THE TELEGRAPHIC MARKETS.

St. Louis, Nov. 30.—President Joseph R. Lucas, Jr., of the Wabash, still insists that the given number of dead and injured in the wreck near Seneca, Missouri, is exaggerated. His latest report from Superintendent Burns places the number of dead at twenty-one and the severely injured at twelve.

Case Compromised. St. Louis, Nov. 30.—The case of Patricia Higgins against Capt. A. P. Lucas and others has been compromised. Higgins alleged it was due to his efforts and through his knowledge that Captain Lucas struck oil. He estimated the value of the find at \$100,000, and sued for 10 per cent of the amount.

ARMY AND NAVY.

A Great Game of Football at Philadelphia.

Philadelphia, Nov. 30.—Every available seat for the football game this afternoon between the West Point and Annapolis teams has been disposed of and requests for 15,000 tickets were refused. President Roosevelt and the members of the cabinet, General Miles, Admiral Dewey and other prominent navy and army officers occupy boxes. THE PRESIDENT WAS THERE.

Washington, Nov. 30.—President Roosevelt and Mrs. Roosevelt and many officials left this morning to attend the West Point-Annapolis football game at Philadelphia. The president was as enthusiastic as any outgoing crowd. "I am occupying," he said, with a hearty laugh, "the position of rick man."

Franklin Field, Nov. 30.—The president and party arrived at the ground at 1:50. The huge stand arose on either side of the field, and the president and party were seated in the front row. The navy won the toss, and took the west goal, with a slight wind at their backs.

The navy made a touchdown, but missed the goal. The first half ended: West Point, 5; Navy, 0.

Franklin Field, Nov. 30.—Daily kicked field goal for West Point from the twenty yard line. Score: West Point, 6; Navy, 0. The army scored touchdown and goal in the second half. Final score: West Point, 16; Navy, 5.

Resolved, That while we bow in humble submission to the will of God and Redeemer, we no less mourn the loss of our worthy brother, who was cut off in the midst of a career of usefulness.

Resolved, That in the death of our deceased brother, Rio Puerco division No. 446 has lost one of its most active and devoted members. The Santa Fe Pacific railway company, a trustworthy and competent engineer, and his family a devoted and affectionate father and husband.

Resolved, That while we keenly feel the loss we have sustained as a fellow workman and brother, we can but hope that the dear soul who fills the hearts of those who loved him, and in this their saddest hour, will extend to them their tenderest and most heartfelt sympathy, realizing, as we do, the greatness of their loss. We desire to transition which his life and fidelity won for him in our hearts, while we shall always cherish the brightest recollections of his many virtues.

Resolved, That, as an expression of esteem and regard for our deceased brother and as an expression of our sympathy and friendship for the afflicted family, we draw our hearts in mourning, and a copy of the foregoing resolutions be furnished, under the seal of Rio Puerco division No. 446, to the heart stricken family of our deceased brother, also spread the minutes of our division and print in the Albuquerque papers.

CHINESE RAISING A FUND.

Chicago, Nov. 30.—A combination of the most important school apparatus dealers in the country has been effected, it is said, by the American Synchro Company. James H. Teller, brother of United States Senator Teller, of Colorado, is mentioned as the leader of the movement. "The community of interests" idea on the cooperative principle, rather than a trust agreement, is the basis of the organization, the main purpose of which, it is claimed, will be to improve the existing trade methods.

Mr. Napier Kindly Remembered. Last night, at the home of Miss Belle Sowers, was held one of the most pleasant affairs since the opening of the university. The university girls gave the football team and their coach, Mr. Joseph Napier, a reception. The evening was spent in dancing and singing. Miss Johnston and Miss Hill played a duet. Miss Lou Anderson and Miss Sies sang solos. Mr. Paul Maloy, in behalf of the team, presented Mr. Napier with a gold pocket watch as a token of appreciation for the good work he had done for the team. On the back of the pocket watch the following words were neatly engraved: "To Mr. Napier, from Football team of U. N. M. '01."

INTERESTING SHORT PARAGRAPHS.

BLAND.

From the Herald.
Mr. Dora and wife left for Albuquerque, where he will take a position in one of the shaveries there.
Walter Benham is carrying his left hand in a sling as a result of coming in contact with poison ivy.
Little Miss Ortiz Thomas has been quite ill the past few days, but we are pleased to learn that she is rapidly recovering.
Mert Wagner, owner of the stage line, drove up last Tuesday in the place of Mr. "Frenchy," who is taking a lay off. We were informed that "Frenchy" was going to get—well, we don't know how true it is so we won't say anything about it. If it is so we wish him much better.

The Western Union Telegraph company has removed its office to the other side and Mr. Carson will probably take charge of the express business here. In this event Mr. Carson will move the postoffice to his residence and operate it in conjunction with the telephone business. This latter move will no doubt call for calculations of horror from the people in the upper end of the town, but as the majority of the people here are in the lower end of town it will be seen that it is a wise and proper move.

We wish to thank our kind and generous readers for their liberal donations of turkey, etc., this Thanksgiving. It fairly made tears come to our eyes as we looked over the vast display sent in for this occasion. We did not know we had so many loving friends in this camp. We regret, however, the modesty of the donors compels them to request that their names be not published; but we feel sure that the great recording angel has their names down on his book in indelible ink ere this. We are sure that a great editor is strictly with us.

A Great Medicine.
"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy and find it to be a great medicine," says Mr. E. S. Phillips, of Poteau, Ark. It cured me of bloody flux. I cannot speak too highly of it. This remedy always wins the good opinion, if not praise, of those who use it. The quick cures which it effects even in the most severe cases make it a favorite everywhere. For sale by all druggists.

