THIRTIETH YEAR

THE CARLSBAD CURRENT, FRIDAY, JUNE 16, 1922.

NUMBER 27.

MARRIED AT PECOS

Wednesday of last week at Pecos the marriage of two of Carlsbad's well known young people, Sidney I. Bearup and Miss Sallie Stanford was celebrated. The announcement comes as a surprise to many of our people although it was known that the young folks were engaged for some time. Miss Sallie and her mother left on Wednesday for Sweetwater, Texas, and were joined at Loving by the bridegroom who accompanied them and when they reached Pecos they repaired to the home of the Methodist minister, Reverend Thurston, to have the matrimonial knot tied. Mr. Thurston was in El Paso, at the time, but Mrs. Thurston summoned the Baptist minister and he proceeded to pronounce the words that joined their lives at the Methodist parsonage.

Both young people have many friends here to wish them well in their new venture. The bridegroom is the eldest son of Dr. and Mrs. A. A. Bearup and has lived in this city most of his life. He was among the first to offer his services to Uncle Sam in the late war, and was first sent to camp at Austin, Texas, where he was a member of a balloon company and later went to France where he remained until the armistice was signed when he returned to this city. An automobile mechanic, and a fine painter, he has worked at various trades since his return. He is industrious and frugal and well able to make a home for the woman of his choice.

Mrs. Bearup has also lived here for a number of years, coming here from Lorena, Texas, and needs no introduction to the people of this city. If the old saying that "a good daughter makes a good wife," be true, then is her husband fortunate. A more faithful girl in her relations to her parents cannot be found. She will be missed in the church and Sunday School, where she has been a faithful attendant, and in the activities of which she has always borne her part.

Their future plans have not been definitely decided upon but they rather plan to make their home in Waco, for which place they left immediately after their wedding. May much happiness attend them in their new life together, is the wish of their many friends in Carlsbad and wherever they are known.

WOODMEN MEETING WELL ATTENDED

One of the largest crowds ever assembled in a Lodge room in this county attended the Woodmen meeting last night. The following candidates were invested with the mysteries of Woodcraft:

Milton Smith, W. W. McAdoo, L. C. Pence, Will Wilburn, Dr. W. H. Ennels, Ural Boyd, W. F. Anamus, Ben Gerlack, Robert Barnett, F. G. Shepherd.

The drill team and orchestra were equipped with uniforms which added much to the impressiveness of the occasion.

The Artesia Lodge assisted with the initiation of the candidates.

The members and visitors were entertained until 12 o'clock, when a midnight supper was served. Through a mistake one of the candidates appeared in a dress suit at the Lodge, but was compelled to change his attire before initiation. All members are very enthusiastic over this meeting, and it is expected that a class equally as large will be initiated at the next meeting which will be the first Thursday in July.

WHAT'S THE MATTER WITH TROOP "B"

June 12th, 1922.

Carlsbad is about to lose the Unit of the National Guard assigned to it because "B" Troop is not making good. We were given this troop because of the high record of our former unit, Co. "B" 1st N. M. Infantry, over many other applicants and those applicants are still anxious to relieve the Adjutant General of the State of maintaining a troop of Cavalry in a place where its progress is almost nil and does not justify a favorable report by the Federal Inspector whose next visit is not far off. Are "B" Troopers less efficient than were the members of old "B" Company? No! I know they are not, but they are lacking in interest in their work and must wake up to the fact that they, and they alone, can keep our unit of the National Guard. We have had a fair trial, and we have fallen down woefully. The troop morale was good for a while and we showed marked progress for a month after the Adjutant General's visit here, at which time his ultimatum to the troop commander was to make or break the troop before his next visit. We must show more interest, have better drill attendance and above all have better discipline. We are going backwards. But little time remains for us to choose.

The Federal Encampment will be held for the Cavalry Units of the New Mexico National Guard at Ft. Bliss, Texas, from August 4th to 24th, 1922. Are we going with a full Troop or will Federal recognition be withdrawn from this troop and the unit assigned to some other city? If more interest is not shown by the Troopers of this unit between now and the first of July you leave only one course for me and that is to recommend to the Adjutant General of New Mexico that Federal recognition be withdrawn and this Troop assigned elsewhere, where interest will warrant the expense of maintaining a National Guard Organization.

Does military protection mean anything to you, or are you one of those rare individuals that believe that we have reached that perfect stage of civilization when the nation will be fought with pen and ink or long-winded promises? Do you think that there is no further need of military training for the young men of the United States and that such training is a useless waste of time and money? Did the great War teach you a lesson in preparedness, or did you find things so prosperous at home that you did not have time to give it any thought at all and let the other fellow do the thinking? Do you think there are no other advantages in military training other than training men for war? Have you given the protection of your country any thought at all? Do you know what the United States Army now consists of and how it is sub-divided into three parts? Are you a member of any of these three parts? If you are a single, able-bodied man between the age of 18 and 35 do you want to belong to any of them? Do you consider that you are capable of serving your country in time of need and be of value to the country in which you are content to live, giving so little in return for what you receive?

Do you know that you have a Unit of the National Guard here in your own city, dear citizen? Can you name ten of the young men who belong to this troop? Can YOU? Yes? No! Can you name twenty? No! Why can't you? 59 of them live right here in town. You see most of them every day. Have you ever seen them drill? Do you ever come to the Armory on Wednesday nights between the hours of 7:45 and 9:30? Too much trouble isn't it? Oh yes, you are all very patriotic citizens, love your country dearly and all that, but when you are put to the test of trouble your resentment is manifest. Little do you appreciate that some day perhaps these selfsame young men who are interested in the troop and attend the drills will be offering their lives to their country that you may not know the ravages of the Mailed Fist, that you may continue to live on in safety while they are paying the supreme price for peace and Democracy. How many of you ever question these young men and ask how they are getting along in the Troop, if they find the military work interesting are they attending the drills regularly or show that you are interested in them because they do belong to the troop and that you are also interested in the troop and what it is doing.

We soon forget, don't we? How many of you paid tribute to those who have "gone West," that died for you on the fields of battle that you might live on in the "land of the free and home of the brave." Did you think of the sacrifice these men made for you on Decoration Day, the day set aside for the whole nation that they might pay tribute to our departed heroes? Not many of you gave any evidence of it if you did.

