Dead.

At the close of the war he went to Texas, and was the principal owner of the Galveston News and established also the Dallas News, of which he was one of the principal owners. Belo was at various times a director of the Associated Press and one of its vice presidents.

Looks Like a Strike.
Wheeling, W. Va., April 19.—After a conference this morning of the National State and United Mine Workers, it was stated by National Vice President Lewis and State President Haskins that it looked like a strike of 5,000 miners in the fifth Ohio sub-district, which includes four counties of West Virginia.

Will Fight the Strike.
Cleveland, Ohio, April 19.—Officials of the Great Lakes Towing company declared today that they will fight the pending strike of the tug firemen and firemen of the lower Lake Erie points to a finish. The strikers say that unless their demands are granted the strike will become general at all ports of the Great Lakes.

Visit Was a Failure.
Evansville, Ind., April 19.—The visit of Indiana miners to Kentucky came to naught this morning. They were met at Seebay by a sheriff's posse and after listening to the reading of the intimidation law they were ordered back to their boats. Warrants were issued for the arrest of the leaders, and they will be served if they return to Kentucky.

ALLIED EXPEDITION!

Franco-German Advance
in China.

Plot of Anarchists to Murder
Rulers.

Religious Riot in South America
Caused by a Play.

STANDARD OIL COMPANY DIVIDEND.

Peking, April 19.—General Loosell, commanding the German troops in China, has started for Pao Tung Fu with one thousand additional men. He was accompanied by the French commander, General Bailly. The Franco-German forces available for the expedition number 8,000 men.

The greatest secrecy is maintained as to the object of these military operations, but it is believed that it is proposed to take possession of another of the Anshing passes into Shan Si, where Chinese troops are reported.

Viceroy Li Hung Chang sent a courier to General Lu, commanding the troops in the Shan Si passes, calling upon him to avoid a meeting, if necessary, by retiring from his position, which is incontestably Chinese.

Anarchist Plot.
New York, April 19.—A dispatch to the Herald from Buenos Ayres says: The police of Santa Fe have seized papers which prove that a plot against the emperor of Germany, czar of Russia and queen of Italy, and Count Turin was recently laid in Paterson, N. J. An anarchist named Romagnoli received a letter from Paterson telling him that he had been chosen by a lot to kill the German emperor and instructing him to go immediately to Berlin. He left Rosario soon after and sailed from this port.

Religious Riots.
Rio Janeiro, April 19.—Serious religious riots occurred at Niteroi as the result of an evangelical campaign against the Catholics and of the recent anti-Catholic demonstration consequent upon the presentation of the Spanish drama "Electra."

While a clergyman was preaching in an Evangelical temple yesterday, the Catholics attacked the edifice, intending to stop the services. Serious fighting followed.

Standard Oil Dividend.
New York, April 19.—The Journal says: The Standard Oil company will declare a dividend about May 1 for 20 cents on its capital stock of \$100,000,000. At the same time a plan probably will be adopted increasing the capital stock to \$140,000,000. Four cents of the stock will be given in exchange for one of the old.

Road Race.
Boston, April 19.—John J. Caffrey, of St. Patrick's Athletic association, Hamilton, Ont., won the Marathon road race from Ashland to Boston, 26 miles, today, breaking the record held by himself. Caffrey's time in today's race was 2 hours, 22 minutes and 25 seconds, seventeen minutes and twenty seconds faster than last year's record. Wm. Davis, of Hamilton, was second.

Doing Good Work.
The president, secretary and the volunteer rustling committee of the Territorial Fair association were out again yesterday and very low-capped them, and to the credit of the town's liberality, few allowed them to pass by without putting their names to the subscription list. The subscription now amounts to something over \$2,500, but the amount so far pledged is not enough by several thousand dollars.

