Labor for vineyards is difficult to obtain. JUDGE WARREN

Died in this City This Morning.

Body Will be Sent to Quincy, Ill., for Burial.

Coroner's Inquest Over Death of William L. Keys.

OTHER LOCAL HAPPENINGS.

Judge Henry L. Warren, a well-known and prominent attorney of this city, died at his residence, corner of Castillo avenue and Fourteenth street, this morning at 10:35 o'clock, after a lingering illness of several months. Dr. J. S. Easterday was his physician.

Judge Warren came to this city from Santa Fe, where he was for several years a member of the law firm of Fiske & Warren, about fifteen years ago, and soon thereafter formed a partnership in the practice of law with H. B. Ferguson. Later, M. A. Bruner was added to the firm, and when Mr. Bruner moved away from the city, S. B. Gillette's name was substituted as a member of the firm. After practicing law for several years under the firm name of Warren, Ferguson & Gillette, the firm was dissolved by mutual consent, and in January, 1899, he took as his partner E. V. Chavez. This morning a telephone message summoned Mr. Chavez to the stricken residence, and when he arrived he found that the end was rapidly approaching; that the judge was unconscious and failed to recognize him, and Mr. Chavez remained until the final dissolution.

His old Santa Fe partner, Hon. Eugene A. Fiske, was here to see him yesterday and remained several hours during the day and evening with him. He was then unconscious at times, and hardly recognized Mr. Fiske, who then pronounced his life of short duration. Mr. Fiske had to return to Santa Fe this morning.

Yesterday, it is understood, while in one of his rational moods he expressed a desire to Mr. and Mrs. Gibbs, who kept his house, that should he die he wanted to be taken to Quincy, Ill., for burial.

Judge Warren was one of the best known lawyers in the southwest, not only in New Mexico, but throughout Colorado and Arizona. At the time of his death he was a member for New Mexico of the National Bar association, in excellent standing in law offices. Judge Warren was born in Quincy, Illinois, August 21, 1837, and had lived until the coming August would have been 62 years of age. The judge was the only survivor of his family, except his brother, Charles A. Warren, a prominent attorney of Chicago, to whom a telegram was sent this morning.

The deceased attended the Naval academy at Annapolis and Brown University, Providence, Rhode Island; was a cadet midshipman, but resigned at the close of the second year in order to turn his attention to the study of law, and entered his father's law office. His father at that time being a member of the firm of Warren & Skinner. The deceased practiced law in several cities and towns of Missouri, until the outbreak of the civil war, when he returned to Quincy, Ill. There he served as city attorney and also as a member of the Illinois state legislature. While in Quincy he received the appointment of chief justice of the supreme court of Montana, when that state was a territory, from President Johnson, and served four years. He then returned to Quincy, remained there a few years and then came west on the wagon, a few years at St. Louis and thence to Leadville, Col., and from the latter city he came south to New Mexico.

The deceased was married in 1858 to Miss Mary L. Warren, a distant relative of his, and they had four children—all dead, except Paul D. Warren, son, who is now serving Uncle Sam as a volunteer soldier in the Philippines. Mrs. Warren died in this city about seven years ago.

The remains are now at the Edwards undertaking rooms being embalmed, and will be ready for shipment to Quincy, Ill., tomorrow night for permanent burial.

BAR ASSOCIATION MEET.

A meeting of the members of the Bar of this city was held this afternoon in the office of E. V. Chavez, which was attended by every member at present in the city, the purpose being to take action on the death of Judge Warren. Judge W. D. Lee was selected as chairman and F. W. Clancy secretary. A committee consisting of Thos. A. Finical, J. V. Chavez, Summers Burkett and the chairman and secretary was appointed to draft resolutions of respect. It was further decided that the members of the bar would attend the funeral services and escort the remains to the depot tomorrow night.

THE KEYS INQUEST.

Held This Afternoon at Justice Riddle's Office—The Verdict.

