Shenandoah, Pa., Sept. 27.—A mob of several hundred people at Centerville today intercepted the men who have been going to work at Mount Carmel by trolley. The men all returned to their homes. A little later a Lehigh Valley passenger train pulled into the station and the mob crowded into the cars looking for non-union men. A few men who were waiting at the station for the train to take them to work were chased home.

About midnight last night it was reported to General Gobin that the strikers held up a coal train that was being taken away from Pott's colliery at Locustdale and drove off the engineer and crew. Today the general sent a company of infantry to the colliery under command of Provost Marshal Farquhar and with the soldiers to protect it, the train was taken away without interference.

It is understood that President Sternberger will not consent to send away the negro iron workers.

MT. STROMBOLI IN FULL ERUPTION

ONE HUNDRED AND FIFTY CORPSES WERE RECOVERED

London, Sept. 27.—A special dispatch from Rome, after confirming the report that Stromboli has been in full eruption for some time, says: "The night scene was grand, but terrifying. Lava streamed down the mountain sides seaward, while huge boulders were hurled from the crater to a great height, falling into the sea, fully two and a half miles from the shore. The director of the observatory at Mount Aetna says that there has been no earthquake in Sicily, but probably there was a submarine eruption between Stromboli and Sicily. One hundred and fifty corpses have been recovered at Modica. Hundreds of victims were drowned in the open country."

Mrs. Roope won the final in the women's championship with ease. Mrs. Ellis was badly handicapped by a north wind, but it is hardly probable that she could have won against the class of game played by her club fellow members, even had the conditions been perfect for her. AFTER THE PROPERTY.

Stratton Executors Must Show Why They Do Not Turn Over the Property.

Colorado Springs, Sept. 27.—At nine o'clock this morning Clarence C. Hamlin, as one of the administrators for the Stratton estate, appeared in Judge Orr's court with an order citing the executors of the estate to appear and explain why they refused to surrender the property to the administrators. The court was very busy at the time and after waiting a few minutes, Hamlin swore to the order before the clerk of the court and left the building. It is believed the order will be presented to Judge Orr this afternoon.

Ex-Governor Charles S. Thomas, acting for the administrators in the Stratton estate controversy, filed a petition at 2 o'clock this afternoon with Judge Orr of the county court, asking that Tyson S. Dines, Carl S. Chamberlain and D. H. Rice, executors of the estate, be cited to appear in court to show cause why they should not be required to turn over the property of the late millionaire as demanded yesterday. The writ was made returnable in the immediate future. The attorneys for the executors state this afternoon that they will appear in all probability Monday before Judge Orr.

A posse Will Be Sent From Here on Monday to Take Them Back.

About one hundred Apache Indians are encamped in the Picuris mountains ready to go down to the San Geronimo festival at Taos next Tuesday and Wednesday, contrary to the orders of the government. The Apaches come from the Jicarilla reservation, and when drunk, as they are apt to be at the festival, they are very nasty. The Department of Justice at Washington has given orders to Judge A. J. Abbott to have a posse leave Santa Fe on Monday to take the Indians back to the reservations. The Apaches are also trespassing on the Santa Clara and other Pueblo lands, much to the annoyance of the Indian officials.

DEVoured BY WORMS. Children often cry, not from pain, but from hunger, although fed abundantly. The entire trouble arises from inanition, their food is not assimilated, but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease and begin to thrive at once, very much to the surprise and joy of the mother. 25c at Fischer Drug Co.

BEWARE OF THE KNIFE. No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequaled for cuts, burns, bruises, wounds, skin diseases. Accept no counterfeits. "I was so troubled with bleeding piles that I sitio much blood and strength and blood," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothes and heals.

Extent to Which Certain Individuals and Families Appear in the Daily Papers. To a great extent the names of the same people or families appear in the newspapers constantly and a large part of the daily news is chronicling their doings. During the week that Tracy occupied the attention of the country by his dare devil career and escapades in the northwest a careful check was kept on the number of times names of prominent persons or families appeared in one New York paper. J. P. Morgan headed the list as his name appeared 89 times during the week. The name Roosevelt appeared 127 times, but this was divided among three members of the family. Miss Alice Roosevelt appeared 31 times, Mrs. Roosevelt 11 times and the president 85 times.

