TEDDY TALKS.

Big State Celebration
at Colorado Springs.

Kimberly Excused from Serv-
ing on Schley Inquiry.

German Emperor Welcomes Officers
of Chinese Naval Squadron.

SOUTHERN PACIFIC EARNINGS.

Colorado Springs, Aug. 2.—The principal feature of the Colorado quarter-century celebration in this city today was the address by Theodore Roosevelt, vice president of the United States, on the "Growth of the West During the Last Quarter of a Century." On arrival this morning Colonel Roosevelt was welcomed by Governor Orman and staff, war veterans, school children and many others. At 10 o'clock he was escorted to North Park, where he spoke in the open air to an assemblage of 40,000 people, who gave him an enthusiastic reception and frequently interrupted his remarks with applause.

KIMBERLY EXCUSED.

He is suffering from heart disease and is under treatment.
Washington, Aug. 2.—The navy department did not announce today the successor to Admiral Kimberly on the Schley court of inquiry. The following letter from Admiral Kimberly to Secretary Long was made public today:
West Newton, Mass., Aug. 2.—Sir: I have the honor to acknowledge the receipt of your letter of the 29th day of September, in which I am named as a member. I receive it with regret that I may be detached from duty having disability from weak heart and its attending complications, being under medical treatment for same. Much to my mortification this is the first department order that I am unable to honor during a naval life of fifty-five years. I am, very respectfully, your obedient servant.

I, A. KIMBERLY.
The reply was as follows:
Sir: The department is in receipt of your letter of the 29th, expressing regret on your part on being obliged to ask that you may be detached from duty of serving on court of inquiry to be convened the 29th day of September next. Department learns with regret that you are suffering from weak heart and its complications, for which you are under medical treatment. Such being the case, the department is reluctantly compelled to grant your request.

Your letter continues:
"Much to my mortification, this is the first department order that I am unable to honor during a naval life of fifty-five years." Let me assure you that there is no cause for mortification at this incident. On the contrary, it affords the opportunity of which the department gladly avails itself to congratulate you on a record so loyal to the service. Moreover, this record amply justifies the wisdom of the secretary of the navy in assigning to you the grave and conspicuous duty of serving upon the court. Permit me to express the hope that your health will continue to improve so that in future should a less arduous duty be required of you, you may be fully able to respond. Very respectfully,
W. HACKETT,
Acting Secretary.

German Chinese Squadron.
Cádiz, Aug. 2.—The German squadron from China arrived here today. Rear Admiral Guesado and his captains repaired on board the flagship of Prince Henry, of Prussia. Prince Henry, in the name of Emperor William, warmly welcomed the returning officers in a brief speech. The squadron of Rear Admiral Guesado and one commanded by Prince Henry of Prussia, which arrived here some days ago, will remain here several days.

Southern Pacific Earnings.
New York, Aug. 2.—The Associated Press learns on excellent authority that at a weekly meeting of the executive committee of the Southern Pacific railway, held yesterday, results of operations for the complete fiscal year were considered and it was resolved that the needs of the property for repairs and maintenance were such as

MARKET QUOTATIONS.

Market quotations and review furnished by F. F. Metcalf, No. 5 Crosswell block, received over the private wire of F. G. Logan.
New York, Aug. 2.—(Dick Bros.)—Preferred, United States officials claim to know nothing new in regard to the strike, the whole market was influenced by the action of steel stock. The morning was very dull but steady with a strong tone, but on the sharp decline of steel shares breaking only to recover in the afternoon. A great portion of the loss. Trading was of the dullest character all day. The market closed with a little better tone.

STEEL STRIKE.

Combine Cannot Agree With Strikers.

Transport Ship Disabled on Pacific Coast.

Pleasure Party Drowned by Upsetting of a Sailboat.

VENEZUELA REVOLUTIONISTS DEFEATED.

Pittsburg, Aug. 2.—The situation of the Amalgamated steel strike this morning is anything but favorable to amicable adjustment of the dispute between the association and the United States Steel corporation. The refusal of the steel company officials to enter into another conference, if adhered to, leaves only two ways open to the Amalgamated association. One is to order the striking workmen back to work under the best terms obtainable, and the other is to proceed with the strike in the hope of involving all union men employed in the constituent concerns of the United Steel corporation. The executive board went into session at 10 o'clock. James N. Macdonald, secretary of the labor bureau of the Republic Iron and Steel company, and Jos. Bishop, secretary of the Ohio board of arbitration, were present.

Rumor was current that the Amalgamated association today would withdraw from its position and sign an agreement with the combination. The conference adjourned at noon and issued the following:
"There is nothing to give out. We will re-open at 2 o'clock." It is absolutely impossible to get any of the conferees to give expression of what has been done.

USING NEGROES.

Cleveland, Ohio, Aug. 2.—The steel combine is utilizing negro labor to plant the white workers at Newburg mills here. Already a couple hundred of colored men have come from Pittsburg, Homestead and the adjacent iron centers of Pennsylvania. It is also asserted that the steel corporation has given authority to its agents to gather all colored iron workers available and center them at various points in the strike.

DISABLED SHIP.

It is floating somewhere along the Pacific Coast.
San Francisco, Aug. 2.—Seven men from the disabled transport Lehigh, bound from Manila to this port, were picked up in a small boat off Piedras Blancas light house and brought to this city by the steamer George Loomis, tell of a story of a broken shaft, death of provisions and drifting of a helpless ship in the current that sets down the coast. They constituted a volunteer crew that put off from the transport in search of assistance. On the Lehigh are seven teen cabin and forty-five second class passengers, nearly all of whom are discharged sailors and soldiers and English officers and a Chinese crew of about thirty men.