A National Guard Unit must have the whole-hearted cooperation of the entire community to make it what it should be. If the National Guard receives the support that it should it will turn out 300,000 trained men every two years, then in case of a National crisis we will be prepared and can mobilize a trained and efficient army almost overnight. National Guard training will build up general health and bodily vigor, muscular strength and endurance, self reliance, smartness, activity and precision. Teach you how to guard against disease, the use of firearms. And along with this is military training so that in time of need the soldier will know how to guard your freedom and fight the enemies of his country, either foreign or domestic.

Mr. Employer, how many young, unmarried men in your employ are members of the local troop? Do you encourage them to join? Will you? If you have members do you ever show any interest in his work as a National Guardsman? Are you a member of the New Mexico Plan? Have you signed the Plan Card and returned it to the Adjutant General of New Mexico or handed it to the Chairman of the Military Affairs Committee? Do you believe in this plan and intend to give it your hearty cooperation? Or, do you feel that every time the Trooper asks to get off for any Troop event that you are losing money by letting him off? Does the Trooper have to ask to get on, or are informed beforehand and go to the man and tell him that he can get off if he wishes to, and make it plain to the trooper that you take an interest in his troop work?

Following is a summary of supplies and forage used by the troops for a period of six months:

80,520 lbs. of hay;	51,840 lbs. of oats;	19,260 lbs. of straw;	283 lbs. rock salt;	18 gals. vinegar;	969 lbs. of horse shoes;	96 lbs. horse shoe nails;	249 lbs. blacksmiths coal.
---------------------	----------------------	-----------------------	---------------------	-------------------	--------------------------	---------------------------	----------------------------

With one or two exceptions the above supplies are purchased locally, and bids for the above will be open about the middle of July.

For the six months period ending December 31st, 1921, the officers and men of Troop "B" could have drawn, if each man had attended every drill, \$3,145.59. There was actually drawn \$250.37. A loss to the men and indirectly to the town of \$1,895.15. (The above for absentees and non-attendance for six months period—OVER \$3.00 PER MONTH)

In addition there is paid every six months for:

Permanent employees	2,250.00
Forage	4,000.00
Also miscellaneous items such as:	
Veterinary service	120.00
Veterinary supplies	18.00
Lumber, paint, nails, etc.	75.00
Water and lights	65.00
Hardware	65.00
Attached officers pay	219.00
Pay of instructor	900.00
Additional pay of troop commander	120.00
Total amount for period of six months	\$10,971.59
Amount of pay received by officers and men for services during the encampment at Ft. Bliss, Texas, and actually paid to officers and men in Carlsbad	\$1,495.59
Amount actually expended in Carlsbad for period ending December 31st, 1921	\$12,445.00

Do we keep the troop here in Carlsbad or do we let it go? It is up to YOU.

Wm. R. MILLER,
Capt., 111th Cav.
Comd. Tr. "B"

Mother and Father are your sons members of the local Troop? If they are not, is it because you do not wish them to become members? If so, what are your objections? Perhaps if you would talk to the Troop Commander he could allay what ever fears you might have regarding enlistment in the National Guard. If your son is a member does he come to drill? do you ask him about his troop work, do you ever think to ask the Troop Commander how he is getting along with his military work? Are you interested in the Troop?

You should be, whether your son is or is not a member. Do you ever come to drill with him and see just what he does during the hour and a half he is at drill? If you will take a little more interest in his troop work he will brace up to it a lot more and take the work a bit more seriously.

Troopers, why have you fallen down on your Oath of Enlistment? If you have a grudge against any member of the Troop or talk that you have not received the proper treatment at the hands of the Troop Commander why not come to him and talk it over. Do you try to set other members for the Troop that you think will make good, conscientious troopers, or persuade other members that are lax in coming to drill to come along with you to drill. The troop does not ask much of your time, only one hour and a half each Wednesday night and the same Sunday afternoons. Have you ever figured just what you are paid for this hour and a half? If you are a Private you get \$7.50 an hour or \$1.00 for each drill, and you can be paid for as many as sixty drills in the year. Take a brace and come out, we can't expect the government to maintain this troop here without you taking a little more interest in it and give the government this one hour and a half of your time each week. All the government asks of you is to come to drills and take advantage of the training offered, and be serious in your military work.

Can you think of any other plan that will put about \$19,000.00 in circulation in Carlsbad and take nothing out? Is there any cleaner, more healthful sport that can be offered to the young men in a small town than can be obtained by the means our Cavalry troop offers? Have you thought of the advantages in having the Armory open to you and at your disposal. If we lose the troop it will mean the closing of the Armory and its use denied us.

The Shrine band of Khiva Temple and the Odd Fellows Canton Drum Corps were along to furnish music. The personnel of the band and the instrumentation is as follows: Cornets—Willard Smith, P. C. Creal, Rev. Paul J. Merrill, Elbert Kittinger, C. C. Dean.

Clarinets—Henry Hayll, Dr. H. H. Latson, William West, John B. Sampson, C. D. Bugbee.

Alto—Roy Johns, W. C. Krug, D. H. Schwartz, D. H. Colton.

Baritone—Jesse Rogers, J. S. Smith.

Trombones—Paul I. Odor, L. V. Lienhard, Sam Jangburn, W. E. Smith, J. E. Engleman, E. A. Carlock.

Bass—J. A. Smith, Mayra Irvin.

Drums—Cliff Oliver, Jack Dooley, Irving Tolzien.

Saxophones—Albert White, Roger Martin.

Walter C. Irvin is chairman of the trade excursion committee of the Trade Board under whose auspices the present excursion is being made.

The excursionists were escorted for the occasion, every man wearing a white hat with an Amarillo hat band, and each carrying his name in addition at the top of his badge. All had also arm bands and carried cases and pennants.

The special of five coaches and baggage coach, pulled into town a little after six o'clock yesterday morning, and were met at the depot by a number of citizens with cars, and all who wished were taken and carried to the lake east of the city, and a fine plunge was enjoyed by about half of the men visitors. Returning to the city, they had breakfast at the Crawford and afterward were welcomed by Major E. P. Bujaac, on behalf of the city, which was responded to by the mayor of Amarillo.

Breakfast being over, they were taken in charge and while the brevity of their stay in Carlsbad precluded any attempt to show any of the beauties or assets of the town and valley, they enjoyed themselves greatly by visiting the various business houses.

At a few minutes after eight the party, headed by the band, marched around town and up to the courtyard, where the band played and where the entire aggregation joined in singing some clever songs and parodies. Reforming, they marched to the depot and amid many cheers, left for their city on the Plains. They stopped at Artesia a few hours, after which they continued on their way to Roswell, where they were entertained by the Chamber of Commerce at a smoker in the evening.