This afternoon the coroner's jury to inquire into the death of William L. Keys, an account of which was published in The Citizen yesterday afternoon met at 2 o'clock p. m. at the office of Justice Riddle on south second street.

The first witness was Engineer Dixon, who stated that the train as it reached Barr's hill, was going at a speed of about forty-five miles an hour; that he saw some black object in the track and as he continued for crossing the object raised up as if in a stupor, and moved from the center of the track to the left side. He then saw it was a man and promptly applied the emergency brake and the train was stopped, but not until the pilot struck the man and knocked him off the track, down the ditch. He then described how the man's valise and clothing were found scattered and torn into pieces, along the track, and how the body was found by the conductor and porter later.

Conductor Hendry and the porter, Henry Harrison, gave their testimony as to finding the body, after it was struck by the train, and on turning it over found it dead.

Fireman Winchell's testimony was corroborative of what was told by Engineer Dixon.

After these testified Constable Smith presented the following dispatch in answer to one he had sent:

Socorro, N. M., June 22.
Constable Smith, Albuquerque.
William L. Keys left Socorro on train 22 on morning of the 20th. Had plenty of money here. C. F. BROWN.

It was then developed that Keys was here on Wednesday, June 20, and was seen drinking and spending money in company with two other men, during the day. Later in the afternoon, it is said, he was seen in the southern section of the city, and was then drunk. He had a valise and was going south.

The jury brought in a verdict that he came to his death by being struck by a Santa Fe Pacific engine, while being in the middle of the track, and no blame is attached to the company.

TALES OF TERROR!

Horrible Massacres by the Chinese.

Fifteen Hundred Foreigners Butchered by Them.

American and Other Consulates at Tien Tsin Looted and Burned.

RELIEF FORCES IN PEKIN.

London, June 22.—A special from Shanghai says it is reported from Japanese sources that 1,500 foreigners have been massacred at Tien Tsin.

Troops for China.

Washington, June 22.—The only news from China laid before the cabinet meeting to-day was a telegram to the secretary of the navy giving movement of vessels in Chinese waters. The text of the message was not made public. A telegram will be sent to Gen. MacArthur at Manila, asking how large a force he can spare, asking how it becomes necessary to send more troops to China. It is said not to be the purpose of the president to dispatch these additional troops at once except in the event that the situation becomes even more critical than at present.

Bombarded by Chinese.

Che Foo, June 22.—It is officially reported that the bombardment of Tien Tsin with large guns continues incessantly. The foreign consulates are nearly all burned. American consulate was razed to the ground. The Russians are occupying the railroad station, but are hard pressed. Reinforcements are urgently needed. Casualties heavy. The railroad is open from Tien Tsin to Ching Long Chun, half way to Taku.

Relief Force at Peking.

Brussels, June 22.—Peking states that a telegram was received yesterday by an important Brussels firm in China, saying that Admiral Seymour's relieving force and a Russian column entered Peking simultaneously. The negotiations were reported intact and all the Belgian residents safe.

Will Defend Americans.

Cleveland, O., June 22.—Gen. Nelson A. Miles, who came here to witness a test of the recently invented McLean ordinance, is quoted as saying that "more troops than those already detailed will be sent to China, speedily if the situation demands. The dignity and rights of the government will be upheld."

American Refugees.

Shanghai, June 22.—The American consul at Che Foo writes that the Nashville from Taku is bringing thirty-three Americans from Pei Tai Ho.

Fighting in China.

London, June 22.—In the house of commons to-day, Mr. Broderick, under secretary state foreign affairs, announced that fighting occurred at Tien Tsin June 20 and reinforcements were required. Admiral Bruce, he added, hoped Tien Tsin would be relieved last night.

ALBUQUERQUE — JUNE 22, 1930

National Republican Ticket

For President—
WILLIAM McKINLEY,
OF OHIO.
For Vice President—
THEODORE ROOSEVELT,
OF NEW YORK.

