## MINE STATEMENT!

Strike Dispute Not Yet Settled.

Lord Roberts Will Issue Proclamation Thursday.

Appeal for Material to Build Homes

## MINE STATEMENT.

Indianapolis, Ind., Oct. 8.—W. B. Wilson, secretary-treasurer of the United Mine Workers of America, issued a statement today. He says: "All the coal operators having conceded an advance in wages, it can be truthfully said that the miners in the anthracite region have achieved a great victory. Yet the dispute is not settled, nor will it be even though the miners accept the proposition of the operators and return to work. The sliding scale, dockage of semi-monthly pay and other grievances complained of by the miners have not been considered in the proposition of the operators and the advance in wages is so complicated with the reduction in the price of powder that many miners do not understand it. Under these circumstances, the current and best method of securing permanent peace would come from a meeting of the operators with the anthracite miners when they meet to consider the offer of the coal companies."

**MINE WORKERS TO MEET.**  
Shenandoah, Oct. 8.—President Mitchell this morning issued a call to the mine workers of three districts, comprising the anthracite field to meet at Scranton on Friday next.

**TROOPS TO BE WITHDRAWN.**  
Shenandoah, Pa., Oct. 8.—G. N. Gobio said he had informed Sheriff Toole of his intention to withdraw the remainder of his troops to-morrow if favorable weather prevailed.

**MITCHELL WILL NOT TALK.**  
Huston, Pa., Oct. 8.—President Mitchell refused to say anything as to what the convention would probably decide to do in the matter of the ten per cent increase, neither would he anticipate what business other than that relating to the advance of wages would be brought before the delegates. There is a strong belief that the men will vote to go back to work.

**PREPARING FOR A CONFLICT.**  
Harrisburg, Pa., Oct. 8.—Sheriff Reiff of Dolph county, was summoned to Williamstown today by the borough authorities to prepare for possible conflict between the strikers and non-striker miners in the Lykens valley region. A public meeting will be held tonight at Williamstown at which an appeal will be made to induce the 1,200 at the colliery to quit work.

## WANT MATERIAL.

To Build Homes for the Homeless at Galveston.

Galveston, Oct. 7.—Miss Clara Barton, president of the National Red Cross society, has issued an appeal to manufacturers and business men for aid in the way of material to be used in building homes for those who lost their all in the recent storm. The number of homeless, she says, is estimated at 8,000.

## THE YOUTSEY TRIAL.

Georgetown, Ky., Oct. 8.—The jury for the trial of Henry Youtsey, for alleged complicity in the Gobel assassination, was completed today and Attorney Bradley made a statement to the jury for the commonwealth. Col. Crawford, for the defense, moved the discharge of the jury on the ground, first, that the jury is not composed of bystanders, but summoned from remote parts of the country; second, the jury-men are all democrats, and as the crime charged involves politics to a large extent, the defendant cannot expect an impartial trial. Youtsey filed an affidavit in support of the motion. Judge Cantrell overruled the motion. He said: "The complexity of the jury politically has nothing to do with this case. The defendant is indicted for murder and not for any political offense."

## STARTED FOR WASHINGTON.

Canton, Ohio, Oct. 8.—President McKinley started for Washington, accompanied by Mrs. McKinley.

## WILLIS R. McQUADE.

He Celebrated His Eighty-Birthday Last Saturday.

Willis R. McQuade, son of Mr. and Mrs. J. W. McQuade, celebrated his eighty birthday Saturday last, and was assisted in the celebration by quite a number of his little friends, among those present being Ernest Hall, Leon and Clarence Banks, Frank and Charles Boatright, Charles and John McKim, George Walker, John and Davis McQuade, Misses Gracie Holder, Edith and Gertrude Walker, Helen Butman, Virginia Vargas and Georgia Navarre. Willis received a number of pretty and useful presents. The merry crowd of little folks enjoyed themselves in good fashion, and after amusing themselves with innocent games for an hour or two, the happy mother of Master Willis prepared a fine lunch and all partook of it with great relish, after which they departed for their respective homes wishing Willis many future birthdays.

