## WASHINGTON!

Senate and House Pro-  
ceedings Today.

Cannon Outgeneraled by Rich-  
ardson on Point of Order.

Continued Good News of More Sur-  
renders in the Philippines.

### THE TERRITORIAL LEGISLATURE.

Washington, D. C., Feb. 15.—The res-  
olution authorizing the Indian commis-  
sioner to make a tour of inspection of  
the reservation during the recess of  
congress to visit reservations and in-  
dian schools was adopted.

The senate passed the agricultural  
appropriation bill, and is considering  
the shipping bill. Perkins of California  
addressed the senate. He favored the  
amendment bill, but had many objec-  
tions to the bill as reported.

The amendment to the agricultural  
bill increasing the appropriation for  
seeds and seed distribution from \$170-  
000 to \$220,000, was agreed to.

The republican steering committee of  
the senate has been in session two  
hours today trying to agree upon the  
order of business for the remainder of  
the session. Some of the members sug-  
gested a definite withdrawal of the  
ship subsidy bill, but no decision to  
withdraw was reached. There was re-  
assurance, however, on the point that  
the ship subsidy bill should not be  
used to displace appropriation bills.

It was decided to give the friends of  
the oceanographic bill an opportunity  
to try and secure action upon it.

### HOUSE.

Washington, Feb. 15.—This was pri-  
vate bill day in the house under the  
rules, but Cannon, chairman of the ap-  
propriations committee, moved to pro-  
ceed with the consideration of the sun-  
dry civil appropriation bill.

Underwood of Alabama, democrat,  
announced yesterday to all democ-  
rats to be in their seats to-day and  
there was an unusually full attendance  
on that side of the house.

Cannon called to Richardson, the  
minority leader: "You're trying to lose  
the treasury appropriation bill."

On roll call the motion was lost, 106  
to 128.

Cannon changed his vote from aye  
to no, and then moved a reconsideration.

Richardson made the point of order  
that the motion was dilatory.

The chair overruled the point of or-  
der.

"Then I moved to lay on the table,"  
cried Richardson.

Upon a rising vote the opposition  
lost a majority, whereupon Cannon  
called for tellers.

"I make the point the demand is di-  
latory," shouted Richardson.

"I desire a little time to get our peo-  
ple here," called back Cannon across  
the aisle.

"The chair sustains the point of or-  
der upon the statement of the gentle-  
man from Illinois," said the speaker.

The fact that a veteran tactician like  
Cannon should have thus laid himself  
open to such a decision provoked howls  
of laughter on the democratic side.

Cannon's motion to reconsider was  
lost. The vote to lay on the table was 121  
to 129.

The house by a vote of 129 to 102  
adopted Richardson's motion to go  
into committee of the whole to consider  
private bills.

### VICTORY FOR WILCOX.

Delegate Wilcox, of Hawaii, today  
scored a distinct triumph in securing  
the unanimous vote of the house com-  
mittee on elections confirming his right  
to a seat in the house of representa-  
tives, holding that the charges laid  
against him were not sufficient to war-  
rant his removal.

### MORE SURRENDERS.

Washington, D. C., Feb. 15.—News of  
another important surrender in the  
Philippines is contained in the follow-  
ing dispatch received at the war de-  
partment from General MacArthur:

"Manila, Feb. 15.—One hundred  
twelve rifles and 1,500 rounds of am-  
munition were surrendered at Hagayan  
on February 13, mostly from a supply  
secreted in contiguous swamps. The

incident is important and indicates  
a favorable attitude to American  
interests in the region of Bulaca, heretofore  
one of the worst in Luzon. The  
result is accomplished exclusively by  
long continued and intelligent efforts  
of our officers of the Third United  
States Infantry. MACARTHUR."

THE ST. LOUIS EXPOSITION.  
Washington, D. C., Feb. 15.—The spe-  
cial committee on the Louisiana pur-  
chase exposition this afternoon ap-  
pointed Chairman Tawney next Mon-  
day to move the passage of the St.  
Louis exposition bill under suspension  
of the rules. Speaker Henderson  
agreed to recognize Tawney to make  
this motion.

### TERRITORIAL LEGISLATURE.

—Adjournment Until Monday.

Santa Fe, N. M., Feb. 15.—The coun-  
cil passed two bills protecting birds  
and game; adopted resolutions in hon-  
or of T. A. Finckel, deceased, ex-mem-  
ber of the council, and then adjourned  
till Monday morning.

The house also adjourned till Mon-  
day morning.

### RAILROAD NEWS.

Ripley Denies Report of Traffic Agreement  
—Extensions by Southern Pacific.

New York, Feb. 15.—President Ripley  
of the Santa Fe, left for the west last  
night. Ripley stated there was no  
truth in the report that the Santa Fe  
and Southern Pacific had entered into  
a traffic agreement.

### PROPOSED EXTENSIONS.

San Francisco, Feb. 15.—The Ex-  
aminer says: It has leaked out that  
one of the objects of the visit of Pres-  
ident Hayes of the Southern Pacific  
to New York is to consult with the di-  
rectors regarding the proposed exten-  
sions to Mexico. The company owns  
the New Mexico, Arizona & Sonora  
railway. It is proposed to build an  
extension twenty miles long to tap the  
vast beds of coal in Sonora. Another  
extension is to start from Ortiz and  
run to Matatlan, 30 miles southwest.  
It is expected the road will greatly  
develop the mining camps and agricul-  
tural districts of many sections of  
northwestern Mexico.