Adolph Blumer, Grand Mound, Ia., writes: "I have used Foley's Honey and Tar in my family and I think it is the best cough medicine I have ever used. It would not be without it in my home, as there is nothing so good for coughs and colds. Alvardo Pharmacy."

CERRILLOS.

From the Register.
J. B. McKinley, of Madrid, left for Carthage, N. M., where he has a position as superintendent of a mine.
The other evening G. W. Ford came near losing his life. He was riding his horse alone near Ortiz station, when he was thrown from his horse and killed. One of the large work horses got into the quicksand. Johnnie got out in a few minutes without being injured, but Mr. Ford and his horse were with him worked several hours with the large horse and when they got him out he was so out with the sharp shoes he had on that he will not be able to work for some time.

The other evening a merry party of the friends of Miss Hattie Eames gathered at her home to give her a surprise party before she should move to Madrid. The surprise was well planned and everything passed off in a very pleasant manner. The evening was spent in singing and playing games, refreshments were served and all seemed to enjoy themselves. Those present were: Messrs. Eames, Eames, W. A. Brown and Charles Kimball, Misses Ruth Buell, Ada Rashworth, Anna Hull, Agnes Newhouse, Frances Gregory, Nellie Laine and Genevieve Flaherty. Mr. Eames, Mr. J. McLeary, N. E. Crenshaw, J. H. Hughes, A. T. Stewart, Fred North, James Dixon, Munson, Dick Green, Jesse Hall, Harry Forsyth and N. S. Rose.

Starting, But True.

"If everyone knew what a grand medicine Dr. King's New Life Pills is," writes Dr. H. Turner, Dempseytown, Pa. "You'd well sell them in a day. Two weeks' use has made a new man of me." Infallible for constipation, stomach and liver troubles. 25c at all drug stores.

To Cure a Cough

Stop coughing, as it irritates the lungs and gives them no chance to heal. Foley's Honey and Tar cures without causing a strain in throwing off the phlegm like common cough expectorants. Alvardo Pharmacy.

SANTA FE.

From the New Mexican.
Mrs. Paulo Martinez presented her husband with twins.
Hon. E. H. Spence, of Indianapolis, special United States attorney in Indian depositions cases, came up from Albuquerque and will remain in Santa Fe for some time.

Mr. and Mrs. Henry Pleasant and Mr. Pleasant, Jr., of Wayne, Pennsylvania, who spent several weeks in Santa Fe, are now on their way to Albuquerque and from there to California.

Rev. R. M. Craig, of Albuquerque, and Rev. D. E. Pink, of New York, arrived on the noon train. Mr. Craig will preach in the Presbyterian church on Sunday.

Hon. R. Otero, register of the federal land office in this city, has been granted a nineteen days' leave of absence and will leave this evening for his ranch at Peralta, Valencia county, where he will spend the greater part of his time.

On the canyon road, Thanksgiving, a fierce cock fight attracted a large crowd. Considerable money changed hands among sports on the result of the fight. The cocks were provided with steel spurs and died game, even pecking at each other while in their death throes. City Attorney H. L. Ortiz is investigating the matter.

Herbert B. Ellis, of Providence, R. I., in company with R. C. Gibson, has been this week looking over mining properties owned by the Gibson Development company in which he is interested. Mr. Ellis is a financial manager of the La Estrella Coffee company of Oaxaca, Mexico, which company has 5,000 acres of coffee and rubber trees under cultivation.

Word was received in this city that Edgar Wilson of Indiana, who spent some time in Santa Fe for his health, and then went to the Grand Canyon forest reserve in Arizona as a forest ranger, had died at the Grand Canyon hotel of tuberculosis. Edgar Wilson had many friends here who had been under the impression that he was rapidly regaining his health in Arizona.

AZTEC.

From the Index.
Stevens, the alleged horse thief who was arrested last week, was arraigned before Justice Berry in Aztec and bound over in the sum of \$500 to appear before the next grand jury.

Ask Your Physician

When a good physician prescribes beer for a patient it is Schlitz beer. A physician knows the value of purity.

Ask him how germs affect beer and he will tell you that few stomachs can digest them. He will say at once that impure beer is unhealthful.

You will know then why we brew

under such rigid precautions—why we never filter the air that touches it, why we filter the beer that touches it, why we sterilize every bottle.

If you know what we know and what your physician knows about beer, you, too, would insist on Schlitz.

ROSENWALD BROS

Chicago, Oct. 26th, 1901.
MESSRS. HALL & LEARNARD, Albuquerque, N. M.
Gentlemen:—Your favor under date of October 22nd is received and contents carefully noted. We have looked your order for the several pieces to which you refer in that favor and in regard to the matter, we beg to say: owing to the very large increase in the demands made upon us we are having a good deal of trouble in making prompt shipments. Our business has grown much faster than we had anticipated and although we are constantly adding to our facilities and resources we find it absolutely impossible to keep up with our natural growth.
Strange to say this increased demand has come almost without any effort on our part either by advertising or otherwise. It has come in practically unselected and speaks volumes for the satisfaction which our plans must be giving wherever it has been placed.
We expect within the next few months to move into much larger quarters, after which we hope that we can give you and all of our other representatives prompt and more satisfactory attention.
Hoping this explanation for our recent tardiness will be satisfactory, we beg to remain, with kind regards,
Yours very truly,
CHICKERING BROS.
