"TAPS" AT CHICAGO

Close of the Grand Army Encampment.

Plague Spreading in Glasgow, Scotland.

Fall River Cotton Mills Shut Down for a Few Days.

INJURED IN PANIC AT CHICAGO.

Chicago, Sept. 1.—With the sound of "taps" to-night at 12 o'clock the myriad lights of the court of honor will cease to shine and the thirty-fourth annual encampment of the G. A. R. will come to an official close. The outgoing trains to-day carried thousands of veterans with their families and friends, and the streets which during the week were alive with flags and bunting and crowded with veterans of the civil war, began to assume the usual work-a-day appearance.

Plague in Glasgow.
Glasgow, Scotland, Sept. 1.—The health officer has issued notification to the effect that another plague suspect was admitted to the hospital this morning. Now eighty-three persons are under observation, necessitating the opening of a second reception house. Some of those first afflicted with the disease are improving.

Mills Shut Down.
Fall River, Mass., Sept. 1.—Forty-four cotton mills operated by twenty-four corporations, shut down to-day until September 10. These mills employ 17,000 hands. About three-quarters of the corporations will have completed a month's curtailment on that date in accordance with the general agreement.

Injured in a Panic.
Chicago, Sept. 1.—A score of people were injured to-day in a panic and stampede at the joint agency of the eastern roads on Chicago street. The place was densely crowded by veterans and others to secure return coupons on Grand Army of the Republic encampment tickets. A woman fainting, starting the panic and a man rushing into the door, a plate glass window was demolished and several persons severely injured by the falling glass. Five others were knocked down and badly bruised. The police finally restored order. None were seriously injured.

Commander of the Lakes.
Washington, Sept. 1.—General Otis has been selected to fill the post of commanding officer of the department of the lakes, to become vacant next week by the retirement of General Wheeler.

Troops to Be Withdrawn.
London, Sept. 1.—The following dispatch has been received from Amoy, under date of Aug. 31: "The Japanese landing parties have been withdrawn from here, and at Ku Lung Pu only eighty marines remain ashore. These and sixty British marines landed on Aug. 29 are presumably to be withdrawn shortly. The Japanese troops on the way here from Formosa were ordered to return."

Russian Circular.
St. Petersburg, Sept. 1.—The official messenger to-day publishes the text of a circular addressed to the Russian representatives abroad, dated Aug. 25, the gist of which is shown by the correspondence issued yesterday at Washington, which the Russian charge d'affaires communicated to Acting Secretary Adee on Monday.

Zuni Forest Reserve.
The intention of the interior department, as told in The Citizen a few days ago, to create a forest reserve in the Zuni mountains, is a most laudable one," said A. H. McDermott, of that country, to-day. "Its hills and valleys make some of the most beautiful mountain scenery in New Mexico. Tens of thousands of sheep live upon its grasses, and a number of mountain farms are within its borders. For the best interests of all its timber should

be protected from destruction. For a quarter of a century the former great lumber states of Michigan and Wisconsin have been trying to meet the question of decreased rainfall, caused by the wholesale destruction of their pine forests by their lumber barons. The coming generation should be taught to read the poem, 'Woodman, Spare That Tree,' and then modify it to apply to herders, prospectors, etc." Mr. McDermott returns to Bluewater to-night.

BROWNS ORGANIZE.

Excellent Amateur Team Selected and W. T. Mattocks Chosen Manager.
At the city building last evening the local base ball players met and organized a team for the balance of the season and elected Will T. Mattocks as their manager. The team is composed of strictly amateur players, who are well known to local fans, and even should they not win in the tournament, will give more satisfaction than imported players, who would leave immediately after the fair. Several letters from professionals have been received and in all cases have been told that the rules of the Territorial Fair association in regard to professionals will be strictly enforced, therefore could not be used.

To-morrow afternoon the Browns and Barons will cross bats at the old town fair grounds. Game will be called at 2:30 and no admission will be charged. The names and positions of the teams are as follows:
Browns—McDonald, c.; Wynkoop, p.; Ortiz, 1 b.; Vorhes, 2 b.; Helweg, 3 b.; Sisak, a. s.; Henry or Crumpecker, 1 f.; Hale, c. f.; Stevens, r. f.
Barons—O'Bannon, s.; Chavez, p.; J. Scdllo, 1 b.; Lawa, 2 b.; M. Sedillo, 3 b.; Johnson, a. s.; Lopez, r. f.; Lujan, c. f.; Garcia, 1 f.

QUEEN OF THE CARNIVAL CONTEST
Miss Palladino Leading in the Voting—Contest Closes at 5 O'Clock To-night.

The voting for the "Queen of the Carnival" developed into a lively contest this afternoon, and Miss Palladino is leading the other ladies by a very good majority. However, the other contestants—Misses Sadie Hill, Edith Stevens, Cora C. Gehring, Julia Hamm, Mahel Hunt, Rica Baer, Margaret Kent, Mrs. George Williams and Mrs. G. S. Kinnan—have some heavy supporters, and before the voting closes, which will be at 5 o'clock to-night, a most interesting contest will be the result. Get in your coupon ballots before 8 o'clock to-night at O. A. Matson's.

