JOSEPH, in his endeavor to prove Catron a liar has fastened the sting on himself. His own letters, written from Washington to Catron did it in part, and now a letter from Senator Platt clarifies it.—Joseph has been free in charging that Senator Platt had told him that "Catron was the most unblushing liar he had met with during his public career." Mr. Catron mailed a copy of Joseph's charge to Senator Platt and received the following reply dated at his Connecticut home, Sept. 24:

"I deem it due to you to say that Mr. Joseph never showed me any letter from you whatever—that I never used the language that is attributed to me in the extract or anything like it, either to Mr. Joseph or to anyone else.—Mr. Joseph must have been misrepresented, I think, in this interview, and he owes it to yourself, to me and to the public, to say that he never made the statements that are attributed to him. Yours truly,
O. H. PLATT.

B. M. THOMAS, Territorial Secretary, and Acting Governor during the absence of Gov. Prince, died at his home in Santa Fe, on Monday night last.

DOCTOR PATTERSON has returned. He says he will take his accusers on their charges against him in court next week.

OUR ELEVENTH YEAR.

On September 24th, the LEADER rounded the 10th year of its existence and is now traveling the eleventh age of its history. It is therefore meet and fitting, as it is natural, that we drop into a reminiscent mood and see if in the period indicated our town and county have stood still, retrograded or advanced. 1882, the year in which our bantling was born, will be our starting point—mining will be our opening theme. And first, Baxter Mountain—then and now.

In '82 it was supposed that ore would be found in veins. So far it has not been the case, but in clusters and deposits.

Sufficient ore has been and is now being found to encourage any mining man who understands the conditions of the ground. So called experts stated that no ore would be found below 200 feet, because a flat slip there appeared. This was in 1883. Fifty feet below this depth ore was found and has continued lower since. This mine, as well as all in the camp, want and demand pluck and money to thoroughly prospect, and the chances are all on the side of success and finding real bonanzas.

NORTH HOMESTAKE.—Discovery shaft of this, now rich mine, was, in '82, down 40 ft. with drift to top of shaft 60 ft. The present working shaft, called "Solitaire," was not started until 1883, but no systematic work was begun. The mine was discovered by Jack Winters in '79.

Now, the main shaft, "Solitaire," is down 965 ft., with average stations every 40 feet, and an aggregate of about one mile in drifts. This is on the north end of the mine. On the south end a shaft 310 ft. deep, with levels 50 to 153 ft. in length, produced in 10 months sufficient profit to pay for the mine—\$75,000. The mine is now steadily producing ore, being milled on its 2 Huntingdon, Landerwood hoists, Air Bellows, and all necessary machinery for economical working, completes a most perfect mine and plant. The mine and belongings are owned by J. M. Sigafus.

OLD ABE, LITTLE MAC, COMSTOCK, RIP VAN WINKLE AND BLACK PRINCE.

Speaking with Col. Prichard the other day about his first mining experience at White Oaks, he said: "I came here, the first time, in the fall of 1879. The Homestake Mine had just been discovered by John Winters and John E. Wilson. There were only seven or eight miners here at that time. I remember their names very well. Besides the two men I have mentioned, there were A. P. Livingstone, Jas. M. Allen, O. D. Kelsey, Chas. Starr and James Woodland. Wilson and Woodland are the only ones left; the others are all dead except Charley Starr, who I am informed lives in California. The mining claims located after the Homestake were, the Rip Van Winkle, Comstock, Little Mac, Black Prince, the Starr and Old Abe. These claims were located by Livingstone, Allen, Kelsey, and

tive interest. During that month Chas. Hamilton discovered cropings of value and he, Watson and Lund began a shaft which the owners soon took control of. This shaft is now down over 600 feet. For 12 months ending Oct. 1, 1892, this shaft has produced 50 tons of ore per day, which has averaged between \$15 and \$20 a ton. Mr. Howitt is now in Chicago ordering a complete milling plant to be erected at this shaft.

BUTSTON.—This mine was located in '86. Gold has been found in yearly assessment work since, but as a mine it has never had any real development work done yet. John Y. Hewitt is the owner.

Republican Platform

The representatives of the Republicans of the United States as assembled in general convention on the shores of the Mississippi river, the everlasting bond of an indestructible republic whose most glorious chapter of history is the record of the Republican party, dedicated to their countrymen on the patriotic merits of the nation under the banners inscribed with the principle of our platform of 1858, vindicated by victory at the polls and prosperity in our fields, work shops and mines, and make the following declaration of principles.

We reaffirm the doctrine of protection. We call attention to its growth abroad. We maintain that the prosperous condition of our country is largely due to the wise revenue legislation of the Republican congress. We believe that all articles which can not be produced in the United States, except luxuries, should be admitted free of duty, and that on all imports coming into competition with the products of American labor, there should be levied duties equal to the difference between wagon abroad and at home. We assert that the prices of manufactured articles of general consumption have been reduced under the operations of the tariff act of 1890. We denounce the efforts of the Democratic majority of the house of representatives to destroy our tariff laws by piecemeal, as manifested by their attacks upon wool, lead and lead ores, and we ask the people for their judgment thereon.