THE VICE PRESIDENCY.
The earlier Americans regarded the
vice president as the natural successor
of the president, with whom he
served. Adams succeeded Washington
and Jefferson succeeded Adams, and
even later Martin Van Buren succeeded
Jackson by election. Four vice presi-
dents have succeeded to the presidency
through the death of the president—
John Tyler, John G. Zane, Chester A.
Arthur. Thus, out of the twenty-four
vice presidents seven, nearly one-third,
have in one way and another attained
to the presidency.

NOT DESERVING.
An attempt was made yesterday by
two or three persons to get up a re-
ception at the Commercial Club to de-
legate Perea. The attempt met with
solid opposition and Mr. Perea did not
appear. The people of the city are fully
aware of the sentiments of Mr. Perea
against Albuquerque, and do not in-
tend to join in any sort of a movement
in his honor. The postmaster, Mr. Ar-
mijo, who is a relative of Mr. Perea,
cannot be blamed for being pernicki-
ous in trying to do honor to Mr.
Perea, who secured him the postoffice,
but no one else in Albuquerque is un-
der any sort of obligation to the dele-
gate from New Mexico. He has fought
this city with all his might, and with
exceeding bitterness, and the people
have determined to resist his actions
instead of honoring him for his course.

SHOULD QUIT MURDERING.
Last year the democrats insisted
that Delegate Perea secured the ac-
quittal of Manuel Gonzales, who mur-
dered Frank Gutierrez, through pack-
ing the jury at Santa Fe. Now the
democrats are deeply sympathizing
with the delegate because his brother
Jake is under indictment for murder,
and the democrats are in this city
asserting that he is being persecuted
by the republicans to injure his brother.
There should be some way to prevent
Mr. Perea's relatives from injuring the
delegate's feelings, and it is suggested
that if they will quit murdering peo-
ple, a long step will be taken in that
direction. Several of Mr. Perea's rela-
tives have the foolish notion that they
can commit crime and get away with
it, but they will get them out of the trouble
without serious difficulty.

Mr. Perea's relatives from injuring the
delegate's feelings, and it is suggested
that if they will quit murdering peo-
ple, a long step will be taken in that
direction. Several of Mr. Perea's rela-
tives have the foolish notion that they
can commit crime and get away with
it, but they will get them out of the trouble
without serious difficulty.

SHOULD QUIT MURDERING.
Last year the democrats insisted
that Delegate Perea secured the ac-
quittal of Manuel Gonzales, who mur-
dered Frank Gutierrez, through pack-
ing the jury at Santa Fe. Now the
democrats are deeply sympathizing
with the delegate because his brother
Jake is under indictment for murder,
and the democrats are in this city
asserting that he is being persecuted
by the republicans to injure his brother.
There should be some way to prevent
Mr. Perea's relatives from injuring the
delegate's feelings, and it is suggested
that if they will quit murdering peo-
ple, a long step will be taken in that
direction. Several of Mr. Perea's rela-
tives have the foolish notion that they
can commit crime and get away with
it, but they will get them out of the trouble
without serious difficulty.

15 per cent of the taxes of the
county, and it should have
something to say about several
things. Pedro Perea has controlled this
county for several years because he
owned the votes at the tumble down
election of Bernadillo county. He
then democratic extended, whether or
he saw fit. Because of this solid vote
pedro vote he has been the absolute
boss of this county for the past ten
years. He knows that with Albuquerque
he is evenly divided, his 150 votes count
more than the 1,500 votes in the city,
and he has used this power to dictate
things until he thinks he is entitled to
honor from the people that he in-
jures.

It is high time that the city was or-
ganized and the attempt made to put
an end to this state of affairs. This
city can have no political influence and
can get no favors from the politicians
while it divides up its vote.

