## NEWS FROM PEKIN

## Cipher Telegram from British Minister.

## Legations Have Put Up a Good Fight.

## United States Emphatic Statement and Demand to Chinese Officials.

## COMMUNICATION OPENED WITH PEKIN.

London, Aug. 8.—In the house of commons today, Mr. Broderick, parliamentary secretary of the foreign office, read a telegram from Sir Claude MacDonald, British minister to China, received in cipher at the foreign office this morning. The dispatch was in reply to a government message, and bore date of Peking, Aug. 8. It was as follows: "I have today received your cipher telegram, forwarded to me by the Chinese minister. Shell and cannon fire ceased on July 16, but rifle fire has continued from the Chinese positions held by the government troops and Boxers intermittently ever since. The casualties since then have been slight. Except one private of the marines, all the wounded are doing well. The rest of the British in the legation are well, including the whole garrison."

"Total killed, 60; wounded, 110. We strengthened our fortification. We have over 300 women and children as refugees in the legation. The Chinese government refused transmission of telegrams in cipher until now."

Mr. Broderick also read the following dispatch from Admiral Seymour, filed at the Pao, Aug. 6:

"The allies, about 12,000 strong, attacked the Chinese in their entrenched position at Hsiku, about two miles outside of Tien Tsin, early this morning. The Chinese were driven out and retired northward, pursued by the allies, who occupied Pei Tsang. Transports followed up the troops. By road and river the advance upon Peking has begun."

## AMERICAN DEMAND.

## Tired of Parleying with the Heavens Chinese Officials.

Washington, Aug. 8.—As the result of a conference last night between President McKinley, Acting Secretary of State Adee and Gen. Corbin, a cablegram was sent early this morning to Consul General Goodnow, advising him of the situation as understood here. He was directed to communicate this to Earl Li Hung Chang, Sheng and such viceregal as can transmit it to whatever government there is in the Chinese empire.

This cable contained what is said to be the emphatic statement of the position of this government, saying that action is immediately necessary. While it is not strictly speaking, an ultimatum, it is very close to it.

Grave doubts are expressed whether the international force can reach Peking in time to rescue the ministers.

## Safe Conduct for Foreigners.

Washington, Aug. 8.—The Chinese minister has received the copy of an imperial edict, dated August 2, which was delayed in transmission. It directs the safe conduct of foreigners to Tien Tsin, and assigns Jung Lu to select sufficient efficient officials to give this conduct.

## Allowed to Send Telegrams.

Washington, Aug. 8.—Minister Wu this morning received an edict under date of August 5, in which the Chinese government permits the powers to hold open and free communication with their ministers. This includes the sending of cipher messages.

## Message to Congress.

Washington, Aug. 8.—A reply has been sent to Minister Tonger by the state department to a message received from him late yesterday. It advises him of the approach of the relief column, and exhorts him to be of good cheer. The dispatch was sent direct to Minister Tonger at Peking and a duplicate to the state department.

ate to Consul General Goodnow at Shanghai. Goodnow was directed to spare no pains or expense to get the message to Congress.

## Chinese City Captured.

Washington, Aug. 8.—The navy department has received the following cablegram from Admiral Remey: "The Pao, Aug. 8.—Taku, Aug. 6.—Chaffee reports that the Japanese took Pei Tsang on the morning of the 5th. The engagement was over before the Americans arrived. The movement probably continued to Yang Tsun."

## Chinese Fled.

Vienna, Aug. 8.—The commander of the Austrian gunboat Zenta, now in Chinese waters, has cabled that Pei Tsang was captured by the allied forces on Aug. 6, and that the Chinese troops had fled.

## BASE BALL.

## The El Paso Games—They are Now Up to Captain McDonald.

Regarding the game of base ball to be played in El Paso on the coming Saturday and Sunday afternoons, the Herald says: "Arrangements are being completed for the games with Albuquerque the last of this week. Manager Jacoby is having the diamond leveled off and rolled and by Saturday it will be very fast. The local rosters have never been their team work on a fast diamond and they will be surprised when they go out to see these games, at the way the boys handle themselves."

Captain and manager, Roy McDonald, of the Albuquerque Browns, was seen this morning, and he stated that he had written to have the above games postponed for one week. It is hoped, however, that the Browns will make the trip this week. The El Paso papers have advertised the games, and the good people of the Pasa City are now expecting an early visit from the Browns. Boys, brush up your uniforms, get together your balls and bats and by all means be in El Paso for the games on the coming Saturday and Sunday afternoons.

## MONEY TO LOAN.

On diamonds, watches, etc., or any good security; also on household goods stored with me; strictly confidential. Highest cash prices paid for household goods. T. A. WHITTEN, 114 Gold avenue.

