this morning after making arrangements for a "Tag Day" in the interest of her

DEATH OF MRS. HAYES

Mrs. Lucy E. Hayes, wife of J. M. Hayes, died at her home in Rio Vista after an illness of one week, Wednesday at sunrise. She was the mother of three sons, all grown; the deceased was born in Missouri, and came to this city about three years ago, and has since made her home with us. Her age was sixty-seven years and she was the mother of three sons, grown to manhood, J. T. W. B. and Claud N., who with their father remain to mourn the loss of a man's best and most faithful friend, his mother. One sister, Mrs. Estill Moak, of Mississippi, arrived on Friday and Mrs. Hayes rallied sufficiently to have one talk with her. Mrs. Hayes illness was very brief she having been in attendance at the meeting at the armory the Tuesday prior to her death. She was particularly anxious to hear the sermon of Sunday and at her urgent request, two stenographers took it down.

Her death was peaceful, her life having been hid with Christ in God for many years, and as her pastor said, she has left behind her as a heritage for her children, the memory of a well spent life. Had she lived until the 3rd of March she and her husband would have celebrated their Golden wedding.

The funeral occurred Thursday morning from the Christian church, she being a member of that church, and always in attendance on its services. Reverend Douglas of the Methodist church read the scripture lesson and prayer was offered by Reverend Sellards. The sermon was preached by the evangelist, Rev. Lockhart, and he finished a most impassioned appeal to those present to prepare for life with its responsibilities and duties, and the vital necessity of heart preparation for the Great Beyond. A choir of friends of the deceased sang lovely songs, and closed the service by an especial favorite of their departed friend, "God Be With You, 'Till We Meet Again," after which the body in its beautiful silk plush casket, was taken to rest in the city of the dead where the benediction was pronounced. The casket was covered with fragrant flowers the gift of friends. In concluding the services the minister quoted the poem of Tennyson, which we give entire as a fitting end to the beautiful and tender services:

"Sunset and evening star, and one clear call for me;
And may there be no moaning of the Bar,
When I put out to sea."

"But such a tide as moving seems asleep—too full for sound or foam,
When that which came from out the boundless deep
Turns again, Home."

"Sunset and evening bell and after that the dark;
And may there be no sadness of farewell when I embark;
For though from out the realm of time and space,
The flood may bear me far,
I hope to meet my Pilot, face to face, when I have crossed the Bar."

The following officiated as pall bearers: J. T. Cooper, J. D. Forehand, Will Purdy, Oscar Mercer, Lester Grant and Dr. B. M. Culpepper.

CARD OF THANKS

We wish in this public manner to express our appreciation of the kindness extended to us during the sickness and death and at the burial of our loved one. No one could have had more unremitting care from physicians and nurses, from neighbors and friends, both in and out of the city, than did she. We are grateful and will try to return the kindness in every way possible, and will hold these dear people in our heart ever praying the blessing of God to be upon them. We also appreciate the kind words of sympathy and the beautiful flowers which helped us in our grief.

J. M. HAYES AND FAMILY.

NOTICE

You and each of you are hereby notified that we have completed the paving work in the City of Carlsbad according to our Contract with said City. This is to notify all persons who may have any claim or claims of any kind whatsoever against us or our sub-contractors for materials or labor furnished in the construction of the paving work for the City of Carlsbad, to file their claims immediately with the City Clerk of the City of Carlsbad. In the event such claims are not filed on or before the first day of June, A. D. 1922, said claims will be disallowed. Lee Moor Contracting Company, 204 Two Republics Life Building, El Paso, Texas.

Mr. and Mrs. Will Statment, and Mrs. Marie Walter, the latter lady from Terre Haute, Indiana, and the others from Fort Worth, Texas, came in last night and surprised the family of Chris Walter. Mrs. Statment being his sister, and the other lady his mother. They will make a visit among the families of Chris and Charles Walter and Mrs. Horace Grosz. The Statments are well known here they having frequently visited among their relatives in Carlsbad and vicinity, but this is the first visit of the mother and hopes are expressed that she may have a pleasant stay with her children.

CAVALRY NOTES

A letter received from the Adjutant General's office Monday, requests that Captain Miller select ten men to send to Gallup, New Mexico, for police duty. The town is under martial law, national guard troops from Santa Fe and Albuquerque being in charge. These men have been on duty for some time and it is necessary that they be relieved in order that they may return to their civilian duties. Only a police detachment will remain. The selected men will receive regular pay according to their rank and in addition will be paid two dollars a day bonus and all expenses. There is considerable responsibility attached to the duty and men will be chosen that can perform duty of this class.

Tomorrow night the troop will ride to the lower six mile dam for an overnight encampment. A similar trip was made to Black River last summer and proved a great success. A regular military program is carried out with guards and ceremonies.

The stable force has been busy the past week adding some excellent improvements. The long racks in the saddle room have been removed and single racks placed around the walls, leaving a large space in the center of the room. They are numbered to correspond to the horses and will be used only upon the horse assigned. This will do away with the readjusting of bridles and saddles. The members of the troop who are regular attendants at drill have assigned a horse of their own choice. They are to have sole use of the animal at drills and for riding. No trooper will be allowed to ride a horse assigned to another trooper without consent. The riding class will continue to use the same mounts, but this class will in no way conflict with the drills and rides of the troopers. If a member of the troop shall miss two consecutive drills without a reasonable excuse then his horse will be assigned to another member.

Captain Miller is wiring the stables for lights and a telephone. There will be four lights along the stalls one in each feed room and one in the saddle room. The telephone will be placed in the east end of the building, and will connect with the orderly room in the Armory.

The first shooting on the range will begin Sunday week. The indoor practice has shown some record scores and the team for this year promises to surpass the records of the last year's gunners. The range has been enlarged and an extra target added to the pit. There are rumors that a civilian team is being organized that is due to take away some of the honors.

Sergeant Claggett, the instructor from Albuquerque expects to leave next week. He is being discharged from the service. Sergeant Case of Albuquerque is expected to be assigned to Troop B.

The officers and non-commissioned officers have definitely decided that all non-active members of the troop will be immediately discharged. There is a great number living out of the city and some in the city who never attend drills. As active members are fast being recruited, it is thought best for the troop that those who are not horse men be excluded for those who realize the advantages and desire to become members of the organization.

"TAG DAY" SATURDAY FOR VOLUNTEERS OF AMERICA

Permit has been given to a representative of the Volunteers of America to hold "A Children's Drive to Help Children" in this city on Saturday as has been done in Deming, Fort Bayard, Silver City, etc. The affair will be in charge of Mrs. A. A. Kaiser and headquarters from 9 to 5 will be at the Armory.

The Volunteers of America is an organization dedicated by Maud Ballington Booth to spiritual work among prisoners and to relieving destitute families of prisoners in state penal institutions. "More than 170,000 children have been helped on to future good citizenship through our organization," said Mrs. Booth when she spoke in El Paso a few weeks ago.

Invitations to sell the tags will be sent to a number of young people and as an incentive as well as a reward for the children's efforts a number of pretty and useful prizes have been generously offered by the merchants of the city.

The first prize will be a pair of roller skates given by the Pratt-Smith Hardware Co. For the second largest amount collected the Star Pharmacy will give a Brownie Kodak. The third prize, a silver Everharp pencil, will be given by Owen-McAdoo Drug Co. The fourth a fine box of chocolates given by the Corner Drug Store. Mr. T. C. Horne will give the fifth, a bottle of perfume. For each one who collects at least \$2.50 but who does not win a prize, Mr. Lin of the Crawford Theatre will give a pass good for two movie tickets.

The tags are to be sold for whatever the purchaser is willing to give, a quarter, a dime or half dollar. No sum will be too large or none too small to help along this good work.

