## RIOT AT EL PASO.

### Colored Soldiers Attack the City Police Station.

#### One of the Soldiers and One Police Officer Killed.

#### Four-Story Business Block in Denver Destroyed by Fire.

#### WEEKLY BANK STATEMENT.

El Paso, Tex., Feb. 17.—At 5 o'clock this morning a mob of negro soldiers from Fort Bliss attacked the city police station with the object of releasing two comrades who were arrested yesterday. During the fight a police officer, N. T. Stewart, and one negro soldier were killed. It is believed that another soldier was wounded.

Yesterday afternoon the police looked up a corporal from Fort Bliss for being drunk and threatening to chase the police out of the city. Last night another drunken soldier was arrested. The rescue party which was armed with Krag-Jorgensen was organized just before daylight and a descent was made on the city. A few minutes before 5 o'clock two soldiers with rifles in their hands entered the police station and demanded of Police Officer Stewart the only man on duty, the surrender of their comrades. Stewart ordered the men out of the office. They then opened fire on him. Jailer Richard Blacker, who sleeps in a room adjoining the station office, was aroused by the shots, sprang out of bed, grabbed his pistol and started into the office. As soon as he appeared at the door, one of the soldiers opened fire on him. Blacker dropped to his knees and at his first shot a negro staggered and ran out, closely followed by his companion. The entire squad left on the run. About twenty shots in all were fired. Stewart was shot twice through the lungs and died at 7 o'clock. A trail of blood leading from the station was followed and half a block away the dead body of a negro, shot through the breast, was found. The dead man clutched a gun in his hands.

Another rifle and traces of blood were also found which indicates that another negro was wounded. Officers Blacker and Scott pursued the fleeing soldiers, but were unable to make any arrests. The company stationed at Fort Bliss is Company K, Twenty-fifth Infantry. Posses are out looking for the marauders, though at the post it is claimed that the only missing soldiers are the dead man and two prisoners in the police station.

The police learned from the two prisoners the names of one of the soldiers who did the shooting at the station office. Sheriff Boone and Chief of Police Lockhart demanded the surrender of the man from the commandant of the post. The latter gave assurance that he would lend all possible assistance in bringing the guilty man to justice. It is believed there will be no further clash. The entire police force, however, have been mounted and armed with Winchester rifles in readiness for any emergency. The feeling here against the soldiers is very bitter. Many citizens have offered their services to the civil authorities.

## CRONJE RETREATS.

### Gen. French's Division Occupies Town of Kimberley.

#### Boers Attack General Gatacre at Village of Moleno.

#### General Kelly-Kenny Harassing General Cronje's Retreating Army.

#### BRITISH CLEAR NATAL BORDER.

Kimberley, Friday, Feb. 16.—General Cronje, with 15,000 men, is in full retreat toward Bloemfontein. General Kelly-Kenny is fighting the rear guard and harassing the retreat. Boers are reported to be leaving Springfield, going in a northerly direction. The Boers captured a large conveyance as the result of yesterday's fighting at Moleno. The British casualties were comparatively slight. In view of the tremendous bombardment, less than thirty men were wounded, and but one killed. General French's division was entirely unscathed and was actually welcomed at Kimberley. News of his entry into Kimberley greatly cheered the troops, who are working splendidly.

**BRITISH CLEAR NATAL BORDER.**  
New York, Feb. 16.—A dispatch to the Tribune from London says: "The western border has been cleared by General Roberts. The first stroke since the relief of Kimberley, which carried Makgato with it, and secured British control of West Bantarie district and Bechuanaland. Various suggestions are put forth as to the movements of Cronje. Mr. Leyds expressed the opinion that the Boer commandant had deliberately allowed General French to enter Kimberley so as to cut him off from communication with his commander-in-chief."

**NO TELEGRAPH LINE TO KIMBERLEY.**

New York, Feb. 17.—Commercial Cable company this morning sent out the following notice: British positions request us to cancel yesterday's notice regarding Kimberley. There is no telegraphic communication at present with Kimberley.

**ATTACK ON MELTING.**

London, Feb. 17.—A special from St. Petersburg dated today says that the Boers, with artillery, commenced an attack early this morning on Moleno, near that place occupied by troops commanded by General Gatacre.

**CAPTURE BOERS.**

London, Feb. 17.—A dispatch to the war office from Lord Roberts, says: General Kelly-Kenny's brigade captured yesterday seventy-eight wagons laden with stores.

**GENERAL FRENCH PROMOTED.**

London, Feb. 17.—The queen has promoted General French to be a major general. French heretofore only ranked as a colonel with local rank of lieutenant general. Lieutenant Colonel Kenehan has been promoted to be a colonel for services in the defense of Kimberley.

**BRITISH CHECKED UP.**

London, Feb. 17.—With General Cronje in full retreat and General Kelly-Kenny harassing his rear, hopes run high that a decisive action will occur. It is not ready fought. Dispatches from Jacobabad confirm this belief, saying that Cronje has been obliged to "outspan." In other words to form a laager or camp, in order to rest his army.

This explains the Kelly-Kenny dispatch, referring to shelling the laager, which also brought the long expected word of General Kitchener's whereabouts. If General Tucker with the seventh division is able to effect the projected junction with the forces of Kelly-Kenny, while the ninth division, under General Colville, is rapidly coming up from the rear, Kitchener should have sufficient force to decisively engage General Cronje and to prevent him from reaching Bloemfontein with an effective force.

