FIRE AT DEMING.

Several Small Buildings
Destroyed.

Row Over Old Clothes in San
Francisco.

Lively Times in the Legislature of
Pennsylvania.

DEATH OF CONFEDERATE VETERAN.

Deming, June 19.—A big fire
occurred on Silver avenue at
11:15 this morning. The Dewey
house and Deming house,
frame structures, burned, and
also three small stores. The
Dewey house had insurance of
\$2,000; Deming house, \$1,500.
The small stores had no in-
surance.

SMALL MATTER.

Army Row Over Old Clothing at San

Washington, June 19.—The war
department today made public two tele-
grams dated yesterday relating to al-
leged clothing frauds in San Francisco.
The first is a message from General
Corbin to General Shafter asking in-
formation on the subject, stating: "It
is desirable from every point of view
that detailed facts of any importance
be given the department before being
exploited in the newspapers."
Shafter's reply is as follows: "In
reference to your telegram today I
have refrained from making report
regarding the clothing seized by Col-
onel Maiz, because the quantity was
very small and it all appeared to have
come from the same man, a junk dealer
who did business around the Presi-
dential Hotel. The clothing evidently had been
sold to this peddler by soldiers and
recruits. The junk man and his son
have been arrested by the federal au-
thorities and their cases are being con-
sidered by the federal grand jury to-
day. There is no shortage in any of
the departments. This seized clothing
industriously represents the accumu-
lation of articles sold from time to
time during the past year or two by
the thousands of soldiers who passed
through San Francisco. I do not re-
gard this matter of any importance,
although it has been widely exploited
by sensational newspapers. However,
the seizure of these articles and the
arrests made will have the effect, I
think, of discouraging the purchase of
soldiers' wearing apparel in this
vicinity hereafter."

PENNSYLVANIA LEGISLATURE.

Trusts Have Grabbed Majority of the
Representatives of the State.
Harrisburg, Pa., June 19.—The
house passed today, on a special or-
der, two bills supplemental to the
rapid transit act, signed by the
governor recently. These bills passed
the senate last week. One constituting
the governor, secretary of state and
attorney general a board to pass
on applications for rapid transit fran-
chises was attacked by several anti-
administration republican and demo-
crats. In the course of a speech
Mr. Cory, of Luzerne, the republican
leader of what is known as the "in-
surgent" element, said: "The time
will come when the people will sweep
your infernal machine off the face of
the earth."

Marshall, Mo., June 19.—Major Lee
Hughes, aged 73 years, a member of
the Second Missouri cavalry, Gen. Geo.
Shilley's famous comrade of the Con-
federate army, is dead.

Woman Murdered.
Greene, Iowa, June 19.—Mrs. Louis
Thuse was found in her house dead,
one leg being entirely burned off. It
is supposed that she was murdered
and the house set afire, as kerosene
and feathers were scattered over the
floor.

"Lucky" Baldwin Sick.
San Francisco, June 19.—E. B. Bald-
win, widely known as "Lucky" Bald-
win, winner of three American der-
bies, is in a private hospital very sick.
He was taken ill in Seattle recently
when about to embark for Nome, and
was compelled to return to San Fran-

ALLEGED REFORMERS.

Attempt to Form a National Party of
Kickers.

Kansas City, Mo., June 19.—A con-
ference of political reformers whose
object is the building up of a third
party in Missouri that later shall take
on national proportions, accomplished
its chief purpose by adopting resolu-
tions embodying the principal doc-
trines of the new third party, as fol-
lows:
"Public ownership of all public util-
ities as railroads, telegraphs, etc."
"While awaiting legislation neces-
sary to secure public ownership, rigid
control of freight and passenger rates,
severe penalties for rebates and other
discriminations."
"Taxation of railroads and other
public properties in the same propor-
tion as values of farm and other prop-
erty."
"Direct legislation by initiative and
referendum."
"Graduated income tax."
"That whatever is used as money
shall be full legal tender, issued by
the general government in sufficient
volume for business purposes and
that the volume be fixed in proportion
to the population."
Just election laws.
"Home rule for cities and the abo-
lition of the present system of using
the police as a standing army to carry
out primary elections."
"The election of United States sen-
ators by popular vote of the people."

NOT GUILTY.

Acquitted of the Charge of Wrecking a
Philadelphia Bank.