We weld. Don't forget it. FAIR & HALL GARAGE.

Dr. W. H. Edmels, county health officer, and Mrs. Loeffel, the county nurse, made a thorough examination of the schools Wednesday. They made two very interesting talks to the P. T. A.

A Mexican who lately escaped from the Texas state penitentiary and who later broke out of the jail at Pecos, was recognized and nearly captured by Sheriff Batton and Roy Dickson at "Rabbit Hill" Thursday morning. The officers, it seems, decided they were not heavily enough armed to bring the man into custody, so they returned to town for guns and ammunition and the man made his get away during their absence.

The Eighth grade, assisted by the Sixth and Seventh grades, will stage one of the funniest plays ever put on in Eddy county. The date is on May 11th on the night of the Loving Field day. The name of this lively little rural comedy drama is "Deacon Dubbs". The cast of characters include the following:

Deacon Dubbs from Sorghum Center, West Virginia, James Stamp, Amos Coleman, his nephew, a young lawyer, Frank Reed, Rowland Crawley a wolf in sheep's clothing, Reginald Howard.

Mayor McNutt, auctioneer and justice of the peace, John Stamp, Deuteronomy Jones, a gawky, green kid, Link Stamp.

ATTENTION LEGIONNAIRES

You are requested to meet at the Armory Sunday afternoon, May 14, to attend the funeral of Comrade Elmer Tulk, which will be held that afternoon.

HORACE HUTCHINSON,

Commander of Bryan Midcock Post No. 7, American Legion.

Chris Walter is having a fine new concrete veranda added to his residence on West Fox street, and not satisfied with outside adornment and improvement, is having the inside of the house all put in line shape, the side walls tiled and woodwork and floors finished in the latest style. The Walter family are homebodies in the best sense of the word, and are always planning to make their home more desirable and beautiful.

It is hoped that every business house in town will have ready a list of articles to be put on sale on Farmers' and Ranchers' day, May 19th, which will be the opening day of Redpath Horner Chautauque this year. This should be advertised in the next issue of the Current in order that all out of town people may be given the opportunity of seeing what we are doing.

Some people are mighty sorry they ever undertook to make the other fellow sorry.

BODY OF FLIM TULK ARRIVES FROM BATTLEFIELDS OF FRANCE.

"In life's greatest contrasts are sometimes mirrored her noblest deeds, though tragedy may be the reward," and so it was in the return of the mortal remains of the war hero, Flim Tulk, which arrived in Carlsbad on the train from the south, Wednesday night.

Turn back in thought to one of those war days when we stood amid a cheering crowd as the boys were embarking at the station. Smiles and proud tears, gay colored banners, with the "Star Spangled Banner" mingling with the hoarse shouts of the "boys" leaving for their "great adventure". And now the returning—sad, proud groups, tearful groups, and the last division—under the flag, the hero; separated from his comrades—alone. He has, paid the supreme sacrifice, "that we may not perish from the earth."

Flim Tulk, son of Mr. and Mrs. J. W. Tulk, who have been among our most respected and esteemed residents for the past twenty-five years was born in the Sacramento mountains some thirty-two years ago; he early imbibed lessons of patriotism and love for his country and her flag from his home teachings and when the call came for help to sustain that flag and protect that country, he delayed not. He enlisted in September, 1917, and was sent from Tucson, Arizona, to Camp Kearney, California, for training, leaving for France with the first of the 46th Division. He was killed in action the 9th of November, 1918 just two days before the signing of the Armistice which brought the bloody affair to an end, and crowned him as one of the heroes who gave his life for his country, in the San Michel drive.

The body in a casket draped with a large American flag, which accompanied it from France, was met at the station on its arrival by a number of citizens who had been apprised of the time of its coming, and who hastened to do honor to the dead boy. Among other citizens, were members of the American Legion who stood with uncovered heads as the body of their comrade was carried from the train and who acted as pallbearers. These were Major E. P. Hujac, Paul Mahan, Aud and Sam Lusk, Don Donald, Sam Batton, John Wells, R. M. Birchell, Lowell Warren, Ed. Wright, Horace Hutchinson and others. The body is being held at the undertakers until Sunday afternoon, May 14th, when it will be laid to rest with all military honors due a soldier of a grateful nation and people.

The flag-covered casket bears the inscription: "Flim Tulk, Private Company C, 322 Infantry, No. 162992." A wreath from the State of New Mexico accompanied the remains bearing a card on which is inscribed those words: "With sympathy and pride, New Mexico pays homage to her soldier dead." Floral tributes also were laid on the casket from Alamo Post, of American Legion, at San Antonio, Tex., the body passing through that city enroute to El Paso, from which place it was sent under escort of Sergeant Blyn, of the U. S. Army, to this city.

Plans are making for the funeral which will be in charge of the local post of the American Legion, Sunday at 2:30 o'clock, May 14th, from the Armory. Mr. Tulk, father of the dead boy, left on the return to the ranch this morning, and will bring Mrs. Tulk and other members of the family back about the middle of next week. The services at the burial will be a speech by Major Hujac and patriotic songs, and other exercises suitable to the occasion, before the body of our first returned soldier who perished on foreign fields is laid to rest in City Cemetery.

Flim Tulk has gone to join his comrades.

"On father's eternal camping grounds Their sunny tents with solenn sound 'The bivouac of the dead.'"

HAY TRADE CONDITIONS OF THE WEEK

Markets as a whole have improved considerably during the week; receipts have eased off in a number of the principal centers and this has had a tendency to clear up stocks of the lower sorts. Country roads have improved somewhat but spring work is now occupying the attention of producers. With the advent of spring and the consequent prospects of pasturage the demand for dairy hay has weakened, especially is this noticeable in western markets. Root receipts are again a determining factor in the east.—Hay Trade Journal.

VISITORS INVITED TO TROOP B CAMP.

Tomorrow at noon the Cavalry troop will leave for an overnight hike. The camp selected is at the lower six mile dam on the east side of the river. Some special camp fire stunts have been arranged for Saturday night with a string band and some moonlight dances by "Miss Fatima" as special features. Every one is invited to come down and spend the evening. Sunday, with a big dinner, is also visitors day.

Mrs. Paul Mahan left last Monday to visit her parents and other relatives and friends in Roswell.

L. A. Swigart was in the city of Lovington last week, according to the Lovington Leader, attending to sheep business.

Judge Fred E. Wilson returned the latter part of last week from a trip to the northern part of the valley where he went on legal business.

Mrs. R. C. Dow and children are visiting relatives and friends in Texas and other cities of Texas.

CARLSBAD & ROSWELL DEBATE

The second debate between the High School Teams of Roswell and Carlsbad was held at the High School Auditorium last Friday night and was well attended by members of the High School and the Citizens as well. A much larger attendance would have been present had it not been for the meeting which is holding the attention of Carlsbad people to the exclusion of everything else.

As will be remembered, this was the second debate between the two schools and as it now stands, a score of fifty-fifty is recognized the contest Friday night being decided in favor of the Roswell team. The judges were Hon. R. C. Dow, Judge J. W. Armstrong and Mrs. Clarence Bell, and the subject debated, "Resolved, That the three per cent law restricting immigrations should be maintained as the future policy of the United States."

In the proposition the Carlsbad boys, Glenwood Jackson and Virgil McCollum, defended the negative. The Roswell team consisted of Doyle Tandy and John Protheroe who are a couple of fine lads who had their subject well prepared and gave their ideas in a forceful manner. At the close of the evening, the members of the Honor Club entertained the guests from Roswell with refreshments in the Domestic Science room.

Blythe McCollum made a trip to Roswell last Friday taking up a car for one of the ladies who had been attending the Federation meeting here and who on account of the rain and bad roads, went back on the train. Blythe says that aside from sticking in the mud and digging out eight times between here and Roswell, he had no trouble in making the trip.