New York, Feb. 15.—Chas. H. Tweed,  
chairman of the board of directors of  
the Southern Pacific, said today he  
had not heard of any extension of  
road to be built in Mexico, and did  
not know of any action of the directors  
to that end.

### SHIPMENTS.

New York, Feb. 15.—The Journal of  
Commerce says: Vice President Haw-  
ley, of the Southern Pacific railroad,  
confirmed the report that arrangements  
have been made for handling, via San  
Francisco, freight from South Ameri-  
can ports destined for eastern states  
and Europe, which formerly was  
shipped via Panama railroad. It is  
understood merchandise consigned to  
New York will go via Ogden, and Euro-  
pean shipments will be made over the  
Sunset route.

### AN OFFICER'S MEETING.

The officers of the Baptist church  
held a religious service of Rev. and Mrs.  
Bruce Kinney in the Highlands last  
evening and a number of subjects were  
discussed in relation to the welfare of  
the church. Much good will was de-  
veloped in the affairs of the church here-  
after as a result of the gathering. A  
choice variety of refreshments were  
served and the evening as a whole  
proved very pleasant. Besides the host  
and hostess the guests included Messrs.  
Alger, Fleming, Herick, Wilkinson,  
Goff and wives, and Mrs. O'Rear and  
Mr. Fielden.

### Bean Guessing Contest.

At the close of the second guessing  
contest on the jar of beans in The Mass  
store last night, Mrs. Hopkins, proprie-  
tress of the store, was found to be  
the fortunate guesser, she having  
guessed within one of the exact num-  
ber of beans in the can, which was 308.  
The lucky boys most of her goods from  
this store, and with the purchases she  
has her guesses recorded, and they be-  
lieve in the majority stand a good chance  
of carrying away the prizes. She has  
won both prizes so far. The third con-  
test opened this morning, which will not  
close until next Thursday night. The  
proprietor, Mr. Kink, has arranged to  
give two prizes in this contest to the  
two persons guessing the nearest num-  
ber, but in no case can one carry away  
both prizes.

### THE FINICAL FUNERAL.

Took Place This Afternoon at Resi-  
dence of Mrs. E. P. Nelson.

### BEAUTIFUL FLORAL OFFERINGS.

Impressive services were conducted  
over the remains of the late district at-  
torney, Hon. Thomas A. Finckel, at the  
residence of Mrs. E. P. Nelson, No. 206  
North 10th street, at 3:30 o'clock this  
afternoon, by Rev. T. C. Beattie, pastor  
of the First Presbyterian church, and  
appropriate hymns were sung by the  
choir.

### A large gathering of friends, among

whom were Hon. E. B. Calcutt, of Cal-  
ifornia, and Attorney James G. Fitch and  
wife, of Sonoma, were present, and be-  
fore and after the services those assem-  
bled passed by the side of the handsome  
casket which was literally covered with  
flowers, and took a final view of the  
lifeless body, which looked natural, and  
as if the deceased was only sleeping—  
not, however, the coarsening sleep.

### The body was afterwards escorted to

the parlors of the Commercial club  
building, where it will lie in state until  
7 o'clock this evening, at which time the  
casket, with its dead, will be removed  
to the depot and started on the last  
journey to the former home at Cadiz,  
Ohio. E. B. Booth, a fellow member of  
both the Masonic and Odd Fellows lodges  
will accompany the remains.

### Hundreds of lady and gentlemen

friends wended their way to the Com-  
mercial club this afternoon, and there oc-  
curred in a beautiful metallic black  
plush-covered casket, seen for the last  
time the peaceful resting figure of one  
of the best known citizens of Albu-  
querque. In life he was known by all  
as an unassuming and exemplary man,  
never striving to assist the distressed  
and always willing to promote the interests  
of the community, in which he lived, and  
the passing of this gentleman Albuquerque  
loses one of her most consistent resi-  
dents, and the memory of him will dwell  
in the minds of those who knew him  
for time immortal.

### The floral offerings were the finest

ever seen here, consisting of wreaths,  
croses, anchors and many other ap-  
propriate designs from the lodges and  
friends, which were banked on all sides  
and top of the casket, while at the head  
rested a large harp of beautiful flowers  
from the officials of Bernalillo county.

Among the floral offerings were some  
handsome flowers, which the deceased  
had ordered from California before his  
death as a St. Valentine gift to his in-  
tended, Miss Nelson. These were also  
placed on the casket.

The pall-bearers were Hon. O. N. Mar-

### DECLARED OFF.

Cincinnati, Feb. 15.—At noon to-day  
pallial payment of the guarantee for  
the Jeffries-Rublin fight was made by  
the Sangerfest Athletic association to

**Big Blaze in Deming.**  
In Deming yesterday morning fire was discovered in the Robinson grocery store, and soon after the alarm was sounded a bucket brigade was formed and a noble resistance was made against its progress, but all in vain. When the smoke had cleared away it was found that the buildings of French Louis, the restaurateur, Robinson's grocery, the Aquarium saloon, Collins' barber shop and McKee's insurance and real estate office, were reduced to ashes.

N. A. Bolch succeeded in removing the greater portion of his extensive stock of dry goods, boots and shoes from the building adjoining the restaurant, and what remained inside were damaged by water and smoke. It is understood that carried insurance on these goods except Mr. Robinson, whose loss will probably reach \$2,500. The cause of the conflagration is attributed to a defective fire in the grocery store.