## DENVER YOUNG LADY ASSAULTED.

Miss Annie McAtee, a young lady of Denver, was assaulted by a footpad in that city last Friday night, and the Denver papers give the startling information that the skull of the young lady was crushed in by an axe and that she is unconscious, if not in a dying condition. The young lady had attended church, and was on her way home at about 8:30 p. m., when she was attacked and was found an hour later in an alley by a young man, Nelson Waldorf. The victim is a sister of Mr. McAtee, of this city, member of the office of Cooper & McAtee, and this afternoon he received a telegram that his sister was considered better, but not out of danger.

## IMPERIAL COURT!

Have Left Peking and Will Not Return.

Other News From Mongolian Country.

Capture of Sixty American Soldiers Confirmed.

## CRIME FOR INSURANCE MONEY.

Washington, Oct. 8.—Efforts to induce the Chinese imperial court to return to Peking have failed after weeks of persistent effort on the part of the powers. News that effect was brought to the state department today by the Chinese minister, who received it via St. Petersburg from Vice-roy Liu Kun Yin and Chang Chih Tung, under date of October 4th. Minister Wu received a message last night, it was as follows: The departure of their imperial majesties for Shen Si (province) was due to distressing conditions in Tai Yuan Pa. There is scarcity of food supplies in the province of Shan Si on account of long continued drought, and the provincial capital (Tai Yuan) is almost deserted. The tradepeople having left on account of the disturbance caused and continued for months by Boxer rebels, who had invaded that province with the encouragement of Governor Yu. Their majesties, therefore, were obliged to proceed to Shen Si, where telegraphic communication with Shanghai and other parts of the empire is opened and rapid communication with their majesties may therefore be carried on. This court and official business may be transacted more expeditiously by their presence in Shen Si rather than in Tai Yuan. Reasons for temporary postponement of their majesties return to Peking are the presence of the allied forces there, on account of which solicitude fear is doubtless entertained, besides the outbreak of epidemic disease which usually follows after great disturbances, the destruction of property and military operations. It is hoped the powers will be considerate in their judgment of this matter. It is said there are no Boxers in the newly chosen locality, so the court will have thrown off the hostile influences recently surrounding it. As the dispatch is dated four days ago it is taken that the trip of the imperial party began prior to that time.

## GATES GUARDED.

St. Petersburg, Oct. 8.—Admiral Alexoff, in reporting the occupation of Shan Hai Kuan, on the Gulf of Liao Tung, says: In accordance with the agreement of the admirals, the forts have been divided among the different nations. The town has not been occupied, but the gates are guarded by artillery. The whole route from Hong Kong to Shan Hai Kuan is occupied by Russians. After the occupation of Shan Hai Kuan, the Americans refused to further participate in the operations. Part of the Russian force is advancing northwards.

## IMPERIAL COURT MOVING.

Washington, Oct. 8.—The Chinese minister has advised Secretary Hay of the receipt of a dispatch from the southern viceroys stating that the imperial court is en route from Om Tai Tuan to Singan, where the imperial establishment is to be set up. The minister is also advised officially that the force of the province just vacated by the court, had been impeached for anti-foreign tendencies.

## STORES HAVE REOPENED.

Hong Kong, Oct. 8.—The town of San Chem is quiet this morning, and the stores have been reopened. The rebels who attacked Sai Wan, near San Chun, Saturday, are believed to belong to the force of Triads which is proceeding westward leaving blackmail. The missions here are safe.

## CAPTURE CONFIRMED.

Sixty Uncle Sam Soldiers Captured by the Filipinos.

(Copyrighted Associated Press.)  
Manila, Oct. 8.—Reports of the capture of about sixty men of the Twenty-ninth United States infantry, on Martinique island, is confirmed through communications from MacArthur and Kempf from Martinique islands, but details are lacking. The Yorktown's relief column landed at Tortillas on the Martinique coast, and marched to Santa Cruz without encountering the enemy or learning anything definite regarding the captives except they have entirely disappeared.

## AFTER INSURANCE MONEY.

Several Persons Arrested Accused of the Murder of a Woman.

