BOERS DEFEATED!

Gen. Brabant Wins a Victory.

Boers Blow Up Three Coal Mines.

English Land 3000 Cavalry Horses at Cape Town.

KRUGER IN GOOD HEALTH.

Cape Town, April 15.—It is reported that General Brabant has defeated the Boers at Wepener and captured their arms.

Conflicting Reports. London, April 15.—Conflicting reports regarding the condition at Wepener continue. But at this hour there is no definite or important news from the front.

A Cape Town dispatch says nearly 3000 horses have been landed there since April 13, which indicates that every effort is being made to remedy a great defect in the British organization.

Chief of the Boers delegates, Plancher, accompanied by Dr. Leyds, visited the president of the Dutch cabinet today at the Hague, but the doings of the delegates create little speculation in England.

Frederick Villiers, the veteran war correspondent, who arrived at Southampton today from the front, said he believed the worst of the war is over, but that guerrilla warfare would continue for some time. Official bulletins issued at Pretoria on April 13, reports that the burghers captured 500 oxen at Wepener and that General Proneman that day defeated the British, causing them to fly in the direction of Wepener, apparently over the Orange river. The Irish-American ambulance arrived at Pretoria, April 13.

Pure Invention. Berlin, April 15.—Reports circulated between Count Von Bismarck, minister of foreign affairs and Boer delegates, is semi-officially declared to be pure invention. It is alleged that the only thing which has occurred was an exchange of visits of courtesy made by the German consul of Milan, who personally knew the delegates but who did not discuss political affairs with them.

LABOR STRIKE.

Italian Workers on Croton Dam Armed for a Fight.

Croton Landing, N. Y., April 15.—Up to 10 o'clock there was not a move by the contractors or their representatives to put men to work at the new dam. It was learned that applications for warrants for the arrest of the strike leaders have been made and the arrests may occur any time. About 8 o'clock this morning the strikers gathered on top of a hill near what is called "Little Italy," and were talking to Italian by the leaders. About 10 o'clock the men on the hill were armed with rifles and shot guns. Many of them carried revolvers and two of them had hatchets. The leaders refused to talk with reporters of their plans for today. Everything in the valley was at a standstill. There were over 200 deputies scattered around the works near the new dam. Infantry and cavalry is expected to arrive from the scene some time this evening.

Boers Blow Up Mines.

London, April 15.—A special dispatch from Ladysmith, dated April 15th, 9:45 a. m., says: "Native scouts just reported that the Boers in Elandsburg district have retired beyond Biggarsburg. Other reports tend to confirm the report that the Boers succeeded in blowing up three important collieries near Wessels Nek, completely destroying the engine house and plants."

STAMP ACT!

Ruling by the Supreme Court.

The Strike on the Southern Railway.

New York Republicans Will Hold Harmonious Convention.

A MYSTERIOUS DEATH.

Washington, April 15.—The supreme court to-day decided cases involving the stamp tax as it applies to express packages, the question involved being whether the shipper or carrier shall pay express charges on packages. The opinion handed down by Justice White was favorable to the express company. There were two cases before the court involving the question at issue, but the opinion was based upon the case of the American Express Co. vs. Attorney General Maynard of the state of Michigan. It came to the supreme court from a decision of the state supreme court of Michigan, which decision was adverse to the claims of the express companies. The opinion to-day reversed the opinion.

NEW YORK REPUBLICANS.

State will hold a Harmonious Convention to Select Delegates. New York, April 15.—A convention which promises to be absolutely devoid of any features will be held in this city to-morrow by the republicans to name delegates to the national convention at Philadelphia. So distinct is the harmony that there will be no committee on contested seats, and no contesting delegates, and so far as can be learned no objection to the brief and non-committal program laid down. The delegates at large will, it is understood, be Thomas C. Platt, Theodore Roosevelt, Chauncey M. Depew and B. B. Boddell. The platform will endorse the administration of McKinley and ask for his re-nomination and endorse the administration of Theodore Roosevelt and other republican state officials and call attention to the low tax rate.

Mysterious Death. Chicago, April 15.—Inquest over the body of Rufus Wright, millionaire bicycle tire manufacturer, who died yesterday from the effects of a bullet wound on Saturday night in the apartments of Mrs. Lulu Lottridge, at the Leland hotel, was to-day postponed until April 24th. Postponement was made at the request of the police, who said Mrs. Lottridge was in a state of complete prostration and could not testify in the case.

