PUT TO DEATH!

Empress of China Executed Officials.

Lord Roberts Has Annexed the Transvaal.

Chinese Trying to Prevent Destruction of Imperial Palace.

FATAL RAILROAD ACCIDENT.

New York, Sept. 3.—The Herald publishes the following dispatches: "Pekin, Aug. 29, via Shanghai, Sept. 3.—Three members of the Young Li Yamen have been executed by the empress. They are Hon. Tan, member of the imperial secretariat, Li Shan, a friend of the empress, and Li Yen Yuan. They were put to death just before the arrival of the allied forces.

"There is no government in Peking. The Japanese and Russians for some unknown reason, still remain outside the innermost palace of the forbidden city. Germans desire to burn everything and avenge the death of Baron von Kettler.

"Position of the legation during the siege had been undermined and in a few more days the mines would have been sprung.

Transvaal Annexed.
London, Sept. 3.—Under date of Belfast, September 1, Lord Roberts reports: "I have to-day issued under her majesty's warrant of July 4, proclamations announcing that the Transvaal heretoforth with form a part of her majesty's dominions."

TRYING TO NEGOTIATE.
Chinese Officials Trying to Save Imperial Palace From Destruction.

Pekin, Aug. 26.—Ching Shin, Na Tung and Chung Li, members of the Tsun Li Yamen, are trying to negotiate with the generals of the allied forces through Sir Robert Hart, director of the imperial customs, in order to prevent the destruction of the innermost palace of the forbidden city. With the same object in view the Russians have occupied the palace.

Resident Americans think the city ought to be completely destroyed, and that Na Tung and Chan Li should be beheaded, since they formed part of the cabal which caused the murder of Baron von Kettler and attempted the massacre of all foreigners, and that no leniency should be shown, or the next generation of Chinese will repeat the crime.

Fatal Railroad Accident.
Philadelphia, Sept. 3.—Thirteen people were killed and over thirty injured in a rear end collision of excursion and milk trains on the Reading railroad at Hatfield, Pennsylvania, on Sunday.

His Last Ride.
At Isleta Junction last Saturday night a man named Higgins was run over and killed by passenger train No. 1. It is supposed that he had been riding on the brake beam and fell off and under the wheels. The remains were brought to this city and buried yesterday. A traveling partner of Higgins' told the city police that the two of them, after serving a short time for vagrancy here, had taken the train for the west. The man killed was supposed to be an apprentice bricklayer, as a working card was found on him.

FUTURE OF CHINA!

England Delays Giving Its Answer.

France Is in Favor of Peace in China.

Both Political Parties Open the Campaign in Kentucky.

SUNDAY BASE BALL.

London, Sept. 3.—The difficulty of communicating with the British minister at Peking, Sir Claude MacDonald, delays promulgation of the views of the British government in regard to future steps in China. The government being unwilling to commit itself publicly to a definite decision until Sir Claude MacDonald has fully reported on the situation.

Meanwhile a heated and evacuation campaign continues in the press. The trend of official opinion apparently continues favorable to the principle of safeguarded withdrawal from Peking to Tientsin, but not the evacuation of China. The statement that Gen. Gaxelle, commander of the British troops in China, had stopped British reinforcements arriving at Hong Kong from proceeding further north, is taken as an indication that the British government anticipates diplomatics will shortly take the place now occupied by the military.

It is reported at Hong Kong that the French gunboat, Comete, recently fired on some Chinese on the banks of the Tien Kiang, killing and wounding three. The incident is regarded as liable to provoke reprisals.

Reply of France.
Paris, Sept. 3.—France has not yet replied to Russia's note regarding the withdrawal of troops from Peking.

France regards peace as the first requisite of the situation, but it is not entirely certain that the withdrawal of troops from Peking is the best and the quickest method to attain this end.

Campaign in Kentucky.
Frankfort, Ky., Sept. 3.—The campaign in Kentucky was opened by both parties in most of the counties today. At Bowling Green John W. Yerkes, republican candidate for governor, was the leading speaker. At Henderson Gov. Beckham, democratic candidate for governor and ex-governor McCrory spoke.

Miss Margaret Lee.
Died suddenly at the home of her aunt in Hartford City, Ind.

Harry F. Lee received a telegram this morning stating that his sister, Miss Margaret Lee, had died suddenly the night before at the home of her aunt in Hartford City, Ind.

Miss Margaret was the daughter of Judge and Mrs. W. D. Lee, and a sister of Fred, Harry and Frank Lee, and of Mrs. Rose L. Hunt, of this place, and Victor Lee, of Reno, Cal.