SCOUT NEWS

Troops 1 and 2 assembled in the rooms of the former Tuesday and listened to an address by W. H. Day, district Y. M. C. A. secretary, of El Paso. Mr. Day had for his subject "Keeping Yourself Fit" and the scouts were splendidly entertained and wonderfully benefitted. Forty scouts were in attendance and Scoutmasters Purdy and Wilmer White were special guests of the occasion.

Troop 1 is to install a radio during the summer. It is planned to secure a first class instrument and several of the boys will make special study of the matter.

Several transfers will be made from Troop 2 to Troop 1 soon and many new scouts are coming into both troops. This year will find scouting flourishing.

Scout Preston Oliver showed considerable speed and accuracy in demonstrating signal work Tuesday morning. Secretary Harold Kerley is also becoming an expert. According to reports Roswell scouts are coming to the encampment prepared to take honors. They are a game bunch and to defeat them means work.

Scout Carl Gordon, Jr., writes from Roswell for transfer. Good for Carl. Glad he is staying in the work.

Who will qualify for officers in summer camp? Better get busy, boys. Only two months in which to prepare.

A boy's band and orchestra under Professor Harp will come up from Toyah to attend camp. They have a membership of twenty-five and are giving concerts in different Texas towns. Now if the 56 piece band from El Paso comes, won't we have music?

Mrs. W. W. Galton who recently underwent an operation at Sisters Hospital has convalesced sufficiently to be removed to her home in the lower valley the latter part of this week. Mr. Galton who was in Carlsbad the first of this week, tells of a six-inch rainfall at their home.

Thomas Pickens and son, Thomas Junior, came in to town from Last Chance Wednesday and spent the day on business. They report some rain on their ranch and in that vicinity but not as much as we have had in Carlsbad. The school at Last Chance will be closed in three weeks.

M. Lewis was in town this week, awaiting the return of Mrs. Lewis from Oklahoma, where she has been visiting friends for the last month. Mrs. Lewis writes that she is anxious to return, that she is tired of the continual rain experienced since she has been in Oklahoma.

J. M. Wood of Lakewood was in town this week Wednesday.

The residence of J. F. Joyce on North Canal Street has been in the hands of the painters for several days. The large house, painted white, and surrounded by the well kept lawn and beautiful trees will make a very pleasing appearance when finished.

J. D. Hassett and wife, and little daughter, Jane, are newcomers in Carlsbad, arriving from their home at Shawnee, Oklahoma about a week ago. They come for the benefit of the health of the husband and father and have taken rooms at the Buford Polk residence on South Hala-guena street.

Only Bible school at nine-thirty will be held in the Presbyterian church Sunday. Other meetings with the day will be joint with the other churches.

Mrs. Mable Kincaid and daughter, Miss Flossie, returned Saturday night from a trip to El Paso, called there by the illness and death of their sister and aunt, Mrs. Ray Wilson.

Mrs. Will McLendon returned to her home in Clovis Saturday night. Mrs. McLendon came this far on her way to El Paso, but learning after her arrival here of the burial of her sister, Mrs. Wilson, of that city, did not go on.

Major Bujac has been on a business visit to Roswell, going up Sunday and returning Tuesday of this week.

Judge S. I. Roberts returned the first of the week from a trip to Clovis where he spent the most of last week looking after business for the firm, they having a branch house in that city.

George H. Hunker and wife were in the city the first of the week and spent a few days, guests of the Crawford while in town.

B. Y. P. U. FIFTH SUNDAY MEETING

The Fifth Sunday meeting of the Pecos Valley Baptist Young Peoples Union was held at the local church of that denomination Sunday evening, beginning at six o'clock. The meeting was in charge of Miss Virginia Higgs, of Roswell, and Miss Baber, of Artesia, secretary. The preparatory program was broken into by the bad roads, so many of the young people being detained on that account. The subject discussed was "Tithing" and some excellent talks were made along that very important subject. Mr. Stevens, the recently elected state secretary of Young People's work for the state, was present and made a fine talk, and the Carlsbad Union presented a playlet entitled "Thanksgiving Ann"—a clever skit in which Margaret Hilton was the principal character dressed to represent an old time mammy, who gave her opinions as to the necessity of tithing. The playlet was funny and at the same time conveyed a lesson. A male quartet, of the Baptist church, gave a beautiful number preaching a veritable sermon in song, and a business session concluded the meeting.

The church was crowded, all the young people's societies joining in the services. The ladies of the Baptist church broke the record in their cafeteria supper, serving eighty persons in thirty minutes.

Frank W. Ross, of Loving, has gone to El Paso to reside, having entered business in that city. Regret is general at his departure, among the citizens of Carlsbad and Loving and where he is known. Miss Ross, the sister, who has been making her home with her brother for a long time, will remain in Carlsbad.

About fifty people from Artesia were in attendance at the meeting now being held in the Armory, last Sunday. Another crowd is expected to come down the last of the week.

SPECIAL-SIX

Five-passenger, 50 horsepower, 119-inch wheelbase
Cord Tires Standard Equipment

Talk to a SPECIAL-SIX owner and note his enthusiasm. Examine the car and you will see the reason. The SPECIAL-SIX possesses the qualities that make up true motor car value.

There is power: a Studebaker-built L-head motor of 50 horsepower and wonderful flexibility.

There is economy: it has a reputation of staying out of the repair shop, as well as low cost of operation. At \$1475 f. o. b. factory, the SPECIAL-SIX is unapproached in value by any car of comparable quality.

There is comfort: genuine leather upholstered cushions, nine inches deep, and long semi-elliptic springs, front and rear. Leg room,

Locked tool compartment in left front door

without cramping, for five passengers.

There is beauty: a Studebaker-built body of harmonious lines and lustrous finish.

There are refinements: jeweled eight-day clock; one-piece, rain-proof windshield with windshield wiper; tonneau light with extension cord; transmission lock which reduces theft insurance rate to the owner 15 to 20 per cent; one key operates the thief-proof lock on transmission, ignition switch and tool compartment in left front door.

And there is Studebaker's reputation for fair dealing and seventy years' experience in building vehicles of honest quality.

Indigestion

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

for indigestion and stomach trouble of any kind. I have never found anything that touches the spot, like Black-Draught. I take it in broken doses after meals. For a long time I tried pills, which gripped and didn't give the good results. Black-Draught liver medicine is easy to take, easy to keep, inexpensive."

PARTICULARS OF THE DEATH OF A FORMER CARLSBAD GIRL

A letter from Mrs. Margaret Gossett, at Vancouver, Washington, gives the particulars of the death of her daughter, Mrs. William Hill, and has requested that we publish the same, as she has seen notice of her decease. The Current gladly gives space to the poor mother's request, the letter stating that she had been very ill since the passing of her daughter. The notice follows:

"Ruth Beatrice Gossett was born May 22nd, 1898, and died December 18th, 1921. Her childhood and young womanhood was spent in Carlsbad, and she attended our schools up to the time of her marriage to Hildredth Boyd. To them was born one child, little Juanita. They moved to Douglas, Arizona, and while there Ruth took training and became a Red Cross nurse in the Base Hospital. Her second marriage was to Sergeant J. W. Hill, and to them was born one little son, Billy Junior, who is now in the care of his grandmother."

"She leaves to mourn her loss her parents, Mr. and Mrs. Warren Gossett, one sister, Mrs. Ott, of Dayton, Ohio, her husband, and two children."

"The remains were held until the arrival of her mother who was in Ohio at the time of her daughter's death, and services were held from the Presidio, the post chaplain being in charge with burial in the Post Cemetery, December 22nd, 1921."

