WANT PRESIDENT TO TAKE OVER TELEGRAPH LINES

By Associated Press.

St. Paul, June 13.—A resolution deploring the failure to satisfy the demand for a strike of union telegraph operators to enforce the recommendation of the war labor board and asking the president to take over immediately control of the Western Union and Postal telegraph lines was adopted today at a convention of the American Federation of Labor. Campbells wired President Wilson as follows: 'We wish to express to you our determination to give whole-hearted support to the government of our free country in this war to establish principles of freedom that will insure peace between nations. We pledge our loyal support and service until human freedom and equality shall be the common right of all people.'

FRENCH STRIKE HEAVY BLOW

By Associated Press.

Paris, June 13.—The French last night struck a heavy blow against the Germans advancing on the eastern wing of the front of attack. The French hurled back the enemy on the north bank of the Moselle river. Violent combats continue between the Aisne river and Villers-Cotterets forest. The Germans progressed as far as Ra- vinne east of Lavauven, north of Couy. The Germans last night made a violent attack on the Amer- ican sector between Beaurieux and Belbeuf wood on the Marne river. The Americans unhesitatingly broke up the attack on their customary way and inflicted seri- ous losses on the enemy, and holding all the gates they made. After violent fighting the enemy retreated as advertised.

BE PREPARED.

Put out your faces tomorrow, Friday, June 14th, it's flag day.

Tomorrow will be flag day and acting in accordance with the recommendation of the president and governors, J. F. Flowers has made a fine patriotic display in his store window. The center of the window is a framed picture of President Wilson, draped with the American flag. Grouped on both sides are a number of miniature soldiers, while two toy cannons add a military note to the scene. "Keep him free", is the caption on the picture of the large American eagle which has a prominent place on the wall, and that "We buy War Savings Stamps" is evident from the placards at various places. Patriotic postal cards outline the entire window and flags of all sizes are arranged to good effect. The entire window speaks for the patriotism of the proprietor.

There is an erroneous statement afoot around for which no one seems to be responsible, to the effect that the Federal Land Bank of Wichita, Kansas, will not loan money to New Mexico farmers. Mr. Ettier tells us this is a mistake as he himself has been instrumental in placing between $10,000 and $49,000 in Eddy county. These loans from time to time, J. F. Flowers has issued for a period of thirty-six years, at 5 1-2 per cent interest are very desirable. One result of the publication of the erroneous article has been to discourage parties from making applications for loans. Who is responsible for the statement is not now known but it has been published in a nearly all the papers of the state without editorial comment. The current clause makes the explanation and correction.

DEATH OF AN OLD RESIDENT.

James Lorton, for many years residing in Carlsbad, where he worked at his trade of saddler, expired at Ely also over a week ago, the cause of death being given as tuberculosis. He was somewhere between forty-five and fifty years of age. Mr. Lorton has been gone from Carlsbad over two years—leaving first for Arizona and later going to Ely Pano. A wire received here from a brother announced the fact that the remains will arrive in Carlsbad this evening in care of the brother coming from the south. They will be taken in charge by Undertaker E. M. Thomas and conveyed to the mortuary from which place the funeral will be held at 9:30 tomorrow morning, with interment in City Cemetery. He leaves a wife and two children.

Members of Eddy Grove Camp No. 5, W. O. W., are requested to meet at the hall at 9 o'clock sharp tomorrow morning (Friday) for the purpose of attending in a body. A further report will appear in Friday's Current.

Mrs. Johnny Hill and daughter, Nell, were over night visitors in Carlsbad. Wednesday night, returning from a visit to Dexter, where Mrs. Hill's mother is living. The Hill family formerly resided here, but are now living in Eddy county. Their many friends here would like to have longer visits.

There is nothing needed in the printing line.

Local "Four Minute Men" have received their insignia of honor. It consists of a bronze bar, with the letter M M flanked on each end by the figures 4. The badge is quite pretty and attractive and will be a good period piece for a person, who from night to night, day by day, are paths that carry the subjects of interest to our people in this crisis of our history.

KEEP FAITH WITH
YOUR BOY “OVER THERE”

When your boy was so little that all the world was a foreign country to him, he trusted you to take care of him. You sent him to school and to play and on your little errands, and with implicit faith he did your bidding.

Now we have sent your boy or your neighbor's boy out into a foreign land, into terrors that he cannot even know—and his faith has not faltered. He knows we will do our part if he does his.

FRIDAY, JUNE 28TH
NATIONAL WAR SAVINGS DAY

Saving to help our sons is not to be called by the ugly name of duty or sacrifice. It is love's blessed privilege.

Are we keeping the faith? Are we scrimping and saving and giving to help our boys do this thing that humanity has asked of them, and to help them come back to us sane and whole? Are we doing not only our bit, but all we can?

Aborigines of Australia.

For the protection of the aboriginal Australian race there are institutions under the supervision of aboriginal boards, where the blacks are housed and encouraged to work, the children receiving elementary education. The work is usually carried on at mission stations, but many of the natives are nomadic in habit of life, and receive food and clothing when they call, while others habitually come under the notice of the boards.