The different members of the company were profuse in their thanks for the courtesies shown them and many expressions of pleasure and surprise at the beauty of the town and country, and the evidence of prosperity seen on every hand, were heard.

This office acknowledges a pleasant call from Messrs. Warren, of the News, R. H. Nichols of the Tribune and J. W. Cheney of the Plainsman.

The only regrettable part of the affair is the fact that such a short stay did not permit the members of the party to see the project sights, the cotton and alfalfa grown in the lower valley, and the flume and Carlsbad Springs near town. However, this can and no doubt will be remedied at a promised visit of many for the Fourth of July when Carlsbad will pull off her big celebration.

At the last regular meeting held by the Carlsbad Rebekah Lodge, delegates were elected to the Assembly which will be held at Clayton this year. The delegate elected was Mrs. George Brinton, the alternate being Miss Inez Joann.

FUNERAL OF W. C. SELLERS HELD SUNDAY

Funeral services for the late W. C. Sellers were held at the home of the family last Sunday afternoon. A large attendance marked the services and the interment in City Cemetery, which followed. Rev. T. C. Mahan, pastor of the Baptist church, conducted the obsequies, and a choir of selected singers sang the beautiful songs appropriate to the occasion. Beautiful wreaths and bouquets of flowers, spoke of the love and esteem in which the family is held, and in every instance were the gifts of sincere and sympathizing friends. The pall bearers were Messrs. H. I. Braden, Dr. Logback, Hitchcock, Purdy, Dr. Ervin and C. T. Adams. Interment was beside the grave of his mother, Mrs. Rebecca Jacob, who died some years ago.

AMARILLO EXCURSION VISITS CARLSBAD

Amarillo business men, 120 in number, were in Carlsbad three hours yesterday morning. The train left Amarillo early on Monday and will return Friday night. Three days will be spent in mixing with people over a portion of the Panhandle of Texas and New Mexico.

These annual trade trips are not a burden to Amarillo business men. They take them with pleasure, and are glad to greet citizens in whatever towns they visit year after year.

Approximately two dozen towns were visited as follows: Hereford, Bovina, Clovis, Roswell, Artesia, Muleshoe, Hagerman, Lariat, Sudan, Shallow Water, Hale Center, Abernathy, Plainview, Friona, Littlefield, Texico, Portales, Kress, Keena, Carlsbad, Dayton, Lake Arthur, Dexter and Lubbock.

A portion of New Mexico, never before visited on a trade excursion, was included in the trip of Amarillo boosters. This country in the Pecos Valley is an ideal one, and proved a revelation to the business men who had never before visited it.

The Shrine band of Khiva Temple and the Odd Fellows Canton Drum Corps were along to furnish music. The personnel of the band and the instrumentation is as follows: Cornets—Willard Smith, P. C. Creal, Rev. Paul J. Merrill, Elbert Kittinger, C. C. Dean.

MARRIED HALL-WALLACE

A quiet morning wedding at the Baptist church, Wednesday morning, united the lives of Hugh Hall and Miss Georgia Wallace in the presence of only the family of the bride, and Miss Marian Witt and Rude Wilcox, attendants. Rev. T. C. Mahan read the service.

The newly-weds left immediately after the ceremony in their car for the northern part of the state, where they will spend their honeymoon, visiting old historic places in that section and will be at home in this city the latter part of the month.

Both have a host of friends and well wishers here in the home town, where the bride has been a resident for a number of years, coming with her parents, J. E. Wallace and wife, from Colorado, and attending school here, graduating with the class of 1915. She has been engaged in business life since her graduation, and is at present one of the valued employees of the National Bank of Carlsbad.

Mr. Hall has been in this city for over two years, and is a member of the firm of Hall and Fair automobile mechanics. He was among others of the Nation's fine young men, who engaged in the late war, and spent quite a while overseas. A man of fine education, he is already making his mark among the business men of Carlsbad.

The Current is pleased to announce that by this marriage another happy home will be established among us. Mr. and Mrs. Hall having rented the W. A. Moore home for the summer, and will begin house-keeping on their return to this city. May they have a happy married life. It is the wish of many friends, the Current joining with its felicitations.

The "Drop-Complaints-Here" slot, which, in many instances, used to be about the only means of communication between a public utility company and its customers, has been boarded up with the "Walk-In" sign.

That supercilious "I'll-see-if-he's-in" personage who was wont to act as a barrier to the president's office is now leading a useful existence, reading meters, stringing wires or urging 'em to "step up front please".

"Yea (with a yawn) we'll look into it," has been superseded by "We'll attend to it (with a smile) at once."

A sincere desire to better serve the people is the avowal upon which has been hammered out this modern and ever-expanding policy of courtesy, frankness and fairness on the part of the utility organizations.

Naturally the people have grown more friendly toward their telephone, street railway, gas and electric companies. They have an entirely new conception of these great agencies whose potentialities formerly were supposed to begin and end with the service they provide. Operating under state control, with rates held to the minimum and service to the maximum, the utility companies, with their substantial pay-rolls, their heavy expenditures for supplies and maintenance and their large contributions to tax requirements, are now rightfully regarded as community assets.

The people and their utility organizations now speak the same language, interpreted through Good Will and Mutual Understanding.

\$202,000.00 LOANS APPLIED FOR AT CARLSBAD THROUGH SCOTT ETTER REPRESENTING EDDY LEA FARM LOAN ASSN. AND WICHITA FEDERAL LAND BANK

Scott Etter, local Secretary-Treasurer of the Eddy Lea National Farm Loan Association has just completed the filing of forty-five individual applications from farmers of the Carlsbad Project totaling over a quarter of a million dollars in the aggregate.

It was only about sixty days ago that the Bank gave notice that it could take care of the farmers under the Carlsbad project, and as they have been carrying short time paper with heavy interest this amount of money will go a long way toward taking up all of this paper and by doing so will put in circulation a lot of needed cash in this district.

Mr. Etter has been assured that the Bank is taking into consideration the fact that the farmers of this district have not had the advantage of the land bank service during the past five years and for this reason every effort is being made to take care of all the present needs of the farmers promptly.

Nearly the entire amount will go to take up old papers and this in turn will circulate here and it is estimated that if the loans are closed it will be the means of directly and indirectly paying off three quarters of million dollars worth of paper.

The bank is in funds and the only delay is in getting an appraisal from the bank at Wichita to appraise the farms.

The following letter is of interest to all at this time and shows that the bank is doing all that is possible to facilitate the closing of the loans.