Chicago, Oct. 8.—With insurance on her life amounting to \$12,000, Marie Defenbach, aged 23, died August 25, under conditions which the police believe indicate a plot to swindle the New York Life insurance company, and two in-

insurance societies, if they do not point to murder. Upon a bench warrant issued by Judge Gibbons, a druggist named M. Unger, and Frank H. Smiley, a detective, have been arrested. A third person alleged to be connected with the fraud and on whom warrants had been issued, is not yet under arrest. It is believed that Miss Defenbach was originally one of the four alleged conspirators. She expected and was told that her death was to be faked and another body to play the passive role of her corpse. She left a will which directed that part of her policies should be paid to Frank H. Smiley, her affianced husband, and her body should be cremated. Her death was attended by the most horrible agony. The coroner's jury after the body had been examined found a verdict of death from dysentery. The next day the body was cremated. Owing to the unusual circumstances the payment of policies were withdrawn and steps taken to trace the woman's career.

P. W. Mooney, assistant manager of the Wayland & Boland detective agency, was arrested on his return from Virginia to-day, charged with complicity in the case.

## National Republican Ticket

For President—  
**WILLIAM MCKINLEY**,  
OHIO.  
For Vice President—  
**THEODORE ROOSEVELT**,  
OF NEW YORK.  
For Delegate to Congress—  
**B. S. RODEY**.

England has no use for copperheads  
either. The peace-at-any-price candi-  
dates are nowhere in the parliamentary  
elections.

There are 20,000 political orators on  
the stump at present. No wonder the  
country has had cyclones with all  
these wind-jammers at work.

The republicans of this country can  
make a clean sweep and roll up a big  
majority if good and competent men  
are selected for county officers.

Any one who has examined the brick  
sidewalk recently laid in Santa Fe,  
must be convinced that walks laid  
with vitrified brick is cheaper, neater  
and more durable than cement.

The Glenner says: "The McKinley  
county delegates to the territorial repub-  
lican convention were well received  
and succeeded in getting what was  
sought for by the Gallup republicans."

The Galveston survivors have been  
simply taken care of, and India's  
drought is over, and relief fund for  
the unemployed has been abolished by  
the era of McKinleyism and prosper-  
ity.

One of the very best men in Gallup,  
W. A. Smith, will be the republican  
nominee for sheriff of McKinley county.  
Those who desire law and order  
to prevail in the new county should  
vote for Mr. Smith.

The United States is about the only  
power that has pursued an entirely  
consistent and unchanged course in  
China from the very first up to date.  
Owing to the illness of Secretary Hay,  
President McKinley has been practically  
his own secretary of state and has  
managed affairs with rare sense  
and discretion.

The discovery that Senator Jones of  
Arkansas, chairman of the democratic  
national committee, is deeply inter-  
ested in the round cotton bale trust should  
cause no surprise among the readers  
of newspapers. Richard Croker, grand  
son of Tammany, has already been  
caught manipulating the most offensive  
trust ever organized in the United  
States, and it is not at all astonishing  
that Senator Jones should have im-  
proved his opportunities to make  
money in the same way.

**MR. LARRAZOLO.**  
The announcement is made that Mr.  
Larrazolo, the democratic nominee for  
delegate to congress, will speak in the  
opera house this evening. The gentle-  
man is almost a stranger in this city  
but expects to become well known be-  
fore the campaign is over. He is a  
bright young lawyer, and a pleasing  
speaker. He draws crowded houses  
and those who attend are assured that  
they will be well entertained. Mr. Lar-  
razolo is a native of Mexico, and most  
of his life has been spent in Texas. He  
is said to be a protégé of Congressman  
Sevens of Texas, and he is also a po-  
litical pupil of Felix Martinez, who at  
one time was the political boss of Las  
Vegas. Mr. Larrazolo will not get much  
of a vote in this city, but he will  
be shown every courtesy by our people.