Philadelphia, Pa., June 19.—The jury
in the case of Richard P. Loper, charged
with conspiring with Cashier John
S. Hopkins to defraud the People's
bank of a large sum of money, brought
in a verdict of not guilty to-
day by direction of the court. The
bank failed March 24, 1898, and the
guarantee indemnity company, of which
Loper was general manager, failed the
same time. Cashier Hopkins
killed himself after accusing Loper
of being in part the cause of his
downfall.

CLARK'S SON.

Son of Montana's Rich Senator to Be
Married.

Butte, Mont., June 19.—W. A. Clark,
senator from Montana, and Miss Mabel
Postler will be married this evening at
8 o'clock at the home of the bride's
parents, Rev. S. T. Blackstone, of St.
John's Episcopal church, officiating.
Senator Clark arrived last night to at-
tend the wedding. It is said the pre-
sent to the bride will be a check for
\$100,000. The groom's present was a
necklace of diamonds and pearls said
to be valued at \$60,000. The wedding
journey will extend to Europe, and
will cover one year. W. A. Clark, Jr.,
is popularly supposed to be worth
three millions in his own right.

NEW STATION.

Shawnee Is the Name of the New San-
Francisco Pacific Station.

Shawnee, June 19.—The Santa Fe
Pacific is making some much needed
improvements here. An extensive
and complete new plan is being com-
pleted and being operated. All west
bound freight cars here and east
bound at Grants, Laguna coal chutes
are abandoned. Shawnee is now also
a watering station.
The outfit of four cars of Mr. Pin-
gree, the well-known painter, is here,
and general repairs to all company
property is being made.

Hadron the Consul General of a cabi-
gram received here announces the
death in London yesterday of Chas. T.
Russell, of this town. United States
consul general at Liverpool from 1882
to 1889. His age was about 65 years.

ishment of riotous students.

announced to-day that at a meeting of
the hundredth most of the signa-
tories, including the United States,

ference for revision of the Geneva con-
vention. He hoped the delegates would
meet in 1902.

Steamer Deutschland.

DEATH OF GOV. PINGREE.

New York, June 19.—Jas. J. Hill,
president of the Great Northern rail-
road, will sail for Europe today on
the St. Paul. "Has there been an ar-
rangement between you and the Har-
rington interests by which each has
secured equal rights in the trans-con-
tinental trade for the Union Pacific
and Northern Pacific," he was asked.
"You may call it an arrangement
or whatever you like," was the answer.
"My interests and those of Morgan's
are perfectly secure. Why, if they
were not do you think I would take
this two month trip to Europe?"
"What is the purpose of your visit?"
"Recreation, good time, that's all."

JAIL DELIVERY.

Prisoners at Nome City Make Daring
Escape and Successful Escape.

Nome City, June 6, via Seattle,
Wash., June 19.—One of the most dar-
ing and successful jail deliveries that
has taken place in Alaska occurred
on May 20, when seven prisoners in
the federal jail escaped, and at last
advice four were still at large. The
escape was effected by cutting through
the roofs of the cells and afterwards
cutting through corrugated iron roofs.
As soon as the prisoners were missed
a detachment of soldiers was sent
from Fort Davis. Three of the fugi-
tives were captured, one named May
being shot.

OCEAN RECORD BEATEN.

Plymouth, June 19.—The Hamburg-
American line steamer Deutschland
arrived here at 8:15 a. m. today hav-
ing beaten her own speed record.
She covered 3,082 miles in five days,
11 hours and 51 minutes, at the av-
erage speed of 23.38, against 23.35,
her best previous record.

BODY OF PINGREE.

London, June 19.—The steamer
Koenigstein, which sails from
Southampton June 23, will bring the
body of ex-governor Hiram S. Pingree,
of Michigan, who died here last night.

RODEY RETURNS.

New Mexico's Delegate Did Good Work
at Washington.

Hon. B. S. Roddy, delegate to con-
gress, returned last night from
the nation's capital, where during the
past two weeks he did good work to
secure the reappointment of Governor
Otero and used his knowledge of the
affairs of the territory to effect the
charges filed against the governor, and
as is always the case when opportu-
nity presents, put in some good
work for statehood. Mr. Roddy states
that there is a movement to admit
the three territories at the coming
session of congress. The matter is
in the hands of leading senators and
congressmen and has the unofficial
indorsement of the administration.
They are that the territory of New
Mexico should be admitted to state-
hood at the earliest opportunity. The
territories would lessen the govern-
ment's responsibilities in the con-
duct of affairs within the boundaries
of the country, and the admission
of direct and concentrated attention to
the newly acquired possessions in the
Gulf of Mexico and the far east. The
efforts to win statehood for New Mex-
ico are relaxed, and many influential men
at the capital are being added to the
advocates of admission.