Wichita, Kansas, June 10, 1922.
Mr. Scott Etter, Secy-Treas.
Carlsbad, New Mexico.
Dear Sir:

We are in receipt of your inquiry of the 8th inst regarding the appraisal of the applications pending for your association.

Our records show that your Association has submitted within the past thirty days about forty-five applications for loans. We regret however that we cannot ascertain definitely how soon we can make the appraisals for you, but you may rest assured that the applications will be given attention at the earliest date possible.

Appraiser Clary who usually makes the appraisals for you is at this time making appraisals in northeastern New Mexico, but it will possibly be from thirty to sixty days before he can reach your association. We also have in mind having Engineer Appraiser Kerr make the appraisals for your association but he is at this time routed in advance for at least thirty days and may not be available prior to the time that appraiser Clary could make the appraisals.

In the meantime we will keep your applications in mind and will assign them to an appraiser for appraisal of the properties just as soon as one is available.

Yours very truly,
THE FEDERAL LAND BANK OF WICHITA

By (Signed) Chas. R. Kurt.

Mrs. Arthur Kellam made a hurried trip to Pecos Saturday, being called there on business.

DEATH OF A FORMER CITIZEN OF CARLSBAD

Mrs. T. C. Horne received a wire Tuesday announcing the death of Mrs. Ezra Hartshorn which occurred at the home of her daughter, Mrs. S. S. Skidmore, at Wichita Falls, Texas, where Mrs. Hartshorn had gone on a visit from her own home at Farwell. The wire stated that she expired the 12th instant, from paralysis after eight days illness, and that all the family were with her. The remains were taken to the old home at Aune, Oklahoma, for interment.

The Ezra Hartshorn family resided in Carlsbad for a number of years, and the two daughters, Mesdames Johnston and Skidmore and the son, Obart, are all graduates of our High School.

Mrs. Hartshorn was a most gracious woman, charitable, and abounding in all the graces that adorn the true Christian, and her death will leave a vacancy that can never be filled in the hearts of her family and in the church she loved and served for so many years. She was active while in Carlsbad in the church, the Missionary society and in the Sunday School and W. C. T. U., and no doubt continued her labors after leaving here.

Deep sympathy for the bereaved relatives pervades all who knew this most excellent woman.

NOTICE FOR PUBLICATION
Department of the Interior, U. S. Land Office at Roswell, New Mexico, May 24, 1922.

NOTICE is hereby given that Seibay Cox, of El Paso Gap, N. M., who on Aug. 19, 1922, made Additional Homestead entry, No. 035640, for S½ NW¼ and E½ SW¼, Section 30, Township 26 S., Range 21 E., N. M. P. Meridian, has filed notice of intention to make three-year Proof to establish claim to the land above described, before Dover Phillips, U. S. JAFFA MILLER, Register.

DEPARTMENT OF THE INTERIOR

Washington, June 2, 1922.
To the Register and Receiver at Ft. Sumner, New Mexico, and Tucumcari, New Mexico.

Gentlemen:
The act of Congress approved May 24, 1922, an act making appropriations for the Department of the Interior for the fiscal year ending June 30, 1922, and for other purposes, prohibits the expenditure of any money for the maintenance of any United States land office coming under the provisions of section 2248 or 2250, United States Revised Statutes, as determined for the fiscal year ended June 30, 1922.

Unless legislation authorizing the continuance of these and other land offices now pending in Congress shall be enacted prior to July 1, 1922, the Department is mandatorily required to close these two offices. Accordingly you are hereby notified that in the absence of such further legislation, the Fort Sumner land district, with office at Fort Sumner, New Mexico, and the Tucumcari land district, with office at Tucumcari, New Mexico, will be discontinued at the close of business on June 30, 1922, and the lands, business, and archives of said land districts and land offices transferred to and consolidated with the Roswell land district, with offices at Roswell, New Mexico.

Respectfully,
E. C. FINNEY,
Acting Secretary.

A CAREFUL analysis of the construction and complete equipment of the Light-Six will convince you that it has no duplicate in value in the light car class.

For instance, the machining of the crankshaft and connecting rods on all surfaces is a manufacturing practice that is found only on costlier cars.

This particular operation is mainly responsible for the fine balance of the Light-Six and its remarkable freedom from vibration at all speeds. It also has an important bearing on the wearing quality of the car and on its long-lived dependable service.

The exceptional values in the Light-Six are possible because practically every part that goes into the car is manufactured complete in the most modern plant in the world. Parts-makers' profits are practically eliminated. Important savings through better methods and bigger volume permit greater value to the buyer.

From the standpoint of shrewd investment you should find out why the Light-Six offers you so much more for your money in performance, service and economy.

Killing of Sheriff Bell
The manner in which Sheriff Batton who is a brother of Lem Batton of Brownwood, met his death is similar in many respects to the tragedy in which Sheriff Charles Bell of Brown county lost his life on March 23, 1898, when Batton killed the sheriff's slayer. Sheriff Bell father of Will A. A. H. and Dr. Earl Bell of Brownwood was shot and killed by a man named Yarbrough, who was in turn killed by Batton, who was acting as the sheriff's deputy and who succeeded Sheriff Bell following his death.

The two officers had been called to an old hotel building on what is now East Broadway to arrest a man named Yarbrough, who was reported to be disturbing the peace. When the sheriff opened the door of Yarbrough's room, the latter fired a Winchester rifle, the bullet striking Sheriff Bell just below his heart and causing his death in about twenty-four hours. Batton immediately fired on Yarbrough, the bullet striking him on the chin and passing through the lower part of his head causing instant death.

Sheriff Batton was known as one of the most fearless officers in the southwest. He was reputed to be a dead shot with a revolver, and had been involved in a number of thrilling incidents connected with law enforcement here while in the early days as well as in New Mexico, where he has made his home for the past several years.—Brown County (Tex) News.

Wednesday was the anniversary of the marriage of Dr. H. W. and Mrs. Lowry, and shortly after twelve o'clock, at night, they were called up by the ringing of their telephone. Upon investigation they found their daughter, Miss Jessie, and their son, Dr. Bernard Lowry of Cleveland, Ohio, were on the line. The conversation was carried on without difficulty, and their voices could be recognized without any trouble. The line was direct from Cleveland to Denver and from there here. The distance is at least 2500 miles, and the feat was nothing short of marvelous. The good couple received a number of remembrances from their friends in various parts of the country, but we are sure nothing could give them the pleasure that they received in talking even for a short time with their beloved son and daughter, and recognizing their voices altho miles separated them from each other.

