GLOOMY VIEW!

Europe Thinks Foreign Colony Murdered.

Lack of a Commander Causes Delay.

Li Hung Chang Locates Himself in Arsenal at Shanghai.

REFUGEES CROWD CHINA PORTS.

London, July 26.—While the latest impression derived from the array of conflicting telegrams from the far east is that a portion of the foreign colony in Peking may have escaped slaughter, until recent date, the general consensus of the best informed opinion in Europe seems to continue to favor the acceptance of the worst news and prompt action thereon, the contention being that the only possibility of definitely ascertaining the truth is by the allied commanders inquiring at Peking. Judging from the news from Tien Tsin, however, recording divisions among the admirals there, the prospects of a speedy advance seem endangered unless the governments speedily agree upon a supreme leader.

Telegrams from Shanghai report that Li Hung Chang has taken up his abode at the arsenal as a measure of precaution. It is not stated whether he feared an attack by the Chinese or attempts of the powers to curtail his liberties. Apparently the foreign consuls at Shanghai have informed the viceroy that unless he obtained definite dispatches from Peking within five days, they would conclude that the ministers had been murdered and act accordingly. Reports are current that a number of missionaries, American or English, have been murdered at Shan Sh. One of the dispatches from Shanghai, published here to-day, says: "The Canadian missionaries who escaped from Ho Nan, had a terrible experience on route here. The rabble attacked the refugees and beat them and tore the clothes from their backs. The ladies suffered cruel indignities."

The dispatch continues: "Canton remains comparatively quiet. The natives, however, are beginning to fear that the reinforcements arriving from Hong Kong intend to attack the forts and occupy the city. The military authorities have asked the colonial secretary at Hong Kong for assurances that Great Britain does not intend to take Canton."

Despatches received here to-day from Yokohama state that the Japanese division will all be landed at Taku by July 31, and will reach Tien Tsin on August 2.

The legislature of New South Wales has resolved to dispatch a military contingent to join the imperial forces in China.

Attacked by Rebels.
Kingston, Jamaica, July 26.—Private telegrams from Jamaica to-day say that this morning was attacked by rebels.

Gold Democrats.
Indianapolis, July 26.—At the business meeting of the national committee of the gold democrats to-day, Charles Tracy, of New York, was elected chairman to succeed George Foster Peabody, of New York, who resigned on account

MURDEROUS MOB!

New Orleans Has Night of Terror.

Several Negroes are Killed and Wounded.

Revolution Collapses at Panama and Quiet Again Prevails.

PLOT IN SAN DOMINGO.

New Orleans, La., July 26.—All night and up to half-past three o'clock this morning mobs ran riot through the city on a hunt for negroes, and those unfortunate who fell into their grasp either were killed or badly wounded and left for dead. After the mobs got started the negroes became terrorized and took shelter in the homes and offices of the white people who protected them, so only the unsuspecting and unfortunate negroes were the victims. The police were powerless. The mobs were comprised almost entirely of boys under 21 years of age, and had no leaders, but acted on common impulse. At Morrison square, near the scene of the assassination of Captain Day and Officer Lamb, the mob listened to a speech from a man calling for Kettner, and then started to waylay negroes. Alexander Ruffin, a Pullman car porter; J. C. Lamo, conductor of a Pullman car; F. G. Davis, a motorman on the same car; Frank Shepherd, a white man in the crowd, were all wounded, not fatally. A negro named Robert Fields was brutally beaten. T. P. Sanders, a colored porter at Post & Bowler insurance agency, was stabbed and shot, and left for dead. Oswald McMahon, a 12-year-old boy, following the crowd, was shot in the leg. George Morris, watchman at Poydus', colored, shot and stabbed several times and left for dead. John Reese, white man, shot during indiscriminate shooting. Dan White, negro roustabout, shot in right wrist. The Canal street mob shot wildly into one crowd and John Doran got a bullet in the leg. An unknown negro, taken from a Villor street car, was shot and killed. A Dauphin street negro, 75 years old, named Joseph Fibo, was beaten almost to death. An unknown negro was fatally beaten on Decatur street. Another unknown negro was killed at the French market. Acting Mayor Mehe issued a proclamation at 11.30, calling all good citizens to the peace, but it did not stop the rioting.