George H. Browne, the popular bookkeeper at the wholesale grocery house of L. B. Putney, P. N. Cotton, telegraph operator at the railway office on south Second street, and W. H. Chamberlain, the bicycle repairer, accompanied by their families, left yesterday morning for the Jemez hot springs country. They will be absent until some time in September.

J. E. Hurley, division superintendent of the Santa Fe railway, returned to Las Vegas this morning in his "Nine Spot" car. When asked for news regarding the railway improvements intended for this city, he started positively that he could not give any desired information on the subject. Messrs. Wells and Hibbard returned west last night.

Librado C. de Bae and wife returned to Pena Blanca this morning, after a visit of several days here. Mr. Bae states that his section of Hernandez county is also suffering for want of rain, and says what the drought has done in the way of damaging the crops is nothing compared to the injury inflicted by swarms of grasshoppers.

The creditors of the Flourmoy-Pickard Mercantile company, doing business at Bland, held an important conference at the law office of A. B. McMillen this morning, and this afternoon at the office of E. W. D. Bryan. Leo Hensch, one of the creditors, is here from Santa Fe, while J. C. Flourmoy, manager of the company, is here from Bland.

Consumers of water are complaining—some of the complaints quite bitter—about the water supplied to them by the Water Supply company. Some of the private vaults of the city, owing to the weak pressure of water, are sending out upon the heated atmosphere disagreeable odors.

The Automatic Telephone company has donated an instrument to the use of the fire department and the company is putting it in the fire department headquarters this afternoon. The number will be 652.

Mrs. J. F. Luthy and children, family of one of Albuquerque's successful real estate owners, returned this morning from their summer vacation down in southern California.

## FAIR NOTES!

## Lively Work in Preparation for Event.

## China Refuses Demands of This Country.

## Queen Victoria Demands Vengeance on the Chinese.

## CHINESE DAMAGE SIBERIAN RAILROAD.

Bids for the erection of a grand stand and two platform stands will be opened at the office of Hill & La Brie next Saturday morning at 10 o'clock.

E. L. Washburn, the shoe merchant and gent's furnisher on Second street, has already started on improving the front windows of his store. He proposes to astonish the whole southwest country at fair time.

The purse of \$50, offered by the Fair association for the best outside booth, has created great interest among the merchants, and it is now safe to predict that visitors to Albuquerque will see some exceedingly pretty outside booths at the coming fair.

Captain Frank Lee, at Mandell & Grunsfeld's clothing store, declared this morning, that he was a candidate for the purse for the best decorated business house at the coming fair.

The Rio Grande council, No. 142, United Commercial Travelers, held a meeting the other evening, and among the business transacted unanimously agreed to take part in the trades' display and parade of the fair week. They will have a float and will make a big effort to secure the \$50 prize offered by the Fair association.

Percy Hawley is devoting much of his time these days to the overseeing of the putting up of a \$500 shooting gallery on one of the vacant lots on west Railroad avenue, and he has already spoken for a fair privilege.

He has also ordered a \$1,000 merry-go-round, and expects to have it in good running order for fair week.

Three members of the United Commercial Travelers' lodge—Messrs. J. H. O'Reilly, C. C. Hall and Ben. Weiler—left this morning for the north. They are known as the "rain makers" of the lodge, and as all three are talking up the forthcoming big fair to their outside customers it is hoped their prayers will be heeded, and the country, throughout New Mexico and Arizona, be blessed with copious rains.

"I am glad the Fair association is turning its funds back into the pockets of the contributors," said a lady this morning, "and I will persuade my husband that he must enter the competition for the best outside booth, best float in the trades' display and parade, best decorated business house and best decorated front window of business house." Great interest is now going on among the merchants and their decorators.

The voting for "Queen of the Carnival" is not as spirited as the young gentlemen of the city could make it if they so desired. The names of several ladies have been added to the list. Boys, not only in this city, but throughout New Mexico, get a regular Joe-dandy prize on parade, and see that your favorite is one of the five lovely creatures who will materially assist in making the forthcoming fair a grand success.

During the absence of T. N. Wilkerson, somewhere in the east, or possibly over at the Paris exposition, and L. C. Brooks, down at San Catalina Island, Miss Margaret Kent, the only home member of the committee on lawn tennis at the coming fair, is seemingly working pretty hard all alone to make the tennis tournament a success this fall. Those out of town who propose to enter the tournament should communicate with Miss Kent.

## Damaged Railroad.

St. Petersburg, Aug. 8.—The war office telegrams received here from eastern Siberia show that the Chinese destroyed the railroad in several places, interrupting the passage of through trains. Repairs are proceeding. Comacks now guard 2,000 yards of the frontier railroad.

## Queen's Speech.

London, Aug. 8.—Parliament adjourned today. Referring to the affairs in Peking, the queen's speech said: "The utmost efforts will be made by myself and my allies to visit with worthy punishment the authors of this unexampled crime."

