## **African "killer" Bees Detected In Tamaulipas & San Luis Potosi States**

*by Steven Ranieri*

*Category/Department: General*

*Published: Wednesday, April 3, 1991*

On March 29, Jose Luis Nava Rodriguez, chief of rural development district 162 for the Agricultural and Hydraulic Resources Secretariat (SARH), reported that African "killer" bees had been detected in the states of Tamaulipas and San Luis Potosi. He confirmed attacks against humans in Altamira, Tamaulipas. (Source: Notimex, 03/29/91)
