BIBLIOGRAPHY OF PUBLISHED BIBLIOGRAPHIES
ON THE HISTORY OF THE ELEVEN WESTERN
STATES, 1941—1947:

A Partial Supplement to the
Writings on American History

Compiled by
WILLIAM S. WALLACE *

The American Historical Association's series of *Writings on American History* do not cover the years 1941 through 1947. Therefore, it is hoped the present compilation will serve to help fill in the hiatus insofar as bibliographies dealing with the eleven western states are concerned. The compiler has, within technical limitations, followed the entry form and abbreviations as used in the 1948 *Writings* [q. v.] and included published bibliographies of value to researchers in the history of Arizona, California, Colorado, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, and Wyoming.