We point to the success of the republican policy of reciprocity upon which our export trade has vastly increased and new and enlarged markets have been opened for products of our farms and workshops. We remind the people of the bitter opposition of the Democratic party to this practical business measure, and claim that as executed by a Republican administration, our present laws will eventually give us control of the trade of the world.

The American people, from tradition and interest, favor bi-metallism, and the Republican party demands the use of both gold and silver as standard money, with such restrictions and under such provisions to be determined by national legislation as will secure the maintenance of the parity of value of the two metals, so that the purchasing and debt paying power of the dollar, whether of silver, gold or paper, shall be at all times equal.

The interests of the producers of the country, its farmers and its workmen, demand that every dollar, paper or coin, issued by the government shall be no good but another dollar.

We commend the wise and patriotic steps taken already by our government to secure an international conference to adopt such measures as will insure a parity of value between gold and silver for use as money throughout the world.

We demand that every citizen of the United States shall be allowed to cast one free and unrestricted ballot in all public elections, and that such ballot shall be counted and returned as cast; that such laws shall be enacted and enforced as will secure to every individual, rich or poor, native or foreign born, white or black, this sovereign right granted by the constitution.

The free and honest popular ballot, the just and equal representation of all the people, as well as their just and equal protection under the law, are the foundations of our Republican institutions, and the party will never cease to effect until the integrity of the ballot and the purity of the election shall be fully guaranteed and protected in every state.

We denounce the continued inhuman and pernicious action of American officers in political causes in certain southern states of the Union.

We favor the extension of our foreign a marine, the capture of our merchant ships and the invasion of our territory in violation of our national interests and of those of all other nations, as well as the power of the president to make war with no law and the violation of the rights of neutrals.

We demand our removal of the Mexican and all other in the interests of the health and safety of the public in the land lost.

We favor the enforcement of more stringent laws and regulations for the restriction of criminal, proper and contract immigration.

We favor sufficient legislation to protect the life and liberty of employees of transportation companies engaged in carrying interstate commerce, and recommend such legislation by the respective states as will protect employees engaged in state commerce in mining and manufacturing.

The Republican party has always been

the champion of the oppressed and recognises the dignity of mankind irrespective of race, color or nationality; it sympathizes with the cause of home rule in Ireland and protest against the persecutions of the Jews in Russia.

The ultimate salvation of free popular government is the intelligence of the people and the maintenance of freedom among men. We, therefore, declare now our devotion to liberty of thought and conscience, of speech and of the press and appearance, of assembly and of demonstration, which was reflected in the original 1st amendment to the Constitution of the United States.

We condemn the suppression declared in the "Tribune" of New York, that it is a violation of our civil rights to tax or otherwise to interfere with the exercise of our citizenship. We heartily endorse the action already taken under the leadership of Mr. T. C. Deane, and his colleagues, and to render their enforcement more complete and effective.

We approve the policy of extending to Texas, etc., the same franchises as are enjoyed by the citizens of the free dominions, and demand that the declaration contained in the Declaration of Independence, the recognition of the independence of the colonies, and the equality of man, be extended to the entire globe.

We condemn the conduct of the Mexican general of the highest importance to the American people as a usurper of the national American dominions and should be condemned by the United States government.

We favor the adoption of the resolution to prohibit the publication of documents of the government or the secretaries of the United States. All U. LIST OF LETTERS

Uncalled for and remaining in the White Oaks Post Office one month Oct. 1, 1892:

Alexander, J. V. Barn, Peter
Bryan, S. J. Bryant, Chas. L.
Caldwell, P. V. Davis, Ella Mrs.
Eber, Felipe Felton, Milton
Farland, M. C. Hauck, W. H.
Lyman, Alberto Moya, Francaise
Marsh, Clarence Richmond, B. F. 2
Seaton, Frank Wood, Mollie
Weidly, Albert W. Williamson, Harry
White, J. M. Wilson, W. H.

Persons calling for any of the above letters will please say "advised."

Ella G. Timoney, P. M.

SOME two weeks ago the G. A. R. and W. R. C. set about making arrangements for the proper observance of Columbia Day in White Oaks and to that end enlisted interest outside those organizations through committees composed of active ladies and gentlemen who are now formulating a programme for the Day which will be published next week.—Suffice it now to say, the school children will form central figures in the Flag raising during the forenoon, as also at the Hall in the evening when they will divide time with their seniors in speaking singing, etc. The Day will be observed as a holiday throughout the United States, including White Oaks.

AN elegant line of candies will arrive at the post-office drug store next week.

The Rev. Crutchfield went to the R. R. Monday, but will occupy his pulpit Sunday.

For fat, luscious, juicy beef, go to the City Meat Market, opposite the Exchange Bank.

A. RIDGEWAY, J. L. Murdock and Jose Basa have been drawn as jurors for this term of court.

LAST Monday afternoon, James Henley and Miss Matthews of Nogal, were united in marriage. An all night dance followed.

