SAYS HE WAS HELD UP.

Steve King, Feb. 23.—My attention is called to the statement that my wife has been "held up." No such incident has occurred. I have gained the impression that W. J. Smith, who is in charge of the police station, is in a hurry to get his wife to "hold up" an occasion, that she may obtain a license. I have been asked to take the matter up with him, and I am afraid that he will not be able to do so any time soon, as he is busy with other matters.

It is a bane to many that in the younger age, the heart breaks for some trifling matters. Our wife's heart is in such a condition that it is broken every time she sees a little boy. It is a sad sight to see her with a tear in her eye, and it makes her sad every time she sees a little boy. It is a pity that she is so sensitive, and it makes her sad every time she sees a little boy.