THAT RECEPTION.
The Journal-American says: "It is
reminded that the directors of the Com-
mercial club will entertain the Hon.
Pedro Perea this evening. It is not
stated for which of his munificent acts
the club is honoring him, but on ac-
count of his opposition to the appropria-
tion to the military port for Albuquerque.
Well, yes, it may be on account
of his zealous efforts for the construction
of the low line bridge."

Four years hence New Mexico will
be a state and will have the pleasure
of helping elect Col. Roosevelt to the
high office of president of the United
States.

McKinley and Roosevelt will sweep
the field next November.

Life Gradually Lengthening.
Recent statistics prove that the
average health and length of life of hu-
man beings have grown stronger and
longer with the years. In the fifteenth
century there was not to be found a
man or woman over sixty years of age.
It is clearly demonstrated that the
cause for the better has been brought
about by modern ideas and methods.
One of the agencies which has been
most instrumental in preserving life
is Hostetter's Stomach Bitters. Thou-
sands have died from stomach and di-
gestive disorders, who might have sur-
vived had they resorted to the Bitters.
It is the greatest of known tonics for
the stomach and digestive organs. It
cures dyspepsia, indigestion, consti-
pation, and has done so for the past
fifty years. There is nothing to equal
it.

Wholesale Stealing Continues.
There is a good deal of complaint
from persons living in and about the
mining camps of Santa Fe, Huerfano
and Piute, over the wholesale stealing
of stock. The Silver City Independent
has previously referred to the many
disappearances of horses, but lately
the thieves have been so bold as to
steal cattle. So bold have they be-
come that stock has even been taken
from the yards during the night. Pros-
pectors report finding the carcasses in
the mountains. It is thought that the
thieves find the stolen stock and then
peddle the meat. The operations of
the gang give evidence of thorough or-
ganization.

He Fooled the Surgeons.
Mr. W. A. Hines, of Manchester, Ia.,
writing of his almost miraculous es-
cape from death, says: "Exposure af-
ter measles induced serious lung
trouble, which ended in consumption.
I had frequent hemorrhages and
coughed night and day. All my doc-
tors said I was doomed. I was
taken to Dr. R. W. New Discovery
for Consumption, which completely
cured me. I would not be without it
even if it cost \$5.00 a bottle. Hundreds
have used it and it is suggested
that all say it never fails to cure throat,
chest and lung troubles." Regular size
50c and \$1.00. Trial bottles free at J. H.
O'Reilly & Co.'s drug store.

SANTA FE SIFTINGS.

St. Michael College Exercises—Knights of
Pythias Officers.
From the New Mexican.
The social announced to take place
at the residence of Mrs. H. C. Kinell,
under the auspices of the ladies aid
society of the Methodist church, has
been postponed from Friday of this
week until next Thursday evening, the
24th inst.

The orchard and garden of Mrs. W.
H. Mansfield on College street never
looked prettier than at present. Those
who have recently visited the beautiful
place find it difficult to command ad-
jectives sufficient to express their ad-
miration.
The excellent public library and read-
ing room conducted by the Woman's
board of trade is steadily gaining in
popularity, as the latest and best new
books are added from time to time.
It is one of the most creditable and
useful institutions in the city.

Mr. and Mrs. T. F. Abbott, of Bland,
dove over from the Corbitt metropolis
in order to be present at the annual
commencement exercises of St. Michael's
college. Their son Grover is a
student at the institution. Mr. Ab-
bott is one of the pioneers of the
child mining district and is interested
in several valuable gold claims over
there.

St. Michael's college, St. Michael's col-
lege, elected a new staff of officers as
follows: Chancellor, David M. White;
vice chancellor, A. B. Renahan; pre-
sident, J. M. Anaya; master of work, C.
F. Easley; master of finance, H. J.
Bowler; keeper of record and seal, W.
B. Hall; master at arms, A. P. Hill;
master of exchequer, E. Lucero; inner
guard, Adam Krick; outer guard, Luis
Ulloa.

