natural resources journal

Published four times per year by the University of New Mexico School of Law

Vol. 26

Summer 1986

No. 3

The isolation of scholars in various fields concerned with resources problems continues to be a principal impediment to progress. . . . Resources problems are so complex that traditional lines of approach prove inadequate. . . . Rarely do we find the work of the lawyer and the non-lawyer appearing side by side. . . . The primary function of this [new] Journal is to meet this need. . . .
