The day before Christmas, Mrs. W. W. Seidener, issued a warrant for the arrest of her two sons, Ernest and Elva, who were charged with attempted murder. The two sons were known to be in the vicinity of the barracks when the bomb fell, but no trace of them has been found.

**Responsibility**

You wouldn’t pay railway fare to anybody who happened to ask you for it, but only the one that’s plainly marked with the stamp of responsibility—the *Triangle A*.

You know what you’re going to do when you buy a "Triangle A" Cigar

What do you know about the nameless and irresponsible cigars offered you?

The *Triangle A* is a guarantee of quality and irresponsible buy.

It’s plain proof that we are willing and anxious to have the American Cigar Company’s cigars judged strictly on their merits.

The "Triangle A" has a wider meaning than that of a mere identification mark.

One Side stands for knowing how.

Another Side stands for equipment.

And all that would never be worth a last year’s calendar to you if the third side of the "Triangle A" did not stand for the dependability of the American Cigar Company to give the smoker all the benefit of its cigar knowledge and cigar-producing equipment.

Therefore—the American Cigar Company is taking this occasion to assure you that its "Triangle A" is a public sign of its definite, positive and unchangeable intention to supply to the best cigars that its unequalled equipment and experience are capable of producing.

We manufacture a large number of brands of different blends to suit individual tastes.
