## CUBA IN CONGRESS!

**Congressman Clark Makes Strong Partisan Speech.**

Bailey, Democratic Leader, and Speaker Reed, Cross Words.

The Teller Silver Resolution Taken Up in the Senate.

### PRESIDENTIAL APPOINTMENTS.

Washington, Jan. 20.—The house resumed consideration of the diplomatic and consular appropriation bill. Clark (Dem., Mo.), opened the debate with his characteristic fiery speech. He said: "If Spain does not bring the war to a speedy conclusion, the United States ought to expel her from the western hemisphere. There can be no doubt what has been our traditional foreign policy. What our foreign policy is under the McKinley administration, like the peace of God, passeth all understanding. "In these days when McKinley is, our foreign policy is so feeble, so cringing, so cowardly, that even old and decrepit Spain insults our flag, maltreats our citizens and searches our ships with perfect impunity, and President McKinley, instead of sending men of war to protect our honor, assert our supremacy and teach insolent and impotent donkeys a lesson they would never forget, passes the hat around and invites the American people to contribute alms for the starving and dying Cubans."

"My republican friends," he said, in conclusion, "I invite you to lay aside the weight that is holding you down, assert your rights, and come out on the side of eternal justice and human liberty, thereby demonstrating that you are worthy of the high vocation to which you are called. The democrats and populists stand here ready to remove from America her great reproach."

"We on this side will contribute 152 votes. If only twenty-seven republicans will break the yoke, their taskmasters and join us in this noble work, before the sun sets this day, we will send the glad tidings ringing round the world that 'Cuba is free—free, thank God, by the act of the American congress.'"

At 4 o'clock the debate closed, and Bailey, the democratic leader, moved to re-commit the bill with instruction to report the bill with an amendment embodying the terms of the senate Cuban belligerency resolution.

Hitt made the point of order that the amendment was not germane and the speaker ruled it out of order. An appeal was taken from the decision of the chair. Bailey asserted that the speaker gave assurance that the minority should have the right to vote directly on the motion to recommit.

The speaker denied this emphatically. Both men were white with rage and the house boiling with excitement. On a vote the appeal was laid on the table—161 to 114 and the bill passed.

### THE SENATE.

Senator Vest moved to take up the Teller silver resolution in the senate. Senator Lodge moved an executive session. The latter motion was voted down, 27 to 30. The silver men voted solidly and were aided by several western republicans and Quays.

No democratic vote in the affirmative. The Teller resolution was then taken up by a vote of 41 to 25.

At 2 o'clock the Teller resolution was made unfinished business and an agreement was reached to lay it aside, the senate going into executive session.

Mills (Texas) secured passage by the senate to-day of a resolution directing the secretary of war to make an examination of the Fort Arthur ship canal with a view to its extension to deep water.

Allen (Neb.) introduced a resolution directing the secretary of the interior to send the senate the full and explicit charges against Mrs. M. E. Roberts, recently dismissed from the pension bureau.

Considerable discussion, without result, occurred, it being developed that Mrs. Roberts had been discharged on allegations affecting her character. Allen said he did not know Mrs. Roberts, but it was infamous to dismiss a woman on such charges without a hearing.

Pettigrew secured the passage of a resolution directing the secretary of the interior and the attorney general to inform the senate what steps the government had taken concerning the killing of a woman in Oklahoma territory by the Seminole Indians and the burning of two Seminole.

Tillman's resolution, extending the authority of the interstate and foreign commerce committee relative to the investigation of the giving by railroads of transportation for any other consideration than cash, was passed.

### DROPPED DEAD.

Richard Shoop, Expires at the Sherman House, Prescott.

This afternoon shortly before 2 o'clock, Dick Shoop, an aged miner, who has resided in Yavapai county since 1872, suddenly expired in the office of the Sherman house. He was sitting by the stove and got up; starting toward the door, he fell before reaching it and died within five minutes. He had been complaining of his heart for some time, and no doubt heart trouble was the cause.

Deceased was 61 years old, and an old soldier. He has been stopping with John Raible. Mr. Raible telegraphed to deceased's brother at Kingman. In the meantime, the body is at S. A. Logan's undertaking parlor.

The body will probably be laid to rest in the city cemetery.—Prescott Journal-Miner.

## HE WAS REMEMBERED!

**Shop and Railroad Employees Surprise Henry Giegoldt.**

He was Presented with a Purse Filled with Gold.

A Fair List of Law Transgressors Before Justice Crawford.

### JACK STONE AND WIFE.

The employees of the Santa Fe Pacific shops and also of the first division between this city and Gallup met at the railway reading rooms in north Albuquerque last night.

The meeting was called to order by H. D. McCarty, after which a committee was appointed to read and report Henry Giegoldt, ex-foreman of the shops, in the reading rooms. Mr. Giegoldt did not know what there was in store for him, but realizing that the committee was composed of friends, he accompanied them and on being ushered into the reading room, was surprised to find a roomful of employees, who had worked under him for the past few years.

Mr. McCarty was equal to the emergency, and on rising, in a neat speech, presented Mr. Giegoldt with a purse well filled with gold coins, remarking that "this was a token of the esteem and respect held for him by these assembled."

Mr. Giegoldt, collecting his thoughts after the surprise had somewhat subsided, responded, and feelingly referred to his duties while general foreman of the local shops and of the central inter-urban that always existed between him and those who worked under him.

The gentleman leaves to-night for City of Mexico, while his wife will go north on a visit to Kansas relatives and friends.

### Police Court News.

Ambrosio Contreras, the butcher of Durango, sued Jose Ignacio Rodriguez, a sheep herder for Nathan Barth, before Justice Crawford this morning for \$5 for the rent of his corral, where Rodriguez was not made a defendant with Rodriguez. The plaintiff thereupon served notice of appeal. Thomas Montoya represented the plaintiff and Donatiano Chavez the defendant.

Jack Stone was sentenced to thirty days in the county jail this morning by Justice Crawford for his disorderly conduct since his arrival in the city with his wife last Sunday night. The first act of the couple here was to call on the relief committee of the Non-Sectarian Benevolent society to secure alms, who provided them with a room and the necessities of life. Stone met a mining man, who was an acquaintance of his, and after the latter had purchased a bottle of whiskey, they repaired to Stone's room, where the latter indulged in strong drink until he became unruly and then it is said he made some indecent proposals to his wife. He was arrested at 7 o'clock last night and locked up in the city jail until this morning. Although his wife had him arrested for parting this morning was of a highly sentimental and gushing nature, and Mrs. Stone was like "Nicole all tears."

"Negro" Jackson returned to the city yesterday and immediately proceeded to get drunk. He was promptly arrested and is now occupying a cell at the city jail.