Deprived Colored Man.
In the court of Justice Crawford this morning, James Lillie, a colored man who came here from Tennessee a week ago, was ordered returned to the county jail to await the session of the next grand jury for the action regarding his confinement. He is charged with making indecent exposure of his person and proposals to the little, 8-year-old daughter of Joseph Beck and wife. The information gleaned from the testimony of the little girl in court this morning, was that Lillie gave the child some candy and then he made the shocking proposals to her. She at once told her father of Lillie's actions, and soon after the depraved man was arrested by the night police. He steadfastly protested his innocence of any crime or wrong doing, but the magistrate deemed the offense of sufficient magnitude to warrant him in holding Lillie to await the action of the grand jury.

Turquoise Lodge Elects Officers.
At the regular meeting of the G. I. A. to the B. of L. E. lodge officers for the ensuing term were elected as follows: Past president, Mrs. Jack Fenner; President, Mrs. John Butler; secretary, Mrs. F. E. Hammond; secretary, Mrs. J. H. Holman; treasurer, Mrs. Frank Moore; chaplain, Mrs. Julia Garrett; guide, Mrs. J. Fenner; sentinel, Mrs. Blank. The division was honored by a visit from one of the officers, Mrs. Mary Cassell, grand vice president and mistress of the lodge. She was on her way to the Pacific coast, and while here gave a very interesting talk to the local members on the good of the order.

Prepare for the Summer.
The electric light company has made arrangements whereby they will have a continuous day circuit during the summer months, and those who are desirous of having fans in their places of business or residence can be supplied at any time. The Desert Gun and Wheel company, at No. 107 North First street, are prepared to furnish motors from a fan to a 50-horse power machine. Interesting comparisons of cost between electric and other powers will be furnished on application.

Arbor Day Generally Observed.
Pursuant to the proclamation of Governor M. A. Otero and County School Superintendent Frank A. Hubbell, setting apart the 18th day of April as Arbor day, the faculty and pupils of the several day schools in the city devoted a large portion of the day in planting trees and beautifying the grounds around the public

Chinese Troops Evacuate a
Walled City.

Patrick Case Being Investigated by
Grand Jury.

FANK EMBEZZLER ARRESTED.

Parsons, Kan., April 19.—Officials of the Missouri, Kansas & Texas railway announced a voluntary increase of shopmen's pay from 27 to 31 cents an hour. This increase will mean an increased outlay of from \$15,000 to \$20,000 per month at this point. Hours of employment were also increased from eight to ten.

Ordered to Evacuate.
Peking, April 19.—In consequence of strong representations to the Chinese government, an imperial decree has been issued ordering the Chinese troops at Howa-Lu to immediately remove outside the great wall. These troops are understood to be the force which the German and French expedition are preparing to attack.

Investigating the Case.
New York, April 19.—The grand jury resumed its consideration today of the charge of murder against Albert T. Patrick, accused of having caused the death of Wm. M. Rice. The principal witness of the day was Charles F. Jones, former valet and secretary of the dead man.

Embezzler Arrested.
Pittsburg, April 19.—A. J. Shorth, bookkeeper of the First National bank of Birmingham, this city, who was arrested last night by United States Marshal Leonard, charged with embezzlement of \$25,000 of the bank's funds, was released later on furnishing bail in the sum of \$10,000. National Bank Examiner Black says that the bank is in excellent condition and will not be affected.

MARKET QUOTATIONS.

Market quotations and review furnished by W. P. Metcalf, No. 5 Cromwell block, received over the private wire of F. G. Logan:

New York, April 19.—Stocks—Record prices were made today in a number of stocks and securities. In the bull side was rampant. Enormous transactions were recorded and doubtless if the whole could have been reported, the day would have been a record. Interest centered very largely in C. B. & Q. and the other grangers, but there were sharp advances also in the low-priced issues of the southwestern groups. M. K. & T. stocks were particularly prominent. Texas Pacific was very strong and one of the rumors current was that it would be exchanged at the rate of two shares for one Missouri Pacific. Southern Railway preferred and the Atchafalaya issue sold at the highest prices recorded. Copper was strong. Money was easier, closing at 2 1/2 per cent. Demand sterling, \$4.85 1/2. Total sales, 2,220,000.
