PARTITION OF AFRICA.

Portuguese Possessions to be
Absorbed by Great Britain.

Asia Also to be Partitioned by Euro-
pean Powers.

Senate Statehood Committee Reach Phoenix,
Arizona.

CONGRESSMAN BOUTELLE INSANE.

New York, Dec. 28.—A dispatch to the Herald from Berlin says: The Lokai Anzeiger, publishes the contents of the German-English-Portuguese secret treaty. This double treaty will have executive force as soon as the Swiss jurors, Messrs. Baseli, Hensler and Gulland, have given their decision in the Delagoa bay arbitration. The decision, it is expected, will be given in January or February and probably will be in favor of England, in which case Portugal must pay England and America an indemnity of 1,000,000 pounds sterling. England obtained in 1891 from Portugal the right of pre-emption of Delagoa bay, and the cession of Delagoa bay to England may therefore be expected in March next.

It is possible that President Kruger may now declare war on Portugal and attack Delagoa bay at once. In order to prevent interference by France or Russia, England concluded a secret treaty with Germany regarding the complete partition of the Portuguese possessions of Asia, that is to say Timor, Goa, Macao and Din, with twenty thousand square miles of territory and a million inhabitants. Germany further receives in Africa all Portuguese territory north of Mozambique, except a strip three miles wide for Cecil Rhodes' Trans-Africa railway. For this the German government will pay Portugal 25,000,000 marks. The surprising part of the statement of the Lokai Anzeiger is that it refers to Asia when it repeatedly has been asserted at the foreign office that the treaty only refers to Africa and did not refer to Asia. England receives the remaining African possessions of Portugal, which contain two million square kilometers and have thirteen million inhabitants. The cession of Portugal to this arrangement has already been obtained in principle. The Lokai Anzeiger declares that it has the news from such source that no details are possible.

NOT CONFIRMED.
Paris, Dec. 28.—The publication by the Lokai Anzeiger of Berlin of a secret treaty between Germany, Portugal and Great Britain, providing for the partition of the Portuguese colonies must not be credited in official circles here. There is believed in German quarters to be an agreement between Great Britain and Germany may exist outside of an outcome negotiations to build a telegraph line connecting Cape Town with Cairo.

GUSS WORK.
Berlin, Dec. 28.—The German news agency has issued a statement that the assertions of Lokai Anzeiger were false and erroneous guess work. In official circles Berlin describes the statements made as quite inaccurate.

FAVOR STATEHOOD.
Congressional Committee Reach Phoenix and Favor Admission of Arizona.
Phoenix, Ariz., Dec. 28.—Senator George L. Shoup, chairman of the senate committee on territories; Senator C. D. Clark, Wyoming; Senator H. H. Brown, commissioner general land office; General F. K. Ainsworth, in charge of pension records of the war department, in company with Governor Murphy of Arizona, arrived at Phoenix last night, after visiting various towns in New Mexico and northern Arizona to acquaint them with the qualifications of the new territories for becoming states.

At the reception of the visitors they expressed themselves surprised by the helpful resources of Arizona and declared strongly in favor of admitting both Arizona and New Mexico.

The captain will leave to-night for San Francisco, where he will take a steamer for Manila and where he expects soon to engage in the mercantile business. At 3 o'clock this afternoon Col. Morris was undecided as whether to accompany the captain to the Philippines or return to Thornton.

WAR IN SOUTH AFRICA.

Another Heavy Artillery Skirmish at Modder River.

Boers Had 23,000 Men in the Battle of Magerfontein.

No Important Change in the South African Situation.

DEATH OF PROMINENT MINERS' BOY.

London, Dec. 28.—The war office has received the following from Cape Town dated December 27: Methuen reports the following: At 9:30 yesterday morning the Boers on the south side of Magerfontein opened heavy fire for some time. This morning the naval brigade fired at the enemy at the west part of Magerfontein. The cavalry brigade is reconnoitering in a northerly direction. Lord Masters made a reconnaissance toward north and north-east and reports all well. Farmers are glad to see our men. They were suffering for want of food. I established a market here where I can purchase fresh milk and vegetables, selling the farmers tea and other articles they cannot otherwise purchase. Heavy rain fell last night. Gatacre and French report no change in the situation. Baden-Powell reports all well December 12.

Colonel Bower, commanding the Canadian contingent troops, is to join the staff of General Buller, all the members of which are proceeding to Natal, indicating that Buller's sphere will shortly be confined to Natal.