TO ALL MEMBERS OF TROOP "B" 111TH CAVALRY, N. M. N. G.

You will hold yourself in readiness and be on the alert to report at the Armory for active service in the field in case of call.

LESSON FOR MAY 7

ISAIAH'S REMEDY FOR A WORLD AT STRIFE

GOLDEN TEXT.—Isa. 2:4, 11-3.
LORD'S TEXT.—Come ye, and let us walk in the light of the Lord.—Isa. 2:5.
REFERENCE MATERIAL.—Pa. 46; Mic. 4:1-4; Phil. 4:3, 9; Gal. 5:22, 23.
PRIMARY TOPIC.—How to Be a Peacemaker.

JUNIOR TOPIC.—Swords Beaten into Plowshares.

INTERMEDIATE AND SENIOR TOPIC.—How to Make Peace and Keep It.
YOUNG PEOPLE AND ADULT TOPIC.—Conditions of Permanent Peace.

Isaiah does not set forth merely an ideal for a world at strife, but foretells what shall actually take place in the latter days, which shall put an end to all earth's strife. In these Scripture texts he reveals the fact that Jesus Christ shall come and establish His kingdom and remove from men's hearts the cause for strife.

I. The Kingdom Established (Isa. 2:2-4).

By "mountain" in the Scriptures is meant "kingdom" (Dan. 2:35; Rev. 13:1; 17:9-11).

1. Its position (v. 2). It shall be in a place of supremacy. It stands at the head of all kingdoms. In fact the kingdoms of this world shall then become the kingdom of Christ (Rev. 11:15).

2. The restored nation the teacher of the Gentiles (v. 3). God called Israel that He might make His name known among other nations. Now after many centuries of apostasy and rebellion the chosen nation comes into its own. God's favor will be so outstanding as to gain the attention of the whole world and cause the people to come up to Jerusalem to hear the law of God.

3. The divine judge (v. 4). The problems of the nations of the world shall be adjudicated by One who is all-wise, and He shall rebuke many people. Because of this rebuke they shall convert their implements of war into implements of husbandry and they shall learn war no more.

II. The King (Isa. 11:1-5).

1. His lineage (v. 1). He is of royal stock, of the house of David. From the fact that the "branch" grows out of David's roots, it is shown that Messiah shall come when the fortunes of the nation are very low.

2. His qualifications (vv. 2-3a). The Holy Spirit shall rest upon Him in His completeness, qualifying Him for His work. "Wisdom and understanding refer mainly to the clearness of intellectual and moral insight; counsel and might to the qualities which give sound practical direction and vigor to follow and carry through the decisions of practical wisdom; while the knowledge and the fear of the Lord define relation by its two parts of acquaintance with God founded on love and reverential awe which prompts to obedience." He shall have quick understanding in the fear of the Lord and His delight shall be to do God's will. This has fulfillment in Jesus Christ in whom are hid all the treasures of wisdom and knowledge (Col. 2:3).

3. The character of His reign (vv. 3b-5). (1) "Not judge after the sight of his eyes." His knowledge is perfect; his judgment pierces through the problems, even seeing the motive which lies back of the act. (2) "Not reprove after the hearing of the ear." The word "reprove" means "decide." His decisions, therefore, will be on the basis of fact, not on hearsay. He cannot be deceived nor imposed upon. He knows all things, even from the beginning. (3) "With righteousness shall judge the poor." He will mete out impartial justice to them. Many times now the poor suffer because the wealthy are able to bribe the judge, but when Christ shall reign as King the poor shall get justice. The poor shall not suffer in justice because he is poor nor escape justice because he is poor. (4) "Shall reprove with equity for the meek." "Reprove" here doubtless means "decide." In fact the meek shall inherit the earth (Matt. 5:5). (5) "Shall smite the earth with the rod of his mouth." By the "earth" is meant here the wicked inhabitants. When Messiah comes to reign there will be great wickedness in the earth (see Psalm 2:9-12; Luke 18:8). (6) He shall be girded with righteousness and faithfulness (v. 5). He is absolutely righteous and will faithfully carry out all His words.

III. Description of Christ's Reign (vv. 6-9).

There will prevail universal peace between men and animals. In this description each animal is coupled with that upon which it naturally preys.

Daily Thought.

It is common for those that are farthest from God to boast themselves most of their being near to the church.—Henry.

Every Man.

The brave man carves out his fortune, and every man is the son of his own works.—Cervantes.

On Things Above.

Set your affections on things above, not on things of this earth.—Colossians 3:2.

NOTICE OF SALE UNDER WRIT OF EXECUTION

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE STATE OF NEW MEXICO WITHIN AND FOR EDDY COUNTY.

Lederle Antitoxin Laboratories of New York City, plaintiff,

vs.

R. E. Dick, defendant.

NO. 3208

THE STATE OF NEW MEXICO TO ALL PERSONS WHOM THIS NOTICE MAY CONCERN

Notice is hereby given that in the above styled, numbered and entitled cause a judgment was rendered on March 13, 1922, in favor of the plaintiff, Lederle Antitoxin Laboratories of New York City, and against the defendant R. E. Dick, for the sum of Four Hundred Seventy-Four and Eighty-three Hundredths (\$474.83) Dollars on an account for goods, wares and merchandise sold and delivered to said defendant by said plaintiff at the special instance and request of said defendant and which said sum of money said defendant promised and agreed to pay said plaintiff. That the amount that will be due on said judgment at the date of sale, to-wit: on the 13th day of May, 1922, will be Four Hundred Seventy-seven and Twenty Hundredths (\$477.20) Dollars plus the costs of this suit and costs of sale. That the undersigned sheriff of Eddy County, State of New Mexico, pursuant to a writ of execution directed to him under date of April 11, 1922, out of the above named court, did seize and levy upon property of the defendant, R. E. Dick, as follows, to-wit: the NE¼ of Section 32, Township 22 South, Range 27 East, N. M. P. M., in Eddy County, State of New Mexico.

Notice is further hereby given that on May 13, 1922, at ten o'clock, A. M., at the South front door of the county Court House (old building) in Carlsbad, Eddy County, New Mexico, I will offer for sale and sell at public auction said property or so much thereof as may be necessary to satisfy said judgment and the costs of suit connected therewith.

The terms of said sale are to be cash to the highest bidder, subject to appraisement.

Said sale will be made subject to the lien of a certain mortgage deed made, executed and delivered by Robert E. Dick, the defendant herein, and his wife, Mary L. Dick, on January 11, 1921, to Howard C. Kerr on said land, real estate and premises to secure the payment of the principal sum of \$300.00 evidenced by one promissory note of even date with said mortgage deed. Said mortgage deed was filed for record on January 11, 1921, and recorded in Book 20 of Mortgage Records of Eddy County, State of New Mexico, in the office of County

Clerk and Ex-officio Recorder of Eddy County, State of New Mexico, on page 260.

Said sale will be made subject also to the lien of a certain warranty deed dated December 13, 1921, and filed for record on January 4, 1922, at 10 o'clock, A. M., and recorded in Book 49 of warranty deed records of Eddy County, State of New Mexico, in the office of County Clerk and Ex-officio Recorder of Eddy County, State of New Mexico, on page 321, said warranty deed having been made, executed and delivered by Robert E. Dick, the defendant herein, and Mary L. Dick, his wife, to Cesarine A. Kerr, purporting to grant, bargain, sell, remise, convey, release and confirm said land real estate and premises unto the said Cesarine A. Kerr but which was intended by the said Robert E. Dick, Mary L. Dick and Cesarine A. Kerr to operate as a mortgage to secure the payment of the sums of money due on and according to the terms of the hereinabove

described promissory note to secure which the said mortgage deed was made executed and delivered to Howard C. Kerr the husband of the said Cesarine A. Kerr the grantee in said warranty deed.