Work will be commenced on the Midway next week, and the fortunate privilege booth bidders will be given plenty of time in which to get their booths ready. The drawing of the Midway can be seen any time by calling upon or meeting the president of the fair association, Colonel Martin Tierney, who has executed the work on the ball grounds and is now supervising the work on the Midway path, will move his grading outfit to the Midway early next week.

THE VOLUNTEERS!

To Be Brought Home From Manila.

Great Britain Endorses American Position on China.

Roosevelt and Bryan Will Speak at Chicago on Labor-Day.

GERMANY'S POSITION ON CHINA.

Washington, Sept. 1.—So far the war department has not made any plans for the return of the volunteer troops from the Philippines, but it is intended to commence the homebound movement about the middle of November.
No order has yet been issued on the subject, but it will take practically all the transport service at the command of the department to accomplish the return of the volunteers between the date named and June 30 of next year, when the term of service expires by operation of law. It is the intention of the department to return the organizations in the same relative order they were shipped to the islands, thus equalizing as near as possible the term of foreign service. The above is practically the information that is being returned to private inquiries of friends and relatives of soldiers now in the Philippines, with which the department has been flooded for some time past.

Great Britain Endorses.
London, Sept. 1.—The foreign office here apparently is not yet ready to publicly declare Great Britain's position in the present Chinese situation, but all indications tend to confirm the belief that Lord Salisbury favors the principle contained in the American-Russian proposals, though possibly it may have some modifications to suggest.

Roosevelt and Bryan at Chicago.
Chicago, Sept. 1.—Governor Roosevelt is scheduled to arrive in Chicago to-morrow afternoon about 5 o'clock. Apartments have been reserved for him at the Auditorium Annex. Mr. Bryan will speak at the Labor Day demonstration on Monday afternoon. Governor Roosevelt will speak first and Colonel Bryan will follow him. It is expected each speaker will occupy about an hour.

Germany's Position on China.
Berlin, Sept. 1.—Semi-officially it is reaffirmed that Germany now, as heretofore, adheres to the program mapped out in the circular of July 3, and then approved by all the powers.

CROP OF RUMORS!

Nothing of Importance From China.

Akron, Ohio, Rioters Are in Guarded Jail.

Mr. Bryan Opens Democratic Campaign in Indiana To-night.

SECRETARY MAY RECOVERS HEALTH.

London, Sept. 1.—In the absence of definite and reliable rumors from China, Shanghai is again being assailed by a crop of rumors. According to reports from that city, Great Britain has furnished Liu Ken Yih, viceroy of Nankin, and Chang Chin Tsang, viceroy of Hankow, with strong guarantees against the repeated intention of the dowager empress to supersede them on account of their alleged pro-foreign tendencies. The guarantees were also said to include opposition to all attempts to dismember China.

The Imperial court, it is reported, is at Tai Yuan Pu, the capital of the province of Shan Si, afraid to move, owing to rumors that the Chinese troops are ravaging the country far and wide and even murdering the imperial officials who have been trying to join the fugitive imperial court.

Rioters Arrested.
Akron, Ohio, Sept. 1.—Twelve workmen, alleged to have taken part in the riot last week, have been arrested here, charged with rioting. A squad of police guarded the jail throughout the night and Company F. O. N. O., was held in its armory to suppress any possible trouble arising as a result of the arrests.

Bryan in Indiana.
Chicago, Sept. 1.—The Burlington train arrived here at 10 o'clock this morning had among the passengers W. J. Bryan. Accompanied only by his private secretary and the newspaper correspondents, the route from Lincoln, was practically unannounced and the journey occurred during the night, and no demonstration occurred on the way. He was met here by the officers of the Bryan Nebraska club and some of the officials from the democratic headquarters, to which he was escorted. He met Senator Jones and other officials of the committee. He left for South Bend, Ind., where he speaks to-night.

Has Recovered Health.
Concord, N. H., Sept. 1.—Senator William E. Chandler has received a telegram from Hon. John Hay, secretary of state, who is at Lake Sunapee, denying that he is seriously ill. The secretary said: "My indisposition was slight and am now in my usual health."

The El Paso News, in its comment, says: "Gasoline belonging to Campbell Bros' show had been ignited in some unaccountable manner and an ugly fire resulted. But for the prompt work of the fire department the show would have been a heavy loss, as the show cars had caught fire and the flames were spreading rapidly. The gasoline supply was completely exhausted and the tanks and flooring of several cars were damaged. The loss to the show people is estimated at \$200."

If You Contemplate

buying furniture, study the way to do so to the best advantage. Fine furniture makes a fine house, but fine things may cost too much if you don't buy judiciously. Furthermore, furniture that looks elegant may be too flimsy to last and have no merit below the varnish. We carry only such goods as have merit both in appearance and reality. No furniture looks better or lasts longer than ours, and no furniture like ours can be bought elsewhere at our figures.