A delegation of citizens to-day went to the city hall and asked the mayor to call out a posse of citizens or appeal to the governor to order out the militia. The mayor decided immediately to prepare a proclamation calling for 500 volunteer citizens to assist the police in preserving order. Wild reports have reached police headquarters from various sections of the city, giving information of the beating of negroes. Work on the levee, where negro labor is largely employed, has been suspended. The big grocery and produce houses also are practically doing nothing, because they cannot get negro drivers to risk their lives. Mayor Capdevilla has communicated with Governor Heard, who will immediately call out the militia to preserve order in the city.

Plot in San Domingo.
San Domingo, July 26.—A plot to assassinate the governor of Santiago, Ramon Caceres, has been discovered, and twenty-five conspirators have been imprisoned. Several military officers are involved. The accused will be tried by court martial.

Collapse of Revolution.
Washington, July 26.—The state department has just received a dispatch from Consul General Gunder at Panama, announcing the collapse of the revolutionary movement there. The state's liberals unexpectedly surrendered and quiet now prevails in Panama.

REMOVAL OF PEREA.
Why He was Removed by the County Commissioners.
It appears that Jose L. Perea was not removed for alleged shortage in the collector's office, for which he is being sued in the district court. It is charged that he never properly qualified to fill the office. Following is the resolution removing Mr. Perea and appointing Mr. Charles K. Newhall to the position of county collector.

At the session of the board of county commissioners, held pursuant to adjournment at the court house in Albuquerque, N. M., on the 25th day of July, A. D. 1900.

In the matter of the treasurer and ex-officio collector of Bernalillo county, New Mexico:

Whereas, It has come to the knowledge of this board, and as it appears from its original records, that Jose L. Perea, who was elected at the regular election held on the first Tuesday after

BLOODY BATTLE!

Revolution in Republic of Columbia.

City of Panama Attacked by the Insurgents.

Presbyterian Missionaries Murdered on Island of Hai Nan, China.

MARINES DID NOT LOOT.

New York, July 26.—A dispatch to the Herald from Panama, July 25, says: Fighting between the government troops and the revolutionists began yesterday morning. The rebels attacked the outskirts of Panama, and the fight continued all night with heavy casualties on both sides. Efforts began yesterday to bring about an armistice in order that the dead might be buried and the wounded collected, kept up during the night and proved successful this morning. It was agreed by the leaders that hostilities be suspended until noon to-morrow. The committee are using every effort to prevent a bombardment of the city by the insurgents. Among the revolutionists killed are Generals Tomasillo Diaz and Joaquin; on the government side, Colonel Barrera, Major Holguin and Romanillo Linares and Captain Pedro Pacheco are killed.

Did Not Loot.
Washington, July 26.—The navy department this morning received the following cablegram from Admiral Rodney:

"Taku July 24, via Chefoo, July 25.—Bureau of Navigation, Washington: Col. Maude condemned to Mare Island hospital with rheumatism, Major Walker succeeding to the command of the First regiment. My obtainable information clears the marines of any imputation of burning of houses or looting at Tien Tsin."

"TUESDAY."

MISSIONARIES MURDERED.

Presbyterian Missionaries at Hai Nan Killed by Chinese Troops.
New York, July 26.—A special to the Journal and Advertiser from Hong Kong says:

Consul General Whitman has been informed that the Chinese governor of the island of Hai Nan has served notice on the consuls that he is unable to protect the foreigners any longer. The American missions have appealed to Consul Whitman to send a warning to the Chinese to bring away the foreigners. It is believed that three men, three women and three children, belonging to the American Presbyterian board of missions at Nodan, Hai Nan, have been murdered by the Chinese imperial troops. The last news from there is dated July 12, at which time they reported an attack of the Boxers. Hong Kong is full of refugees. An outbreak is expected on the west of the river.

Kansas Apples.
Topeka, July 26.—According to the Kansas fruit report issued by the State Horticultural society, the Kansas apple crop will exceed little more than half a crop, the official estimate in a report issued to-day being 54 per cent. There are in the state a total of 7,560,149 bearing trees, 3,265,468 not bearing.