A man named Green, formerly a sergeant-major in the British balloon department, is among the Boer prisoners captured at Magerfontein. Green deserted from Aldershot in 1893 and admitted that he had been some time in the service of the Boers and instructed them in trenching. He says there were 23,000 Boers at Magerfontein, 21,000 of whom were engaged the day of the battle. The Boers lost 100 men and 100 horses. Trenches being full of dead. Green further asserts that if the attack had been pressed the Boers would have yielded. He says that the Boer horses have been taken to Modder river, as the water is so scarce at Magerfontein.

DROPPED DEAD.
Durban, Natal, Dec. 27.—Harry Keston, former premier of the Transvaal, died suddenly on the street this afternoon. A German farmer named Stucke and Rev. Mr. Hartes, director of the Hanoverian Mission, Natal, have been arrested at the Keston on the charge of aiding the Boers. They claim protection of Germany.

BOER POSITIONS IMPREGNABLE.
London, Dec. 28.—In view of the apparent impregnability of the British command in preventing the daily strengthening and extending of the Boer positions along the Tugela and Modder rivers, are now considered practically impregnable, many experts are coming to the conclusion that the British have given up the idea of carrying these positions by assault and will await transports with cavalry required to give their force necessary mobility. They then hope to be in a position to besiege the Boers in their respective places, while General Roberts carries out the original plan of campaign that of advancing straight north to Bloemfontein, where general detachments sufficient mobile troops to reach their goals by circuitous routes.

There is nothing in official or best independent reports to indicate that the beleaguered garrisons are in any special straits calling for immediate relief. Latest advices from Kimberley, where shortage is most feared, report plenty of food.

An interesting feature of to-day's news is patriotic offers of service from Indian princes.

Dead.
St. Paul, Minn., Dec. 28.—Charles E. Pike died last night. Pike was born at St. Paul, Minn., April 18, 1816. He was United States minister to the Netherlands during the civil war. In early life he was one of the first settlers of the country of the republic on party in Massachusetts. In 1857 he moved to Wisconsin, and founded the Lincoln Northwestern, which, during the war, was a radical supporter of Lincoln. In 1865 he was appointed collector in the internal revenue department and assistant attorney of the United States. He came to St. Paul in 1868.

Fire This Morning.
At 6:45 o'clock this morning fire broke out in the frame cottage No. 711, Marquette avenue, occupied by M. C. Taylor and family, and owned by Judge C. Collier. The house and contents were totally destroyed. The cause of the fire is unknown. It apparently started in the front part of the house, where there was no stove, and might have caught from a match dropped by a member of the family who was in the front room a short while before the fire was discovered. Mr. Taylor, who is the teamster for the Constable's company, had no insurance on his household goods and there was nothing saved. There was

After a Lingering Illness of Several Days Death Claims Another.
Last evening, at his rooms on Railroad avenue, occurred the death of Dr. Charles S. Shaw, formerly of Princeton, Pa. He was aged about 43 years, and came here a couple of months ago to recuperate his health, which had been shattered by the arduous labors of his practice. The cause of death was due to tubercular meningitis, from which the patient had been a sufferer for more than a year. The mother, who is a resident of Allegheny, Pa., and several brothers and sisters are left to mourn their loss. George K. Shaw, who came here two weeks ago to care for his brother, will accompany the remains on the homeward journey to-night.

Straub, junior member of the firm, is under bail on charge of embezzlement. His partner Stahl is missing. Mr. Straub said: "One month ago I believed myself a wealthy man. LETTER FROM LUZON.

Lieutenant Coleman Writes Interestingly of Philippine Matters.
Assistant United States Attorney W. H. Pope, of Santa Fe, is in receipt of an interesting letter from Lieut. Sherman Coleman, of the Third Infantry, dated at Cabanatuan, Nov. 10. Lieut. Coleman writes in part:

"I am in good health. I have been chief quartermaster and chief commissary of the Third Brigade of Lawton's division, and to say that I am busy is to put it mildly. I have a large depot commissary here at Cabanatuan from which I daily issue five to six thousand rations, besides commissary stores. Then I have to rustle to buy food and forage for nearly 3,000 horses and mules, to say nothing of the bull teams. I must also go out in the country to buy rice, paddy and sugar, as well as ponies and bullocks. I spend for Uncle Sam \$500 to \$800 per day, and am certainly kept busy, so busy that I seldom get time to sleep."

"Colonel Kennan is brigade commander and is a good man, cautious and clear-headed. We are gradually closing around Agat, and every one fears that he will duke at the last moment and fall to give us any fun for all the trouble of rations, besides commissary stores. The transportation is a serious problem to this part of the army and we are having no end of trouble in getting supplies to the front, though the warehouses at Manila are bursting with supplies of all kinds."