Miss Grace Stephenson, youngest daughter of Mr. and Mrs. Edwin Stephenson, returned from school at Boulder, Colorado, Tuesday afternoon and will spend the summer in Carlsbad. Miss Grace is a graduate of Carlsbad High with the class of 1917, and has had the advantage of two years in the school at Boulder, where she has completed her course with the work of this year.

Mrs. C. G. Stutz, well remembered in Carlsbad as Miss Linnie Jones daughter of Mr. and Mrs. Tom Jones and sister of Mrs. Marvin Livingston came in from her home at Clovis, Arizona, and with her fifteen months old son, will spend a couple of months with relatives here. Mrs. Jones came with her daughter as far as El Paso, going from there to Wyoming, to spend the summer with another daughter, Mrs. Drescher.

Mrs. Homer King and children came in from their ranch Monday and returned to the ranch the next day. We understand they are trying to get some school accommodations out their way, as they are a long way from school and there are a number of other children of school age in that section of the country.

Mrs. R. A. Carder left recently for a visit to Rustin, Louisiana where Mr. Carder is in business and where she will probably remain for the remainder of the summer.

Miss Mildred Hays, granddaughter of Mr. and Mrs. Dick Hays, returned last week from Kansas City, where she has been staying with her aunt and attending school.

Do the People Desire Better Government?

I say that they do. I contend that there are more right-minded people than there are wrong-minded people, in New Mexico. I know that party bias embarrasses and misleads many good men and women, but the great majority desire decency in government, a square deal for all and equality of opportunity for every citizen.

These desirable ends can never be attained through ignorance of conditions. The people must know the facts. They must be aroused to militant action. They must compel political parties to be decent. This, a crystallized public sentiment, will do.

Pitiless publicity is the route to reform. My forced sale of the Albuquerque Morning Journal silenced the chief organ for the people in this state. Who has seen a strong word of criticism directed at conditions in New Mexico in any newspaper of general circulation in the state, since I signed a contract to sell the Journal.

The silence of the tomb has settled down upon New Mexico. The springs of publicity have been choked and have gone dry of a sudden.

But they will be re-opened on June 22. On that date I begin the publication of Magee's Independent, a state-wide weekly paper, at \$2.00 per year. The first issue will contain the facts constituting an amazing and scandalous story of misfeasance, if not malfeasance, in a state office.

If you want to know what is really going on in New Mexico it will be necessary to read Magee's Independent. Republican, Democrat or Independent—all should know the facts. If you conclude that the remedy lies in cleaning up your own party, well and good. Think what you please, but make your thinking intelligent by basing it on the facts.

I need your help in the work I am undertaking for the people of the state. Use the blank below and subscribe today. Remit the money within 30 days if more convenient. Pay now if you can. But do not delay action until you are too late for the first issue. Act today.

This is not a money-making enterprise. It is a state-making and decency-making undertaking. You should lend your aid by subscribing.

James Beals, one of Carlsbad's fine young men, had a birthday Saturday and his friends took advantage of the fact to give him a surprise party at the home of one of his friends, William Mercer, who lives west of town. Eighteen boys and girls gathered there and greeted him in the usual happy manner. Games were played and a pleasant time resulted, with sherbet and wafers for refreshments.

J. F. Bush came up from Orla, Texas, where he has a little store, Friday night and remained with his family in their new home from then until Monday morning when he returned to his place of business.

Mr. and Mrs. Clarence Keene, and Mr. and Mrs. C. J. Walter, returned Saturday morning from their trip to the mountains where they were the guests of Mr. and Mrs. Lee Bell. Mr. and Mrs. Keene left soon after for their new home at Las Vegas.

Sheriff Sam Batton and wife moved Saturday to the sheriff's residence in the courtyard, where they will make their home. Mrs. George Batton and family will also remain there for the present at least while deciding on their future plans.

The Gerlachs are building on the rear of their cottage on Halaguano street, a sleeping porch which will add one of the necessities to the house and render it modern in every sense of the word.

Mrs. Tom Runyan is enjoying a visit from her sister, Mrs. S. L. Mills, of San Angelo, Texas, who with her three daughters, came in recently for a lengthy stay with relatives here and in other places in this vicinity.

A wire from headquarters was received here Saturday morning for ten men to take the place of ten who had been in Police duty at Gallup since the call for men at the beginning of the strike of the coal miners. Captain Miller got busy, with the result that ten of the men belonging to the troop left the same night for Gallup. The personnel of those going is as follows: Bob Munroe in charge; Etienne Bujac, Jack Mitchell, Ralph Conger, William Weldon, Millard Golden, Clyde Duncan, Alfred T. Howeth. Their destination was Camp Mesquiam, where they arrived on schedule time and have already been initiated into their duties.

Mr. Conarty, Santa Fe agent at Carlsbad, deserves the thanks of the citizens of Carlsbad as well as the traveling public, for his efforts at transforming the little park into a place of beauty by the use of sweet flowers and shrubs. He has some of the finest specimens of dahlias, white and red, we have ever seen, and his pink and red gladiolas are gorgeous spots of bloom and color. But the loveliest of all are the pansies, great purple, yellow, white and bronze beauties that attract the eye and merit the admiration of all. Mr. Conarty must spend a great deal of time in his garden and the end attained has been worth the time and labor required.

C. M. T. C.

Word was received Saturday from headquarters of the 8th corps area of tentative and final acceptance for the Citizens Military Training Camp to be held at Fort Bliss next month. Lester P. Higgins has notice of final acceptance. Albrey M. Keller, John F. Gossett and Virgil O. McCollum's applications will not receive final acceptance until the typhoid inoculations have been taken. There are still a number of vacancies for the encampment not yet taken up. There is still a chance for more citizens who wish to be benefited by this training to be accepted. The first qualified applications received from Eddy county will be accepted upon in order of priority in reaching headquarters. Get yours in first.

These camps practically mean a months vacation; with physical mental and moral training in connection. It is very seldom that a chance of this sort with all expenses paid offers itself. Surely every red-blooded American boy will want to go to camp.

Mrs. Sidney Gilmore, a sister of Mrs. Mary Reed Miller and W. T. Reed, of Carlsbad, arrived this Tuesday and will make a visit with her kinfolk and also with old time friends, she having been a resident of Carlsbad in the old days and still pleasantly remembered by what few remain of those who lived here at that time. Mrs. Gilmore comes from El Paso, her home being in Sonora, Texas.

Bryan Runyan returned home from Norman Oklahoma, where he has been at school the past two years. Its Bryan Runyan A. B., he having taken his degree at the college and is now ready for active work in life. The Current, always interested in the educational achievements of her young people, extends congratulations to Mr. Runyan on his success.