Witness my hand and seal of office on this 11th day of April 1922.

BIRTHDAY PARTY IN LOS ANGELES
Little Bernice Pender, niece and namesake of Mrs. W. E. Smith, celebrated her ninth birthday with a party last Saturday. Sixteen of her little girl friends gathered at her home 900 E 25th St. Los Angeles, California, and played games, told stories and romped on the spacious lawn. Finally they enjoyed ice cream, candy and the prettily decorated pink birthday cake. The house looked beautiful with bouquets of bright spring flowers. The table was decorated in pink and white, the color scheme being further carried out in the refreshments.

After several piano selections by some of the girls, kodak pictures were taken to be given as souvenirs of the happy occasion.

Mrs. Pender, who is a former Carlsbad girl and sister of Mrs. Smith, was assisted by Mrs. J. J. Kircher also of this city. Evelyn

THE FEDERAL LAND BANK
WICHITA

April 29, 1922.

Mr. Scott Etter,
Secretary-Treasurer,
Carlsbad, New Mexico.
Dear Mr. Etter:

Answering your letter of the 24th, our Engineer Appraiser who recently surveyed the Carlsbad district has not as yet filed with us his report, but in conversation with him I am advised that the report will be favorable to making loans in that District, subject of course, to Government Reclamation Project lien which will of necessity reduce the amount that could be loaned per acre. As to what that amount shall be is a matter that we cannot determine in advance.

As you are aware the maximum valuation that we put upon any lands within the Ninth District for loan purposes is \$200, which means that the maximum loan per acre on any lands within our District is \$11. That amount will be reduced by the Government lien on any particular lands that are offered to us, provided the lands would otherwise be entitled to \$100 per acre. Of course any lesser loan value will be reduced in the same proportion.

You are privileged, therefore, to begin now to submit applications on irrigated lands, and I am requesting that all the forms necessary for your use be sent you.

We are always anxious here that no false hopes be raised with any applicant. Until, therefore, your first applications have been submitted, have been reviewed and the amounts approved finally determined upon, it will be manifestly impossible for us to state even approximately in advance the amounts that can be loaned in your district.

We will do for you, however, all that we can under the law with the securities offered.

Truly and respectfully yours,
(Signed) MILAS LASATER,
President.

This is a happy culmination of a fight that Scott Etter has been making for the farmers of the Carlsbad Project for more than five years, and the benefits of getting long time loans at a low rate of interest will be of untold benefit to them and the entire community.

Mr. Etter is just finishing paying out about \$60,000 to borrowers around Carlsbad outside the Project and this money is now in circulation in this community.

Moore Kircher and sister Mary Kathryn and Edith Lee Moore were among those present who are known to us.

The Current is pleased to announce that Barney Hopkins, who received a severe injury to one of his legs, while roping a goat at the recent goat roping in this city, is improving and will soon be able to be about again although it will of necessity be a long while before he can do any more goat roping.

Forty boys belonging to the different troops of Boy Scouts were present at the Scout club rooms in the government building Tuesday night and listened to a talk from W. H. Day, a visitor in the city. Mr. Day is Y. M. C. A. secretary for the district composed of Arizona, New Mexico and West Texas, and had been at Roswell in connection with the installing of a Y. M. C. A. at that point. The lecture was on the subject of keeping oneself fit and was enjoyed by the Scouts and their visitors very much.

Right Reverend Bishop Howden of the Episcopal Diocese to which Grace church belongs, held services at that church last Sunday morning. The little church was comfortably filled with communicants and friends, the Holy Communion being celebrated after the sermon. Special music was rendered by the choir. The Bishop left in the afternoon for Artesia in company with Reverend Eller, and held services there and confirmed a class, leaving there for his home at Albuquerque.

A special communication of Eddy Lodge No. 21, A. F. & A. M., has been called for 7:30 o'clock this evening for the purpose of conferring the Master Mason degree. Refreshments will be served at the close of the meeting. Visiting brethren will be welcomed.

DEATH OF MRS. MARY E. SCAIFE

The death of Mrs. Mary E. Scaife, mother of Mrs. L. E. Ervin of this city, occurred at the home of the latter on North Canyon Street, April 29th, at 12:10 A. M., after an illness of several weeks from pneumonia and complications. With Mrs. Scaife at the time of her death were her immediate relatives, her daughter, Mrs. Ervin, two sons, Holly Hester and Fletcher Scaife, and her granddaughter Mrs. Howard Lee Moore. Her age was 67 years 7 months and 28 days.

Mrs. Scaife was well known to most of our citizens, making her home here at one time but for the last few years she resided at Sierra Blanco, Texas. When she took sick Mrs. Ervin was called there and remained with her mother until she was able to be brought to this city, where for a time she seemed to improve but afterwards failed very rapidly until the end. All that loving and devoted children could do was one to prolong her life but all in vain and death relieved her of her suffering as stated.

Mrs. Scaife was a woman of charity, devoted to her children and friends and during her residence among us made friends of all with whom she came in contact, by her motherliness to all who needed her kindly ministrations. A true Christian has gone to her reward and her children and friends, while they mourn, are not like those who mourn without hope for in the Sweet By and By they will all meet again.

The funeral services were conducted by Rev. T. C. Mahan, of the Baptist church, Mrs. Scaife having been a faithful member of that church for years; and the body with its wealth of flowers, was tenderly borne to the City Cemetery, Tuesday morning, where it was laid away.

The pall bearers were Messrs. J. E. Laverty, Frank H. Richards, M. C. Stewart, John Lowenbruck, Robert Hamblen and Clarence Bell.

The week of May 1st to 6th has been designated as Postal improvement week, by the heads of the Postal Department, and it is the intention of the local Post Office to attempt to maintain the degree of efficiency obtained during that time.

ORDINANCE NO. 172.
AN ORDINANCE PROVIDING FOR THE ISSUANCE OF PAYING BONDS BY THE CITY OF CARLSBAD, NEW MEXICO, TO BE EXCHANGED FOR A LIKE AMOUNT OF ASSIGNABLE CERTIFICATES WHICH HAVE BEEN OR WILL BE ISSUED TO THE CONTRACTOR CONSTRUCTING STREET AND ALLEY IMPROVEMENT IN SAID CITY.

WHEREAS, the City of Carlsbad, in the County of Eddy, and State of New Mexico, has heretofore taken proceedings for the paving and improving of certain streets and alleys in said city, all in accordance with the statutes providing therefor;

AND WHEREAS, in response to the notice to contractors to submit bids for the furnishing of materials and the performance of work necessary for the construction of said improvements, a proposition was submitted to the City by Lee Moor Contracting Company, 204 Two Republics Life Building, El Paso, Texas, under which the said company agreed to accept six per centum bonds in convenient denominations at par, on the prices named in their proposal for furnishing material and performing the work, PROVIDED, that the City would agree to make all collections of principal and interest on all the assignable certificates issued, and to pay such principal and interest to such bank as might be designated by said company on the day and date due; and

WHEREAS, upon due and careful consideration of said proposition, the City Council of the City of Carlsbad, New Mexico, found and determined that it would be greatly to the profit and advantage of the City, and to the property owners to be assessed for said improvements to accept the said proposition for the reasons that the said improvements would be constructed at a smaller cost to the property owners, that the said property owners would have a definite time and place for the payment of their assessments and the installments thereof, that such a plan would provide for one central collecting and disbursing agency, and that the city and the said property owners thereof would receive more for marketable bonds issued in convenient denominations than for assignable certificates issued in odd denominations; and

WHEREAS, on the 26th day of October, A. D. 1921, the City by resolution accepted the proposal of the said Lee Moor Contracting Company of El Paso, Texas, and on the 16th day of November, A. D. 1921, entered into a contract with said company for the construction of said improvements in compliance with their proposal and the considerations therein and herein mentioned.