A. J. Abell, a capital young gentleman from the Sunflower state of Kansas, is now catering out the drinks at O. Bachsch & Son's, vice Frank Vlado, who will soon engage in the restaurant business.

Chicago, April 15.—With only one dissenting vote the report of the committee to which was referred the request of Dr. Newell Dwight Hillis, of Brooklyn, that his name be erased from the rolls of the Chicago Presbytery, was to-day adopted by that body at a regular meeting. Questions of Presbyterian doctrine raised by Dr. Hillis in his now famous sermon at Plymouth church, Brooklyn, did, however, have any bearing on the acceptance or rejection of Dr. Hillis' resignation.

Fighting Continues.

Brandfort, Friday, via Lorenzo Marques.—Fighting with Brabant's horse at Jammernberg drift continues. Commandant Petrus Bester is progressing to have engaged troops sent from Bloemfontein to Brabant's assistance. There was also a brush with a British column advancing toward Bloemfontein without decisive result. All foreign attaches are now here.

Drunkard's Tragedy.

Johnstown, Pa., April 15.—Four persons dead and two dangerously wounded at the mining town of Winber near here was the result of a drunken row in a saloon there last night. One Italian is charged with the wholesale crime, but it is believed that he already is beyond the reach of the law, as a man answering his description was ground under a train at South Fork this morning.

Rain Storm in Kansas.

Kansas City, April 15.—Yesterday's rain and wind storm in western Kansas appears to have passed off without having accomplished any serious damage. So far as can be learned to-day the damage is confined to turning over a half dozen small buildings. At Putnam three buildings were destroyed and a few cattle were killed, and at Burton two buildings were blown down. Telephone wires were broken and it was impossible to get word from the storm district last night. This led to wild rumors of loss of life and heavy destruction of property.

Southern Railway Strike.

Atlanta, April 15.—The Southern Railway Telegraphers strike in this vicinity to-day seems to be progressing satisfactorily to both sides. President Powell claims that the situation is encouraging and the railroad officials say that they are suffering no inconvenience from appreciable delays in operating trains.

"Gunny" Kelly in the Folds.

Last Saturday morning "Gunny" Kelly entered the Star saloon on North First street and secured his usual "morning" and a light lunch. He walked out without paying the bill, and the proprietor went after him. Kelly refused to liquidate and the trouble began, and as a result both men were arrested and ordered to appear in police court this morning. The proprietor was released, but "Gunny" was not so fortunate. His "stereotyped" speech failed in this instance and the court was obliged to assess him the usual fee—\$5 or five days on the work pile. "Gunny" declares his utter abhorrence for work and the authorities are determined that he work the five days for the city.

Pipkin Out on Bond.

Attorney B. S. Roday returned to the city yesterday morning from Sonoma, Arizona, where he went to defend Daniel Pipkin, the man who is charged with horse stealing. Only one of the six witnesses appeared for the defense and consequently the trial was continued until the October term of court. Pipkin was released on bond in the sum of \$1,000.

This is an improvement which has been long desired by the residents of the Highlands, and will be greatly appreciated by all. The brick came from the penitentiary.

Mrs. W. B. Childers received the sad information to-day of the death of her father, Judge John S. Lay, at his late home in Richmond, Va., at 2 o'clock this morning. The deceased had been in failing health for several years past and was aged 75 years.

Joseph Price, the big Socorro merchant, and his son Edward, were here yesterday and returned to Socorro this morning. While here Simon Stern and Leon B. Stern showed the visitors courtesies.

EASTER SERVICES YESTERDAY.

All Churches in the City Held Impressive Services Sunday.

Easter was observed quite generally yesterday in this city, both morning and evening, at the various churches.

The weather was not all that could have been expected at this season of the year, but withal the wind and threatened showers nearly every resident turned out to attend the Easter services at the churches.

Beautiful costumes in the latest designs were very much in evidence and to a certain degree the day proved a success to the fair sex, despite the cold and gloomy atmosphere.

CONGREGATIONAL CHURCH.

The Easter services at the Congregational church began with a sunrise prayer meeting under the auspices of the Christian Endeavor society, and in spite of the gloomy weather were well attended.

At the morning service the pastor, Rev. F. H. Allen, delivered an inspiring and uplifting sermon appropriate to the day.