"Agulaindo is still at Tarlac, but his force is dwindling away. It is only a question of a little while before we will get him. I give you the story of the capture of the Americans all the trouble he is in the hope of making some sort of a compromise is past."

"Cabanatuan is a small town, but nicely situated on the Rio Grande. We had a serious time crossing that river, and lost six or seven men by drowning. The people are a long way ahead of the Cubans, and I was surprised to find that nearly all the peasantry can read and write. The women, I believe, are the most virtuous in the world; at least as far as I have seen of them."

"We are conducting this war on the approved system of civilized warfare. One is not allowed to shoot a chicken. Pigs run at large through the streets here, in perfect safety. If you look at one sideways it means a court martial. Lawton is strict, and says he will recognize the first looking that we see. Whiskey is \$10 a quart, and we all swore off on the spot, not because we want it, but because we are not allowed to have it. Cigars are cheap, and cigars are worth five cents a dozen, and I smoke occasionally."

"Dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, and other symptoms are common to those of impure blood. No matter how it becomes so it must be purified in order to obtain good health. Acker's Blood Purifier has never failed to cure beriberi or any other blood disease. It is certainly a wonderful remedy, and we sell every bottle on a positive guarantee."

"Territorial Funds. Territorial Treasurer Vaughn has received from J. L. Peres, collector of Bernalillo county, \$544.80 of this amount, \$116.40 was for 1908 taxes, of which \$72.30 is for territorial purposes and \$21.85 for territorial institutions, and \$527.80 of 1909 taxes, of which \$242 is for territorial purposes and \$125.02 for territorial institutions."

"Millions Given Away. It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the public. The King of New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine, and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarseness and all diseases of the Throat, Chest and Lungs are surely cured by it. Call on J. H. O'Reilly, druggist, and get a free trial bottle. Regular size 50c, and \$1. Every bottle guaranteed, or price refunded."

"Catholics Fair at Gallup. The Catholic fair of Gallup has proved to be not only a social but also a financial success. Together with the collection held by Father Julliard at the Glavin mine in connection with the fair, the net proceeds amount to \$1,700, and at least \$100 worth of articles are left unsold."

"The horse and buggy for the most popular gentleman was won by Mr. J. Pitts. The gold ring for the most popular lady was won by Miss Kate McGinn. The prize doll to the sweetest little girl of Gallup was won by Miss Maggie Myers."

"TO CURB A GOLD IN ONE DAY. Take Laxative Bromine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 35c."

"Pleasant Words From Cincinnati. CINCINNATI, Ohio, Dec. 22. Hughes & McCright, Publishers Daily Citizen, Albuquerque, N. M., have received and congratulate you on the Christmas edition. From the looks of the numerous advertisements I am assured that business in your city and territory is good. It is an era of prosperity that the whole country is participating in. Next year will be still better."

"With the compliments of the season, I am, yours truly, J. W. DENNISON."

CHRISTMAS SUGGESTIONS!

This is a season of the year when we are all pondering over what to present as Christmas Gifts. These "puzzlers" are sure to cause you quite a little worry and annoyance, unless you come to us and inspect our stock. Here you will find presents suitable to delight the hearts of all. These reminders may give you some ideas. However, to get the full benefit you must see them yourself:

LADIES' KID GLOVES

EVERY PAIR GUARANTEED. \$1.00 PER PAIR. Why pay \$1.50 and \$2.00, when we sell just as good gloves for \$1.00?

ELEGANT DRESS PATTERNS,

In most novel weaves; in the most beautiful color combinations; an elegant assortment to select from and prices to suit all.

CAPES AND JACKETS.

We had an immense stock. We still have a large stock. They must and will go, and why should they not? They comprise all the latest novelties in Fur and Cloth in all the leading styles, and at prices regardless of their value. We did not carry over one garment last year, neither will we this.

SILK WAISTS.

A new line of Waists having the stamp of approval of Paris and Vienna modistes, in most elegant Silks and Satins; in gorgeous color combinations. They make beautiful Christmas presents.

UMBRELLAS.

What serves as a more appropriate gift than a fine handled, silk umbrella? We can help you out on that.

All kinds of Novelties, Fine Perfumes, Ladies' and Gentlemen's Neckwear, hold most prominent places in our store, but space will not allow us to go into detail. Remember you have but a short time in which to get that Sewing Machine.