NOW THEREFORE, in consideration of all the matters and things herein mentioned and heretofore done and performed

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CARLSBAD, NEW MEXICO:

Section 1. That all of the proceedings heretofore had, taken, done or performed in connection with the street improvements described and ordered by Ordinance No. 164, passed October 11th, 1921, be and the same are hereby in all respects ratified, approved and confirmed.

Section 2. That the City of Carlsbad be and it is hereby authorized and empowered to receive, collect and enforce the payment of all the assessments made for the said improvements and all installments thereof and all interest thereon, in the same manner and at the same time or times as the owner or owners of the assignable certificates issued to pay the cost of said improvements might receive, collect or enforce the said payments, and to pay and disburse such payments, the installments and interest thereon, to any person or persons lawfully entitled thereto.

Section 3. That the Clerk of the City of Carlsbad be and he is hereby authorized and empowered and it shall be his duty to receive and collect all assessments levied to pay the costs of said improvements, the installments thereof and the interest thereon, at the time and in the manner heretofore specified, and to pay and disburse such payments to the person or persons lawfully entitled to receive the same in accordance with the laws of the State of New Mexico and all ordinances and resolutions of said City heretofore and hereby adopted. All monies received shall be placed in a separate fund to be designated "Paving Fund", and shall be used for the purpose of paying the principal and the interest on the paving bonds hereinafter mentioned, and for no other purpose whatsoever.

Section 4. That if the owner of any parcel of land

assessed for the said improvements shall be delinquent in the payment of any assessment, installment or interest due, it shall be the duty of the City Clerk to notify such owner in writing that such delinquency exists, and that, if the amount due is not paid within thirty days after the date of the said notice, the matter will be referred to the City Attorney for collection and foreclosure.

Section 5. If the payment or payments due as specified in the next preceding section is or are not paid within the stated time, it shall be the duty of the City Clerk to refer the matter to the City Attorney, whose immediate duty it shall be to enforce and collect the amount due, together with all costs and penalties, by foreclosure, or in any manner which is now or which may be provided by law.

Section 6. If any property shall be offered for sale for the non-payment of any assessment, installment thereof, or interest thereon, and no person or persons shall bid for said property, then the City of Carlsbad shall have the power, and it shall be its duty to bid for said property and to take and receive in its corporate name any certificates or deeds to the said property, and to sell or dispose of said property for the benefit of the owner or owners of the paving bonds hereinafter specified.

Section 7. That the City of Carlsbad be and is hereby authorized and empowered to issue in the name of the City, paying bonds payable on or before ten (10) years and six (6) months from the date thereof, the principal and interest of which shall be paid solely and exclusively from the revenues derived from the assessments made for the improvements herein specified. The said paying bonds shall bear interest at the rate of six (6) per cent per annum, from the date hereof, the first payment of interest to be due on the first day of November, A. D. 1922, and semi-annually thereafter, and at maturity, and shall be in the denominations of Five Hundred (\$500.00) Dollars each, and the principal thereof and the interest thereon shall be payable in lawful money of the United States of America, with New York exchange, at the office of the City Clerk, or the City of Carlsbad, New Mexico. Said bonds shall be signed by the Mayor of the City of Carlsbad, shall be countersigned by the City Treasurer, sealed with the seal of the City and attested by the City Clerk. The said bonds shall have attached thereto twenty-one (21) coupons evidencing the semi-annual interest thereon, which coupons shall be signed by the facsimile signature of the City Clerk and when so executed shall represent the semi-annual interest on the bonds to which they are attached.

Section 8. The said paying bonds and the coupons to be attached thereto shall be in substantially the following form, to-wit:

(Form of Bond)
UNITED STATES OF AMERICA
STATE OF NEW MEXICO
CITY OF CARLSBAD
PAVING BOND

No. _____ \$500.00
The City of Carlsbad in the County of Eddy and State of New Mexico for value received, hereby promises to pay to the bearer hereof the sum of Five Hundred (\$500.00) Dollars on the first day of May, A. D. 1932, with interest thereon from the first day of May A. D. 1922 until paid at the rate of six per centum per annum payable semi-annually on the first days of November and May in each year; both principal and interest being payable in lawful money of the United States of America, with New York exchange, at the office of the City Clerk of the City of Carlsbad, New Mexico, upon presentation and surrender of this bond or of the annexed coupons, as they severally become due.

The said City reserves the option to redeem this bond at any time before maturity, after thirty (30) days' notice, by paying therefor its par value and accrued interest.

This bond is issued in exchange for a like amount of assignable certificates representing the cost of paving and improving certain streets and alleys in said city, in full conformity with the constitution and laws of the State of New Mexico and the ordinances and resolutions of said City duly adopted and approved prior to the issue hereof.

This bond is payable solely out of a special fund designated the Carlsbad "Paving Fund", containing the receipts derived by the City from special assessments levied to pay for said improvements. And it is hereby certified and recited that for the payment of this bond the city of Carlsbad

assumes no obligation whatsoever, except for the creation of said Paving Fund, the collection and enforcement of all special assessments levied to pay for said improvements, and the deposit in said fund of all receipts derived from said special assessments, and the payment of this bond out of which receipts in the manner provided by the ordinance under which this bond is issued. And it is further certified and recited that all requirements of law have been fully complied with by the officers of said city in the issue of this bond and the assignable certificates for which it was exchanged, and all proceedings and things with reference to making said improvements, to the fixing of the assessment lien against the property improved, and the personal liability against the owner thereof, have been lawfully taken and performed, and that for the payment of this bond and the interest thereon, the city possesses all of its lawful corporate powers.

IN TESTIMONY WHEREOF, the City of Carlsbad has caused its corporate seal to be hereto attached, and this bond to be subscribed by the Mayor, attested by its City Clerk and countersigned by its City Treasurer, and the interest coupons hereto attached to be signed by the facsimile signature of the City Clerk, as of this _____ day of _____ A. D. 19____.

ATTEST: _____ City Clerk. _____ Mayor.

COUNTERSIGNED: _____ City Treasurer. (Form of Coupon)

No. _____ \$ _____
On the _____ day of _____, A. D. 19____, the City of Carlsbad, New Mexico, will pay the bearer Fifteen Dollars in lawful money of the United States, with New York exchange, at the office of the City Clerk, out of the Carlsbad Paving Fund, and not otherwise, being six (6) months interest on its Paving Bond dated May 1, 1922, issued for the purpose of paying the cost of paving and improving certain streets and alleys in said City, provided, that the bond to which this coupon is attached shall not have been heretofore paid in accordance with the terms thereof, attached to Bond No. _____ (Facsimile Signature) _____ City Clerk.

Section 9. That when the said paying bonds are prepared and executed, they shall be exchanged for a like amount of assignable certificates which have been or will be issued to the contractor constructing said improvements, and the said paying bonds and the interest thereon shall be paid and discharged in the manner and at the times specified herein. The assignable certificates received in exchange for said paying bonds shall be retained by the City Clerk for the purpose of endorsing payments thereon; and when said assignable certificates have been paid in full, the proper officers of said City shall discharge and release the lien and liability created by the issuance of said assignable certificates.

Section 10. The said paying bonds shall be paid and discharged in numerical order, commencing with Number One, and when the City Clerk has funds on hand in said Paving Fund sufficient to pay the principal of any of said paying bonds, he shall notify the Hanchett Bond Company, 39 South La Salle Street, Chicago, Illinois, by written notice through the United States mails, postage prepaid, designating the bonds to be paid, and thirty days after said notice is given, the interest on said paying bonds shall cease.