MARKET QUOTATIONS.

Market quotations and review fur-
nished by W. F. Stewart, No. 5, So. 2d
St., received over the private
wire of F. G. Logan:
New York, June 19.—London came
lower this morning, net declines of
ending from 1/4 to a full point. These
advances were accompanied by liberal
selling orders from abroad and the
professional advantage of the weak-
er general tone and sold the market
for a scalp. About midday rumors of
friction of the gold market and the
deal and the T. C. I. deal and addi-
tional gold engagements caused fur-
ther liquidation and the market de-
clined sharply. There was a rally in
the last half hour and the market
closed steady with a fairly good un-
dertone.

Chicago, June 19.—Wheat—Liver-
pool 1/2c lower; continental markets
all easier. Here the market was rather
nervous and prices irregular. The
weakness of cables was neutralized by
the showery tendency of the weather
in the southwest where harvesting
is in progress and shorts were the
principal buyers of wheat. There are
no complaints, however, of any inter-
ference with harvesting by reason of
wet weather and conditions generally
are every way favorable. There was a
moderate cash demand in this mar-
ket. Foreign demand is slow for both
wheat and flour. We see nothing yet
to change the opinion we have had
for some time past that there is noth-

Alleged Poisoner On
Trial For Murder.

Emperor William Predicts
Peace in Europe.

Mark Twain and Roosevelt Invited to
Speak at Kansas City.

ST. LOUIS ELECTION CONTEST.

Buffalo, June 19.—Argument of the
appeal of Roland H. Molinex, alleged
poisoner of Mrs. Katherine J. Adams,
was resumed before the court of ap-
peals to-day. Ex-Senator David H.
Hill, for the people, took up the ques-
tion of the guilt of the defendant, re-
minding the court that not once in
its argument had the other side ad-
mitted the innocence of the accused. He
insisted that it had been proven by
overwhelming evidence that Molinex
had written the letters and address
on the poison package and his guilt
was clearly established. Hill reviewed
the trouble at the Knickerbocker Ath-
letic club and pictured Molinex as
plotting for revenge. He insisted that
every circumstance of the case linked
Molinex to the crime, including the
fact that he hired a lawyer and en-
gaged a handwriting expert before
judicial action against him had shaped it-
self.

PEACE PREDICTED.

Copenhagen, June 19.—At the conclu-
sion of the regatta yesterday on the
lower Elbe dinner was given on the
Hamburg-American yacht Victoria-
Luise at which Emperor William made
a speech. His majesty said he de-
duced from recent events in China a
guarantee that the peace of Europe
was assured for long years to come,
because of the mutual esteem and
spirit of comradeship created by the
action of the allied contingents.

MISSOURI ANNIVERSARY.

Kansas City, Mo., June 19.—Vice

Mark Twain have been invited to ad-
dress the celebration of the eightieth
anniversary of Missouri's admission to
the union, in this city, August 10.

CANNOT COUNT BALLOTS.

Jefferson City, Mo., June 19.—The
supreme court has made an order that
absolute writs of prohibition be is-
sued against the judges of the St.
Louis courts who ordered a recount
for the contested election cases. The
court declares that if the order of the
judges were complied with the secrecy
of the ballot would be violated.

SEVERELY HURT.

This afternoon the wife of Frank
Robinson, city electrical inspector,
was thrown out of a buggy on east
Railroad avenue, opposite the High-
land hotel, and may be badly hurt.
The lady was driving and with her
was her little girl and a young lad.
The horse became frightened and ran
away. The animal plunged headlong
into a gutter, and the buggy, being
the three occupants of the buggy
violently against the building and af-
ter tearing itself loose from the ve-
hicle continued its flight. The little
girl was run over by the animal, but
not hurt; the boy got a few bruises,
while Mrs. Robinson was knocked
senseless. She was called and she
was taken home and a physician sum-
moned. She complained of a pain in
her side and arm, and it is possible
that she has received a serious injury.
Mrs. Robinson is out of town.