The program arranged for the an-
nual convention and tournament of the
volunteer firemen of New Mexico, to be
held in Santa Fe, on July 2, 4 and 5, is
most attractive and the most impor-
tant of the local fire department are re-
solved that it shall be carried out to the
letter. Present indications are that the
attendance from all parts of the terri-
tory will be large. The hospitable peo-
ple of Santa Fe will, as usual, expect
themselves to make all visitors feel at
home.

Forty-first annual commence-
ment exercises of St. Michael's college
took place at the college hall. The spa-
cious and beautiful chamber which was
occupied by the house of the thirty-
second and thirty-third legislative as-
semblies, was tastefully and attrac-
tively decorated with flags and red,
white and blue bunting, and was filled
with the fragrance of a profusion of
flowers. The audience, which was as-
sembled to witness the exercises, in-
cluding representative people from all
parts of New Mexico, occupied every
seat in the large hall, and was truly
one of the finest ever gathered to-
gether in the capital city.

Would Not Suffer So Again for Fifty Times
To Price
I awoke last night with severe pain
in my stomach. I never felt so badly
in all my life. When I came down to
work this morning I felt so weak I
could hardly work. I went to Miller &
McCurdy's drug store and bought a
bottle of Chamberlain's Colic, Cholera
and Diarrhoea Remedy. It worked like
magic and one dose fixed me all right.
It certainly is the finest thing I ever
used for stomach trouble. I shall not
be without it in my home hereafter, for
I should not care to endure the suffer-
ings of last night again for fifty times
its price.—G. H. Wilson, Livermore,
Calif.

Apache Renegades.
Campers in the Upper Gila section
report that the hunters and trappers
out there say there is a band of about
twelve Apaches hunting in that vicin-
ity. They have been seen on different
occasions. They appear to be hunt-
ing deer, but do not hunt for food. They
are away with beef cattle. They are un-
doubtedly renegades from the San Car-
los reservation in Arizona.—Silver City
Independent.

Hills Wanted.
Sealed proposals will be received at
the office of Edward B. Cristy, archi-
tect, room 27, Armory building, until
October 6, p. m., Saturday, June 22, 1930,
for all labor and materials required in
the reconstruction of the building of
the Co-operative Building and Loan
association, located at the corner of
Railroad avenue and First street, Al-
buquerque, N. M. Copies of drawings
and specifications may be seen at the
office of the architect. Owners reserve
the right to reject any or all bids.

A Card of Thanks.
I wish to say that I feel under last-
ing obligations to the Chamberlain's
Cough Remedy has done for our
family. We have used it in so many
cases of coughs, lung troubles and
whooping cough and it has always giv-
ing the most perfect satisfaction. I
feel greatly indebted to the manufac-
turers of this remedy and wish them
to please accept our hearty thanks.—
Respectfully, Mrs. S. D. De Moines,
Iowa. For sale by all druggists.

Neglect is the short step so many
take from a cough or cold to consump-
tion. It is the only business remedy
that gives immediate results. It cures
all throat and lung troubles. Children
all like it and mothers endorse it.

healthy appearance, you should try
Acker's Blood Bitters. It cures all blood
diseases where cheap sarsaparilla and

tee.

Rev. Mary J. Borden, Mrs. Kate M.
Bright and Miss Lizzie Sleight, who
have been attending the W. C. T. U.
convention here and visiting friends of
former days took the afternoon train

visit the aged parents of Mrs. Borden.

The latter lady called an Optic report-
er's attention to the fact that the
brother mentioned in our twenty-
years-ago department this evening
having remembered her with a box of
luscious peaches, has gone to his re-
ward in another world.—Optic.

"The Strength of Twenty Men"
When Shakespeare employed this
phrase he referred, of course, to
healthy, able-bodied men. If he had
lived in these days he would have
known that men and women who are
not healthy may become so by taking
Hostetter's Stomach Bitters. This medicine,
by making the blood rich and pure and
giving good appetite and perfect diges-
tion, imparts vitality and strength to
the system.

