SEVENTEEN STILL AT LARGE

Two Have Been Killed, Two Are Wounded and Five Have Been Captured—Four Are Hard Pressed and the Others Are Making for Indian Territory.

Kansas City, Nov. 9.—A message to the warden this morning said the posse, heavily armed, were on the track of the negro convict who was the instigator and ringleader of the conspiracy to escape and who is traveling with two other convicts between Lawrence and Nortonville.

The net result of yesterday's chase is as follows:

Nine of the convicts who escaped from the federal prison at Fort Leavenworth, Kas., Wednesday afternoon, had been accounted for this morning.

Two have been killed, two wounded, and five others captured. Four are being pressed closely and word is expected any moment that they have been captured or killed. The other fleeing convicts are still making for the Indian territory.

A telephone message from Leavenworth reports the capture of James Wilson, colored, the tenth convict to be taken. Wilson's feet were still shackled.

AFTER NEW MEXICO TRAFFIC.

Serious Competition in This Section for the Atchison, Topeka & Santa Fe.

Says the Denver Republican: H. B. Kooser, general western freight and passenger agent of the Missouri Pacific, Thursday announced the appointment of H. H. Storey as traveling freight agent for Southern Colorado with headquarters at Denver. Mr. Storey was previously contracting agent of the Wabash at Denver. Mr. Storey will cover all the territory as far west as Grand Junction and as far south as Santa Fe, New Mexico, which marks a radical departure from previous customs, and demonstrates that the Missouri Pacific intends to cut into the Santa Fe system's practical monopoly of this trade, which has recently been endangered by the building of branches in New Mexico by the Rock Island.

The building of the Santa Fe, Albuquerque & Southwestern and the Santa Fe Central roads, which will take place next spring, will open a large portion of the territory hitherto practically untouched, and the traffic from the stock industry and the rapidly developing mining sections is expected to be enormous within a few years.

The Smelter at Lordsburg.

A. R. Gibson, who returned from the southern part of the territory on Thursday, reports that the new smelter of the Union Smelting company at Lordsburg is one of the best equipped and most modern plants in that part of the territory. It will commence operations in 30 days and has already more ore than it can possibly treat with its present capacity.

MCKINLEY NATIONAL MEMORIAL ASSOCIATION

Governor Otero Has Been Honored With an Appointment to Membership of the National Committee.

HE APPOINTS A NEW MEXICO AUXILIARY COMMITTEE

Governor Otero has been appointed a member of the McKinley National Memorial association and in turn today appointed the following auxiliary committee for New Mexico, the scope of whose work is explained by the letter printed below and which has been addressed to each member of the auxiliary committee: R. J. Fale, John R. McFie, A. L. Morrison, Sr., J. W. Haynolds, E. L. Bartlett, J. Francisco Chavez, Arthur Seligman, A. M. Berge, and W. J. McPherson of Santa Fe; Jefferson Reynolds, William Mills, J. H. Cunningham and F. A. Manzanarez of Las Vegas; Henry L. Valdo and Frank Springer of East Las Vegas; Daniel H. McMillan and Abran Abeytia of Socorro; Frank W. Parker, A. B. Fall, H. D. Bowman and Thomas Branigan of Las Cruces; J. W. Crumpacker, W. B. Childers, C. M. Foraker, M. W. Flournoy, O. N. Marron, F. A. Hubbell and H. B. Ferguson of Albuquerque; Solomon Luna of Los Lunas; J. J. Hagaman of Ioswell; John W. Zollars of Hillsboro; W. E. Dame of Cerrillos; T. D. Burns of Tierra Amarilla; Venecio Jaramillo of El Rito; A. W. Thompson of Clayton; Jo E. Sheridan and H. H. Betts of Silver City; W. A. Hawkins of Alamogordo; Lorin H. Brown of Deming; L. C. Grove of Aztec; D. J. Leahy of Raton; Juan Santistevan of Taos; and Juan Navarro of Mora. The following is the letter addressed to each member of the auxiliary committee.

Dear Sir: At a meeting of the trustees of the McKinley National Memorial association held in Cleveland, O., I was requested to appoint a territorial auxiliary committee, who will meet and elect their chairman, secretary and treasurer for the purpose of collecting subscriptions in aid of erecting a suitable monument at Canton, O., in memory of our late beloved president, William McKinley. This auxiliary committee after election of their officers will appoint local committees throughout the different counties and cities in the territory, who will report to them. I enclose herein a copy of the territorial auxiliary committee for New Mexico and as you have been named a member of said committee, I would request that you aid in organization as soon as possible by the election of your officers for the purpose of securing the subscriptions as rapidly as possible.