Mr. and Mrs. F. V. Stutzman and child the lady a sister of Pete Hoover, left via automobile, for Houston, Texas, Monday of this week, after a pleasant stay in Carlsbad. Mrs. Hoover and baby accompanied them on their return and will spend the remainder of the month there. Relatives on both sides live within a few miles of each other, and as they have not yet had the pleasure of seeing little Miss Hoover the visit promises to be very agreeable for all. Mrs. Hoover will return home in time for the Fourth of July celebration here.

E. V. Albritton, the accomodating and efficient clerk at the Crawford Hotel, will take a two months vacation from his duties, beginning the first of the coming month and will remain in the city until after the celebration, when he will take leave, and make a tour through the his wife and daughter, Miss Elizabeth Albritton family although great travelers, have not yet visited in beautiful Colorado, and are looking forward with pleasurable anticipations to their trip. They will visit the Garden of the Gods and other scenic beauties, and return to Carlsbad in the fall.

F. M. Denton, piano tuner came in Monday from Roswell where he has been for some weeks past and will likely remain here for a few days.

LOCAL NEWS.

Mrs. Clarence Bell and daughter, Gertrude, and her sons, Faucher and Luther, will arrive from California next Monday. The young sons have been in attendance at school and Mrs. Bell and Gertrude have been visitors in various parts of the state.

There will be morning worship Sunday at the Presbyterian church, and the subject of the sermon will be "The Carpenter and More". The only other meeting with the day will be church school at ten o'clock.

Our boys and girls who have been attending college in different places have nearly all arrived at home in this city. Frank Smith, who is attending Baylor University at Waco, is expected to arrive about the 18th and Clarence Horne from the University of Virginia, will be at home about the 25th. Their coming will about complete the list.

J. W. Tulk returned to his ranch on the Plains the first of the week leaving Mrs. Tulk here. Mrs. Tulk left yesterday for Roswell, where she will visit a few days with her daughter, Mrs. George McClure, before going to the ranch.

William Gilmore youngest son of Mr. and Mrs. Sidney Gilmore, accompanied his mother from El Paso, Texas, the first of the week, and returned Wednesday to the Pass City. Mr. Gilmore is a nephew of W. T. Reed and Mrs. Mary Reed Miller.

Miss Marie Henson, niece of Mrs. F. E. Little, and a much loved school girl, who has attended school here for the past two winters, left for her home in Carter, Oklahoma, Monday night. She is hoping to return again in the fall, a hope indulged in by a wide circle of friends in this city.

Thursday the 12th instant being a birthday anniversary of Mrs. Henry Muldrow, a party of her friends were invited to meet her and have a "cup o' tea" with her at the home of their mutual friend, Mrs. A. C. La Valle, in North Carlsbad. Real English hospitality was shown by the family and a pleasant afternoon spent which was appreciated by all.

A party of Carlsbadites left Wednesday for Pine Canyon, where they will camp and enjoy the cool mountain breezes at that beautiful spot. In the party were Mr. and Mrs. Henry Hays and their children, Dwight and Richard; Mr. and Mrs. Dick Hays and granddaughter, Miss Mildred Hays; Mr. and Mrs. Ira Stockwell and daughter, Virginia; Mrs. J. T. Woodard; Mrs. Horace Hutchinson and daughter Mildred. Mr. Hutchinson and the Webb family joined them Thursday and will remain with the party over Sunday.

Visitors from Lakewood Sunday were Mrs. Adeline Larremore and Mrs. W. L. Kyle. The came to bring the baby of Mrs. Kyle down for medical treatment, and only remained a few hours. Both ladies tell us they will be down the Fourth of July and spend several days.

LESSON FOR JUNE 18

THE DOWNFALL OF JUDAH

LESSON TEXT—II Kings 24:1-21.
GOLDEN TEXT—Be not deceived: God is not mocked; for whatsoever a man soweth, that shall he also reap.—Gal. 6:7.
REFERENCE MATERIAL—Deut. 28:15-28; 32:1-27; II Chron. 36:1-21; Luke 19:41-44.

PRIMARY TOPIC—God Punishing Disobedient People.
JUNIOR TOPIC—The Capture of Jerusalem.
INTERMEDIATE AND SENIOR TOPIC—A Nation That Disobeyed God.
YOUNG PEOPLE AND ADULT TOPIC—Results of National Disobedience to God.

Zedekiah was made king of Judah by the king of Babylon (24:17), but in spite of this kindness and the word of the Lord spoken to him by Jeremiah (Jer. 38:17, 18; cf. Jer. 52:3), he rebelled against the king of Babylon. He relied upon the help of Egypt, but all that Egypt could do was to cause temporary interruption of the siege of Jerusalem.

1. The Siege of Jerusalem (vv. 1-3).
1. Time of (vv. 1, 2). It began on the tenth day of the tenth month of the ninth year of Zedekiah's reign and lasted about eighteen months. The tenth month according to the Jewish calendar corresponds to our December-January, as their calendar year began about the middle of March. The reason the exact time is given is that this was to be an event of great importance to the Jews in their exile.

2. The Method (v. 1). Nebuchadnezzar came in person with a large army and encamped against Jerusalem and built forts against it round about. It is thought that siege walls were built around the city, shutting it in, in the tops of these walls were built from which missiles of destruction could be hurled by their engines of war against the city. With the city shut in its fall was only a question of time.

3. The Famine (v. 3). It is estimated that one-third of the people of Jerusalem died of starvation.

II. Zedekiah's Flight and Fate (vv. 4-7).

1. "The City was Broken Up" (v. 4). The Chaldeans had succeeded in making an opening in the wall so large that they could make their way into the city in spite of all that the Hebrews could do. Resistance was carried on to the bitter end.

2. Zedekiah's Flight (v. 4). The king with his men of war fled by night toward the plain. His object, no doubt, was to cross the Jordan at Jericho and hide in the mountains east of Jordan.

3. Zedekiah's Fate (vv. 5-7). (1) He was overtaken in the plains of Jericho (v. 5). When his flight was discovered the Chaldean army pursued and captured him. (2) He was brought to the king of Babylon at Riblah (v. 6). Riblah was a town north of Damascus. It was the king's headquarters from which he directed his armies against Tyre and Jerusalem. Before Nebuchadnezzar, Zedekiah was tried as a criminal. (3) His fate (v. 7). His sons were slain in his sight; his eyes were put out; he was bound with fetters of brass; and they carried him to Babylon where he remained prisoner until the day of his death (Jer. 52:11).

