KRUGER TALKS!

He Wishes to Arbitrate
Troubles.

Gold Discovered in One of the
Philippine Islands.

President Appoints to Position One
of Merrimac Heroes.

KNOX TO BE ATTORNEY GENERAL.

New York, April 5.—A dispatch to the Herald from Paris says: An interview with Mr. Kruger appears in the Matin. He was seen in a little inn at Utrecht. He announced that on Saturday he proposed retiring to the village of Hilbersum for complete rest. Nothing is yet decided regarding his trip to America. Kruger expresses entire readiness to submit all questions to the arbitration of an impartial tribunal, not in excessing the question of independence. Kruger declared that the Boer commandos were able to go on fighting indefinitely. A dispatch to the Tribune from London says: The Boers are still active and destroying trains. Traffic along the railways in South Africa is very uncertain. The reopening of the Rand mines will present serious supply problems to the military authorities. De Wet appears still to be at Vrede, notwithstanding stories of his crossing the Vaal. Great precautions are being taken to prevent both reaching him or conferring with him.

Gold Discovered.
Manila, April 5.—A dispatch in composing his manifesto to the Filipinos spends hours consulting the dictionary. The manifesto has not yet been finished. Promising gold discoveries are reported from the island of Masbate, close to the southern extremity of Luzon. Investigation of the commissary scandals are being pushed.

MERRIMAC HERO REWARDED.

President Appoints One of Hobson's Crew to Good Position.
Washington, April 5.—President McKinley today made the following appointments:
Navy—Rush R. Wallace, Jr., first lieutenant marine corps; John S. Dodridge, lieutenant; Thomas L. Stitt, ensign; Conrad W. L. Junquist, gunner; Clayton P. Hand, carpenter; Frederick H. Hazard, boatswain; Arthur Smith, boatswain; Osborn Deignan, boatswain.

Osborn Deignan, appointed a boatswain is one of the sailors who accompanied Naval Constructor Hobson on the famous Merrimac expedition into Santiago harbor, while the harbor was being blockaded by the American fleet. The president desired to reward Deignan for his brave act on that occasion by appointing him a naval cadet at Annapolis, but it was found that he was not eligible.

Accepts Office.
Washington, April 5.—President McKinley announced to the cabinet that P. C. Knox, of Pittsburg, had accepted the attorney generalship.

Sent the Poison.
New York, April 5.—It was announced in the district attorney's office today that an affidavit had been received from Wm. L. Jones, of Texas, saying that in 1897 and August, 1899, he sent bottles of chloroform to his brother, Wm. M. Rice's, valet. The affidavit says that Chas. F. Jones said he wanted the drug for a friend who wanted to make touché drops. Assistant District Attorney Osborne declared he would produce in court the brother from Texas, if necessary to hold Albert T. Patrick.

Threw Out a Precinct.
Denver, April 5.—The election canvassers today threw out the vote of the third precinct in the third ward, as the judges had refused to sign the certificates of ground of alleged fraudulent voting. This will result in seating Andrew Limbeck, republican, as alderman, instead of John N. Stitt, democrat, who was elected on the face of the returns. The citizens' committee has been collecting evidence of fraud, which will probably

ARIZONA GOLD MINE SOLD.

Topeka, Kan., April 5.—D. B. Robinson, formerly first vice president of the Santa Fe railroad, is reported to be dying in a Chicago hospital. Mr. Robinson left the Santa Fe system some years ago to accept the presidency of the St. Louis & San Francisco road, but resigned that position about a year ago on account of poor health. Previous to his connection with the Santa Fe system, he was with the Atlantic & Pacific, with headquarters at Albuquerque.

LIVELY FIGHT.

General Clay Keeps Up His Well
Earned Reputation.

Valley View, Ky., April 5.—General Cassius M. Clay today refused to admit to the famous Whitehall mansion Deputy Sheriff Collier and two other deputies from Richmond on the ground of a writ of delivery sent by Mary B. Clay for furniture belonging to her. A fusillade between General Clay and the deputies ensued, during which fifteen shots were fired. It is not known whether anyone in Clay's mansion was hurt, as the neighbors fear to enter the premises. None of the deputies were hit.

Boers Driven Back.

Bethlehem, Orange River Colony, April 5.—A force of Boers under Commandant Kritzinger attempted to recross into the Orange River colony to the west of here, but failed.

CASES SET FOR TRIAL.

The Shaw Case Occupied the Attention
of the Court Today.

Last evening the taking of testimony in the case of the United States against ex-Postmaster Benjamin H. Shaw, was concluded, and the arguments were made today by Attorney Horton Moore on behalf of the defendant, and W. B. Childers for the government. At the close of the arguments the court's instructions were handed to the foreman and the jury repaired to their room where they will probably decide on a verdict sometime this afternoon. Following is a list of cases on the criminal docket which have been set for trial:
Territory vs. Agapito Granio, indicted for larceny of a horse.
The case of James Griswold and James Bennett, larceny; set for Tuesday, April 9.
Next Wednesday, the 11th inst., the cases of Jose Martinez for assault and battery, and that of William Jennings, for larceny will be called for trial. Frederico Serna, who stands accused of murder, will be tried on Thursday next, and Ira F. Henry will go on trial on the 18th inst., to answer to the indictment of murder.
It is understood that no more trials will be set until the Baca and Demas cases have been disposed of. The latter being called for tomorrow morning.

THE CLOSE OF CONVENTION.

Sunday School Workers Elect Officers
for Ensuing Year.

The last sessions of the convention were fully up to the high standard of the first, notwithstanding the reduced attendance as a result of the continued storm.

Yesterday afternoon Mr. Lawrence offered many practical suggestions in the solution of "The Big Boy Problem," and Mr. Spillman followed with a talk on "Methods of Teaching."

Mrs. Hamill conducted the final round table on Sunday school management, in her usual effective manner.

At the close of the session Mrs. Hamill organized the local workers in the organization of a Primary and Junior union, with the purpose of unifying and developing the primary and junior teachers work in the city.

Much interest in this project was manifested, and great good will doubtless result to the Sunday schools represented. Mrs. Susan Murch of the Baptist church was elected president, and Miss Nickel of the Methodist Episcopal church, secretary; the remaining officers are to be appointed by the executive committee and regular meetings planned to begin at once.

During the regular session of the afternoon the committee on organization and nomination reported the following nominations for officers for the ensuing year:
President—H. E. Fox, Albuquerque.
Vice President—W. H. Kennedy, Cerrillos.
Secretary—E. W. Spencer, Albuquerque.
Treasurer—Mrs. Elder, Albuquerque.

Chairman Executive Committee—J. V. Long, East Las Vegas.
The remaining members of an executive committee of fifteen—C. N. Carter, Raton; N. B. Rosberry, East Las Vegas; Mrs. C. E. Hodgin, Albuquerque; J. B. Johnson, East Las Vegas; J. H. Pope, Santa Fe; Rev. George Selby, East Las Vegas; Mrs. E. T. Coltraine, Albuquerque. The vacancies to be filled by the officers.

The report was unanimously adopted by the convention.
At last evening's session, which closed the convention, three eloquent addresses were given by Mr. Spillman, Prof. Hamill and Mr. Lawrence on the topics assigned in the regular program. After the words of parting by Mr. Lawrence the audience separated with a sincere conviction that "it was good to be here," and that the influence of the two days' sessions will be felt for a long time to come in the Sunday school work of the territory.

The international party left for Phoenix last night. The Sunday school workers of the territory wish them God speed, and express their appreciation of this privilege of meeting and knowing these five splendid