Printed instructions will be sent me very shortly and I will forward to each member of the committee a copy of same. I will also have sent you large cards stating "Contributions received here." These can be placed by you in the different banks and stores throughout the territory, whom you authorize to receive subscriptions. A souvenir certificate will in due time be presented by the trustees of the National Memorial association to each individual contributor; each name is to be recorded and should be plainly written on subscription list. The above to be used when the subscription form especially prepared for New Mexico will be sent you. This committee will have supervision of the work in New Mexico, and each local committee is to act under the authority of and report to the territorial auxiliary committee. I would suggest that the state office be put in charge of a secretary who will have the necessary time to conduct the correspondence and supervise the work. The hearty co-operation of the newspapers throughout New Mexico should be invited to render what assistance they can in this work. I would suggest that personal letters be written to friends and acquaintances in New Mexico by the different members of the auxiliary committee, and also that they write to the different county school superintendents and to the principals of the different schools in the cities asking them to designate a day for the children to make their contributions. This plan is being carried on throughout the United States; for instance, Thanksgiving day would be an appropriate time to receive the offerings from the school children who desire to subscribe. Letters might also be written to the different territorial institutions and to religious, benevolent, patriotic, and other societies requesting them to circulate subscription forms among their associates, employees, members, neighbors, etc.

The public, parochial and other schools and colleges should be given special attention. It is desired that there be numerically a large offering, not alone from men and women, but from the children, the boys and girls, young men and women in the schools and colleges. Kindly let me hear from you regarding any suggestions you may have to make. Very respectfully, M. A. OTERO, Honorary Member of Association.

The stars include Chevalier Pietro Buzz, the famous tenor of La Scala at Milan, and formerly tenor with Adelina Patti; Mm. Doria, prima donna soprano of the principal Italian theaters and of Covent Garden, London; and Signor Varenell, a famous basso cantant, who has sung at St. Petersburg, Vienna, Paris, London, Milan and other European centers.

A GENEROUS OFFER.

Manager I. Sparks of the Water Company Will Contribute Water to the City for Sprinkling Purposes.

Manager I. Sparks of the Santa Fe Water and Light company, has been formally notified by the city authorities, of the resolution passed by the city council: "That the city does not require and will no longer use the water of the company for street sprinkling purposes for the reason that the city is without the necessary funds to pay therefor as provided in an agreement heretofore entered into by and between the city and that company, viz., that the city is to pay \$50 a month for water for street sprinkling purposes, in case the city failed to pay the company according to the contract for hydrant rentals."

Among these are resolutions on irrigation, on improvement on rivers and harbors, on the admission of territories, on a department of mining, on forest reserves, on the Nicaragua canal, etc.

A committee consisting of Hon. L. B. Prince of New Mexico; Hon. H. R. Whitmore of Missouri; Hon. Robert Graham of Colorado; Hon. W. M. Bunker of California, and Hon. J. M. World to End Next Year.
This is the recent decision of one of the prominent societies of the world, and while there may be a few people who will believe this prediction, there are thousands of others who not only believe but know from experience that there is only one cure for all stomach, liver and bowel complaints, and that is Hostetter's Stomach Bitters. It has been very highly recommended by prominent physicians because it has always been found reliable. We urge those who are suffering from indigestion, dyspepsia, constipation, flatulency, nervousness or insomnia to give it a fair trial. Do not accept a substitute. How many mothers realize that when the baby's advent is expected they need strength for two instead of one. Women, weak, nervous, "just able to drag around," find themselves confronted with coming maternity. They have not strength enough for themselves, how can they have strength to give a child? We don't look for the birth of strong ideas from a weak mind. Why should we expect the birth of strong children from weak mothers?

The way to ensure health and strength to mother and child is to use Dr. Pierce's Favorite Prescription as a preparative for motherhood. It brings the mother's strength up to the requirements of nature, so that she has strength to give her child. It nourishes the nerves and so quiets them. It encourages a natural appetite and induces refreshing sleep. "Favorite Prescription" makes weak women strong and sick women well. There is no alcohol in "Favorite Prescription" and it is free from opium, cocaine and all other narcotics.

"I wish to let you know the great benefit my wife derived from taking your Favorite Prescription," writes Mr. Robert Harden, of Brandon, Manitoba, Box 235. "It was when her baby came. We had heard so much of your medicine that my wife decided to try it. (I may say my wife's age was thirty-three and this was her first child.) She continued to take 'Favorite Prescription' five months before her child was born. We have a fine healthy girl, and we believe that this was mainly owing to the 'Favorite Prescription,' taken faithfully according to directions. We shall certainly recommend it wherever we can."

Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