A quartet composed of Mrs. H. B. Ray, Miss Mabel Anderson, C. E. Holden and H. J. Stone had prepared some splendid music for the occasion, but owing to the sickness of Mr. Stone they were unable to render it.

However, the music was not an entire failure as W. Z. Lee, of Los Angeles, who was in the city yesterday, kindly consented to take Mr. Stone's place, the choir was then able to render several splendid selections. If the quartet are all in good health, the Easter music will be given next Sunday.

ST. JOHN'S EPISCOPAL.

The services at St. John's church yesterday were crowded, and although every available spot was occupied with chairs, yet many had either to go away or be content to stand around the porch or in the aisle.

The musical part of the service was of a high order—most elevating and instructive in the highest degree—which reflects great credit both on the choir and its efficient leader. The beautiful anthems, "Christ, Our Redeemer," and "Christ is Risen," were rendered in a very spirited and soul-stirring manner.

The whole service throughout was a rare spiritual treat, and St. John's choir may always build on a crowded sanctuary as long as it keeps its services on this high plane.

The Rev. R. Benson, rector of the church, took for his subject both morning and evening "The Resurrection."

At the evening service Mr. Benson dealt with the arguments usually urged against the resurrection and disposed of them successfully, one by one, showing that they were both silly and untenable to any reasonable mind.

We hope St. John's church may be enlarged and beautified according to the plans now hanging on the porch. The building will be beautiful when completed. All should help in this good work.

LEAD AVENUE M. E. CHURCH.

Easter services in the Lead Avenue Methodist church were appropriate and impressive and a large attendance of members and strangers were present.

A beautiful collection of flowers adorned the pulpit. "The Dew Shall be as the Dew of Herbs" was the subject of Rev. W. Jaggard. The program as arranged by the superintendent and members of the Sunday school was highly appreciated by those present.

A baritone solo with harp accompaniment was given by Mr. Kenyon, which proved a very interesting number. Mrs. Wolf's harp solo was delightfully rendered.

PRESBYTERIAN CHURCH.

At the Presbyterian church yesterday morning an appropriate Easter service was conducted by the Sunday school and members of the congregation.

The decorations consisted of potted plants and cut flowers and was arranged artistically by Miss Edna Leavitt and Thomas Anderson. A baritone solo, entitled "Cavalry," was beautifully rendered by T. Y. Maynard, the well-known vocalist of this city. Rev. Leavitt took for his text, Phil. 1:10-11, subject, "Attaining to the Resurrection of the Dead." At the morning service the church was crowded and a large congregation was present in the evening.

FIRST BAPTIST CHURCH.

A fine program was given by the children of the First Baptist Sunday school yesterday morning in the presence of a large and interested audience. Rev. Bruce Kinney preached the sermon on "Why Seek Ye the Lord."

ING Among the Dead.

In the evening an Easter song service was rendered by the little ones, after which the sermon on the "Credibility of the Resurrection," was delivered by the pastor.

IMMACULATE CONCEPTION.

A fine program was rendered at the Church of the Immaculate Conception appropriate to the occasion. The church was profusely decorated with cut flowers, potted plants and palms, and the selections were of a very pleasing nature. Rev. Father Mandarini spoke briefly at both morning and evening services.

GERMAN LUTHERAN.

The Easter service at St. Paul's German Lutheran church last night were very interesting, and the songs, readings and recitations were well rendered by the children. Rev. Bendt gave in a few well-chosen words the glad Easter tidings to the audience. The children then received some Easter eggs, and every one, young and old took some Easter blessings for every day.

A. M. E. CHURCH.

Easter services were held at the Coal Avenue Methodist church last evening by the members of the Sunday school, assisted by the pastor, Rev. J. P. Watson. The program consisted of a scripture reading, songs, recitations, duets and an "Address on Missions" by the pastor.

The floral decorations were beautiful and displayed to their best advantage. A splendid collection was taken up by the Rev. W. B. Johnson. HIGHLAND M. E. CHURCH.

The regular Sunday services were dispensed with yesterday at the Highland M. E. church and the hour was given over to the young people for the rendition of their Easter program, which consisted of songs, recitations and the distribution of eggs to the children. A subscription was taken up for an offering in thanks for the Twentieth Century Educational movement of the church. The contribution amounted to \$30. In the evening the pastor, Rev. J. M. McClure, took for his text, Luke 24:1-7, and the subject was "Privileges and Power of the Son of God." The church was crowded with members and visitors at both services.