**STARVING INDIANS.**  
Dispatches from Arizona emphasize  
the need of immediate assistance for  
the Pima Indians, thousands of whom  
are in danger of starvation. A dis-  
patch from Phoenix states that famines  
and suffering among the Indians on  
the Sacaton reservation grows greater,  
and unless steps are taken at once for  
the relief of the starving Indians, dis-  
aster is certain this winter. Reports  
to date from authoritative sources  
state that 3,000 Indians are already  
dying and in dire straits. The govern-  
ment is surveying for the fluming  
or irrigation water to be tapped from  
the under-flow of the Gila river, but it  
cannot be hoped that a supply can be  
obtained before summer. Short rations  
of wheat and flour are being doled out  
by the agency, but not nearly enough is  
available for permanent good.

**REPUBLICAN PROSPERITY.**  
The people of the United States were  
on "half rations" in 1894, but on full  
rations in 1899 and 1900. The official  
publications of the treasury bureau of  
statistics show that the wheat crop  
consumed in the United States in 1894 was  
but 2,416 bushels per capita, while in  
1899 it was 5.91 bushels, and in 1900,  
5.95 bushels per capita. In 1890 the  
home consumption will probably ex-  
ceed six bushels per capita, and be  
nearly if not quite double that of 1894.  
This illustrates the advantage to the  
farmer of a flourishing business con-  
dition, which assures him a satisfactory  
home market. In 1892 and 1893 fac-  
tories were running on full time. Both  
employers and employees have been  
busy and making full earnings. Every-  
body has been able to buy what he  
needed. In 1899 and 1900 con-  
ditions have been even better.

**MCKINLEY COUNTY.**  
The democratic of McKinley county  
are well pleased with the bright out-  
look for the new county, but the dem-  
ocrats of the territory insist that the  
county shall be disorganized. The re-  
publicans of the territory demand  
more territory for McKinley county,  
and if the people of Gallup show the  
good sense we believe they possess,

they will go right along in the prosper-  
ity procession and have one of the best  
counties in New Mexico. There is no  
good reason why any one outside of  
Bernalillo and Valencia counties  
should interfere in the affairs of Mc-  
Kinley county. These two counties  
have resolved to treat the new county  
fairly, and all others in New Mexico  
should allow those directly interested  
to manage their own affairs. The re-  
publican party created McKinley coun-  
ty, and will add to its borders sufficient  
territory to make it self-supporting.  
The republicans in territorial con-  
vention assembled at Santa Fe, so de-  
clared, and the republicans of Valen-  
cia and Bernalillo counties ratified the  
agreement.

**UNITED PARTY.**  
The nomination of Judge B. S. Rodey  
has practically united all the warring  
republican factions in this county. He  
is acceptable to all the republicans,  
and also commands the respect and  
good will of the democrats of this city.  
The nomination of Judge Rodey was  
brought about by no faction in the re-  
publican party. After the declaration  
of Mr. Luna, the nomination of Rodey  
followed by acclamation. Now is a good  
time to forever heal up the differences  
that have afflicted the republican party  
in this county for the past eight  
years, and individuals should sink their  
personal feelings and join hands in se-  
curing a glorious republican victory  
and putting the territory in line for  
prosperity and assured prosperity. The  
Citizen wishes to state for itself that  
it has buried its hatchet, which it  
probably has been doing, as that which  
by anyone in New Mexico, and will  
stand shoulder to shoulder with the re-  
publicans of this city and county in se-  
curing everything possible to secure re-  
publican success in this territory in  
November. We wish to see the future  
prosperity of New Mexico depends on  
republican victory. Let's all get to-  
gether for Judge Rodey for delegate to  
congress.

**ACTIVE CAMPAIGN.**  
Judge B. S. Rodey, the republican  
nominee for delegate to congress, will  
make an active campaign and will vi-  
sit and speak in every county in the  
territory before the 6th of November.  
He addressed the people of Santa Fe  
last Thursday evening and made  
speeches in this city on Friday and  
Saturday evenings. This evening he  
will address the people. The territorial  
republican committee will meet in this  
city to-morrow and arrange the de-  
tails of the republican campaign,  
which will be the hottest one ever wit-  
nessed in New Mexico. The services of  
every republican speaker in the terri-  
tory is solicited, and all who can join  
in making this the banner year for the  
republican party are requested to con-  
fer with the republican central com-  
mittee in this city.

