Regent President Robert Sanchez explained that the purpose of the meeting was to continue discussion of the UNM 2000 Plan, and that the Regents would consider again the matter of the Branch Campuses and the Graduate Studies Program at their regular meeting scheduled for August 14, 1990.

Regent Siegfried Hecker and Vice President Paul Risser led the discussion on the following subjects: (1) research, creativity and scholarly activity; (2) public service; (3) leadership and management; and (4) financial support.

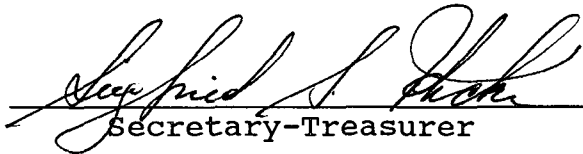

Following the discussion Vice President Risser distributed copies of a partial revision of the Plan which reflected the comments and ideas expressed at the two previous meetings. The Regents were asked to review the revisions before the August 14 meeting and the final discussion of the Plan.

The meeting adjourned at 11:35 a.m.