Drowned.

Huntington, W. Va., Aug. 2.—In the waves from a passing steamer near Central City last night a small boat containing a pleasure party was upset, drowning Mrs. Annie Hemming, daughter of Katharine and Imogene and Theodore Apperson, grand children of Mrs. Hemming.

Revolutionists Defeated.

Caracas, Venezuela, Aug. 2.—The Venezuelan government reports that the revolutionists have been defeated near San Cristobal.

Death of S. Vann's Mother.

The man's yesterday brought the sad information of the death of Samuel Vann's mother, Mrs. Sarah Lokes, widow of the late Thomas Lokes, at the home of her daughter in Southport, England, on July 12. The lady had reached the age of 90 years, and was quite hale and hearty until stricken with an attack of bronchitis a few months ago. While her death was not altogether unexpected by her son, it proved a very severe shock, however, when the announcement came. Mrs. Lokes was a devoted mother and faithful member of the Episcopal church. She is survived by three sons and two daughters, all of whom were present at the funeral services on July 18. The description of the printer is as follows:

A Burglar Printer Wanted.

The newspaper offices of the southwest have been warned against a thief printer named Carlin, who is wanted at Quarrh, Texas, for burglarizing the Observer office and the room of its foreman Thursday night, July 18. The description of the printer is as follows:
He is a small man about five feet, five inches tall, weight about 130 pounds, about 25 years old, very dark and smooth shaved, black hair and eyes. He is a regular cigarette smoker. When last seen here he had on a black suit of clothes, black shirt, gray hat, marked "A. Scholberg, Henrietta, Texas." He had a black pair of leather bicycle shoes.

SAN FRANCISCO STRIKE UNCHANGED.

The commissioners who will have charge of selling the town sites will leave today or tomorrow for their districts. The sales will begin on August 6th.

The Art of Advertising

Is a greatly misconstrued expression. There is no art connected with a true advertisement—it is simply a narration of store news. Dashing headlines and beautiful phraseology attract the eye, produce occasional purchases and invariably result in dissatisfaction. Our method of advertising is to relate facts. We have our say and let you judge its veracity. That this manner has merited the entire approval of all classes of shoppers has again been demonstrated to us by the great success achieved by our recent sales. Upon the completion of this sale Mr. Farr, who has been looking upon the residence of Karl Snyder with envious eyes for some time past, closed a deal for this property, whereby he gained immediate possession.

Today Undertaker A. Borders shipped a handsome casket out to Los Corrales. It was loaned to Francisco Gutierrez, who died in that village yesterday morning. The deceased was 30 years of age and leaves several children to mourn. The funeral will be conducted at the late residence tomorrow and the interment will be made in Los Corrales cemetery.

Among the new arrivals in the city last night P. M. Bailey was among the crowd, who declared his intention of calling this place his home. He is connected with the large wholesale packing house of J. H. O'Leary & Co. and will travel to and from this city in the future in the interests of the firm. Mr. Bailey was a pleasant caller at The Citizen office today and was given the assurance that he would be heartily welcomed to Albuquerque. The local branch house of Swift & Co. will supply all the southwestern territory.

Back from California. Thos. McMillin, Albuquerque's popular city marshal, who accompanied his wife and Mrs. C. W. Kane to southern California, returned to the city this morning, pretty well sunburnt, and immediately went on duty. While absent he visited Santa Catalina island where he met Robert Appleton, and says Robert has developed into one of the best hunters on the island. He has shot and killed several fine mountain goats, and when he returns to Albuquerque he will bring along with him the mounted heads as trophies of his skill as a marksman. Mrs. McMillin and Mrs. Kane were left at Ocean Park, near Santa Monica, where they will remain for another month, enjoying the delightful ocean breezes.

Death Claims a Consumptive. E. Harlan, the fearless deputy sheriff, twelve miles east of the city, from consumption. He came to Albuquerque in December last from Chicago with his wife and together they made their home in this city until a month ago, when they left for the mountains. The body was brought to the undertaking parlors of Frank Strong last night and to-day they were embalmed. A telegram announcing the young man's death and asking for instructions as to the disposal of the body, was sent to the parents of the deceased today. The bereaved wife will arrive in the city this evening from their mountain home.

Later—Instructions were received this afternoon from the relatives in Chicago to have the remains buried in this city and accordingly the funeral service will be conducted at the undertaking parlors of O. W. Strong & Sons tomorrow morning at 9 o'clock, after which burial will be made in Fairview.

Concert Saturday Night. There will be a free concert and dance at the Orchestra hall on Saturday night, to which everybody is invited. No concert Sunday afternoon.

NO SUCH WORD AS "FAIL!"

Such a word does not appear in our business dictionary. Our Green Tag Sale has been a phenomenal success and has fallen short on but one thing and that is the sale of

MEN'S SUITS.

Here we are overstocked; we have therefore concluded to make another price reduction on them and have placed on sale about 200 of nice clean, stylish and serviceable Suits at the ridiculously low figure of

\$7.75 Per Suit.

Any of them would be cheap at \$10.00. There are some which sold at \$12.00 and \$15.00; they come in all colors and shapes and we have a good line of sizes. Here is your opportunity for getting more than your money is worth if you hurry up and not wait too long.