**DEMOCRATIC COMMITTEE.**  
The territorial democratic conven-  
tion selected its whole committee from  
this city. Headquarters for that party  
will be established in this city. While  
this will not help Mr. Larrazolo to any  
great extent it will be of great benefit  
to the local democracy in getting  
votes for their county ticket. They  
will have a soft snap on the territorial  
democrats by the funds for the bene-  
fit of their county ticket, and no  
doubt will trade off the nominee for  
delegate wherever possible in this  
county. There is already a kick going  
up against this by the democrats in the  
other counties, who object to having  
their contributions spent for the elec-  
tion of a fusion ticket composed prin-  
cipally of sorehead republicans.

**FAITH IN MCKINLEY.**  
There has probably never been an  
election in this country which has had  
so direct a bearing upon the business  
prosperity of the country. This is  
evidently shown by the fact that  
many important financial deals, involv-  
ing millions of dollars, have been  
made contingent upon the re-election  
of McKinley. Fortunately for the coun-  
try, little doubt is entertained of the  
result. Many instances have occurred  
lately to show the confidence that is  
felt by representative business men of  
the country in the success of the na-  
tional republican ticket.

Some angry democrat tried to brain  
Mark Hanna with a chunk of ice in  
Chicago the other night. The fact that  
close upon the heels of the Roosevelt  
incident, as it does, this assault indi-  
cates a probable new method of "cam-  
paigning" on the part of Mr. Bryan's  
"mercy men."

Gallant old General Sikes is the lat-  
est prominent democrat to desert the  
party of discontent, destitution and  
dishonor and come out for McKinley.

The most disastrous defeat ever sus-  
tained by the Tagalos will be an-  
nounced on the morning of November  
7th.

**The Twentieth Century.**  
When a few months shall have  
passed, we will then stand at the very  
threshold of the twentieth century, and  
the nineteenth will be a thing of the  
past. It will, however, be known as  
the century of discovery and invention,  
and among some of the greatest of  
these we can truthfully mention Hos-  
tetter's Stomach Bitters, the celebrated  
remedy for all ailments arising from a  
disordered stomach, such as dyspepsia,  
indigestion, flatulency, constipation and  
biliousness. It has been one of the  
greatest blessings to mankind during  
the past fifty years as a health builder.  
Many physicians recommend it. Take  
their advice, try a bottle and be con-  
vinced, but be sure to get the genuine  
with a private revenue stamp over the  
neck of the bottle.

**His Life Was Saved.**  
Mr. J. E. Lilly, a prominent citizen  
of Hannibal, Mo., lately had a wonder-  
ful deliverance from a frightful death. In  
telling of it, he says: "I was taken  
with typhoid fever that ran in pneu-  
monia. My lungs became hardened. I  
was so weak I couldn't even sit up in  
bed. Nothing helped me. I expected to  
soon die of consumption, when I heard  
of Dr. King's New Discovery. One  
bottle gave great relief. I continued to  
use, and now am well and strong. I  
can't say too much in its praise." This  
marvelous medicine is the surest and  
quickest cure in the world for all  
throat and lung trouble. Regular size  
50 cents and \$1.00. Trial bottles free at  
all drug stores. Every bottle guaran-  
teed.

**For Sale.**  
A first-class foot round top Mur-  
ray-made tent for sale cheap. A large  
new tent cost in stock \$225, and  
can be purchased for about one-third  
the amount. Address or call on W. T.  
McGilver, president of the Fair associa-  
tion.

## ENDORSE RODEY.

Territorial Press Pleased With His  
Nomination for Congress.

ALL PREDICT REPUBLICAN SUCCESS.

For the first time in the history of  
the territory the republican press is  
solidly united in support of the repub-  
lican nominee for congress. Here are  
a few of the hearty commendations:  
New Mexican: Hon. B. S. Rodey  
stands square and fair for statehood.  
He believes sincerely that the people  
of New Mexico are entitled to their  
birthright of freedom, which has been  
denied them for fifty years; he believes  
that New Mexico is more than a colony  
and that its people are entitled to the  
very right and privilege that the con-  
stitution of the United States grants to  
every citizen of the states. It is time  
that New Mexico be no longer regarded  
as a foreign country, but as a part of  
the great and glorious United States.  
Bernard S. Rodey is a self-made man  
of unblemished character and liberal  
affairments. His nomination by the  
territorial press is no mere victory,  
as election day will show; he will be  
elected.