The Boers, though retreating from Magerfontein, are active elsewhere. A special dispatch from Orange river, dated February 16, says they are attempting to cut the British line of communication with Kimberley. It is said they are not likely to effect any serious result. On the other hand comes news that General Macdonald has again occupied Koofoersberg.

**BRITISH LOSSES.**

London, Feb. 17.—General Roberts reports the British casualties at Jacobabad one killed, fourteen wounded and three missing.

**DISPATCH FROM KENGE.**

New York, Feb. 17.—A dispatch which President Kruger is said to have sent to the Hague since the successful movement of General French for the relief of Kimberley, reached the former official in Holland in this city today. It reads: "No unsuccesses. General operations on the west are fully planned."

**QUIET AT AUDEL.**

Arundel, Feb. 17.—All is quiet to day on Boers about. British outposts guarding railroads. Reinforcements have arrived.

**Judge Lynch Again.**

Aiken, S. C., Feb. 17.—Will Burt, a negro, was lynched near Basket Mills, eight miles north of Aiken, to-day, by a mob of 250 men.

Last Monday Burt attempted to assault Mrs. C. L. Weeks, a planter's wife.

**Regarding Bill.**

Washington, Feb. 17.—The house committee of the whole resumed the consideration of the legislative appropriation bill.

**Clark Investigation.**

Washington, Feb. 17.—In the Clark investigation to-day Justice Piggott, of the Montana supreme court, testified that Justice Piggott was consulted as to the wisdom of criminal proceedings against Dr. Tracey on account of his advances toward Hunt in connection with the Wellcome disbursement case. They considered that the situation did not call for such action as they thought Tracey was more than a mere innocent bystander. Piggott also said that concerning the motion of Corbett in coming to see him August 5 his mind was not yet clear. While Piggott was testifying Senator Clark entered the room. Piggott was followed by Chief Justice Theodore Brantley of Montana. He said that on August 5 he was on the Pacific coast. Upon his return Justice Piggott had an interview with Dr. A. B. Martin, principal of the College of Montana, a Presbyterian institution, of which Senator Clark is president. The witness said Martin had shown him a letter signed by Clark, one sentence of which was as follows: "See Justice Brantley, ask him not to allow that good man, Wellcome, to be disturbed." He said that Martin Wellcome would have a fair trial. He was not sure the letter was in Clark's handwriting. Senator

## ONLY A FEW DAYS MORE

### To Buy a Piano at Your Own Price and Terms.

#### Many Have Taken Advantage of This Great Sale and Many Can Yet Avail Themselves.

Monday and Tuesday will be our last two days of these cut prices. It's just like finding \$75 or \$100 to get a piano now. Some people may wonder why and how it is that we can sell pianos at such low figures. In the first place we manufacture and sell them direct to the customer, saving the profits of jobbers, middlemen and agents' commissions, and while we expect to continue to sell pianos in Albuquerque at lower prices than you can buy the same grade of goods elsewhere, yet for the first two weeks we are selling at wholesale prices—that is, at the same prices agents and dealers would pay for them. This we do to advertise our business, and have been much pleased with the results. Hundreds have visited our store with an interest, and many have bought simply because they knew a bargain when they examined our stock.

We still have a very good lot of pianos yet to select from and you can have your choice of our \$235, \$265, \$285, \$305, \$325 and \$385 if you will call early. All of these pianos are sold the world over for \$75 to \$100 more than we ask you. Open evenings.

## CLARK WAS CALLED.

### Mr. Faulkner immediately began questioning the first of which brought out facts concerning Clark's career, political and otherwise, in Montana. He had, he said, taken an active part in politics for the past fifteen years. Coming to the campaign of 1898, he said he entered it at the solicitation of his friend, "who urged me to help them organize the state against what was called Daily power, which I agreed to do with their assistance."

The Democrats had been facing with populists and silver republicans. He opposed such course, because it resulted in the nomination of people who were not democratic. Clark said he had at a preliminary meeting with friends in Helena agreed to enter the campaign to wrest power from Daily, but not with the understanding he would be a senatorial candidate. That conclusion had come later. He said, all told, he spent about \$115,000 in the campaign. He denied explicitly all statements made by Willard, Macmillan and others concerning him with corrupt methods in securing his election to the senate, saying as far as he knew no money had been used corruptly in his behalf. He said he might have written a letter as testified to by Judge Brantley, but could not remember.

**TO DECIDE TO-MORROW.**

Frankfort, Ky., Feb. 17.—The democratic attorneys representing Governor Beckham will hold a conference tomorrow to decide on the proposition to submit to a conference between them and Governor Taylor's attorneys Monday, relative to the agreed case, involving all the movements of Cronje. The lawyers are growing out of the contents over state offices.

To the Gentlemen Dressers of Albuquerque:

FASHION DICTATES that the first Spring Season of the new Century shall inaugurate many radical changes in the cut of men's garments and the textures from which they will be made. Instead of the narrow shouldered, loose fitting garments of the past, those who aim to dress properly will wear them broad shouldered and very close-fitting. The trousers will also be an extremely different cut. The popular vest will be double-breasted with a collar. The tailoring house that we represent is on Broadway in New York City and they cater to the fine retail trade of that city and with our system of measurement it stands to reason that the most fastidious dressers can be pleased. Another thing: In our fine goods we remove the sample after an order which makes it impossible to duplicate. Our Spring Samples have arrived; also fashion plates by America's style dictator.
