Minutes of the Meeting of Executive Committee
University of New Mexico,
Held on University Campus, 1.00 p.m., May 15, 1919

Present: Dr. Reidy
Mr. Brooks

Machine Shop—Mr. Leupold showed the members the stakes that had been set for the location of the proposed Machine Shop building, and after looking the situation over the location, as proposed, was approved; that is to say, the building to be 107 x 112 feet, so located as to be a western annex to the Engineering Building shown upon the general plans prepared by Mr. Byrne of Chicago, the east wall of the Machine Shop to become, later on, a part of the west wall of the Engineering Building.

Mr. Leupold had previously presented to the members, including Dr. Boyd, the plans and specifications for the proposed Machine Shop Building, which at this meeting were duly approved.

There being no further business, adjournment was taken, subject to call.

(Signed) G L Brooks
Chairman