THE PATOS SPRINGS JUNTA.—Col. Prichard and B. H. Dye spoke to the native people of Patos Springs Thursday night of last week. The meeting was well attended and a decided success in every particular. It is said that there are but two democratic voters in that locality and that in order to make the vote unanimous those two will vote the Republican ticket this election.

Our contract to write up the status of White Oaks and Lincoln county in 1892 as compared with 1882, is a more arduous one than we contemplated in the start. It will run through two or three issues of our paper. Once tackled we will not let loose until the work is properly completed.

Ralph Waldo, who was the advance agent of Stutt's theatrical troupe, which performed here over a week last July, was drowned in Arizona last week.

11 pairs of genuine California blankets, in white, scarlet, grey and brown, just the thing for the cold nights—from \$1 a pair on, at Goodman, Ziegler & Co's.

DR. BEARUP and his brother came in from the R. R. Wednesday. They will tarry here a few days before pulling out for Roswell.

LAst Sunday Mrs. Schrootz, Joe Greshoeber and W. W. Dodd, left for Old Mexico. Their departure was generally regretted. The LEADER will be their oasis there.

G. S. TREAT has sold his meat market and butchering business to Frank Gibbons and Rufus Russel, whose place of business will be in the old Collier post-office building on Placer St.

AT the raffle for the elegant crazy quilt put up by the G. A. R. and W. R. C., for the benefit of K. Harrison, last Saturday night E. W. Parker threw 46, winning the beauty.

SUNDAY, the 16th inst., will be observed by the Roman Catholics of this Nation as Columbia Sabbath, while Protestants will observe Sunday the 23rd, as the proper day. We opine that it will be all the same to God.

WHAT'S the matter with our newly elected school board that they are taking no steps looking to the building of a school house? Such action would reflect credit on our town and confer benefit to our children.

How's This?

We offer One Hundred Dollars Reward for any case of Cancer that cannot be cured by Bell's Calcareous Cure.

From a Lincoln Democrat,
Lincoln, Oct. 4, 1892.

ED. LEADER—

I suppose you think your reply to my last communication silenced me; if so, that is another mistake you have made. I've been waiting developments so that I could give you reliable information in regard to the political situation.

Now you must know that Lincoln is nothing if not political and you must admit that White Oaks is in the back woods as it were politically speaking. The Third Party met at the political center last Saturday but failed to materialize. Now do you know what that means? It means the election of the entire democratic ticket, as the Third Party are all democrats. That Republiquo ticket "without a scrub on it," is now doomed. Save!

DEMOCRAT.

[Rate.—Ed. LEADER.]

NEVER was such a heavy and varied stock of goods introduced in this market as is now on exhibition and sale at Goodman, Ziegler & Co's. There are mountains of dry goods, stacks of overcoats and clothing, ladies' cloaks and shawls, piles of jackets, and oceans of things calculated to make women's eyes glisten. Beside Albert and Jake Ziegler there is John Gumm, whose smiling face adds lustre to the goods and whose winsome ways takes the edge off of regret at parting with money for purchases. The firm say that never before were goods held at so low figures in the eastern markets as now and that never did they sell at figures so low as they have now marked their mammoth stock at.

Old Soldiers Take Notice.

I have received a large supply of Pension blanks and will make out your applications FREE OF CHARGE, and forward them to Col. S. P. Hineline, of Washington, D. C., a thoroughly competent Pension Attorney who will see that your claim is properly cared for.

EDWARD.

For the delivery of bay horse and mare both brands half circle, cross on left thigh, to myself at White Oaks, or to Nabors pasture at Carizzo Ranch, or will pay \$10.00 for any information that will lead direct to recovery. A. Ridgeway.

JOSEPH and Ferguson were excommunicated here this week on a proselytizing mission. Word has been received that they will get here next week and address the democracy at Bonnell's Hall, next Tuesday evening.

FLANNELS—A complete line of flannels in blue, scarlet, white and grey, also fancy flannels, just received by Goodman, Ziegler & Co.

MISS-OUTS GRAB
The only way to get rid of miss-outs, all staining, Perfect for the laundry, and for the housewife, made of the finest materials with great durability. Price \$1.00 per lb. Weighted with fine wire. Made in U. S. A. Satisfaction guaranteed. P. M. C. Company, 100 Main Street, Newark, N. J.

\$300 Reward for Ore Thieves.
The common experience of this camp shows that much is lost by the same operators by the stealing of gold. In some cases, not in a single instance, has the company been successful in recovering the stolen gold. Therefore, the "Old Abe" Company offers a standing reward of Three Hundred Dollars for the arrest and conviction, or information leading to the arrest and conviction of any person guilty of stealing any of the property of the Old Abe Co., even the smallest specimen of ore.

The rule of this company is to melt all specimens. Therefore none of the ore from this mine can be honestly held as specimens. And as the receiver, with guilty knowledge, is as guilty in law as the thief, this offer applies to the holder of Old Abe specimens.