The Vanderbilt family is second to the Roosevelt family, having been mentioned 92 times. Of the individual members of the family, Reginald was in the lead with 28. Close after them was the Gould family, and George Gould monopolized nearly all the attention. Tracy, with his extraordinary career, ranked fifth with his name appearing 66 times. At the extreme foot of the list came Mark Twain and W. D. Howells. The list as checked was: Roosevelt 127, Vanderbilt 92, Morgan 89, Gould 88, Tracy 66, Gates 61, Peter Power 56, Mackay 49, Whitney 48, Mayor Low 41, King Edward 37, Knox 34, Rockefeller 32, Schwab 31, Russell Sage 30, Belmont 28, Bryan 27, Devory 19, Platt 18, Astor 17, Carnegie 15, Quay 15, Hanna 15, Marconi 15, Kipling 15, Fitzsimmons 10, McGovern 10, Jeffries 9, Dewey 9, Gov. Odell 8, Santos-Dumont 7, Mark Twain 4, W. D. Howell 2.

Starting and Staying. At the start in a long race, the advantage often appears to be with an outsider. But the race is won not in starting but in staying. The quality which wins is staying power. It is so in the race of life. Staying power wins, and as a rule the best stayer is the man with the best stomach. All physical strength is derived from food which is properly digested and assimilated. When the food eaten is only partly digested and assimilated, there is a loss of nutrition which means a loss of strength and the general result is physical break-down.

Dr. Pierce's Golden Medical Discovery gives strength and staying power, because it cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect digestion and assimilation of the food eaten, and so strengthens the body naturally by the nutrition derived from food.

"I was troubled with indigestion for about two years," writes Wm. Bowker, Esq., of Julietta, LaSalle Co., Ill. "I tried different doctors and remedies but to no avail, until I wrote to you and you told me what to do. I suffered with a pain in my stomach and left side and thought that it would kill me. Now I am glad to write this and let you know that I am all right. I can do my work without pain and I don't have that tired feeling that I used to have. Five bottles of Dr. Pierce's Golden Medical Discovery and two vials of his 'Pleasant Pellets' cured me."

Accept no substitute for Golden Medical Discovery. There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Pellets are easy and pleasant to take. A most effective laxative.

RAISED FROM THE DEAD. C. W. Landis, "Porter" for the Oriental Hotel, Chanute, Kas., says: "I know what it is to suffer with neuralgia deed I did, and I got a bottle of Ballard's Snow Liniment and I was 'raised from the dead.' I tried to get some more, but before I had 'deposited' of my bottle I was cured entirely. I am telling the truth too." 25c, 50c and \$1.00 at Fischer Drug Co.

A SAD DISAPPOINTMENT. Ineffective liver medicine is a disappointment, but you don't want to purge, strain and break the glands of the stomach and bowels. DeWitt's Little Early Risers never disappoint. They cleanse the system of all poison and putrid matter and do it so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure biliousness, torpid liver and prevent fever. Fischer Drug Co.

After a woman has been engaged two or three times she gets about as excited over it as a man does ever going to business every morning.

21 YEARS A DYSPETIC. R. H. Foster, 318 S. 2d St., Salt Lake City, writes: "I have been bothered with dyspepsia or indigestion for 21 years; tried many doctors without relief; recently I got a bottle of Herbine. One bottle cured me, I am now tapering off on the second. I have recommended it to my friends; it is curing them, too." 50c at Fischer Drug Co.

REPUBLICAN CENTRAL COMMITTEE MEETING

Catron's Proposition to Hold But One Convention for the Election of Delegates for the Nomination of a County Ticket and But One Set of Primaries Unfavorably Considered by the Committee.

PRIMARIES OCTOBER 3, CONVENTION OCTOBER 6

The Republican county central committee met yesterday evening at the office of T. B. Catron. There were present: T. B. Catron, chairman, R. J. Palen proxy for J. Amado Lucero, J. D. Sena for himself and proxy for H. C. Kissell, Antonio Ortiz y Salazar, T. B. Catron proxy for W. H. Kennedy and R. C. Gortner. J. D. Sena was named as secretary pro-tem. The primaries were fixed in every precinct in the county to take place at 7:30 o'clock in the evening, on Friday October 3, and the county convention will be held in this city on Monday, October 6, and ten delegates to the Republican territorial convention at Raton will be elected thereat. The call for a county convention was issued and will be found in another column of this issue. The convention will consist of 63 delegates. The committee then adjourned to meet at 9 o'clock on the morning of Monday October 6.

Several propositions advanced by Chairman T. B. Catron were voted down. One of them was that but one convention should be held for the election of delegates to the Raton convention and also for the nomination of a legislative and county ticket. This was not looked upon favorably by the majority of the committee. Another proposition of the chairman was that but one set of primaries should be held and that the delegates elected to the convention to elect the delegation from this county to the Raton convention should also be the delegates to the county convention to be called later and which is to nominate a legislative and county ticket. This was also sent away to the rear and told to sit down. Upon the whole the results of the meeting are quite satisfactory and it is believed that but one Republican county convention for the selection of delegates to the Raton convention will be held.