MINING ACTIVITY.
At Sierra Blanca, Van Horn and Pinos
Alto.
G. W. Ellis, of Pinos Alto, N. M.,
and Frank P. Pienaar, of Van Horn,
arrived at this office this morning. They
are about to file on some mine claims
both in Texas and New Mexico.

Mr. Ellis is a veteran mine man and
has been in the coal and iron business
for many years. He owns a lead and
silver mine near Sierra Blanca and
has an interest in a copper mine near
Van Horn.

The report everybody bustling
around Pinos Alto. The mine operated
there by the Hearst estate is running
full force night and day. This com-
pany has just recently put in a new
conveying system. Only 50 cars of
100 tons daily and new hoisters, etc.
Mr. Pierce has never had any experi-
ence in mining but he intends locating
some claims under the direction of Mr.
Ellis.—El Paso Herald.

Glorious News.
Comes from Dr. D. B. Cargile, of
Washburn, Wis., that his son, Dr.
Charles H. Cargile, has cured Mr.
Brewer of scrofula, which has caused
great suffering for years. Terrible
sores would break out on his head
and face, and the best doctors could
give no help; but her cure is complete
and her health is excellent. This
shows what thousands have proved—
that Electric Bitters is the best blood
purifier known. It's the supreme re-
medy for eczema, tetter, salt rheum, ul-
cers, boils and running sores. It stimu-
lates liver, kidneys and bowels, ex-
cess poisons, helps digestion and builds
up the strength. Only 50 cents a
bottle. J. H. O'Reilly & Co., druggists,

HEIR TO A FORTUNE.
A Former Citizen of Silver City in Ireland
Fixing up a Fortune.
A letter was received last week from
J. J. Plunkett, of Dublin, Ireland,
stating that he was rapidly getting
the affairs of his mother's estate set-
tled up, and that he would come into
the possession of a very handsome sum
of money, says the Silver City Inde-
pendent. The above does not convey
much information to the average read-
er, but when it is stated that Mr.
Plunkett is none other than "James
Donnelly," well known in Silver City
and Deming, the news feature becomes
apparent. "Donnelly" has been about
this section for years. Before coming
here he was a well known business de-
tective, and for some reason or other,
commonly went by the assumed
name, although never making any ef-
fort to conceal his true identity. He
went back to his home some weeks
since upon notification of the death of
his mother and that he had fallen heir
to a large sum of money. He writes
that he will return to Silver City.

"Is God's Good Blessing"

"I feel that God has blessed Dr. Acker with special knowledge to prepare
that grand medicine called Acker's English Remedy for Throat and Lung
Troubles. It saves children every time when they are attacked by croup.
Every mother should know about
it, and I will tell about my experience.
I had a darling boy of four
years to die with croup. My doctor
did all he could, but the child
could not be made to vomit. That
was before I knew of Acker's Eng-
lish Remedy. After I did hear of
it, I got a bottle. When our little
eighteen-month-old girl was
stricken with croup, I gave her
this medicine, and inside of twenty
minutes she vomited and was bet-
ter right away. During the win-
ter she had croup four times, and
it brought her through each time
all right. I myself, had bronchitis
pretty bad, and Acker's English
Remedy cured me completely.
Before I close, I want to tell you
of my neighbor's boy, named Jobe Nana. He had bronchitis, too. He got
worse all the time. My husband went over to his house and told him about my
case. Then his mother went to town, got a 50-cent bottle of Acker's English
Remedy, and he took it. He came over to our house a few days later and said he
was all right, and also said two doses relieved him from the start. You can un-
derstand by my letter why I think so much of Acker's English Remedy. I re-
peat that God's blessing must surely have been bestowed upon Dr. Acker."

The social given by the ladies of the St. John's Guild last night at the residence of Mrs. G. L. Brooks was a financial and social success.