Miss Margaret went out in June last to visit relatives in Indiana, leaving Terre Haute only ten days since to visit aunt and in Hartford City, having first attended the summer normal school in Terre Haute for several weeks.

Letters were received by her family during the past week from her, stating

LABOR DAY!

Bryan and Roosevelt Speak at Chicago.

Severe Defeat of the Filipino Insurgents.

Gen. Chaffee Has Everything Well in Hand in China.

AMERICAN SICK IN CHINA.

Chicago, Sept. 3.—Organized labor of Chicago to-day passed in review before Col. Bryan and Col. Roosevelt. Hour after hour the labor unions marched down Michigan avenue past the Auditorium hotel, on the loggia of which stood the democratic nominee for president, the republican vice presidential candidate, together with Charles A. Towne, Senator Wm. E. Mason, and a dozen other political leaders. Both Bryan and Roosevelt were heartily greeted by the men as they marched past the hotel. After reviewing the parade Bryan and Roosevelt met down to a luncheon given by the labor representatives. It was a "bag of tricks" luncheon, for the trades union men decided that in celebration of labor day there was to be no politics. Speeches were delivered this afternoon as follows:

Gov. Roosevelt, Charles A. Towne, S. Alderman, democratic candidate for governor of Illinois Richard Yates, republican gubernatorial nominee, Wm. E. Mason, Mayor Rose of Milwaukee, Mayor Harrison of Chicago, R. H. Patterson, J. J. O'Neil and Col. Bryan.

Chaffee in China.
Washington, Sept. 3.—The war department received a cablegram from General Barry, of which the following portion is made public:

"Taku, (no date).—Gen. Chaffee has everything well in hand. His driving power materially assisted in prompt relief for the legation, considering the arduous service and condition of the troops."

American Sick.
Washington, Sept. 3.—The war department has received the following telegram from Major Perley, of the hospital corps, commanding the hospital ship Relief:

"Taku, (no date).—Banister reports 18 sick at front and 20 at Tien Tsin. Many are slightly ill. All wounded brought from the front. The Relief will take all severe cases. Launches and boats returned with plenty of supplies. All doing well."

THE PUBLIC SCHOOLS.

The Citizens are glad to announce that

the prospects are very good for the

annual year's work in the public

schools of this city.

The board of education has been un-

derstanding in its efforts for the upbuilding

of our school interests. They have chosen

a good corps of teachers and have just

completed a large school building—

known as the Central school—at a cost

of \$15,000.

The taxpayers and all those interest-

ed are invited to inspect the building on

Thursday and Friday, of next week,

Sept. 6 and 7.

All seventh, eighth, ninth and tenth

grade pupils will go to the Central

school, on both sides of the tracks, will

go to Miss Coltrane, and those north of

Gold avenue will go to Mrs. L. B. Bar-

ber. All those seventh grade pupils living

south of Gold avenue will go to Miss

Skinner. The rest of the seventh will

go to Miss Stevens. It may be neces-

sary to make some changes in these

grades after school begins, but it is the

best decision that can be made at

present.

Each of the four ward buildings will

have the first six grades. The building

for the first ward lies east of the

tracks and north of Gold avenue.

That for the second ward is south of

Gold avenue and east of the tracks.

The third ward contains the territory

lying west of the tracks and south

of Gold avenue.

All north of Gold avenue and west of

the tracks belongs to the fourth ward.

AN IMPORTANT DIFFERENCE.

To make it apparent to thousands,

THE PUBLIC SCHOOLS.

The Citizens are glad to announce that

the prospects are very good for the

annual year's work in the public

schools of this city.

The board of education has been un-

derstanding in its efforts for the upbuilding

of our school interests. They have chosen

a good corps of teachers and have just

completed a large school building—

known as the Central school—at a cost

of \$15,000.

The taxpayers and all those interest-

ed are invited to inspect the building on

Thursday and Friday, of next week,

Sept. 6 and 7.

All seventh, eighth, ninth and tenth

grade pupils will go to the Central

school, on both sides of the tracks, will

go to Miss Coltrane, and those north of

Gold avenue will go to Mrs. L. B. Bar-

ber. All those seventh grade pupils living

south of Gold avenue will go to Miss

Skinner. The rest of the seventh will

go to Miss Stevens. It may be neces-

sary to make some changes in these

grades after school begins, but it is the

best decision that can be made at

present.

Each of the four ward buildings will

have the first six grades. The building

for the first ward lies east of the

tracks and north of Gold avenue.

That for the second ward is south of

Gold avenue and east of the tracks.

The third ward contains the territory

lying west of the tracks and south

of Gold avenue.

All north of Gold avenue and west of

the tracks belongs to the fourth ward.