Section 11. All ordinances or resolutions or parts thereof, in conflict with the provisions of this ordinance, are hereby repealed. After said paying bonds are issued this ordinance shall be and remain irrevocable until said bonds and the interest thereon shall be fully paid, satisfied and discharged as herein provided.

Section 12. This ordinance is hereby declared to be an emergency measure on the ground of urgent public need, and therefore, immediately upon its final passage, shall be recorded in the book of ordinances of said city kept for that purpose authenticated by the Mayor, and the City Clerk and shall be published in the Carlsbad Current, the official newspaper of said City, and shall be in full force and effect five days after such publication.

Passed, adopted, signed and approved, this 1st day of May, A. D. 1922.

PREACHER AND OTHERS GO INTO TRANCES AT REVIVAL AT ARTESIA

Artesia, N. M., April 30.—Scores of people have been unable to gain admittance into the building where Rev. Bates of Portales, and Rev. Perkins of Mountainair are conducting a revival meeting. Rev. Bates uses the preaching and Rev. Perkins leads in the song services. These men are assisted by many persons of the same faith, from Portales and Artesia. The denomination is known as the Assembly of God, or the Pentecostal church. They advocate divine healing, baptism of the holy spirit, and speak in a supernatural tongue. The Glover building would not accommodate the great crowds who desired admittance. The Richards building, with a seating capacity of several hundred has been secured. It is also crowded every night.

The preacher and others of this belief go into trances at each service. They talk in an unknown tongue, which they claim is a supernatural from God. While under this power, they will often dance about the building for long periods of time. Some of the members will go into trances and lay for hours without moving. These peculiar actions create much curiosity from the citizens of the town. Local persons are being converted to this form of religion. The meeting has been conducted for three weeks.

If you have any criticism, or wish accommodations within the range of postal regulations, telephone number 276, or call in person, and you will be given every courteous consideration. We are in the Postal Department to give you service.

Anyway, life is just one thing after another that we can't have.

The song is somewhat out of date — the principle is the same. Here is the connection:

The Chamber of Commerce is working on a big plan to bring new people into Carlsbad and the Project. They will come, we are sure of that.

BUT — where are they going to live — from whom will they rent or buy homes? Carlsbad is up against a serious shortage of homes both for new citizens and for our home people.

Who is going to put them up? Right now is the time and LET'S GO!

Sylvester Bell and his sister, Bonnie, came down from Roswell Friday afternoon of last week and remained here the guests of friends until Monday night, before leaving for their home.

W. C. Bates got in Saturday afternoon from Kansas City, where he had been for several days, accompanying a shipment of cattle.

A chronic critic seldom hears anything but criticism of himself.

Mrs. Gaby Darden, of El Paso, who had been in Carlsbad for a visit with her sister, Miss Willie Lovett, for about ten days, left for her home in the Pass City, Monday. She had been detained here because of the heavy rains and the consequent washouts along the line between here and Pecos.

Miss Porter has taken a position with the Will Purdy Furniture store as bookkeeper, and has already begun her work, coming from her home in Roswell.

R. B. Knowles and son were in the city the first of the month on a business visit from their home near Artesia.

Mrs. Sam and Mrs. M. L. Davis left Sunday night in response to a telegram announcing the probable fatal illness of their sister, Mrs. Whitney, at Colorado Springs, Colorado. Mrs. Whitney has frequently visited in Carlsbad at the home of her sisters, Mesdames Sam and M. L. Davis, and of her brother, C. O. Mercer. She is a lovely Christian woman and made many friends in Carlsbad.

Will Miller, who has been at work for the Carlsbad Light & Power Co. for some months as electrician, has resigned his position with that company and has accepted a position with the Carlsbad Auto Company as head salesman, beginning his duties as such the fifteenth of this month.

Mrs. Clarence Bell is expecting to leave for California, accompanied by her little daughter, Gertrude, and will visit relatives there until the school which her two sons are attending at Alta Loma, closes for the summer. The boys, Fancher and Luther, will accompany their mother home.

The baby son of Mr. and Mrs. Tom Reeves died a couple of hours after its birth last Saturday, at the Fredericks hospital in this city.

F. E. BECKWITH PASSES AWAY

After an illness of several weeks Mr. F. E. Beckwith passed away at the county hospital at Carlsbad, N. M., April 25, 1922. His illness and death were due to cancer of the stomach, which caused intense suffering during the last few weeks of his life. Mr. Beckwith lacked but a few months of reaching his sixty-fourth birthday. For the past fourteen years he was a citizen of Lovington and vicinity. About nine years ago he bought the Lovington Telephone exchange which he controlled until the organization of the Public Utilities Company. He was made manager of this company and continued in this capacity until his death. Under his management and control Lovington has from the first had the best telephone and electric light service known among the inland towns of the west, which is easily saying the best of any inland town in the country. It was his plan to give good service regardless of circumstances. Under his management also Lovington has had ice manufactured at home.

Mr. Beckwith was a man of quiet unassuming bearing, hard working and uncomplaining. It would be hard to estimate the value of his labors in the development of the physical growth of Lovington. He had refused to give up under the trying circumstances of the years when his work was a losing proposition financially, and it is because of this refusal on the part of Mr. Beckwith and those associated with him that Lovington still enjoys the advantages not known in other inland communities.

There remain to mourn the loss of this brother, four sisters, Mrs. G. A. Gilmore, Cleveland, Ohio; Mrs. C. L. Ault, Windsor, Ohio; Mrs. Jennie Terrell, West Dover, Ohio; and Mrs. Cassie Dobinson, Lachine, Canada. To these bereaved ones we offer our heart felt sympathy.—Contributed.—Lovington Leader.

MEXICAN METHODIST CHURCH

DORSEY MEWBORN, Pastor. The following services are planned for Sunday and week following:
2 P. M. Sunday Bible School.
6 P. M. Service of Prayer.
7 P. M. Tuesday and Thursday Night Schools.
6:30 P. M. Saturday, Boy Scouts.
All are invited to these services. Let's all work for the Revival. Carlsbad will be different after this meeting—Carlsbad will be better.

Judge Wallace of the upper valley spent part of the week in Carlsbad. The judge says matters are rather quiet around Dayton.

C. A. Billings, who has been in the city since early last fall, coming here from Texas and stopping with Mrs. Will Matheson at her home on Main street, has taken a turn for the worse and has been having hemorrhages. His mother, in Dallas, has been apprised of his condition and may arrive in the next few days.

Hollis G. Watson, of Hope, was in town Monday and Tuesday attending the meeting of the county commissioners.

Mr. and Mrs. L. L. Duncan and young son, came in from their home at Cyril, Oklahoma, and will be residents of Carlsbad for the summer, if the lad's health will allow. They have taken rooms at the Anderson house and are already feeling at home among us.

Judge Jackson of Artesia spent Saturday in the beautiful, on legal business.

Section 3. That said assessments shall be due and payable at the office of the City Clerk within thirty days after this ordinance becomes effective, without demand; provided, that all such assessments may, at the election of the owner, be paid in installments, with interest, as hereinafter provided. Failure to pay the whole assessment within said period of thirty (30) days shall be conclusively considered, and held an election on the part of all persons interested, whether under disability or otherwise, to pay such installments. In case of such election to pay in installments, the assessments shall be payable at the office of the City Clerk in ten (10) equal installments of principal, the first of which installments of principal shall be due and payable on or before the 1st day of May, A. D. 1923, and the remainder of said installments shall be due and payable successively on the same day in each year thereafter until paid in full, with interest in all cases on the unpaid principal of each of said installments until the maturity thereof, at the rate of six (6) per centum per annum, the first payment of interest being due and payable on the 1st day of November, A. D. 1922, and the remaining payments of interest being due and payable semi-annually thereafter until fully paid, all payments to be made at the office of the City Clerk. Failure to pay any installment whether of principal or interest, when due, shall cause the whole of the unpaid principal to become due and payable immediately and the whole amount of the unpaid principal and accrued interest shall thereafter draw interest at the rate of one per centum per month or fraction of a month, until the day of sale, but at any time prior to the day of sale, the owner may put the amount of all unpaid installments, with interest at one per centum per month or fraction of a month, and all the penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any installment or payment, may, at any time, pay the

whole of the unpaid principal, with interest accruing to the maturity of the next installment of interest or principal. Payments of the whole assessment may be made to the City Clerk at any time within thirty days after this ordinance becomes effective, and an allowance of fifteen per centum will be made on all such payments during such period only.