III. Jerusalem Destroyed (vv. 8-19).
The dismantling of the city was delayed a month, perhaps awaiting instructions from Nebuchadnezzar, who was at Riblah.

1. They Burnt the House of the Lord (v. 9). This was the sacred temple built by Solomon with additions and modifications. Before burning it they plundered it of all its sacred contents.
2. Burnt the King's House (v. 9). This was doubtless the palace built by Solomon.

3. Burnt All the Houses of Jerusalem (v. 9). The implication is that the common houses were left for the people (v. 12).

4. They Broke Down the Walls of Jerusalem. The aim was to render the walls useless as a means of defense.

IV. The Disposition of the People (vv. 11, 12).

1. Carried Them into Captivity (v. 11). The people who were left in the city and those who had deserted to the Babylonians were carried to Babylon; all such as would be of use in Babylon.

2. The Poorest of the Land Were Left (v. 12). The people who would not likely make any trouble were left as vine-dressers and husbandmen. Doubtless they were looking forward to colonization by foreign peoples. The object in leaving these people was that the country might be ready for their coming. Over these people Gedaliah was appointed as governor, with headquarters at Mizpah.

To the Thief.

Let him that stole, steal no more; but rather let him labor, working with his hands the thing which is good, that he may have to give to him that needeth.—Ephesians 4:28.

The Greatness of God's Mercy. Remember me, O my God, and spare me according to the greatness of thy mercy.—Nehemiah 13:22.

No Peace for Them.

There is no peace, saith the Lord, unto the wicked.—Isaiah 48:22.

A PLEASANT EVENING PARTY

Tuesday night at the Wester home a pleasant party of young folks met for a good time together, which they had, spending much of the time with music and conversation. A substantial luncheon was served consisting of sandwiches, pickles, olives, cake and ice cream. Those present were Misses Elizabeth and Catherine Purdy, Mary Net Reed and Frances Etter; Messrs. Ned White, Henry Kennedy, Carl Wester and Francis Perry. The young people were chartered by Mesdames Etter, Purdy and Reed.

STATE ENGINEER'S OFFICE
Number of Application 1487.

Santa Fe, N. M., May 15, 1922.
Notice is hereby given that on the 15th day of May, 1922, in accordance with Section 28, Chapter 49, Reclamation Laws of 1907 Dean Smith of Carlsbad County or Eddy State of New Mexico, made formal application to the State Engineer of New Mexico for a permit to appropriate the Public Waters of the State of New Mexico.

Such appropriation is to be made from Blue River at a point which bears S. 40 degrees 42 minutes W. 5218 ft. distant from the SW cor. of Sec. 23, T. 24, S. of R. 26 E., N. M. P. M. by means of Blue River ditch diversion dam and 11 cu. ft. per sec. as a minimum, with an additional 4 cu. ft. per sec. when the same is not being used under an existing valid right above the point of return, is to be conveyed to power plant at a point which bears N. 74 degrees 50 minutes E. 2879.5 ft. distant from the SW cor. Sec. 23, T. 24 S. of R. 26 E., N. M. P. M. by means of open ditch, an extension of Blue River ditch and there used for power purposes and returned through Castle Draw to Black River at the junction of Castle Draw with Black River.

Any person, firm, association or corporation deeming that the granting of the above application would be truly detrimental to their rights in the water of said stream system shall file a complete statement of their objections substantiated by affidavits with the State Engineer and serve a copy on applicant on or before the 12th day of August, 1922, the date set for the Engineer to take this application up for final consideration unless protested. In case of protested applications all parties will be given a reasonable length of time in which to submit their evidence in detail or arrange a date convenient for a hearing or appoint a referee satisfactory to all to take testimony. Appearance is not necessary unless advised officially by letter from the State Engineer.

Wednesday, June 14th was "Flag Day" and in some parts of the country was appropriately celebrated, but in Carlsbad no public notice was taken of the day, although several homes and business houses displayed "Old Glory".

Miss Dorothy Dick, after a two weeks stay with her friend, Mary Net Reed, left for her home in Abilene, Texas, Thursday of last week.

Mrs. Claude Nelson expects to spend the summer at the home of her parents, Mr. and Mrs. Pearson, in Pomona, California, leaving the first of July for that place.

New floors have been put in the verandas at the Eddy County Hospital and the front is being touched up with new paint, a much needed improvement.

The above is a summary of the report received from the Advisory Committee composed of F. E. Hubert, Chairman, Mrs. J. P. Wangler, Mrs. J. F. Flowers, Mr. W. E. Smith and Mrs. H. H. Dilley.

MARGUERITE E. WALLER

Secretary Associated Charities. In every case of assistance requested, a thorough investigation was made before help was granted. In but one case was any money paid out and that was for the purpose of assisting a tubercular person to reach his home in another state. When help was asked, if the party asking same was found wanting, they were given groceries or supplies as needed but with the one exception, no money was given. The supplies furnished were all purchased from home merchants. The money contributed was received from the churches of the town, the lodges and the business men. A budget of \$2500.00 was thought to be necessary last year, but unless we have an epidemic the coming year or something unforeseen occurs, the board thinks that \$1500.00 will be sufficient for its needs. The public is asked to assist all charitable cases through the above named organization.

LOCAL NEWS

Word to relatives that Joseph Powell who has been in Kansas City for some weeks was obliged to go to a hospital for a serious operation from which he is recovering slowly. No particulars were given and his grandparents and sister are of course very uneasy.

Mrs. Mapes the grandmother of Mrs. E. V. Albritton had the misfortune to slip as she was passing thru the dining room at the Albritton home Wednesday and in falling struck her shoulder on the dining table with such force that it was dislocated. She has been suffering greatly since then and her great age she being above ninety years, renders her condition more serious.

J. B. and Wardie Leek children of Mr. and Mrs. J. B. Leek after a pleasant stay with relatives on the Plains since the closing of school returned to their home in this city Wednesday.

Workmen are busy tearing down the ruins of the old Bates Hotel, have been such a nuisance to the citizens of the town for so long a time.

Water was turned out of the canal last Sunday and workmen are hard at work removing the moss and other debris, which prevents the flow of water.

W. C. Cotton and family came in from their ranch home near Jalisco the first of the week, coming for medical attention for Mrs. Cotton, who has been ill for some days. They will remain in town until she gets better before returning to the ranch where they are spending the summer.