San Marcial Bee: Hon. Eliezer Baca  
wrote The Bee the good news of the  
nomination by the republican conven-  
tion at Santa Fe, on Thursday, of  
Bernard S. Rodey of Albuquerque, for  
delegate in congress from New Mexico  
for the term beginning the 4th of next  
March.

Socorro Chief: The republican  
territorial convention for the nomina-  
tion of a delegate to congress assembled  
in Santa Fe Wednesday, October 23.  
The delegates met in the morning, and  
on the following day. There were several  
candidates for this high honor. At a  
general caucus Thursday it was  
agreed that Hon. B. S. Rodey of Albu-  
querque was the most available man  
for the place and the convention rat-  
ified the decision of the caucus by  
nominating Mr. Rodey by acclamation.  
The nominee is a well-known active  
citizen of Albuquerque, who possesses in  
a high degree those elements of char-  
acter necessary to a good candidate.  
He is a man of more than average abili-  
ties, he is a hard worker, he is con-  
scientious, he is honest, and he has a wide  
acquaintance in the territory. With such  
qualifications his election to congress  
is practically assured, and no citizen  
of New Mexico need fear that the in-  
terests of the territory will be neglect-  
ed.

Las Vegas Republican: Hon. Solomon  
Luna was nominated for delegate by  
B. S. Rodey of Albuquerque. Luna  
was endorsed by every county in the  
territory until Valencia was reached,  
when on behalf of Mr. Luna, Col. George  
Chavez declined the nomination ten-  
dered. When Mr. Rodey appeared, the  
convention was impossible. The conven-  
tion adjourned until 10 o'clock Thurs-  
day morning.  
When the convention reassembled  
on Thursday morning it took a recess  
for one hour, during which time it held  
a caucus for the selection of a candi-  
date. After the caucus, Hon. T. H.  
Carron, nominee of B. S. Rodey of Albu-  
querque, as the republican candidate  
for delegate to congress. Mr. Carron  
made an eloquent speech and Mr. Rodey  
received the unanimous nomination.

vention was impossible. The conven-

### DISTRICT COURT.

Petit Jury Discharged - Jury Com-  
missioners Appointed.

A MURDERER SENTENCED.

The court discharged the petit jury for this term, and gave notice that tomorrow morning he would call the civil docket for disposing of civil cases, and for setting of cases for trial before the court where agreement could be reached.

On the United States side of the court on Saturday the court appointed Gregory Page of McKinley county, Cicero Barrios of Valencia county, and Vidal Chavez, of Bergallito county, as jury commissioners for the next United States term of court.

On the territorial side of the court this morning the case of the Territory vs. Jose F. Jaramillo, charged with murder, was called for trial and the defendant, by permission of the court, was allowed to withdraw his plea of not guilty and thereupon entered a plea of guilty. The court then sentenced the defendant to thirty-five years imprisonment in the penitentiary at hard labor. The crime which defendant committed was the murder of Porfirio Ribera on Christmas day, 1898, by stabbing him to the heart. The defendant eluded the officers for the past two years but was finally captured in California and brought to the bar of justice.

In the case of the Territory vs. R. P. Nicholas, convicted last week of horse stealing, the court this morning sentenced the defendant to the penitentiary for a period of four years. The crime for which the defendant was convicted, was the stealing from Trimble's a red barn last March, of the black mare of Grunfeld Bros.

The case of the Territory vs. Pedro Apodaca, indicted for assault with intent to kill one Adolfo Gutierrez in November, 1898, was called for trial this morning and the evidence heard in part when the defendant entered a plea of guilty and was sentenced to the penitentiary for eighteen months. The evidence showed that the year 1898 was a prosperous year and begot native wine and fights and the defendant and prosecuting witness indulged in a fight the defendant slapping the witness last Saturday with a knife, under the arm pit, from which wound he nearly died.
