GONE TO NEW YORK
Mitchell Will Confer
With Wright.

Rumors of Peace Were
Revised.

Superintendent Kodick Attached
By Words of Striking Miners.

THE COAL SITUATION.

Williamson, Pa., June 3—President
Mitchell will be in Philadelphia, Pennsylva-
nia, today, when the coal miners hold con-
cerations there. Mitchell will confer with
Wright, with whom he was in conversa-
tion in New York last week, to plan the
future policy of the United Mine Workers.
Because mining towns of great impor-
tance were not represented at the
National Miners' Congress at Harrisburg,
Wright is expected to return to the city
to confer with them in person.

JONES WAS UNSELFISH.
Claim Against Cooper of In-
diana Affairs Not Sustained.

Washington, June 3—A report today
was made from the com-
mission of a hearing in the
suit of Mrs. Mary Jones, of
Beckley, W. Va., who
sued the Mingo Coal
Company, the principal of
which is John J. Cochran,
Beckley, for
$30,000 damages. The
suit was filed in the Wash-
ington office of the United
States court.

BROTHER WRIGHT.

THE LARGEST NEW MEXICO CIRCULATION.

Some of the best of modern photographs and from all over the world. A carefully selected and revised collection.

Copy of this paper may be found in the Public Library or our special correspondents, U. S. B. offices.

New Mexico demands Statistics from the Fifty-Seventh Congress.

Term of Southern

Appalachia has become a task nursery for the new slaves who have been produced by it. The slave population of the Southern States is enormous, and it is estimated that there are more than a million and a half of them in the South. They are the owners of the country, and they own the land.

A whole lot of famous cities were built on feet, and not on much to do with the rest of the world.

This is one of the most interesting of the European countries. It is a land of great beauty and is full of interesting history. It is a land of great potential and is full of interesting history.

It is to be expected that this good news will be taken as a bad news by the people of the world. It is to be expected that this good news will be taken as a bad news by the people of the world.

We have been asked to state on the head of the Republican party, and we have been asked to state on the head of the Republican party.

The State of New Mexico.

Although the government is the responsibility of the people, the people have been asked to state on the head of the Republican party, and we have been asked to state on the head of the Republican party.

It is to be expected that this good news will be taken as a bad news by the people of the world. It is to be expected that this good news will be taken as a bad news by the people of the world.

**Railroad Topics**

The locomotive service at Raton, N. Mex., was temporarily suspended on the evening of July 4 when an attempt was made to move a train of freight cars to form a passenger train from San Antonio and Galveston to Malibu, 46 miles away, and the train was later abandoned. The effort to recover the passenger train was successful, however, and the train was removed from the tracks without injury to the engine or crew.

**Kodak Cure**

**Dyspepsia Cure**

Indigestion affects so many organs besides the stomach, that the use of drugs which sometimes mislead. Stomach ailments, and heartburn troubles are usually caused by indigestion alone. In such cases the correct procedure is to follow a diet for the stomach. Kodak is prepared to relieve the symptoms of indigestion by its friendly, non-irritant effects. The result of taking Kodak in the form of powder, liquid, or tablets is better digestion. The resulting relief from indigestion will be enjoyed without stomachic discomfort. It is given in doses of one tablet or one teaspoonful of Kodak every hour until the symptoms of indigestion are relieved.

**Cures All Stomach Troubles.**

The Scotch blender makes every meal a pleasure. It is an ideal kitchen aid. It makes soup, coffee, punch, jellies, and many other dishes. A few minutes of time and a few cents of money make a Scotch blender a necessity for every home.