## Chinese Expelled.

London, Aug. 8.—The British consul at Tien Tsin, under date of August 6, announces that the Chinese have been expelled from Pei Tsang and are in full retreat.

## Not Accepted.

Washington, Aug. 8.—Secretary Root said this afternoon that a message had been received by Minister Wu, saying that free communication has been opened with Peking.

## Exploring for Cliff Dwellings.

John W. O'Hara, of Peru, Ind., and Dr. A. C. Dunning, of Kansas City, who were here a few days ago, have returned to Santa Fe after a visit to the cliff dweller ruins and communal buildings in Pajarito canyon, Cochiti mining district. Mr. O'Hara takes the position that the communal buildings on the mesa were inhabited by a race entirely different from the cliff dwellers. He estimates that the building he explored was three stories high and contained 1,500 to 2,000 rooms. They found many burial places cut out of the solid lava rock.

## UNDER DIFFICULTIES.

## The Riggs Stock Company in a Pullman Coach Fire.

The Charles Riggs stock company played "Quo Vadis" in El Paso the other day under great difficulties. The El Paso Herald, in its comments on the performance, says:

"After waiting with considerable good humor and patience until 10 o'clock Saturday night, a good audience gathered at the opera house and witnessed a remarkable presentation of Sienkiewicz's novel, 'Quo Vadis'."

The performance was crude, but excellent, when it is understood that the members of the company did not reach the city until less than half an hour before the curtain was rung up. The last Pullman of the train on which the players were en route to El Paso, caught on fire about twenty miles outside of the city, and caused a delay of about two hours. The company was worn out, but without waiting for anything to eat, then went on the stage and succeeded in pleasing a critical audience."

## JEMEE HOT SPRINGS.

Stage leaves Hurtgen's European hotel and Hotel Highland and First Street stable every Monday and Friday mornings at 5 o'clock for the springs. J. B. Block, proprietor. See advertisement in another column.

C. E. Silvers, on the El Paso News reporter staff, passed up the road for Raton this morning on business and pleasure. He will be absent from El Paso for several weeks.

## The Question of Money

is all important with a thrifty housekeeper. The carpet values here offered for a dollar are simply wonderful. The pattern, quality and material shine at their best in these temptations in floor coverings. Few people like what they don't want because cheap, but when things sought for come at prices that are neat fits for the pocketbook, they challenge quick taking.

## WISCONSIN REPUBLICAN CONVENTION.

Indianapolis, Ind., Aug. 8.—William Jennings Bryan, of Nebraska, and Adlai E. Stevenson, of Illinois, were notified of their nomination for the offices of president and vice president of the republic shortly after 2:30 o'clock this afternoon.

Thousands of people witnessed the ceremonies. Senator James K. Jones, chairman of the democratic national committee, was introduced by Mayor Taggart, as presiding officer. Senator Jones, in a brief speech, introduced Congressman James B. Richardson, of Tennessee. Congressman Richardson was received with wild cheers as he mounted the stand to officially notify Mr. Bryan that he had been selected as the presidential nominee of the democratic convention at Kansas City.

When Bryan arose to reply a demonstration occurred which perhaps has never been equaled in this city. When order was finally restored, Mr. Bryan began his address, which was of considerable length. Cheer upon cheer greeted him at every telling period.

Governor Thomas, of Colorado, followed, notifying Mr. Stevenson of his nomination. Mr. Stevenson replied in a somewhat brief speech than that of Mr. Bryan.

## BIG CROWD.

## Outpouring of Democrats to Cheer Bryan and Stevenson.

Indianapolis, Ind., Aug. 8.—The tedium of the forenoon was relieved largely by the arrival of excursion parties. These were generally escorted through the streets by bands. The procession started at 10:30 and moved along with more than usual celerity. In the line were many local political organizations and clubs from the surrounding country. Places of honor were given the Chicago County Democratic, the Duckworth club, of Cincinnati, and the Jackson club, of Terre Haute. After marching through the business portion of the city, the parade came to a halt before the Grand hotel, where Bryan and Stevenson, their families and the members of the national committee and others entered carriages and joined the procession. At Military park the official party took seats on the stand erected for the occasion.

## WISCONSIN REPUBLICANS.

## Milwaukee, Wis., Aug. 8.—The republican state convention to nominate a complete state ticket met to-day at noon.

H. Q. Adams, of Madison, the temporary presiding officer, spoke about an hour, eulogizing the national and state administrations.

At the conclusion of Adams' speech a recess was taken until late in the afternoon. The program calls for the nomination of the present state ticket with the exception of Governor Scofield. Former Congressman Robert M. La Follette will head the ticket.

General George R. Bryant, of Madison, was decided upon for chairman of the new state central committee.
