Unnamed residents of the San Lucas Toliman area of Solola department told local reporters on Feb. 17 that seven local farmers and a student were recently abducted. Relatives and friends fear that the seven, who range in age from 15 to 32, have been killed or disappeared. When these people did not return to their homes on Feb. 15, their absences were reported to the police. (Basic data from Prensa Latina, 02/18/88)