Section 4. The amounts assessed as aforesaid shall be a lien upon said lots or parcels of land, and a personal liability of the owner or owners thereof, from the time of such assessments. It shall be the duty of the City Clerk within thirty days hereafter to make out, sign, attest with the seal of the City, and file for record in the office of the County Clerk of Eddy County a claim of lien for the amount due and assessed against each lot or parcel of land, as above specified and all purchasers, mortgagees and incumbrancers of said lots and parcels of land shall take the same subject to such lien, and such lien, when delinquent, shall have the effect of a mortgage, and may be foreclosed in the manner now provided by statute or as may be hereafter provided for the foreclosure of mortgages on real estate. When said assessments and the installments thereof and the interest thereon have been paid in full, it shall be the duty of the said City Clerk to release the said lien and liability.

Section 5. To evidence the liability of the said owners and their property for payment of the assessments herein specified, the City Council shall have power, and it shall be its duty, to issue or cause to be issued to Lee Moor Contracting Company, 204 Two Republics Life Building, El Paso, Texas, or its assigns, in the name of the City, assignable certificates declaring such liability, accurately describing the property covered by each assessment and naming the owner of said property. The said assignable certificates shall be payable in ten equal installments, the first being due and payable on or before the first day of May, A. D. 1923, and one being due and payable each year thereafter until all of said installments are fully paid. The said certificates shall bear interest at the rate of six per centum per annum, payable on the 1st day of November, and on the 1st day of May in each year. Said assignable certificates shall be signed by the Mayor of said City, countersigned by the City Treasurer, sealed with the seal of the City and attested by the City Clerk.

Section 6. The said assignable certificates shall be in substantially the following form, to-wit:

(Form of Certificate)
UNITED STATES OF AMERICA
STATE OF NEW MEXICO
CITY OF CARLSBAD

SPECIAL ASSESSMENT ASSIGNABLE CERTIFICATE

No. _____ \$ _____

THIS IS TO CERTIFY, that by virtue of an ordinance of the City of Carlsbad, in the County of Eddy and State of New Mexico, numbered _____ adopted and approved on the _____ day of _____, A. D. 1922, there was levied a special assessment in the sum of _____ dollars (\$ _____), against the following described property in said City, to-wit:

_____ which property has a frontage of _____ feet on the _____ side of _____ Street in said City, and that said assessment was also made a personal liability of _____ the owner of said property.

That said assessment is payable to the Lee Moor Contracting Company, 204 Two Republics Life Building, El Paso, Texas, or its assigns, in ten equal installments, the first installment of which shall be due and payable on the 1st day of May, A. D. 1923, and the successive installments being due and payable on the same day each year thereafter, together with interest on the unpaid amounts from the date of this certificate, at the rate of six per centum per annum, payable semi-annually on the 1st day of May and the 1st day of November in each year, both principal and interest being payable at the office of the City Clerk of the City of Carlsbad, New Mexico.

The said owner, or his executors, administrators or assigns, shall have the right, within thirty days after the date hereof, to pay the entire assessment against his property, and to receive a discount of fifteen per centum thereon in full satisfaction hereof. Thereafter, any and all of said installments may be paid before maturity with accrued interest to the next succeeding interest paying date.

The said assessment has been levied by virtue of said ordinance and all other proceeding of said City, for the payment by said owner of his proportionate share of the cost of improving _____ Street, under a contract between said City and Lee Moor Contracting Company, 204 Two Republics Life Building, El Paso, Texas, dated the 16th day of November, A. D. 1922.

That by said ordinance the said assessment is declared to be a lien against said premises and a personal liability of the owner thereof payable to the said company or its assigns, in installments and with interest as herein set forth.

That said ordinance provides that the failure to pay any installment, whether of principal or interest, when due, shall cause the whole of the unpaid principal to become due and payable immediately, and the whole amount of the unpaid principal and accrued interest shall thereafter draw interest at the rate of one per centum per month or fraction of a month, until the day of sale; and that, in case of delinquency, this certificate may be foreclosed in that manner now provided by law or as may hereafter be provided for the foreclosure of mortgages on real estate.

That all proceedings with reference to making the said improvements have been regularly had in compliance with the constitution and laws of the State of New Mexico, and the ordinances, resolutions and proceedings of said City.

That all prerequisites to the fixing of the assessment lien against the property described herein and the personal liability evidenced hereby, have been performed.

That said improvement has been completed by the said company in compliance with the terms of its contract, and has been duly accepted by the said City. And it is further hereby certified and recited that every requirement of law relating to the said improvements, to the fixing of the assessment lien against the property improved, and the personal liability of the owner thereof, has been fully complied with by

the proper officers of said City, and that all conditions required to exist and things required to be done precedent to and in the issuance of this certificate to render the same lawful and valid, have happened and have been done and performed, and did exist in regular and due time, form and manner, as required by law.

That the sum evidenced hereby and the installments thereof and the interest thereon, shall be paid to the City Clerk of said City, who shall issue his receipt therefor, and who shall endorse such payments on the back hereof, and when the full amount due hereon has been paid, this certificate shall be surrendered to the owner of said premises and the lien against the said property and the liability of the owner thereof shall be released and discharged.

This certificate may be exchanged for a paving bond or bonds representing the amount evidenced hereby, in accordance with the terms of the ordinance authorizing the issuance of this certificate and the ordinance of said City authorizing the issuance of said paving bonds, and the assessment against the property described herein and the liability of the owner thereof, shall be enforced in accordance with the terms of said ordinances.

Section 7. The said assignable certificates shall be delivered to Lee Moor Contracting Company, 204 Two Republics Life Building, El Paso, Texas, or its assigns, in accordance with its contract with the City and the proceedings of the City Council heretofore or hereafter adopted. The said Lee Moor Contracting Company, 204 Two Republics Life Building, El Paso, Texas, or its assigns shall have the right and privilege of exchanging said assignable certificates for paving bonds in convenient denominations, to be issued by the City pursuant to an ordinance adopted or to be adopted by the City Council. Upon such exchange it shall be the duty of the City Clerk to retain possession of the said assignable certificates, to receive and disburse all payments made, to endorse on each certificate the amounts paid thereon, both principal and interest, and to release and discharge the lien and liability upon payment of the full amount due, as aforesaid, all in accordance with the ordinances of the City and any other provisions that have been or may be required by the City Council.

Section 8. All ordinances and resolutions, or parts thereof, in conflict with the provisions of this ordinance, are hereby repealed. After said assignable certificates are issued, this ordinance shall be and remain irrevocable until such certificates and the interest thereon shall be fully paid, satisfied and discharged as herein provided.

Section 9. This ordinance is hereby declared to be an emergency measure on the ground of urgent public need, and therefore, immediately upon its final passage, shall be recorded in the book of ordinances of said City kept for that purpose, authenticated by the signature of the Mayor, and the City Clerk and shall be published in the Carlsbad Current, the official newspaper of said City, and shall be in full force and effect five days after such publication.

Passed, adopted, signed and approved, this 1st day of May, A. D. 1922.