Rev and Mrs. A. C. Douglas and children arrived home yesterday afternoon from El Paso. They attended the Teacher's Training school at Clovis before going to the Pass City, and made the trip overland from there. They also attended a similar course of instruction at El Paso and both Mr. and Mrs. Douglas have two credits which they made on their work. However, in spite of all they are glad to be at home after their strenuous journey of over 900 miles.

E. R. Lang, S. L. Perry and Fred Kay left yesterday morning for Pecos, where they will contest in the tennis tournament pulled off there yesterday and this morning.

Vernon L. Sullivan, of El Paso, was in town Friday of last week stopping at Crawford Hotel while in town, on a business errand.

Frank Smith, who has been attending Baylor University at Waco, Texas, came in Thursday night.

Frank Kindel and wife returned Saturday from Denver where Mrs. Kindel had been on a visit to her parents, leaving here a month ago. Frank joined her there two weeks ago, and they made the trip home by Ford.

Muri Nornhauser and wife returned Wednesday night from a two weeks stay in the vicinity of Mesilla Park where he says it is hotter than here and extremely dry.

Mr. and Mrs. W. A. Nelson left this morning for Roswell, and will go from there after a visit, to Cloudercroft and El Paso, expecting to put in a fortnight visiting at these places.

Under the auspices of the local Ministerial Alliance, a union meeting will be held at the Methodist church Sunday night at 8:00 o'clock. It will be addressed by the Rev. J. A. Phillips, of Roswell, a strong specialist in his line, and his subject will be "Why the Romish Hierarchy Opposes State Education". The interest is urgent, and the speaker is entitled to a large hearing.

The regular communication of Eddy Lodge No. 21 A. F. & A. M. will be held Thursday evening, June 22, 1922, at eight o'clock. Several matters of importance will be considered and the Order of DeMolay for Boys will be touched upon. Visiting brethren welcome.

Mrs. Kindel and party who left here last week, Thursday morning, for Globe, Arizona, made their destination in schedule time and without any car trouble to speak of. They are having a fine visit with and daughter in Globe.

RESULT OF CORE TEST AT RED BLUFF

A thirty foot limestone stratum underlain by a thirteen foot stratum of impervious red clay, was found to be the formations at the Red Bluff dam site by the core drill operations carried on by the U. S. Reclamation Service under contract with the Pecos Valley Water Users Association.

These formations, it is generally thought, will provide the strength and imperviousness necessary to the dam. The remainder of the 120 feet of hole drilled was composed of gypsums and sandstones.

The first hole was completed on Wednesday noon. The core drill machine is now being moved to a location on the east side of the river, and it is probable that the work will be started drilling on Monday morning.

A party of farmers representing the various districts made a trip to the reservoir site with Vernon L. Sullivan, engineer for association, on Thursday, and spent several hours looking over the cores and investigating conditions on the ground.

As a result of the study of the log, Mr. Sullivan and Mr. Treadway, the drilling contractor, seemed to be of the opinion that by moving the drill either to the north or the south of the present location, that the gypsum formations could be eliminated altogether the dip of the rock suggesting this supposition.

Mr. Sullivan did not think the presence of the gypsum would permit leakage from the reservoir due to its impervious covering, but due to the well known antipathy on the part of the Reclamation Service to gypsum to have other holes drilled in either direction from the present center line of the proposed dam, in order to have alternative propositions to offer if necessary.

The formations were hard throughout and the hole held water under eighty pound pressure according to the drillers, and in their opinion the site is an excellent one. —Pecos Gusher.

Eddy Lodge No. 21, A. F. & A. M. will hold a special communication Friday evening, June 16, 1922, for the purpose of conferring the Entered Apprentice Degree. Visiting brethren welcome.

Mrs. J. H. Daughtry, of Roswell is a house guest at the home of Mr. and Mrs. G. A. Montgomery, this week.

A wire was received here on Friday of this week summoning Mrs. Sid Kyle and son Mac, to Los Angeles, California, to attend the bedside of Mr. Kyle who is in a critical condition. —Pecos Gusher.

All members of Eddy Lodge No. 21, I. O. O. F. are requested to be present Tuesday night, June 19th, and witness the conferring of the 3rd Degree by the same Degree team which put on the work at Roswell April 26th. Any visiting Odd Fellows are cordially invited to meet with us.

HAY TRADE CONDITIONS OF THE WEEK

Markets generally are steady to firm under a good demand for the best grades. Where receipts have increased, the feeling is not as strong and while quoted values show little change from last week, prices are not as easily obtained. A great deal of the hay arriving is of very poor quality and this is not wanted. Some new alfalfa has made its appearance in the West, but very little shows quality and a great deal is hot and is moved at irregular prices.

SCOUT NEWS

Troop No. 1 enjoyed a visit Tuesday from two scouts by the name of Ward from Burkburnett, Texas. Both were first class scouts and that is evidence they were first class boys. In all probability they will camp with the boys this summer.

The place for camp has been decided upon. Mr. Tracy has turned his splendid pasture over to the boys to be used for this purpose. Fine shade, fine water, and a good camping ground. Just in the right shape to make a splendid, secluded camping ground. The visitors are coming, get ready, boys.

We are having some difficulty in getting tents. Any one having a tent of any kind will confer a favor, a great favor, by notifying Scoutmasters Wilmer White, Ray Davis, or Bert Rawlins.

Quite a number of visitors from Troop 2 were present at Scout meeting of Troop 1, Tuesday evening.

Scouts aided in entertaining the Amarillo Business Men's League Wednesday. They are always on the job and ready to help.

Parents of Carlsbad scouts should make it possible for their boys to attend the camp. This has been no easy job to line up the camp and visitors are coming and must be entertained.

Mr. and Mrs. Fred Nymeyer came in from their ranch on the Plains and spent a couple of days in the city, returning to the ranch yesterday. They expect to return to celebrate the Fourth of July in this city.

M. S. Lackey, father of Mrs. Taylor, who resides west of the city arrived in the city and will make his home here with the family of his son and daughter, for the future. His home has been at Sheffield, Texas.

Not even USCO ever touched this value before

30 x 3 1/2 - \$10.90

WHEN you look at a 30 x 3 1/2 USCO at \$10.90 think back for a minute as far as you can remember USCO.

Since last fall when USCO established the \$10.90 price range they have recognized it as a value beyond any possible comparison.

30 x 3 1/2
USCO
\$10.90

The truth is that men have always found USCO an outstanding money's worth no matter what its price.

A still greater money's worth than even USCO itself had reached before.

Today at \$10.90 USCO maintains its established standard of quality.

And because of the new price, it sets a new index of tire value.

Men who have used USCO have never been inclined to measure its value by the general run of tires.
