She is Trying to Convert Her Captors to Christianity.

Constantinople, Dec. 12.—The latest information regarding Miss Stone and Mme. Talika indicates their condition has been so far ameliorated that they are able to obtain some comforts. It appears that the brigands are complaining that Miss Stone is attempting to convert them to Christianity. While recognizing the illegality of the abduction the brigands contend their action was in the interest of a sacred cause, and therefore justifiable.

It is understood that recommendations have been forwarded to Washington proposing that an ultimatum be sent to Bulgaria.

Isaac, full back, G. Bruner, right half back, W. Danford, left half back, Max Gilmore, quarterback, B. Miller and W. Philphey, substitutes. J. O. Miller, coach. The left half back, W. Danford, is also captain of the eleven.

The game tomorrow will be their first match game, but the boys are in good training with average weight of 160 pounds, and judging from appearances, will give a good account of themselves in the game with the Normal.

Some efforts have been made to arrange a game between the A. & M. college team and the Albuquerque Guards eleven, but as yet nothing definite has been concluded.

ATTOR THE DOCTORS.

Dr. C. H. Conner After the Territorial Board of Health.

Hon. Neel B. Field, of this city, was in Santa Fe Tuesday and appeared before Judge John A. McFie with a petition for a mandamus on the relation of Dr. C. H. Conner, who recently was refused a license to practice as a physician in the territory, although he had a diploma from a reputable and recognized school of medicine and had practiced under the same in the states of Missouri, Kentucky and Ohio. An alternative writ of mandamus upon the showing made by the petitioner, was granted by Judge McFie directing the board of health of New Mexico to issue such license asked for or to show cause why same should not be issued. The matter is set for a hearing before Judge McFie in chambers at the territorial capital on Saturday next.

Dr. Conner was here himself on Monday, and through the courtesy of Hon. Neel B. Field, filed his petition in the district court for the writ of mandamus to compel the territorial board of health to issue him a certificate to practice his profession, and in that petition the doctor says:

"The said respondents contriving and intending to prevent my petitioner from engaging in the practice of medicine, wrongfully and without authority of law declined to issue such certificate, but arbitrarily and without any reasonable excuse therefor, decided or attempted to decide that the said Marion Stimpus college of medicine, of
